*It's only wise to be prepared for disasters and store at least a month's worth of cash, water, food
and essential items for yourself and to give to others.*

[You Raise Me Up | The Tabernacle Choir - YouTube](#)

*When I am down and oh my soul, so weary
When troubles come and my heart burdened me
Then, I am still and wait here in the silence
Until you come and sit a while with me*

*You raise me up so I can stand on mountains
You raise me up, to walk on stormy seas
I am strong when I am on your shoulders
You raise me up, to more than I can be.*

Judy Note: *The Satan worshipping Cabal would no longer exist without US Taxpayer monies,
and now with the non-stoppable Global Currency Reset rolling out, they would soon have none.*

*One last try: for centuries they had made money off of creating and financing both sides of
countless Wars.*

*US politicians took huge kickbacks off of US taxpayer dollars laundered to the War in Ukraine,
though now with Congress out of money, there was no more to launder.*

An answer to the Cabal money problems: Deep State Elites had long planned another war, had even written the legislation and were opening up their pocketbooks for a cut of US Taxpayer dollars they would dedicate to the War they created between Israel, Palestine and the Middle East – World War III.

This was no ordinary World War. The Attack on Palestine did not seem to be what the Fake News Media was reporting. Although, there were many tragic casualties of innocent men, women and children, common people with their cell phones have recorded the real scenario: movie sets and actors portraying False Flags. Even the White Hats were saying this so-called World War III was a Scare Event and not a real war.

Meanwhile the US Government was running, be it temporarily, on billions of Debt borrowed from the Chinese Communist Party (the top secret CCP agreement with the US was said to be in line with China's plan to take over the Free World).

The agreement had successfully pointed US Debt Clock hands to midnight and the end of the Global Financial System as we know it. There's nothing like being able to control people through their food supply and pocketbook.

So, when are we going to wake up from this nightmare?

- **General Flynn:** “The world is on fire because we have a rudderless foreign policy led by the weakest administration in our history. The US Border invasion, war in Eastern Europe, a massive PSYOP with physical components in the Pacific (Taiwan), an all out assault on half the US population by the globalists, fake health emergencies, political prisoners still being held in the WDC gulag, etc, etc, all due to a POTUS who clearly appears he’s not all there and a 2020 election that nearly 70 percent of the US population no longer trusts the outcome. The world is in one of the most uncertain and unpredictable positions it has ever been in since the middle of the last century. The globalists love this because it fits their narrative. Destroy the existing global situation and then BUILD IT BACK BETTER in their image.”

F. In next 12-14 Months Palestinian Terrorist Cells to Attack US:

- **Hamas allegedly has terror cells** in the United States after entering the country via the southern border, creating a fear of terrorist attacks in big cities over the next 14 months.

- **I've heard, from many reputable sources**, that these planned terrorist attacks will indeed occur in major cities in America over the next 12-14 months.
- **Apparently, the Palestinian terrorists** came across the Mexican border, aided by the U.S. government, for the sole purpose of killing Americans.
- **This serves both** the Palestinian's purpose as well as the American Government's purpose.
- **Palestinians want to kill Americans** because of their support for Israel.
- **The U.S. Government wants Americans killed** in terrorist attacks so that Americans will willingly give up more of their freedoms, as they did with the Patriot Act after 9/11.
- **Don't expect the government** to stop these terrorist attacks, they need them as much as the Palestinians do.
- **Just know that after Palestinians kill thousands of Americans** in coordinated attacks all over the U.S. & the media starts bombarding you with the need for "safety over freedom," that the United States Government is behind it all.

H. Who benefits most from the terror in the Middle East? The Deep State.

- **They have a new media distraction.** Now they don't have to report on their colossal failure in Ukraine. The sheep will soon forget about Ukraine, just like they forgot about the Russia Hoax, BLM, C19, etc.
- **Public support for Ukraine** had waned past the point of return. America First GOP ousted Speaker McCarthy over funding for Ukraine. The American People put their foot down. The Deep State were struggling to maintain the lie, and desperately needed an off-ramp.
- **Lo and behold, a week later,** the terror in Israel unfolds. The horrific images incite an emotional response from the public, and poof, the Deep State have instantaneously rekindled the American public's desire to fund war on the other side of the globe.
- **The Deep State** don't care which war-torn countries they funnel the money from, so long as the money flows. They will gladly use this catastrophe to their advance their geopolitical agenda.
- **Given the Deep State** are the main benefactors of this situation, they are suspect #1. Then if you follow the money, it leads back to US Deep State politicians. Obama's Iran Deal.
- **All roads** lead back to Obama.

- **Food = Medicine** Foods high in vitamin C reduce the risk of heart disease, lowers blood pressure, fights cancer while boosting your immunity, and it is crucial for your body in order to detoxify toxins out of the system. Since the vegetables we eat now are far less nutritious than it was 50 years or 100 years ago because of several factors like over-farming that depletes nutrients from the soil, we simply have to eat more to compensate for this. This is why the juicing is a great choice. The goal of a juicing is to rest our digestive system, nourish it with nutrients found in fruits and vegetables then flush out toxins. Juicing isn't a gimmick but a beneficial practice that will help you improve your health when done right.

S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of

being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

U. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

V. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
