Maui Massacre

An Urgent Plea For Help

[Maui Fire Survivor Shares What Happened! - Must Video | War and Conflict | Before It's News

The capitol of the Sovereign Nation of Hawaii in Lahaina Maui has been destroyed. Hundreds of men, women and children were presumed dead. Over two thousand children were still missing. At least 4,500 displaced. Any aid you could give to help those suffering tremendous losses would be greatly appreciated.

It is only wise to have a month's supply of food, water, cash and essential supplies for yourself and to share with others.

Judy Note:

- **Brazil:** In just the past few months over 3,000 babies have been born in Brazil with Microcephaly. Australian researchers have determined that the cause was the mandatory DTP Vaccine given to pregnant mothers the year before. Microcephaly is a rare neurological condition in which an infant's head is much smaller than other babies and occurs when there is a problem with brain development in the womb or when the brain stops growing after birth. Children with microcephaly often have developmental issues.
- **Thurs. 7 Sept.** [Phil's Intel Bulletin! EBS Was About to Start! NESARA and GESARA is Coming Soon! NEW! - American Media Group \(amg-news.com\)](#) So when exactly is EBS coming? As I mentioned last time, EO13848 will expire on September 12th. Therefore, it is predicted that some major movement will occur before then. We also know that a big event will happen on the 8th of every month. June 8th is the day Trump was indicted. July 8th is the day the German government was announced to have collapsed. August 8th is the day Hawaii, Maui and Lahaina burned.
- **The Maui Massacre was a test of the Cabal of reactions to the New World Order:** Here we go! WATCH LAHAINA closely! Everything they are doing there is the agenda for everywhere else. They're setting up the Smart City Prisons for the people and they know the people will not accept check points and getting walled into zones they cannot leave. So they create these catastrophes and use words like dust screens instead of prison walls in which people will be locked inside. Wake up and unite, reject it all before it's too late.
- **Charlie Ward Major Events This Week:**
 - 1) **Prince Andrew** accused of sexually abusing two children while in Ukraine.
 - 2) **Burning Man Festival** ends in chaos as attendees stranded.
 - 3) **Covid-19** is back with a new variant as election year comes closer.
 - 4) **Twitter** exposed the Anti-Defamation League (ADL) for protecting criminals.
 - 5) **Jill Biden** tests positive for Covid-19.
 - 6) **Jack Smith** is looking to indict President Trump once again.
 - 7) **Tucker Carlson** will interview a man for having sex with Obama.
 - 8) **New Covid-19** booster shots are coming out.
 - 9) **China's military** mobilizing and possibly preparing for war.
 - 10) **Hunter Biden** sham indictment is coming later this month.

11) Russian government releases new round of evidence showing illegal biological labs in Ukraine.

12) Ukraine continues to bomb its own citizens and blame Russia.

13) George Soros son plans to interfere in the 2024 election.

Treaty of 1871: At end of the Civil War the British rescued the US from debt to France. It created the US Military arm in Washington DC, the City of London Finance arm and the Vatican Bank. All three are cities in of themselves on foreign soil. The Bankers were now in control of finances around the World. The US Corporation filed and was awarded bankruptcy in **2020**. Before Trump left office he filed a National Emergency and transferred all communications from every division of the Military to Space Force. Space Force is not about outer space, it is about cyber communications. Trump is a War Time President. There are only seven people who are not part of the Military, who really know what's going on.

- **The ongoing issue of Hawaiian lands being illegally occupied** weighs heavily on our hearts, as Hawai’i’s people. This issue strikes at the very core of our Hawaiian identity and cultural heritage. It resonates deeply within us, the Kānaka Maoli, the indigenous people of these islands, who have endured historical injustices, including the illegal overthrow of our monarchy in 1893 and the subsequent annexation of our beloved homeland by the United States. The world watches, and we implore you to act now. Restoring Hawaiian lands to Hawaiian hands, as called for in the Kū‘ē petition, is not just a matter of historical rectification; it is a step toward reconciliation, justice, and healing for us, the Kānaka Maoli, and all who have come to cherish Hawai’i as their home. It is a testament to our enduring spirit of aloha and our belief that, together, we can forge a

J. In the past year over 50 nations have united with the Kingdom of Hawaii in an Alliance of Indigenous Nations (AIN). They recently met in Hawaii, the site of the Maui Massacre.

