

NEW WORLD ORDER AGENDA & WHY

[FEBRUARY 4, 2015 KRAZY RED IN AMERICA](#)

Many today are wondering what the Fuck is going on with the world. Why does it seem that our planet is being run by a bunch of evil mother fuckers hell-bent on our destruction. Because it true. Now the next obvious question is why. And I'm here to tell you. Now if you're wondering how I know these things; I ask you to first listen to what I have to say. Then search your hearts for the truth. For we all know when we hear it. Even if we don't want to believe it. And some this may turn out to be good news for not all are condemned.

First let's look at the facts.

We all know that our world leaders are leading us directly into world war three. And that the Military industrial complex along with big business runs the show. That they are feeding us poison and now they're even injecting us with it and looking for excuses to release plants and animals into the natural environment which will cross-contaminate everything.

Now if you didn't know GMO is bad here is a quick lesson. Any kinda of fucking with genetic code leads to anomalies that are bad for you, me and everything around us. They break down our immune systems and lead to pre-cancerous cell growth. They know this and they have been doing this on purpose for time. But why? The most obvious answer is to get rid of us. The world is over-populated or so they say. But won't this effect them too? These elitists can't all be immune to this stuff, right?

Wrong and this is where it gets really deep. First off, this stuff isn't new. Governments have been genetically manipulating these for a long time and they've gotten quite good at it. And GMO isn't the only player in town. Cloning and cybernetics have come a long way. We are now on the verge of being able to create the first immortals...

That's right! Immortals who cannot die! They will one day put these elites thought and memories in the bodies of younger clones [that] are even better! Clones who have been genetically enhanced and modified. And this is the real reason they are slowly destroying the masses. Not because there are too many but because they don't want to share this shit with everybody! If we were to raise up now and destroy their infrastructures hence ruining their plans then all would be lost. If they came and told us about the level of technology today we would all want to be immortal and they don't want that. So they have an agenda.

1st: Divide us. Divide and conquer is one of the oldest rules to war there is. That's why we always have to have a left and a right. Which is really just a big puppet show to keep us from coming together. To keep us at war with each other. As long as we believe the other guy is a bad guy and we need to fight them to protect our way of life they can control us and manipulate us. This what the whole war on terror is. Now some of us are starting to wake up to this which is why they're pushing the GMO and vaccinations. Why they're allowing for diseases to spread and will soon start mandating these injections.

Anyone who doesn't obey will be label a terrorist and imprisoned. Our children will be forced to live in this fucked up world and the ones who survive will kept around for genetic by-product and manual labor. Once our numbers are low enough they will dangle immortality in our faces like a carrot in front of the donkey. Aspiring to be like them!, will be the New World Order Dream. All humans will eventually be modified for one reason or another: some will be made for space travel and exploration to start mining asteroids and look for other inhabitable planets. Some will be made for pleasure. One day all the elite will have their own cloned sex slaves. And they will be none the wiser for they were born and bred just for this reason.

Machines and artificial intelligence will be common place and used to do man's dirty work and humans as we know them today will be a novelty that fades away to nostalgia. And all because some greedy fuckers want it all and want to live forever. And by the time you non-believers figure out I'm right... It'll be too late.

Time is running out and we are walking towards our own oblivion. Where will you be in this New World Order?

Welcome To ... The 'New World Order'

Since Gulf War v1.0 in 1991, the term "New World Order" has become well-known. However, There's been no real explanation, as to what it really means, except that it implies a new spirit of cooperation among all nations of the world, in order to further the cause of peace. Peace IS essentially and undoubtedly good; Therefore, the New World Order is good and should be accepted by all the nations of the world, Right?!

EXCEPT, FOR ONE SERIOUS PROBLEM ...

**"Remember, Where You Have a Concentration of Power In a Few Hands,
All Too Frequently, Men With The Mentality of Gangsters Gain Control. History Has
Proven That ...**

POWER TENDS TO CORRUPT; ABSOLUTE POWER CORRUPTS ABSOLUTELY."

~ British historian, Sir John Dalberg-Acton, 1887 ~

Having Said That, Just Step Back and Take a Look Around You ...

