Judy Note: Fri. 30 June was the deadline for the Deep State’s Federal Reserve to pay back Quadrillions owed, or hand over all their assets. The next day on **Sat. 1 July** International Financial Markets will transform into a new digital asset based economy and the new gold/ asset-backed Quantum Financial System will interface in computers around the World.

Also on Sat. 1 July the Iraqi EID Holiday ends and implementation of the new Iraqi Dinar rate begins with payments retroactive to **1 Jan. 2023**, of all international contracts, projects and MOU’s they have signed.

It was rumored that the Supreme Court had made a positive ruling on a case of 2020 Voter Fraud (presented by Sidney Powell?). That ruling was said to be **announced on Independence Day Tues. July 4**. Another rumor – this time out of Japan – was that the Supreme Court had ruled in favor of the Brunson Case and would announce their decision on either **Sat. 1 July, or Tues. 4 July**.

Any of which could dissolve the Biden Administration and all of Congress, setting the stage to bring in soft Martial Law until a new election could be held.

A. Global Currency Revaluation:

- **Tues. 27 June Bruce:** Tier4b (us, the Internet Group) will be notified either **Sat. 1 July**, or over the weekend, but not be able to obtain appointments until at least **Tues. 4 July**. The second Brunson Case before the Supreme Court has been litigated and the Supreme Court voted in favor of the Brunsons – that Congress did not uphold their oath of office to protect the right to vote. The decision nullified the 2020 Election of the Biden Administration and all of Congress. When that decision would be made known the general public was not known. **Yesterday Mon. 26 June** in Japan they used the EBS to announce the Supreme Court decision on the Brunson Case, saying that the 2020 Election was nullified and President Trump would return.
- **Tues. 27 June MarkZ:** “I continue to hear great expectations from my sources that it (Tier 4b notification to set redemption appointments) will happen sometime between **Wed. 28 June and Mon. 3 July.**”
- **It was rumored that the US Federal Reserve and US Treasury** were on notice that if they could not pay the Global Repository back the quadrillions owed, they would be handing over all assets, including property and business assets on **Fri. June 30 2023.**
- **WARNING:** Have cash on hand by this weekend. With loss of the SWIFT system and switching to BRICS, the US dollar for the most part, was no longer being traded on international markets. **As a result this weekend** Central Banks, which have been functioning on fiat monies, were considering calling in loans, filing for bankruptcy and doing bail-ins. In other words, they could try to steal your funds. Although Banks accounts have been mirrored onto the new Quantum Financial System, it may be a few days before you would have access to your monies.
- **On Sat. 1 July** International Financial Markets will transform into a new digital asset based economy. The new Quantum Financial System would be completely interfaced in computers around the World in order to coordinate currency transactions through the International Payment System ISO 20022. ...Goldilocks
- **Tues. 27 June Militia Man:** The 2023, 24, and 25 Iraqi Budget was done. The implementation will be after the EID holiday. This will pay for all the international contracts, projects and MOU's they have signed. The EID ends on **Saturday 1 July**. The international markets and Forex opens on **Sun. 2 July about 5 pm EST.**

If you have not seen it yet, you can view the details on the official website of the Federal Reserve [right here](#). The most important part of the plan is the Fed's decision to fully guarantee all of the deposits at Silicon Valley Bank and Signature Bank. What really goes on; The world is entering a major sovereign debt crisis and that's going to turn many markets inside out and upside down.

F. Tues. 27 June Judy Note: What we Think We Know about a Supreme Court Ruling on 2020 Election Fraud:

- **Loy Brunson said that on Thurs. 22 June** the Supreme Court had ruled not to hear his petition (Supreme Court Docket 22-1028), which sued members of Congress and the Biden Administration for violating their Oath of Office. The petition had been served to 385 members of Congress plus Biden, Harris and Pence, alleging that they broke their Oath of Office by not investigating 50 allegations of voter fraud in the 2020 Election.
- **Despite Loy Brunson's announcement it was rumored that the Supreme Court** had already made a positive ruling on another related case of 2020 Voter Fraud (presented by Sidney Powell?). That ruling was said to be **announced on Independence Day July 4**. Another rumor out of Japan was the Supreme Court had ruled in favor of the Brunson Case and would announce it on **Sat. 1 July or Tues. 4 July**.
- **Some months ago Dan Scavino said a Brunson petition had been ruled on by SCOTUS**. Announcement of that 5 to 4 ruling in favor of the Brunson Petition would dissolve the Biden Administration and all of Congress – and open the door for Martial Law until a new election could be held.
- **Bruce: There were two Brunson cases** before the Supreme Court. The first was not granted a hearing. The second one was litigated and the Supreme Court voted in favor of the Brunsons – that Congress did not uphold their oath of office to protect the right to vote. H. The Real News for Tues. 27 June 2023:

