A. Timing

- **Brazil Banks** report Tier4b liquidity to be released by **Thurs. 11 April.**
- **MarkZ and Wolverine** believe Tier4b will have liquidity by **Mon. 15 April.**
- **Some New York banks** were told announcement of the Global Currency Reset would happen by **Mon. 15 April**, though most believe the General Public announcement will be on **Sun, Mon, 21st or Tues. 22nd April.**
- **On Wed. 17 April** JFK Jr. and Princess Di were scheduled to come out of hiding.
- **Zimbabwe** has announced their bonds must be redeemed by **Tues. 30 April 2024.**

B. Global Currency Reset:

- **Judy Note: It all began when President Trump** refused to renew Executive Order 13303 that prevented Iraq from revaluing its currency – an order that had been signed by every US President since **2003**. The Iraqi Dinar revalued in-country on **Sat. 30 March**.
- **On Fri. 5 April** the Reserve Bank of Zimbabwe (RBZ) injected gold-backed digital tokens (GBDT) known as Zimbabwe Gold (ZiG). Banks now have the new Forex rates... Wolverine
- **It was rumored that Tier 3 Fines, Sanctions, Farm Claims, CMKX payments and Bond Holders started Fri. 5 April.**
- **On Fri. 5 April** Zimbabwe announced it is replacing its collapsing local currency with a new one backed by gold: <https://www.reuters.com/business/finance/zimbabwe-introduce-new-structured-currency-cbank-governor-says-2024-04-05/>
- **Mon. 8 April MarkZ:** “There are a lot of rumors that banks have the new US gold-backed Currency Notes in their bank vaults ready for the GCR.... **On Mon. 8 April** Zimbabwe introduced their new gold-backed currency, the ZIG Notes to the World...I have more confirmations of Bond Holder appointments and there were some big deals made with Bond Holders **over this last weekend**. ...Of course Zimbabwe is going gold backed. Russia has the gold backed ruble, China internationally has a gold backed –oil Yuan. I think we will see more countries do the same thing. Denmark is actively looking at doing the same.....It is coming.”
- **Tues. 9 April Texas Snake:** “Things are looking very positive at this point in time. Those holding ZIM will have a 10 day window to redeem.”
- **Tues. 9 April Bruce:** “I think Tier4b will go **within a day or so**. There was a Conference Call that involved all the Redemption Center Staff on **Sat. 6 April**. They were told that if any information leaked out of their meeting that their exchange commission would be removed. (Redemption Center Staff get a .025% commission on your exchange.) We are just waiting for the codes to be released from the US Treasury. NESARA/GESARA and Social Security increases will kick in sometime this month.”
- **Tues. 9 April Wolverine:** MarkZ said the **15th**. I think this week will be a good week for the bonds, but for the currency, I am looking at the **15th of April**.
- **While some Bond Holders** have received emails that notified of liquidity to their accounts, actual payments were said scheduled to begin on **Wed. 10 April**.
- **Brazil Banks** report Tier4b liquidity release to be by **Thurs. 11 April**.
- **While some New York banks** were told announcement of the Global Currency Reset would happen by **Mon. 15 April**, most believe the General Public announcement will be on **Sun, Mon, 21st or 22nd April**.
- **Zimbabwe has reverted to the gold standard:** While most countries abandoned the gold standard in the last century, some African nations are reconsidering its necessity to stabilize their economies. This month, the Zimbabwean dollar became the new "gold"

currency. The need to switch to the gold standard has been a long-discussed issue in the country, with the Zimbabwean dollar experiencing a more than 500% depreciation, and the currency rate plummeting by over threefold in just the last three months. The Zimbabwean dollar is a relatively new currency, established five years ago following the rise to power of the new president Mnangagwa. One of his first decisions was a complete overhaul of the national economy and financial system. This approach wasn't new for Zimbabwe: in the last decade, the country introduced and then removed from circulation ten independent currencies, each plummeting steeply and rapidly losing value. Introducing the gold Zimbabwean dollar aims to stabilize the exchange rate and help the country combat endless inflation. Unfortunately for Zimbabwe, the gold standard might only last for a short period. The country's gold reserve currently stands at just one ton of gold, barely enough to cover one month of imports at current volumes. President Mnangagwa is trying to address this issue by seeking additional international aid and opening the country to foreign investors. Success, however, remains elusive. Most international investors view Zimbabwe with caution, a country perpetually suffering from military coups and civil wars. Companies willing to consider investments are usually affiliated with military corporations and special services, posing a significant threat to the current president's regime. The viability of Zimbabwe's "gold" experiment will be tested over the next six months, as the country faces challenging negotiations with international creditors.

