“Come, Ye Children of the Lord”

[March 10, 2024 - Episode #4930 \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org/episode/march-10-2024-episode-4930)

*Come, ye children of the Lord,
Let us sing with one accord.
Let us raise a joyful strain
To our Lord who soon will reign
On this earth when it shall be
Cleansed from all iniquity,
When all men from sin will cease,
And will live in love and peace.*

We all wish we could make the world a better place. It's just that we assume big problems require big solutions, and our efforts seem so small. But what if, instead of being paralyzed thinking of what we can't do, we each picked something simple we can do?

For example, what if we decided to give others the benefit of the doubt, to be slower to judge, and to truly wish them well? Do such small gestures really change the world? Yes, they do, because they change people, and people are what make up the world. The change may not happen overnight, but it does happen—moment by moment, day by day, one softened heart and one healed relationship at a time. ...Lloyd Newell

Judy Note: *Chemtrails from specially built planes were regularly sprayed on the American public across the nation by Globalists in a deliberate attempt to negatively affect the health of the Planet and People. The aluminium in Chemtrails has been found to have a direct link to environmental damage, Alzheimer's and Autism.*

A former Military doctor stated that Chemtrails contain barium salts, human plasma, microviruses, non-terrestrial nano-silicon machines, poisonous aerosols, and can even be used to augment 'biocoding' frequency-transmission capabilities, to provide an assistive-basis for "thought-based DNA warfare" – all of which was paid for by US Taxpayers out of an unlimited CIA Black Budget.

- **Bill Gates wants to block out the Sun in order to help with climate change, by dispersing nano particles into the stratosphere.** How is this “Dim the Sun Technology” different from Chemtrails? The process seems to be exactly the same as we are seeing in our sky every day. Most people think that those trails are from the commercial airlines. Watch what happens after a couple of hours of spraying: the weather turns from sunny to cloudy and you feel weird from the poison you are breathing. It looks like a grayish, cloudy layer that gets stuck there. It neither rains nor gets more or less cloudy. Now the real question what critical thinkers should ask, why in the world does Billy want to block out the Sun if the supposed Global Warming or Climate Change is driven by human activity and carbon emissions? Either he has a wisdom of a goldfish, or there is something much more sinister behind it. It's up to you to decide.

- **Mon. 11 March Mega Black Swan Expected, Ben Fulford: [Mega Black Swan Expected As Western Civil War Nears Climax – Weekly Geo-Political News and Analysis \(benjaminfulford.net\)](#)** The undeclared civil war raging in the West is headed for

some sort of mega black swan event climax. The white hats are trying to bankrupt the Satanists and their entire fake US government show. The Satanists are planning some sort of mass murder event to try to stay in power. Both sides might use earthquake weapons and other electromagnetic forms of warfare. The only thing for sure is major fireworks. The previous attempts to bankrupt the US Corporation were delayed by events like 911 and the **March 11, 2011** Fukushima nuclear and tsunami mass murder event. This time signs are either a massive earthquake or some kind of electro-magnetic attack to be blamed on a solar flare are being planned. That is why decisive action against the Khazarian Mafia leadership must be taken before they can stage another mass murder sacrifice to Satan.

- **McDonald's food found to contain human meat, while some was so toxic that dogs wouldn't eat it, and mould didn't grow on it after 20 years sitting.** It may be plastic. That could be why there's no mould after sitting for 20 years, while animals were smart enough to not eat it. Two years ago McDonald's was under investigation for using human meat in their hamburgers. Customers reported children's teeth and human bones in their hamburgers in several McDonald's locations. Evidently the investigation was never completed, or at least the results weren't released. Wonder why? McDonald was a big name in the powerful Globalist Satanic worship family.

Judy Note: We know that micro-plastics in the human body can kill you. So, why was McDonald's, a known Satanic Business Corporation, allowed to continue in business when they were feeding the public plastic and human meat? And, from where are they getting the human meat? It's said to be from the bodies of children. This is an article I wrote in **Aug. 2021** discussing the investigation of meat from humans found in McDonalds hamburgers, yet now two years later nothing seems to have been done about it. A. Timeline – What a Week Before Us!:

- **On Mon. 11 March the Q Clock ended at 2pm EST** and the Bank Term Funding Program (BTFP) now required that banks would no longer get funding for their loans from the Federal Reserve Board, so any loan they made would have to be out of their own gold-backed monies and not made on the fiat US Dollar from the Federal Reserve. This is a Death Sentence for US Banks.
- **Tier4b (us, the Internet Group) notification** to set redemption/ exchange appointments could occur at any moment. Tier4b will have 14-15 days to exchange at Redemption Centers at the special rates, after which you would have to exchange at the lower rates of a bank.
- **Wed. 13 March: “Dark to Light: Trust the Plan they say.** I’ve waited 17 years for this last 65 hours. I will finish what my father started. Q sent me.” ...John F. Kennedy Jr. on Telegram **10:10 am EST Mon. 11 March 2024 (65 hours = Wed. 13 March 3:10 pm EST)**
- **On Fri. 15 March** the new gold/asset-backed US Note could be available to the General Public and will replace the old Federal Reserve fiat US Dollar in ATM machines. It was also likely that on that same **Fri. 15 March** Restitution and Rebate monies will begin to be paid out and Social Security increases will begin.
- **4/1 “FINAL DANCE” MAKE BACKUPS, BE READY: 03/22 - 03/28** ...Mr. Pool on Telegram **11 March 2024**

