Judy Note: *The Storm was nigh. The Global Military Alliance was in the middle of making mass
arrests. All Prime Ministers of every country and all Royalties have been removed, arrested or
executed.*

*This included the Biden Administration, which was running a multi-billion dollar child
trafficking operation at the Southern Border. Putin had already destroyed Biden's child
trafficking Underground Tunnels in Ukraine, along with ten US Inc. bio-weapon labs.*

US Inc. has been using weather control techniques in line with the New World Order goal of starving millions and controlling the rest. Pfizer and Moderna directly targeted Red States with deadly batches of vaccines, which reported 11 times more deaths from the vaccines than the Blue States.

Banks were closing across the Globe. There would be no need for them with the new Quantum Financial System where everyone would have complete control over their own accounts through personal cell phones and/or computers.

Even though a Near Death Civilization Nuclear War Event appeared on the horizon, have no fear. The White Hats were in control.

All would soon be revealed with activation of the Emergency Broadcast System and implementation of the Global Currency Reset – likely happening this next week.

- **Citizens of All Countries:** The Military Alliance advises you to start looking for an honest Conservative to elect as Prime Minister in your country. All Prime Ministers around the World have been removed, arrested or executed. All Royalties around the World have been removed, arrested or executed. See #G Mass Arrests below.

- **Marco Polo released a 630-page Report on the Biden Laptop** that thoroughly documents 459 crimes committed by the Bidens & their associates. 140 business crimes, 191 sex crimes, 128 drug crimes.
- **“Tens of thousands** of young military age men have been imported into the US, UK and other major countries, given UN IDs, an allowance and housed (while awaiting their Deep State orders).” ...Charlie Ward
- **Janine Tarot:** “Israel was created free in 1948 but their contract as an independent sovereign nation expires the **end of October 2023.** (day after eclipse no coincidence) They are registered as a corporation address is next to Kensington palace. That means that the timing of the war is completely planned strategically to coincide with the time that they could be dissolved with the rest of the central bankers and all the other bankrupt corporations. So that finally clears up the Q meaning of “Israel will be last.” They had to wait until this contract was dissolved, transferring Israel from a sovereign state back to corporation before they could invade and have full capitulation.
- **The fiat US Federal Dollar was about to crash.**
- **Robert Fletcher explained that the American government (US Inc.)** has created weather control techniques so that the New World Order will be able to starve millions of Americans and control the rest.
- **Pfizer and Moderna** directly targeted Red States with deadly batches of vaccines. Those Red States have reported 11 times more deaths from the vaccines than the Blue States.

- **Vaccines Released in Air, USDA Confirms.**
- **The radiation levels are shocking** when you sit inside an electric car.
- **The Military does not consider Joe Biden** as the President as demonstrated by their inauguration salute for him reserved for funerals and visiting foreign dignitaries.
- **The Deep State starts forest fires using Direct Energy Weapons (DEWs)** which are attached to the aircrafts, and then they blame it on the heat. (This was how the Maui fires were started that killed hundreds, with over 2,000 children remaining missing). Whatever the public knows about military technology is many decades behind what they really have. [BOOM! DEW and HAARP Experiments Being Ratcheted up Worldwide - American Media Group \(amg-news.com\)](https://www.amg-news.com)
- **Hamas is controlled by Israel** and they orchestrated the attack for political purposes.
- **Biden has admitted to being a Zionist and supporting the State of Israel.** Many Christians fall for Israel thinking it's the biblical Israel. When in reality, the State of Israel has nothing to do with biblical Israel. The name Israel is another name for prophet Jacob (Yaquob in Arabic) Zionism is a satanic Bolshevik/Marxist political movement that pretends to be Jews and who strive to create a Jewish State to build their 3rd Satanic Temple for the arrival of the Antichrist.
- **For the 2023 Fiscal Year US Inc.** posted a \$1.695 Trillion debt, a 23% increase from last year.
- **Since 1913 US Taxpayers have been paying taxes on money they earned,** taxes on money they spend, and taxes on things they own that they have already paid taxes on with already taxed money – and they are paying those taxes to the Deep State Cabal through the Cabal's privately owned Federal Reserve and IRS – which charges the US taxpayers interest to use their own monies to pay the Cabal-controlled federal employees. Isn't it about time people woke up and did something about this affront to our Free Agency?

