Judy Note: *Our World is about to change. Be Prepared.*

- **When US Inc. went officially bankrupt on the midnight of 15 Dec. 2021** it not only was the beginning of the end for the fiat US Dollar, but more importantly, it reversed the 1871 Act of England. That meant that US Inc. no longer existed and allowed the US to go from Maritime Law to 1776 Constitutional Law according to Supreme Court Justice Thomas.
- **On Fri. 15 Dec. 2023** a broke US Inc. and Federal Reserve will release \$100 Trillion in Digital Currency that has no value in hopes it can be exchanged for goods and services that people will accept. ...I don't think so.
- **This decision was a result of the US Petrodollar** no longer being accepted for international trade as of **Wed. 6 Dec.** – which resulted from over half of the World population joining by that time, the BRICS nations gold/asset-backed currencies. Those currencies of Sovereign nations were set to be traded at a 1:1 with each other as of **Mon. 1 Jan. 2024.** It's called the Global Currency Reset (GCR).

- **As a result of the GCR** the Cabal's World Bank and Central Banks were expected to start closing, or go to service only status on **Fri. 15 Dec.** The four largest US Banks have already sent notice to their credit companies that they will no longer need their services as of **Thurs. 14 Dec. midnight.**
- **Personal Bank Accounts** have already been mirrored onto the new Global Financial System that functions on Star Link Satellites. There, only you will have access to and control of your monies.
- **It was advised to have cash,** food and essentials on hand to function on during a transition period.

If you were reading this Update on, or from Operation Disclosure Official, be aware that the information has been redacted. For a complete un-redacted version, see a PDF copy at the end of the Update on Operation Disclosure Official, or read an un-redacted version on the Rumor Mill Website.

A. Rumored Timing:

- **Wed. 6 Dec.** the fiat US Dollar collapsed when the Petro Dollar was no longer accepted for international trade.
- **Fri. 15 Dec.** the Central Bank has to cough up 100 trillion \$ in real money not fiat paper. This is the nail in the coffin for the Fed Reserve. Bank assets start losing their value leading to a Worldwide Banking Crash, Media Blackout and Ten Days of Darkness.
- **Somewhere around the end of December 2023,** the largest transfer of wealth in human history will begin.
- **Before Christmas Dec. 2023** Med Beds will be announced.
- **On Mon. 1 Jan.** all gold/asset-backed currencies across the Globe would be on par 1:1 with each other; in the US Social Security benefits will be much higher and the SS R&R payments would start on a monthly basis.
- **Tues. 30 Jan. 2024** deadline for implementation of Protocol 20 by major corporations around the world that have interfaced their networks on the QFS.
- **In three to six months** the Rodriguez Trust will begin to administer "universal basic income" for citizens of all GESARA-compliant countries. The amount per individual or family will depend on the status, needs, employment level and age of the person/family and will work to encourage people to work if they can.
- **The GESARA Blockchain Election takes place in 120 days or by Mon. 1 April 2024. Everything will be ready by 30 Jan. 2024**
<https://m.beforeitsnews.com/alternative/2023/12/0412-the-gesara-blockchain-election-takes-place-in-120-days-april-1st-everything-will-be-ready-by-january-30th-3803746.html>

