Maui Massacre

An Urgent Plea For Help

The capitol of the Sovereign Nation of Hawaii in Lahaina Maui has been destroyed. Hundreds of men, women and children were presumed dead. Over two thousand children were still missing.

At least 4,500 displaced. Any aid you could give to help those suffering tremendous losses would be greatly appreciated.

Be Careful Where You Donate

The Kingdom of Akua Foundation's Malama Lahaina Website was the only official and authorized site solely dedicated to and run by the Hawaiian Native Peoples

“If you want happiness for an hour, take a nap. If you want happiness for a day, go fishing. If you want happiness for a year, inherit a fortune. If you want happiness for a lifetime, help somebody.” ...Old Chinese Proverb

Judy Note: On Aug. 8 FEMA came into the dark Cabal spotlight, again (having become famous for kidnapping children during Hurricane Katrina), when prior to the Maui Hawaii Massacre fire, FEMA employees began creating road barricades to the only exits out of Lahiana.

Two days later cops were manning those barricades, resulting in a road jam that purposefully imprisoned residents trying to escape the fires. Close to a hundred died in their cars as fire so hot it melted tires, raged around them.

FEMA’s carnage didn’t end there. They blocked incoming food supplies, plus refused to hand out food, water and essential items to the traumatized victims – until the White Hat Marines stepped in.

In those DEW Attacks on Maui hundreds of men, women and children were burned alive or killed, over 4,000 displaced and now almost a month later, over 2,400 children remain missing. The Native Hawaiians had refused to sell this land of their heritage so it could be transformed into a Smart City – where the Cabal would rule their lives.

Now we find that FEMA has built Concentration Camps in a matrix of underground tunnels beneath Walgreens nationwide for the purpose of incarcerating and evidently, executing whomever the Deep State wished when Martial Law was imposed. A nationwide test of the Emergency Broadcast System connected to that Martial Law was set for **Wed. 4 Oct. 2023:** <https://realrawnews.com/2023/09/white-hats-to-disable-phones-mobile-devices-during-fema-eas-test-on-october-4/>

A. Global Currency Reset:

- **Sun. 3 Sept. Wolverine:** "Some Bond Holders report they have been notified to set their appointments. I just received confirmation that the Green Light comes from Iraq. When the rates go international it's GO TIME BABY."
- **Judy Note:** We have been told in the past that Tier4b (us, the Internet Group) would be notified to set our exchange/redemption appointments within 72 hours of Bond Holder notification.
- **Sun. 3 Sept. Texas Snake:** The reports remain very positive, but the release still appears to be with Iraq and release of value in their budget, which is anticipated to be **this week**.
- **Fri. 1 Sept. MarkZ:** I have some group leaders telling me that they know the exact timing, they are not telling me the date, but they seem as content as the Cheshire cat! Bond people were still expecting contracts at any time. **On Fri. night 25 Aug.** a couple of humanitarian projects received full funding. Banks were saying there would be a free flow of money after the Labor Day banking holiday on **Tues. 5 Sept.** Redemption Center folk were told not to take a Labor Day vacation and to be available on **Sun. 3 Sept.**
- **Fri. 1 Sept. TNT:** Iraq announced a rate change to 1000. Sometime over the weekend we'll have an RV.
- **Amiel Alston Sharing from a friend:** Saw this today, very exciting. Stacy G shares her recent conversation with a Wealth Management firm. Very encouraging news: "Today I'm getting my brakes done and noticed a Wells Fargo Financial Advisor building across the street. So, yup I went over there. I asked about their services and a wealth manager took me into a booth as the other rooms and offices were full. I explained I have foreign currencies and which kind. I asked what they provide. I was given a quick dissertation and told to make an appt as soon as I have the money. He knew about the coming currency revaluation. He said it is imminent and recommended I set up a team of their provisional wealth managers. Lol. He said the Zim bonds are considered fractional currency due to the high amount and will pay out in the billions. His words. We shall see. The Dong, Dinar, Bolivars and Zim agro cheques will all be worth larger values than

people understand. I am definitely glad I went in. They know. They know we know. They are ready.”

- **On Fri. 1 Sept.** the Quantum Financial System was fully integrated.
- **BRICS-Pay** has just been announced for merchants and end customers worldwide! So far, it still looks like a normal payment service provider. It only gets interesting when your own new gold-backed currency is added
- **Wolverine claimed that on Fri. 18 Aug.** Wells Fargo Bank received the cash release codes and the global launch of the funds took place across the Planet, marking the beginning of the registered global asset redemption program.
- **The Global Currency Reset appeared to be announced on Tues. 22 Aug. 2023** when the BRICS Summit launched BRICS Pay, a decentralized multicurrency digital international payments system. <https://www.brics-pay.com/>.
- **Charlie Ward:** “Months ago everything was completed for the Global Currency Reset, it just hasn’t been announced. The BRICS nations, BRICS bank and QFS have been fully trading in gold-backed digital currency for 8-9 months.”

