We Are Ready.

Trust The Plan.

Supreme Court Called In For Emergency Court Proceedings On Fri. 9 Feb.

Trust The Plan

It's only wise to have at least a three week supply of food, water, cash and essential items on hand to help yourself and others in case of a disaster.

Judy Note:

- **The Global Financial System and it's Central Banks were now officially bankrupt.**
- **For some time** Peoples of the World have been functioning under Martial Law of the Global White Hat Military Alliance.
- **Individual governments now had zero control** and were in the process of renegotiating for Sovereignty.

- **All countries have been declared bankrupt.** The IME, UN, World Bank, WEF, etc. were now considered defunct corporations without any Sovereignty. To function as an independent Sovereign nation with their own gold/ asset-backed currency, the different countries needed to register with the Archivists and Hall of Records via Ground Command and/or revised Global Intelligence Agency (GIA) structures. Some nations already have, and been accepted into the BRICS Alliance.
- **In the US, the Supreme Court has called for an Emergency Court Hearing on Fri. 9 Feb.** to hear Arguments on 2020 Voter Fraud. A positive decision would dissolve the Biden Administration and all of Congress. Fox News has admitted that Big Tech, the Democrat Party, CIA, & Fake News conspired to rig the 2020 Presidential election against President Donald J. Trump! [Supreme Court Interrupts Its Break for Landmark Trump Ballot Case \(resistthemainstream.com\)](#)
- **Globalists at the recent World Economic Forum signed a Treaty** to ration the Global Food Supply Chain. There were already empty supermarkets in Luxembourg, France and Belgium because farmers weren't allowed to grow food by order of their own Cabal governments. In the US the Globalists, mainly Bill Gates, had been buying up farmland and then letting it sit, plus destroying food processing plants across the nation.
- **WW3 Breaks Out In Middle East** With More US Strikes by the defunct US Inc.
- **The Global Financial Crash has remained unreported by the Mainstream Media:** Banks were dying: <https://www.cnn.com/2024/02/05/gold-prices-to-hit-2200-and-outperformance-awaits-silver-says-ubs.html>
- **Tues. 6 Feb. California Coast to Go Under: "WE HAVE 6 DAYS LEFT": The San Andreas Crack Is About To Cause The Biggest Tsunami In History! | Alternative | Before It's News (beforeitsnews.com)**
- **King Charles** and his close friends were said to have raped 'Hundreds of Children.' It was reported the King has been taken care of by the Global Military Alliance, though the Mainstream Fake Media report him as being diagnosed with Cancer.
- **On Tues. 6 Feb. the Food and Drug Administration (FDA)** announced that Big Pharma Cancer treatments actually caused cancer in humans. The Covid vaccinations were also found to be causing cancer.
- **Former vice president at Pfizer, Dr. Mike Yeadon, on the perils of CBDC, digital ID and UN Agenda 2030:** "By 2030, you will not be able to leave [the country], you will not own private transport, you will have a digital ID to do everything, and you will only have electronic money with which to transact. I would say, at that point, you are a slave. And because you can see them coming, you should say no. Say no right now."

- **There was a trend nationwide that intercity bus stations like Greyhound were closing** or downsizing because they can't afford the space they're in. In some cases, the closures leave travelers to wait in parking lots or street corners for their next bus ride.
- **Tues. 6 Feb. Goldilocks: “Chinese authorities told state-owned banks to step up intervention in the currency market this week in a push to prevent a surge in Yuan volatility,** according to people familiar with the matter. In 2023 until now, The People's Bank of China has been manipulating their currency exchange rate more than usual. As the dollar has become more unstable, their State Banks have stepped up to the plate to buy some of their assets from the markets themselves to stabilize the Yuan. Several tools have been utilized to control their currency fluctuations as of late, and the Exchange Stabilization Fund has been called in to assess the situation and give them supportive direction. China academic calls for US \$1.4 trillion stock stabilization fund: As the global wars continue to expand, the volatility of all the Global Markets are beginning to create havoc in the foreign currency exchange markets. Currency interventions like these are common during wartime efforts. This is why old play books no longer apply when distortions in the market begin to affect economic stability and job creation opportunities. The BRICS Nations, of which China belongs, sets them apart through a backing of gold to support their local currencies. These efforts add to the net worth of a country's revenue holdings. The use of gold to stabilize currency exchange rates and demand bring in greater value in exchange processes between countries. As Global wars continue to expand, you can expect a rise in volatility inside the Markets and Forex. Old contracts between nations may no longer hold accurate trade values going forward. Look for gold and other Exchange Stabilization Fund interventions to come into play.”