A. Global Currency Reset:

- **Sun. evening 22 Oct. Texas Snake:** “I was just informed that the notifications (for Tier4b, Us, the Internet Group, to set redemption/exchange appointments) will come out during **Mon. 23 Oct. early morning hours** for us to wake up to the new values.”

B. Sun. 22 Oct. afternoon Wolverine:

Two people who work in the payment program just said:

- **Nothing is left in the hands of the managers.** Everything is now within the payment phase through Authorized Banks.
- **Since yesterday (Sat. 21 Oct),** very important changes and adaptations have been made to make everything more precise, faster and safer. And thus reach the end of all this

- **All the escrow accounts** have already been opened.
- **No administrator** has access to your funds. Only you as the account holder will be able to access it.
- **A Digital Account** is as if you owned a private bank. It works as a financial platform. It is simple and easy and you can do it using your cell phone or computer at home.
- **Now the phase of sending out calls will begin** via email and SMS.
- **This is an appointment** for the person to appear at a specific Bank Branch to speak with the Manager.
- **There he will sign contracts**, receive a DEBIT card and can download a certain amount to his usual account for immediate use in a conventional way.
- **You will receive instructions** on what you can or cannot do with your securities.
- **This will happen** from now on to complete the latest document settings.
- **Everything will be done in the utmost secrecy.** If you talk or tell about your exchange especially through social networks, your assets will be blocked with no possibility of reversing the process.
- **That's it. In reality, everything is published.** The WORLD BANK codes have been received and entered into the system.
- **So we can say IT'S REALLY OVER!!!** Now it's just a matter of a little more patience and that's it.
- **Remember that this is not a business.** It is 100% a Humanitarian Project.

C. Wolverine Earlier on Sun. 22 Oct.:

- **“The (below from Bearded Patriot) is a good summary.** I concur with everything stated herein. Iraqi Rate is going to 1000, next is 1:1, then the CBI will give an In Country Rate, followed by an International Rate approved by the US. Barring more Israeli issues, ALL sides are ready to go. The unlock codes arrived on **Fri. 20 Oct.** from the World Bank.”
- **Bearded Patriot:** “According to the information received, the “stoppage of selling currencies and/ or Bonds” may be activating **Sunday 22 Oct. at 11:59 PM.** Some various protocols were implemented due to the result or lack of the Speaker of the House being completed in a timely manner. From my understanding is that there were two scenarios or plans on how to move the RV forward: Public (judicial) and or the second scenario, plan B. As everyone has seen, the government BS that continues regarding Speaker of the House (SOTH) just like it did with McCarthy! The preferred method was to have our three branches in place and a somewhat stable government so that the Liquidity Phase of the RV could commence, but with the BS of SOTH did not leave a choice on what needed to be done. That’s where plan B kicked in! You have to understand that the Treasuries back is against the wall **BIG TIME!** With Vietnam and Japan now wanting to join BRICS in a matter of little time...the Treasury has absolutely no choice to move **FORWARD** to plan B without a SOTH In position. Plan B is actually a good thing for us, but it would of been easier and quickly to move to the liquidity phase with having a **SOTH IN PLACE.** REMEMBER, the order of liquidity follows these protocols:

1. Military
2. Government
3. Indian reservations, CMKX, F&P's, etc
4. Adjudicating Settlements
5. T4 a&b
6. Public

PS.....No one expected the childish BS of the SOTH scenario AGAIN...we'll, maybe the WH did! They played the back and forth game to expose the BH and rhinos during this voting period. We DON'T have to have a SOTH in order for our RV! This is why plan B has already been implemented, protocols and security should be completed by this weekend and liquidity SHOULD COMMENCE no later than **Tuesday/ Wednesday at the latest! It's gonna be a fantastic week ahead! Stay positive, faithful, prayerful, and most of all trust our Lord to see us throughout this event! Love ya BP**

