- **Mon. 18 Dec. Black Swan Event:** Red Sea Supply Chain Halted. After attacks on shipping containers in the Red Sea connected to Israel all transits through the Red Sea have been paused, causing a major supply chain interruption – that would likely last at least 5-6 months. Expect goods shortages and delays in manufacturing products.

A. Possible Schedule of Events:

- **Tues. 19 Dec:** Several sources verify that the IMF has released the GCR funds to all countries, plus US Banks have live rates on the bank screens. It was an expected GO

officially for **Tues or Wed**. Fines, interest and penalties and adjudicated settlements were getting ready to be paid out possibly on **Tues. 19 Dec**.

- **Wed. 20 Dec:** Iraq has from Wed. until end of month to spend their 2023 budget, meaning the new Iraqi Dinar Rate has a go by at least **Wed. 20 Dec**.
- **Thurs. 21 Dec:** Banks open to exchange currencies including Dinar, meaning the new rates would have to change by at least **Thurs. 21 Dec**.
- **Fri. 22 Dec.** a Big Event Day according to hints on the Internet.
- **Five days after RV begins** the public will have access to Med Beds. Treatments are free, with children having critical medical conditions going first.
- **On Mon. 1 Jan. 2024 the new Quantum Financial System (QFS) and Global Currency Reset** will officially launch to the general public of BRICS participating nation's gold/ asset-backed currencies on the Star Link Satellite System.
- **On that same Mon. 1 Jan. 2024** the BRICS Gold/ Asset-backed XRP Digital Currency would officially be considered the Global Standard for international trade, with all participating nations' currencies trading at a 1:1 with each other.

B. Global Currency Reset:

- **Mon. 18 Dec. Patriot Rod Steel RV Update:** "The IMF has released the funds to all countries. US Banks have LIVE RATES on the bank screen. We expect for this to GO officially **Tues or Wed** as Iraq's budget is to be released **Wed. 20 Dec**. now with 10 days to spend 80% of the money. ...(Tier4b will be notified) immediately, or no later than **Wed. 20 Dec**. We need 10 days to get in there before the **first of January** (when the General Public goes)." https://youtu.be/jOrKdna_LPI?feature=shared
- **Mon. 18 Dec. TNT:** "All three letter agencies are now saying that it has been released. Our Fed contacts said it was released to the banks late last night **Sun. 17 Dec**. and that the rate was now live. No one is sure what the banks are waiting for. Several Regional Bank managers have reported having a live rate on their screen. This could possibly go to the tellers screen after banking hours tonight or in **the morning Tues. 19 Dec**. It should be totally released by **Wed. morning 20 Dec**. since Iraq is saying they will release the budget on Wednesday. The RV was scheduled last **Fri. 15 Dec**. That morning Iraq citizens were told by Sudani that the Dinar rate was going to change in the next couple of days. The US has released it. IMF has released it to each country so when it goes, they can start exchanging."
- **Mon. 18 Dec. Wolverine:** "I just talked to Marecia. Everything is looking good. We are close to releasing it. We are on the verge of it happening. Take care, guys. I love you. **On Sat. 16 Dec**. I received a call from a very high source. All I can say is that Christmas is coming and we are going to have a very good Christmas. I had received another call last **Sun. 10 Dec**. that Zurich went liquid. A lot of things are happening, especially with the Admiral. It started **Fri. night 8 Dec**. and it's rolling out. Everything is now in the

payment phase through authorized banks. All escrow accounts of the people who will receive have been opened.”

- **Mon. 18 Dec. MarkZ:** A caller asked Markz where he will be "Wednesday when the notifications come out." MarkZ replied: "Put it this way... because I think there is a great chance of that, I made certain to book a flight with Internet just so I can go Live no matter where, may be choppy but will be there.“We are close since Iraq is supposed to start spending the last 80% of their budget on **Wed. 20 Dec.** and the chatter is very loud right now about fines, interest and penalties and adjudicated settlements getting ready to be paid out possibly on **Tues. 19 Dec.** I’m getting updates from government sources across the World, plus my bank sources, who all agree that everything has been released and the amount of currency rates have been agreed to and has been shared with various countries. I hear more and more contacts from different nations say that they now have the "GO". We don't know the timing. They appear to have been releasing the countries one by one. The IQD is on Forex as a tradable currency.”
- **Sun. 10 Dec. Frank26:** There is no more guessing. The World Bank has just told the whole world Iraq is about to raise the value of its currency.