- **Tues. 6 Feb. Goldilocks:** Today, the Chairman of the House Financial Services Committee, Patrick McHenry (NC-10), and the Chairman of the Financial Institutions and Monetary Policy Subcommittee, Andy Barr (KY-06), sent letters to Federal Reserve Bank of San Francisco President Mary Daly and Federal Reserve Bank of New York President John Williams regarding their banks’ ongoing relationships with opaque and unaccountable global governance organizations, including the Network for Greening the Financial System (NGFS) and Bank of International Settlements (BIS). The lawmakers are requesting information related to the Federal Reserve (Fed) regional banks’ past work and written agreements with these organizations, which cede authority over U.S. financial

regulation while putting our financial system at a competitive disadvantage.

F. Restored Republics:

- **Rubix Q 777 on Telegram:** “Hi Guys, quick update, if I understood correctly according to Ground Command, the entire world is currently under international or global martial law (n.b. NOT national martial law) - individual governments have zero control and are in the process of renegotiating for sovereignty. In other words, the governments and/or government Inc's are currently not recognized as sovereign and need to register with the Archivists and Hall of Records via Ground Command and/or revised Global Intelligence Agency (GIA) structure/s. Also, all countries are currently declared bankrupt and the IME, UN, World Bank, WEF, etc. are also defunct corporations without any sovereignty. These will be replaced by a revised GIA and entity known as CARE. The IRS is being restructured and may be replaced completely. Janet Yellen has been fired (not public yet) and the US Federal Reserve + Treasury is on notice till 30 June, i.e. if they cannot pay the Global Repository back the quadrillions owed, it will be handing over ALL its assets including property, commercial property, land, business assets, etc. We are about to see the real truth and the real news unfold before our eyes. Brace yourselves for short-term volatility, medium-term change, and long-term prosperity.

G. The Real News for Tues. 6 Feb. 2024:

- **The IRS is not a government agency.** It's under a privately owned corporation called US Inc. which is based in Puerto Rico – as was the Federal Reserve. The IRS and Federal Reserve were owned by the Illuminati Deep State Cabal Khazarian Mafia Globalist Bankers who included the UK Crown and Vatican. There was no US law that stated we were legally required to pay income taxes to the IRS. We verify that we are voluntarily paying those taxes to the IRS when we sign IRS forms, which makes it legal.
- **Tues. 6 Feb.** Treasury Secretary Janet Yellen called on Congress to pass crypto legislation. **Judy Note:** I'm guess'n that with the Global Currency Reset in the middle of rollout that takes away the Cabal's money source, they realized they ought to do something to get some money together. It will be interesting to see which members of Congress vote for that one.
- **Tues. 6 Feb. Archbishop Vigano: The World Economic Forum is threatening** the heads of government of the 20 most industrialized nations in the world to carry out the Great Reset. It is a global coup d'état, against which it is essential that people rise up.

- **Tues. 6 Feb. The United Nations**, with the help of over 200 NGOs, is giving money to illegal migrants. And this is funded in large part by US taxpayers. Their budget for the coming year? Around \$1.6 billion dollars. The money for illegal immigrants is handed out as debit cards, hard cash, bank transfers and mobile transfers. And it's worse than just money. The UN is facilitating it. They're paying for it. They're rewarding these people for violating US law.

H. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China’s Three Gorges Dam in the 1500 mile tunnel that runs between the Vatican and Jerusalem:

- **King Charles and Close Friends Raped ‘Hundreds of Children’ – Explosive New Testimony:** <https://rumble.com/v4bm4oq-king-charles-and-close-friends-raped-hundreds-of-children-explosive-new-tes.html> <https://thepeoplesvoice.tv/king-charles-and-close-friends-raped-hundreds-of-children-explosive-new-testimony/>

