...President Donald Trump

[My Country, 'Tis of Thee | The Tabernacle Choir - YouTube](#)

Judy Note: On Sun. 30 July the gold/asset-backed currency of the Global Currency Reset was launched, effectively sinking the fiat US Dollar.

On Mon. 31 July Tom Fairbanks filed a Criminal Referral to the Judge Advocate General (JAG) against US Attorney General Merrick Garland, the Department of Justice (DOJ), and Judge

Nancy Baskin in behalf of the Ammon Bundy and Diego Rodriguez case regarding the Idaho State Child Protective Services kidnap of Baby Cyrus.

Also on Mon. 31 July it was discovered that the Cabal was developing plant-based 'vaccines' intended to be seamlessly integrated into the food supply, all without the public's awareness.

On Tues. 1 Aug. Barbie & Ken Cromar of the “Barbie and Ken vs. Goliath IRS” case received confirmation of crimes against them done by IRS Director Charles Rettig. Evidently Rettig had been busy not only committing crimes against Barbie and Ken, but on all Americans. He was arrested by the Military on charges alleging that he took a 1% cut of every federal income tax payment for the 2021 fiscal year and sheltered the cash in anonymous offshore accounts.

On Wed. 2 Aug. Trump faced an indictment aimed at his right to Free Speech, while Biden’s lifetime of treasonous acts were ignored by both the courts and Mainstream Media.

The Media also ignored more Voter Fraud, Biden, CIA, IRS, Military Industrial Complex, Court and Department of Justice corruption, while the White Hats were busy with Military Tribunals and hanging more traitors at GITMO.

Victims were drugged, hypnotized, traumatized, given electric-shock treatments, raped, tortured and made to watch other children tortured and murdered in order to rewire their brain. These mind-controlled zombies with multiple personalities have been used by the CIA and Global Elites as spies, assassins, sex slaves, and even as celebrities who are programmed to act on a specific command, against their own

consciousness. Even though the MK-Ultra mind control program was said to have been closed down after years of Congressional Hearings on the subject, victim-survivors claimed it was still going on today and supported by tax payer dollars fed to the CIA from our corrupt Congress.

WARNING: There were reports that some were asking you to hand over your foreign currencies and/or Zim Bonds to them saying they would exchange or redeem them for you. DO NOT give in to this scam. Only the purchaser of the currency or bond can legally exchange or redeem that currency or bond at a Redemption Center for the higher rates. Exceptions were that if you had given someone currency or bonds, along with a notarized gift letter saying you did so, or if you gave someone Power of Attorney over your affairs. The bottom line: If someone tried to turn in your currency or bonds without your authorization, they could be arrested.

- **Mon. 31 July Bearded Patriot:** “Just got off a call and can confirm that the first wave of liquidity starts **Tues. 1 Aug.** There were multiple steps regarding the payout pecking order: Beneficiary Accts, Fines & Penalties, Whales, etc. There were an extreme amount of funds and groups that needed to get paid. It will take a few days. Once it’s starts nothing can stop it. Iraq’s desire was to have this completed and published in the Gazette on **Sat. 5 Aug.**”
- **Mon. 31 July Ranga Rao Konuganti Tom RV/GCR Updates:** “Money is moving, large amounts from Singapore to the Philippines, from the Windsor Fund (one of the top six global collateral accounts) to the Chinese Elders, so that they can execute the Financial Transition.”
- **Sun. 30 July Texas Snake:** Text received 10:10 this morning from a Banker: “All indications are from high sources is **that this coming week** will have positive news in light that all 209 countries have approved the required protocols. So will advise ASAP after I receive the news.”

