*In the midst of my confusion
In the time of desperate need*

*When I am thinking not too clearly
A gentle voice does intercede*

*In the time of tribulation
When I'm feeling so unsure
When things are pressing in about me
Comes a gentle voice so still, so pure*

*Slow down, slow down, be still, my child
Be still and wait, on the Spirit of the Lord
Slow down and hear His voice
And know that He is God
And know that He is God*

Judy Note: This coming week the Stock Market was set to crash. Cyber Attacks such as recently happened in Las Vegas (though not covered by the Mainstream Media, including the ransom paid to hackers) could easily not only freeze the entire population's bank accounts, but steal the monies inside them. To add to our financial woes, Brazil, Russia, India, China, South Africa, Pakistan, India, Malaysia, Argentina, Iran and Iraq were rejecting use of the fiat US Dollar for international trade – which was creating a goods shortage in stores.

Be advised to stock up on cash, food, water and essentials – there's a cold Winter ahead.

Judy Note: If you were reading this Update on, or from Operation Disclosure Official, be aware that the information has been redacted. For a complete un-redacted version, see a PDF copy at the end of the Update on Operation Disclosure Official, or read an un-redacted version on the Rumor Mills website.

- **The militarized privately owned IRS was using Maritime Law** (where US citizens have no standing), not Constitutional Law, to make an example of the Cromars. This could happen to anyone, and very like has to many in the past.
- **It's time we stand behind the Cromars and fight for our Freedoms.** Ken's mailing address (he can only receive white postcards): Paul Kenneth Cromar #655950 Weber County Jail P.O. Box 14000 Ogden, UT 84412

- **Quantum-Banking system is the Declaration of Independence of the world, ending the Socialist Fiat debt system.** Russell-Jay Gould, Post-Master-General on Quantum-Grammar, Quantum-Banking: Quantum-grammar essentially offers a mathematical way

to write contracts in a proper and correct way which cannot be misunderstood, upholds integrity in contracting, and holds all parties duly accountable for whatever they promise to deliver. Unlike English, which is rife with confusion and carries contradictions and denials that most people know nothing about-prefixes like un and re for instance are negations-but which manipulative central bankers, moneyed bloodline families, and long lineages of moneylenders have operated to their secret advantage and to the detriment of the ignorant citizenry, quantum-grammar puts everything on the table in plain sight and precludes any kind of shoring up of advantage by anyone, while holding people to their word. Using quantum-grammar and proper ways to contract with each other and create the systems-banking, judicial, educational, communication which will truly work for us.

- **Slaughterbots' Activate. Pentagon Planning Autonomous Combat Drones, Critics Up In Arms.** The US DoD is aggressively pursuing modernization through fully autonomous drones, leading to concerns of a new arms race and heightened risks of mass

destruction, nuclear conflict, and civilian deaths, The Hill reports. The so-called Replicator Initiative involves the Pentagon and military-industrial complex expanding existing tech to create a future force where autonomous systems are deployed and connected through a computerized command system. Arms control advocates express deep concern about the inadequacy of existing safeguards in the face of existential risks. At the same time, critics often refer to these self-operating weapons as "killer robots" or "slaughterbots" because of their AI-powered ability to independently engage and eliminate targets without human intervention.

G. Maui Massacre – an Urgent Plea For Help: The capitol of the Sovereign Nation of Hawaii in Lahaina Maui has been destroyed. Hundreds of men, women and children were presumed dead. Over two thousand children were still missing. At least 4,500 displaced.

- **White Hat forces in Maui have eradicated** or repelled all but a handful of the felonious FEMA agents who began terrorizing the tropical paradise in the aftermath of the inexplicable blaze that razed Lahaina and surrounding towns in early August, a source in General Eric M. Smith's office told Real Raw News. Since mid-August, United States Marines have fought with FEMA patrols in Lahaina, Kaanapali, Wailuku, Maalaea, and Pukalani, and the skirmishes resulted in the deaths of approximately 475 federal goons and, alas, 34 valiant Marines. The Marines died upholding the Constitution of the United States; the feds died trying to defend the criminal Biden regime. [MARINES PUSH FEMA OUT OF MAUI \(rumormillnews.com\)](#)

I. The Brunson Case, Ben Fulford:

- **For those of you following the Brunson Case(s)**, the most recent one FAILED to secure any relief from the US Supreme Court.
- **Loy Brunson and his brothers** are filing their cases as PRO SE Common Law Litigants in a court that operates under US INC., the Corporate UNITED STATES of AMERICA, which even under Title 11, gives the Brunson Brothers NO STANDING to raise issues before for the court. This is why they keep getting DENIED.
- **The Corporate UNITED STATES of AMERICA** still operates under Admiralty Law (Maritime Law or Law of the Sea) and not under Constitutional Common Law.
- **The sooner you understand this**, the easier it is to understand that as long as they are not filing as MEMBERS OF THE BAR, they will continue NOT to get a decision in the US SUPREME COURT.
- **The US SUPREME COURT** has committed TREASON. They can only be REMOVED by the United States MILITARY.

