Bombshell Report: Obama Asked UK To Gather Intelligence on Trump Campaign

Soon the Deep State Cabal Globalists planned to implement the Great Reset of the Global Financial System using their fiat CBDC digital currency that could only be accessed through chips inserted in the brain; where corporations owned everything; you were only allowed to rent what you needed and depending on your Social Credit Score, while they tracked what you ate, your travels, who you communicated with and controlled your life.

It's only wise to have at least a three weeks supply of food, water, cash, fuel and essential items on hand for yourself and to help others in case of a disaster

[Dear to the Heart of the Shepherd \(youtube.com\)](#)

[Behold Your Little Ones \(youtube.com\)](#)

“And other sheep I have which are not of this fold; them also I must bring and they shall hear my voice and there shall be one fold and one shepherd.”

Judy Note: *In 2020 the semi conscious, confused and Mind Controlled Joe Biden was fraudulently elected president of US Inc. – a bankrupt privately owned corporation. Since that fraudulent 2020 Election and with support of the Global Military Alliance, the US has been under Martial Law with Donald Trump serving as it's Commander in Chief. Now with help of that same Global Alliance, combined with the BRICS nations and Patriots of the Q Movement, the US would soon be known as the Sovereign Republic of America, no longer subject to the British Crown-controlled Maritime Law, while functioning under Natural or Common Law as outlined in the original Constitution.*

- **The World Economic Forum has just confirmed the global CBDC** (Great Reset of the World financial system by switching to non-asset backed digital monies that you can only have access to if you have a chip inserted in your brain). They will recognize that they will track what you eat, your travels, who you communicate with and everything else you do in life. This is why they are freaking everyone out about the “climate crisis.” To track and control everything we buy and consume.

B. Global Currency Reset: Rumor was that starting on **Fri. 16 Feb.** Tier 4 paymasters would be on call and must be within a 30 min distance to their Redemption Center. There’s a lot of speculation that it could go by **Tues. 20 Feb.** Some "reporters" have often said it would go during a three day weekend, which was **next weekend’s President’s Day through Mon. 19 Feb.**

- **Thurs. 15 Feb. MarkZ:** “I was told that their goal is by **Tues. 20 Feb,** but I could live with **10 days or by the end of February.** My gut is screaming we will see this in the month of February based on the number of requests to keep us quiet and the banking anticipation and a number of sources say we could get it by the 20th now. I think everything is done and we are just waiting on them to release it. My contacts in Iraq are telling me this as well as bankers and government contacts. Things are screaming at us that we are close. ... A BRICS analyst predicted US dollar crash similar to Roman Empire’s end. This is a great example and how it works with fiat. The Roman Empire over extended themselves, spent money they didn’t have and started clipping coins ... then they tried paper note with nothing backing them...then they collapsed... We are watching the same thing happen right now. This happens every time with fiat. Like clockwork. Changing back to assets is where it will be for awhile once this happens.”
- **Thurs. 15 Feb. Bruce:** A Strong Source said we were in a three day rollout that started today **Thurs. 15 Feb.** and will go through **Saturday 17 Feb.** Bond Holders are about to receive their emails and have access to their funds **Fri. 16 Feb. or Sat. 17 Feb.** Tier4b should be able to set appointments by **Sat. 17 Feb.** There could be an EBS announcement on President Trump anywhere **from Fri. 16 Feb. to Fri. 23 Feb.**

C. The Deep State Cabal's Great Reset:

- **Australian senator, Malcolm Roberts, dropping serious truth bombs about the WEF—and its dystopian Great Reset agenda—**in the Australian parliament. "The plan of the Great Reset is that you will die with nothing. Klaus Schwab's 'life by subscription' is really serfdom. It's slavery. Billionaire, globalist corporations will own everything—homes, factories, farms, cars, furniture—and everyday citizens will rent what they need, if their social credit score allows."
- **The Cabal wants us enslaved to oil** because they want to continue with this scam that oil is scarce. They built this system based on lies, scarcity and inversion. Now, it's collapsing right before their eyes. Free energy will completely change this world and the poverty mindset people have been traumatized to exist in.
- **Archbishop Vigano on the Great Reset:** The World Economic Forum is threatening the heads of government of the 20 most industrialized nations in the world to carry out the Great Reset. It is a global coup d'etat, against which it is essential that people rise up.

