*It's only wise to have at least a three week supply of food, water, cash and essential items on
hand to help yourself and others in case of a disaster.*

Judy Note: On Mon. 29 Jan. *the so-called “President Biden” confirmed on live TV that Trump
was the real sitting president.*

*The Chinese Communist Party's Evergrande Liquidation was not only bringing down the CCP,
but was certain to cause a global financial collapse this week, complete with bank runs.*

Texas has organized 27 other states, Truckers, independent Militia and private citizens to defend the entire Mexican border from Texas through California in spite of a Supreme Court ruling in favor of Biden. Texas could be the first to break off the US as a sovereign state.

The IRS and Federal Reserve are privately owned by the Cabal and there is no law that states you need to pay them your taxes, although their use of Maritime Law allows them to put out a reign of terror on US citizens.

The Democrats Released a Virus, used it to rig an election, made mega bucks off a Jab that killed thousands, then had the FBI dress as patriots and stage an insurrection – and everybody know it!

- **Mon. 29 Jan. On live TV Biden confirmed Trump is current sitting president. Biden has already been removed in private.** The next step is to remove him from the public. <https://beforeitsnews.com/alternative/2024/01/breaking-joe-biden-confirms-trump-is-the-current-sitting-president-live-on-national-tv-3807150.html>

- **Mon. 29 Jan. Texas Governor Greg Abbott says he is “prepared” in the event Biden attempts to take control of the Texas National Guard.** “That would be a boneheaded move on his part, a total disaster,” Abbott said. “We are prepared, in the event that that unlikely event does occur. We do have other armed state employees on the border as we speak right this minute, and that’s the Texas Department of Public Safety, as well as other law enforcement officers, as well as National Guard from other states. And you can be assured there will be more National Guard from other states and more law enforcement officers within the state of Texas and other states.”
- **The Democrats Released a Virus,** used it to rig an election, then had the FBI dress as patriots and stage an insurrection – and everybody know it! The virus they released was a worldwide coordinated viral media disinformation and misinformation campaign that there was a deadly pathogen going around. They did this to instill fear, so they could inject the population with bio-weapons as part of their satanic depopulation agenda.
- **The IRS and Federal Reserve were not government agencies.** They were privately owned by the Deep State Cabal and Rothschild Bankers. There was no act of Congress, nor any Executive Order giving the IRS jurisdiction to act in any of the 50 states. So why was Ken Cromar sitting in jail awaiting trial on charges that he had the audacity to live in his own home that he fully owned (with the mortgage in his name) after the IRS unlawfully used SWAT Teams to take possession of that home and threw away all of his possessions and after he proved in a Federal Tax Court that he owed no money to the

IRS? Was the IRS making an example of him and his wife Barbara to prove what they will do to you if you dare question their unlawful authority? Even of more concern was the question of what was wrong with the US court system that allowed this to happen? Could it be that we are functioning under Cabal controlled Maritime Law instead of Constitutional Law? – meaning it could happen to you, and you would have no defense.

- **Ken really appreciates receiving encouraging messages** in postcards. A white, pre-stamped postcard with your name and complete return address hand-written is the only correspondence accepted at the jail. Paul Cromar #567164 Davis County Jail P.O. I. Tues. 8 Sept. 2020 <https://beforeitsnews.com/politics/2020/09/military-continues-child-rescue-out-of-underground-tunnels-across-the-globe-3211555.html>

Tortured, malnourished children and corpses in the tens of thousands have been found in a sophisticated network of Deep Underground Military Bases (DUMBS) that ran beneath the US, Canada, Mexico, Australia, Asia and across Europe. For over a year US Special Forces had been in training for the rescue missions which began on **Oct. 16 2019** with the rescue of over 2,100 caged babies and children beneath the China Lake Navy facility in California.

Children were held in cages for human experiments, organ harvesting, tortuous mind control, sexual exploitation, Adrenochrome production (drinking the blood of a traumatized child was believed to stop aging and produced a “high”) and child sacrifice rites in honor of Satan.

This child kidnapping network was discovered after thousands of abused and tortured children were found and rescued out of tunnels running through New York and Los Angeles. Under disguise of the first Covid-19 “pandemic” the children were treated on the USNS Comfort Hospital Ship in the New York Harbor and the USNS Mercy Hospital Ship off the coast in California. The UN in New York and Century City in LA, both under control of the Council of Foreign Relations, were known breeding grounds for avowed Satanists who practiced Child Sacrifice.

