**One Movement**

**One People**

**One Family**

**One Nation Under God**

*We will liberate America from these villains and tyrants who are looking to destroy our country*

*no matter what they throw at us, no matter what they do to us.*

*We will not bend. We will not break. We will not yield.*

*We will never give in. We will never give up. We will never, ever back down.*

*We will complete the mission.*

*We will cross the finish line.*

*We will demolish tyranny.*

*We will rescue freedom, liberty and justice.*

*And we will restore the American Republic to all of it's greatness and glory.*

*Greater than ever before.*

*My fellow citizens, this incredible journey has only just begun.*

*We are One Movement, One People, One Family and One Nation Under God.*

...President Donald Trump

*It is only wise to have a month's supply of food, water, cash and essential supplies for yourself and to share with others.*

*The more you research, the crazier you sound to ignorant people.*

### **Becoming Better, Wiser, More Compassionate, More Sensitive to Others**

[September 17, 2023 - #4905 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

*We can't improve as a person if we don't acknowledge our mistakes. An apology can be a step to grow as a human being, or, we could say, a human becoming – becoming better, wiser, more compassionate and more sensitive to others.*

**Judy Note:** *My father, Freeman Byington, grew up in near poverty on an Idaho potato farm. As a teen he lost his mother and with an ailing father, worked the farm so his brothers could go on missions for the Church of Jesus Christ of Latter-day Saints – something that he badly wanted to do himself, but because of needs of the family, was never able to accomplish.*

*After earning a Masters Degree during the Depression while married with two daughters who included me, to support, he had to leave a long sought after well paying job after being drafted in the Army to serve his Country in World War II – a mission in the travesties of War so foreign to his gentle, loving lifestyle that it left him a life time of severe what we now know as Post Traumatic Stress Disorder.*

*Those challenges made him a stronger person. As a daughter of a true Patriot, I will never know the many kind deeds he did for others because he never spoke about them. I only learned about a few through those he blessed.*

*Though, I was allowed to witness one of his kindnesses. We had an old trailer in the driveway. One morning a stranger who evidently had spent the night in it, opened the door and fled away. My father chased after him. When he caught up, instead of reporting or chastising the poor man, Dad invited him to dinner and then slipped him some money, plus paid his bus ticket so he could get to his destination many states away.*

*You will never find a kinder or more humble person than Dad – a true example of how challenges make our spirit grow to be better, wiser, more compassionate and sensitive to others.*

They will accept anything - forcible blood or organ donation - "for the greater good." ... “We can genetically modify children and sterilize them – “ for the greater good.” ... “Control sheep minds and you control the herd. Vaccine makers stand to make billions. And many of you in this room are investors. It's a big win-win.”
- **The Global Military Alliance**, Trump and the Q Movement were fighting the Cabal’s international Child Sex Trafficking, Organ and Adrenochrome harvesting Ring that involved millions of innocent children – yet the Mainstream Media refused to cover these stories which were about a well planned Holocaust of The Peoples of the World by the Deep State.

- **Of all the ingredient chemicals that have been demonized over the years, sodium has to be one of the most significant.** It's only when you combine a high-salt diet consisting of tons of junk food, with a sedentary lifestyle and generally poor health choices that you get the harmful effects of sodium. Simply put, salt alone is NOT to blame for conditions such as high blood pressure, at least in the vast majority of people. Despite the FDA's sodium-reduction push, research has proven that not only is sodium not nearly as bad as it's said to be, but you are actually missing out on the vital benefits of it

**O. 5G Towers: These occultic technocrats have found a way to broadcast their black magic via technology.**

- **These 5G Towers are actually Psi-Weapons**, they have nothing to do with high speed internet, they specifically target part of the brain's nervous system that they want in order to make you feel more docile, angry, sad, or anxious, depending on the situation and the outcome which they desire.
- **They have been using these weapons for a very long time**, even prior to WW2, they have been using it to break the spirits of their enemies, where these frequencies can become too much to handle.

- **Combine this with blue beam technology**, and you might start hearing and seeing Jesus Almighty.