B. Global Currency Reset:

- **Wed. 13 Dec. MarkZ:** The IQD is on Forex as a tradable currency. This means individuals and institutions can buy and sell IQD on the Forex market...just like any other currency. The IQD is traded against other currencies like the US dollar, Euro and British pound. The exchange rate of the IQD is determined by market forces. In other words, there is an article coming out that says it is looking for a “float” or adjustment against other currencies. They say they are adjusting the exchange rate and the value of it.
- **Wed. 13 Dec. Rod Steel:** "(Tier4b will be notified) immediatly, or no later than the 20th. We need 10 days to get in there before the first of January."
https://youtu.be/jOrKdna_LPI?feature=shared
- **Wed. 13 Dec. TNT:** They are lined up at the banks today. Get ready. **On Sat. 9 Dec.** Iraqi citizens were told that they had to wait just a **few more days**. They are not going to use the US Dollar for exchange after **Jan. 1 2024**. Everyone we talk to tells us that there is nothing left to do and they are just waiting for the IMF to release it since they are the ones in charge now.
- **Wolverine:** “I received a call that Zurich went liquid on **Sun. 10 Dec**. A lot of things are happening, especially with the Admiral. It started **Fri. night 8 Dec**. and it’s rolling out. Everything is now in the payment phase through authorized banks. All escrow accounts of the people who will receive have been opened. Only the account holder will be able to access the account and can do so through their cell phone or computer. Now the phase of sending the CALLS to all the people called planned or contributed will begin via email to make an appointment. Everything will be done in the utmost secrecy. If the person starts to talk, to tell, especially through social networks, whoever it is, their values will be blocked with no possibility of reversing the process. The World Bank codes have been received and entered into the system so we can say IT'S REALLY OVER!!! We are ready. Thank you God for leading us.”
- **Tues. 12 Dec. Texas Snake:** “My Banker is hopeful we will be **completed before Christmas**. He says the silence is deafening as virtually the noise has ceased from above, which he takes as positive”
- **Sun. 10 Dec. Frank26:** There is no more guessing. The World Bank has just told the whole world Iraq is about to raise the value of its currency.
<https://dinardetectives.com/frank26-1223/>
- **Fri. 8 Dec. Kenneth Kingery:** The Admiral in Reno gave the green light. Whales are being paid.
- **Fri. 8 Dec. Tomas:** “It's rolling. All Tiers started but Tier4.”
- **Fri. 8 Dec. Blue Ray:** Whales are being paid!!! They are the tier right before us! The Admiral gave the green light in Reno! That’s why all the millionaires are being announced over the weekend on the US debt clock!
- **Wed. 6 Dec. Listener Sean Kenney:** Heard from a finance guy that on New Years Eve the ATMs will be loaded with the new currencies.

- **Interesting Tidbit:** The Iraqi government has only spent approx 20% of their 2023 budget so far and is expecting to release the remaining 80% around the **20th of December**.
- **The difference between physical currency and fiduciary currency** lies in their form and representation: **Physical Currency: Also known as "cash"** or "hard currency" takes the form of tangible, physical objects, such as coins and banknotes. **Fiduciary Currency: Exists in digital** or non-physical form, typically as entries in electronic accounting systems or as paper money not backed by a physical commodity like gold or silver. Derives its value from the trust and confidence people have in the issuing government or authority. Unlike physical currency, fiduciary currency has no intrinsic value; its value is based on the belief that it can be exchanged for goods and services and that people will accept it as a medium of exchange.

C. Restored Republic:

- **US alarmed as China hacks critical systems.** “The US is alarmed as China hacks critical systems. China has infiltrated key American cyber infrastructure without detection for over a year. Known targets include the water utility in Hawaii, a port on the US West Coast, and an oil and gas pipeline. The goal is for China to leverage a position over the United States to create chaos, cause panic, and disrupt logistics”—resembling the plot of ‘Leave the World Behind.’”

- **Ken and Barbie vs. Goliath IRS Update:** Ken and Barbara Cromar have been battling the IRS for many years, which was putting the senior couple out as an example of the IRS power over The People. The IRS twice sent SWAT Teams to take away their fully paid for home even after the couple won their case in a federal tax court that they owed no monies to the IRS. All their possessions were thrown away, even expensive equipment Ken used to make a living. Ken was recently arrested, convicted of burglarizing his own fully paid for home – which had been illegally confiscated from him and was presently in jail serving his sentence. The IRS and DOJ orchestrated together to steal the Cromar's Home, and to collectively deny the Cromars of their God-Given Constitutional Rights to Due Process.

Told through his personal perspective in 14 parts, his story illustrates the deceptions we currently face in the world and the established media's manipulations, misrepresentations, distortions, and outright lies, that were designed with a specific purpose to provide "bogus narratives" to obfuscate the facts and create an atmosphere where *Nothing Is As It Appears!*

L. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

M. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

N. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

O. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

P. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
