“My Home is Your Home”

“Mi Casa Es Tu Casa”

[June 25, 2023 - #4893 Music & the Spoken Word \(thetabernaclechoir.org\)](#)

Our souls need friendship just as a plant needs water and sunlight. We need to care about people and we need to know they care about us. We need a welcoming community where we draw others in rather than shutting them out, where people and relationships matter, where “my home, mi casa,” as humble as it may be, is always “your home, Tu casa.”

Sometimes that means welcoming new friends into our home. More often, it means welcoming them into our lives and hearts. It requires trust, but trust has always been the price of friendship.

Some would say those days are long gone, that it’s old fashioned to think people can be so open and generous to their neighbors. The people of Mexico would never accept that, and we don’t have to either. We can’t let love and friendship go out of style because we face challenges – global and personal – that we can overcome only as we work together. This is why we always leave the door open to new friendships.

God’s children were meant to be together – if not under one roof, then in one heart.

Judy Note: Expect Black Swan Events of a staged fake Russian Nuclear Attack on the US, a staged National Grid failure, a fake Alien Invasion, a new Virus attack and an economic implosion of bonds, Real Estate and the Stock Market that leads to engineered famine throughout the World in a nasty Recession until late 2025.

Also expect a Supreme Court Announcement of the Brunson Case, which if positive would dissolve the Biden Administration and all of Congress plus activate the Emergency Broadcast System and Martial Law, which would then in turn expose long hidden secrets of the Deep State, mass arrests and tribunals for Global Elite (who have committed Crimes Against Humanity and Treason including participation in an international Child Sex Trafficking Ring composed of rape, torture, murder and Adrenochrome and organ harvesting of children); no more wars, millions of Humanitarian Projects being funded through a revaluation of global currencies to gold/asset-backed and activation of NESARA/ GESARA that will lead to new found wealth and prosperity for The People who, as the Scriptures predict, will live in a thousand years of peace throughout the Globe.

- **Fri. 23 June Goldilocks:** It has come to my attention that Protocol 20 codes are currently being integrated into the QFS. These codes deal with currency protocols allowing digital assets to move through the system.
- **We are six days away (June 30)** in our transition from Libor rates to Sofr rates. This is an International Finance Market Transition. Look for the markets to begin making their transition into new price actions reflecting real values on every sector of the market. This includes Forex.
- **On June 30th**, we will be within two weeks of implementing new monetary policies to reflect our new global economy.
- **Congress will be voting** on stable coins or digital money that has been regulated and standardized with banking protocols to establish our new digital asset based lending economy.
- **On July 1st**, our International Financial Markets will transform into a new digital asset based economy.

C. GCR Recent History:

- **“The transition from the fiat US dollar** to an activity-guaranteed gold/currency marks a significant shift away from an era of controlled and centralized finance. We are moving

towards a future where finance is transparent, decentralized, and secured by the tangible value of gold.” ... Medeea Greere, America Media Group

- **On Wed. 21 June** the Iraqi President signed the Budget with the new Dinar Rate in it. It was announced the new Dinar Rate would be published in the Iraqi Gazette newspaper, making it official, **on Mon. 26 June**. Revaluation of the Iraqi Dinar was considered the Kingpin of the Global Currency Reset. The only thing Tier4b (us, the Internet Group) has left to do is wait.
- **It was rumored that the US Federal Reserve and US Treasury** were on notice that if they could not pay the Global Repository back the quadrillions owed, they would be handing over all assets, including property and business assets on **June 30 2023**.
- **Fri. 23 June Benjamin Fulford:** We are all expecting to receive payments from NESARA-GESARA. Whether it will be linked to your birth certificate, refund of taxes, returning the fees you paid on your mortgage... or whatever else... this will be done worldwide for everyone. Information on some of NESARA GESARA is a little sketchy, (as they said it would be) but I would presume (and it’s only my presumption) that these funds will be paid directly into your QFS account. No Redemption Centre appointments necessary.

G. A Proclamation from the Canadian Elders of the Ahousaht, Nuuchahnulth, Cowichan, Squamish, Sto:lo, Tsilhqot'in, Cree, Metis, Anishinaabe-Ojibwe, Haudenosaunee, Mohawk, Huron, Miqmaq, Dene, and Inuit Nations.

