Judy Note: *Some people I talk to fully understand that we have been functioning on a fiat US dollar for some time and agree that there is a need for a Global Currency Reset to save our Global economy, yet they refuse to buy currency or Zim because they don't want to spend the money...that will make them money.*

I find it difficult to talk to those same people about the Globalists who steal our money and have gained that power to do so by raping and killing children for their worship of Satan. No one wants to recognize that the Satanic Ritual Abuse of children exists all around them – and yet that denial was the very reason that this horrid abuse of innocent children was allowed to continue.

It's those same people who won't get involved in the Q movement to save our freedoms because they live in a bubble and don't want to believe those freedoms have been taken away.

These are the same kind of people who get out of a swimming pool when it starts to rain because they don't want to get wet. Me, I prefer to stay in the water because I want to enjoy the rain knowing that it will eventually stop. And, by then I will have the whole pool to myself.

- **On Wed. 15 Nov. it was revealed that the CIA was planning to attack (and blame on Hamas) 44 US cities' airports, subways and banks** in order to trigger an economic collapse and Internet outage. - **On Thurs. 16 Nov. in San Francisco** the Bay Bridge was blocked by pro-Palestine protestors demanding a ceasefire in Gaza, causing a traffic jam that lasted for hours. The demonstrators strategically abandoned their cars as they tossed their keys into the Bay before chaining themselves to the bridge, as reported by the California Highway Patrol. The protestors were demanding President Biden's intervention for a ceasefire and an end to U.S. military aid to Israel. In the aftermath of the protest, approximately 15 vehicles

were towed from the bridge, and about 80 protesters were cited and subsequently released by law enforcement

The Deep State’s goal was to also have a non-asset backed digital currency in force throughout the Globe in order to control the general public and their bank accounts.
- **New World Order Queen Oprah Winfrey’s** private jet was at Epstein Island eleven different times according to records just made public. She built an Underground Tunnel thought to house an international Child Trafficking Ring beneath her expansive Maui mansion that was strangely left untouched by recent DEW Attacks. - **Thurs. 16 Nov. Fulford Report:** The Satanic plan to use wars to turn the planet into a giant slave plantation has ended in failure. The geopolitical situation is in the middle of a collapse of the USASR-type situation. This will lead to many countries disappearing from the map in their current form. Countries likely to disappear include Israel, the United States, Ukraine and Poland. This comes as Rockefeller stooge president Joe Biden is set to sign surrender documents in San Francisco this week to the greater planetary liberation alliance, Western White Hat and Asian secret society sources say. What is happening is that a centuries-old Satanic plan to use three world wars to turn the planet into a giant slave plantation has ended in failure. The Khazarian Mafia hoped to use this plan to rule the world from Israel and greater Khazaria (Ukraine+Khazakhstan etc.). Instead, as we shall see below, the KM have been decisively defeated in the Ukraine and will soon be in Israel. "Ukraine is an essential piece that we cannot afford to lose on the geopolitical chessboard...our current path...means that our global order is dead on its' feet," admits Nathaniel Rothschild who has taken over the KM now that much of the Octagon group has been neutralized. - **Government, Big Pharma, and their lapdog MSM, were complicit in violating all 10 points of the Nuremberg Code with their Covid vaccine campaign.**

1. Were the public given “voluntary informed consent”?

-No -We were lied to, and told everything was 100% safe.

2. Was the result good for society?

-No -It did NOT stop transmission and has proven to be harmful to many who were at little to no risk from Covid.

3. Were there prior experimentations on animals the “justify the performance of the experiment”?

-No -Animal experiments were conducted, but the results and validity of the data are in question due to the lack of data, and lack of safety/efficacy in humans.

4. Did they “avoid all unnecessary physical or mental injury”?

-No -We were subject to 24/7 propaganda, brainwashing, and coercion from employers, media, and government entities. Not to mention the negative vaccine side effects such as Pericarditis and Myocarditis.

5. Did they stop possible “lethal or disabling procedures”?

-No -Government health agencies continued to push the experimental shots despite the debilitating side effects and potential death. They went great lengths to cover up VAERS and all talk of vaccine injuries on social media.

6. Did the “degree of risk outweigh the benefits”?

-No -99% of people were not at risk from SARS-CoV-2, and the experimental mRNA shots did not prevent transmission.

7. Were proper preparations and facilities prepared to prevent “remote possibilities of injury, disability, or death”?

-No -Subjects were brainwashed and largely unaware they were being experimented on and did not know they were at risk of injury, disability, and potentially death.

8. Were the experimentations conducted by only the “scientifically qualified”?

-No -Scientists who spoke out about the mRNA shots were silenced, censored, and intimidated by government agencies. Pharma propagandists coerced lower level public health workers to administer shots that they did not know the true data about. The doctors didn't KNOW the vaccines were safe, they were told they were safe. They were wrong.

9. Can participants “freely end the experiment”?

-No -Most of them don't know they are being experimented on, and even if they do, permanent alterations have been made to their bodies via mRNA technology that cannot be undone as far as we know.

10. Did they stop the experiment when it “proved to be dangerous”?

-No -Not only did they not stop, they kept going, doubled down, and abused government emergency powers to silence and censor US citizens who spoke about the real dangers of the mRNA vaccines on social media.

This may not officially be accepted as law, but the actions of our government violate all medical ethical standards and infringe upon the basic human rights recognized by every sovereign nation on the planet. We will have Justice.