Those who govern nations have all become either enslaved or blackmailed by this international mafia.

D. Global Financial Crisis:

- **UK in recession** as economy shrinks by more than expected. UK News Sky News: <https://news.sky.com/story/money-latest-uk-in-recession-as-economy-shrinks-by-more-than-expected-13040934>
- **Fri. 16 Feb. Europe falls into recession.** Denmark, Latvia, Luxembourg, Austria, Sweden, Norway, the Netherlands, Estonia, and Ireland are joining the recession club. Typically, two consecutive quarters of negative GDP growth indicate that a country's economy is in recession, and this pattern is evident in almost all EU countries. Portugal, Slovenia, and Cyprus are performing the best by now. Germany seems to have emerged from the recession, but it's not entirely clear, as the latest quarters show zero growth.
- **Morgan Stanley to lay off several hundred in it's Wealth Management Division.** The layoffs will affect less than 1% of the wealth unit's approximately 40,000 staff and are related to the integration of E Trade, the online brokerage Morgan Stanley bought in 2020, the person said. Affected employees will receive notice this week. The move doesn't affect financial advisors and their direct support staff, two groups that work in close proximity to Morgan Stanley's rich clientele. <https://www.barrons.com/advisor/articles/morgan-stanley-layoffs-wealth-management-ac29e869?mod=RSSMSNBarons>
- **Why Banks Fear Basel Three:** There were 43 states which passed bills to make metals legal tender. This means your money will be 100% tax free – which means if you purchase property with gold mortgage, taxes, liens, etc will not be a factor in any capacity. Why do you think bankers fear Basel 3. Remember what the MBA stated a few days ago? That the entire model of real estate will change because of B-3. "The Mortgage Bankers Association (MBA) has voiced strong opposition to the Basel capital rule changes, pointing out seven key areas that could affect major banks and regional banks, lenders, servicers, and borrowers within the housing finance ecosystem. Here's a closer look at these crucial concerns". End quote. Basel 3 empowers the citizens. Not the banking industry. This is why they are now trying to double down on the Dodd Frank Act. Which allows the bank to legally confiscate your money making them impervious to lawsuits. You all have to understand. In the 1970s boomers bought houses for 10k-20k. Now do you all see why bankers were crying to congress about Basel 3 on Capitol Hill a couple of months ago? <https://x.com/prolotario1/status/1758494618646098152?s=46&t=sHroIXugC6Ppzw4HPltF9A>

- **France: On Wednesday, February 14th**, a highly controversial law was pushed through the National Assembly in France, potentially turning a critic of mRNA treatment into a criminal. The draconian law, which was quietly passed with virtually no debate, could throw anyone who advises against the use of therapeutic or prophylactic treatment (including experimental mRNA gene therapy) into prison for up to 3 years and pay a hefty fine of 45,000 Euros.
- **Fri. 16 Feb. It was 258% of normal in 2022.” Why are cancers taking off “like wildfire”? According to Dr. Cole, it is because “these shots suppress the immune system.” <https://t.co/wqhnv97LoH>

K. What's Really Behind the Ukraine War: <https://www.rt.com/news/592518-us-house-recess-ukraine-aid/>

- **The Senate** was trying to send another \$60 billion to Ukraine, AND make it illegal for the incoming Trump administration to stop funding Ukraine.
- **This is batshit crazy**, but confirms how desperate the establishment was. They know if Ukraine falls, they are fucked.
- **Their only hope of survival** is defeating Russia and replacing Putin because Putin and his military have been calling for the heads of the US oligarchs responsible for bioweapon production in Ukraine.
- **If Ukraine falls**, and Trump wins, they could face capital punishment via crimes against humanity.
- **That's what's on the line here.** That's why there is so much desperation. It's life and death.