D. Restored Republic: No Oath of Office sworn in present Federal Government Appointees:

- **Within 30 days of appointment to public office,** all public officials are legally required to have a signed and notarized copy of their oath of office. No elected officials in the Federal government have one. They are either non-existent, incomplete, or fraudulent.

- **According to law, elected officials must swear an oath** that they will support, defend, and bear true faith and allegiance to the Constitution of the United States against all enemies, foreign and domestic.
- **Through the Freedom of Information Act**, US attorney Todd Callender, along with his team at Project Proper Oath, found that not a single member of the existing cabinet has a valid oath of office.
- **US Secretary of the Treasury, Janet Yellen**, has no oath of office. US Secretary of Defense, Lloyd Austin, has no oath of office. US Attorney General, Merrick Garland, has no oath of office. US Secretary of State, Antony Blinken, has no oath of office. US Secretary of Homeland Security, Alejandro Mayorkas, has no oath of office. US Secretary of Transportation, Pete Buttigieg, has no oath of office. US Secretary of Health and Human Services, Xavier Becerra, responsible for declaring a national emergency during COVID, has no oath of office. Former director of the Centers for Disease Control, Rochelle Walensky, had no oath of office. US Attorney for the District of Columbia, Matthew Graves, chief prosecutor of Jan-sixers, has no oath of office. Vice President of the United States, Kamala Harris, has no oath of office.
- **Americans have been watching** a massive, controlled Military Operation which strategically and critically planned and successfully trapped the Washington Establishment, made them confess their crimes and play a role in this operation piece by piece.
- **As Americans we have had to visually see and witness a ‘Continuation of Government’** in the form of a “Presidential Administration” where these corrupt and evil people will, have, and will continue to destroy their system from within, spend all of their dirty money doing so, until it’s time for the Military to visually step in.
- **Those few timelines and timestamps do nothing but prove a Military Operation** and Occupancy along with many more Laws, Codes, Orders, Statutes
- **The National Guard** has been out of their state militia status and operating as Active-Duty Status every day since they were Federalized in March 2020.
- **There’s MORE than enough documentation** and ‘proof’ to show not only the National Guard, but also thousands of World Alliance Aircrafts in and out of the United States and National Guard bases.
- **There’s United States Coast Guards with United States Navy at their stations.** USCG is Department of Homeland Security during Peacetime and transferred to the Department of the Navy during Wartime.
- **The Brunson vs. Adams case** simply states the obvious... Congress violated the Constitution.

F. Biden Crime Family:

- **Russian MoD opened a criminal probe into senior US and NATO officials who are allegedly “financing terrorism.”** They claim that Hunter Biden’s “Burisma Holdings, operating in Ukraine” received millions in funding to carry out terror attacks in Russia. Essentially, Russian MIL are accusing the Biden regime (Deep State) of using non-government organizations to launder US funding to pay for terrorist attacks, including the horrific Crocus City Hall attack that claimed 143 innocent lives. The same method they use to fund all their other offshore criminality. Regardless of who you believe is responsible, tensions have never been higher, and the US and Russia seem to be on a collision course for direct kinetic warfare and thus full-scale WW3.

“Here are the reasons: (1) To claim to be the JFK Jr. David Keith Quigley shows no monetary or political motives but the truth and justice (2) His eyes are extremely like the ones of JFK, particularly when he looks straight into the camera (3) His nose likes Jackie’s (4) The current VP of the Restored Republic has zero likeness to JFK or Jackie (5) He has a DNA test pending (6) The details of his childhood and his story are convincing (7) Logic and reasoning, his information makes sense, JFK’s family and assets has continued to suffer damages.”

