"Of Miracles and Examples"

[January 30, 2022- #4820 Music & the Spoken Word \(thetabernaclechoir.org\)](#)

God is a God of miracles. He often intervenes to bless His children. It may be that the next miracle He has in mind will start with you. So, when you find yourself thinking it would take a miracle to change the World for the better, consider being that miracle.

Judy Note:

- **U.S. State Department issues worldwide travel warning** for American citizens, “current information suggests terrorist organizations continue to plan terrorist attacks against U.S. interests in multiple regions across the globe.”...meanwhile our southern border is still wide open where terrorists are currently sneaking in.

WARNING: There were reports that some asking for you to hand over your foreign currencies and/or Zim Bonds to them saying they would exchange or redeem them for you. DO NOT give in to this scam. Only the purchaser of the currency or bond can legally exchange or redeem that currency or bond at a Redemption Center for the higher rates. Exceptions were that if you had given someone currency or bonds, along with a notarized gift letter saying you did so, or if you gave someone Power of Attorney over your affairs. The bottom line: If someone tried to turn in your currency or bonds without your authorization, they could be arrested.

Judy Note: If you were reading this Update as posted on Operation Disclosure Official, be aware that some information has been redacted. For the complete un-redacted version, see the PDF copy at the end of this Update on Operation Disclosure Official.

A. Global Currency Revaluation:

- **Mon. 24 July MarkZ:** It was fairly quiet over the weekend. Finally got a message yesterday from a redemption contact that just said “working today” and nothing else. Are they preparing for us or just doing stuff for wealth management? I know in some locations they are setting things up after construction with cubicles...that I find interesting... I’m sure you guys have seen that all over the news, on facebook etc...that many banks are switching to more “wealth management” services.
- **Mon. 24 July Wolverine:** Tony thinks we’re still on the verge of it happening **tonight or tomorrow**, but he’s hoping that it happens by the **end of the month**. One 3-letter agency is saying it’ll happen by the **end of the week**. There’s a big meeting about it today in New York, so we’ll see what happens. His Iraq contact said to not worry. There’s no bad news, we’re just waiting. It’s coming.
- **Charlie Ward:** “As I told you years ago they are going to shut down the Worlds economy for a Global Currency Reset. The Cabal is now destroying the economy so they can usher in the New World Order with their Great Reset.”
- **Mon. 24 July TNT call:** There’s still a lot of corruption in Iraq in the banks due to the politicians that are running them. Sudani doesn’t have the power to go after the politicians, but he can stop the banks from selling the dollar with the help of the US (14 were told to stop doing this). The people running the banks were added to the sanctioned list. There are 20 more banks under investigation and the results should come out soon. They thought it would be easier to get rid of the corruption, but it hasn’t been. They’re working on stabilizing the dinar and getting people to use the new system for exchanging currency (not doing it on the street). The RV won’t happen until they release the instructions for the budget (how and where the money is supposed to be spent), which

they have not done yet. We don't know why (maybe due to the continued corruption?). So we are waiting.

- **On Sun. 23 July** all financial changes completed.
- **Texas Snake Sun. 23 July:** Banker advised to have all trained staff in currency exchange process to be on immediate call **beginning Mon. 24 July.**
- **Goldilocks Sun. 23 July:** The Stock Market is getting ready to go into correction after FOMC meeting **this week.**
- **On Thurs. 27 July Basel 3 Compliance will be implemented in the banks.** This was expected to create shocks and adjustments in our markets and payment systems as they move into a real value.
- **Thurs. 27 July** was also said to be “Restart of Planet Earth” with implementation of Basel 3 compliance and activation of NESARA/GESARA: [INTEL - July 27th 'Restart of Planet Earth' & The GESARA / NESARA Announcement - Schedule of Events \(rumormillnews.com\)](#)
- **The last week of July** US citizens were expected to receive restoration allowances that paid them back illegal interest given to the Cabal, plus SS payments would increase.
- **On Wed. 23 August** the new gold/asset-backed Quantum Financial System would be made public.
- **Thurs. 20 July Bruce:** The funds that are moving for us...are in place at the banks. They did disseminate the funds from Treasury to have them available for us to go in for exchanges...our understanding is that everything, as far as we know is ready... rates are going up. We did get an update...and the rates are the least of your worries. Don't worry about it. They're gonna be fine.

B. History

- **On Tues. 18 July** monies began flowing out of Zurich; the Iraqi Budget with the new Dinar Rate in it was released to the Iraqi Provinces and funds were positioned for distribution; Paymasters were given liquidity and Whales were beginning to be paid. **As of Sat. 22 July** some Whales had been paid, some had not, all could see monies in their accounts and all were under NDAs.
- **On Wed. 19 July** the Iraqi budget with the new Dinar Rate in it was implemented in all Iraqi Institutions. Paymasters were authorized to send emails out to Bond Holders telling them that they had access to their funds (on an unknown date).
- **On Thurs. 20 July the Global Quantum Financial System officially launched the 'FedNow Instant Payment System,'** while therefore Tier 4b (Us, the Internet Group) could expect notification at any time. TNT Tony said that multiple sources reported that disbursements were completed and everything was now done.

