- **Judy Note:** It is my personal opinion, and I could easily be wrong, that since on **Sun. 31 Dec. 2023** the USD will be removed from US ATMs and the next day on **Mon. 1 Jan. 2024** the new gold/ asset-backed US Note cash will be introduced into US ATMs, plus since the new Global Financial System was believed to be going online for the General Public on **Mon. 1 Jan. 2024**, and since the majority of Zim redemptions that were backing the reset, needed to complete by that same **Mon. 1 Jan**, that Tier4b (us, the Internet Group) notification window to set foreign currency exchange/Zim Bond redemption appointments could very well be between **Tues. 26 Dec. and Sun. 31 Dec.**

If you were reading this Update on, or from Operation Disclosure Official, be aware that the information has been redacted. For a complete un-redacted version, see a PDF copy at the end of the Update on Operation Disclosure Official, or read an un-redacted version on the Rumor Mill Website.

A. Global Currency Reset:

- **Mon. 25 Dec. Shiela:** Iraq reopens on **Wed. 3 Jan. 2024** for the new banking system.
- **Mon. 25 Dec. Wolverine:** 1: Received an official announcement from a representative from Zurich signed and stamped that **everything is about to get release by the 15th January 2024.** Hopefully we expect movement on the **2nd January.** 2: I have spoken to lots of my contacts including the Admiral contact and they all said that they are expecting to receive **1% payment before the end of month.** These contacts have official contracts signed and have it promised to have it release before the end of the end of the year. I have also received contact from platforms from Hong Kong and they also said **before the end of the year.** 3: Tomorrow (last day in Colombia) have a meeting with Mauricio and hoping to get more information and see where we are at the moment. Mauricio is only waiting for the bank in Colombia to release the funds. 4: I prefer to stay conservative and say the **15th.** **There is a good chance that the currency will go first before the bonds do before the end of the year** because as at the **1st of January 2024** the fiat money will become obsolete and replace by asset back currency. I'm pretty certain that the dinar will go international before the end of the year. The Pentecostal group will start to release their funds to their leaders from the **27th December** and they in turn will start dispersing those funds to their members from the **27th December to the 15th January 2024.** I'm also hearing from other groups including my contact from the admiral and platforms such as Hong Kong, members that have contracts signed and lawyers all saying that will go by the **27th December for the bonds.**
- **Mon. 25 Dec. Ginger's Liberty Lounge, Steve:** Wolverine just did a live intel chat. He has received official notification from Zurich. It is for **January 15.** This is fantastic news. It confirms Markz intel as well. What he is not telling us is Zurich is bonds. They will start paying out his **bonds as of Jan 15.** Markz has bond holders getting the same

notification. Markz also has bond holders supposed to start **Dec 27**. We do not have to wait. Because Zurich is not currency. It is bonds. As Markz has stated. The bonds will take several months to pay out and complete. I think this is incredible news because he has official documentation stating payment starting **Jan 15**. We also know that Iraq has a back wall of **Dec 31**. **As of Jan 1** they will no longer be using the USD. They have to revalue before the **31st**. It could be the day of the **31st** as well.

- **Rod Steel: Getting Tues. 26 Dec. to Fri. 29 Dec.**, heavier sources on the 29th.
- **On Sun. 31 Dec. 2023** the USD will be removed from ATMs and returned to the US Treasury for recycling.
- **On Mon. 1 Jan. 2024** the new gold/ asset-backed US Note cash will be introduced into the ATMs.
- **On Mon. 1 Jan. 2024 the new Quantum Financial System (QFS) and Global Currency Reset** will officially launch on the new Star Link Satellite System for the general public of BRICS participating nation's gold/ asset-backed currencies.
- **On that same Mon. 1 Jan. 2024** the BRICS Gold/ Asset-backed XRP Digital Currency would officially be considered the Global Standard for international trade, with all participating nations' currencies trading at a 1:1 with each other.
- **After Mon. 1 Jan. 2024** people will start to be called into financial centers to collect their Quantum Financial Center assets, with a Confidentiality Clause put in place.
- **Five days after RV begins** the public will have access to Med Beds. Treatments are free, with children having critical medical conditions going first.
- **XRP WILL NOT BE THE NEW GLOBAL RESERVE CURRENCY:**
<https://youtu.be/RcMajYeqvvc?si=XSKnq6BJNW0y76Ak>
- **Social Security increases** of \$2,000-\$3,000 per month will begin in **Jan. 2024**. The R&R lump sum payments will begin for those 62 and older on **5 Jan. 2024** and beyond to the end of the month. Ages 30-50, 50-61 will have their R&R paid out monthly over two years time with the requisite that they keep their job, or get a job.
- **The Federal US Dollar** will no longer be used after **Feb. 20 2024**.