It's common knowledge, that corruption Is Running RAMPANT, within World Governments.

Corruption from the very top, as well as down to the various tentacles of our local governments, (Let's Not Forget the United Nations, the World Bankster Elite and the Greedy Globalist Corporations). The 'New World Order' Architects, (The 'Men Behind The Curtain') Are Carefully Orchestrating a World-Wide Economic Collapse, That Will Cause 'The Greatest Depression' The Modern World Has Ever Known. This Will Force Everyone To Accept a 'Global' Currency and Soon-after, a (Subcutaneous) Microchip Implant. These people are Hell-bent, (literally) on erasing America as we know it, while turning her into a 'Third World,' Banana Republic, Fascist/Socialist Dictatorship, with Millions of Ecological Bureaucrats, Civilian Youth Brigades, Increased Bizarre 'Government' and 'Mainstream' Media Propaganda. Taxes on Everything You Do, Taxes Per Mile You Drive, "Carbon Taxes," etc. Secret Police and Military Checkpoints Everywhere, Military Troops Patrolling Our Cities and

Towns, (On Foot, As Well as In Armored Personnel Carriers) Forced Vaccinations, Citizen 'Roundups' and FEMA Detention/Labor 'Camps.' Endless Wars, 'False-flag' "Terrorist" Attacks, The Eugenics Operations, (Poisoning of Our Air, Food and Water Supply) Will Continue. A TOTAL 'Track & Control' Grid, with a high-tech overlay IS Being Setup, Right Before Your Eyes ... Think It Can't, Happen Here, In These United States of America? Trust Me When I Tell You, *Things Are Going To Get REAL Ugly ...*

The term "New World Order" was even used back in the 1930s by Adolph Hitler, as he exclaimed; *"National Socialism will use its own revolution for the establishing of a new world order!"* Edward VIII became King of England on January 20, 1936, but after eleven months, he was bound to abdicate the throne, because he married a 'common' woman. He became the Duke of Windsor and afterwards, the governor of the Bahamas, in July 1940. He's on record as saying; *"Whatever happens, whatever the outcome, a New Order is going to come into the world ... It will be buttressed with police power ... When peace comes this time, there is going to be a New Order of social justice."*

New York Governor, Nelson Rockefeller who declared about the then U.S. President in a speech, (as reported by Associated Press on July 26, 1968) He would *"work toward international creation of a New World Order."*

During the 1976 Presidential campaign, Jimmy Carter is quoted as saying; *"We must replace balance of power politics with world order politics." On February 14, 1977 Carter said in a speech: "I want to assure you that the relations of the United States with the other countries and peoples of the world will be guided during my own Administration by our desire to shape a World Order that is more responsive to human aspirations. The United States will meet its obligation to help create a stable, just, and peaceful World Order."*

President George Herbert Walker Bush is the man who actually put the term; "New World Order" in the limelight, doing more than anyone previously, to bring about its WORLD-WIDE acceptance. While, at the same time, PUBLICLY exposing it for what it ACTUALLY is ... AN ONGOING PLAN, thereby deleting the notion that the concept was merely a 'wild, kooky, crackpot' "CONSPIRACY THEORY," as the 'Mainstream Media' today, refers to the 'conspiracies' being investigated and_exposed currently.

In a February 1990 fundraiser in San Francisco, Bush said; *"Time and again in this century, the political map of the world was transformed. And in each instance, a New World Order came about, through the advent of a new tyrant or the outbreak of a bloody global war, or its end." Later on in an interview, he said; "When we are successful, and we will be, we'll have a real chance at this New World Order, an order in which a credible United Nations can use its peacekeeping role to fulfill the promise and vision of the United Nations' founders."* The September 17, 1990, issue of Time magazine said that "the Bush administration would like to make the United Nations a cornerstone of its plans to construct a New World Order." Jeanne Kirkpatrick, former U.S. Ambassador to the UN, said that one of the purposes for the Desert Storm operation, was to show to the world how a "reinvigorated United Nations could serve as a global policeman in the New World Order."

