King Charles Abdication Likely

After International Common Law Court of Justice Conviction on Nov. 30 2023

For Killing Ten Cree Indians in Saskatchewan Canada Last Year.

[Andrea Bocelli and The Mormon Tabernacle Choir - The Lord's Prayer - YouTube](#)

Judy Note: It is my personal opinion that the Ten Days of Media Darkness will include ten days of exchange/ redemption for us in Tier4b, the Internet Group who have purchased foreign currencies and Zim Bonds.

According to Q's latest post, those ten days would start **around midnight on Fri. 15 Dec. and end Christmas Day 25 Dec.**

During the Ten Days of Darkness all Mass Media TV and radio programming will be taken down, while eight hour documentaries will be broadcast 24/7 on the new Star Link Satellite System. Through those documentaries the public will be introduced to the new Global Financial System and educated on the Mass arrests and Military Tribunals of Global and Political Elites.

On that same Fri. 15 Dec. People of the World would switch to the new Global Financial System where all bank accounts would no longer be under control of the Cabal's Central Banks. Individuals would have complete privacy and control of their monies and bank accounts functioning through the new Star Link Satellites.

Tier 4b would obtain access to the new Global Financial System through their foreign currency exchange/ Zim Bond redemption appointments at Redemption Centers.

Beginning Jan. 1 2024 the General Public would also be invited to go to Redemption Centers to obtain access to the new financial system.

This is only my opinion.

A. Thurs. 14 Dec. Breaking News from the International Common Law Court of Justice:

- **King Charles convicted by the ICLCJ** for indigenous killings of ten Cree Indians in Saskatchewan **last year**.
- **Charles' abdication was likely** in order for him to protect other highly placed criminals as new web of murders has been uncovered by the ICLCJ Court.
- **Public Summons issued to Trudeau, Archbishop and Rio Tinto CEO's:** Trudeau and others charged with murder of Cree Natives <https://youtu.be/88SOwQf7Mjc>

B. London: Owen Lucas is Free: Global campaign forces his release following King Charles' conviction by the ICLCJ.

- **Whistleblower Owen Lucas** was suddenly released from a British prison this week after international protests and new evidence of high-level criminality deepened the crisis threatening the monarchy.
- **Owen Lucas was illegally imprisoned for over a month** after he published the evidence of King Charles' involvement in the murder of Canadian native activist William Combes. Last Monday, Owen walked free from Swansea Prison with a vow to *"carry on the fight after I get a good night's sleep."*
- **In an email to his associate Kevin Annett**, Owen thanked the many people who protested his arrest and promised to conduct an exclusive interview soon.
- **Meanwhile, the fallout from the criminal conviction of Charles Windsor on November 20** continues to spread. [Summary Judgement of the West Coast Common Law Court of Justice, November 20, 2023 – Murder by Decree](#)
- **After deputizing British Police to enforce the arrest order against Charles**, the Court received evidence from those convicted with Charles that links him and top Canadian, British, and corporate officials to the murder of ten Cree Indians in Saskatchewan last year. [Mass murder, coverup, and payoffs: Following the Big Money behind the Cree Nation massacre – Murder by Decree](#)
- **The Court will be issuing Public Summonses to Anglican Archbishop Justin Welby, Canadian Governor-General Mary Simon, Prime Minister Justin Trudeau, and Rio Tinto mining company executives Dominic Barton and Jakob Stausholm** to answer charges in relation to those murders.
- **"This is all a weird déjà vu repeat from ten years ago, when our court forced Pope Benedict from office,"** remarked Kevin Annett, an advisor to the Court prosecutor.
- **"Ratzinger was dumped to save all the other child-killing cardinals from exposure.** But it doesn't matter what smiley face replaces Charles Windsor. To quote Oliver Cromwell, *'We have convicted not only a monarch but monarchy itself.'*"
- **More news will be posted soon at www.murderbydecree.com** under 'ITCCS Updates'. Stay tuned for an upcoming interview with Owen Lucas and Kevin Annett. <https://youtu.be/88SOwQf7Mjc>