- **This uniting of the Indigenous Nations** had been predicted by a Prophecy called the 'Eagle and the Condor, which stated in part, "When people from the four directions of the world come together, they will begin a New Earth," [Click Here To Learn More About Alliance Of Indigenous Nations – AIN](#)
- **AIN was welcoming more to treaty with them.** "Our higher purpose is to recover the sacredness of Mother Earth and to once again honor Great Creator for the magnificence and brilliance of creation. Our objective is to recognize, respect and reciprocate all people's sovereignty, our right to self-govern and self-determination."
- **Don Kaulia has been a leader in uniting the Indigenous Nations, especially after the Maui Massacre.** "The ongoing issue of Hawaiian lands being illegally occupied weighs heavily on our hearts, as Hawai'i's people. - **The 2,000 missing school children** were reported to be safe and likely under protection of the White Hat Military, though no one seems to want to talk about it. Twelve missing school busses have been found in containers on Lahaina docks.

- **The Biden Administration and FEMA** have been less than helpful to the victims of the Maui Massacre and now were actively attempting to evict them from the lands of their inheritance.
- **On the other side of this War Against Good and Evil** being fought in Maui, FEMA operatives have been taken out by the White Hat Military.
- **"The world watches, and we implore you to act now,"** Don Kaulia said. "Restoring Hawaiian lands to Hawaiian hands, as called for in the Kū'ē petition, is not just a matter of historical rectification; it is a step toward reconciliation, justice, and healing for us, the Kānaka Maoli, and all who have come to cherish Hawai'i as their home. So I don't have an issue with it. I mean, some people smoke, some people snort. So, as I'm doing a line, this is the part where you kind of make your move to see where things are going. So I just started rubbing my hand along his thigh to see where it was going, and it went the direction I had intended it to go. So the night became somewhat active, sexually and drug-wise, in the limo."

Q. Understanding DJT’s Executive Orders: DJT’s tenure as a leader was marked by a series of executive orders that aimed to address critical issues and reshape the global landscape. Among the most noteworthy of these orders are 13818, 13848, and 13959, each with its own profound implications.

Executive Order 13818:

- ***Confiscated Private and Corporate Assets:*** This order sought to bring accountability to those who had accumulated wealth through illicit means, sending a powerful message against corruption.
- ***Seized the NYSE:*** A bold move that sent shockwaves through the financial world, this order placed control over the New York Stock Exchange in the hands of those committed to justice and fairness.
- ***Blocking Property of Those Involved in Human Rights Abuses or Corruption:*** DJT’s administration took a stand against human rights abuses and corruption, freezing the assets of those implicated in these crimes.

Executive Order 13848:

- ***Imposing Sanctions Against Foreign Interference:*** In an era of increasing global interconnectedness, this order was a safeguard against foreign interference in the United States' democratic processes.

Executive Order 13959:

- ***Maintaining American Leadership in Artificial Intelligence:*** Recognizing the importance of AI in the future, this order aimed to keep the United States at the forefront of technological innovation.
- ***Khazarian Assets Confiscated:*** A significant development, this order targeted assets held by the Khazarian group, marking a decisive blow against corruption.

With these three executive orders, DJT's administration demonstrated a commitment to accountability, transparency, and safeguarding American interests on both domestic and international fronts.

The Space Force: Guardians of Security:

Amidst these monumental changes, the creation of the Space Force emerged as a symbol of America's commitment to maintaining its security and technological superiority. With control over the vast expanse of space, the Space Force stands ready to protect our nation's interests and ensure a future where we are the masters of our own destiny.

GESARA: A Beacon of Hope: The acronym GESARA, which stands for the Global Economic Security and Reform Act, holds immense promise for a brighter future. Despite facing setbacks, including the tragic events of 9/11, the principles behind GESARA remain steadfast, offering a glimmer of hope in these turbulent times.

GESARA's Key Tenets:

Elimination of National Debts: Imagine a world where the shackles of debt are cast aside, where nations can focus on the well-being of their citizens without the burden of financial constraints.

Minimal Taxes: GESARA proposes a fixed sales tax of approximately 15% on new goods, a system that ensures fairness and supports essential services.

Justice for Mortgage Holders: Those wronged by illegal government activities may see their mortgages and bank debts waived, offering a fresh start.

Return to Constitutional Law: A move away from the corrupt law of the sea towards constitutional law ensures that justice and fairness prevail.

New Leadership: GESARA envisions a shift in global leadership, with newly elected leaders comprising 10% of current governments, ushering in fresh perspectives and ideas.

World Peace: A bold vision for 1,000 years of world peace seeks to end conflicts and promote harmony among nations.

Disarmament: GESARA aims to eliminate all current and future nuclear weapons, providing a safer world for future generations.

The Gold Standard: A return to the gold standard signifies stability and value in our financial systems.

Hidden Technologies: The introduction of 6,000 Tesla patents promises access to free energy, revolutionizing our world.

Affordable Reconstruction: Building and rebuilding at 1950s prices ensures that development is accessible to all nations.

Global Wealth Distribution: Power shifts back to “We The People” as wealth is distributed globally, reducing inequality.

S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with

the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

T. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

U. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

V. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