- **Orlando Brown says the Elites are selling children to pedophiles** through big companies like Target and Walmart, and these same children are sent to new Epstein islands to work as sex slaves for celebrities in a never ending cycle of abuse. He also claims they get away with it because the children are assumed to be "dead" because they are missing for so long:

- **For centuries, the dark Deep State agents have been hunting human children.** Human harvesting farms have been in operations for thousands of years — for flesh feeding, siphoning loosh energies, adrenochrome production, sex/satanic rituals & sacrifices. Human children is their delicacy. Pedophilia is their lifestyle. All human trafficking operations leads back to this satanic cult cabal. Everything is connected.

- **Ex-Diddy Producer Says This Scandal ‘Could Be WORSE Than Jeffrey Epstein.’**
Jesse Watters says, “Every room in Diddy’s mansions were wired with cameras ... And this was used for blackmail material,” citing the lawsuit filed by Rodney “Lil Rod” Jones. They’d bring in these people. A lot of these people were also aspiring young artists in the music industry. And then, these parties were sponsored by Motown Records CEO, Universal Records CEO. This goes all the way to the top. And so, you get these people in compromising situations. The drinks were laced, their videotapes were hot. And then, at the end of the day, you wake up the next morning, ‘What did I do?’ And then they have compromising material on you. And then they can guide your career. They could kill your career, but they got you. And it wasn’t just people in the music business, as you said. There were athletes, there were celebrities, there were politicians, people from the royal family. And we were also told by the former bodyguard that Diddy was an FBI informant. So, he was a snitch and was feeding information to the feds. And we don’t know what that means. We haven’t been able to confirm it. But even ‘Lil Rod’ said, ‘It’s not just like Epstein. It could be worse than Jeffrey Epstein.’”

- **A community of Catholic monks** on a reputedly 'holy island' off the coast of Wales is at the centre of a major child abuse scandal going back more than 50 years.
- **Thousands of tourists visit Caldey** off the Pembrokeshire coast each year unaware of its dark history of sex abuse against infants as young as three.
- **Visiting children**, who have now grown to adults, say they were raped in the historic abbey, sexually abused in the ornate gardens and threatened that they would go to hell if they breathed a word to anyone back on the mainland.
- **Victim Kevin O'Connell, 61**, just 10 when he was raped, claims he witnessed the 'industrial abuse' of children, some as young as three.
- **So far 50 people, aged between 45 and 65** and from all corners of the globe, have responded saying: 'It happened to me.'

K. Wed. 10 April Interpol Task Force Uncovers Human Auctioning Ring: [Project Looking Glass: Clandestine Interpol Task Force Uncovers Human Auctioning Ring | Operation Disclosure Official](#)

- **According to Alliance sources, Interpol’s clandestine undercover Task Force [number redacted], discovered a human auctioning ring operation** on a luxurious Yacht off the coast of Monaco after receiving a tip-off from an insider who had a contact

on-board. The Yacht, owned by one of the arrested bankers, was being used to host an exclusive auction where hostages were being sold to wealthy clients.

- **While investigating the tip, Interpol's Task Force discovered that the bankers** were part of an elite group that had been hosting these auctions for several months. The hostages, mostly women and children, the women were lured in with false promises of employment and underage girls were abducted then held captive on the Yacht until a buyer was found.
- **The hostages were predominantly from developing countries** and were being sold for large sums of money to clients from different parts of the world. The buyers were said to be high-profile individuals with links to organized crime and human trafficking.
- **After gathering enough evidence, Interpol's Task Force** launched a clandestine rescue operation comprised of former Special Forces from various countries hired by the Task Force. This operation was kept hidden from local authorities and the public. The hostages were found caged and tranquilized and were immediately brought to safety.
- **This was a great success for the Alliance** and a major blow to the Cabal's human trafficking industry. The Alliance's top priority is to protect the innocent and bring the perpetrators to justice.
- **The rescued hostages** were provided with medical care, shelter, and counseling at a safe building managed by Interpol's Task Force. The arrested bankers are now facing charges of human trafficking and are being held at a secret location without bail until their trial.
- **The hostages are now receiving the support** and care they need to rebuild their lives and start anew. It is a reminder that evil is always lurking in the shadows, but with the unwavering efforts of the Alliance and their clandestine groups like Interpol's Task Force [number redacted], it will not go unpunished.