Prior to the Gulf War, on January 29, 1991, Bush told the nation in his State of the Union address: *"What is at stake is more than one small country, it is a big idea - a New World Order, where diverse nations are drawn together in a common cause, to achieve the universal aspirations of mankind; peace and security, freedom, and the rule of law. Such is a world worthy of our struggle, and worthy of our children's future. Hence we can see a new*

world coming into view and prevailing according to the U.S. plans. Winston Churchill had also promised a "world order" entailing "the principles of justice and fair play, for protecting the weak against the strong. A world where the United Nations, freed from cold war stalemate, is poised to fulfill the historic vision of its founders, a world in which freedom and respect for human rights find a home among all nations. A world in which there is the very real prospect of a new world order."

The promises made so far, have yet to be fulfilled and the definitions of a New World Order, look absolutely superficial and cursory, as we proceed into the minute details. Like the old saying goes; "you can't tell a book by its cover," there's a lot more here, than meets the eye ... Because the concept is an ancient one, with a dedicated philosophy rooted in the on-going New World Order plan. If you fail to take into account, the occult nature of the New World Order, you truly have your head in the sand ...

"There will be, in the next generation or so, a pharmacological method of making people love their servitude, and producing dictatorship without tears, so to speak, producing a kind of painless concentration camp for entire societies, so that people will in fact, have their liberties taken away from them, but will rather enjoy it, because they will be distracted from any desire to rebel, by propaganda or brainwashing, or brainwashing enhanced by pharmacological methods. And this seems to be the final revolution."

THE “NEW WORLD ORDER”

Revelations From The World's Elite, Powerful “Super-Class.” “We Are Not Going To Achieve Our New World Order, Without Paying For It In Blood ... As Well As In Words and Money.”

Arthur Schlesinger, Jr., in *Foreign Affairs* (July/August 1995)

THE quotation above, (as well as those listed below) clearly demonstrate, that the words; “New World Order” are deadly serious in their use and, have been for decades. Contrary to popular belief, they did not originate with President George Bush in early 90s, as he is merely the one, who boldly 'put it out there.' The “Old World Order” is one based on independent nation-states. The “New World Order” involves the elimination of sovereignty and independence of nation-states, to be replaced by some form of ONE WORLD GOVERNMENT. This means the end of the United States of America, the United States Constitution, *and* the Bill of Rights, (as we now know them). Most of the “New World Order” proposals, involve the conversion of the United Nations and its agencies to a One World Government, complete with a One World Army, a One World Parliament, a One World Militarized Police Force, a One World Court, a Global Tax Agency, (along with countless other agencies) to control EVERY aspect of human life, (education, nutrition, health care, population, immigration, communications, transportation, commerce,

agriculture, finance, the environment, etc.). The various notions of the "New World Order" differ as to details and scale, but agree on the principle and substance ...

"Today, America would be outraged if U.N. troops entered Los Angeles to restore order. Tomorrow they will be grateful! This is especially true, if they were told that there were an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then, that all peoples of the world will plead to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished, for the guarantee of their well-being granted to them by the World Government."

Dr. Henry Kissinger, Bilderberger Conference, Evians, France, 1991

SOUND FAMILIAR?

"The people can *always* be brought to the bidding of the leaders ... That is easy ... All you have to do, is tell them they are being attacked and denounce the pacifists for lack of patriotism and exposing the country to danger. It works the same way in any country."

"The drive of the Rockefellers and their allies is to create a one-world government combining supercapitalism and Communism under the same tent, all under their control ... Do I mean conspiracy? Yes I do. I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent."

Congressman Larry P. McDonald, 1976,
(killed in the Korean Airlines 747, shot down by the Soviets)

"We are grateful to The Washington Post, The New York Times, Time Magazine and other great publications, whose directors have attended our

meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world, if we had been subject to the bright lights of publicity during those years. But, the work is now much more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers, is surely preferable to the national auto-determination practiced in past centuries."

