Judy Note: Tens of thousands of small banks have closed across the World. The US Federal Reserve and US Treasury were on notice that if they could not pay the Global Repository back the quadrillions owed, they would be handing over all their assets, including property and business assets, on **Fri. June 30 2023**.

The US was expecting an implosion of the economy around July 3rd when SOFR, Libor and many nations were planning on dumping their US Treasuries. With loss of the SWIFT system

and switching to BRICS, the US dollar for the most part, was no longer being traded on international markets and the artificially held up Stock Market had been on the verge of falling for the **past week**.

As a result, this weekend Central Banks, which for years have been functioning on fiat monies, were considering calling in loans, filing for bankruptcy and doing bail-ins. In other words, they could try to steal your funds.

Although Banks accounts have been mirrored onto the new Quantum Financial System, it may be a few days before you would have access to your monies. Since credit and debit cards may not be able to be used during this period it was advised to have cash on hand to make the transition.

A. Global Currency Revaluation:

- **Wed. 28 June MarkZ:** Jim Rickerds (Economist) released a bombshell today calling for an implosion of the US economy on **July 3rd** when SOFR, Libor and many nations are planning on dumping their US Treasuries. Even though it was supposed to happen on the **first, the first is a Saturday, the third is a Monday and expect banks to be closed on Tues. the fourth**, so the implosion is supposed to hit on **Mon the 3rd** when banks are open here in the US. “I continue to hear great expectations from my sources that it (Tier 4b notification to set redemption appointments) will happen sometime between **now and Mon. 3 July.**”
- **Tues. 27 June Bruce:** Tier4b (us, the Internet Group) will be notified either **Sat. 1 July**, or over the weekend, but not be able to obtain appointments until at least **Tues. 4 July**. **On Mon. 26 June** in Japan they used the EBS to announce a Supreme Court decision on the Brunson Case, saying that the 2020 Election was nullified and President Trump would return.
- **It was rumored that the US Federal Reserve and US Treasury** were on notice that if they could not pay the Global Repository back the quadrillions owed, they would be handing over all assets, including property and business assets on **Fri. June 30 2023**.
- **WARNING:** Have cash on hand by this weekend. With loss of the SWIFT system and switching to BRICS, the US dollar for the most part, was no longer being traded on international markets. **As a result this weekend** Central Banks, which have been functioning on fiat monies, were considering calling in loans, filing for bankruptcy and doing bail-ins. In other words, they could try to steal your funds. Although Banks accounts have been mirrored onto the new Quantum Financial System, it may be a few days before you would have access to your monies.
- **On Sat. 1 July** International Financial Markets will transform into a new digital asset based economy. The new Quantum Financial System would be completely interfaced in computers around the World in order to coordinate currency transactions through the International Payment System ISO 20022. ...Goldilocks
- **Tues. 27 June Militia Man:** The 2023, 24, and 25 Iraqi Budget was done. The implementation will be after the EID holiday. This will pay for all the international contracts, projects and MOU's they have signed. The EID ends on **Saturday 1 July**. The international markets and Forex opens on **Sun. 2 July about 5 pm EST**.