L. Covid/ Ebola/ Swine Flu/ Polio/ Small Pox/ BSE/ Zika/ Sars/ Monkey Pox/ AIDs/ Vax/ H1N1/ Graphene Oxide/ Chem trails/ Fluoride, Processed Foods, Human Clones Hoaxes:

- **WHO injected Africans** with over 50 million smallpox vaccines and on May 11, 1987, an article under this heading was published in the British The Times: "The smallpox vaccine caused a wave of infections with the AIDS virus." Trust science. At your own peril.
- **GRAPHENE OXIDE (GO) discoveries:**
- GO fibres are in plastic masks.
- GO fibres are on PCR test swabs.
- GO is in all Covid-19 vaccines.
- GO creates thromboses.
- GO causes blood clots.

- GO disrupts the immune system.
- GO can trigger a cytokine storm.
- GO toxicity can instigate pneumonia.
- GO creates a metallic taste in the mouth.
- GO causes inflammation of the mucous membranes.
- GO produces a loss in the sense of taste and smell.
- GO is magnetic (especially at the injection site.)
- GO blocks detoxification in the body by blocking glutathione.
- GO may be activated by 5G frequencies.
- GO was already included as an adjuvant in the flu shots in 2019.
- GO passes thru the blood-brain barrier.
- So graphene oxide can act as a solo trigger for most COVID symptoms. This is not a VIRUS or spike protein, but a chemical warfare agent

M. Illuminati Globalist Deep State Cabal Agenda 2030:

- **It has been revealed that, as part of Agenda 2030, the UN is funding the mass illegal immigration of millions of people into the US, Canada and Western Europe—providing illegal migrants with debit cards, cash handouts, food, shelter and "humanitarian transportation."**
- **The Deep State Cabal Agenda 2030:** “179 different countries have signed up to a plan in which the World will develop into a totalitarian state under one Government.”
- **Imagine a group of very rich and powerful men.** They own the banks, railroads, energy sources, and school curriculums. They have one job: to maintain their wealth and power. Any kind of competition that comes their way they will do everything in their power to destroy it. And by "destroy" I also mean completely wipe it from history and change school curriculums to never speak of it in a classroom again. What is "free" energy? It's more of a slang term for atmospheric electricity, or electricity from the air. "Ether/Aether" energy, if you will. The reason it's free is because you don't have to pay for it, our ancestors had technology that was able to harness this energy free of charge, without using any resources. Suppression of free energy is taking place to ensure they can profit from the global trade, fossil fuels, and resources, while being able to control the population on their terms.
- **Depopulation Agenda – Food Crisis:** A company has spewed so much chemical fertilizer into a river in Red Oak, Iowa and Missouri that it has killed almost 800,000 fish over 60 miles.

P. Wed. 10 April White Hat Intel: COVERT COUP VS. COUP OPS IN UKRAINE

- A major division growing in the Ukraine government now being reported by MSM. Top Ukrainian General's Conflict With Zelensky On Display In CNN Op-Ed.
- Amid persistent more-than-rumors that Ukraine's President Zelensky is trying to fire his defense chief, Gen. Valerii Zaluzhny, CNN has given the embattled general op-ed space to speak some things that are certain to pour fuel to the fire.
- Prior international reports, including in CNN, said that on Monday Zelensky asked his top general to step down. Zaluzhny reportedly refused. We earlier asked the question, is there a brewing mutiny as the split between the military leadership and Zelensky administration grows wider?
- In Zaluzhny's CNN op-ed, published late in the day Thursday, the top general has continued saying things which run afoul of Zelensky's more positive, rosy narrative as the latter desperately tries to attract more Western weaponry and funding, at a moment many European nations are struggling with DEPLETED DOMESTIC STOCKPILES.
- "We must contend with a reduction in military support from key allies, grappling with their own political tensions," Zaluzhny writes. "Our partners' stocks of missiles, air defense interceptors and ammunition for artillery is becoming exhausted, due to the intensity of hostilities in Ukraine, but also from a global shortage of propellant charges."

- Meanwhile, Bloomberg too is acknowledging the open divisions.
- General Valeriy Zaluzhnyi is a national hero for Ukrainians. But two years into the war, setbacks on the battlefield and political jealousies in the capital have soured his relationship with President Volodymyr Zelenskiy. This week, the president tried — and failed — to force out his commander-in-chief, pulling back the curtain on a damaging rift at the heart of the Ukraine war effort.

