**Judy Note: On Tues. 23 Jan.** all banks across the World that were not Basel III Compliant (have gold/asset-backed monies) would be closed – setting the stage for a Global Financial Collapse – that would be saved by a Global Currency Reset and takeover of the Global Military Alliance.

In other words, these financial Events, when combined with the Deep State Cabal’s attempts to start World War III in the Middle East, was bound to bring on Martial Law across the Globe.

And as usual, not a word was being said about it in the Mainstream Media.

Get your popcorn. We’re about to experience a lot of big surprises next week.

#### **A. Global Currency Reset:**

- **Thurs. 11 Jan. MarkZ:** There are great expectations of last minute changes to compliance over this weekend. The chatter is **notifications early next week**....There has been some incredible chatter, gossip and rumors today. Group contacts have erupted through the day. Will it happen? We don't know yet. ...Other contacts are saying the same thing ...one contact has planted misinformation in the past ....so I'm not sure if its misinformation now or not. ...But you are probably seeing it all over the boards already- the chatter is **notifications early next week**. Just cross your fingers and hope it's accurate. I'm kinda excited but going to stay grounded.
- **Thurs. 11 Jan. Wolverine:** The Codes have been locked in. I received a confirmation yesterday, but it was confidential. Carlos Petas actually put it in the telegram channel so I decided to place it in the room. The funds might get released tonight or may get released tomorrow, we just don't know. Everything is ready to go. There is nothing more to do, we just have to sit back and wait for the Green Light. ANOTHER THING Medbeds are ready. I spoke to someone, actually a few days ago, who is in charge of the Medbeds in Colombia. They are just waiting for the Green Light for this to happen. THERE ARE 150 MEDBEDS IN COLOMBIA! This was confirmed by Charlie Ward as well. That is all I can tell you at the moment. ...Wolverine.
- **Thurs. 11 Jan. Bruce:** An Intel person said Tier4b (us, the Internet Group) would get notification to set appointments by **Fri. 12 Jan**, but that might not happen because the Whales have completed what they needed to do and expect to be notified of when they get access to their funds **over this coming weekend**. A major Paymaster said they were working over **the next 48 hours to Sat. 13 Jan.** to get a Mediator paid. Another source said Tier4b should get notification to set appointments sometime between **Friday 12 Jan. and Mon. 15 Jan.** The R&R should happen in **January and that will come out a week after** the Tier4b start exchanges. Social Security increases should still happen in this month of **January**.
- **Thurs. 11 Jan. Wolverine: Yesterday morning Wed. 10 Jan**, RC leaders, managers and banks throughout the United States entered their access codes at the US Treasury and around 11:30 (noon) EST. Now they just need to be given the green light to proceed and send the emails to Tier 4b (us, the Internet group) to arrange our appointments. Some Bondholders have received emails and some are still waiting for emails. I think most should have them tonight for access to accounts, obtain 10% of those funds, with access to the remaining 90% in 90 days.
- **Iraqi Prime Minister Al Sudani and the Governor of the Central Bank of Iraq Al Allaq** would both be attending the World Economic Forum in Davos Switzerland for the annual meeting **January 14th to 19th**. "Everyone is expecting the **RV on Sun. 14 Jan.**" according to Sudani. The IMF, which is in charge of timing, said, "**Anytime Friday to Sunday.**"
- **Judy Note:** Bond liquidity has to happen first, which is going on right now.

- **Wolverine:** People are traveling. I was on a call with a huge Whale who is going to Bogota for his blessing. We are definitely close. Notifications ARE coming out for bond holders. Rumor is that the notifications for T4B have started going out.
- **Texas Snake:** While someone erases prior posts I am relatively certain I mentioned we should stay alert between the days of **January 10th to 12th**, and now I press those dates so stay attuned for any update relative to our expectations.
- **Thurs. 11 Jan. 2024 US Congress Financial Services Subcommittee on Digital Currency:** The Financial Services subcommittee has issued an official statement regarding digital economic adoption and Stable Coin payment implementation in the United States. It is increasingly clear as we have been stating in this room that the United States of America is embarking upon a new Digital asset-based Trading System supported by the Commodities Market. Our new tokenized assets going forward will be coordinated with new Basel 3 compliant Banking Protocols. A Gold Standard set of rules and regulations will begin to guide this process as further benchmarks are achieved to solidify this new Global Financial System.