B. RV Highlights on Telegram Sat. 2 Sept: very important Redemption instructions:

Step 1 – We must wait for the SafeLink website. This website can be passed along to anyone. There is no harm, there is no fault if it is shared and seen by those who are not invested in global currencies.

Step 2 – When you receive that notification, you will go to the SafeLink website. It will ask you a series of questions based on public knowledge/information in the public domain about you, where it will confirm your identity. It may ask you for an address that you have been associated in the past... or certain people who are part of your family, area code, zip code, or the vehicle you drove, etc. with general multiple choice answers.

Step 3: You'll be given an 800 number to a call center that works for the US Treasury. You'll call this & provide the zip code of wherever you want to go to your appointment. Many of the redemption centers are in the US predominantly. On the call, you will be asked what currency/bonds you have and you will only tell them the names of the currency/ bonds you are holding. *They won't ask how much*. Don't reveal how much either. If you have Zim bonds / notes, you will need to go to redemption center. If you have any of the other currencies you can be helped at any top tier bank. Once you give them your information, they will give you a number to make your appointment at a facility. and as I understand that, that number is only for you. And you may have to sign a draft NDA, just so you don't tell other people about it.

C. Biometrics authentication and identification:

- **THIS is the BIG reason** you must visit the Redemption Center. 30% (or more) of the people you see are not who they say they are.
- **Biometrics allows a person to be identified** and authenticated based on recognizable, verifiable, unique, and specific data.
- **Biometric authentication compares data** for the person's characteristics to that person's biometric "template" to determine resemblance.
- **The reference model is first stored.** The data stored is then compared to the person's biometric data to be authenticated. In this mode, the question is: "Are you, indeed, Mr or Mrs X?"
- **Biometric identification** consists of determining the identity of a person. The aim is to capture an item of biometric data from this person. It can be a photo of their face, a record of their voice, or an image of their fingerprint.
- **This data is then compared to the biometric data of several other persons** kept in a database. In this mode, the question is simple: "Who are you?"

- **David Wilcock:** How OPERATION SCARIANT 2023 is being used to launch Plandemic 2.0

Plandemic 2.0 is an integral piece of the Great Reset implementation plan and New World Order agenda to be executed in earnest this Fall of 2023.

OPERATION SCARIANT, which features the extremely ‘scary’ Omicron subvariant known as Eris, is the main show for folks who are still captivated by this ridiculous government-sponsored but extremely serious genocidal enterprise.

Nevertheless, there are numerous reasons why the Khazarian genocidal bioterrorists are hell bent on rolling out Plandemic 2.0 this Fall. The following list

presents only some of the most significant NWO goals, WEF objectives and WHO targets.

(1) To cover up the massive excess death numbers directly resulting from the ongoing Covid vaccine genocide across America (and global depopulation scheme)

(2) **To stealthily kill vaccinated children** who are now much more vulnerable to the bacterial infections associated with Eris (aka Omicron [B.1.1.529] a subvariant of SARS-CoV-2

(3) **To intensify the slow-motion slaughter of vaccinated 20 to 45 year-olds** who are now much more susceptible to myocarditis, pericarditis, blood clots and other fatal heart ailments

(4) **To further turbo-charge the numerous medical ailments** and health conditions, chronic diseases and autoimmune syndromes, psychological disorders and psychiatric illnesses across the entire population, all of which have seen HUGE upticks post-Covid vaccination

(5) **To murder as many retirees as possible** in order to reduce the Social Security & Disability, Medicare and Medicaid rolls

(6) **To massacre as many individuals, who suffer from multiple comorbidities** and/or terminal diseases, who are still living after Plandemic 1.0

(7) **To eliminate as many Baby Boomers** as possible as well as the Beat Generation elderly, especially the anti-establishment types

(8) **To provide maximum distraction** from the many Democrat crime sprees being investigated by the House

(9) **To divert the attention** of the electorate from the multiple crime waves perpetrated by the Biden Crime Family and especially by the POTUS Imposter and Criminal-in-Chief

(10) **To create maximum chaos**, confusion and conflict throughout the last year of the 2024 election cycle so that the Democrats can steal yet another POTUS election, as well as to set the stage for a long-planned American Bolshevik revolution

(11) **To provide a pretext to deploy yet another highly weaponized and lethal Covid ‘vaccine’** by which to rapidly intensify Plandemic 2.0.

(12) **To significantly supercharge** the previously administered kill-shots, clot-shots and cancer-shots thereby increasing SADS and SIDS as well as excess deaths across the board

(13) **To sufficiently scare the American people** back into the same space of extreme fear and anxiety about the COVID-19 contagion so they will fully submit to the Covid Super Vaccination Agenda (and demand that everyone they know get vaxxed to the max)

O. Martial Law: [Martial Law is Coming, Civil War is Coming to America Just Like the Days of Hitler – The Warning Signs of Civil War & Martial Law - American Media Group \(amg-news.com\)](#) **Judy Note:** This Martial Law as planned by the Cabal (**with a Wed. 4 Oct. start date**), is different from the Continuity of Government Martial Law presently in place and soon to be announced by the White Hats.