B. Apparent Timeline:

- **Sometime soon** the Supreme Court would announce their decision on the Brunson Case and another 2020 Voter Fraud case before the Court. That decision was likely to reverse the 2020 Election due to massive Election Fraud. Such would then dissolve the Biden Administration and all of Congress and likely be accompanied by activation of the Emergency Broadcast System where the Military would take over for a short period of time until new elections could be held.
- **Sometime soon** and with the NESARA/GESARA announcement, comes the Med Beds.
- **Wed. 23 Aug. 2023:** BRICS to formally announce Global Currency Reset.
- **Aug. 2023:** Exposure, Arrests of Major Satanic Child Sacrifice and Pedophile Groups.
- **When Trump’s presidency ended,** JFK Jr. would come in as President, while Trump would be elevated to Global Financial Ambassador to make the GESARA changes around the Globe according to Bruce.
- **Fall 2023** Massive protests and riots were forecasted to shake Canada’s core, ushering in a winter of discontent in the **latter part of 2023 and early 2024.**
- **2026: U.S. (public) Tribunals slated for 2026** would coincide with Canadian Tribunals and World Tribunals that would connect everything from Deep State Human Trafficking, to World Plandemic Deep State Operations, to creation of the Virus.

C. Global Financial Collapse:

- **The Federal Reserve is technically bankrupt.** In 2023 the Fed will post its first annual operating loss of \$80 billion since 1915. It will have a negative capital of \$38B. This loss does not count the \$1.3 trillion unrealized loss on its portfolio.

E. Barbie & Ken Cromar of the "Barbie and Ken vs. Goliath IRS" case have sued & subpoenaed IRS Boss Charles Rettig - and against all odds, WON!

- **Apparently the most feared, deceitful collection agency in history** has had the tables turned on it's corrupt boss - first by Barbie & Ken and now apparently by the Marines.
[Military Arrests Former IRS Director Charles Rettig | Real Raw News](#)
- **According to this July 31, 2023** Real Raw News story by Michael Baxter on **Fri. 28 July** United States Marines arrested former IRS Director Charles Rettig on charges alleging that he took a 1% cut of every federal income tax payment for the 2021 fiscal year and sheltered the cash in anonymous offshore accounts.
- **For perspective, if a tax filer "owed" and paid the government \$700**, Rettig got seven dollars; if a taxpayer owed \$3,000,000, Rettig pilfered \$30,000. The IRS collected \$4.38 trillion that year, which means Rettig burgled \$40 billion, which he deposited into shell accounts in Switzerland, Belize, Singapore, Hong Kong, and the Cayman Islands—a hefty retirement nest egg.
- **If IRS & Rettig had nothing to hide**, then why all the hiding by the IRS & Rettig?
- **We, "Barbie & Ken" Cromar** are victims of a weaponized terror organization IRS Inc. led by Commissioner Charles P. Rettig.

- **From the very beginning of our 18 court cases**, we confess a pleasant surprise that this criminal has finally been caught. We've never even met Rettig and have certainly never done anything to him, but Rettig helped destroy our lives. In the name of JUSTICE we intend to hold him and all the others we've captured in our net accountable to *We the People*.
- **How could IRS Commissioner Rettig** have so arrogant, hypocritical, and brazen in his violation of his of Oath of Office in a manner which appears to have robbed the American taxpayer blind? Rettig delighted in his power and shake-down intimidation tactics, encouraged his agents receiving sniper training too, "Show me the money. Get their money, our money" Rettig said.
- **The 75-man SWAT Team** that descended on Barbie & Ken's house not only included snipers, but two MRAPs (tanks) and 2 helicopters.
- **For five and one-half years our lives have been terrorized** by criminals who under Constitutional oath were supposed to RUN to our defense until proven guilty. The exact opposite happened.
- **Instead, these INCORPORATED government agencies** -- yes, the cities, counties, courts, and state government are ALL incorporated *for-profit* ruined by a deceitful, likely weaponized IRS, unleashed on Ken a former elected Cedar Hills City Councilman whistle-blower who discovered a wide array of corruption. One mayor faced 30-years for bank fraud and \$1 million in fines, but plead guilty serving 1 year and \$100,000 in fines.
- **The criminal Cabal** at every level of government, cannot stand those who expose their crimes. Barbie & Ken got in their way. We had to pay! Our home, life, possessions, property, reputation -- everything -- because we stood up to the corruption in our beloved Cedar Hills. We did it for the good People of Cedar Hills.
- **Surely Rettig and friends qualify for charges of Treason**, as well as Misprision of Treason for every judicial official who does nothing about Rettig's crimes once informed of them.
- **Who would you trust?** Charles Rettig and his Miami Mistress? Or, Barbie & Ken? Before you place your bet, read: <http://www.cedarhillscitizens.org/real-raw-news-military-arrests-former-irs-director-charles-rettig/>