C. Global Currency Reset:

- **Thurs. 14 Dec. Bruce:** The window for Tier4b (us, the Internet Group) to receive an appointment is **between now and Sun. 17 Dec, but** we got something that extends it to **Tues. 19 Dec. On Thurs. 14 Dec.** a Treasury representative said Tier4b would be **notified Mon. 18 Dec.** with exchanges starting on **Tues. 19 Dec.** There were 16,000 Bond Holders who could see their funds but didn't yet have access to them, but would go **on Sun. 17 Dec** with access to them on **Mon. 18 Dec.** They would be pretty much done **by Christmas. Tier4b will probably go on through Christmas to the end of the month** with the Redemption Centers. The Redemption Center rates will be the best available – you won't get that in a bank. There was a two page Non Disclosure Agreement you would have to sign and the 55 page booklet of who not to give money to. If you break the Non Disclosure Agreement or give money to someone listed in the booklet your account will be seized, and you won't get the money back.
- **Thurs. 14 Dec. Texas Snake:** I have received a notice today and then had it confirmed by several entities unrelated to the original message. The word I received was the Bondholders as well as CMKX and the Indian Tribes would be notified late tomorrow **Fri. 15 Dec. into Saturday 16 Dec,** as to how their funds were going to be delivered. Tier4b and Bond Holders would receive our notices late **Sun. 17 Dec. into early Mon. Tier 4b could begin scheduling appointments starting next Wed. 20 Dec.** to exchange. The 20th is an important date in country relative to the Iraqi budget. Everything in country is positive for a **Wed. 20 Dec. RV.**
- **Thurs. 14 Dec. RayRen98:** The IMF stated they are finished with the RV and have released everything to the individual countries.
- **Thurs. 14 Dec. Just Listening on Telegram:** Rates. Increase. Trade deals. Swaps. Gold swaps overnight last night. Currency swaps being set up with Vietnam. Iraq says they will start spending the balance of their budget on **December 20, 2023.** Look for the rate change on or before then.
- **Thurs. 14 Dec. MarkZ:** "Both my Iraqi people and bank people think we are within a couple of days."
- **Thurs. 14 Dec. Goldilocks:** "UPI To Go Global, You Will Soon Be Able To Make Payments In Dollars." The Unified Payments Interface of India just so happens to have a contract with Iraq with the expectation of them doing trade in local currencies together. Just hours ago, we learned that Iraq is now using the "National Company for Electronic Payment Systems" to aid them in foreign currency exchanges between countries. This new update will open the door for seamless transactions across Global Borders with countries who have a common currency. <https://www.cnbctv18.com/personal-finance/upi-payments-soon-pay-in-dollars-rupee-digital-online-npci-rbi-18536861.htm>

- **Wed. 13 Dec. Dollar fell sharply amid Fed's decision:** The benchmark Bloomberg Dollar Spot Index fell 0.8%, posting its biggest one-day drop in a month after the Federal Reserve left its benchmark interest rate unchanged and put forward a more aggressive forecast for monetary easing in 2024. <https://t.me/multipolarmarket/7212>
- **Wed. 13 Dec. UK economy shrinks in October, signaling a weakness.** The UK economy contracted more than expected in October as rising borrowing costs and wet weather took their toll, setting the stage for another quarter of stagnation that is widely forecast to persist until 2024. GDP fell 0.3% after rising 0.2% in September, the Office for National Statistics said. The fall was the first since July and exceeded the 0.1% drop forecast by economists.
- **Wed. 13 Dec. 2023 the US dollar is going away between now and the 20th for commercial purposes.** It will not be used as of the same data for taxation in the country... Will they still be able to buy dollars to travel...? Yes. Will they be able to use the dollar for transactions in country for commercial purposes? Answer, No. Will they be able to use any other currency other than the dinar for commercial purposes within the country as of January 1, 2024? ...the answer is no... Standby for this to get really exciting because everything we're seeing is telling me that we've never been here before. <https://dinardetectives.com/militiaman-378/>

- **Today Thurs. 14 Dec.** we got something that extends it to **Tues. 19 Dec.**
- **Tonight Thurs. 14 Dec.** a Treasury representative said Tier4b would be **notified Mon. 18 Dec.** with exchanges starting on **Tues. 19 Dec.**

- **Tier4b** should get email notification from Wells Fargo on **Mon. 18 Dec. and start Tues. 19 Dec.** That is the plan and that's what been given to me
- **The Redemption Center rates will** be the best available – you won't get that in the small banks. Even if you only hold Dinar and Dong still call the toll free number because the rates you get at Redemption Centers will be the highest.
- **There was a two page Non Disclosure Agreement** you would have to sign and the 55 page booklet of who not to give money to. If you give money to someone listed in the booklet your account will be seized.