### D. EBS Protocol:

- \* **This will ensure everyone is safely** placed in their home and able to witness the historical moment that reveals all of the truths, cover ups etc. through the E B S which is imminent.
- \* **There must be a test and then a review of all occurrences and activities.** The possible implications on a National and Global level can be quite complicated so things must be in alignment to the protocols. Yes there are many consequences if things aren't done with precision and perfection. This is the practice run before the real one folks to see responses and accuracy to what is forthcoming which changes humanity.
- \* **We hear the schedule is now finally firm,** but again I'm just the messenger. Be ready to adjust if needed in regards to possible time changes. Only a select few know the moment of exact and precise timing of events. For security and other obvious reasons it must be properly kept private.
- \* **The E B S is going to air playing an 8 hour video.** It will be replaying 3 times a day for 10 days Communication Darkness. During those 10 Days of Communication Darkness the following things will happen.
- \* **We will receive 7 “Trumpets “ aka E B S text messages** on our phones alerting us to tune into our TV at this time.
- \* **Our phones will only work for 911** and we are informed the Signal App, which is military encrypted will be available.

- \* **Our internet will not work during that time.** Our ATM's will not work. After the 10 days of Communication Darkness, we will connect to a new quantum internet.
- \* **People are urged to stock up** on at least three weeks of food and water. Be prepared with food, water, toilet paper, generators etc. for this great awakening reveal.
- \* **We are promised the new Star-link Internet System** by the end of the month.
- \* **As we speak the teams coordinating** this important historic event are revamping the E.B.S to ensure the utmost security for all involved so remain patient as things get finalized. They want to make certain there are not any interferences of any sort at all. Those making the plan want no one to panic whatsoever because it's simply the release of the truth.
- \* **After the E B S** and we've gone through the 10 days mainstream media blackout and sat through all the 24/7, (eight hours long movies), do we go back to normal like business as usual? Answer is: After E B S and the 8 hours long 24 7, movies all will change. The, life support, attached to the old and evil systems will be pulled. Humanity, and planet Earth simultaneously move to quantum reality consciousness system (Peace and Prosperity). End of Financial and Human consciousness enslavement. Old systems of Government, Education , Finance, Health, Trade and Commerce etc., will all be dismantled and replaced.
- \* **We will have new currency** called the USN US NOTE and gold backed.
- \* **The time is now to alert** as many who will listen. Do not have too much pride. Go warn those you love even though they think you're crazy. Your goal for others is truly to help absorb the shock of what is coming.

States have striven to overcome domestic failure and internal contradictions by designating external enemies. The scapegoat practice is as old as mankind itself. When things become too difficult at home, divert attention by adventure abroad. Bring the divided nation together to face an outside enemy, either a real one or else one invented for the purpose."

They must be challenged every day by every person who knows the truth in this matter. CO2 is the giver of life, and we should celebrate CO2 rather than denigrate it, as is the fashion today."

## **I. Fellow Patriots, Join in the Fight for Our Freedoms and Help Save the Children:**

- **“Ken and Barbie vs. Goliath IRS” Update: IRS Agents will confirm that you are not required to pay income tax,** yet Ken Cromar sits in jail after having proven to a federal tax court that he owned no monies to the IRS. They took away his fully paid for home and destroyed all his possessions including expensive camera equipment he used to make a living, then put him in jail and sentenced him. They are making him an example of what they have the power to do to you.

**Ken and Barbara Cromar are Patriots** standing up to the tyranny of the IRS for all of us. Here is Ken Cromar's **Fri. 12 Jan.** letter to us:

Dear Faithful friends and family,

Yesterday, January 11<sup>th</sup>, we had a small but important miracle play out that should lead to the indictment being dismissed in federal court. We are very grateful.

But, this morning, we learned that yesterday in the Utah Fourth District Court, the prosecutor, Jared Perkins filed a motion to strike the “restitution hearing.” In his motion, he explained that Brett Belliston, the man who falsely claimed to have won the auction and who was about to tell us in the restitution hearing how much money the Cromars owe him, already calculated at over \$150,000, had changed his mind and that he would not be asking for restitution. Additionally,

the prosecutor explained that he went back to Belliston and confirmed that he was permanently waiving his rights to all claims of restitution against the Cromars. In conclusion, Mr. Perkins stated, “the prosecution has not consulted with the defendants Cromar, but no objection is expected”. The reason he didn’t have to talk to us about this is because on December 4<sup>th</sup>, we filed “Emergency Motion to Set Aside Judgement.” (Some of you may have read this.) This motion was a compelling expose about how Belliston is the criminal by defying a court order with the help of an IRS agent and possibly others in doing an illegal sale to obtain the Cromar home. We believe his getting caught and exposed on the record, with evidence, influenced him in his desire to not ask for anything from the Cromars.

It appears that the Utah Fourth District Court and the Prosecution realize that what the Cromars claim may be true. In our motion we claimed that fraud vitiates (voids) everything. (U.S. vs Throckmorton, an historic land patent case). And, we stated that we, the Cromars, “believe that this court may have been deceitfully used to steal our home through the commission of fraud upon this court.”

