**The Aug. 8 Energy Weapon Attacks on Maui were believed done by the Cabal's US Inc. in order to kidnap over 2,000 children & destroy Native Hawaiian Property in a land grab. So far the Marines have reported rescuing only 15 of those children, though there were some indications from higher ups that most of the children were safe.**

*Just as a plant needs water and sunlight, our souls need friendship. We need to care about people and we need to know they care about us. We need a welcoming community where we draw others in rather than shutting them out; where people and relationships matter; where “mi casa,” as humble as it may be, is always “tu casa.”*

*We can't let love and friendship go out of style because we face challenges – global and personal – that we can overcome only as we work together. This is why we always leave the door open to new friendships.*

**C. Thurs. 14 Sept. 2023 Banking Bombshell! The Real Reason Behind Those Wells Fargo Emails! Inside the Exclusive World of Redemption Centers!, Ben Fulford**

- **Step into the hushed corridors of financial power,** and let me shed light on the shadowy intricacies of banking exchanges, practices that are changing the way we

understand our money and its worth. Hold on to your seats, because the rabbit hole goes deep.

- **Consider this:** Have you, or anyone you know, purchased currency from any authorized dealer in the US? If so, then brace yourself. An email from powerhouses like Wells Fargo Bank or even Chase – both top tier 1 banks for Exchange + Redemption Centers – is on its way to your inbox.
- **These digital missives don't originate from the banks alone.** No, the US Treasury, with its overarching influence, provides these email lists. The puzzle piece? No one can truly verify if they're on this exclusive list. And thus, to ensure maximum reach, the Safelink website, the ultimate tool for exchange, will be spread like wildfire across major online platforms and chat forums. Subtle, isn't it?
- **Delving deeper into the numbers,** the vast chasm becomes evident. While estimates suggest there are 10 to 12 million individuals in the US holding foreign currency or securities, only a measly 3 to 4 million find their way to the Wells Fargo email list. The reason? Scores of people innocently bringing currencies home after vacations, dutiful military personnel from places like Iraq, charter flights operations, and many more reasons you wouldn't suspect.
- **Anyone longing for higher exchange rates via the Exchange or Redemption Center will be granted a unique personalized 800 number** (not to be confused with the pedestrian '1800' numbers). This number, mind you, is one-time-use only. Now, if anyone chooses to walk into a bank directly without this unique digital access, they're effectively shooting themselves in the foot. The reason? Banks can only offer what's known as the screen rate or the Forex rate, a measly sum compared to what one could obtain.
- **Interestingly, for most, exchange rates in the US stand as fixed,** unyielding monoliths – unless, of course, one possesses a particularly hefty amount. (Zim) Bonds? Now, they're a different ballgame. The rates of exchange, the interest, the fees after working with banks – it's all up for negotiation, pulling the strings behind closed doors.
- **Your unique rendezvous at the Redemption or Exchange Center,** however, comes with strings attached. No second helpings allowed! If you think you can dance twice at the same ball, think again. Should anyone attempt a sly double-dip, the repercussions will be swift and severe. A second appointment? Reserved for a different basket of currencies scheduled half a year later. And the Redemption and Exchange Centers? Open for a brief window of 4 to 6 weeks.
- **And while most would expect the end of this monetary ballet post the initial consultation, the climax is yet to come.** Private Bank teams, with their vast networks, swoop in, ensuring anyone with redemptions over \$1 million is shepherded into trust setups, private banks, and an exclusive world of perks not available to the average Joe.
- **What's more?** There exist Redemption Centers with the sole purpose of redeeming bonds, and Exchange Centers designed for currency-only aficionados. The safety at these

centers? Top-notch. I have a hunch the military might be lurking in the shadows, ensuring iron-clad security.

#### **E. Maui Massacre Update:**

**Evidence has recently surfaced showing that the Aug. 8 Maui Hawaii Massacre** resulted from US Inc. government's Direct Energy Weapon Attacks. The Holocaust left hundreds of men, women and children burned alive trying to get past police road blocks (although some victims were found shot in the back), over two thousand children went missing and at least 4,500 Native Hawaiians were displaced.

The US government massacre apparently had the support of the Democrat Hawaiian governor, Democrat Lahaina mayor, Maui police, the Red Cross and US FEMA employees,

**Over two thousand FEMA employees** had arrived in Maui two days prior to the so-called "wild fires," checked themselves into thousand-dollar-a-day hotels and began setting up road blocks around the traditional Native Hawaiian capitol of Lahaina.

**Just hours prior to start of the "wild fires,"** government employees were ordered to cut off electricity and water, plus emergency personnel were sent 100 miles away to a conference in Honolulu.

**Two days after the arrival of FEMA this desecration of Lahaina** was apparently done for the purpose of kidnapping over 2,000 children and destroying their native Hawaiian parent's properties in a land grab.

- **Hold onto your seats, folks,** because the world is on the brink of a transformation so profound, it's bound to leave you questioning everything you thought you knew. The Bay of Pigs, an event that once held historical significance, is about to be overshadowed by an event that will last approximately three days and will change the course of history.
- **Imagine a world where Earth goes silent for 10 days. No internet, no TV, no radio. Just an eerie calm.** But this isn't a scene from a post-apocalyptic movie. This is the reality we're about to face. The military's Emergency Broadcast System (EBS) will take over worldwide broadcasts, and for what? To announce the most significant shift in global governance and technology the world has ever seen.
- **Governments across the globe** won't just be facing scrutiny; they'll be stepping down. Yes, you read that right. Leaders, officials, the very pillars of our political systems, will not only be arrested but will willingly step down. And in their place? A new order.

GESARA blockchain elections will pave the way for a leaner, more efficient system. We're talking about a government that's a mere 10% of what we're accustomed to, filled with fresh faces and revolutionary ideas.

- **Enter QUANTUM GESARA**, or as some insiders call it, TRUMPSARA. This isn't just a new financial or political system. It's a quantum leap in every sense of the word. Quantum financial systems, quantum voting, quantum healing, and even quantum physics will become the norm. The very fabric of our internet is about to undergo a quantum transformation. Say goodbye to the old ways and hello to the Quantum Internet.
- **But what does this mean for our assets?** The term 'Nesara' might ring a bell. It refers to the Rainbow "Treasury" notes, which are backed by precious metals. Add to that the Quantum Starlink & ISO20022 internationally regulated US coins, which, you guessed it, are also metal-backed. The financial security and stability this promises are unparalleled.
- **The Internet as we know it is about to be rebooted.** Companies that once seemed invincible, like Microsoft? Gone. Erased. The digital realm is currently under Operation Mockingbird's influence.
- **Almost all media outlets**, including that one news channel you trust, are owned by Mossad were on the brink of being wiped out.
- **And the British Royal Family?** All the personal information they held? Soon, it'll be as if it never existed.
- The Mossad, Five Eyes, CIA, and other agencies that once held power? They're about to be relics of the past. The only information that will remain will be military information.
- **We're on the cusp of the MOAB – a Global Currency Reset** that dates back to 1955. Add to that the Precious Metals Standard, Quantum Gesara, and the DECLAS of everything on Earth. The world is about to undergo a metamorphosis, and it's one you'd best be prepared for. The future is quantum, and it's coming faster than you think.

## R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

*Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

*There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.*

*To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.*

**S. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube** <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**U. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