- **Texas Snake:** “Nobody has the date of release. There was indication that notice was issued before midnight Reno time **Sat. 21 Oct**, but we must wait to see if this accurate regarding the Bond Holders and tiers which preceded us in exchanging. Have heard some started on **Sun. 22 Oct.**, but no confirmation as yet.”
- **Sat. 21 Oct. Early Evening TNT Update, Ray:** “Iraq changed it's rate again (.001 per Dinar). We are being told to look for the big change in the coming days (hours).
- **In 2021** under direction of the White Hat Military, a team headed by Charlie Ward flew 650 plane loads of gold taken from beneath a very large tunnel under the Vatican (that ran 1,500 miles beneath land and sea to Jerusalem), and returned it to the rightful owners in various countries, mainly the new US Treasury near Reno, Nevada, which recovered nearly 60 trillion \$ in Gold.

- **The Central Bank of Iraq** has suspended Western Union service for international money transfer of the Dinar in preparation for the Global Currency Reset: <https://search4dinar.wordpress.com/2023/10/12/central-bank-of-iraq-suspends-western-union-service-for-international-money-transfer/>

- **By Mon. 16 Oct.** the Dinar was fluctuating in value on the back screens of the Forex, though was mainly around \$1.47 to the USD in-country. Also, the RV launch algorithms

were said to be ready to go; Dubai 1 had been released and Dubai 2 had almost finished it's launch.

- **On Thurs. 19 Oct.** the White House went red, the same day as the London Stock Exchange halted trading and SEC dropped its lawsuit against XRP, which meant that there was nothing stopping major financial institutions using XRP for very large transactions.
- **The 20 or so days of Disclosure** was believed to have begun around **Sun. 1 Oct.** If so, that would take the RV Timeline to **Fri. 20 Oct.** when all buy-sell Bond Operations closed, meaning you could no longer buy bonds or foreign currency to exchange.
- **Get Ready for EBS Activation:** Q says that “After Argentina’s election on **Sun. 22 Oct.** everything would change and the World would soon have no Internet for a while. Those 60 and older will be paid in three equal monthly payments for **Oct, Nov & Dec.** Those 50-60 will get payments over the next 12 months and those younger will be paid out over 15 years, though they have to be employed in order to qualify.
- **Starting sometime in October and continuing for three months Social Security benefits** will be significantly higher, topping out at \$5,200.
- **Repatriation Allowances for 60 and older** will begin the **18th or 25th of Oct.** as the beginning of three equal payments over the next three months.
- **Wed. 1 Nov.** was the goal to have Currency Exchanges and Zim Bond Redemptions completed, although that date could vary.
- **On Sun. 19 Nov.** XRP gold/asset-backed digital currency would be official.
- **Starting 1 Jan. 2024** the fiat US Dollar will be worthless, all currencies across the Globe will be on par 1:1 with each other, Social Security benefits will be much higher and the SS R&R payments start on a monthly basis.

- **In the next three to six months the Rodriguez Trust** will begin to administer “universal basic income” for citizens of all GESARA-compliant countries. The amount per individual or family will depend on the status, needs, employment level and age of the person/family and will work to encourage people to work if they can.

- **POTUS will soon come** into the picture and resurface 2020 Election Fraud, while Trump will expose the corrupt US legal system.
- **The White Hats** were painting a picture and getting information down on U.S. Congressional records, including the corrupt UN Agenda and Obama-Biden funding Iran to bring in extremists to cause chaos in the US (another 9/11 inside job).
- **The Military Alliance** was watching and documenting everything. At this moment we had hundreds of Iranian and Al-Qaeda terrorists in Gitmo who were exposing planned attacks in the U.S.