B. Wed. 28 June Ben Fulford

- **Our banking system is “broken,”** our nation’s economy is suffering, our monetary system “sucks”, and we are in NEED of the return to the Gold Standard...come on BRICS!
- **We are more than READY for a value-based currency.** I know from my personal contacts that thousands of hours and countless years have planned for YOUR “NEW” future. There are countless numbers of people relying on you...and your project plans...to help re-build the infrastructure of this country, and what previous Administrations have attempted to destroy. The “unaware” and “unknowing” sheep on the streets and in your neighborhoods will be grateful {and probably jealous} when they ULTIMATELY learn of your vision and your commitment to making this a better WORLD!
- **All that effort takes time, takes dedication, takes commitment, planning & design, and technology.** Imagine working through the computer systems, the 209 nations, the multitude of cultures, the negotiations, the personalities, the INSIGHT...to get the tasks done!! Understand the complexities of what had to be done, the PRECISION, the strategies to pull everything off with precision timing...not to mention the roles of countless dedication “Patriots” working to bring an END to the NUMEROUS “Tangents of corruption, sex-trafficking, drug trade, human trafficking”.
- **People are operating under NDAs,** as well as certain activities requiring “compartmentalization”, knowing that MISSION ACCOMPLISHMENT is highly dependent on secrecy, precise execution and TRUSTING IN THE PLAN!! BELIEVE...in yourself, your military, your leaders, your Commander in Chief {CIC}...Believe in GOD!!
- **There are some 23-25 currencies** that have been identified in the FIRST basket, for your RV, as part of this global “Wealth Re-Distribution”, the GCR. Is there any wonder WHY the need for Secrecy? Why you are NOT given rates? Why NDAs? You want Safety and Security for yourself and your new-found wealth, CORRECT? {NO need to tip off the “Enemy/Cabal”.} Imagine that someone has designed a system, SIMPLER than you might conceive...or one EASY to learn.
- **So, be Patient, be Prepared, be Reactive, and be GRATEFUL** to someone “guiding” YOU to this enviable NEW LIFE! See you all on the “OTHER SIDE”.

D. Wed. 28 June JFK Secrets, Telegram:

- **Executive branch = Military and President.** Trump never seceded the US Presidency. They acknowledged him as Commander in Chief of the greatest military operation in the world.
- **They are taking down treasonous legislative and judicial officials** who have infiltrated our government over the past several hundred years, and most recently since the CIA was founded in 1947. Kennedy and Reagan (Bush = CIA Director, Bush = VP)
- **Halliburton founder = Lolo Soetoro** Lolo = Barry Soetoro Father (Hussein) Lolo = best friends with Bush/Bin Laden Lolo + Dunham = CIA ops GWB + B.O. = Friends since childhood B.O. + Michael LaVaughn Robinson (Michelle) = CIA ops
- **How do you globalize the world,** take over the Middle East, and make yourself rich? War.
- **9/11 = Inside Job.** OSB = pawn OSB + family = safe with Bush family (Washington State) OSB killed? Body double. Iran pulled him out and demanded \$157B from Obama to not release the truth.
- **Afghanistan shoots down SEAL chopper.** SEALs Doherty and Woods killed in Benghazi. What did they know? Last witnesses?
- **Trump elected,** Russiagate, Stormy Daniels, Taxes, Racism, Xenophobia, attack after attack. Why? Remove him at all costs to save yourselves.
- **CCP Beijing Biden:** Insert COVID, MSM and Big Tech puppets promote fear. Promote mail-in voting. CCP prints massive amounts of ballots. Use 2010 census for voter registration. Big Tech installs drop boxes. Ballot counters given instructions. Dominion flipping votes via hacking. Cover-ups everywhere.
- **How do you expose them** and take everything from them? You catch them cheating and let them do it for the world to see.
- **Who are these people?** Who/what do they worship? How do they practice their "religion?" What/who do they sacrifice for "power?" What group is founded on these beliefs? FMs. (Freemasonry describes itself as a "beautiful system of morality, veiled in allegory and illustrated by symbols"). Symbolism will be their downfall.
- **Why did Trump issue EO 13818 & 13848?** Trump won the election and our amazing military knows that (the clowns on TV are bought puppets). He was impeached after he "lost" because the judicial and legislative branches knew he was still president and they had no control over the military with him having a position in govt. Note: you can only "impeach" people who hold a "position" in govt. Why would they impeach an incumbent president who "lost?"
- **They caught them all.** They have everything. Bottom line: NCSWIC