C. Economic Financial Crisis:

- **US Congressman Warren Davidson** calls to ban and criminalize central bank digital currency (CBDC).
- **Fox News Ingraham:** The state of West Virginia has just deemed 5 financial institutions ineligible for state banking contracts. You want to know what courage looks like? It's standing up to BlackRock, Goldman Sachs, JP Morgan, Morgan Stanley and Wells Fargo. WV TREASURY SEC: This is just a first step, similar legislation has also passed in Kentucky, Oklahoma, Tennessee and Texas.

<https://twitter.com/KeaweWong/status/1682888616354406401?t=0Tv-vde7vPPwcJ0juAPRmQ&s=19>

- **WW3 INFO** – War between China and the U.S. is imminent according to Keawe Wong. That's the reason why Henry Kissinger was in Beijing to avoid what happens soon.
- "The biggest threat to the world is not China, but \$31.4 trillion US debt."
- "US bonds price will crash inevitably and nuke many countries' economies."
- "Hundreds of millions of jobs and trillions of dollars in pensions will disappear."

E. Restored Republic

- **Sometime soon** the Supreme Court would announce their decision on the Brunson Case and another 2020 Voter Fraud case before the Court. That decision was likely to reverse the 2020 Election due to massive Election Fraud. Such would then dissolve the Biden Administration and all of Congress and likely be accompanied by activation of the Emergency Broadcast System where the Military would take over for a short period of time until new elections could be held.

H. The Real News for Mon. 24 July 2023:

- **GMO animal feed causing infertility in livestock.** Farmers are now identifying that their feed has been the cause of change in the normal production and health in their animals. Hmmm ...which leads to the question...the animals that survive or produce.....what are we now eating!?
- **Diego Garcia** is a CIA secret island in the Indian Ocean where they take detainees to torture them and hold human experiments. This is where it is believed the passengers of the Malaysian Airlines MH370 flight were taken.

- **California** to fund heroin injection sites in Los Angeles, Oakland, and San Francisco
- **TUCKER:** Since the day Biden took office he has systematically politicized and weakened the U.S. military. General Mark Milley out there telling Congress that soldiers need to learn about 'White rage' otherwise they'll be unprepared for combat. Firing Navy Seals because they won't get the vaccine, drag shows on military bases. The point is humiliation and degradation. No one should be surprised recruitment is at record lows. A woke military, it's a joke.
- **California, Paul Pelosi Fox News:** Claypol: Why did it take California Highway Patrol over 2 hours to do a blood test? Maybe we'd know more about what that other drug was in [Paul Pelosi's system]. He was pulled over at 10 PM, at 12:30 AM they finally do the

blood test. Jesse: Is it normal for the Judge who's presiding to step down the night before and have a new judge installed with no experience, her first DUI case ever?

- **Pelosi's current visit to Taiwan** could be used as a "pretext" for Beijing to ramp up military action in the area, giving them control of Taiwan and control over 90% of all semiconductor production in the globe.
- **The 'Inflation Reduction Act' backed by Biden, Schumer and Manchin** gives \$45.6 billion to the IRS to 'audit' the middle class. CNBC: When you hear that they named it the 'Inflation Reduction Act' do you just laugh out loud? You know how Washington works. But do you see the irony in tagging on \$700B with tax increases and spending. Does that in any way look like an inflation reduction bill?
- **The Attorney Generals of 19 states** demand answers from BlackRock's CEO, Laurence Fink, for contradictory positions on ESG and energy investments. BlackRock has a fiduciary duty to create the best possible return on investment, but is instead "using citizens' assets to pressure companies to comply with international agreements such as the Paris Agreement that force the phase-out of fossil fuels, increase energy prices, drive inflation, and weaken the national security of the United States".