F. The Corrupt US Attorney General Merrick Garland, Department of Justice (DOJ), Idaho Health and Welfare, St. Luke's Medical Center, Child Protective Services, Ada County Sheriff's Department and Ada County Courts ripped Baby Cyrus from his loving family – for no legal reason.

- **The Ammon Bundy and Diego Rodriguez story** came into the National Spotlight in March of 2022 when Baby Cyrus was sick and vomiting. Diego's daughter took him to St. Luke's Pediatric Center where, after receiving terrible treatment, they were released approximately a week later with Baby Cyrus having a clean bill of health.

- **Cyrus’s parents continued to take him to a local pediatric office** for additional reviews and weigh-ins. All was well and good, however, when Cyrus’ mother called to cancel a scheduled appointment because she was feeling ill, the nurse practitioner called CPS and reported “child endangerment.”
- **Shortly thereafter, two police officers** came to their address, asking for Baby Cyrus—but since they were not home the police officers issued a BOLO (“Be on the Lookout”) for the family. Later following a family dinner with extended family members, the family was followed by a police officer to a nearby gas station where they were detained.
- **Within minutes, over a dozen police officers** arrived and arrested the parents, handcuffed the father, and then forcefully ripped Baby Cyrus away from his crying mother for alleged “child endangerment,” all because they canceled a pediatric appointment and the doctor called CPS claiming that Cyrus was “underweight.” Fortunately the mother had the presence of mind [Facebook Livestream the whole ordeal](#) when they took her into the Ambulance to rip Baby Cyrus out of her arms when she was out of public view.
- **On March 12, 2022 Ammon Bundy and Diego Rodriguez** held a press conference at St. Luke’s Hospital in Boise, Idaho where they attempted to set the record straight in regards to what happened to Baby Cyrus and even American Frontline Doctors exposed the incompetence, wickedness, corruption, and illegal nature of the Baby Cyrus’ story in a succinct article—which was actually a series of 20 questions sent to Dave Jeppesen (the director of Idaho Health and Welfare) that they demanded answers to. Read it for yourself here: <https://aflids.org/news/post/baby-cyrus-returned-to-parents-after-frontline-news-inquiry-to-cps/>
- **Thus began the long and laborious legal battle** for Ammon Bundy and Diego Rodriguez against the corrupt St. Luke’s Medical Center, Child Protective Services, Ada County Sheriff’s Department and the Ada County Courts.
- **This nightmare has been a continuous violation of rights** for the Defendants, resulting with Judge Norton’s Declaration of War when she issued a warrant for Ammon Bundy’s arrest.
- **Judge Norton** then filed a default judgment against Ammon Bundy for \$52 Million and \$700,000 in legal fees right before she recused herself from the case.
- **In response to this egregious behavior**, Fairbanks filed a Criminal Referral to the Judge Advocate General (JAG) against Merrick Garland as US Attorney General, the Department of Justice (DOJ), and Judge Norton’s replacement Judge Nancy Baskin.

