Maui Massacre

An Urgent Plea For Help

The capitol of the Sovereign Nation of Hawaii in Lahaina Maui has been destroyed. Hundreds of men, women and children were presumed dead. Over two thousand children were still missing. Over 4,500 people have been displaced without homes. Any aid to help the people of Hawaii who were suffering tremendous losses would be greatly appreciated.

Judy Note: What We Think We Know as of Tues. 29 Aug. 2023:

- **EMR (electromagnetic) waves (H.A.A.R.P.)** can penetrate and destroy everything on Earth. With EMR electromagnetic pulses you can cause wildfires, earthquakes, tsunamis and tornadoes – such as happened in Canada, Greece and Maui on **Aug. 8** and was set to happen in Florida and along the East Coast starting **Wed. 30 Aug.**
- **In the DEW Attack in Maui Hawaii** hundreds of men, women and children were burned alive or killed, over 4,000 displaced and now three weeks later, over 2,400 children remain missing. The people had refused to sell the land of their heritage so it could be transformed into a Smart City – where the Cabal would rule their lives.
- **The Fire Carnage** was still going on in Canada. As in Hawaii, people were being held and unable to escape the flames while the fire department was not responding.
- **This week** there were 20 million people in Florida who would be affected by two hurricanes heading toward them. As with Canada and Hawaii, there were communication blackouts plus water and gasoline shortages so people could not escape. As with Hawaii, the hurricanes would clear out land that was planned to be developed into Smart Cities.
- **Greece** took better control over their fires and arrested 79 Arsonists.
- **World War III officially began on Tues. 8 Aug. 2023** when Deep State Laser Weapons (DEWs) targeted the historical capitol of the Kingdom of Hawaii in Liahana – the Hawaiian Native inhabitants of which were refusing to sell this land of their inheritance for a Smart City development, plus had long planned to leave the US in order to once again become their own sovereign nation of the Kingdom of Hawaii.
- **Hawaii's Democrat governor Josh Green, Liahana Mayor Richard Bissen, police chief of Liahana (who was also at the Las Vegas shootings) and 2,400 FEMA employees loyal to the Biden Administration** had refused to sound the alarm system when the fires began, turned off water to fight the fires and blocked roads so that hundreds were burned alive while trying to escape. [Adults & Children Burned Alive As FEMA, Maui Cops Blocked Escape Roads | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)
- **Two days prior to the start of the fires there were 2,500 FEMA employees** who arrived in Hawaii to live it up in \$1,000+ a night hotels. After the fires began and after helping Maui police block off the only entrances and exits to Liahana – resulting in hundreds of men, women and children being burned alive – Maui police and FEMA employees began killing survivors, closed the food bank; refused to give out desperately needed food, water and supplies; enforced a communications blackout and then attempted to fence out over 4,000 displaced Hawaiian natives from their property and homes.
- **A week later on Wed. 16 Aug.** US Marines confronted 2,500 FEMA employees, a Maui National Guard Unit infiltrated with CIA Agents and Maui police. These Alliance Special Forces Marines which took over the Maui situation, arresting and killing off perpetrators,

wore shoulder patches embroidered with a figure of President Trump – showing that Trump was their Commander in Chief.

- **A Communications Blackout** still surrounded Liahana, though eye witnesses to the mass murder DEW Attacks that destroyed the city and killed hundreds of native Hawaiians, claimed that there were still well over 2,400 children unaccounted for.
- **Prior to the fires the Alliance Special Forces loyal to Trump** had planned on charging and arresting certain authorities and elites for their participation in an international Child Sex Trafficking Ring centered in Liahana. [2,400 Children Missing in a Winfrey, Gates, Zuckerberg, CIA Child Trafficking Cover UP | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)
- **The Child Sex Trafficking, Adrenochrome and Organ Harvesting Network** operated in underground DUMB Tunnels that ran beneath Elite properties owned by Oprah Winfrey, Bill Gates, Mark Zuckerberg and a CIA operation headquarters.
- **This same underground network** connected to 32,000 miles of Underground DUMB Tunnels across the Globe – that Special Forces teams had been destroying the tunnels of and rescuing millions of children from since **2018**. [The Underground War Happening Now Part 2 - YouTube Marines, Seals Head Rescue of Millions of Tortured Children, While Trump Implodes Fiat Dollar for a Global Currency Reset | Politics | Before It's News \(beforeitsnews.com\)](#)
- **Trump** was inaugurated US President in **2016** and has never left office. Through a Military count of watermarked ballots in the 2020 Election it was found that Trump won in every state with an over 80% vote. President Trump then instigated the Insurrection Act and turned over control of the country to the US Military. An Interim Military US Government has been running our country ever since. [/politics/2020/11/biden-elected-president-of-a-defunct-us-inc-via-voter-fraud-3217433.html](#)
- **Joe Biden**, President of the defunct US Inc. (a private corporation), has been played by actors since the 2021 Presidential Inauguration – which took place, in part, on a Hollywood Sound Stage a week prior to the actual ceremony at the US Capitol surrounded by National Guardsmen and a ten foot fence, barbed wire facing inward.
- **In January 2021 and prior to the inauguration**, the real Joe Biden was arrested, tried in a Military Tribunal and hanged for Crimes Against Humanity. Ever since the three actors of Joe Biden appeared to have been controlled by both the Democrats and White Hat Alliance. Biden's appearances and actors used were dependent upon the need of a 3-D Chess Game that the Black Hat and White Hat militaries were playing against each other. A. Global Currency Reset:

Bruce:** Bond Holder emails should come out **Wed. 29 Aug.** with access to funds on **Thurs. 30 Aug.** Tier4b (us, the Internet Group) will be notified to set redemption/exchange appointments within 24 hours of Bond Holder notification. **On Tues. 29 Aug.** a Treasury person on a Zoom call said Tier4b should be notified to set appointments on **Wed. 30 Aug. or Thurs. 31 Aug.** and start exchanges on **Thurs. 31 Aug. or Fri. 1 Sept.**