The vast child rescue missions across the globe were headed by President Trump, the Pentagon Pedophile Task Force, US Special Forces and Marines in cooperation with Interpol, and various nations’ special military forces. They included arrests of pedophile perpetrators and destruction of the underground tunnels and bases through bombs that caused minor earthquakes. On Sun. 6 Sept. a huge tunnel in the Philippines was destroyed – accompanied by an earthquake.

The infamous pedophile Jeffrey Epstein’s sidekick Ghislaine Maxwell has been testifying in order to save her own life, against global government leaders, royals and corporate heads

involved in the global tunnel network. This has resulted in thousands being arrested around the world for treason, pedophilia, child trafficking, money laundering and Obstruction of Justice. Children continued to be rescued globally as Maxwell has given up info on where they have been held, abused and ritually killed.

It was believed that since at least the end of World War II, the DUMBS had been financed, built and run by members of the illuminati, Deep State, or Cabal using US taxpayer dollars funneled through a CIA Black budget. Although, deeper tunnels were found to exist that were ancient in origin. **DUMBS Part Two:** <https://www.youtube.com/watch?v=-cogTtoYz-A>

Over 50,000 traumatized or deceased children have been recovered from underground tunnels running beneath US cities. The Australian military recently discovered over 300,000 tortured children in underground Melbourne tunnels and it was estimated that in the next couple of weeks, over a million children would be brought out of a network that circled beneath Australia.

An international child trafficking ring run by the Vatican and funded by the CIA appeared to account for thousands of children who went missing every year. Children were stolen to the order of global and political elites in both the US and UK by well known organizations including some state Protective Services namely in Arizona and California. UNICEF, NATO, many children's charities in Africa and those out of Hollywood were believed to kidnap and torture children using the sophisticated tunnel network.

K. Mon. 29 Jan. Julian Assange Private on Telegram:

- **The time HAS BEGUN** for U.S. citizens and abroad to join the Powerful Revolt against the elite CIA DAVOS GROUP+ operations and go directly to the demonstrations and movements happening with your support
- **I had told you over two years ago there were operations of Military** working with sheriffs. Police, Ex military and oath keepers to start a powerful revolution and help guild operations. (This is an major countries happening). NOW it begins.
- **Stay safe out there** and protest in peace. We are the people who are exposing the Globalist ELITE Agendas. "We need 100 million out there"
- **Iran under the control of Pahlavi** kills military generals and leaders and begins purging the government and brings in censorship of the media and education system. The

corruption of Pahlavi last over a decade till the country goes into revolt against the Pahlavi and his obvious treacherous agenda operations being forced by Western governments and military intelligence agencies.

- **Soon after the revolt the Iranians** Install Ayatollah Khomeini as their leader and he turned Iran into a Islamic Republic and since then Iran had long known the United States stole their oil, with CIA operations with mi6 and British powers that caused civil wars through their country and huge massive civil unrest for decades with millions being arrested persecuted and killed, all because of Western powers wanting Iranian oil.
- **This is an important reminder** why Iran hates the U.S. And Western countries.
- **Trump knows** very well all the atrocities the United States and CIA created through the world and pain and suffering the deep state has created through oil wars and colours revolution (CIA coups).
- **This is the reason** why Trump didn't start any wars and wants to end all WARS. He knows a great TRUTH of what happened globally with globalist agendas.
- **This why Trump** says he is the only one who can stop WW3.
- **Behind the scenes** there are important back channels between U S. Military White Hats and Iran Mil.
- **You must understand** Iran is also cleaning their SWAP and over 75 years of CIA/MI6/Mossad/ globalist INFESTATION into their country that is causing chaos.
- **All countries** are seeking peace. But the CABAL Deep State wants war to hide their crimes against humanity and want the wealth of the countries.
- **There are powerful plans** for WORLD peace coming with Trump back in office after the 2024 SCARE NECESSARY EVENT TO HAPPEN
- **We send condolences** to all the family's who lost their loved ones in the Middle East Wars. We are pained by the loss of U.S. military soldiers lives lost recently in the Middle East.
- **Keep faith world Patriots** as we ride Storm into the 2025 Presidency of Donald J. Trump and Military Alliance operations to bring down the Deep State CIA regimen controlled by the Globalist. The Storm.
- **HOW THE CIA PULLED A COUP OVER IRAN WITH MI6** and brought Iran into civil unrest and decades of killings.
- **The history of the company** we now call BP has, over the last 100 years, traced the arc of transnational capitalism. Its roots lie in the early years of the twentieth century when a wealthy bon vivant named William Knox D'Arcy decided, with encouragement from the British government, to begin looking for oil in Iran. He struck a concession agreement with the absolute Iranian monarchy, using the proven expedient of bribing the three Iranians negotiating with him.
- **Under this contract**, which he designed, D'Arcy was to own whatever oil he found in Iran and pay the government just 16% of any profits he made -- never allowing any Iranian to review his accounting. After his first strike in 1908, he became sole owner of

the entire ocean of oil that lies beneath Iran's soil. No one else was allowed to drill for, refine, extract, or sell "Iranian" oil.