E. Global Financial Crisis:

- **On Mon. 1 Feb. the 1871 Act of England** was no longer in effect due to US Inc.’s bankruptcy. Shortly thereafter a team headed by Charlie Ward took 650 plane loads of gold from an underground tunnel beneath the Vatican and placed it back with original owner nations, mainly the new US Treasury near Reno Nevada and two other places. Those 650 plane loads of gold were worth \$42, 956 Quintrillion (19 zeros).
- **On Fri. 27 Oct. 2023** the Iraqi Dinar revalued.
- **During 2023** major US Banks such as JP Morgan, Wells Fargo and Goldman Sacs closed hundreds of their branches and laid off thousands of their workers in anticipation of a financial meltdown.

F. Mon. 18 Dec. The top five Container Shipping Companies were now refusing Israel Cargo Transit Thru Red Sea. Within the past 96 Hours, five of the top 10 ocean shipping lines on the planet have announced they will no longer handle shipments to or from Israel through the Red Sea (Suez Canal). <https://www.logupdateafrica.com/shipping/another-black-swan-event-red-sea-blues-for-supply-chains-1350712>

- **The top five shipping companies** have now halted service to Israel via the Red Sea.
- **It began with MAERSK**, and hours later, Hapag-Lloyd announced they would no longer handle any shipments via Red Sea transit. The next day, those companies were joined by CMA-CGM. One day later, those companies were joined by OOCL- Hong Kong (Owned by COSCO), and today, all four of those carriers were joined by the largest container shipping company in the world, MSC.
- **It is important to note that all of these companies CAN still provide shipping service**, but without using the Red Sea and its Suez Canal, all their ships must now go around the southern tip of Africa, adding 14,000 miles and three weeks travel time to the shipments. The price increase for such shipping is astronomical due to the vastly increased fuel costs.
- **This stoppage of ocean container service through the Red Sea** is going to have an IMMEDIATE impact upon Israel, which must import much of what the country consumes.
- **Shortages are likely to develop this coming week with Outages the next week.** Stunning price increases will also likely take place over the next two weeks as the availability of goods dries up.
- **Then, additional price increases will hit during week three**, as any ship that had to go around Africa brings that freight with the added cost of 14,000 miles and three weeks.
- **This may collapse the Israel economy.**
- **More companies halt shipping thru the Red Sea:** [https://www.nasdaq.com/articles/oil-major-bp-temporarily-pauses-all-transits-through-red-sea-statement#:~:text=BRUSSELS%2C%20Dec%202018%20\(Reuters\),priority%2C%22%20the%20company%20said.](https://www.nasdaq.com/articles/oil-major-bp-temporarily-pauses-all-transits-through-red-sea-statement#:~:text=BRUSSELS%2C%20Dec%202018%20(Reuters),priority%2C%22%20the%20company%20said.)

- **The NDAA is a license for the Federal Government**, using the Military, DHS & FBI, to use surveillance, wiretap, detainment, arrest and or imprisonment for Americans in off shore prison camps under the "suspicion" that they MAY be a "Domestic Terrorist."
- **Originally signed into law in 2012**, the NDAA has provisions that allow for the Government to use the Military against We The People. Under NDAA, the Military could come into your home, arrest, detain, and ship you off to a prison camp.
- **Illegal FISAs** were issued during Russia Gate and will almost certainly be used again against President Trump for election interference in 2024.

M. Mon. 18 2023 World Events Unveiled: The CABAL's Defeat and the Looming Storm, Ben Fulford Report:

- **The once-secretive ambitions of the CABAL Deep State**, particularly their grand design to use Ukraine as a pawn in a war against Russia and seize Moscow, have crumbled. Their objective, which aimed to capture Russia's vast resources, GDP, and a staggering 17.5 million tons of Lithium Reserves (a treasure trove coveted by the likes of BLACKROCK, CIA, MI6, MOSSAD, and the Deep State), has unraveled into failure.