- **Cromar claimed that there may be a systematic and prejudicial effort** conspiring to deny his right to due process in order to assure an outcome that finds him guilty of a fabricated crime he did not commit.
- **Federal Prosecutor Kris Angelos** was assigned to provide Ken with all Discovery as of **19 Sept. 2023**. As of this date of writing almost two weeks past the deadline, the Prosecution has failed to provide Discovery to Magistrate Pead, or to Cromar.
- **Cromar has notified Federal Prosecutor Kris Angelos of a potential violation of various federal statutes**, including but not limited to: Title 18 sec. 241 – Conspiracy to Deny Rights, and Title 18 sec. 242 – Denial of Constitutional Rights Under the Color of Law. The DEW Attack was grounded in the fact that Native Hawaiians were refusing to sell this land of their inheritance. P. Biden Crime Family

- **Rep. James Comer**, “We have uncovered a mountain of evidence, revealing how Joe Biden abused his public office for his family's financial gain. For years, President Biden has lied to the American people about his knowledge of and participation in his family's corrupt business schemes.”
- **Rep. Lauren Boebert**, “Biden intentionally misled the American people by using complex maneuvers to pocket millions of dollars from our adversary. He lied when he was VP. He lied as a candidate to gain the office of President. Now this Committee has uncovered the truth. It is time to impeach this compromised Commander-in-Chief.
- **Hunter Biden's Daughter Was Living In White House While Representing Peruvian Government.** The Biden family may have some more explaining to do over their international affairs, after the NY Post reports that Naomi Biden (Hunter's eldest daughter, not the grandchild Joe Biden mouth-kissed during the 2020 election), was living in the White House while representing the government of Peru in a legal case. According to a review of public records, the 29-year-old has been working for DC-based law firm Arnold & Porter since January 2021, the same month her grandfather was sworn in as the 46th US president, after interning for the firm in 2019. In September 2021, Naomi appeared in a legal filing disclosing her involvement in a case brought by Worth Capital Holdings 27, LLC, a Delaware firm which claimed that the country was interfering in the operation of their oil refinery located in the southern Amazon. Worth has sought \$590 million in damages.
- **FBI Worked With Ukraine To Hide Biden Crime:** During a phone call after the 2016 election, Burisma's top executive told a FBI confidential source that he was coerced into paying bribes to the Biden family and he was not happy that Trump won the election. The exec then told the FBI source, whose allegations the FBI hid from Congress and investigators, that because Joe Biden personally got the Ukraine prosecutor investigating Burisma fired, "nobody would find out about his financial dealings with the Bidens."
- **A top former aide to Vice President Biden** revealed in a WhatsApp message to Hunter Biden that his CCP-linked business partner was willing to wire Hunter tens of thousands of dollars to help him pay off several bills, according to a new batch of messages released by the House Ways and Means Committee. Fran Person, who served as a longtime adviser to the elder Biden and was a failed congressional candidate in 2016, told Hunter in a July 2017 WhatsApp message that he and Bo Zhang, Fran's business partner with ties to top CCP leaders, "want to help" him. Hunter was in the middle of a rocky divorce and laid out his bills for the month, saying, 100K at least gets me until next month.

Q. The World Economic Forum is now calling for millions of cats and dogs worldwide to be killed in an attempt to reduce the "carbon footprint" that they produce as a result of eating meat. They want to introduce an international policy that would require most pet owners to euthanize their animals and instead of dogs and cats, they recommend keeping turtles, snakes and reptiles. Emma Thompson even suggests that owners eat their pets! Every time the elite thought they were smart, they destroyed dogs and cats, only for that "smartness" to return to them like a boomerang in the form of mice and rats, which spread the PLAGUE. I wonder whether the elites will guard our house and hunt mice and rats? I doubt it. These Pissositos and bitchachos are all kaput. Gone. Dead. Erased from humanity for good. This was part of their agenda as well to cull animals, kill and torture.

R. Former US Intelligence Agent David Grusch testified under oath during the Congressional UFO hearing, confirming alien existence through UFO sightings and recovery of non-human aircraft with biological remains. During his testimony, Grusch also revealed the US government's possession of off-world nonhuman bodies. T. This month, Iraq will be commemorating exactly 100 years since a failed revolt enshrined by law as a national holiday, marking the country's independence from **Britain in 1932**. Iraq

spent the next 20 years as little more than a vassal state of the British, but the date is important because the monarchy would eventually set in motion Iraq's first path to political sovereignty, economic development, and perhaps, collective national identity – a process violently interrupted in **1958** by the military coup that overthrew the monarchy. In less than a century, Iraq has had nine flags, five national anthems, 10 constitutions (not including various changes), countless controversial national days, and a lack of a social contract – a historical process that tells the story of Iraq's lost national identity. <https://www.hjc.iq/destor> <https://www.hjc.iq/destor> <https://www.jstor.org/stable/162680?seq=1> <https://newlinesinstitute.org/state-resilience-fragility/political-economy/iraqs-new-independence-day-reclaiming-a-nations-lost-identity/>

V. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture

and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

W. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

X. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives

to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Y. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