Read by Clan Mother Katie Stoqua of the Huron Nation:

<https://www.youtube.com/watch?v=FN6F0ArPfoo>

- **The Killers of our children are not welcome here!** The Catholic, Anglican, and United churches are banished from our lands!
- **We are traditional elders** of the Ahousaht, Nuuchahnulth, Cowichan, Squamish, Sto:lo, Tsilhqot'in, Cree, Metis, Anishinaabe-Ojibwe, Haudenosaunee, Mohawk, Huron, Miqmaq, Dene, and Inuit Nations. We speak by the authority of the Great Law.
- **All of us are survivors of a war of extermination** waged against us by the Catholic, Anglican, and United churches of Canada. These churches ran the genocidal 'Indian residential schools' that killed over 60,000 of our children. They got away with their crime by a few words of "apology". And today they are still trafficking and murdering our women and children along with the government and China.
- **Therefore, according to the Great Law,** we Elders assembled at Council Fire proclaim that these churches, their priests, and their officials are now and forever banished from our nations across Canada. They must immediately depart or face arrest by our Peacekeepers.

- **We also reclaim their lands**, their church buildings, and the wealth they stole from us as reparations for their slaughter of our people. We will be enforcing this Proclamation in reclamation ceremonies at these churches.
- **We authorize all our people** and their allies to assist us in evicting these churches from our nations and seizing and occupying their buildings for the welfare of all our people.
- **We make this action in league with our white brother Eagle Strong Voice Kevin Annett**, the legal agent of traditional Squamish chief Kiapilano, who evicted these churches from Vancouver on **March 4, 2008**. We name Eagle Strong Voice as a Peacekeeper and liaison to our nations.
- **Stand by for more announcements** of our reclamation actions against these criminal churches that are illegally trespassing on our lands!
- **Issued by us at Council Fire on Monday, June 26, 2023** under the Great Law. thecommonland@gmail.com, www.murderbydecree.com

N. Sun. 25 June White Hat Intel:

- **Keep watching the January 6 Saga** unfold. It leads to the Supreme Court Feb. 2024.
- **SCOTUS Corruption** will also hit the World Media. What happens when SCOTUS judges get caught in a World Scandal? Military is the only way.
- **If someone tells you Satellite weapons don't exist.....**ask them about the 16,000 Patents for satellites and space weapons that exist and NASA owns nearly half the Patents through subsidiary Patent holders.
- **One of the first and easiest weapons ever created for satellites weapons was based off a magnifying glass.** Particles of Quantum light and direct electromagnetic radiation are narrowed to highly localized area and results in concentrated fields of heat. In the outer regions of space outside the Earth's hemisphere the electromagnetic radiation in its raw form entirety creates solar heat, electricity and used for advanced weapon systems in aeronautics and satellites in CLASSIFIED military projects across the world.
- **It is forbidden by National Security** for all Branches of the U.S. Military to divulge information on CLASSIFIED military weapons and advanced weapons due to WORLD Treaties, Military Treaties and common Space Treaties. (This means nobody is allowed to talk about space weapons in military branches that could breach NATIONAL treaties of Satellite weapons and other space weapons).
- **British Intelligence/ M16 lead by the CIA Rockefeller/ Rothschild Regime Fourth Reich** were behind the Wagner Group Military Coup against Putin and Russia.
- **Putin knew** all along that the Wagner group was going to stage a military coup. The World Alliance Military gave the Intel to Putin long ago.
- **In the past two months the Wagner group** was beginning to make fake military assessments and giving fake military reports to Putin that Ukraine was breaking the lines and massively attacking, while real Russian infantry units said the Wagner group was lying and intentionally giving bad information that Ukraine was winning the war in Major parts of Ukraine.
- **Yevgeny Prigozhin, the leader of Wagner group,** was heavily invested in the UK corporation under subsidiary investors and companies and was connected to BlackRock (CIA Rockefeller Ops). Fortune 500 companies connected to the committee of 300 were helping funnel money to Yevgeny Prigozhin in money laundering operations.
- **The Wagner Group** was getting intelligence from the UK Intel and M16 CIA.