- **Charlie Ward:** “**Months ago** everything was completed for the Global Currency Reset, it just hasn’t been announced. The BRICS nations, BRICS bank and QFS have been fully trading in gold-backed digital currency for 8-9 months.”
- **Wolverine claimed that on Fri. 18 Aug.** Wells Fargo Bank received the cash release codes and the global launch of the funds took place across the Planet, marking the beginning of the registered global asset redemption program.
- **The Global Currency Reset appeared to be announced on Tues. 22 Aug. 2023** when the BRICS Summit launched BRICS Pay, a decentralized multicurrency digital international payments system. <https://www.brics-pay.com/>.
- **BRICS-Pay** has just been announced for merchants and end customers worldwide! So far, it still looks like a normal payment service provider. It only gets interesting when your own new gold-backed currency is added. I'm not sure there will be a bang overnight and the old money system will shut down and only the new money system will run. There's also some evidence that there could be a couple of years of transition with both systems. Just let the people and the competition decide. This would give providers the opportunity to integrate this service into websites and POS systems without crippling trade and the global economy for weeks to months overnight.

C. Global Financial Crisis:

- **The first day Biden took office** he cancelled the Keystone Pipeline – which greatly increased the price of gas, that when added to inflation that put mortgage loans upside down, crushed the Middle Class, plus destroyed the fiat US Dollar – which was now being dumped by 60% of the World population that had joined BRICS.

- **Mon. 28 Aug. Once the vaxed start dropping dead the government will use this excuse to lock down the country again. The question is: Are you going to comply?
- **The US just found a new Covid variant in wastewater during routine test.** This comes after the government began investing in new Covid equipment and a vaccine, and weeks after they informed government agencies of coming lockdowns. How did they know they’d find new variants? Are the government officials psychic? They just happened to warn of mandates in mid September and October and then find a new variant at the end of August? L. Ukraine: [In 24 hours EVERYTHING changes for the U.S., Putin is Ready" - Douglas Macgregor's Last WARNING | Alternative | Before It's News \(beforeitsnews.com\)](#)

- **As the world watches, a conflict unfolds** that threatens to engulf nations in a quagmire of geopolitical maneuvering. The situation is dire, and the stakes are high. The international community is at a crossroads, grappling with a crisis that could reshape the global order. The tension is palpable, and the world holds its breath, waiting for the next move in this high-stakes game of chess.
- **The land of Ukraine** is soaked in the blood of its sons and daughters. The battlefields are littered with the fallen, and the hospitals are overflowing with wounded soldiers. Estimates suggest that as many as 350,000 Ukrainians have perished, and millions have fled their homeland. The nation is on the brink of collapse, torn apart by a war that shows no signs of abating. The question that looms large is: when will the world say enough is enough?
- **On the other side of the conflict, Russia stands as a formidable opponent, a nation that has been misunderstood and underestimated.** Contrary to popular belief, Russia is not the aggressor seeking to expand its empire. Rather, it is a nation caught in a web of geopolitical complexities, striving to protect its interests and its people. The Russian military, far from being a monolithic force of destruction, is a disciplined and calculated entity, reluctant to escalate the conflict further.
- **NATO finds itself in a precarious position.** The Alliance, originally formed to prevent war, now risks becoming an instigator. The involvement of countries like Poland and Lithuania complicates matters further. These nations, driven by historical animosities and geopolitical ambitions, are pushing the alliance closer to a point of no return. The question that NATO must grapple with is whether it is willing to risk a regional war that could spiral into something far more devastating.
- **European nations like Germany and France** are caught in a bind. On one hand, they are part of an alliance that is increasingly hawkish towards Russia. On the other, they are nations that have much to lose, both economically and politically, from a prolonged conflict. The European electorate is growing restless, questioning the wisdom of their leaders and demanding a change in course.
- **The United States, a key player in this geopolitical drama,** is also at a crossroads. The American public is increasingly questioning the wisdom of sending billions in aid to Ukraine while pressing domestic issues remain unaddressed. Moreover, the U.S. military, already stretched thin, faces the prospect of being drawn into another protracted conflict.
- **Behind the scenes, a cabal of wealthy individuals** and financial interests are pulling strings, seeking to gain access to Russia's vast natural resources. Their actions, driven by greed rather than geopolitical strategy, risk plunging the world into chaos.

- **As the world teeters on the brink, it is imperative for cooler heads to prevail.** The time has come for a reassessment of strategies and objectives. The need of the hour is diplomacy, not war; understanding, not aggression. For the sake of humanity, this madness must end.
- **The world is at a tipping point.** The decisions made in the coming days and weeks will shape the course of history. Will we continue down the path of destruction, or will we find a way to pull back from the brink? The choice is ours to make, but time is running out.

M. This is how we see this playing out, We the People on Telegram:

<https://t.me/+VjvMtwv1yddmMzQ8>

- 1-Impeach Biden and his administration on grounds of sedition / treason.
- 2- Vacate the seat
- 3- Nominate and confirm new Speaker. The new Speaker becomes Donald J Trump
- 4 - As the admin has been removed on basis of high crimes and misdemeanors, there is no Pres / Vp. Meaning the Speaker is the next in line.
- 5 - Speaker Trump becomes President Trump, and the 47th president of the US.
- 6 - HR 2435 gets passed, USD becomes pegged to gold again (Just as the BRICS nations are doing)
- 7 - IRS abolished (per Gaetz suggestion)
- 8 - Flat sales tax on new products, fixed percentage, elimination of federal income tax, think pre 1913.

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down

to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
