Judy Note: I received an Emergency Alert saying that the Canadian Government was murdering citizens of Celista British Columbia under the same fire scenario as in Maui. Evidently a Stef and Jorne owned a home at the end of Meadow Creek Road in Celista. Celista Fire Department and Canadian Forestry personnel showed up on Thurs. 17 Aug. 2023 and lit a back burn by their back door knowing that winds were on their way. The fire department sat watching the burn until

it was well underway, and then left. They returned a while later and only put out small fires while the big one to this day was still raging. When Stef asked the firemen why, she was told they were ordered to sit on the burn. The fire is still burning and any water, gas and food people have tried to bring in have been stopped by a police block on the road. They are asking for help from anyone.

Urgent Request For Humanitarian Aid
By Sir Donald Kaulia, Sovereign Regent, Kingdom of Akua, Hawaiian Islands

Aloha Mai Kakou,

The capitol of our Sovereign Nation in Maui has been destroyed. Thousands of people are missing and presumed dead. We are asking for any aid to help the people of Hawaii who are suffering tremendous losses.

It will take years to rebuild our capitol and unfortunately some of the losses are not replaceable – Kingdom and cultural artifacts that are now lost forever.

We are being told that in order to have assistance with this disaster we must rely on the same corrupt government that overthrew our Sovereign Nation. They are failing miserably to say the least.

Our nation's leaders, through the Sovereign Order of Kamehameha 1 and the Kingdom of Akua Foundation, have a plan of action that will assist our people faster and in an organized humane fashion, unlike the absolute disorganized mess it is now.

The situation and needs of our people are changing rapidly. Having funds available will allow us to act and react accordingly. Please consider anything you can do to help. Funding can be in the form of Grants, Donations, Disaster Financing, or any other funding application.

A Poem

By William Combes, who as a child witnessed multiple rapes and killings of other children at the Kamloops Indian Residential School in British Columbia, including the kidnap by Queen Elizabeth of ten children who were never heard of again. As an adult, Combes was believed murdered by Canadian authorities for telling his story.

I saw figures with shovels and flashlights digging a hole by our Apple Tree to bury little ones.

Death defy, for the living weep in pleas, Set Me Free, Set Me Free, Billy Georgy, feed me.

Today I cry at night still hearing babies plea, Feed Me, Fed Me, or I might die

In Georgy brought the food – my dreams can draw for the truth and suffering at the Indian Residential School, I Saw, I Saw, I Saw.

A. What We Think We Know as of Tues. 22 Aug. 2023:

- **Karli Boone** has been trying to report on the missing children of Maui. When she repeatedly asked Mayor Bissen to disclose where the children were the Maui police head locked her. The four schools in Lahaina served over 3,000 students before the fire. Only 400 of them were now enrolled in other schools, with 200 doing virtual learning. That leaves at least 2,400 children unaccounted for. Maui residents have reported children burned alive, baby bones found still locked in car seats and the bones of a small boy laying on top of his dog evidently trying to protect it. The Maui police have a 12 mile blockade around Lahaina in a communications blackout that won't let the press in. G. BRICS Summit that began Tues. 22 Aug. and goes to Thurs. 24 Aug in Johannesburg South Africa just launched BRICS Pay, a decentralized multicurrency digital international payments system. <https://www.brics-pay.com/>

- **Is this the formal Announcement of the Global Currency Reset?**
- **BRICS Pay is a joint venture** between the five BRICS countries (Brazil, Russia, India, China and South Africa) that was launched in 2018 by the BRICS Business Council.
- **BRICS PAY aims to enable digital payments** between the different countries in BRICS, plus format, allowing businesses and consumers to securely and seamlessly make and receive payments in their local currency.
- **The platform is designed to reduce the cost** and complexity of international payments, while also providing a secure and reliable way to pay for goods and services.
- **The team behind the venture** consists of individuals from all five countries. This includes experts in payments, banking, technology, and other related fields. They are responsible for developing the platform, creating new features, providing customer support and is responsible for managing relationships with partners, governments, and other stakeholders.
- **France** President Emmanuel Macron was rejected entry to the BRICS Summit.
- **First Day of BRICS Summit, Goldilocks:** The process of trading in local currencies has begun. "The development bank set up by the BRICS Nations plans to begin lending in the

South African and Brazilian currencies as part of a plan to reduce reliance on the dollar and promote a more multi-polar international financial system. Several countries are beginning to have equal amounts of power going forward for those who join the BRICS system. This equal amounts of power will begin to erode on the dollar because it will have to begin sharing money velocity in trade from this point forward. This levels the playing field and creates a transition of power at the same time for our world.