B. Global Financial Crisis:

- **Mon. 25 Dec. Dinar overthrows US Dollar to control Market:**
<https://iraqidinarchat.net/the-iraqi-dinar-overthrows-the-dollar-and-wins-the-struggle-to-control-the-regular-market/>
- **Mon. 25 Dec. You will be shocked by what they have in store for us. It begins in Jan.**
<https://beforeitsnews.com/economy/2023/12/you-will-be-shocked-by-what-they-have-in-store-for-us-warning-to-all-americans-it-begins-in-january-finance-economist-3101702.html>

- **Mon. 25 Dec. Ariel:** There was only about seven states left who have not made Gold & Silver legal tender. You are that many states away from the entire country being tax free now that precious metals will be treated as money with 0% tax exempt status.
- **The States:** New Jersey (Making Progress), Hawaii (Still On The Fence), Kentucky (Introduce Bills), Delaware (Still Clueless), Rhode Island (On Board), Connecticut (Figuring It Out), Tennessee (Planning Phase)
- **This is the official site.** 43 states have removed some form of tax. And also made Gold & Silver legal tender. <https://x.com/prolotario1/status/1739297300030063089?s=46>
- **State Laws Can Help Restore Gold and Silver as Money.**
- **A growing number of Americans** understand that the reckless creation of fiat currency by the Federal Reserve System is causing many of our economic problems. They want to abolish the Fed and return to the gold-backed currency that brought America and the world unprecedented prosperity throughout the 19th century.
- **But that will not happen overnight.** Big banks and other special interests reap enormous profits from the present system, while many Americans are accustomed to paper money and do not grasp the deep connection between sound money and lasting prosperity.
- **That's why sound money activists** are launching exciting initiatives at the state level to challenge the monetary monopoly of the Fed. The Sound Money Defense League is taking a multi-pronged approach to removing the shackles that bound sound money.
- **Our strategy is based in making changes to state sales taxation on precious metals purchases** and state capital gains taxation on precious metals holdings, while working to establish state gold depositories, reestablishing gold and silver as money, and encouraging states to hold reserves in precious metals.
<https://www.moneymetals.com/buy/silver>
- **The movement to advance the sound money cause at the state level has grown dramatically in recent years.** This is likely to continue in an era of unprecedented inflation and geopolitical uncertainty. The legislative success sound money efforts have experienced are indicative of a frustration many Americans feel with the out-of-control money printing by the Fed and their corresponding desire for a return to sound, constitutional money.
- **From Alabama to Wyoming, states across the U.S. continue to pass legislation to eliminate taxes** on gold and silver, establish in-state depositories, protect state taxpayer funds with sound money, and more. <https://www.soundmoneydefense.org/state-legal-tender-movement>

H. Vitamins: How are vitamins in pills really made? Most people are under the assumption that vitamins are extracted from food, concentrated, and then put into a powder or a pill. The fact of the matter is that almost all vitamins are synthesized from petrochemical derivatives, heavy metals, and various other toxic compounds. To top it off, the manufacturing process yields highly toxic waste products that destroy the environment.

J. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and*

then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

K. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

L. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

M. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

N. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