E. Wed. 28 June White Hat Intel:

- **Military movements through the U.S. has increased** the past days especially on the Western fronts as several Military flights turn off all military trackers.
- **Benny Johnson and Monkeywerx were wrong** in saying nothing was happening and was just normal NG training. Now Monkeywerx is giving a warning he wouldn't want to be in California due to HEAVY military movements.
- **I had WARNED** these were not MILITARY training but strategic movements and positioning for a Military event.
- **NOW Russian Foreign Ministry, Maria Zakharova** stated in her channel that Russian plane flew to the USA to pick up Moscow's Foreign Ministry and says : "Let's take back our diplomats" (aka evacuate the Russian Diplomats). As you know all too well, major countries start to recall diplomats and they evacuate them before a war events or military events begins or CIVIL unrest.
- **This all comes after UK and NATO have supplied Ukraine with long range missiles to reach Russian.** Putin has warned UK several times about the missiles. This also comes after the NATO CIA underground base was destroyed near Kiev. This also comes after several sources confirm CIA MI6 was using the Prigozhin/ WAGNER Group as a Deep State operation to try and over throw Russia through a planned military coup.
- **U.S. on High Alert** as we come into massive Military Events.
- **I had told you long ago all these EVENTS** would happen in the U.S and in the end would lead to 11.3.
- **Congress has top Intel and Whistleblowers** who are going to blow the lid off the Military Industrial Complex System (aka Military Weapons, Tectonic Weapons, Project Blue Beam Operations, Infinite Energy, Antarctica).
- **There are two Disclosure Projects:** one is fake by the Deep State, the other is real Disclosure.
- **We are heading into a World Storm.**

F. Judy Note: What we Think We Know about a Supreme Court Ruling on 2020 Election Fraud:

- **On Wed. 28 June a complaint for Misprision of Treason, Treason for violation of Oath of Office was filed against SCOTUS:** <http://www.cedarhillscitizens.org/criminal-referral-to-jag-n-scotus-declares-war/>
- **Loy Brunson said that on Thurs. 22 June** the Supreme Court had ruled not to hear his petition (Supreme Court Docket 22-1028), which sued members of Congress and the Biden Administration for violating their Oath of Office. The petition had been served to 385 members of Congress plus Biden, Harris and Pence, alleging that they broke their Oath of Office by not investigating 50 allegations of voter fraud in the 2020 Election.
- **Despite Loy Brunson's announcement it was rumored that the Supreme Court** had already made a positive ruling on another related case of 2020 Voter Fraud (presented by Sidney Powell?). That ruling was said to be **announced on Independence Day July 4.**

Another rumor out of Japan was the Supreme Court had ruled in favor of the Brunson Case and would announce it on **Sat. 1 July or Tues. 4 July.**

- **Some months ago Dan Scavino said a Brunson petition had been ruled on by SCOTUS.** Announcement of that 5 to 4 ruling in favor of the Brunson Petition would dissolve the Biden Administration and all of Congress – and open the door for Martial Law until a new election could be held.
- **Bruce: There were two Brunson cases** before the Supreme Court. The first was not granted a hearing. The second one was litigated and the Supreme Court voted in favor of the Brunsons – that Congress did not uphold their oath of office to protect the right to vote. The decision nullified the 2020 Election of the Biden Administration and all of Congress. When that decision would be made known the general public was not known.
- **On Mon. 26 June** in Japan they used the Emergency Alert System to announce that Supreme Court decision on the Brunson Case, saying that the 2020 Election was nullified and President Trump would return.
- **Last weekend** a Japanese General told BENJAMINFULFORD.NET that the Rockefeller controlled Biden Horror Show would be over by **10 July 2023** with Trump re-instated as President and JFK Jr. as Vice President.
- **Last Nov. 2020** the Military counted official water marked voting ballots that verified Trump won every state in an over 80% vote. **Tues. 1 Dec. 2020** [Obama, Biden, CIA Director Gina Haspel Evidently Arrested for Espionage, Voter Fraud | Politics | Before It's News \(beforeitsnews.com\)](http://beforeitsnews.com)
- **Either Sat. 10 July or Sun. 23 July** would be the Inauguration of Pres. Donald J. Trump and his VP, JFK Jr. in a celebration where those in the World Protection Program would come out.
- **Loy Brunson, Charlie Ward, Dave Mahoney:** <https://rumble.com/v2wgovg-loy-brunson-updates-the-insiders-club-with-charlie-ward-and-david-mahoney.html>
- **75,000 plus letters** have been sent to the Supreme Court in support of hearing the case. You can add your letter of support by going into loydbrunson.com.
- **Another complication:** None in the Biden Administration and Congress have signed their Oath of Office and thus have been serving without the authority to do so.
- **The Raland J. Brunson Case before Federal Court Judge Jared C. Bennett** was still active and asked why Supreme Court Justices Sonia Sotomayor, Elena Kagan, and Ketanji Brown Jackson supported enemies of the Constitution by voting against hearing the Brunson case. So far the Federal Court Judge (Trump appointed judge) has received over 9,320 letters in support. He will decide any day now if this case will move forward, or if Raland will be appealing it to the 10th Circuit Court of Appeals. https://rumble.com/v2u219m-suing-the-liberal-justices-of-the-supreme-court.html?fbclid=IwAR3SkVhiS0qildk2Ru4jPkyQ_15kuHcabyXz3zhaf5prIqTo6xkOscy17Q