- **The last time** we were at this level was when the Lehman Brothers collapsed their shares on the market.
- **The entire Inverted Yield Curve** is inverted on a level never seen before in history.
- **We have three major factors** going forward that will affect our economy: all our leading indicators are pointing downward, the inverted yield curve which measures recessions and depressions are in historical lows, and we have 70% of our Market or consumers that have already spent up their savings.
- **We are at a crossroads**, and the next three economic meetings taking place will give us new direction.
- **Watch what happens at the BRICS Summit**, the Jackson Hole symposium, and the G20 meeting ending on the 10th of September.
- **On September the 11th**, we will have new guidelines and policies giving us direction to move forward. Be ready.

- **The Lahaina fires only happened in the industrial area**, the place where the working class and poorer people lived and where the local natives refused to sell their land. The magical fire did not burn down the ELITE AREA AND HOMES.
- **Cars melted to the ground** and several building made of steel melted. This is not possible because the fire is not hot enough to melt metal. (Energy directed weapons hit several buildings and turned steel to dust)
- **In some places cars were melted and sat next to palm trees that weren't even burnt** or scorched by fire.
- **The deviation of deaths** is far more than MSM is reporting.
- **UN is already in the works of building a UN base** nearby with full high rise and hotels.
- **Military operations were closing in on Lahaina and human trafficking network.** Over a hundred cases were reported that weren't being investigated.
- **The MASSIVE human/child trafficking** line through the second most expensive real estate in the world is connected Lahaina. Hawaii is the base between Australia. Taiwan. China and California for Oprah, Epstein, Zuckerberg, CIA/UN Elites.

- **The multiple attacks on Lahaina** was to test weapons on humans, test smart car explosions on mass scale .Destroy the city to acquire in a land grab. To destroy the underground tunnels and base trafficking humans (hide their own tunnels and destroy). To kill several people who were going to expose Pedophilia ring in Lahaina connected to the World system, Oprah and CIA operations.
- **A Media Blackout is taking place** as police close off 12 mile range around the city.
- **The first reported 60 deaths and now 100 deaths are false numbers and over 1000 to 2000 dead or missing** would be more accurate according to local reports and citizens who have seen the bodies and missing people.
- **There are several major reasons the police closed off the Media:** the police are controlled by the government who are controlled by the Elites inside the Democrat run state who are running with CIA operations and UN (DAVOS) DS OPS.
- **Part of the MEDIA BLACKOUT** had to do with hundreds of people who died inside smart cars that exploded like bombs.
- **The multiple attacks on Lahaina** came from Energy Directed Weapons (DEWS), human arson and power line transformers that exploded like bombs.
- **The day the attacks happened Lahaina was sprayed** with a low layering of chemtrail (Aluminum & Barium Nano Particles that exploded with strong 5G directed radiation microwaves, or Direct Energy Weapons or transformer explosions that act as electrical bombs).

- **The Elites off the island** were warned in advanced and left the city.
- **Just two weeks before the fire,** the Deep State Democratic government was in talks with the World Economic Forum people from the Gates Foundation to create an agreement to build 15 minute smart cities.
- **For over 12 years the natives** of the island would not sell their land and estate to the UN World Elites who wanted to buy land in Lahaina.
- **It's known in the world Lahaina Hawaii** is the second most expensive real estate in the world next to London areas.
- **Bill Gates, Oprah Winfrey, Mark Zuckerberg,** the UN, Bilderbergers and hundreds of world billionaires including BlackRock and Vanguard all tried to buy huge portions of Lahaina, but were denied by the Lahaina citizens.
- **Now coincidentally Bill Gates** is already in talks to build high rises and Oprah Winfrey will donate billions with her investors and Zuckerberg has already deployed his team to start buying the burnt houses and land from unsuspecting Lahaina victims.

