"Let Us All Press On in the Work of the Lord"

[March 19, 2023 - #4879 Music & the Spoken Word \(thetabernaclechoir.org\)](#)

*"Let us all press on in the work of the Lord,
That when life is o'er we may gain a reward
In the fight for Right let us wield a Sword
The Mighty Sword of Truth
Fear not, though the Enemy Deride
Courage, for the Lord is on our Side
We will heed not what the wicked may say
For the Lord, alone we will obey."*

Judy Note: The US Constitution was hanging by a thread, though was bound to be saved as the final stages of White Hat Military Operations took place.

The vile secrets of pedophilia rings were being laid bare for the world to see. Millions of children were being saved, while thousands of Perpetrators who gave homage to Satan through Child Torture and Sacrifice were being arrested, tried and eliminated.

The hidden agenda of the Military-Industrial Complex was being thrust into an unforgiving light. Their Deep State plot for worldwide financial enslavement was unraveling as the very foundation of a corrupt banking system crumbled under the weight of irrefutable evidence.

Difficult years of this tumultuous journey still lay ahead, though brave Patriots had already laid a firm foundation for victory in this Fight for Right using the mighty Sword of Truth.

WARNING: There were reports of some asking for you to hand over your foreign currencies and/or Zim Bonds to them saying they will exchange or redeem them for you. DO NOT give in to this scam. Only the purchaser of the currency or bond can legally exchange or redeem that currency or bond at a Redemption Center for the higher rates. Exceptions were that if you have given someone currency or bonds, along with a notarized gift letter saying you have done so, or if you have given someone Power of Attorney over your affairs. The bottom line: If someone tries to turn in your currency or bonds without your authorization, they could be arrested.

Stratospheric Aerosol Injections... Killing people, plants and animals. Causes respiratory flu like illness in humans and makes the soil toxic with aluminum so only GMO's can grow. Not geo-engineering- Just straight up death. Operation Popeye. H.A.A.R.P
- **Former FEMA Whistleblower Celeste Solum explains that the Corona PCR "test" is implanting a microchip.** So the Nasopharyngeal Covid19 PCR "tests" were never tests at all. They are implanting chips, inserting Nanobots called Nanites with a bioweapons payload for the brain, while at the same time harvesting DNA. The PCR swab is inserted straight to the Nasopharynx behind the nose and forehead where your eyes are. It's at the blood brain barrier and next to your pineal gland. I believe they are knocking out people's senses with these Bioweapons and killing human intuition and your ability to cognitively see what they are doing to us. They're knocking out our senses and targeting the brain with Nanites that carry a payload as Celeste spoke about in previous videos. This is war. Serious warfare.

J. White Hat Intel:

- **Zelensky was ordered to stand down** from blowing up the Zaporizhzhia Nuclear Power Plant.
- **This communication came directly from the Pentagon**, which was ordered directly by the European Alliance Military Operations in cooperation with US White Hat Military.
- **US Space Force using Starlink** are closely monitoring Ukraine Intelligence, NATO, CIA, M16 Deep State Military operations. USSF and Starlink have all the info on the Ukraine War.
- **Sources say that the Alliance** has all evidence and video on the Nord Stream Bombing.
- **It seems like CIA/MI6** is being blackmailed by White Hats from going too far into a real Nuclear fallout in any form. There is reverse technology that dismantles Nuclear Bombs from exploding.
- **The Prime Minister of Netherlands** has resigned. The government is collapsing.
- **For the past four years Netherland Underground Tunnels** have been under heavy investigation.
- **The Netherlands massive Pedophile and Human Trafficking Ring** connects to CIA, FBI and Data harvesting software facial recognition apps used by the corrupted police forces, Epstein, Jimmy Savile and King Charles. Rotterdam shipping ports have been under constant military covert Military Ops for the past four years.
- **The collapse of the World shipping** was important to cause backup among world ports as Special Forces have constantly raided ships for weapons, the death vaccines, Human Trafficking and Adrenochrome.
- **The Netherlands** was going into government collapse that will lead to exposure of all.
- **This Event will happen** in several countries as The Storm continues and countries collapse with Adrenochrome Wars, Podesta and 11.3.