- **"Fortune brought us a prize** from fairyland beyond our wildest dreams," Winston Churchill, who became First Lord of the Admiralty in 1911, wrote later. "Mastery itself was the prize of the venture."
- **Soon afterward, the British government** bought the D'Arcy concession, which it named the Anglo-Persian Oil Company. It then built the world's biggest refinery at the port of Abadan on the Persian Gulf. From the 1920s into the 1940s, Britain's standard of living was supported by oil from Iran. British cars, trucks, and buses ran on cheap Iranian oil. Factories throughout Britain were fueled by oil from Iran. The Royal Navy, which projected British power all over the world, powered its ships with Iranian oil.
- **After World War II**, the winds of nationalism and anti-colonialism blew through the developing world.
- **In Iran**, nationalism meant one thing: we've got to take back our oil. Driven by this passion, Parliament voted on April 28, 1951, to choose its most passionate champion of oil nationalization, Mohammad Mossadegh, as prime minister. Days later, it unanimously approved his bill nationalizing the oil company. Mossadegh promised that, henceforth, oil profits would be used to develop Iran, not enrich Britain.
- **The Mega Giants** in the oil industry in the United States were unhappy with the financial losses that was expected to produce a Trillion dollars with the British Petroleum (BP) oil industry and European distribution.
- **So in the grief of losing** a trillion dollar industry in Iranian oil and control the UK MAJESTY / British Elite's with MI6 make plans with the CIA to over thrown the New Leader of Iran Mossadegh.
- **CIA front man Kermit Roosevelt Middle East Bureau Chief** is sent into Iran with 1,000,000 \$\$ dollars (12 million \$ in today's money) in U S tax paper money and meets CIA officers and several Iranian politicians who have given been corrupted by MI6 and CIA operations. Together with Roosevelt they go through the country and bribe politicians, clerics and powerful leaders to start rumors about Mossadegh and at the same time Iranians are paid to stage attacks (false flags events) against the local religious leaders and groups and the attacks are pointed at Mossadegh as his regimen and blamed for the orders, attacks and killings.
- **With time the CIA** creates a huge massive civil unrest and distrust through the Iranian country and at the same time the CIA brings weapons into Iran enough to create a 10,000 guerilla army which causes chaos through Iran and buildings, shops burn down , a colour revolution (CIA MI6 COUP) begins and paid demonstration using students begin.
- **A bloody COUP happens** and the IRAN leader Mossadegh is arrested and charged with treason. And the previous leader of IRAN Mohammed Reza Pahlavi is re-installed by the U S. CIA and MI6. Reza reopens the oil fields to the United States and Britain.

L. Mon. 29 Jan. David Wilcock:

- **Confiscate customer deposit in banks** – basically a Bail-In – will also cause a run on the banks. Which will also cause ATMS to shutdown. Which will also causes credit cards to not work. Which will also cause panic in the market place. People will realize they can not buy food, water, gas, or pay bills. Again once this happens this will be the transition to the new economy. Guess who will bring confidence back in the market once all this chaos ensues?
- **The reinstatement of the Iraq Dinar.** Do you see how the White Hats have this set up?
- **They will kill two worlds with one stone.** The underground bases. And the parasitic banks on the surface. All the alphabet agencies will cease to exist. Thus freeing up your government and remove all the blackmail from politics.
- I know this is all over the place. But this is the gist of what will happen. Why do you think Lindsey Graham wants the bomb Iran so bad? They are panicking big time.
- **In other words Sir Martin Wakefield Jacomb** director for the Telegraph newspaper in 1986. He is also connected to MI6 and is involved with laundering MI6 drug money through a bank in England. Again, this is where ISO-20022 comes in. As all money will need to be Clean & Clear. Because ISO us an anti money laundering tool.
- **Do you all see how the underground bases** and the surface levels are connected?
- **What ties them together?** The fiat USD. Once you take that out of the equation due to the artificial value declining thus making "Real Money" sound again by making precious metals legal tender financial institutions will be stacking up on gold/silver. Not the fiat currency that no longer has value on the international markets.
- **Jacomb was the director of the bank in England** in 87 to 95 former head of the CIA William Casey was head of the Council of the media Network ABC. Many insiders refer to the ABC Network as the CIA Network. Something I have been trying to get across to many of you. This goes for most of mainstream news.
- **Especially Fox 10 where Kari Lake worked for 22 years.** Now do you see why all of sudden she is getting into politics? She is a Deep State asset. Which is why she took that 2 million secret donation from a company that was not legally registered in Arizona. But you mean to tell me she was sitting on a recording for a year and decided to release it now just to give this public persona that she cannot be bought?
- **Everything is connected people.** Until the fiat dollar is officially removed we will not see the world we have been waiting to emerge as a result of this empire collapsing. Which will officially commence Monday. Of course the banks will try to prop up the market, but things will not work out the way they hope.