- **The Unvaccinated Won't Be Unvaccinated for Long With mRNA in the Food Supply.** "We've confirmed: this mRNA stuff is in the food supply," reported attorney Tom Renz. It turns out that Merck has been injecting mRNA into pigs since **2018**. "For all you guys that stood strong and said no to these mRNA vaccines. Well, you're gonna get them anyway right through your food."
- **Dr. Reiner Fuellmich:** "Everyone in the World who has promoted this bio-weapon fake vaccine is guilty and will be held responsible for Crimes Against Humanity."

- **Pfizer inserted Cancer Promoter Gene SV40** into Covid Shots. Now Cancers are exploding.

J. The Real News for Wed. 28 June 2023:

- **The DOJ & FBI raided Mar a Lago** so they could steal back evidence of their spying on President Trump in the Crossfire Hurricane documents. Then they indicted him for process crimes under the Espionage Act to cover their tracks & keep America distracted. It's all a cover up.
- **Let's talk about Sudan. In 1998**, Bill Clinton launched 14 cruise missiles onto Sudan's largest pharmaceutical plant, FALSELY accused of making chemical weapons linked to Osama Bin Laden. Opening the door for the US Aid and US Big Pharma companies.

K. "United States Citizen" SCAM!, Conspiracy Cabal on Telegram:

- **All of our governments are corporations** and are responsible for the creation of about 800 thousand laws called statutes, which are designed to control the Sovereign people of America. Just like the King, these statutes cannot be enforced against the Source of Law, which are the living, breathing, flesh and blood Sovereign people.

- **All of the Agents in power beginning with the King, the Vatican, the Founding Fathers and now our presumed public officials,** wanted to obtain power and control over America, and the Constitution pretty much prohibited them from achieving those ends. So they began to devise ways to change the Sovereign Americans into corporate fictions.
- **These Agents also decided and reasoned that they cannot educate the masses without exposing their treachery,** and so our private and public education must be controlled.
- **Without any real Constitutional basis, the U. S. Department of Education** was created.
- **The Constitution made it the responsibility of each state to educate its people** and several states challenged the Congress in the courts.
- **The matter was eventually heard by the U. S. Supreme Court,** which has never been a Constitutional Article III Court from its inception, which I will explain.
- **The Supreme Court ruled that the federal government** was entitled to oversee the educational requirements of “United States Citizens” by virtue of their Constitutional powers to regulate Commerce! Bad law is bad law, no matter how you turn the paper and that ruling gave the federal government the green light to initiate its “brainwashing” process of the American public.
- **Let me explain how the Court arrived at its ruling** because these are not ignorant men. On every form you file to receive “government benefits” and even the “voter registration form” there is a question that asks: Are you a United States Citizen?
- **YES / NO and everyone circles the YES answer.** Didn’t you? Now look up the definition of a “United States Citizen” in a reputable law dictionary. You will discover that a United States Citizen is a phrase designed to identify a “corporate fiction.” Clever, isn’t it? You and every other American had no idea that you were admitting you were a corporate fiction when you circled that YES answer, and you did it under penalty of perjury!
- **The sovereign states had been abolished in 1790** by the adoption of Article 1 of the Statutes at Large, which converted all the sovereign states into federal districts and gave the federal government lawful jurisdiction everywhere.
- **In consideration of the fact that the federal government is a corporation and that corporations can lawfully own other corporations and all the American subjects to be educated have admitted under penalty of perjury that they are corporations,** the Supreme Court ruled in favor of the corporate federal government. [See how sneaky and tricky lawyers can be? And all the more reason why lawyers should never be allowed to serve in government or in judgment of us]