Q. Patriots Among Us Need Our Support:

R. The Illegal Federal Reserve and IRS were using the “Ken and Barbie vs. Goliath IRS” Case as an example of what they will do to you if you dare confront them on their illegal activities:

- **Even though Ken and Barbara Cromar** proved in a Federal Court that they owed no monies to the IRS, they remained in a six year battle with them. Two different SWAT Teams descended on their fully paid for dream home, sold it at auction, along with throwing away all their possessions, including expensive camera equipment Ken used to make a living.
- **Ken now sits in jail charged with living in his own home**, but undeterred to fight for the rights of the American taxpayer. Ken says, “The days of the “mighty” IRS are numbered. For far too long the IRS has been backed by a corrupt DOJ and ever-growing big government bureaucrats who have crowned themselves kings and queens to rule over us as their slaves, as they get fat and enrich themselves on the backs of struggling Americans.”

The below is to you from Ken Cromar:

Dear Patriot Friends and Family,

Today is April 10, 2024, day 225 of my nightmare. Yes, I was kidnapped by the IRS/FBI August 30th, 2023, at approximately 4:30 p.m. in a small Wyoming town along the Idaho border. It has been a long 225 days and I really want to be free, but there are many things that I've learned while being in jail. Thankfully, I'm not the same person I was when I walked in.

A dear friend suggested in the early days, that though I'm 100% innocent of the political IRS charges, my friend thought it wise to take advantage of the situation by having me consider what it is I could repent of – I was a bit surprised by the idea at first but took him seriously. The biggest surprise of the things I needed to change had to do with being judgmental. I did not realize just how judgmental I was until the first day I walked into the common area where I had 47 new roommates divided into four pods of twelve. Everyone looked the same. I think back now on that day and realize how wrong I was. Just because everyone had tattoos, it seemed, didn't make them all the same. The jail was SO loud, too. I had a hard time concentrating. Walking into that situation was horrible. Then, a guy with tattoos all over his body, even some on his face, walked up to me and said, "Hi, my name is John." And that meant all the world to me, that someone would just say hello! The second and most important thing God wanted me to repent of was my scripture reading. Though I thought I knew the scriptures well, I was gently chastised in a tender way saying, "You could have known me better by reading your scriptures more." The very next morning I started at Genesis chapter 1 verse 1 and I'm almost finished reading the entire Bible. My knowledge of God has deepened greatly.

I've also learned that every one of these people has their own story and that they are a valued son of God. Most people think that when someone is in jail, "they probably deserve to be there." But that's being judgmental, isn't it? I've also learned that there are many people not in jail that really should be and vice versa, there are some in jail that shouldn't be, including myself. I wish that all judges, magistrates, and especially prosecutors were required to, before taking their office, to be booked into a random jail, to be strip-searched, to have all their clothes taken, to be locked down for three days in maximum security with only one hour out each day, and then to be put into the general jail population where they are amongst drug addicts, drug dealers, thieves, liars, rapists, pedophiles, and murderers and share the same toilets with 11 other people with no privacy. To eat the horrible food that they claim has meat, when in reality the main substance comes in packaging that kitchen workers have said reads, "mechanically separated chicken substance." Remember, that would be after all the meat is pulled off the bones. I'm guessing they take what comes between the bones, the sinew, the other parts, that I don't even want to guess what they are, they grind it up and turn it into a big cube of pinkish-purplish something that they chop up and put into the food. It's horrible. I lost 30 pounds, though just recently thanks to my wife's encouragement to "just eat it", I've actually gained back three pounds, so I'm now only 27 down. I really think those judges, magistrates, and prosecutors need to know what it's like to be in jail before they mete out "justice" to everybody else. I think they need to be here for at least 2-4 weeks before they ever do this to someone else.

On another note, the jails are so noisy that making phone calls is really challenging; first, you have to pay for them. Second, most of the calls don't even go through. This one to my friend, Wendy, who is transcribing this, took at least 9 phone calls before it would go through. I wonder if it is all by design that the phone systems are not more reliable? It's enough to make you crazy sometimes, and I think that is the intent – is to frustrate.

One of my cellmates, when he first walked into my cell, the first words out his mouth were, "Are you a pedophile? You better tell me now, because if I find out later, I will beat you senseless." He was covered with tattoos and was quite large and made it clear that he was a white supremacist. My response was, "Hi, my name's Paul, Paul Cromar." Another cellmate came in who had a terrible odor to him. He had just come off of drug abuse and was in a bad way. That was tough. But, in all cases we managed to find a good place and were able to be good cellmates.