Therefore, dear friends, our prayers were answered that a miracle would happen on January 11<sup>th</sup> with this prosecutor’s motion to strike the restitution hearing. This morning, January 12<sup>th</sup>, at exactly 9:54:40 a.m. Judge Christine Johnson signed, “Order Striking Restitution Hearing”. It appears that the judge and the prosecutor have reason to believe that our home was stolen from us by fraud in a possible criminal conspiracy involving a number of, as yet, unindicted co-conspirators.

There is an old saying, “When your enemy is busy destroying himself, don’t interrupt him, and get out of the way.”

However, everyone should be considered innocent until proven guilty, even though we have never been provided that Constitutionally guaranteed luxury. Thank you, friends and family, for praying for a miracle. It appears that the “Red Sea” has parted.

Our job now is to be still and let God perform his miracle and get out of the way. Moses, with his back to the Red Sea and Pharaoh’s army coming down on him declared this, “Fear ye not, stand still and see the salvation of the Lord, which he will shew to you today; for the Egyptians whom ye have seen today, ye shall see them again no more forever. The Lord shall fight for you, and ye shall hold your peace.” Exodus 14: 13-14 And so, we have our instructions from the Lord to be still and hold our peace and let him perform the miracle in our behalf. Therefore, we will only report to you each step as we walk through the parted “Red Sea”. And, so, enjoy the read of the prosecutor and the judge who just saved us over \$150,000 that we would have had to pay in restitution. You and your prayers helped make this miracle happen – THANK YOU!

With love and appreciation,

Ken (and Barbara safely hidden away)

Ken really appreciates receiving encouraging postcards. White, pre-stamped postcards with your name and complete return address hand-written is the only correspondence accepted at the jail.

### **J. CIA Spying Secrets:**

- **99.99% of Americans won't read the 306 page Durham Report.** But I strongly recommend that everyone read at least pages 91-101 of the Durham Report. Takeaways:

**A. Obama and Biden** were told about what the intelligence community referred to as "the Clinton Intelligence".

**B. The "Clinton Intelligence"** was clearly viewed within the intelligence community as a spurious effort to tar and feather Trump with a concocted story that he had colluded in a nefarious way with the Russian government.

**C. In sum, Obama and Biden were in a room with Brennan** in August of 2016 and were clearly informed of the highly sketchy and dubious information intentionally contained in the "Clinton Intelligence".

**D. There is no ambiguity here.** In fact, the CIA issued a memo expressly referring in a negative way to "the Clinton Intelligence". Obama and Biden were clearly and unequivocally notified that "the Clinton Intelligence" was viewed by the FBI and CIA as being based on a falsehood.

**E. Who was Clinton's "Foreign Policy Adviser 1"?** This is important because according to the Durham Report "Foreign Policy Adviser 1" cooked up the Trump Russia Collusion plan and gave it to Clinton.

**F. Jake Sullivan was Clinton's senior foreign policy adviser.** Was he the one who cooked up the plan? Is Sullivan going to be called to testify before Congress?

**G. After reading pp. 91-101 of the Durham Report, ask yourself- is it humanly possible for Robert Mueller to NOT HAVE KNOWN** that the CIA and the FBI had told Obama and Biden that the "Clinton Intelligence" was considered by the agencies as nothing more than a political campaign dirty trick?

- **Yorkshire Lass Channel:** This is all about exposing the US and U.K. of corruption, terrorism and committing war crimes (even though they did that massively with Covid) the normies were in a deep sleep back then and told us we were conspiracy theorist nut jobs. Normies are about to be brought to the precipice. I've said it needs to ramp up especially for the normies in the U.K. to get them out of their comfortable slumbers. Also here in the U.K. we've just had the exposure of the Royal Mail post office scandal and exposing of the U.K. Government and now this - WAR!!! It's about getting the sleepers

to start feeling the heat and to start paying attention to the fact our own Government are committing mass genocide and getting involved in wars that's nothing to do with us. - **Fri. 12 Jan. China-Taiwan Conflict:** The US has confirmed that it has transferred large amounts of fuel from a military base in Hawaii to storage facilities across Southeast Asia. The announcement came after a senator in the Philippines raised concerns that Washington is pre-positioning military supplies for a potential conflict with China over Taiwan. Tensions between Washington and Beijing have escalated in recent years over the self-governing island. China claims sovereignty over Taiwan while the US, despite officially recognizing Beijing's 'One-China' policy, has continued to support the Taiwanese government and has vowed to protect the island in the event of a military conflict with Beijing. On Thursday, a spokesperson for the US Embassy in Manila, Kanishka Gangopadhyay, confirmed that the US had delivered a fuel shipment from one of its naval bases in Hawaii to a commercial storage facility in Subic Bay – a former US military base. He added that the delivery was “one of multiple shipments of safe, clean fuel” but did not give any details about the actual size of the shipment. Gangopadhyay stressed, however, that the shipment was conducted in full cooperation with the relevant Philippines authorities. However, Philippines senator Imee Marcos, who serves as chairman of the Senate Committee on Foreign Relations, has insisted that the fuel transfer was done in “inexplicable silence” by both the Philippines and US governments, and decried the shipment of what she said was 39 million gallons of fuel. The senator, who is also the sister of the country's president, Bongbong Marcos, stressed that the Filipino people had the right to know about such shipments and that making secretive moves only heightens fears of a possible US-China conflict. <https://www.rt.com/news/590453-us-moving-fuel-philippines/>
- **Ukraine:** Leaked Pentagon papers predict Ukrainian's air defenses will be exhausted by **June 23**, leaving Putin free to send in fighter jets - as it's feared latest \$2bn US aid won't be enough to save Zelensky's army. A large cache of highly classified Pentagon documents that appear to detail classified information including how Ukraine's S-300 air defense systems could run out of missiles and ammunition during the next month. And a further batch of documents of more than 100 Pentagon documents - this time also detailing US national security interests pertaining to areas including China and Israel's Mossad spy agency

