*When you walk through a storm hold your chin up high and don't be afraid of the dark.
At the end of a storm is a golden sky and the sweet, silver song of a lark.
Walk on through the wind, Walk on through the rain though your dreams be tossed and blown.
Walk on, Walk on with hope in your heart, and you'll never walk alone.
You'll never walk alone.*

IMF releases digital currency handbook for world's Central Banks which was talking about Blockchain and asset backed currency – that move the world away from depending on the US dollar. They have a handbook for countries to create their own sovereign digital currency. This is the IMF throwing the US under the bus...showing the world how they can de-dollarize.....this piece is huge. The financial markets around the world should be erupting. Right now. Forbes: “The US dollar collapse “acceleration” 33.7.Trillion shock Fed inflation warning and makes the “bullish” case for Bitcoin, Ethereum, XRP and Crypto price surge” These are alternatives to the US dollar.....Right out loud they say the dollar is collapsing and its accelerating. Russia and China de-dollarization is almost complete. About 95% of trades is now settled in their national currencies. Egypt and India abandon the dollar completely. Sri-Lanka central bank to move to a floating rate and foreign reserve collection report. This means they are un-pegging...They are ready for the markets to decide their value. J. Mon. 20 Nov. David Wilcock Update:

- There is also financial warfare taking place against the US Corporation. The Chinese have been dumping US Treasuries in an attempt to collapse the FRB and their Washington DC subsidiary. This prompted the KM to retaliate by hacking Chinese bank computer systems. Reuters reported this attack.
- A ransomware attack on the industrial and Commercial Bank of China (ICBC) disrupted some trades in the U.S. Treasury market on Thursday, the Treasury Department said.
- Canadian intelligence agency says what really happened was:
- “The Fed put out a \$24 TRILLION bond for countries to buy to cover the debt- NO ONE BOUGHT EVEN A PENNY. China bought oil futures from IRAN and paid 33 TRILLION BUT NOT IN US \$ – what does that tell you about the USA in world affairs; THEY ARE FINISHED”
- These battles are taking place in the run-up to the summit meeting between “President” Joe Biden and Chinese President Xi Jinping on November 15th. Our sources tell us “Biden” (the Rockefellers) will try to appease Xi by offering the State of California to China.
- However, the Chinese have made it clear the US has to “let go of its arrogance and prejudice, and quit its hegemonic, domineering and bullying practices.”
- The Chinese foreign ministry notes “the United States has fought or been militarily involved with almost all the 190-odd countries recognized by the United Nations .
- One of the worst war criminals in history. Organized child trafficking in Ukraine “spans the entire spectrum from getting a new family somewhere in Western Europe, without the consent or even knowledge of the biological parents, to sex-trafficking, prostitution, pedophilia and how these children are murdered and, among other things, their hearts, kidneys and livers, are sold on an international black market for organ trafficking,” Polish intelligence reports.
- Russian Foreign Ministry spokeswoman Maria Zakharova confirms noting “representatives of a health ministry in a NATO country struck a deal with some ‘private businessmen’ who were assisted by Ukraine’s Health Ministry and Presidential Office to deliver a refrigerated train car full of human organs and body parts.”
- No wonder the so-called King Charles III of England has been deposed, according to MI6 (white hats)after making a speech claiming among other things:
- This will be shut down soon. General Valerii Zaluzhny, commander in chief of the Ukrainian armed forces, launched a military coup in Ukraine. “Understand, there were fifty million of us, now there are less than twenty of us left. If we don’t stop Zelensky, then he will send all Ukrainians to slaughter...I order all military personnel to

immediately leave the combat zone and take power in the cities under the control of the military.”

- No wonder the KM-controlled Biden show is distancing itself from this. The Washington Post has published a report accusing Ukraine of blowing up the Nord Stream pipeline. “It looks like Zelensky and his officials are being tossed under the bus. Interesting that this comes out now,” a Mossad official comments.
- Germany, meanwhile, is making moves to take over not just Ukraine but Poland and Latvia as well. Germany’s former ambassador to Warsaw, Arndt Freytag von Loringhoven, suggested in a German newspaper that German troops should be stationed in Poland permanently.
- The European Union is seeking to introduce a “German plan” that would result in “the annihilation of the Polish state”, Jarosław Kaczyński, the chairman of Poland’s ruling party, warns.
- “A ‘Defense Union’ is also to be established, which will be able to use Polish armed forces without the consent of the government in Warsaw,” warns Jerzy Kwaśniewski – President of the Ordo Iuris Institute for Legal Culture. “The European treaties do not contain a definition of the rule of law,” he adds.

K. Back to Natural Law. Bye Bye Maritime Law:

Let's start with the fact that this proves that you don't own any stocks. You don't own any bonds. You don't own any cash in the system. They own it. They use the legalese against you, the strawman. You are technically speaking, the beneficial owner, subject to the entitlement, but not the direct owner. This problem is very old, maybe even ancient. This is what the English Crown has been trying to do since the Bank of England was created in 1694, to take back what they view as theirs, particularly what was lost during the Revolutionary War. The King dispatches his agents into foreign lands, in an attempt to take whatever it can back, in any way shape or form (again, think of this going on for hundreds of years). And this invisible force can reprint it (called re-hypothecation), currently done through the NY Fed's ESF, over and over and over. So what happens is the banks and brokerage houses act as intermediaries for the DTCC, literally acting as a "Central Asset Clearing Depository" where they hold all of the actual (real) shares, instead of the fake synthetic shares. "Fichelin's" (fake Chinese Michelin knockoff stocks and bonds), for example might be sitting in your brokerage or 401(k) at Fidelity, Vanguard, BlackRock, State Street, etc. So essentially, all variations of shares of stocks and bonds within all forms such as mutual funds, ETFs, even directly holding stock and bonds within the system are no different than crypto coins sitting at Coinbase; that in legalese, the brokerage or banking deposit is actually a synthetic claim. All shares are synthetic in the system ☹️. AMC and GME Apes have found this lesson out the hard way. The scariest and craziest thing is that they can basically push a button to say that the whole financial system is insolvent, and the existing Case Law on Bankruptcy backs the claim that a handful of unknown people (secured senior creditors of the DTCC) could wind up owning all of the assets within the system. It sounds far-fetched, but we

don't know what they will do. We just have to put the facts together to see what is possible, and then run probability estimates. These are the reasons the elites and most politicians within the system hate Gold, Silver AND Bitcoin - because they can't get away with their monetary crimes against humanity, because they have no strawman! So get into hard assets and things that actually have value! The paper unwind is about to begin. Enjoy the show.

N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

O. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

P. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