Most of his thoughts, his political ammunition, as it were, were carefully manufactured for him in advance, by the Council on Foreign Relations-One World Money group. Brilliantly, with great gusto, like a fine piece of artillery, he exploded that prepared "ammunition" in the middle of an unsuspecting target, the American people, and thus paid off and returned his internationalist political support."

The New World Order Is Being Setup, While You're Asleep and, (or) In Denial

As usual, Jordan Maxwell 's gone to exemplary lengths, to put all of the pieces of the puzzle together, in his lecture; "The Dawn of a New Day." The crux of this presentation, is the Illuminati's implementation of world communism, through out the entire western world and, especially America. Jordan points out, references made from as far back as 1871, as to what the grand plan of the secret societies are. The hidden symbolism is "The New Dawn" or the sun beaming over the horizon, is an old communist symbol, used throughout the ages that depicts a new form of rule, that will prevail over a country or a group of people. (The "Order of the World," The "Sun Order," and how they are finalizing their "New World Order" Agenda.) This same symbology and quotation "Dawn of a New Day" is appearing all throughout America, within major corporations and religious groups, but most of ALL – The Obama Administration. Senator William Fulbright, Former chairman of the US Senate Foreign Relations Committee, stated at a 1963 symposium entitled: The Elite and the Electorate - Is Government by the People Possible?

"The Trilateral Commission is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States. The Trilateral Commission represents a skillful, coordinated effort to seize control and consolidate the four centers of power political, monetary, intellectual and ecclesiastical. What the Trilateral Commission intends is to create a worldwide economic power superior to the political governments of the nationstates involved.

As managers and creators of the system, they will rule the future."

U.S. Senator Barry Goldwater in his 1964 book: *With No Apologies.*

"The powers of financial capitalism had another far reaching aim, nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole. This system was to be controlled in a feudalist fashion by the central banks of the world acting in concert, by secret agreements, arrived at in frequent private meetings and conferences. The apex of the system was the Bank for International Settlements in Basle, Switzerland, a private bank owned and controlled by the worlds' central banks, which were themselves private corporations. The growth of financial capitalism made possible a centralization of world economic control and use of this power for the direct benefit of financiers and the indirect injury of all other economic groups."

"Fall Of The Republic" documents how an offshore corporate cartel is bankrupting the United States economy by design. World leaders are now declaring, that a One World Government has arrived and that the dollar will be replaced by a new 'global' currency. President Obama has brazenly violated Article 1 Section 9 of the United States Constitution, by treasonously seating himself at the head of United Nations' Security Council, thus becoming the first US

president to chair the world body ... A scientific dictatorship is in its final stages of completion, and laws protecting basic human rights are being abolished worldwide; an iron curtain of high-tech tyranny is now descending over the planet. A worldwide regime controlled by an unelected corporate elite is implementing a planetary "Carbon Tax" System, that will dominate ALL human activity and establish a system of neo-feudal slavery. The image makers, have carefully packaged Obama, as the "world's savior." He IS the Trojan Horse, manufactured to pacify the people, just long enough for the 'Globalists' to complete their master plan. This film reveals the architecture of the 'New World Order' and what the power 'elite' have in store for humanity. More importantly, it communicates how "We The People" can take back control of our government, turn the criminal tide and bring the treasonous, criminal tyrants that are responsible, to justice ...

I know of the operations of this network because I have studied it for twenty years and was permitted for two years, in the early 1960s, to examine its papers and secret records. I have no aversion to it or to most of its aims and have, for much of my life, been close to it and to many of its instruments. "He [John Foster Dulles] stated directly to me that he had every reason to believe that the Gov. [Thomas E. Dewey of New York] accepts his point of view and that he is personally convinced that this is the policy that he would promote with great vigor if elected. So it's fair to say that on the first round the Sphinx of Albany has established himself as a prima facie champion of a strong and definite new world order."

"The idea was that those who direct the overall conspiracy could use the differences in those two so-called ideologies, (The 'Left' - Marxism/Fascism/Socialism or, The 'Right' - Democracy/Capitalism) to enable the Illuminati, to divide larger and larger portions of the human race, into opposing camps ... so that they could be armed and then brainwashed into fighting and destroying each other."