K. Benjamin Fulford Report:

- **The White Hat Alliance** has strategically positioned RFK Jr., who is actively engaging and awakening the masses. RFKJR is vocal against the New World Order, condemning groups like DAVOS and their World Carbon Tax Scam. He is also raising awareness about bio-labs in Ukraine and the alleged involvement of the CIA in creating bio-weapons. Notably, RFKJR has been publicly criticizing FOX news and mainstream media for promoting what he perceives as harmful vaccines.
- **Looking back to Fall 2021, I mentioned keeping an eye on RFK Jr.** It is worth noting that his uncle, JFK, established the Special Forces Green Berets for two purposes: combating guerrillas and serving as a safeguard against potential authoritarian actions by the government. This historical context sheds light on why JFK Jr.'s security team was referred to as "Q" and his alleged connection to Special Forces intelligence. The

circumstances surrounding JFK Jr.'s plane crash remain mysterious, with a speedy autopsy and burial, leading to speculation.

- **"The Storm" refers to the Q operation**, which is claimed to be a military intelligence initiative involving a team of high-ranking individuals with "Q" level security clearance. The objectives of this operation include exposing corruption, encouraging people to conduct further research, eradicating fraud and human rights violations worldwide, and restoring constitutional rule of law. Proponents view it as a significant event in the fight against treason and sedition.
- **Trump was indeed elected as the President of the United States.** However, discussions may exist regarding external influences or political strategies. Additionally, RFKJR has supposedly gathered intelligence on vaccines for decades and has been placed in a strategic role for a specific purpose.
- **Finally, there are claims of actors being strategically placed** in various key departments, agencies, and corporations, suggesting infiltration for undisclosed motives.

M. Are You Still Watching the Water? Gold? Silver? Oil?, Goldilocks

- **An unstable market** has a profound effect on an economy. It sends the value of countries' goods, services, and currencies into a great deal of volatility. This is why we are not seeing any prices set for gold, silver, and oil on the debt clock just yet.
- **Let's take a deep dive into these three assets** that govern the global economies' currency values. There is a correlation between gold and oil, but the price of silver has a life of its own when it comes to affecting the currency market. In the future, this is about to change. These three assets will be intertwined with one another.
- **We have a lot of electric vehicles** coming into our new market that require a lot of silver for its production, along with copper. Look for the price of copper to raise with the price of silver. Keep saving those pennies.
- **There is no doubt that the need for silver and copper** in the future will play an important role in our global economies by way of jobs and the effect of a country's GDP.
- **Gold and oil play a much different role**, but they have an equal or greater effect on our global economy than most people realize.
- **In today's world, many of our Eastern countries are pegging their local currencies to gold** as we speak. The activation of Basel 3 compliance mechanisms inside a Basel 4 implementation will change the world. This will increase the value of Eastern countries' currencies purchasing power as the dollar is decreasing its purchasing power.
- **To give you an idea how much OPEC controls the oil supply.** It is estimated that 80% of its proven oil supply runs through OPEC and 67% of that supply comes from the Middle East.
- **For this reason, OPEC is reducing the use of the Dollar** in oil settlements and including the Yuan that is backed by gold in payments. When the BRICS Nations implement their own gold backed currency, the need for the dollar will significantly decline.
- **If this were not enough, OPEC is calling on other countries besides Saudi Arabia and Russia to lower their oil production.** This collective move changes the role and

money velocity of the dollar while increasing money velocity in Eastern countries resetting their business models.

- **Again, we are in a currency war** that will determine the way we live and how. It's all about situating ourselves inside choices that will determine our future.
- **For these reasons, we have not seen a repricing event in oil, gold, and silver.** There is a positioning taking place in these three markets that will level the playing field going forward on our currencies causing them to have a re-pricing event that will reset our Global Economy.

N. Ron Paul on the Military Industrial Complex

- **For decades we have seen in countless wars** feeding the machine known as the Military Industrial Complex giving billions every year in military Defense Contracts that are unanimously approved by both parties.
- **Eisenhower warned** of this and how it's politically motivated interest supersedes the duty of Government.
- **It's quite simply Death for Profit and Control** and in the past 60 years there has only been one person in office who never Declared or continued a war, and his name is Donald Trump.
- **War benefits the Establishment, not The People,** to have a country of prosperity we need someone who represents US.

P. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Q. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube http://www.youtube.com/watch?v=F626Lsrdwg4](#)

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

R. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

S. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