- **Thurs. 14 Dec. The war in Ukraine is over.** Russia has won a massive battle against NATO and US Inc. The arrest of Zelensky is on the horizon.
- **The FCC allows Space X to test its cellular Starlink** system to beam data to smartphones in over two dozen locations across the US.

G. What Is Coming: Emergency Broadcast System to Activate Martial Law, GESARA Announced, and the World Entering the 5th Dimension!

- **The world as we know it is on the brink of a transformation** so profound, it will rewrite the very fabric of our society. The plan involves the Emergency Broadcast System (EBS), Martial Law, the Global Economic Security and Reformation Act (GESARA), and much more.
- **The EBS, long thought to be a tool for national emergencies, is set to play a pivotal role in this grand scheme.** It's expected to be the primary channel for announcing major changes, possibly including the implementation of Martial Law.
- **The GESARA announcement, a moment that will mark the beginning of a new era. GESARA isn't just a policy change; it's a complete overhaul of the global financial system.** It's about rectifying centuries of financial injustices and returning power to the people. The Deep State Cabal, which has controlled the world's wealth and resources, is about to be dethroned. This is not a bailout or a handout; it's justice.
- **The Redemption Centers, which everyone must pass through, are not just for those holding bonds and foreign currencies.** They are the gateways to a new world, where the truth will be revealed in the "Disclosures." These centers will expose the heinous crimes of the elite, including child trafficking and other unspeakable acts. The videos of Military Tribunals and Public Executions will be a testament to the end of an era of corruption and deceit.
- **The Quantum Financial System (QFS) is the cornerstone of this new world.** It's a system so advanced, it can detect and prevent crimes against humanity in real-time. This isn't science fiction; this is the future of banking. The QFS will ensure that the wealth of the world is used for the good of humanity, not for the greed of a few.

- **The new Rainbow Currency, ready to be released,** is the symbol of this new era. It represents transparency, equality, and prosperity for all. Your funds, including your 401k and other retirement funds, are safe and have already been transferred to the QFS. Beware of scams telling you otherwise; your financial security is a top priority in this new system.
- **The leveling of the playing field will be revolutionary.** Debts will be wiped clean, credit scores will become irrelevant, and financial freedom will be the new norm. Student loans, credit cards, car notes, mortgages, and even past IRS payments will be settled. This is the debt jubilee we've been waiting for.
- **But it's not just about financial liberation.** This change signifies a shift to a higher consciousness, the 5th Dimension, where love and unity will prevail. The 4-day workweeks, the ease of life on the 5D New Earth, are just glimpses of what's to come. We are transitioning from a world of debt and slavery to one of freedom and sovereignty.
- **This transformation began with the farmers,** who are now being compensated with \$800 million. It's a symbolic gesture, acknowledging the roots of this movement and the beginning of the end for the Deep State Cabal's Central Banking System.
- **For those reliant on Social Security, a windfall awaits.** Soon, beneficiaries will receive up to three times their current amount, potentially up to \$5,000 a month. This isn't just a minor policy adjustment; it's a financial revolution, ensuring comfort and security in retirement years, previously unheard of.
- **The reduction of the retirement age to 60, possibly 62,** is more than a mere tweaking of numbers. It's a radical rethinking of our work-life balance, acknowledging the value of our senior years and granting millions the freedom to enjoy life earlier.
- **But this transformation goes beyond individual finances.** It's a societal overhaul, where care and compassion are not just buzzwords but the cornerstones of our new reality. The commitment to eradicate homelessness, particularly among veterans and the mentally ill, speaks volumes. This isn't just about providing a roof; it's about restoring dignity and offering a helping hand to those who have served and suffered.
- **We're on the cusp of a new era, where the structures that have long governed our lives are dismantled and re-imagined.** The IRS, a symbol of bureaucratic control and complexity, is on its way out, marking the end of an era of convoluted tax systems.
- **The real estate market, long a source of financial stress for many, is set to undergo a radical transformation.** Imagine a world where housing prices revert to those of 1955, making home ownership accessible to all. This isn't just a market correction; it's a societal reset, ensuring that the basic need for shelter is affordable for everyone.
- **We're entering an era where our energy needs are met not just efficiently but freely,** thanks to Starlink and Tesla energy innovations. This is a game-changer, not just for household budgets but for our relationship with the environment.
- **The healthcare landscape is poised for an unprecedented transformation.** The end of Big Pharma as we know it marks the collapse of a giant that has long dominated our health choices. In its place, we're looking at a future where hospitals and traditional care facilities become obsolete, replaced by Military Med beds and groundbreaking cures, unlocked from Nikola Tesla's vault of 6,0.
- **These Med Beds, under the stewardship of the Military Secret Space Force Program, signify a leap in medical technology and accessibility.** The notion that the