"The developing coherence of Asian regional thinking, is reflected in a disposition to consider problems and loyalties in regional terms, and to evolve regional approaches to development needs and to the evolution of a new world order."

Richard Nixon, in *Foreign Affairs* (October 1967)

"He [President Nixon] spoke of the talks as a beginning, saying nothing more about the prospects for future contacts and merely reiterating the belief he brought to China that both nations share an interest in peace and building 'a new world order.'"

Excerpt from an article in *The New York Times* (February 1972)

"If instant world government, Charter review, and a greatly strengthened International Court, do not provide the answers, what hope for progress is there? The answer will not satisfy those who seek simple solutions to complex problems, but it comes down essentially to this: The hope for the foreseeable lies, not in building up a few ambitious central institutions of universal membership and general jurisdiction as was envisaged at the end of the last war, but rather in the much more decentralized, disorderly and pragmatic process of inventing or adapting institutions of limited jurisdiction and selected membership to deal with specific problems on a case-by-case basis ... In short, the 'house of world order' will have to be built from the bottom up rather than from the top down. It will look like a great 'booming, buzzing confusion,' to use William James' famous description of reality, but an end run around national sovereignty, eroding it piece by piece, will accomplish much more than the old-fashioned frontal assault."

Richard N. Gardner, in *Foreign Affairs* (April 1974)

"The existing order is breaking down at a very rapid rate, and the main uncertainty is whether mankind can exert a positive role in shaping a new world order or is doomed to await collapse in a passive posture. We believe a new order will be born no later than early in the next century and that the death throes of the old and the birth pangs of the new will be a testing time for the human species."

Richard A. Falk, in an article entitled "Toward a New World Order: Modest Methods and Drastic Visions," in the book *On the Creation of a Just World Order* (1975)

"My country's history, Mr. President, tells us that it is possible to fashion unity while cherishing diversity, that common action is possible despite the variety of races, interests, and beliefs we see here in this chamber. Progress and peace and justice are attainable. So we say to all peoples and governments: Let us fashion together a new world order."

Henry Kissinger, in address before the General Assembly of the United Nations, October 1975

"At the old Inter-American Office in the Commerce Building here in Roosevelt's time, as Assistant Secretary of State for Latin American Affairs under President Truman, as chief whip with Adlai Stevenson and Tom Finletter at the founding of the United Nations in San Francisco, Nelson Rockefeller was in the forefront of the struggle to establish not only an American system of political and economic security but a new world order."

"The planning of the UN can be traced to the 'secret steering committee' established by Secretary [of State Cordell] Hull in January 1943. All of the members of this secret committee, with the exception of Hull, (a Tennessee politician) were members of the Council on Foreign Relations. They saw Hull regularly to plan, select, and guide the labors of the [State] Department's Advisory Committee.

It was, in effect, the coordinating agency for all the State Department's postwar planning."

"The most powerful clique in these (CFR) groups have one objective in common: they want to bring about the surrender of the sovereignty and the national independence of the U.S. They want to end national boundaries and racial and ethnic loyalties, supposedly to increase business and ensure world peace.

What they strive for, would inevitably lead to dictatorship and loss of freedoms by the people. The CFR was founded for "the purpose of promoting disarmament and submergence of U.S. sovereignty and national independence into an all-powerful one-world government."

Harpers, July 1958

"The old world order changed when this war-storm broke. The old international order passed away as suddenly, as unexpectedly, and as completely as if it had been wiped out by a gigantic flood, by a great tempest, or by a volcanic eruption. The old world order died, with the setting of that day's sun and a new world order is being born while I speak, with birth-pangs so terrible, that it seems almost incredible that life could come out of such fearful suffering and such overwhelming sorrow."

Nicholas Murray Butler, in an address delivered before the Union League of Philadelphia, Nov. 27, 1915

"The peace conference has assembled. It will make the most momentous decisions in history, and upon these decisions will rest the stability of the new world order and the future peace of the world."