The greatest joy inside has been finding people who actually care about changing their lives and finding God. I started what I ended up calling "Scrap Paper Ministry". Sometimes people needed specific scriptures to lift them. I would write scriptures on a scrap piece of paper and have someone slide it under their door. This became popular. We must have helped get over a half a dozen Bibles and almost as many Books of Mormon out to people who wanted them. In time, we started sitting down at tables together and sharing scriptures for about 15 minutes a day. The number joining grew from 2 to 4 to 7 to sometimes 10 or more. One night, at the end of our meeting, we were about to have a closing prayer, when we learned that Cameron's fiancé's niece had a terrible accident. This mother of 5 was on life-support and he asked us to pray for her. I asked if he wanted to join us and he did. One person got

on his knees and then another - I suggested we all get on our knees and I offered the pray for her well-being, explaining that though we wanted her to be healed, we “trust You, God, to do what is perfect for her” and that “we trust You, Heavenly Father, to help her in the perfect way that is in Your power, for her best benefit” and we closed that prayer. But, during the prayer, something remarkable happened – the entire jail went dead quiet! You have to know that jails are NOISY and for it to go quiet like that the Spirit was so beautiful and so strong – people were respecting what we were doing! The next day Cameron had a note slid under the door for me, thanking me and the group praying for the niece, but he was sad to report that they took her off life-support and she passed away that next morning at 8 a.m., but that he was very grateful for that experience.

Cameron has become a friend. Cameron has a remarkable past. When he was a “dumb, stupid, gangbanging 18-year-old”, he murdered two rival gang members who attacked them, and he was sentenced to 26 years. He wants his story to be shared. When he was 18 years in, he learned that his last beloved relative, his sister, had died and he lost it. They had to take all of his clothes away and put him in a special cell, I think 6 X 9 with no clothes, no blanket, no nothing, for three days. It was at that point that he decided to call out for God’s help. God, as he puts it, was waiting for him to be ready and had kept him safe and was ready to teach him and build him back up now that he was literally stripped down to nothing. He said God was very tender and kind to him. He began reading and studying scripture for the first time in his life and to date he says, “I’ve read the Bible from beginning to end skipping no parts at all, reading all of the Old Testament, too, at least ten times.” It’s changed him. He’s a repentant soul. He loves God. He is remorseful for what he has done. As part of his restitution requirement, he had to write letters to his victims’ families from their point of view, as though he were them. He said that was the toughest thing he had ever done, but it was really powerful.

On one of our many walks together, I asked Cameron who his favorite Bible character is, and he immediately said, “David” as in David and Goliath, as in David and Bathsheba. He could relate to David who had started out promising but had actually cost an innocent, faithful, military friend their life. I told him about my experience of going to Florence, Italy with my wife, Barbara, many years ago and how we waited three hours in line to go in to see the “David” statue. When we walked in, there were three or four works in progress on each side of the hallway where Michelangelo was chiseling stone statues for a pope crypt when he, himself, died. Each of the stones just has a face and an arm, maybe a piece of a leg, that has been worked on and it looked like they were trying to break out of the stone to be who they are meant to be – very interesting to see those works in progress. But when arriving at the rotunda where the “David” is, I was shocked how big he was. I imagined the statue was maybe 7-8 feet, at most. I’m told it’s 18 feet and it’s on a large pedestal, too. I could not believe how perfect that statue was in every little detail, and it brought tears to my eyes, how beautiful and how perfect it was. Barbara had read a book called, “The Agony and the Ecstasy” about Michelangelo’s life. He had been asked, “How in the world did you know how to find a David in that large piece of stone?” His answer was, “It’s really very simple. All you have to do is chip away the parts that do not belong.” I was stunned by that. Thinking, chipping away the parts that don’t belong. Cameron loved that story and we talked about how each of us are works in progress. How God is working on us one at a time. God is working on us and trying to make something of us. We agreed that the problem is most of us don’t like God chipping on us and we decided that the hell that jail is it’s a great place where you have to let God chip away on your bad parts and we should let Him work on us and not fight what He knows is best for us, because you can’t escape His working on you. Interestingly, just this morning, Cameron was released from this jail as part of a two-month process that will result in him going home to his fiancé. I am so happy for Cameron.

