Daily Care and Keeping

<https://www.thetabernaclechoir.org/videos/september-24-2023-4906-music-and-the-spoken-word.html>

Our souls need nourishing day by day. Small amounts of pondering, praying, reading scripture and showing love helps our souls to blossom and continuously grow. Our daily habits and routines make all the difference in harvesting the kind of life we really want to live.

Judy Note: Everyone’s tired of the New World Order Agenda. We all have been caught up in the Hope-ium of The Plan, yet were not in control of World Events. It’s our expectations that keep us on the edge. As Dr. Jan Halper said, “It’s mind sucking. Watch for the signs. Connect the dots, but don’t make conclusions because we don’t have all of the information yet.”

Thurs. 21 Sept. <https://beforeitsnews.com/alternative/2023/09/dr-jan-halper-hayes-explosive-intel-are-the-american-people-ready-for-whats-about-to-happen-video-3799415.html>

With that said, this next week was expected to be very dramatic. It appeared that Treasonous Biden (whatever actor he was) would be arrested, plus considering the many recent earthquakes around the Three Gorges Dam (said to be caused by the White Hats destroying underground tunnels), the CCP’s Bitcoin Headquarters was on line to be destroyed. Combine that with the bankruptcy of the world’s largest real estate company, China’s Evergrande, plus expected **Oct. 1** shutdown of the US Government due to bankruptcy of US Inc, and with an ever-growing demise of the fiat US Dollar, a Global Financial Crisis was on the horizon – that appeared bound to instigate a Global Currency Reset very, very soon.

In 1582 ten days went dark on the same day as the EAS test was scheduled for next **Wed. 4 Oct.** On that **Wed. 4 Oct. at 1pm EST**, it was expected that a transition would be made from our cell phone, internet and satellite TV service to the Starlink Satellite System. Expect 1 hr and 10 mins of no service. When it comes back on we will be in 10g. All cell towers have boxes to radiate a healthy frequency 432, 528, as opposed to the 5g that no longer existed.

- **Black Swan Event #1 Biden Impeachment: There was excessive activity around Washington DC on Fri. 22 Sept. and Sat. 23 Sept.** that included Military, police, motorcades and Blackhawks landing on the White House front lawn. It appeared that Article 2, Section 4 has been enacted: “The President, Vice President and all civil Officers of the United States, shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or other high Crimes and Misdemeanors.”
<https://constitution.congress.gov/browse/article-2/section-4/>
- **Black Swan Event #2 Direct Energy Weapon Attacks (DEW):** Argentina was now under DEW attack, with the same M.O. as California and Oregon fires last and this year and Maui Hawaii on **Aug. 8.**
- **Black Swan Event #3 Takedown of World’s Electrical Grid:** The World Economic Forum has plans to switch off the Digital Electric Energy Grid to facilitate a Terror Attack.
- **Black Swan Event #4 Global Financial Crash:** Recent Earthquakes along the Yangzi River were the result of White Hats destroying CIA, CCP Bio-weapon labs in Underground Tunnels beneath the Three Gorges Dam. The destruction of the Three Gorges Dam, along with Bitcoin Servers in the Underground Tunnels along with the US Inc. bankruptcy and accompanying fiat US Dollar, would kick off the Black Swan Financial Event (crash), which then could trigger the RV.
- **Black Swan Event #5 US Government Shutdown:** US Inc. is bankrupt. BRICS countries were no longer internationally trading with the fiat US Dollar. If the bankrupt Congress failed to provide funding for the fiscal year beginning **October 1**, US government services would be disrupted and hundreds of thousands of federal employees would be furloughed without pay. <https://amg-news.com/this-is-huge-usa-inc-bankruptcy-usa-inc-bankruptcy-sparks-global-upheaval-worldwide-avalanche/>
- **Black Swan Event #6 Border Crisis:** This isn’t a border crisis, it’s a plot. This isn’t immigration, it’s an invasion. This isn’t spontaneous, it’s coordinated. Illegal aliens let into the country under the Biden Administration now outnumber the population of 15 different states.
- **Black Swan Event #7 Fake Virus and Killer Vaccines That Implant Nano Particles To Control You:** They are developing more “Viruses” and lethal plant based Vaccines that were already being integrated into the food supply.
- **Black Swan Event #8 Cyber Attacks:** <https://www.dailymail.co.uk/news/article-12553379/Donors-targeted-cyber-attack-charities-RSPCA-Battersea-Dogs-Cats.html>

A. Global Currency Reset:

- **Sun. 24 Sept. Wolverine: The funds have been released and have been placed on the Quantum Financial System.** Redemption Centers have announced the official date: The US will start on **Monday 25 September 2023**, while Asia and Europe will start **Tuesday 26 September 2023**.