rescued and trafficked children have already benefited from this technology is a testament to its potential.

- **Every single industry, from finance to education, from government to tech, is undergoing a radical overhaul.** We're not just evolving; we're leaping into a new dimension – a 5D World, a Golden Era that promises equality, sustainability, and prosperity.
- **This new world order isn't just about financial and technological advancements. It's a cultural and social revolution.** The move towards 4-day workweeks and a focus on creative and humanitarian projects represents a shift in our value system, prioritizing well-being and fulfillment over relentless productivity.
- **In this new era, the societal hierarchy is dismantled.** Single mothers, the mentally ill, and the homeless are afforded the same respect and opportunities as celebrities and politicians. This is a world where kindness is the currency, and equality is not just a goal but a reality.
- **The transformation extends into our homes and communities.** Parenting classes, a renewed focus on family values, and the de-weaponization of media mark a shift towards nurturing, supportive environments for all.

H. EBS About to Activate Martial Law: [Emergency Broadcast System \(EBS\) Ready to Activate Martial Law! | Alternative | Before It's News \(beforeitsnews.com\)](#)

- **The world as we know it is on the brink of a transformation** so profound, it will rewrite the very fabric of our society. This isn't just another news story; this is the revelation of a lifetime. The plan, meticulously orchestrated and hidden in plain sight, is about to unfold. It involves the Emergency Broadcast System (EBS), Martial Law, the Global Economic Security and Reformation Act (GESARA), and much more.
- **Firstly, let's talk about the EBS and Martial Law.** The EBS, long thought to be a tool for national emergencies, is set to play a pivotal role in this grand scheme. It's expected to be the primary channel for announcing major changes, possibly including the implementation of Martial Law. This isn't a drill or a mere speculation; this is a calculated move in a game of chess that's been played in the shadows for decades.
- **Then comes the GESARA announcement,** a moment that will mark the beginning of a new era. GESARA isn't just a policy change; it's a complete overhaul of the global financial system. It's about rectifying centuries of financial injustices and returning power to the people. The Deep State Cabal, which has controlled the world's wealth and resources, is about to be dethroned. This is not a bailout or a handout; it's justice.

I. The Real News for Thurs. 14 Dec. 2023:

- **Hawaii:** Watch Lahaina Maui closely! Everything they are doing there is the agenda for everywhere else. They're setting up the smart city prisons for the people and they know the people will not accept check points and getting walled into zones they cannot leave. So they create these catastrophes and use words like dust screens instead of prison walls in which people will be locked inside. Wake up and unite, reject it all before it's too late.

- **Ken and Barbie vs. Goliath IRS Update:** Ken and Barbara Cromar have been battling the IRS for many years, which was putting the senior couple out as an example of the IRS power over The People. The IRS twice sent SWAT Teams to take away their fully paid for home even after the couple won their case in a federal tax court that they owed no monies to the IRS. All their possessions were thrown away, even expensive equipment Ken used to make a living. Ken was recently arrested, convicted of burglarizing his own fully paid for home –

which had been illegally confiscated from him and was presently in jail serving his sentence. The IRS and DOJ orchestrated together to steal the Cromar's Home, and to collectively deny the Cromars of their God-Given Constitutional Rights to Due Process.

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

R. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

S. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