The turbo cancer mouse had shown no clinical signs of illness before sudden death. This is the 2nd study to show turbo cancer after Pfizer mRNA vaccination. These

were the types of studies that Pfizer & Moderna should have performed on mice but never did. Key point: This 14 mouse study was larger than the study done to approve COVID-19 Omicron bivalent mRNA booster shots which were given to 100s of millions of people - that study only had 8 mice

- **I have been Warning** of all these EVENTS to come long before people understood what was going to happen.
- **I was one of the very first channels** to let everyone know we were going into War in Ukraine and the Middle East. People thought I was fear mongering. I was giving you details on how this was going to collapse NATO and lead to UN / DAVOS / CIA MI6 EXPOSURE.
- **The collapse of banks** and banking systems and fiat money (long before recent news in U.S. and EU of financial collapse. It's connected to COLLAPSE of Rothschild/Switzerland CIA money connected to Rookerfellers and the military industrial complex).
- **Musk would acquire Twitter** and turn into a powerful open news source for the world.

P. When you think of CBDC, IMF, Federal Reserve...

- **They wanted to create a system** where we were forced to only use exclusively CBDC without the other two forms of money coexisting as alternatives. Physical Gold/Silver (Basel 3) Paper Money (Basel 3)
- **These Central Banks** aforementioned above did not want to deal with Physical gold reserves as a Checks & Balance system where they could not endlessly produce CBDCs and not worry about accounting for it.
- **This is how the Federal Reserve** was able to print whatever they wanted because they were not held in account to how much gold/silver was available to match the figures they were arbitrarily printing at their volition.
- **Once banks started adopting** the new procedures like Basel 3 & ISO-20022 the Fed-Reserve was backed into a corner. For one they were absorbed by the US Treasury in 2020. So their printing machine was taken as well. Which is why we all have been using recirculated cash that all have 2017 on them. Check.

- **Donald Trump is against the policy** where only CBDC would rule the monetary system without any other currency option that you currently exercise that doesn't include electronic or digital money.
- **Which is the real issue here.** We already use digital/electronic currency. It's called Visa & Master Card. Which is what? An Electronic version of the physical cash you deposited in your bank.
- **Now imagine no cash at all?** Imagine no options and being forced to only use electronic/digital?
- **Digital currency is a medium of exchange** that is digital in form. It can be used to purchase goods and services, or it can be held as an investment. Digital currencies are often issued by private companies or organizations, and they may or may not be decentralized. Which is currently up to the user to decide whether or not they want to use that currency.
- **XRP is a native cryptocurrency** of the XRP ledger, which is an open-source, public blockchain designed to facilitate faster and cheaper payments. It is decentralized and can be traded on decentralized exchanges. XRP can also be used to purchase goods and services.
- **Remember all of this is an option** for the public. No one is being forced to use digital/electronic money. This is how the free-market is supposed to operate without the IMF or Fed-Reserve forcing everyone to only use their version of what Digital/Electronic currency is by outlawing every other form like paper/cash and leaving us to use digital only.
- **Remember the use of paper money** spread to other colonies in the 18th century. In 1775, the Second Continental Congress issued the first Continental currency, which was used to finance the Revolutionary War. However, the Continental currency was not backed by any hard assets (ie Gold/Silver) and quickly became worthless. Guess what? The same thing would have happened to CBDC. How? Because it wasn't going to be backed by ISO-20022 if the Fed-Reserve would try to create them in a Blockchain system where only digital coins supported by ISO would be dominant and accepted.
- **Are we clear?** Please stop looking at Digital Currency as the boogeyman when people are already using it who were not forced to. It's the Central Bank (DC) that was the problem. Not the (DC) itself. That's the difference.

Q. MAMMOGRAPHY IS THE LARGEST ORGANIZED CRIME AGAINST WOMEN!!

- **Females who get mammograms** probably don't realize how damaging they are. A few details to consider before deciding on a review:
- 50-60% of "positive" results are incorrect!!! So being diagnosed with "breast cancer" in 50-60% of cases proves it was not even there at all!!

- □ upon examination, the breast is compressed with a large weight of 10 kPa (1019 kg/m²) and then a healthy, very sensitive mammary tissue is bombarded with radioactive radiation!!!
- □ stimulates tumor growth and spread of metastases!!!
- □ study done at 690,000 records show that a large number of breast cancer in completely healthy women after mammography!!!
- □ Switzerland is the first country in the world to ban mammographic examinations.
- **The criminal medical mafia** is aggressively forcing healthy women to undergo mammogram examinations annually to make them profitable patients!!!
- **Every woman** who has undergone this examination knows how painful it is. Her breast compresses such a pressure force, as if it was inserted into a beast, as if it were being crushed. Experts warn that men, if they want their partners to be healthy, do not squeeze their breasts, massaging is permissible, not pressing. Because they can damage the glands which can lead to a tumor. But, on the other hand, mammography, which is like 100 times stronger to hold a man's hand, they recommend.
- **A former military doctor** states chem trails contain barium salts, human plasma, microviruses, non-terrestrial nano-silicon machines, poisonous aerosols, and can even be used to augment 'biocoding' frequency-transmission capabilities, to provide an assistive-basis for "thought-based DNA warfare".

R. Poisoning of Our Food Supply:

- **Tap water is the most underrated cause of disease**, loaded with heavy metals, pesticides, fluoride, chlorine and pharma products.
- **Smartphone app helps identify foods that contain insects.** Users are discovering that insects are being used as the basis for more than 100 common grocery store foods.

T. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

U. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

V. Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

W. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives

to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

X. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