- **Mon. 26 June: Trump Military Foils Another Plot to Assassinate President Trump**, Michael Baxter. Special Forces last Wednesday killed four members of an international “hit squad” who planned to assassinate President Donald J. Trump at the first Republican primary debate this August, a source in General Eric M. Smith’s office told Real Raw News. <https://realrawnews.com/2023/06/military-foils-another-plot-to-assassinate-president-trum>
- **President Trump:** “Joe Biden is compromised. Can you believe that it was just announced? This is to be one of the hardest of all: Military installations are currently being built in Cuba just 90 miles off our coast and Biden isn't doing anything about it. He's not saying he can't, because they've been paying him off. And they know how they've been paying him off. They will reveal that and that'll be the end of his presidency. I think even the fake news won't be able to cover that one.”

There’s no way you could ever remove that system,” he continued. “They need you to have it, but you don’t need it,” Dr. Yeadon concluded. “You clearly don’t need a digital ID to lead a peaceful, successful, healthy life. And the evidence for that is all of your life to date.”

J. Tues. 27 June [Navy SEALs Save Children From Child Sex Slavers | Real Raw News](#),
Michael Baxter

- **On Sunday United States Navy SEALs rescued “hundreds” of enslaved children** from the hold of a crude oil tanker berthed in San Francisco Bay, a source in General Eric M. Smith’s office told Real Raw News.
- **The operation marks the second time in two years White Hats have freed captive children** from either cargo ships or tankers near the California coast, a waypoint in the child sex trade industry. Real Raw News reported on a similar incident in November 2021.
- **On Saturday afternoon**, an unknown tipster supplied the general’s office with near-real-time images of emaciated children standing shoulder-to-shoulder in what appeared to be the belly of a commercial tanker. One macabre picture showed barely clothed kids packed together like a tin of sardines. Some children had visible wounds on their arms, legs, faces, or torsos.
- **Gen. Smith’s experts validated the images’ metadata** and identified the vessel as the Dubai Brilliance, a Marshall Islands-flagged supertanker anchored halfway between San Francisco and Alameda in San Francisco Bay. The 63,000-ton vessel was built in 2011 by Brilliance Maritime Inc., based in the United Arab Emirates. It can hold 20 million gallons of crude or, apparently, an unquantifiable number of children.
- **Public navigation logs show the vessel arrived in San Francisco on June 12**, with no listed departure date; its most recent ports of call were Mongstad, Norway, Wilhelmshaven, Germany, and Skikda, Algeria—the latter of which, our source said, has a history of child trafficking.

- **After reviewing the images, Gen. Smith** contacted his White Hat liaison at U.S. Navy WARCUM in Coronado, asking whether a team was available to investigate the claims.
- **Our source would not say how many SEALs** or which team(s) took part in the rescue but admitted that a sizable force left Coronado due to the number of children allegedly held captive and the possibility of encountering hostiles on the ship. He added that a White Hat-aligned Coast Guard cutter was put on standby to aid in extraction.
- **After boarding the Dubai Brilliance** at approximately 1:30 a.m., Sunday, the SEALs, without firing a single shot, neutralized nine armed goons, slitting their throats or garroting them.
- **They found kidnapped children in two parts of the ship**, the oil hold compartments and the crew quarters. The scene in the hold mimicked what the SEALs had seen in the photographs, hundreds of terrified children, many malnourished, huddled together as if for warmth, crying so loudly their wails echoed off the hull. The SEALs estimated most kids were preteens, though some were barely old enough to walk. No children discovered in the hold were American, meaning the traffickers had put them aboard the ship at other ports of call, but the adolescents found locked in crew quarters were American citizens whom the kidnappers had brought to the boat while anchored in San Francisco Bay.
- **A twelve-year-old girl hugged her SEAL saviors**, saying that “bad, dirty men” abducted her while she was riding a bicycle only a few yards from her doorstep in San Francisco.
- **The freshly kidnapped American children** fared better than the foreigners in the hold; They hadn’t been confined long enough to sustain injuries or face starvation. The SEALs found 15 decaying corpses mixed among the living in the hold.
- **A rescue operation began immediately**, and the SEALs and Coast Guard used skiffs and the cutter to expeditiously exfiltrate the tanker.
- **Our source would not quantify the exact number of children** saved, but he said the Coast Guard made several round trips from Alameda to Dubai Brilliance.
- **The surviving foreign and domestic children**, our source said, were brought to safety and are being identified so they can be returned to their proper families.