- **The Wagner Group** was intentionally positioned in the Ukraine War and intentionally killed hundred thousand Ukraine's to make it seem the Wagner group was the heroes for Russia (this Black operation was long ago created so the Russian people would glorify the Wagner Group after they entered the war as heroes). Wagner expect the Russian people to support them as they turned on PUTIN and said there was civil unrest in Russia because of Putin and he was not Capable to defend Russia.
- **The Wagner group** intentionally tired to lie to Russia forces to join them to go to Moscow saying they needed to defend Moscow from an attack.
- **The real truth was Ukraine Intelligence** was also working with Wagner and placed small pods of military men through Russian city to create chaos and then the chaos would be blamed on Putin and the Wagner group would enter the city as heroes.
- **Now the plan has been destroyed** and Russian forces have turned on Wagner. Putin has vowed to destroy the Wagner Group. Battalions have been sent to Wagner to be killed add they try to advance Russia with less than 7,000 troops.
- **They had expected to go into Moscow** with 70,000 troops combined with Russian commands forces to over throw Putin. But Putin knew months before that the CIA M16 was planning a Military Coup using the Wagner Group just as the Trump US Military was using Game Theory to bring down the Deep State.
- **Putin also ignited Game Theory Operations** against the Wagner Group and let them into the War and let them push their agenda.
- **The Game Theory movements** exposed the last card of the CIA/ NATO/ DARPA/ M16 operations that included Russian Military moles.
- **Black Hats were planted** inside the Russian Federation system and now the Swamp has been exposed in Russia. The final Deep State Regime working with Wagner CIA Pentagon Deep State M16 Plan was collapsing. The last CIA NATO M16 Plan to destroy Russia was failing.
- **Exposure was coming** to collapse the World Banking System protectors: the CIA Deep State Intelligence regimes.
- **Right now throughout Russia** The People were rebelling against the Wagner Group and Russia forces which had been led astray. The Group has put down their wweapons and the Wagner Group Foundation and offices throughout the Russian Federation have been destroyed after Putin gave a powerful speech against the Wagner Group attempt at a Military Coup.
- **Trump and the Military in Cheyenne Mountain were smiling. The World Alliance was smiling as the Rockefeller CIA plan failed.**
- **The US Military White Hats** have gathered data on US Elites through planes tracking their locations. The Military has made several contacts with Elites and have been flipping them. They have let them know that they will be killed and all assets seized if they did not comply with the Alliance Game Plan and White Hat operations.

- **Trump's Executive Orders** connected to bringing down the Federal Reserve and World Banking Systems was still in place and happening.

Q. Sun. 25 June War Plans, Ben Fulford:

- **Get ready to be blown away** by an extraordinary exposé that will keep you at the edge of your seat. We have unearthed top-secret U.S. NATO war plans that were never meant to see the light of day, unraveling a colossal web of corruption that strikes at the very heart of global integrity.
- **Step into a clandestine world of power and opulence where billions of dollars from the CCP have been discreetly stashed away in Silicon Valley banks.** But this revelation is just the tip of the iceberg. In the shadows, intelligence units are tirelessly decrypting the covert codes utilized in the SVB financial democratic laundering systems. The sinister collapse of SVB and its eerie connections to the Deep State trace back to the highest echelons of the U.S. government—the CIA, Pentagon, Obama, Biden—exposing a vast network of corruption entwined with the Ukrainian money laundering system and the far-reaching grasp of the CCP.
- **Meanwhile, the arrest of Trump reverberates around the globe**, but behind this intricately choreographed event lay a hidden message, ingeniously conveyed through a potent photograph. By deciphering this cryptic military communication, we unveil a breathtaking pattern—flags meticulously positioned to symbolize the stages of war as defined by the Laws of War Department of Defense procedures. This mind-blowing revelation uncovers a meticulously crafted plan, leaving no room for coincidence.
- **For months, we have been fed a steady diet of lies about Ukraine's supposed triumph in the war, propagated by the Pentagon, mainstream media, and the Biden administration.** However, now, valiant insiders emerge from the shadows, shedding light on the truth. Among them stands Colonel Douglas MacGregor, a trusted confidant of Trump and a seasoned war strategist. Backed by classified intelligence reports and the unwavering commitment of oath keepers and the Military Alliance, MacGregor's revelations paint a bleak picture of the Ukrainian battlefield. As the supply of cutting-edge weaponry and systems from the US and EU grinds to a halt, the imminent collapse of Ukraine becomes undeniable.