Iraq presented their Dinar RV and Sovereignty to the UN.** **On Wed. 20 Sept.** the new Dinar Rate was published in the Iraqi Gazette and on **Fri. 22 Sept.** Iraq announced the new Iraqi Dinar International Rate as \$11.90. **On that same Fri. 22 Sept.** the Quantum Financial System took over the Global Financial System, while Exchange Centers staff were placed on High Alert.
- **By Sun. 1 Oct.** all banks were required to be on the gold/asset-backed Quantum Financial System rather than the old SWIFT System that was based on the fiat US Dollar.
- **By Tues. 10 Oct.** the bulk of redemption appointments and exchanges were expected to be done.
- **It was the goal** to have Currency Exchanges and Zim Bond Redemptions completed by **Wed. 1 Nov**, at which time the US Federal Dollar would be considered worthless.

B. Quantum Financial System:

- **First and foremost, the age-old question:** Will our beloved VISA or Mastercard still be relevant? The Alliance, that shadowy group of power players, is hard at work. They're not just sitting around; they're restructuring the entire VISA or Mastercard framework to align with the QFS debit card. And guess what? They will succeed. Why? Because the merchant fees associated with VISA, Mastercard, and other cards will soon be a thing of the past. That's right, no more exorbitant fees! <https://gazetteller.com/update-the-qfs-debit-card-revolution-is-here-how-gesaras-latest-update-could-completely-overhaul-the-future-of-visa-and-mastercard/>

D. Government Shutdown:

- **The US government** has begun to gradually prepare for a possible shutdown of the federal government, which could occur if lawmakers fail to agree on an extension of its funding by the end of September. The Washington Post reported this on September 21, citing its sources via RIA-Novosti.
- **New York (CNN Business) America's business leaders** are mentally preparing for a particularly long and chaotic government shutdown. Executives worry that a prolonged government shutdown will only make an already confusing business environment more uncertain. They argue that at a time of persistent inflation, labor strikes and rising borrowing costs, this would pose another problem - and a self-inflicted one at that. “We are deeply concerned,” Neil Bradley, chief policy officer at the U.S. Chamber of Commerce, told CNN in a telephone interview. “The concern is growing – almost day by day – because once we are in a shutdown, there seems to be no clear way out.” <https://edition.cnn.com/2023/09/22/business/corporations-federal-Government-shutdown/index.html>

- **Possible US government shutdown: what's all the fuss about?** There have been 14 shutdowns since 1981, ranging in duration from a single day to the 35-day shutdown in 2018-2019. If Congress fails to provide funding for the fiscal year beginning **October 1:**

US government services will be disrupted and hundreds of thousands of federal employees will be furloughed without pay. Employees deemed "essential" would remain on the job, but without their pay.

White House: During the 2018-2019 shutdown, the White House furloughed 1,100 of the 1,800 employees in the Executive Office of the President.

The reduction in White House staff could make it more difficult for Republicans in the House of Representatives to conduct an impeachment investigation of President Joe Biden, a Democrat.

Military: 2 million US military personnel will remain in place, but about half of the Pentagon's 800,000 civilian employees will be furloughed.

Finance regulation: The Securities and Exchange Commission (SEC) would furlough roughly 90% of its 4,600 employees and suspend most activities, leaving only a skeleton staff to respond to emergencies.

Disaster response: The Federal Emergency Management Agency (FEMA) would risk running out of funds for disaster relief and long-term recovery projects.

Education: Most of the Education Department employees would be furloughed, according to the agency's 2021 plan.

Child care: According to the White House, 10,000 children from low-income families would lose access to the Head Start preschool program.

Tann used the unlicensed home as a front for her black market baby adoption scheme starting around the 1920s. Tann died of cancer before the investigation made its findings public. Tann's custom of placing children with influential members of society normalized adoption in the U.S., and many of her adoption policies (often designed to obfuscate the origin of her adoptees) have become standard

practice. This is still going on today with the help of corrupt judges, police, lawyers, politicians, doctors, nurses, and CPS (Child Protective Services) of course.