M. Deep State Cabal Great Reset Plan:

- **David Icke video from 1998.** Everything Icke said is playing out right now. They are talking about chip implants, forcing everybody to have a digital ID / vax passports and programmable Central Bank Digital Currencies.
- **The Great Reset is the battle of our lifetime.** If the elites that control this world succeed, we will all be living like slaves in digital concentration camps. If we win, we will FOREVER change the world for the better.
- **Author of 'The Great Reset', Marc Morano, on Klaus Schwab's recent B20 speech:** "He's talking about us essentially giving up national sovereignty, giving up individual freedoms, and turning over rule to experts. This whole agenda is to make it so we have no choice on some of the biggest questions of our lives. We didn't get to vote on whether gas powered cars would be banned, we didn't vote for vaccine mandates, we didn't vote for lockdowns, we didn't vote for banning of meat. But all of this is happening, because at these meetings like the World Economic Forum and the United Nations, they meet and they work with government-corporate collusion to bypass democracy and impose stuff through this corporate government fascism."

N. The Cabal Last Ditch Effort: 10 Things They Are Doing And Will Attempt General Protocols Of Zion:

- 1. Cyber Warfare:** Launching large-scale cyber attacks to disrupt communication networks, sow confusion, and compromise election infrastructure, creating an atmosphere of chaos.
- 2. Economic Manipulation:** Covertly manipulating global financial markets to induce economic crises, creating public unrest and undermining the stability of the winning party.
- 3. False Flag Terrorism:** Staging elaborate terrorist attacks, both domestic and foreign, to divert attention, instill fear, and justify increased security measures that could delay or disrupt the transition of power.
- 4. Information Warfare:** Using disinformation campaigns to manipulate public opinion, discredit the election results, and create distrust in the democratic process.
- 5. Media Control:** Exerting influence over major media outlets to control narratives, suppress evidence of their crimes, and shape public perception in their favor.
- 6. Biological Threats:** Releasing or threatening to release biological agents, creating health crises that divert resources, strain healthcare systems, and justify the suspension of normal democratic processes.
- 7. Space-based Manipulation:** Leveraging advanced technologies, including satellites, to create illusions such as fake alien invasions or celestial events, diverting attention from the political landscape.

8. Mass Surveillance: Intensifying surveillance efforts to monitor and suppress dissent, identifying and neutralizing key figures within the winning party to prevent exposure.

9. Environmental Manipulation: Employing weather modification technologies to induce natural disasters, fostering humanitarian crises that divert resources and attention away from political matters.

10. Assassination Attempts: Targeting key figures within the winning party or those poised to expose the group's crimes through covert operations, aiming to eliminate threats to their secrecy.

O. Mon 29 Jan. You can see the North Pole continent in most old maps, along with Tartaria before it was removed in the 17th century. In 2016, three pyramids were discovered in Antarctica. The pyramids measured over 1,220 meters (4,000 ft.) tall, making them about 10 times the height of the famous Great Pyramid of Giza in Egypt. Antarctica was at the equator at the time, so living conditions were more tolerable. However soon after this discovery, the government has even blocked pictures of these pyramids on Google Earth.

Donations Badly Needed

The Cabal wanted to make Lahaina Maui into a SMART city, so they burned it to the ground. Right now there were 800 displaced homeowner victims of the Lahaina DEW Attack Fires who could use your help. Be careful where you donate. The Cabal likes to use disasters they created to steal your money. S. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

T. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Judy Note: “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

U. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