**L. Russia, German and Italian Military Intelligence reported that NATO & US CIA were planning a false flag event either in the Black or Mediterranean Sea.**

- **The alleged plan** involves sinking a U.S. naval ship, resulting in the death of American soldiers, and blaming either Russia or Muslim nations for the attack. This false flag event is said to be intended to trigger World War 3 and potentially escalate into nuclear conflicts.
- **Currently, undisclosed sources within the U.S., Europe, and Russia, whom we refer to as "White Hats,"** have activated media outlets to shed light on these planned deep state false flag operations. It is expected that figures like Tucker Carlson, Elon Musk, Russian media, EU white hat media, and various conservative news outlets worldwide will disclose the story regarding NATO's alleged involvement in these false flag operations.
- **The Deep State is believed to be playing their final cards,** which include stopping U.S. elections, inciting civil war, initiating World War 3, triggering another pandemic, utilizing the alien invasion narrative, orchestrating cyber attack blackouts, and potentially engineering a controlled electromagnetic pulse attack while blaming the sun for widespread power outages.
- **As we approach closer to uncovering the truth** and exposing these events, it is important to note that the revelations may sound increasingly unreal, particularly to those who remain unaware or skeptical. The truth itself is so extraordinary that it often undermines its own credibility, and this fact is not lost on the CIA.
- **It is crucial to share this information** regarding the alleged planned NATO-U.S. false flag operations aimed at sinking a U.S. ship and falsely attributing blame to Russia, with the intent of sparking a 9/11-like event to rally Americans into war. The more this information is disseminated and made public, the greater the chance that the Deep State will abandon their false flag plans and abort their operations.

Rubix Q 777 on Telegram: The WEF and WHO are warning of an “unknown” pathogen that could cause a global pandemic, but this time it will be 20x as deadly as C19.** They are calling it “Disease X” or “Pathogen X”. If it’s “unknown”, how do they know it’s going to be 20x as deadly? Do they plan to release another pathogen for this election season? The public are already conditioned and mail-in voting would be easy to implement, opening the door for fraud once again. I don’t know what their plan is, but they have to do something soon. If the status quo remains, Trump will win. Do they go back to the mail-in voting play? Or do they go a different route? The only problem is, if they do it again, it’s going to be VERY obvious after they just did it in 2020, and citizen journalists have a free speech platform to call it out, unlike last time.

#### **O. Why did Argentinian President Javier Milei choose, as his first visit abroad, to come to the Chabad HQ building in NYC? What We Know:**

- \* **The Chabad HQ in Brooklyn, NY USA**, seems to contain a system of illegal subterranean passages and ceremonial chambers, beneath the building. The passages have been reported to contain twin-sized mattresses, children’s toys, clothing articles, and food.
- \* **The passages** lead to what appears to be an abandoned Mikveh (ritual bathhouse).
- \* **One of Milei’s first orders** of business as president-elect in November, was to visit the grave of the sect’s revered late-leader Rabbi Menachem Schneerson.
- \* **A Mikveh-bath** is used to immediately purify oneself after experiencing “keri”, or ejaculation. According to the Torah, bathing in a Mikveh is required before being allowed to eat a “terumah”, or a “Korban” (slaughtered sacrificial offering).

- **On September 7, 2001, Michael Jackson exposed the mainstream media** for everything that they are doing to everyone today. Michael stated that the history books are lies, that there are elites that control everything, that all form of popular music came from Blacks. Michael even expressed how the Media slandered his name to turn the people against him. The media did the same thing to Malcolm X and Donald Trump. The media typically assassinates the character first and then the government takes the official shot.

**V. Judy Note on Satanists in Your Neighborhood:** *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

*There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.*

*To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.*

**W. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Judy Note:** “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

**X. Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**Y. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**Z. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady*

*who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