L. Brunson Case:

- **Julian Assange:** For those of you following the Brunson Case(s), the most recent one FAILED to secure any relief from the US Supreme Court. Loy Brunson and his brothers are filing their cases as PRO SE Common Law Litigants in a court that operates under US INC., the Corporate UNITED STATES of AMERICA, which even under Title 11, gives the Brunson Brothers NO STANDING to raise issues before for the court. This is why they keep getting DENIED. It does not take a rocket scientist to figure this out. The Corporate UNITED STATES of AMERICA still operates under Admiralty Law (Maritime Law or Law of the Sea) and not under Constitutional Common Law. The sooner you understand this, the easier it is to understand that as long as they are not filing as MEMBERS OF THE BAR, they will continue NOT to get a decision in the US SUPREME COURT. The US SUPREME COURT has committed TREASON. They can only be REMOVED by the US MILITARY.

- **A revolt is brewing at the State Department over US policy in the Middle East,** according to the Huffington Post. It is reported that US diplomatic officials are preparing an appeal to their leadership criticizing the position that Washington has taken on the issue of worsening the Palestinian-Israeli conflict. The initiators of the appeal consider US policy to be one-sided - in favor of Israel while ignoring the suffering of Palestinian civilians. Participants in the petition also complain that Secretary of State Blinken and his advisers are not addressing "widespread domestic discontent." According to another State Department official, a rebellion is brewing in the department at all levels.
- **Am I really supposed to believe** that it is a coincidence that three days before the beginning of a vicious Israel/Hamas conflict the Speaker of the House was removed and now Congress can't respond to the conflicts in Ukraine and Israel because they have no speaker? Can they even send them more money because it appears like they are struggling to send more because of what happened with Gaetz? Why are people panicking about not having a Speaker when it's making it harder for them to spend our money on war?
- **The White House has been discussing the possibility of using military force if Hezbollah joins the war in Gaza** and attacks Israel with its huge arsenal of rockets, three U.S. officials and one Israeli official with knowledge of the situation tell Axios. Why it matters: Lebanon-based Hezbollah joining the war would dramatically escalate the Middle East's worst conflict in decades raising the likelihood of mass civilian casualties in Israel and Lebanon and possibly drawing in the U.S.

- **There was no such land called Israel before 1948.** The Israel of the Bible was not a place or a land. Israel or the more correct Hebrew spelling Yis-ra-el is a nation of the descendants of Jacob (Hebrews spelt it Yacob) from the lineage of Issac, Abraham and David. The Twelve Tribes of Yis-ra-el are the Israelites in the Bible. Not the Israeli occupants of Gaza. They are the Kasars who came from Kasaria, (modern day Ukraine area). These Kasars, mainly Caucasians from the Caucasoid mountains, later adopted the religion of Judaism and started calling themselves Jews. Where as the original Biblical Juws were called Ju's because they were from the Tribe of Judah.
- **One month ago, Mohammed bin Salman announced that Saudi Arabia was moving "closer" to a historic normalization agreement with Israel,** with this progress linked to Palestinian negotiations and an arms deal with the United States. At the same time, Benjamin Netanyahu unveiled the India-Middle East-Europe-Economic Corridor (IMEC), a trade route connecting India and the European Union through the United Arab Emirates, Saudi Arabia, and Israel. Fast forward one month, Hamas carried out a terrorist attack on Israel. In response, Israel declared war on Hamas, initiating airstrikes on Gaza and cutting off food, water, and electricity to 2 million Palestinians. The United States deployed two carrier strike groups to the Mediterranean, the State Department issued a "worldwide caution" for American citizens, and the Middle East stands at the precipice of war.