- **STATS:** Every year, approximately eight million children are reported missing worldwide. In the United States, 2300 children are reported missing per day (Nearly 400,000 young ones were abducted in 2020 alone). Every two minutes, a child is reported missing in Europe

N. Sun. 23 Sept. White Hat Intel:

- **There was panic** inside the NATO Group: DAVOS, CIA, M16, Rockefellers, Rothschilds, Vatican, 33rd Degree Masons, as support for the Ukraine War was fading.
- **The Poland Military** was deeply divided and the White Hats Military Alliance inside Poland and Lithuania would use the Ukraine War to start an inside operation to EXPOSE their own Deep State Operations connected to the CIA, NATO, M16, UN, Deep State controlling their countries, Elites, governments and military.
- **These operations** would lead to a planned revolt by the people. They would in turn, turn on Ukraine war support. That would lead to their own internal civil unrest and uncovering massive corruption in their government, military and corporations.
- **Everyone** was turning on the Ukraine War including Deep State operatives.
- **Ukraine** has been losing the war since the beginning. The latest offense was a slaughter with over 70,000 Ukraines lost in a few weeks.
- **Now even Trump** was confirming that the Ukraine war was lost.

- **Now even NATO ally Poland**, the number one supporter of the Ukraine War and their promise to help the Ukraine War end, have all of sudden changed their minds. Poland has stopped supporting Ukraine and will no longer send any weapons to Ukraine.
- **At the same time** Trump's US Congress has given clear warning to Biden and his Military Industrial Complex that they will no longer allow sending billions to Ukraine War funding.
- **Zelensky** just gave a speech before the UN where more than half of the building was empty. Old videos had to be reused to give the false impression of a full house. In the video Zelensky was seated among the audience (he was also on stage at the same time?). This edited video of the U.N. speech was played in China, India and other nations.
- **There was panic** as Rupert Murdoch was forcibly removed from CNN and TRUMP's friend and Ally John Malone who acquired CNN, was now getting ready to shake up CNN even more.
- **At the same time** the Pentagon mouthpiece, the New York Times, turned on Ukraine and gave complete details that Ukraine bombed their own people while blaming Russia.
- **The Poland Military Alliance** was getting ready to expose the Deep State government, military and NATO (CIA) operations in their countries.
- **Lithuania** will be next to move in early 2024.
- **The Military Alliance in Poland** has been waiting to install a NEW government regimen in Poland. A huge shake up WILL HAPPEN as the 2023 elections take place in few weeks.
- **There is major panic inside the Deep State Polish Government and Military.** They know that The Storm is coming to expose their operations connected to Ukraine/ NATO/ UN./ money laundering system and corruption at the highest levels.
- **The Polish Deep State Military and CIA** are planning terrorist attacks to blame Russia or Ukraine immigrants and try to sway the coming elections that will be heated in debate.
- **In the end the Polish people WILL fight** for their country and WILL be guided by White Hats Military covert military ops.
- **Much is happening** in the next months, especially in U.S. and EU/Australia/Canada/UK that is connected to MASSIVE corruption scandals, EXPOSURE of PLANDEMIC/ Military corruption.
- **Russia is preparing for the Event of the Century – Scare Event 2024** and was building a gigantic Military Offensive.
- **There was panic in the CIA, NATO, DAVOS Groups** as world money laundering system in EU/UKRAINE falls apart and EXPOSURE COMES CLOSER.

R. Ukraine: Robert Kennedy Junior says that the powers that be are jangling the keys of division to distract the American people from the fact that they are buying up Ukraine's farmland and that when he gets into office the payday for BlackRock and Vanguard will be over. When we give the money to Ukraine we call it a loan. Nobody is going to pay that back. What it does it allows us to put the screws on Ukraine. We sign a contract with them that compels Ukraine to do certain things and one of things is to sell most of its assets for cash, including its farmland. Who do you think the biggest buyer is of that land? Why are we in this war? We know who is making the money from this war. They are doing it right in front of us. The strategy that allows them to get away with it is they keep us all at each others throats. Blacks against whites, Republicans against Democrats, Rural people against urban people.

S. Bohemian Club

- **The Bohemian Club**, an elite invitation-only social club founded in San Francisco in 1872 by a group of male artists, writers, actors, lawyers, and journalists, all of means and interested in arts and culture. Since its founding, the club has expanded to include politicians and affluent businessmen.
- **The club** is known especially for its annual summer retreat at what is known as Bohemian Grove in the redwood forest of California's Sonoma county, an event that continued into the 21st century.
- **Notable members** over the years have included Clint Eastwood, Henry Kissinger, Walter Cronkite, Richard Nixon, Ronald Reagan, Charles Schwab, Ambrose Bierce, Bret Harte, Mark Twain, and Jack London.
- **Judy Note: Several Satanic Ritual Abuse Survivors** have claimed that as children, they were part of pedophile events including Human Hunting Parties and child sacrifices, held during the Bohemian Grove Summer Retreat.

U. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

V. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

W. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

X. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady

who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