L. The Cabal Was Going Down:

- **The Cabal were all going down.** Trump changed the laws on all of them. Australia was under US jurisdiction as well. So those pedophiles are going down too. M. Fri. 16 Feb. 2024 White Hat Intel:

- **The inner War inside the U.S. Intelligence agencies** is reaching an all time high as the NSA leaks FBI memo to Texas Border agents and Intelligence on the Border. The FBI memo is a fake BLACK FLAG, PATCOM Operations that is using FAR RIGHT EXTREMIST WHITE SUPREME
- **Most likely the CIA MK-ultra goons** will attack the migrants and U.S. border patrol to stage a false flag event that will lead to Biden and Deep State blaming Patriots, Maga and Trump supporters for the Deep State Event.
- **From the highest levels inside the U S. Intelligence agencies** they are sending warnings to the border patrol and high level sources through the governments. The FBI memo leak is causing chaos inside the intelligence agencies. It's well known through the military intelligence and three letter agencies that The Storm and Arrest Wars are coming.
- **At the same time the NSA has denied the Biden administration and the CIA Pentagon** against using their facial recognition systems (that have already been abused in the January 6 fbi false flag PATCOM operations illegally)////
- **The Deep State Narration has begun as MSM News outlets** start pushing the civil war narration and twisting stories that Colonial Pete Chambers is a Green Beret and leading White Extremists to hunt down immigrants and start a Civil War against the Biden

administration. Hundreds of liberal news outlets are pushing the same CIA MOCKINGBIRD narration.

- **Wires indicate that major Whistleblowers** from NSA, Border Patrol, CIA and Intelligence Agencies have already signed Whistleblower Immunity Laws with Congress.
- **Major panic inside the FBI** as LEAKS continue and the January 6 pipe bombs saga unfolds as false flag events that are staged by the FBI.
- **THE PIPE BOMBS ARE FBI SPECIALTY** With their own special SIGNATURE in the way the bomb is created. Military specialist, analysis and intelligence agencies ask know the pipe bombs are FBI Training special made pipe bombs. Intelligence communities have already identified the person who left the bombs as an FBI correspondent.
- **Lots is happening in the U.S. as the Deep State Cabal** prepare to create near civil war EVENTS, this all comes as CIA Ukraine Proxy war fails and Russian military has annihilated the CIA/NATO operations.
- **Now UN/DAVOS / NATO** is begging the EU to create a military to fight Russia.
- **Unfortunately EU intelligence and several secretaries of defense have given military assessments** that the EU countries are out of ammunition and munitions. This all comes as NATO has failed to produce the one million a month ammunition productions and less than 20% has been produced.....
- **Ukraine is holding billions of U S. And EU tax dollars** but have no place to buy ammunition and more over the Ukraine military has nearly been wiped out and the last of reserves are being used. They were pulling people off the streets to fight, both young and old.
- **Major panic in the United Nations** as U.S. military assessment and war gaming operations and simulation war with Iran is a negative out come.
- **Iran has over 40,000,000 million men willing to fight**, and Iran military is highly advanced with weapons and has some of the highest military ammunition stock reserves in the world. Turkey, Russia, China will back Iran and Saudi Arabia will completely shut off the U.S. from oil.
- **Intelligence reports state that the non jurisdiction of the U.S. Military** illegally stationed in Syria is where the U.S. soldiers came from. They were not part of the U.S. military base in Jordan.
- **A MASSIVE COVER UP** is happening in the U.S. military with Biden administration and CIA Deep State News agencies pushing the false stories.
- **Several colonials in the U S.** have an stated that Iran would not use drones to attack as Iran has some of the most advanced weapon systems in the world and the drones strike were made by local militia's.
- **Panic in the Pentagon/ CIA as the U.S. military stock reserve is reaching all time low** and ask war assessment confirms Russian, Iran can easily take control of the black sea. Mediterranean and Red Sea.