It has been remarkable to see the changes in people who come to our Sunday morning jail church and join us in our every-other-night scripture study. It has been remarkable to see how God’s finger has touched us in our meetings because one scripture seems to naturally flow into another scripture and then another as each person takes a turn sharing something. It was too beautiful to be coincidental. This has happened many times, including discussions about baptism. Most have not been baptized and have taken Christ’s example of him being baptized by John the Baptist as a sign that it’s important for them to get baptized, too. Wanting to follow Christ’s example, at least five have committed to be baptized when they get out of jail. Remarkable.

It’s also been beautiful to see people learn how to pray. My cellmate had never said a public prayer before, until two months ago. His prayers are so beautiful and so inspiring. He’s humble. He’s owned his life’s mistakes up until now and he is determined to change and prays for it daily, prays for others, and my favorite part is when he prays asking God for blessings upon the hopeless and the homeless. He’s been there; he understands why we pray

for the hopeless and the homeless and I'm grateful for him teaching me about that. I've come to appreciate the trial of jail – I can relate to the Apostle Paul, “For this cause I Paul, the prisoner of Jesus Christ for you Gentiles,” Ephesians 3:1 This jail has become less of a jail and more of a jail temple where I have been able to learn things that I would never have learned any other way. Three Sundays ago, I came back from church humbled by the powerful spirit that was felt and looked up through a skylight where we have never seen the sun come through and I was surprised when my eyes welled with tears of gratitude that I'm able to be with these people and to learn and grow with them. It is a privilege to know some of these people.

I've also learned what hell is and can define it for you: hell is being forced to be with people that you are not like and are antagonistic toward you and being forced to be with them FOREVER.

I've also learned that heaven is the exact opposite. Heaven is a place where you can be with people that are like you and that you love and enjoy to be with and they enjoy you, too; being free to go where you want to go and do what you want to do and to be able to do that FOREVER. That is the definition of heaven.

I'm glad I know what hell is and I highly advise getting off any path that will lead you to hell to live for eternity.

I've learned that there's a lot of mental illness in the jail that is in part a cause of the problems. There is one tragic story of a clearly autistic young man, about 30 years old, who struggled in the jail. He kept to himself. Very quiet. When he got his food, he would take it to the shower stall, sit on the floor, and pull the curtain for privacy so he could eat alone. I tried to reach out to him with no success until I learned that he liked Jolly Rancher candies. I offered him one, he looked at me and smiled, though he wouldn't take it, I presume because I was a “stranger”. He knew not to take it from a stranger. When I told him he had a beautiful smile, he smiled even larger. Though he never spoke to me, we at least connected. Why that man, that clearly autistic man was in a jail is, in my mind, borderline criminal.

My jail experience, though difficult, has actually been a blessing in many ways, on a personal level. I wouldn't wish this on my worst enemy.

Barbara and I believe that we are on a divine “assignment” with regards to our Barbie and Ken vs Goliath IRS “adventure” and we trust Him and have given up everything. Moses' words ring out “Thus saith the Lord God...let my people go that they may serve me.” Exodus 10:3 Wouldn't it be wonderful if the shackles of slavery imposed by the IRS were broken?! Barbara and I have suffered much and should be very discouraged by all that has happened, however, “We are troubled on every side, yet not distressed; we are perplexed, but not in despair; Persecuted, but not forsaken; cast down, but not destroyed.” 2 Corinthians 4:8-9 Because we believe “...Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.” 1 Corinthians 2:9

In Matthew 24 verse 30 the disciples asked Jesus, “...Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?” As of this writing, two days ago there was the second eclipse that crossed our nation within almost a period of seven years. Some believe it is as though God has “X'd” out our nation, that we've become wicked and yet, God promises to preserve and bless and protect those who love Him. We should look forward to the Lord's Second Coming and align ourselves with being called “worthy to stand”.

Thank you so much for your prayers and encouragement and love and generosity. We are all in this together. Believe in miracles! May God bless you!

Ken

S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The reasons given for his arrest were suspect and didn't appear to be due to criminal activity. His record was sparkling clean.

