We can't let love and friendship go out of style because we face challenges – global and personal. We can overcome only as we work together and always leave the door open to new friendships. God's children were meant to be together – if not under one roof, then in one heart.

Judy Note: The “Sound of Freedom” blockbuster movie at last exposes International Child Sex Trafficking under the theme of “God’s Children are Not for Sale” – though does not touch on the Satanic Ritual Abuse of children that was so rampant in our global society.

As difficult as it may seem to believe, there were thousands of children across the world who had yet to gain attention that those in child trafficking were about to enjoy. Having been born into multigenerational Satanic Ritual Abuse families, there was little belief that such children even existed – yet they were daily subjected to rape, torture and murder throughout their childhoods.

Satanic Ritually Abused children literally had no hope. They were born (many without birth certificates) into the grips of parents and a politically powerful network of friends who gave honor to Satan through Child Sacrifice and pedophilia parties of sophisticated CIA Mind Control Programming.

It is my humble prayer that the general public’s awareness generated through Tim Ballard’s release of “Sound of Freedom,” will at last also open the door to understanding and eventually freedom for those ritually abused.

See this heartwarming interview with Tim Ballard and Sound of Freedom film director Alejandro Monteverde: [‘Sound of Freedom’ becomes top-grossing movie on Independence Day | Entertainment News \(christianpost.com\)](#)

Shot five years ago, "Sound of Freedom" was once signed with Disney but then dropped. Multiple Hollywood studios also rejected the film, but Angel Studios [acquired worldwide distribution rights](#) earlier this year and it is now a certified success.

The movie will have viewers at the edge of their seats, waiting to see what Ballard does next on his mission to reunite a vulnerable family whose worst nightmare comes to life when both

children are taken captive for sex work. Featuring mild foul language and some violence, the film's scenes that are not shown but suggested have a haunting effect on audiences.

The studio wants families with teenagers to view the film together since teenagers should also be educated on the evils of the world.

At the [Miami premiere of the film](#), Monteverde told CP that he takes what Jesus said to His disciples seriously in [Luke 17:1-2](#): "It is inevitable that stumbling blocks will come, but woe to the one through whom they come! It would be better for him to have a millstone hung around his neck and to be thrown into the sea than to cause one of these little ones to stumble."

According to a [report](#) from the Organization for Economic Cooperation and Development released in January, Mexico "ranks first in child sexual abuse; first in exploitation, homicides, and trafficking of minors; and first in creation and distribution of child pornography."

The United States was identified as the "number one consumer of sex worldwide," which includes child pornography, according to Geoff Rogers, co-founder of the United States Institute Against Human Trafficking, as quoted in a 2019 [Fox News](#) report.

Verástegui previously [shared with CP](#) that he wants to "put pressure on the government so these things become a prime priority, not just for the government, for everyone."

"What really hurts me the most is that the people who are doing this to these kids are human beings like you and me, made of the same. This is not people who are coming from other planets that are our enemies. This is people like us. So at what moment, what happened to these guys?" Verástegui continued. "They were kids at some point full of dreams. So what happened in what moment they decided to, 'You know what? I'm going to use my life to hurt kids.'"

The United Nations Office on Drugs and Crime [defines human trafficking](#) as any situation in which someone experiences "force, coercion, abduction, fraud, deception, abuse of power or vulnerability, or giving payments or benefits to a person in control."

Multiple Hollywood studios rejected the film, but Angel Studios [acquired worldwide distribution rights](#) earlier this year.

WARNING: There were reports of some asking for you to hand over your foreign currencies and/or Zim Bonds to them saying they will exchange or redeem them for you. DO NOT give in to this scam. Only the purchaser of the currency or bond can legally exchange or redeem that currency or bond at a Redemption Center for the higher rates. Exceptions were that if you have given someone currency or bonds, along with a notarized gift letter saying you have done so, or if you have given someone Power of Attorney. The bottom line: If someone tries to turn in your currency or bonds without your authorization they could be arrested.

The principal intention behind this Commission is not to instigate witch-hunts or target individuals, but to set in motion a culture that ensures restoration of truth, disclosure and reconciliation around the subject of human trafficking and child sex abuse.
Our goal is to achieve in 9 - 12 months what governments and leaders of the world have failed to do for centuries - shed the full light of truth on the nature and extent of the human trafficking and child sex abuse pandemic.
Seatings will be taking place in Washington, the Hague and Rome in the months ahead. An Official Commission Report will be published and issued to the world-at-large at the Declaration event in Rome at the close of the Inquiry.

"As a matter of fact, every publication on vaccines for Coronavirus from 1990 until 2018, every single publication concluded that Coronavirus escapes the vaccine impulse because it modifies and mutates too quickly for vaccines to be effective. And since 1990 to 2018, that is the published science," he explained. "And there are thousands of publications to that effect, not a few hundred ... All of them show vaccines do not work on Coronavirus. That's the science."

L. Durham Report, JFK Justice is Coming on Telegram: 99.99% of Americans won't read the 306 page Durham Report. But I strongly recommend that everyone read at least pages 91-101 of the Durham Report. Takeaways:

- **Obama and Biden** were told about what the intelligence community referred to as "the Clinton Intelligence".
- **The "Clinton Intelligence"** was clearly viewed within the intelligence community as a spurious effort to tar and feather Trump with a concocted story that he had colluded in a nefarious way with the Russian government.
- **In sum, Obama and Biden** were in a room with Brennan in August of 2016 and were clearly informed of the highly sketchy and dubious information intentionally contained in the "Clinton Intelligence".
- **There is no ambiguity here.** In fact the CIA issued a memo expressly referring in a negative way to "the Clinton Intelligence". Obama and Biden were clearly and unequivocally notified that "the Clinton Intelligence" was viewed by the FBI and CIA as being based on a falsehood.
- **Who was Clinton's "Foreign Policy Adviser 1"?** This is important because according to the Durham Report "Foreign Policy Adviser 1" cooked up the Trump Russia Collusion plan and gave it to Clinton.
- **Jake Sullivan was Clinton's senior foreign policy adviser.** Was he the one who cooked up the plan? Is Sullivan going to be called to testify before Congress?
- **After reading pp. 91-101 of the Durham Report,** ask yourself- is it humanly possible for Robert Mueller to NOT HAVE KNOWN that the CIA and the FBI had told Obama and Biden that the "Clinton Intelligence" was considered by the agencies as nothing more than a political campaign dirty trick?

N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

O. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same

Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

P. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Q. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all. Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