- **Prepare for the ultimate shockwave**—leaked U.S. military and NATO War Plans are making waves online, courtesy of Russia. These classified documents lay bare the true extent of Ukrainian casualties, revealing that hundreds of thousands have perished on their side, while the Russian losses pale in comparison. The Pentagon, CIA, and NATO find themselves reeling as their hidden motives and objectives are laid bare. Desperate to regain control, they dismiss the leaked documents as Russian disinformation or heavily manipulated data. But the truth cannot be silenced!
- **Ladies and gentlemen, we are witnessing an unprecedented series of events, masterfully orchestrated according to the Laws of War**—3.4, 3.5, leading to the climactic 3.6. Each thread we unravel, from Epstein to Ukraine, Obama to the Clintons, the CIA to the virus, and even Silicon Valley Bank, weaves an intricate tapestry of intrigue and corruption. Every sign points to a pivotal date—11.3—the point of no return.
- **But that's not all—the floodgates of truth have burst open, overwhelming the CIA, the Pentagon, and the Biden administration.** White hat AI systems, unleashed to counter the deep state's AI, have sparked a seismic shift in power. We are now witnesses to an epic battle where the fate of nations hangs in the balance, and the truth can no longer be contained.
- **Buckle up for an unparalleled journey into the heart of darkness**, where global power structures crumble and heroes and villains clash in an epic struggle for dominance. This is the storm you've been anxiously awaiting—the world will never be the same again!

R. Ben Fulford on NASA not going to Moon:

- **Former head of Roscosmos says NASA** did not land on the Moon.
- **Dmitry Rogozin ex-director general of Russia's main space corporation** explained, he asked his leadership team to look into whether NASA had actually landed a dozen astronauts on the Moon in the late 1960s and early 1970s. After all, Rogozin reasoned, "It was not clear to me how the United States, at that level of technological development of the '60s of the last century, did what they still cannot do now?"
- **This comes after NASA admitted they can't go to the moon** again because of Technology that was lost after the 1960s (what kind of technology could have been lost, while one of today's Smart Phone is more advanced than all NASA computers combined together of the 1960s) .
- **Dmitry Rogozin investigation team found not one piece of evidence that NASA landed on the moon.** Russia had the technology to see where the moon landing was and knew the specific landing site , but in real time of the moon landing there was no photographs or documentation of the site and a half century later there is still no evidence or photographs of any trace landings of NASA on the moon.
- **Dmitry claims a coverup with the Russian space agency and NASA** took place and Russia did not want to EXPOSE NASA as fraud because they had good relations and Russia was scared to break international ties with NASA.

- **With only one photo of the Earth taken by NASA** in 30 years (now there are a few photographs the past 25 years but still the photos are time lapsed photos and spliced together in sections , with the same excuse> because of clouds) since the moon landings , its reported the one photo in existence was stripped together in pieces due to clouds. _Today thousands of professional photographers and editors use Editing tools and can change the exposure of photos on computers and can clearly see the photos of the moon, the Earth from the 1960s as cut and PASTED .. Even photos from the 90s of Earth are clearly computer cut and pasted.
- **In today's fast moving world of the internet and leaks.....** Hundreds of videos emerge of NASA Astronauts who are caught using green screen. Floating with hidden wire harness, dropping objects in a supposed zero gravity environment of space and so many other videos of Flies , mice in NASA videos in space.
- **Is it coincidence that Prescott Bush (Bush family) funded Hitler** (this is in U.S. Archives and Google also has the data) and Operations Paperclip brought the NAZIS over to the U.S. And created NASA. And was it coincidence that Prescott Bush was inside YALE'S SKULL AND BONES secret society that help create the CIA and years later George h w Bush would be the director of the CIA and was also part of SKULL AND BONES (that was once considered conspiracy but now proven a true secret society). Is it a coincidence that NASA was created with NAZIS'?
- **How did Apollo 11 travel 500,000 (half a million miles) miles to the moon and back** with one tank of fuel? and travel through 25,000 miles of the Radiation Belt and the radiation did not affect the electrical system?
- **Why did NASA never go back to the moon?** Then claim they lost the technology to travel back to the moon?

S. David Wilcock on NATO and War in Ukraine:

- **NATO in TROUBLE** as they are being EXPOSED for covering up a Peace deal between Russia and Ukraine.
- **Last year before the War I mentioned there was already a peace deal in place between Russia and Ukraine** and this would be initiated in time after the war started. Then during the War I mentioned several times there was a peace deal signed already between Russia and Ukraine, this was when Russia pulled back from Kiev.
- **NOW the TRUTH is coming out** as Putin, commanders and Ambassadors bring fourth the Truth of the declaration of peace treaty that was signed early last year by Putin and Zelensky. ... And the TRUTH of how NATO country UK prime minister Boris Johnson sabotage the peace deal directly and made Zelensky turn against the signed treaty and few days and weeks after several several Presidents and prime ministers and including Hollywood actors went to Zelensky to keep fighting in a losing war that claimed over 200,000 Ukraine soldiers by then (now the numbers are far higher near 420,000 killed).