- **Child Sacrifice and pedophilia** were common practices for those who worshipped Satan. It was done on specific Satanic Holidays to gain power and riches. Below is Judy Byington's interview with Jenny Hill, who tells of her witness to a Satanic Child Sacrifice Rite in 1965 Garden Grove California where she was almost killed herself, save for Divine intervention. The perpetrators and victim's identifying information and details of several child torture events they participated in were reported to various legal authorities in three different states. The perpetrators were never brought to justice, let alone investigated and were believed to still be practicing Child Sacrifice, pedophilia and Child Torture on a regular basis even today. And, they were not alone. Satanic Child Sacrifice, torture and pedophilia takes place on a regular basis across the Globe in every race and culture. We all need to watch out for the children. It is going to take all of us united to protect these, the most vulnerable of our society. [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Judy Note: Unfortunately the publisher for "Twenty-Two Faces" Tate Publishing, went out of business, so the book has been out-of-print for some time. It is very expensive to buy on Amazon and other sites as people who have first edition copies are selling them from \$200 to over \$1,000 each. We are in the process of publishing a second edition soft cover, audio and E-Book, all of which will be available within a month or so at regular book prices.

I. Covid/ Ebola/ Swine Flu/ Polio/ Small Pox/ BSE/ Zika/ Sars/ Monkey Pox/ AIDs/ Vax/ H1N1/ Graphene Oxide/ Chem trails/ Fluoride, Processed Foods, Human Clones Hoaxes:

- **On Tues. 6 Feb. the Food and Drug Administration (FDA)** announced that Big Pharma Cancer treatments actually caused cancer in humans.
- **Mon. 6 Feb. Oncologist:** "I've Never Seen Cancers Behaving Like This. Young people, in their 20s, 30s, and 40s, are developing aggressive and rapidly-growing "turbo cancers." Dr. William Makis, who has diagnosed 20,000 cancer patients in his career, says, "I've never seen anything like this. I've never seen stage four breast cancers presenting in women in their 20s. I've never seen stage four colon cancers presenting in men and women in their 20s [and] 30s. Leukemias that will kill you in a matter of days or even hours after diagnosis. Turbo cancers are decimating young doctors. Fitness enthusiasts, not just athletes, are dying suddenly."

- **Fluoride Makes You Dumb:** “On the back of fluoride toothpaste there is always a poison warning label. On the back of fluoride-free toothpaste there is never a poison label. Fluoride makes your body absorb extra aluminum. Aluminum goes to your brain. What metal shows up alarmingly in the brains of Alzheimer victims? Aluminum.”
...William Douglass, MD.

J. Tues. 6 Feb. ["WE HAVE 6 DAYS LEFT": The San Andreas Crack Is About To Cause The Biggest Tsunami In History! | Alternative | Before It's News \(beforeitsnews.com\)](#)

- **The San Andreas Fault is a ticking time bomb** under California, stretching over 800 miles from the north to the south of the state. It’s not just a crack in the ground; it’s the dividing line between two massive slabs of the Earth’s crust, the Pacific and North American tectonic plates.
- **This fault is infamous for its potential to unleash catastrophic earthquakes**, like the 1906 San Francisco quake that shook the very foundation of California, causing widespread destruction and loss of life.
- **Living with the San Andreas Fault means living on the edge.** Every day, millions of Californians go about their lives on top of this seismic powder keg. The state has seen its fair share of tremors and shakes, reminders that the big one could strike at any moment. Despite this, California thrives, its cities bustling and its economy booming. But the threat is always there, lurking beneath the surface.

K. Israel: The Original Terrorist State: Bruce Hoffman’s riveting new history of pre-1947 Palestine reviews the violent birth of the modern Jewish homeland:

<https://www.tabletmag.com/sections/arts-letters/articles/israel-original-terrorist-state>

- Today, the phrase “Palestinian terrorism” immediately conjures up Arab violence against Jews—suicide bombings in buses or restaurants, Hamas rockets launched from the Gaza Strip. Seventy years ago, however, a reader who encountered those words in a headline would have thought of terrorism not against Jews but by them. From 1944 until 1947, Palestine witnessed a series of assassinations, abductions, and bombings, perpetrated by Jewish terrorists against the occupying British. During that period, some 140 British soldiers and policemen were killed, along with dozens of civilian bystanders. In the end, the terrorists got what they wanted, when Britain announced its intention to withdraw all its forces from Palestine and leave the fate of the country up to the fledgling United Nations.
- “Does terrorism work?” asks Bruce Hoffman on the first page of *Anonymous Soldiers: The Struggle for Israel, 1917-1947*, his riveting and deeply researched new history; and the answer, in this case, would seem to be yes. Of course, there were many factors leading to the creation of the State of Israel in 1948. The British Empire was on the decline everywhere, as the crushing economic toll of World War II forced Britain to curtail its overseas commitments. The Holocaust had created sympathy for the Zionist

cause, above all in the United States, which kept up a continual pressure on Britain to admit Jewish refugees to Palestine. Most important of all, perhaps, the Jews of the Yishuv—the prestate settlement in Palestine—had created the infrastructure for a state, complete with an illegal but tacitly tolerated army, the Haganah.