"If there are those who think we are to jump immediately into a new world order, actuated by complete understanding and brotherly love, they are doomed to disappointment. If we are ever to approach that time, it will be after patient and persistent effort of long duration. The present international situation of mistrust and fear can only be corrected by a formula of equal status, continuously applied, to every phase of international contacts, until the cobwebs of the old order are brushed out of the minds of the people of all lands."

Dr. Augustus O. Thomas, president of the World Federation of Education Associations (August 1927),
quoted in the book *International Understanding: Agencies Educating for a New World* (1931)

"... when the struggle seems to be drifting definitely towards a world social democracy, there may still be very great delays and disappointments before it becomes an efficient and beneficent world system. Countless people ... will hate the new world order ... and will die protesting against it. When we attempt to evaluate its promise, we have to bear in mind the distress of a generation or so, of malcontents ... many of them quite gallant and graceful-looking people."

H. G. Wells, in [his book entitled "The New World Order"](#)

"The term Internationalism has been popularized in recent years to cover an interlocking financial, political, and economic world force for the purpose of establishing a World Government. Today Internationalism is heralded from pulpit and platform as a 'League of Nations' or a 'Federated Union' to which the United States must surrender a definite part of its National Sovereignty. The World Government plan is being advocated under such alluring names as the 'New International Order,' 'The New World Order,' 'World Union Now,' 'World Commonwealth of Nations,' 'World Community,' etc. All the terms have the same objective; however, the line of approach may be religious or political according to the taste or training of the individual."

“MORALS & DOGMA”

Albert Pike (1809-1891)

“Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable blinds feeble, sensual, or selfish Souls? Doubt it not!”

**Albert Pike: Brigadier-General In The Confederate Army.
33rd Degree Mason & Author of The 1871 Book; “MORALS and DOGMA.”**

Albert Pike received a vision, which he described in a letter that he wrote to Mazzini, dated August 15, 1871. This letter graphically outlined plans for three world wars, that were seen as necessary to bring about the **One World Order**. We can only marvel, at how accurately it has predicted the events that have *already* taken place.

The “[Denver Airport Murals](#)” (Painted 1994)

“The Third World War must be fomented by taking advantage of the differences caused by the “agentur” of the “Illuminati” between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time.”

“Of all tyrannies, a tyranny exercised for the 'good' of its victims may be the most oppressive. It may be better to live under robber barons, than under omnipotent moral busybodies. The robber baron's cruelty may sometimes sleep, his cupidity may at some point be satiated; but those who torment us for “our own good,” will torment us without end ... for they do so, with the approval of their own conscience. They may be more likely to go to Heaven, yet at the same time, likelier to make a Hell of earth. Their very kindness stings with intolerable insult. To be ‘cured’ against one’s will and cured of states which we may not regard as disease is to be put on a level of those who have not

yet reached the age of reason, or those who never will; to be classed with infants, imbeciles and domestic animals.” - [C. S. Lewis](#), (*“God In The Dock”*)

A Warning To, “We, The People”

“A nation can survive its fools, and even the ambitious.
But it cannot survive the hidden treason from within. ...
An enemy at the gates, is less formidable, for they Are known,
and they carry Their banners openly.
But the traitor, moves among those within the gate freely,
his sly whispers rustling through all the alleys,
heard in the very halls of government itself.
For the traitor appears not a traitor,
he speaks in the accents familiar to his victims,
and he wears their face and their garments,
and appeals to the baseness that lies deep in the hearts of all men.
He rots the soul of a nation, he works secretly and unknown in the night,
to undermine the pillars of a city,
he infects the body politic, so that it can no longer resist ...
A murderer is less to be feared.”

--Marcus Tullius Cicero, 42 B.C.

A DIRE WARNING,

For All Those, Who ‘Serve’ The *New World Order*:

“No Man Survives When Freedom Fails,
The Best Men Rot In Filthy Jails,
And Those Who Cry, ‘Appease - Appease,’
Are Hanged By Those, They Tried To Please.”

~ Roman Statesman; Marcus Tullius Cicero, (106-43 B.C.) ~

“I Swear Upon The Altar of GOD, Eternal Hostility ...
To EVERY Form of Tyranny, Over The Minds of Men!”

~ Thomas Jefferson ~