K. Covid/ Ebola/ Swine Flu/ Polio/ Small Pox/ BSE/ Zika/ Sars/ Monkey Pox/ AIDs/ Vax/ H1N1/ Graphene Oxide/ Chemtrail/ Fluoride, Processed Foods, Human Clones Hoax:

- **The Covid Vaccines** were more than just a tool for depopulation, they were a significant step into the great reset (Transhumanism). Here we have the evidence that people who took the vaccine have been inserted with MAC addresses (Bluetooth connectivity). In this

It occurs naturally in this form and is the most stable form of carbon under standard conditions. Under high pressures and temperatures it converts to diamond. Graphite is used in pencils and lubricants. It is a good conductor of heat and electricity. Its high conductivity makes it useful in electronic products such as electrodes, batteries, and solar panels

L. Tues. 27 June Ben Fulford:

- **There is a group known as the White Hats Alliance.** They have strategically positioned Robert F. Kennedy Jr. (RFK Jr.), who is actively engaging and awakening the masses.
- **RFK Jr. is vocal against the New World Order,** condemning groups like DAVOS and their World Carbon Tax Scam. He is also raising awareness about biolabs in Ukraine and the alleged involvement of the CIA in creating bioweapons. Notably, RFKJR has been publicly criticizing FOX news and mainstream media for promoting what he perceives as harmful vaccines. Looking back to Fall 2021, I mentioned keeping an eye on RFKJR.
- **It is worth noting that his uncle, John F. Kennedy** established the Special Forces Green Berets for two purposes: combating guerrillas and serving as a safeguard against potential authoritarian actions by the government.
- **This historical context sheds light on why John F. Kennedy Jr.'s (JFK Jr.) security team was referred to as "Q"** and his alleged connection to Special Forces intelligence. The circumstances surrounding JFK Jr.'s plane crash remain mysterious, with a speedy autopsy and burial, leading to speculation.
- **"The Storm" refers to the Q operation,** which is claimed to be a military intelligence initiative involving a team of high-ranking individuals with "Q" level security clearance. The objectives of this operation include exposing corruption, encouraging people to conduct further research, eradicating fraud and human rights violations worldwide, and restoring constitutional rule of law. Proponents view it as a significant event in the fight against treason and sedition.

- **Regarding Trump's election**, it's important to clarify that he was indeed elected as the President of the United States. However, discussions may exist regarding external influences or political strategies.
- **RFK Jr. has supposedly gathered intelligence on vaccines** for decades and has been placed in a strategic role for a specific purpose.
- **Finally, there are claims of actors being strategically placed in various key departments, agencies,** and corporations, suggesting infiltration for undisclosed motives.

M. Corporation vs. Sovereign, Conspiracy Cabal on Telegram:

- **The "Act Of 1871"** was the instrument they used after the US lost the Revolutionary War; it was at this time that the Rothchild's and the global bankers infiltrated countries throughout the world. The US Treasury was financially exhausted due to the war that the global bankers had orchestrated, as they always have. The global bankers have started every war, funding both sides to control humanity.
- **The global bankers then pulled us into their web of deceit** and lies through a loan which allowed them to infiltrate not only the US through our governments but worldwide. The execution of this plan allowed them to infiltrate banking, courts, medical, educational systems, churches worldwide. They had gained control of everything. The Central banks, IMF, Federal Reserve, IRS, Corporations are not our friends folks.
- **The Act Of 1871 was a treasonous act against humanity;** it was passed by The 41st Congress unlawfully against the original US Constitution. This treasonous act enabled the global bankers to take away our sovereignty and dissolved the Republic For America.
- **The global bankers turned our country into THE UNITED STATES OF AMERICA, CORP** and put a gold fringe around our great flag to represent their corporation. They infiltrated our legal system moving us from Common Law - God's Natural Law (Land, Air, Water) to Corporate Maritime Law using the English language (legal ease) against the people, with statues, ordinances, policies and mandates which are not the law of the land as created by God our Divine Creator.
- **Maritime Law is conducted by The BAR Association** - British Accredited Register and NOT constitutional law. So, with all of these facts presented, this is "The Great Awakening"... The British Crown along with the Vatican has controlled all of humanity through the strong arm of THE UNITED STATES OF AMERICA CORP. in all capitalized letters and we no longer comply.

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