- **Their nefarious operations to orchestrate a world war, all while mainstream media sounds the alarm for World War III**, are teetering on the edge of disaster. This scheme, driven by a staggering 1.2 trillion-dollar heist from taxpayers in the name of supporting Israel, is beginning to unravel.
- **The truth is that the U.S. finds itself in an economic quagmire**, edging closer to financial collapse, with the capability to wage not one but three wars - against Russia, China, and the Middle East - practically non-existent.
- **The Ukraine war**, contrary to Biden's public statements of Russian failure in capturing Kiev, is reaching its conclusion. Military assessments, war games, and the testimony of top-ranking Generals all point to the impending end of this conflict. Russia has secured the second-largest city in Ukraine, Kharkiv, and is steadily advancing westward, with Odessa on the horizon. European support for the U.S. and Ukraine war is waning rapidly.
- **This is why the Deep State has hurriedly ignited another conflict in the Middle East** - a desperate ploy for funding and money laundering, all in a frenzied bid to evade an impending storm of arrests by the U.S. Military.
- **In the Middle East, Turkey** has made a seismic pivot away from U.S. NATO allies, engaging in troop movements and naval exercises. Notably, Turkey is demonstrating its ability to mobilize two million soldiers in emergency combat scenarios, sending shockwaves through the corridors of the CIA, MOSSAD, MI6, and the Davos elite.
- **Pakistan** has aligned with Turkey, while China supports both nations, and Russia backs several Middle Eastern countries, including Syria and Palestine. Putin's declaration of support for Palestine further underscores the changing geopolitical landscape.
- **As it stands, the U.S. military is ill-equipped for ground warfare in Russia, China, or the Middle East** with a glaring absence of missiles and weapons. In contrast, Iran, Syria, Lebanon, and Turkey, bolstered by China and Russia, boast a formidable arsenal. Iran's missile capability, in particular, poses a colossal threat, with odds of 16 to 1 in favor of Iran in naval confrontations.
- **The outcome is clear:** the U.S. military finds itself at its weakest point in a century, a fact echoed in all military assessments, war games, and projections.
- **Behind this tumultuous backdrop, the real World War III event looms on the horizon, set for late 2024.** President Trump has unequivocally stated that only he can prevent this catastrophe, and the impending mega scare event, complete with a full-scale nuclear standoff, will be the crucible of exposure for the U.S. Military Industrial Complex (including the CIA, Obama, Bush, the Clintons, the Rockefellers, and more).
- **Everything is hurtling toward a colossal reckoning:** from Biden and the Hunter laptop revelations (just the tip of the iceberg) to the stolen 2020 elections, the Epstein saga, the CIA-Pentagon-Fauci behind the pandemic and lethal vaccines, all the way to the Deep State's orchestration of world wars.
- **This was all foreseen**, a narrative unspooling since the very beginning.

- **In these chaotic times, while the world appears on the precipice of World War III, it's crucial to remain calm.** Yes, there will be skirmishes, nations picking sides, but as my previous communications have suggested, eventually, a sense of calm will prevail. Then, brace for a colossal, world-altering event, where nuclear bombs will remain dormant. The sole exception may be North Korea detonating a nuke over the ocean during the 2024 mega-massive scare event.

N. Someday we'll all learn oil isn't made from dinosaur fossils. It is naturally produced from within the earth, like the blood within our bodies. It is a renewable resource which can never run out. The scarcity tactics is used by the elite to promote them as "fossil" fuel, because allegedly being fossil fuels, it means that it has to run out, therefore keeping the prices high. In fact there is almost as much underground oil, as there is water here on Earth.

O. The US's Two Tier Legal System:

- **In 2007, Joe Biden** said he was arrested and immediately released for illegally entering the US Capitol's Senate Chamber when he was 21 years old. In 2021, Jacob Chansley was sentenced to four years in prison after spending ten months in solitary confinement for illegally entering the US Capitol's Senate Chamber. Would this be considered a two-tiered justice system that prosecutes individuals based on their politics?
- **Thurs. 14 Dec. Injustice Breeds Injustice – Our Two Tier System of Justice, Fairbanks: [Injustice Breeds Injustice – Our Two-Tier System of Justice – Cromar, Bundy & SCOTUS | Crime All-Stars | Before It's News](#) Patriots Ken Cromar of Barbie & Ken v. Goilath IRS, and Ammon Bundy in his battle with the Idaho State Court and St. Luke's Hospital each gained national notoriety for standing up against the Corrupt DOJ.** The Cromar and Ammon Bundy Cases represent a national emergency because the DOJ and the IRS (along with the other Alphabet Agencies) have been weaponized and have declared war against We the People. Those elites, who through their Oaths of Office swore to Protect and Defend the Constitution, have established a two-tier system of justice, in their attempts to deny We the People of Our God-Given Rights. There is no better evidence of this conspiracy than the abuses sustained by both Ammon Bundy and the Cromars, which is comparable evidence of the lawful violations of Constitutional Rights being denied in the other current cases being heard by SCOTUS – an epidemic crisis of national proportions.

- **Ken and Barbie vs. Goliath IRS Update:** Ken and Barbara Cromar have been battling the IRS for many years, which was putting the senior couple out as an example of the IRS power over The People. The IRS twice sent SWAT Teams to take away their fully paid for home even after the couple won their case in a federal tax court that they owed no monies to the IRS. All their possessions were thrown away, even expensive equipment Ken used to make a living. Ken was recently arrested, convicted of burglarizing his own fully paid for home – which had been illegally confiscated from him and was presently in jail serving his sentence. The IRS and DOJ orchestrated together to steal the Cromar's Home, and to collectively deny the Cromars of their God-Given Constitutional Rights to Due Process.

S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

U. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same

Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
