Judy Note: As we fight for our Freedoms and for our own good mental health, we must face reality when discussing the abortion issue: let us not forget a baby's right to live.

We're not just talking about the rights of a mother. We're talking about the rights of another human being, a child (although some, in order to take away the guilt when thinking about the torture and killing of a child through abortion, like to refer to the little human being in the womb as a fetus).

On Tuesday, voters in Ohio overwhelmingly approved an amendment to the state Constitution that makes abortion "a Constitutional right" – the right to kill an innocent human being. Is that a God Given Right? Really?

It is a fact that life begins at conception – that little fetus in the womb, no matter in what stage of development they are – is a living human being.

As a therapist who worked with women who had undergone abortions, I know for a fact that there is a tremendous amount of guilt and regret involved in aborting your baby that those mothers not only have to adjust to, but learn to live with for the rest of their lives.

It is also a fact, and any abortion doctor could confirm if they were a truthful person, that if the baby was still alive before the abortion, that living human being had to endure an extreme amount of pain in order for their abortion to take place.

It is a further fact that abortion clinics make mega bucks off of selling the organs of that baby – and in order for those organs to be viable, they needed to be harvested while the baby was still alive. The older the living "so-called fetus," the more money their organs were worth.

It is another fact that the Deep State Cabal, who regarded Satan as their God and worked in tandem with abortion clinics in that worship, was also heavily involved in the highly lucrative Adrenochrome and Organ Harvesting Trade.

The worst fact: Since 1973 more than 60 million babies have been slaughtered as a result of abortions in the US.

In all honest consciousness can you as a person and we as a people, continue to support this Holocaust of our innocent children?

- **European Breaking very bad news:** The European Parliament and Member States just reached an agreement on introducing the Digital Identity. Directly afterwards, EU Commissioner Breton said: "Now that we have a Digital Identity Wallet, we have to put something in it...", suggesting a connection between CBDC and eID. They ignored all the privacy experts and security specialists. They're pushing it all through. I am not optimistic. But it is not too late yet. Parliament still has to vote about this. Let your MEP know that you oppose the Digital Identity and that you want your MEP to vote against it.
- **World Economic Psycho Yuval Noah Harari** lives in Tel Aviv, he is also an ultra-Nazi who says Israel may be forced to use nuclear weapons.

Q. Tariq EQ Amawi Just some things to ponder:

What is an Egyptian pyramid doing on a US dollar bill?

Why have 56 countries signed a treaty to not venture into Antarctica?

Why do planes never fly over Antarctica?

How is it that the moon is the perfect distance and position to cover the sun PERFECTLY and EQUIDISTANTLY during an eclipse, instead of too small or big or off to one side?

How did NASA ‘lose’ the moon landing footage? Arguably one of the most advanced agencies AND one of the most important moments for mankind?

If Neil Armstrong was first on the moon, who held the camera?

Why haven’t we been to the moon since 1969-1972?

Why do official NASA images show images of the Earth with different sized and grossly disproportionate continents year to year?

If apes evolved into people, why are apes still apes?

How is there 95% ‘junk’ DNA? Who decided it’s actually ‘junk’?

How were giant, symmetrical, detailed, sacred geometrically sound structures like cathedrals and parliament buildings created by people who lived in wooden shacks, rode horse-drawn carts and didn’t have any machinery, or lasers?

Why is this same predeluvian architecture found all over the world?

Why are there spaceships depicted on ancient Egyptian art?

Why do we have to pay to LIVE on a planet we were BORN on?

Why are there images of mushrooms all over ancient Christian art?

Why do popes dress like giant amanita muscaria mushrooms? ☹

How is it cheaper to buy fast food made from rearing, feeding and housing a cow than to buy natural fruit and veg?

Why do ancient Egyptian artworks depict pinecones and is it a coincidence that the pineal gland also looks like a pinecone?

Why are there depictions of dragons all over the world across different cultures, thousands of years apart?

Why are the giant flat topped mountains in the world consistent with the geometry of giant petrified trees?

Why is there so much overtly demonic symbolism in the music and entertainment industry?

Why do pilots not have to adjust the nose cone of a plane to account for the curvature of the Earth?

Why do almost all video games revolve around killing??

Why are our names on official documents written in block capitals the same way they are on tomb stones and corporations?

How is it that movies and cartoons like the Simpsons are able to so accurately and precisely predict specific cultural events?

How do bush fires melt cars yet leave trees intact?

Where does taxpayer money go and does that make us complicit in any of its nefarious use?

Why is being 'out of a job' considered bad?

Why does the 'office' so closely resemble the 'classroom'?

Why is poisoning ourselves regularly with alcohol considered 'normal' and euphemistically called 'drinking'?

Why is alcohol depicted in almost every show and movie?

How do news anchors all over the world and on different channels say and repeat the same exact script verbatim?

If we are more advanced than we've EVER been and more knowledgeable, why do we have the highest rates of obesity, cancer and heart issues not to mention depression?

Some people accept the answers they've been fed. I feel the true answers surface when we begin asking better questions.

S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

T. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

U. Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working

with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