L. Abandon US Dollar:

- **The United Nations Conference on Trade and Development advocated abandoning the U.S. dollar** as the primary reserve currency, and the International Monetary Fund (IMF) and Bank for International Settlements (BIS) is now working on a platform for central bank digital currencies to enable instant, 24/7 transactions between countries. These are specifically Project Ice-breaker and the UniCoin Universal Monetary Unit (see links below for details).
- **With the new reserve currency expected to be backed with gold and other assets with intrinsic value**, it is safe to say that hard money is coming back into the equation in the global financial system – in one form or another. Every Central Bank and country on earth know that the Global Fiat Currency experiment is coming to its logical conclusion as it collapses in on itself under mountains of unsustainable public and private debt. Of course, the BRICS has its plans for a new currency system as well.
- **The world is moving towards a global currency reset, and it seems like we are closer to that reality than ever before.** The United Nations Conference on Trade and Development’s report in 2010 advocated for a global reserve system based on a “basket” of currencies, which would create a more stable and predictable international monetary system. This was the catalyst for what we termed Our GCR over 13 years ago. A currency and monetary system reset beyond the RV of a few currencies and historical bonds. Today, we are witnessing the swift development of central bank digital currencies as central banks stockpile gold at an unprecedented pace.

M. Congress Authorization Act 2024:

- **White Hats Operation intends** to expose the hidden Deep State Underground Military Base if the Deep State doesn’t come forward with the hidden technology connected to Anti gravity, Tesla. Infinite Energy.
- The **Congress Authorization Act of 2024** was connected to bringing down the fake Alien invasion Agenda.
- **The US Space Force** is pulling the strings of real Disclosure projects and behind the warning threats that was given a few weeks ago in DC by Dr. David Greer.
- **Cheyenne Mountain Military Base Operations** was behind the USSF. It was no coincidence that Donald J Trump added USSF into the US Intelligence Agency closed up Cheyenne Mountain Military Base and made sure Biden, nor anyone in the Deep State, had access to it. Even outside Four Star Generals were banned from the base.
- **USSF was in control of Space and Cyberspace.** The secret war between the CIA and USSF has been happening for over three decades (before USSF even had a name).
- **In the past 10 years USSF has siphoned over 2 trillion from CIA money laundering operations.** A large part of USSF funding came before 911 when USSF stole over \$2.3 trillion from the CIA. This means that the robber CIA was robbed by USSF.

- **Eventually Defense Secretary Donald Rumsfeld admitted** the money was missing – then one day later 911 happened. The CIA was angry over the stolen money and immediately pushed Dark Operation Agenda Projects to go after USSF.
- **White Hats** and others who were supporting exposing full CIA Operations, including their child trafficking networks (including Epstein) and pedophilia blackmail operations connected to all countries.
- **The 911 Event triggered the Patriot Act.** This gave power to the Deep State to go after their enemy inside the government. Military and Intel agencies.
- **The White Hats and good Military have survived a 60 year man hunt for all White Hats.** USSF has become more powerful than people know. They are backed by Cheyenne Mountain.
- **Q Operations have all the Intel needed** on the Deep State Pedophile Operations, Money Laundering Operations, Human Trafficking Operations and all World Elites.
- They have the servers and terabytes of info from Clinton computers to the Hunter Laptop, to McAfee, to Wiener: Congressional Authorization Act 2024.

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives

to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