- **Black Men Make Up Over 80% of Monkeypox Cases in Georgia.** Nancy Nydam, spokesperson for the Georgia Department of Public Health, confirmed to Capital B Atlanta that 83% of the 289 cumulative monkeypox cases are Black men. “The percentage speaks for itself,” Nydam said. “We are definitely seeing a trend of positive cases among gay or bisexual Black men who have sex with men.” “I’m afraid that people will think it’s a gay man’s disease or a Black gay man’s disease,” she said. <https://atlanta.capitalbnews.org/monkeypox-georgia-black-men>
- **The San Francisco Aids Foundation** has released a guide to having sex ahead of the Dore Alley Gay Sex Festival. The guide says if you have bumps on your skin & don’t know what they are, to cover them up & go have sex anyway.
- **Prof. Dr. Arne Burkhardt**, a German pathologist, presents an unsettling slide show revealing that in vaccinated males, the spike protein from the COVID vaccine has entirely replaced their sperm. - **19,000 Doctors Indicted for Covid Crimes:** <https://realrawnews.com/2023/07/19000-doctors-indicted-for-covid-crimes/>

K. Wars and Rumors of Wars:

- **NATO is holding an emergency meeting with Ukraine** because Zelensky is demanding that NATO protect cargo ships arriving and departing its ports against Russia attacks. Zelensky just want to draw NATO into the war!! He may get what he wants! NATO Orders Ukrainian troops & civilians to abandon the frontlines & the battlefield & return to the cities to seek shelter as soon as possible! Something BIG is planned very soon! Will NATO intervene? Will peacekeeping forces enter Western Ukraine & freeze the war? Will NATO attack?

L. Biden Crime Family

- **"Weiss'[s] father, Meyer Weiss, worked as an IRS agent** in Philadelphia from 1955 to 1984. He was caught accepting over \$200,000 in bribes from businessmen seeking to break federal tax laws, and was sentenced four years in prison. Meyer spent almost \$71,020 on David's college and law school tuition, in part financed by the bribe money, a 1995 US tax court ruling said. The criminal history of the Delaware prosecutor's family was unearthed by right wing nonprofit @MarcoPolo501c3. The organization previously conducted a two-year investigation into the Biden family and last year published a shocking 650-page report [BidenCrimes.info] alleging dozens of crimes by Joe Biden, his son, family members and associates." <https://www.dailymail.co.uk/news/article-12300813/David-Weiss-Hunter-Biden-tax-investigation-law-school-fees.html>
- **WILL CAIN:** The partisan consistency on where [FBI] resources are deployed is too obvious to ignore. Joe Biden’s son Hunter Biden lied on a federal gun form, he is also on tape smoking crack and hooking up with prostitutes, in addition the FBI has been in

possession of his laptop for 2+ years, that laptop includes evidence of tax fraud, multiple overseas influence peddling operations. SO why hasn't Hunter Biden been raided by the FBI?

- **IRS whistleblower Joseph Ziegler told CNN's Jake Tapper that the Justice Department hindered the Hunter Biden probe** by blocking felony charges, search warrants, and interviews with the Biden family. Another IRS whistleblower, Gary Shapley, also testified about the Justice Department preventing them from charging Hunter Biden with felonies, rejecting search warrants, and restricting witness interviews. Both whistleblowers were denied access to Hunter Biden's laptop and the FBI report alleging bribery allegations. Their testimonies were corroborated by an FBI agent in the Delaware office. Furthermore, the Justice Department's indictment of President Biden's leading political rival highlights the concerning reality of a politicized and weaponized judicial system. Americans should not have to accept two tiers of justice in this country – one for individuals with the last name Biden and another for everyone else.

M. FBI, Department of Justice Corruption

- **FBI Director Chris Wray admits to Ted Cruz that the FBI special agent** in charge of the Detroit field office during the Whitmer kidnapping hoax GOT PROMOTED and is now in charge of the FBI Washington DC field office tasked with investigating January 6th.
- **JESSE:** The FBI's blatant corruption was front and center today on Capitol Hill. Director Chris Wray took the stand to testify under oath, just as new Whistleblower allegations exposed an FBI-wide scheme to discredit and bury Hunter Biden's laptop right before the 2020 election.
- **CHAFFETZ:** There's voicemails, there's emails, there's text messages, there's 150 suspicious transactions of money flowing from overseas, Hunter Biden going on Air Force 2 doing transactions in China, Russia, Romania, Mexico, UAE, Kazakstan and the FBI is just sitting there doing ABSOLUTELY NOTHING.
- **JULIE KELLY:** The FBI has been weaponized and politicized. It is an enforcement arm of the Democrat Party.
- **FBI Director Christopher Wray** left the Senate Judiciary Committee hearing early last week to go on vacation in the FBI's private Gulfstream jet.
- **Donald Trump says Mar-a-Lago** is currently 'under siege' and being raided by Biden's rogue FBI.
- **GERRY CALLAHAN:** Rest in Peace FBI. It's over. It's a partisan militant wing of the Biden administration. And does anyone really believe the new 87,000 IRS agents are gonna go after billionaires and corrupt corporations? When you see how they don't hesitate to weaponize federal agencies against their political enemies, it is the most frightening thing.

- **The FBI continues to break the rules** put in place to protect Americans, running illegal searches on public officials including a U.S. senator.

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

P. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