N. White Hat Q Operations: Panic in DC, FBI, CIA, MSM Elites

- **“He wants to put MSNBC on trial for treason so he can execute us!”** MSNBC Host Rachel Maddow stated during a live broadcast referring to Donald Trump. Now the mainstream media outlets are in PANIC as FBI insiders give real time information to MSM collective heads and hosts that the Storm operations are real and the military might is behind Trump.
- **The once mocking of The Storm Operations by MSNBC, MSM and the DNC** are no longer laughing. Even the National Intelligence director James Clapper gave a direct interview and stated he believes Trump will be president again and Trump is coming with revenge (How does a National Intelligence director with the highest CLASSIFIED security clearance in the U.S. know that Trump is coming back?) and going to arrest everyone for treason. Clapper said people are scared (inside DNC, government and Military). Clapper also stated General Milley was wrong in his assessment that Trump was going to be gone.
- **United States General Milley** once leader of the Pentagon chief of staff is now publicly making the rounds to MSM and stating he is not a trader and it's becoming obvious he knows Trump is coming with military operations to arrest everyone that was involved in the military COUP of Donald J Trump in the 2020 elections.
- **Rockefellers CIA Bush family** installed Obama and Clapper and together with heads of Military Industrial Complex, pulled a MILITARY COUP ON TRUMP.
- **The stolen elections** were actual military operations to entrap the [DS] U.S. Military and CABAL forces of Rokerfellers, Rothschild's CIA Regime.
- **In 2019**, months before the Deep State launched their Globalist Agenda to take over of the World by releasing the gain of function virus by the CIA, the White Hat Military was watching all Events unfold in real time. In 1987 they had CREATED a special secret

military intelligence agency (USSF was unnamed in this time) that was running through the U.S. Air Force.

- **Immediately after Musk's Star Link Satellites** (funded by Trumps Ezra and Kash Patel) were deployed and Musk's Quantum super advanced Eye Eagle A-12 computer was connected to the WH Military underground command station, a few months later Trump announced UNITED STATES SPACE FORCE MILITARY.
- **The GUARDIANS of the USSF** have been called to protect and defend American interests and to ensure our forces, our allies, and the world never experience a day without space. They serve across the globe, working 24/7 to design, acquire, field, test, operate, and defend the critical space systems the nation, and the world, rely upon. They stand ready, every day, "Always Above."
- **Unknowingly Trump**, Cheyenne Mountain and Ezra placed Musk as the Deputy Head of the USSF.
- **Since 2019** the USSF have captured 80% percent of the DEEP STATE OPERATIONS, MONEY, POWER GRIDS, DATA, SERVER DATA AND FULL INFORMATION ON THE WORLD CABAL.
- **Safety measures are in place** from the World going into full war, but the SCARE EVENT (near Nuclear War of 2024 and near Civil War throughout the US, EU and Canada) must happen so it looks like society and civilization fought for their freedom and country. It is necessary to EXPOSE the Globalist CIA, corrupt World leaders and Deep State Military.
- **Now the Truth is out.** The Storm is real and Trump is coming with the Military Alliance and Arrest Wars 11.3.