In other words, everything will be monitored. Everything will be in control. Piece by piece.

M. The privately owned IRS and Federal Reserve that has control over US Tax monies:

- **The IRS was not a government agency.** It's a privately owned corporation called US Inc. which was based in Puerto Rico – as was the Federal Reserve.
- **There is no US law** that stated we were legally required to pay income taxes to the IRS. We verify that we are voluntarily paying those taxes to the IRS when we sign IRS forms, which makes it legal.
- **The IRS and Federal Reserve** were owned by the Illuminati Deep State Cabal Khazarian Mafia Globalist Bankers who included the UK Crown and Vatican.
- **When you pay taxes to the IRS** that money goes directly to that privately owned US Corporation based in Puerto Rico, then to the British Crown in the City of London, then to the Vatican Bank, then to the Illuminati Deep State Rothschild Khazarian Mafia Cabal Globalist Central Banks across the World.
- **These Globalists** spend those US tax monies on their own nefarious interests such as running an International Child Sex Trafficking Ring.
- **About a month later** that tax money is returned to a bank in New York, which charges interest in order for the government to use it to pay obligations and salaries – the very reason for the ever-growing US National Debt.

- **Congress people are blackmailed** to keep this fraudulent system going and are known to launder some of those monies back into their own pockets.

N. Mon. 5 Feb. Update on Patriots “Ken and Barbie vs. Goliath IRS”

- **During a now-six-year court battle with the IRS** Ken and Barbara Cromar won their case in a federal tax court that they owed no monies to the IRS.
- **After which the IRS sent two different SWAT Teams** that on two occasions took away Ken and Barbara Cromar’s fully paid for home and threw away all their possessions including expensive camera equipment Ken used to make a living.
- **Now Ken is sitting in jail** on charges he lived in his own home and used his own possessions.
- **The Goliath IRS admitted that Barbie & Ken were never sent any Notices of Deficiency AND that the IRS had ever made any Determination of a Tax Liability for Barbie & Ken.** As such, the US Tax Court had no jurisdiction over Barbie & Ken. – [This lack of jurisdiction means that everything done to Barbie & Ken including the seizure of their home for an unpaid tax debt, the auctioning off of their home on the court house steps, and their six-year legal battle to protect themselves, their home and reputation (Life, Liberty and Pursuit of Happiness) has been an unlawful attempt by the DOJ to deny Barbie & Ken of their God Given, Constitutional Rights.]
- **Furthermore, the IRS admitted that the Dismissal of the case against Barbie & Ken** was because the IRS had not issued Barbie & Ken a Notice of Deficiency or a Notice of Determination before or at the time Barbie & Ken filed their petition on April 2, 2021. – [An Admission that Barbie & Ken DID NOT And NEVER DID OWE ANY TAXES for the tax years 1990 through 2020!]
- **Then in a “typical act of sour grapes,” the IRS threatened Barbie & Ken with a “penalty”** if they ever filed a similar petition [complaint] against the IRS. [“Ok, you won, but if you try this again, we will beat up!”]
- **In the United States Tax Court, Petitioner, Barbara-Ann Cromar vs the Commissioner of Internal Revenue, Respondent. Barbara Cromar demanded in her petition filed in the US Tax Court on April 2, 2021,** that the IRS provide copies of, any and all, the Deficiency Notices, sent to the Cromars, alleging deficiencies or the non-payment of taxes for the years 1990 through 2020.
- **In response, on May 26, 2021, Rebekah A. Meyers,** Associate Area Counsel for the Respondent, Commissioner of Internal Revenue, filed a Motion to Dismiss for Barbara. You can access these documents at: <https://gofile.io/d/tfkcl1a>

O. Fellow Patriots, Join in the Fight for Our Freedoms and Help Save the Children:

Donations Badly Needed

The Cabal wanted to make Lahaina Maui into a SMART city, so they burned it to the ground. Right now there were 800 displaced homeowner victims of the Lahaina DEW Attack Fires who could use your help. Be careful where you donate. The Cabal likes to use disasters they created to steal your money. U. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

V. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Judy Note: “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

W. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

X. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Y. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