- **MAJOR PANIC** as Turkey Military mulls over intervening in the U.S. attempt at World War Three operations. Turkey sent strong warnings to UK not to intervene in the U.S. Iran situation.
- **Massive Panic in the UN, NATO, EU and US** as the Epstein saga is moving forward. Cheyenne Mountain, Military White Hats and Trump are staging for the perfect moment to bring EPSTEIN SAGA MORE INTO THE LIGHT. Panic in DC, CIA, FBI as the Epstein exposure comes closer. They are trying so desperately to start World War Three and a US Civil War to suppress the Epstein, UN, CIA, Pentagon exposure.
- **Stay safe Patriots if you are in Texas, California and New Mexico standing with Take Back Our Border movement.** White Hats in the NSA and different agencies are trying hard with military and ex military to facilitate Texas operations and they are behind the scenes sending warnings and also warning FBI not to facilitate Black Flag PATCOM operations.
- **There is a growing coup in the Ukraine government and Military against the Zelensky Regime.** Amid persistent more-than-rumors that Ukraine's President Zelensky is trying to fire his defense chief, Gen. Valerii Zaluzhny, CNN has given the embattled general op-ed space to speak some things that are certain to pour fuel to the fire.
- **In a CNN op-ed published late in the day Thursday,** the top general has continued saying things which run afoul of Zelensky's more positive, rosy narrative as the latter desperately tries to attract more Western weaponry and funding, at a moment many European nations are struggling with depleted domestic stockpiles. "We must contend with a reduction in military support from key allies, grappling with their own political tensions," Zaluzhny writes. "Our partners' stocks of missiles, air defense interceptors and ammunition for artillery is becoming exhausted, due to the intensity of hostilities in Ukraine, but also from a global shortage of propellant charges."
- **General Valeriy Zaluzhnyi** is a national hero for Ukrainians. But two years into the war, setbacks on the battlefield and political jealousies in the capital have soured his relationship with President Volodymyr Zelensky. This week, the president tried — and failed — to force out his commander-in-chief, pulling back the curtain on a damaging rift at the heart of the Ukraine war effort.
- **Israel running out of ammo** as they moved the past two years most of their military stock reserve's to Ukraine. UNITED STATES at so time low in military stock reserve's
- **White Hats Q** has been saying for years this is happening and now U.S. colonials are calling NATO a collapsed Alliance and the UN/ U S. Deep State Military will invade the Middle East. The real truth is that Iran doesn't want war and is surging in economic boom and Saudi Arabia is helping pulling strings to COLLAPSE THE UNITED NATIONS W/ TRUMP+ MILITARY INTEL OPS.
- **You are watching a STORM of Operations unfold in real time.** And the COLLAPSE of the CABAL and Project Blue Beam operations silently fall.
- **Stay strong Patriots you have more than you know.** You have information that has been years ahead of time given to you very often. Behind the scenes the Hand of God is

bringing in Real TRUTH MOVEMENT across the world and people are no longer following the World Economic Forum, World Health Organization, etc.

- **The Hand of God gave intelligence COMMS** to white HATS inside the ALLIANCE OPERATIONS. As we come closer to the TRUTH, the more unbelievable it will become.

N. The Unlawful IRS and Federal Reserve:

- **There were reports that because of activation of the QFS**, the Federal Reserve and IRS would be shut down in **March 2024**. Those tax monies would be replaced by a 14% sales tax on new items only, with no tax on food or medicine – taxes that would be shared with both the federal and state governments.
- **The IRS and Federal Reserve were not government agencies.** They were privately owned by the Deep State Cabal and Rothschild Bankers. There was no act of Congress, nor any Executive Order giving the IRS jurisdiction to act in any of the 50 states.
- **“Ken and Barbie vs. Goliath IRS” Update: So why was Ken Cromar sitting in jail** awaiting trial on charges that he had the audacity to live in his own home that he fully owned after the privately owned by the Cabal IRS unlawfully used SWAT Teams to take possession of that home and threw away all of his possessions and after he proved in a Federal Tax Court that he owed no money to the IRS? Was the IRS making an example of Ken and his wife Barbara to prove what they will do to you if you dare question their unlawful authority?
- **The deception displayed by the Court** and Prosecution in the Federal Case against Ken Cromar exposes the desperation of the IRS and DOJ to convict Barbie & Ken. The six year battle they have faced demonstrates the venerability of the IRS and its orchestrated scheme to defraud and fleece the American public (We the People). ... O. Fellow Patriots, Join in the Fight for Our Freedoms and Help Save the Children:

Donations Badly Needed

The Cabal wanted to make Lahaina Maui into a SMART city, so they burned it to the ground. Right now there were 800 displaced homeowner victims of the Lahaina DEW Attack Fires who

could use your help. Be careful where you donate. The Cabal likes to use disasters they created to steal your money. The Kingdom of Akua Foundation's Malama Lahaina Website is the only site dedicated to and run by the Hawaiian Native Peoples:

U. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and*

others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

V. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Judy Note: “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

W. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

X. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Y. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