P. World Events Unveiled: The CABAL's Defeat and the Looming Storm

- **The once-secretive ambitions of the CABAL Deep State**, particularly their grand design to use Ukraine as a pawn in a war against Russia and seize Moscow, have crumbled. Their objective, which aimed to capture Russia's vast resources, GDP, and a staggering 17.5 million tons of lithium reserves (a treasure trove coveted by the likes of BLACKROCK, CIA, MI6, MOSSAD, and the Deep State), has unraveled into failure.
- **What's more, their nefarious operations to orchestrate a world war**, all while mainstream media sounds the alarm for World War III, are teetering on the edge of disaster. This scheme, driven by a staggering 1.2 trillion-dollar heist from taxpayers in the name of supporting Israel, is beginning to unravel.
- **The truth is that the U.S. finds itself in an economic quagmire**, edging closer to financial collapse, with the capability to wage not one but three wars - against Russia, China, and the Middle East - practically non-existent.
- **The Ukraine War**, contrary to Biden's public statements of Russian failure in capturing Kiev, is reaching its conclusion. Military assessments, war games, and the testimony of top-ranking Generals all point to the impending end of this conflict. Russia has secured the second-largest city in Ukraine, Kharkiv, and is steadily advancing westward, with Odessa on the horizon. European support for the U.S. and Ukraine war is waning rapidly.
- **This is why the Deep State** has hurriedly ignited another conflict in the Middle East - a desperate ploy for funding and money laundering, all in a frenzied bid to evade an impending storm of arrests by the U.S. Military.
- **In the Middle East**, Turkey has made a seismic pivot away from U.S. NATO allies, engaging in troop movements and naval exercises. Notably, Turkey is demonstrating its ability to mobilize two million soldiers in emergency combat scenarios, sending shockwaves through the corridors of the CIA, MOSSAD, MI6, and the Davos elite.
- **Pakistan has aligned with Turkey**, while China supports both nations, and Russia backs several Middle Eastern countries, including Syria and Palestine. Putin's declaration of support for Palestine further underscores the changing geopolitical landscape.
- **As it stands, the U.S. military** is ill-equipped for ground warfare in Russia, China, or the Middle East, with a glaring absence of missiles and weapons. In contrast, Iran, Syria, Lebanon, and Turkey, bolstered by China and Russia, boast a formidable arsenal. Iran's missile capability, in particular, poses a colossal threat, with odds of 16 to 1 in favor of Iran in naval confrontations.
- **The outcome is clear**: the U.S. military finds itself at its weakest point in a century, a fact echoed in all military assessments, war games, and projections.
- **Behind this tumultuous backdrop**, the real World War III event looms on the horizon, set for late 2024. President Trump has unequivocally stated that only he can prevent this catastrophe, and the impending mega scare event, complete with a full-scale nuclear standoff, will be the crucible of exposure for the U.S. Military Industrial Complex (including the CIA, Obama, Bush, the Clintons, the Rockefellers, and more).

- **Everything is hurtling toward a colossal reckoning:** from Biden and the Hunter laptop revelations (just the tip of the to the stolen 2020 elections, the Epstein saga, the CIA-Pentagon-Fauci trifecta behind the pandemic and lethal vaccines, all the way to the Deep State's orchestration of world wars.
- **This was all foreseen, a narrative unspooling since the very beginning.** In these chaotic times, while the world appears on the precipice of World War III, it's crucial to remain calm. Yes, there will be skirmishes, nations picking sides, but as my previous communications have suggested, eventually, a sense of calm will prevail. Then, brace for a colossal, world-altering event, where nuclear bombs will remain dormant. The sole exception may be North Korea detonating a nuke over the ocean during the 2024 mega-massive scare event.

Q. Sat. 21 Oct. Fulford Report:

- **The Ukraine War** is basically over for the CABAL Deep State and they have lost their objective (as Generals and others like U.S. military Colonial Douglas Macgregor has stated several times) to use Ukraine to fight Russia and capture Moscow and the Russian Federation and all their resources, GDP and 75 trillion dollar natural resources including their 175 MILLION TONS of lithium reserve that Blackrock, CIA, M16 and Mossad Deep State wanted. Their operations have failed.

R. Food = Medicine

- **Foods high in vitamin C reduce the risk of heart disease,** lowers blood pressure, fights cancer while boosting your immunity, and it is crucial for your body in order to detoxify toxins out of the system.
- **Since the vegetables we eat now are far less nutritious** than it was 50 years or 100 years ago because of several factors like over-farming that depletes nutrients from the soil, we simply have to eat more to compensate for this.
- **This is why the juicing is a great choice.** The goal of a juicing is to rest our digestive system, nourish it with nutrients found in fruits and vegetables then flush out toxins.
- **The cure for Autism is called Suramin.** Only one dose was given to children with Attention Deficit Disorder who were non verbal and they began speaking in sentences within nine hours.

ZZ. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

ZZZ. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

ZZZZ. [Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

ZZZZZ. **The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

ZZZZZZ. **Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