#### **P. Israel Develops 'Invincible Spyware'**

- **"The investigation**, which is based on interviews with over 15 sources from Israel's offensive cyber, security systems and defense industries reveals that a small group of elite companies have created technology that use ads for offensive purposes and injecting spyware. As millions of ads compete for the right to penetrate our screens, Israeli firms are clandestinely selling technology that transforms these ads into tools of surveillance – or even into weapons that are capable of penetrating our computers or phones."
- **"One of these companies is Insanet.** Founded by a number of well-known entrepreneurs in the fields of offensive cyber and digital intelligence, the company is owned by former ranking members of the defense establishment, including a past head of the National Security Council, Dani Ardit.
- **"The investigation reveals** that the company has developed technology that exploits ads both for tracking and for infection. It's not by chance that the company has named their product Sherlock."
- **"Another Israeli firm, Rayzone,** has developed a similar product and this year received approval in principle to sell it to its clients in Western countries, though in practice this has not happened yet."

#### **Q. David Wilcock: Paint the Picture**

- **For the past ten years** Military Intelligence has been tracking the Chinese Communist Party (CCP) and their captured operations of the three branches of U.S. government.
- **In the past seven years** the White Hat Military Alliance have set the traps to collapse the CCP operations down inside the United States.
- **The stolen 2020 U.S. Election** was a Military Operation by the White Hats connected to Trump Presidential Executive Orders, Laws of War Protocols and a Devolution Plan that will set U.S. military 11.3 Laws of War military occupation of the United States.
- **In this time of Military and Martial Law**, the Special Forces, commands and protocols enacted by JFK, Regan and Trump administrations and EO's give all military powers to ARREST, CITIZENS, ORGANIZATIONS, Powers and Elites in Government, Politicians and all those who complied with foreign powers (CCP) in a military coup against the United States and it's military.
- **The CIA** with the CCP financial institutions, banks and financiers control Hollywood and their governing bodies.
- **The CCP** also controls large net works of social Media interests through subsidiary banks and investors.

- **Corruption of the CCP** is tied to CIA operations, Wall Street, BLACKROCK and world banks, including espionage through the Biden Crime family, Obama Administration, the Clintons foundation and financial ties.
- **The Deep State** of the Rockefellers, Duponts, Rothschild's, Royal Elites, Bilderberger groups is directly connected to the CCP and Chinese power over EU corporation and world military intelligence information gathering.
- **These are some of the biggest reasons** Hollywood, the CIA and Mainstream Media will not condemn CHINA for the virus or WUHAN.
- **This is why Fauci, Biden and Obama** will not condemn CCP WUHAN because they help create the COVID Virus with the CCP Wuhan and moved the virus from Fort Detrick Chapel Hill to Wuhan China.
- **The U.S. Military White Hat Operations** are in progress and are watching Deep State US military intelligence and Deep State US and CIA work directly with the CCP.

- **In due time all land bought by CCP, Bill Gates, Jeff Bezos and elites** will be returned to U.S. citizens. Executive Orders signed by Trump to seize the assets of all those who conspired in a military coup and corruption connected to foreign occupation, intelligence and interference in U.S. Elections will face prosecution and penalties of all assets seized and could face life in prison and the death penalty.

**R. Sat. 16 Sept. FBI Exposed:** [\(17\) Truth Justice™ on X: "THE FBI EXPOSED: Former Head of the FBI confirms the FBI is infiltrated by the Satanic Illuminati Cult involved in the](#)