The Warning Signs of Civil War & Martial Law

1. Arms buildup within the government. The DHS has purchased **2.2 billion rounds of ammo**, acquired 2700 armored personnel carriers, has 100,000+ armed enforcement agents and has acquired thousands of military vehicles. Almost every department of the government from the US Postal Service to the Social Security Admin to the national weather service, all have purchased weapons, immense amounts of ammo and they all have their own swat teams. Why do they need this unless they expect to have a war on their hands?

2. Indefinite detention is now legal. The National Defense Authorization Act was passed by Congress allowing the arrest and imprisonment of an American citizen on US soil without habeas corpus. And we can now be held indefinitely without due process. This one act is usually the first thing that's taken away with martial law—and it's already gone.

3. Americans can now be murdered “legally” by this President. Drones have been used on the President's approval to kill Americans that were not convicted of a crime or act of terrorism, and who were not even involved in such an act. These killings include a 14-year-old American youth who was merely riding in a car. The memo that was used to justify these murders overseas has come out and it is blatantly unconstitutional.

4. The DHS mission has now changed to one of domestic terrorism. The Department of Homeland Security recently sponsored a study which proclaims their mission is no longer foreign inspired terrorism. They're now focusing on domestic terrorism by Americans against the US. In other words, they are now targeting law abiding Americans who are worried about their own government. The government views those of us who feel this way as the “new terrorists” to be dealt with.

The government also sees armed forces veterans as potential resisters as 90 percent of the armed services are not in alignment with the agenda of our socialized government. So the armed forces and the vets must be neutralized.

5. Local police forces are being federalized (in violation of the 10th Amendment). All sorts of used military equipment is now being transferred to these city departments. Through this process the DHS will end up acquiring a national police force to enhance its already considerable national manpower to enforce **martial law**.

6. Police forces are now engaging in consistent SWAT attacks for minor offenses. Last year alone it is estimated that 80,000 unannounced **SWAT team** invasions of homes occurred in the US. These involved breaking down doors, concussion grenades and the deaths of many pets and innocent occupants including many children who have also been injured or seriously traumatized.

7. Limited-edition martial law lockdowns are happening throughout the US on a regular basis. The lockdown declared in Watertown area after the Boston bombing was a sort of “beta test” of the martial law process. During this attack innocent occupants of homes were forced onto the street with no opportunity to grab clothes, flashlights, cell phones or turn anything off inside their houses. They were forcefully made to place their hands behind their heads as they were crowded together.

Simulated “**terrorist war games**” are now being held in many big cities as local police, DHS, and National Guard units all swarm in with helicopters and overwhelming firepower designed to make average citizens yield in fear the state.

8. The President is already acting like a dictator. He now routinely disobeys and refuses to enforce laws he doesn’t like. He rewrites laws on his own that have been passed by Congress. He instructs the government to increase hardship on the American people for political reasons. He uses the IRS and other agencies to target and punish his enemies. He flaunts and simply ignores all the investigations into his law breaking.

He has opened the borders telling our agents to stand down. Thousands upon thousands of illegal aliens (especially children) have been wooed in the Central American by the **CIA**, and escorted to our borders by paid guides (**paid by the CIA**) who have been told they won’t be asked to leave if they can get here. Aliens who have all sorts of diseases which is creating a humanitarian crisis. He has also invited the UN in to deal with this crisis (which is another act of giving away our sovereignty).

And of course he has now written his own laws saying that these illegals have more rights than US citizens. They can get driver’s licenses, travel freely within the country, get society security cards and aid if they have no money. He’s also rewriting US foreign policy towards countries like Cuba and Iran with virtually no oversight allowed of Congress.

9. Many martial law orders are already in place. This is an extremely compelling argument that we are on the edge of this declaration. It has already been planned and it will be totally “legal” when it happens. Multitudes of redundant executive actions can quickly be enforced and they will thoroughly lock down the country and put virtually everything under the President’s control. And I mean everything

P. The Value of Your Birth Certificate: €14,393.94 per month

- **Nineteen million Euros**, that's the average value of your birth certificate traded on the New York Stock Exchange. The return is your collateral account (managed/plundered by the state simulation using "double-entry bookkeeping"). So if you lived to be 110 years old, you would be entitled to 172,727 euros for each year of your life. This 172,727 euros divided by 12 months results in 14,393.94 euros per month for living expenses.
- **This should also make it clear** why so many asylum seekers are lured here. (Be motivated by bombings of their homeland) They also get a collateral account created here. (legalized human trafficking)]

R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

S. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](https://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

U. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