- **All donations** to help the Lahaina community have been blocked by social media Giants and networks.
- **Tulsi Gabbard** announced she personally visited Lahaina and there is no help available, no Red Cross or government aid happening.
- **The Deep State** wants all donations stopped immediately even before it begins because the CIA BlackRock Elites were worried that a World outreach of donations would rebuild Lahaina without Deep State control and thus their efforts to LAND GRAB Lahaina would hinder their plans.
- **What happened on Maui** has to do with many Deep State Operations, but one of the many reasons Maui was attacked was because of the US Space Force Operations in Maui. Maui. Space Surveillance Complex is a U.S. Space Force operating location for the 15th Space Surveillance Squadron. This base was attacked hours before the fires happen and a huge Cyber attack took place against the United States Space Force.
- **Fortunately USSF was well prepared** months before and weeks before removed all important computers, programs, servers and data. USSF left only fake Dud and computer systems behind.
- **Counter surveillance and operations** were in place long before the fires.

- **EXPLOSIVE REVELATIONS: Rothschilds and Rockefellers in Free Fall as Banks Collapse!** In a stunning turn of events, the corrupt [DS] regime of the Rothschilds and Rockefellers is crumbling before our eyes. Desperate to conceal their massive corruption, they are resorting to private banks and covert tactics. The aftermath is becoming painfully clear as hundreds of banks in the US, along with major US stock agencies controlled by BlackRock [Rockefellers], are collapsing.
- **NATO and the UN on the Brink of Bankruptcy.** As the dust settles, it becomes evident that the collapse of the Rothschilds and Rockefellers has far-reaching consequences. NATO and the UN are teetering on the edge of bankruptcy, with their financial lifelines severed. Shockingly, even the US military, the backbone of NATO, declines to support them in a potential war against Russia. Classified military reports reveal that without US military backing, NATO and the UN would crumble within a month.
- **Closed and Boarded Up: The Federal Reserve and the US Capital:** Unprecedented scenes unfold as the US Federal Reserve remains closed and boarded up, while the US Capital sits behind barricades. Meanwhile, China, Russia, India, and the Middle East have abandoned the US fiat money banking system, refusing to sell oil to the US. The global financial landscape is shifting, and the implications are profound.
- **Inside Military Operations: Unmasking the Truth:** For two and a half years, we've been warning you that we are amidst military operations led by white hats. The continuity of government is at play, with a shadow government running parallel to the facade. Patriots, Anons, and Q were the first to expose the fake White House studio where Biden is filmed. The truth is being concealed behind the fortified fences of the White House, where even the State of the Union address was never filmed.
- **The Military's Silent Stand: Biden Left Isolated:** The plot thickens as it becomes clear that Biden is an isolated figurehead. The military never escorted him in Air Force One to the White House after his supposed election. He lacks access to the prestigious Cheyenne Mountain military base, and top US generals refuse to engage or brief him. Biden's presidency is nothing more than a charade orchestrated by the deep state, while the real power rests in the hands of the White Hats.
- **Mainstream Media in Meltdown: The Fall of the Cabal:** The fake mainstream media, controlled by BlackRock, Vanguard and State Street, is in a rapid downward spiral. The truth is breaking through their web of deception, causing their empire to crumble.
- **Trump has fearlessly taken on the CIA** in a public showdown, exposing their covert operations to the world.
- **The Unseen Battles Behind the Scenes:** A whirlwind of events is unfolding behind the scenes. Nothing is a coincidence in this grand chessboard of power. The military, standing as the last line of defense for truth and justice, holds the key to our salvation. Stay vigilant as the world transforms before our eyes. The military's silent revolution is

the only path to reclaiming our freedom and dismantling the deep state's stranglehold on our society.

W. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

X. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Y. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Z. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