- **Former Head of the FBI confirms the FBI is infiltrated by the Satanic Illuminati Cult** involved in the assassination of the Kennedy's, Oklahoma bombing, Waco siege, World Trade Center bombing, 9/11 and the kidnapping of children for sex, sacrifices and body parts.
- **FBI Special Agent Ted Gunderson** goes on to say based on his 28 years of experience and research there is a covert illegal rogue U.S. Government criminal enterprise operating in the United States in several cities.
- **The disaster in Pearl Harbor** could have been avoided, we knew on December 4th and could have pulled the U.S. fleet out before we were attacked.
- **President John F. Kennedy** also known as (Jack) was assassinated by the CIA and the FBI helped carry the assassination out by diverting President Kennedy's car to another route. Lyndon B. Johnson knew President Kennedy was going to be assassinated and wanted him dead.
- **Robert F. Kennedy** (Bobby) was also assassinated by the same illegal rogue infiltrated government.
- **The Oklahoma City bombing** was carried out by the "New World Order Boys" and U.S. Army explosives were used.
- **Timothy McVeigh** was a CIA operative. In the Waco Siege incident he confirms that the four ATF agents were actually assassinated by government snipers. These same ATF agents who were killed were at one time Bill Clinton's bodyguards.
- **The FBI knew in advance about the World Trade Center car bombing** and furnished the ingredients for the bomb that was used to blow up the World Trade Center.
- **As a private investigator** when he retired from the FBI he took on the Jeffrey Robert MacDonald case who was an American medical doctor and United States Army captain who was convicted in August 1979 of murdering his pregnant wife and two daughters in February 1970 while serving as an Army Special Forces physician.
- **During his investigations into the MacDonald case** he received a signed confession from Helena Stoeckley stating that Jeffrey MacDonald did not do it, that it was her Satanic cult group that committed these murders. The courts ignored the confession from her. Helena Stoeckley went on to confess that this was a large scale drug operation that was being covered up. They were flying drugs in plastic bags in the body cavities of the dead GI's coming out of Southeast Asia. There were military Generals involved, other military personnel officers, Police Officers and investigators for the Army.
- **When Ted went public with this information** he received hundreds of calls from victims telling him about the Satanic Cult movement in the United States. These people are victims of a covert illegal rogue U.S. Government criminal Enterprise.

- **Since becoming an FBI Whistleblower** he has been investigated by the FBI with an attempt to indict him, he was put on two separate hit lists in order to assassinate him, he has been poisoned and targeted with disinformation to discredit him for exposing the corruption within the CIA, FBI and Government.
- **He worked the Franklin Coverup Case** involving illegal Government drug operations and Satanic cults. They were taking children out of orphanages and foster homes privately flying them to Washington DC for sex orgies with U.S. Congressmen and Senators. This was filmed and pictures were taken for blackmail control.
- **Through his investigation of the Franklin case it led him to a Washington DC organization called "The Finders"** which is a CIA covert operation for trafficking children. Thousands of children are being abducted and kidnapped every year during the Satanic holidays of June 21, October 31 and December for ritual sacrifice. World leaders are involved in this Satanic Cult.
- **He says this country, America, is being ruled by Satanists.**
- **He warns of election fraud** happening through electronic voting systems. This is what happened in the 2020 U.S. Presidential Election and will happen again unless we stop the Committee of 300.
- **The Satanic Illuminati Cult** he is referring to are members of the Committee of 300 who were also exposed by a 45 year MI6 Intelligence Officer. Brave men and women have been warning us for years about the Committee of 300 and we have done nothing to stop them.
- **In previous posts I have listed all their names.** They must be stopped. If we don't stop them now, they will accomplish their goals of depopulation and total world control over humanity. They will destroy America completely. We cannot be afraid, fear is their biggest tool against us. We must act now and stand tall to defend life, freedom, liberty and our innocent children.

**S. NASA Exposed:** NASA's lost technology would make you think we never went to the Moon.

- **As a result of numerous requests from the public for the "original records of the moon landing," NASA has announced that the records have been lost.** According to their claim, all 700 boxes have been lost.
- **In addition, Americans have still not been able to return to the moon** due to the loss of spacesuit technology that provided unique radiation protection and temperature control. Also lost were the super-heavy launch vehicles that are needed to accomplish the moon landing. In addition, all the collected lunar soil, weighing almost 300 kilograms, was lost, and now NASA is trying to obtain small samples of soil from other countries.
- **One cannot but agree** that in the era of modern technology, all this sounds rather absurd.

**T. Sat. 16 Sept. Global Financial Collapse, Rubix Q:**

- **Zambia, China to de-dollarize trade:** Zambia and China have agreed to encourage wider use of their own currencies in trade and investment following a meeting in Beijing between Presidents Xi Jinping and Hakainde Hichilema. The measure would reduce foreign exchange costs and exchange rate risks, according to a joint statement made by the two leaders on Friday. Additionally, this move could reduce dependence on the US dollar, which is currently used to calculate the price of copper. Copper constitutes roughly 70% of Zambia's export earnings, while China represents approximately half of global demand.