- **Right now is Panic in the UN nations and NATO** countries as the Peace Treaty is hitting the Presidents. Prime minister of these nations and their white hats military are sharing the information through their channels to commanders and their subordinates.
- **There is MAJOR panic in NATO** as had been reported Turkey is joining BRICS and Germany is in the run to join China and bring a NEW European Monterey system after the Ukraine war and NATO EXPOSURE > MASSIVE CORRUPTION SCANDAL TO BE UNCOVERED CONNECTED TO CLINTONS AND CIA CORRUPTION AND MONEY LAUNDERING THROUGH UKRAINE.
- **Lots is happening as NATO silently collapses** and can't stop the onslaught of leaders and prime ministers and countries afraid to get inside The Storm of NATO corruption that keeps on coming and growing.
- **Clintons, Epstein, CIA, Five Eyes Operation** exposure is incoming and panic is hitting NATO.

T. Exposed Secrets from Area 51, Telegram:

So what have the “Conspiracy Theorists” gotten right so far?

- 1) No Weapons of Mass Destruction in Iraq
- 2) Hillary Stole the primary from Bernie
- 3) No Russian Collusion
- 4) Covid was complete bullshit
- 5) The Vaccine didn't work
- 6) Everyone is connected to Jeffery Epstein
- 7) JFK was an inside job
- 8) J6 was a intelligence operation
- 9) BLM was a Marxist front
- 10) Cancel Cultural was Corporate driven
- 11) Smollet was a fraud
- 12) Obama spied on Trump
- 13) Assad didn't gas his own people

So we were right about all of this but we are completely wrong about the 2020 election being rigged and stolen! Gotcha!

U. Intel, Kenneth Greenwood Time Machine:

- **Over last weekend** a Japanese General told Benjamin Fulford that the Rockefeller Controlled Biden Horror Show will be over by **July 10** with Donald Trump reinstated as President and JFK Jr. as Vice President.
- **This was due to White Hat US Generals** removing the illegally elected Biden. They water-marked official 2020 Election ballots and a Military tabulation during the 2020 Election tabulation showed Trump won by a 80% super landslide vote in every state. The corporate Media lied to the American people.
- **Mockingbird Propaganda Media:** <https://rumble.com/v1zse8p-global-psyop-tore-says-documentary-caacia-propaganda-mockingbird.html>
- **CAA:** <https://www.caa.com/caa-china>
- **Trump promised to Drain the Swamp** and apparently it has been happening covertly with arrests, trials, and executions taking place at GITMO and several other areas in and outside the US – that will later be shown on TV and radio to the general public.
- **The arrest and execution lists** include well known names such as Anthony Hopkins, Brad Pitt, Angelina Jolie, Robert Redford, Harrison Ford. It is sickening that these people have been living off blood of tortured children (Adrenochrome), which sells for \$2,000 per 10 milligrams.
- **CGI and Clones** were being used to keep the public in the dark because the names might upset too many people while covertly, the war rages on.
- **The majority of Satan-worshipping** so-called people have already been dealt with.
- **Expected before the War against Satanists is over:** a staged fake Russian Nuclear Attack on the US, National Grid failure, fake Alien invasion, economic implosion of bonds, stocks, real estate, nasty recession/depression until late 2025, new virus attack and the EBS System to broadcast details to public if and when the system goes down.
- **Make sure** you have a month's supply of essentials at your home.
- **The Rothschilds** have more or less surrendered, but the Rockefellers will not, so expect them to hit us hard as they can on their way out of power.
- **The US Federal Government** is completely insolvent and must be bankrupted and started over under GESARA/NESARA – expected to be announced before **2024**.
- **Some sort of deal still must be made with the Chinese** who hold the majority of US Federal Treasury debt.
- **The Chinese** have stopped talking to the Biden Administration for three weeks now, so it looks like the party is almost over. Financing for the fake Biden Washington Government has been pulled.
- **Twitter has permanently suspended this writer** (again) because they don't want me posting the truth, so it ain't just Trump and other well known people, they are down to the nobodys as well.

- **Twitter owner Elon Musk** is a complete fake: Don't listen to him as the World Economic Forum is reportedly grooming him for a US Presidential run.

W. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

X. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Y. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Z. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working

with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