- **The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked.** He had to be silenced, one way or another. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children and share it with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **Part 24 The Sequel to The Fall of The Cabal Covid-19: Mandatory Vaccinations? Time For Action!** What can you do to beat the 1%? Enjoy this proactive episode in which we show you the true effect of mass demonstrations, signed petitions, and setting up groups of warriors who are not afraid to write or call those who do not serve the best interest of the 99%. The outcome of the above-mentioned methods of action may surprise you! Furthermore, we show you why Ivermectin and HCQ had to be made illegal. That was the only way to push the mandatory vaccination narrative into effect. How? Why? What's the connection between the Nuremberg Code and Article 32 of the 4th Geneva Convention? Why is this of vital importance to know? Watch this episode several times, so you know what to say when confronted with mandatory hospitalization, lethal hospital procedures, and/or mandatory vaccinations! <https://t.me/JustDudeChannel/24382>
- **Part 25 The Sequel to The Fall of The Cabal** Covid-19 Torture Program This Is The Eighth Episode About Covid-19, The Biggest Medical Scam Of All Time. Covid-19 was not a killer virus. The MSM was the real virus. When the CDC, NHS, and other 'health care' organizations did a recount of the number of deaths truly connected to Covid-19, it turned out to be nothing more than mild flu. How did the authorities brainwash the people into believing their lies? Using an effective torture program, as confirmed by Amnesty International and others. Eight ways to effectively torture people into obedience had been

let loose on the population. Most people succumbed. Don't miss this episode to understand how the human mind works and how it could ever get to this point.

- **Part 26 The Sequel to The Fall of The Cabal** Wrapping Up Genocide - In This Final Episode About The Covid Tragedy, We Wrap Up What Will Be Referred To (In Future Times) As The Most Heinous Genocide In The History Of Mankind. Can Mankind Be Saved? Of Course! But First, Let's Take A Look At The Shocking Facts As Presented In This Final Covid Episode. The Cabal's torture strategy had worked brilliantly. People had become lethargic and simply failed to notice the insane amount of cases of thrombosis, pulmonary embolisms, strokes, serious heart problems, and miscarriages. People dropped dead live on TV, but all that was taken in was the ever-repeating slogan: "The Covid vaccines are safe and effective..." In reality, the Covid vaccines contained a deadly poison, killing some people immediately, and others within weeks or months. The combination of graphene, spike proteins, and nano-bots had been perfectly adjusted to kill millions of people, as confirmed by international tenders, alarming VAERS predictions, and the Liquefying "Bio-Sludge" Bill, legalizing the spreading of human remains over crops as fertilizer. <https://t.me/JustDudeChannel/26545>
- **Part 27 The Sequel to The Fall of The Cabal** The World Economic Forum, The End Of Homo Sapiens - Time to meet the WEF, the biggest and most dangerous political NGO in the world. See how they infiltrated every aspect of society, putting their puppets in high places, brainwashing them with their training programs, and making sure the WEF's wicked goals be implemented on a global scale. Their goals? The same as always: world dominance, a New World Order, depopulation of the masses, and the utter submission of the remaining useless eaters. Can we prove this? Of course, we can, and we do so in this episode. Watch how the spokesmen of the WEF, Klaus Schwab and Yuval Harari, confirm in their very own words the horror picture that we present to you just before we let them talk. Had we not let them say it, you would've never believed us. Do you want to know what kind of future they have in mind for us, in the very short term? Then watch this episode! <https://t.me/JustDudeChannel/29843>
- **Part 28 The Sequel to The Fall of The Cabal** Climate Crisis - This episode is all about the current 'mega-crisis' that will make the Covid-crisis pale in comparison: The Climate emergency that will destroy our planet and humanity, unless we pay a lot of CO2-tax. How did the Cabal get us to believe their impertinent CO2 lies? By using fraudulent 'scientists' and the MSM, as always. Does Climate Change exist? Of course! It's a natural phenomenon. Is there a Climate Emergency? No. You don't believe us? Then let's listen to the real scientists, the ones who refuse to be bribed into silence and who risk their careers by sticking to the Truth. It's about time they get to tell their side of the story, don't you think? <https://t.me/JustDudeChannel/29845>

ZZZ. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-*

victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

ZZZZ. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Judy Note: “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

ZZZZZ. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of

being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

ZZZZZZ. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

ZZZZZZZ. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