His government will consist of the Council on Foreign Relations, which is comprised of the Trilateral Commission (Japan) & the Bilderberg group (Europe), which are all financed by the Rothschilds Central Banking system to fulfill the prophecy of a Jewish master race, while the rest of the world becomes a "mongrelised" genetically retarded species through genetically modified DNA & degenerative moral standards

**V. The Khazarian Conspiracy:** The Synagogue of Satan Protocols of Elders of Zion Meetings

- **The Khazar Kingdom** was land-locked between the Black Sea and the Caspian Sea, which is now predominantly occupied by Georgia, but also reaches into Russia, Poland, Lithuania, Hungary, and Romania.

- **The Khazars were a semi-nomadic Asiatic-Turkic mongrel** people with a confederation of Turkic-speaking tribes, that in the late 7th century, established a major commercial empire covering the southeastern section of modern European-Russia. Their Kingdom lasted from approximately 650 - 850 A.D.
- **One of the major reasons the Khazarian Kingdom** fell apart (though it did not end, as they just went underground and spread through Europe and Asia, interbreeding and pillaging along the way) was because the Kingdom and its monarch, who developed a reputation of barbarism, were forced by Russia and neighboring states to make a religious decision or face certain death.
- **The Khazarian Mafia's evil plan** is to infiltrate, tyrannize, and eradicate all Abrahamic Religions from the world, and to allow only their religion of Babylonian-Talmudism, also known as Luciferianism/Satanism/ancient Baal worship.
- **The history of the [Zionist] Khazars**, specifically the Khazarian Mafia (the World's largest International Organized Crime Syndicate, which the Khazar oligarchy morphed into by their deployment of Babylonian Money-Magick) has been nearly completely erased from the history books.
- **The modern-day Khazarian Mafia** know that they cannot operate or exist without abject secrecy, and therefore have spent numerous sums of money having its history removed from our historical books, in order to prevent citizens of the World from learning about its "Evil beyond imagination", and that which empowers this international mafia.
- **World Terrorism** is actually due to this large International Organized Crime Syndicate, which is closely associated with the Zionist fiefdom known as Israel.
- **The Khazarian Mafia today** is waging a secret war against America and Americans by the use of false-flag terrorism, and via the illegal and unconstitutional Federal Reserve System, the IRS, the FBI, FEMA, Homeland Security and the TSA.
- **The Khazarian Mafia** was also responsible for deploying an inside-job, false-flag attack on America on 9-11-01.
- **Zionism is a political movement** sponsored by the Rothschild family and was founded by Theodor Herzl in 1896, whose goal is the return of Jews to Eretz Yisrael, or Zion, the Jewish synonym for Jerusalem and the Land of Israel. The name of "Zionism" comes from the hill Zion, the hill on which the Temple of Jerusalem was situated. Supporters of this movement are called "Zionists".
- **Today, there is much confusion among Jews** (as well as others) over the meaning of the term Zionism. It means different things to different people. The reason for this is that historically, Zionism has been a movement dominated by secularist Jews. Herzl and most of his colleagues were assimilated "Krypto-Jews", who did not believe in or practice the Torah.
- **Some Zionists were vehemently anti-religious**, and saw the Torah as outdated rituals with no place in their modern state. Yet the essence of the Zionist idea - that Jews should

return to the Holy Land and establish a government - is not inherently secular, and in fact the Zionist movement had some, though in the minority, religious members from the very beginning.

- **Some Jews today use Zionism as a synonym for Israeli secularism;** however, this is not the genuine meaning of the term 'Zionism', which is the concept that Jews should rise up, emancipate themselves from exile without waiting for the messiah, and establish a Jewish government in the Holy Land.
- **Using Jewish texts, scholars have demonstrated** that this concept is against the Torah and has been opposed by rabbis in all generations.

## **Z. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

*Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

*There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.*

*To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.*

**ZZ.** “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. **RAW:** [Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**ZZZ. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**ZZZZ. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working*

*with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