M. Economic, Financial, Federal Reserve Bankrupt Treasury, Octagon intel:

- **The Federal Reserve** is officially broke and out of money.
- **The US Debt Clock** now shows US Treasury Notes instead of Federal Reserve Note. This means that the Fed is now broke. And using the real cash reserves from the Treasury.
- **What's the difference?** The feds print the money to be used. They can no longer print any more money.
- **The Treasury** is where all of the real cash money goes from the taxpayers.
- **What happens** if everyone stops paying taxes? The End.
- **This system will ultimately crash soon.** Which is why owners of companies have been dumping their shares.
- **The markets are artificially propped up.** To give the illusion that things are going well.
- **A couple weeks back** Yellen went to China bowing to all of them begging for money. They denied her – which meant they denied the Fed.

N. The Renewable Green Energy Paradox

- **Did you know that after about 15 years**, solar panels lose their effectiveness and are no longer useful, after which they go to waste. However, this waste is not like ordinary garbage, it is incredibly toxic and poses a significant risk to the environment.

- **In fact, solar panel waste is 300 times more harmful than nuclear waste**, and its disposal requires a costly and specialized method.
- **Unfortunately, many countries** send this toxic waste to poorer nations.
- **This issue is only going to get worse as by 2030**, we will have 8 million tons of "green" waste, and by 2050, that number will balloon to a staggering 80 million tons of solar panel waste that will likely have reached the end of their lives.
- **So my critical thinking** side of the brain is acting up again.

O. Q&A Global Currency Reset Foreign Currency Exchange and Zim Bond Redemption,
Ginger's Liberty Lounge on Telegram:

- **Q: Ginger, if/when it does happen** - do you think there will be leniency in scheduling an appt, or is it dictated to you, very short timeframe, and you can't miss that appt?..just curious!..and thank you for your thoughts!!
- **A: For those taking the regular notifications route** --- You may choose your appointment time. No leniency if you miss. It's not like they can just squeeze you in later that day because they will eventually have tight appointments booked all day and well into the night.
- **Some RC may be even running 24 hrs in certain areas** (such as Texas where they have the highest number of Zim Bond holders in that State than anywhere else in the world. Florida has the 2nd most Zim holders.)
- **If you're really late or miss your appointment**, you'll be placed at the back of the line and given a chance to reschedule after the people who didn't miss their appointment get to be seen, which might be two weeks later, possibly.
- **At one time I understood that there would be about 30 days for processing these transactions.** In February, though, someone said that the timeframe given for these transactions would be about 15 days. To be honest, I'm not sure I believe it due to the fact that I've been told people who are traveling, such as for business, family emergencies, etc, may not be able to come in at a brief window of merely a two week period. So, what are they gonna say? "Forget you - You missed it. Too bad for you!" ??? No!!! I don't believe that would happen. I don't believe that one bit.
- **I'm sticking to what I've learned in the past -- You will likely have up to ten days to MAKE (book/schedule) your appointment and you must be seen within 30 days OF making that appointment.** This is what makes sense to me. But I admit the exact details have changed over time - so ask for clarification when you get the chance. There's some flexibility here in this scenario for people who are traveling, those who are in a health rehab facility and need a little bit more time to regain their strength so that they can attend the redemption appointment -- because NO, someone cannot have another person attend their appointment on their behalf. It will not work that way. (As I've said many times before, if you're in a group that is awaiting private contact, you are welcome to disregard this post because it wouldn't apply to you, per se.)

- **Also, while I'm at it, let me add this** --- when you call the number and/or respond to a Safe Link website (??) and you get to speak to someone, if there are special extenuating circumstances for you, let them know.
- **Are you Handicapped?** Need assistance? They will provide it. No vehicle and no transportation to get there? It's foreseeable that they could possibly send you money for hiring a driver. Bedridden? Unwell and unable to leave your home? They may even be able to send someone to your home. Just ask.
- **Disclaimer:** I'm not a financial advisor. I'm not responsible for the financial decisions others make. Everyone is encouraged to do their own research and make decisions based on what feels best for you.

Q. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

S. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

T. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