B. Recent GCR History

- **On Thurs. 22 Feb. the Cabal capitulated,** followed by Trump releasing the final phase of The Plan – which was Mass Arrests. Those arrests were hoped to be completed by **Fri. 15 March.**
- **On Sat. 23 Feb. 2024** the World Trade Organization announced that Iraq had completed all requirements to be accepted as a member including having set their new Iraqi Dinar Rate, which the next day on **Wed. 28 Feb,** the Central Bank of Iraq announced as \$3.47. Then the Dinar went live on back screens of the Forex for \$2.70 and began fluctuating upward in value.
- **By Thurs. 29 Feb. at around 7 pm EST** Iraqi PM Al Suddani formally announced that the Dinar was asset-backed and Iraq had officially joined BRICS.
- **On Fri. 1 March,** with various countries new currency rates having been agreed upon, Iraq officially joined other BRICS nations for the Global Currency Reset – exactly one

year (**March 2023**) after the new Quantum Financial System went live on the Star Link Satellite Network.

- **On Thurs. 7 March after Actor Biden's State of the Nation Address**, President Trump hit the Green Light that released the new gold/asset-backed US Treasury note to the World.

C. Global Currency Reset:

- **Fri. 8 March Texas Snake:** Banks have been placed on alert beginning **Mon. 11 March**. He felt we might get notified on Mon. but exchanging would start a few days after that.

- **Starting on Monday, March 11th, banks will be prohibited by law from loaning the fiat US Dollar**, according to an announcement from the Federal Reserve Board. During a

period of stress last spring, the Bank Term Funding Program helped assure the stability of the banking system and provide support for the economy. After March 11 banks and other depository institutions will continue to have ready access to the discount window to meet liquidity needs. Nonetheless, the BTFFP's closure is likely to increase banks' borrowing costs, meaning their profit margins will fall. They might react with higher lending rates or by making less credit available to customers, potentially weakening the economy. <https://www.federalreserve.gov/newsevents/pressreleases/monetary20240124a.htm>

E. IS THE #FED (PERHAPS WILLINGLY) STARTING A BANKING CRISIS TODAY?, Ultra Vertum Vincent on Telegram Mon. 11 March

- **On Mon. 11 March the “Bank Term Funding Program,” the infamous #BTFFP, will be history.** There should not have been any surprise about this if it weren't for the fact that the banking situation today is much worse than it was one year ago when the #BTFFP was launched.
- **If you have doubts about how critical the #BTFFP was** to keep the whole financial system together, I suggest you read my previous analysis on the topic to help better understand what I am going to discuss next, starting from the “THE BIG BANKS ARE ALREADY UTILIZING THE FED BTFFP!”
- **So, not only is the #FED letting the #BTFFP end soon,** but this is also happening without an equivalent replacement in place.
- **Yes, the Discount Window is available** and banks should learn to use it, but what the #FED is apparently not understanding (or pretending not to) is that most of the banks cannot use it. Why?
- **The high-quality collateral current market value is deeply below par** (while, let's not forget, the #BTFFP allowed banks to borrow against collateral pretending it was worth much more than it truly was). As a result, they would not be able to access the same amount of liquidity through the Discount Window compared to the #BTFFP, leaving a gap to be filled.

- **Banks, in a never-ending rush to minimize their cost of capital and maximize their leverage and profits**, began to aggressively re-hypothecate their (and often their clients') assets to access liquidity after the GFC. Consequently, using the Discount Window is very capital inefficient for them.
 - **The primordial reason why banks are so reluctant to use the #FED discount window** is that everyone else in the market will know the best quality assets they hold are being pledged as collateral to the #FED, leaving all other creditors hanging on worse quality, if not radioactive ones. This is why once a bank is caught using the Discount Window, all other lenders will try to pull their liquidity from them (ultimately accelerating its downfall).
 - **Banks** will not be able to use the #BTFP anymore.
 - **The Discount Window isn't a viable alternative** to replace the #BTFP.
 - **Since the banking crisis last year**, not a single bank raised capital, but their balance sheet losses even increased.
 - **Banks that borrowed from the #BTFP** will need to come up with \$79bn to repay the #FED loans by the **4th of April**.
 - **As you can see from this table** I prepared, the biggest amount of #BTFP loans are expected to be repaid in the next 4 weeks: - \$11.9bn this week - \$41.7bn next week - \$10.7bn in 3 weeks - \$14.6bn in 4 weeks.
 - **How the hell can they do that?** If it was hard to find \$1bn for \$NYCB to the point there wasn't a better alternative than (locust) hedge funds, it doesn't take a financial wizard to figure out the chances \$79bn can be found in 4 weeks are realistically low.
 - **Why can't banks just walk away from the #BTFP?** Doesn't the #FED have collateral against the money they borrowed if they do so?
 - **Banks cannot simply walk away** and not repay money borrowed from the #BTFP because that was made in the form of a "loan" and defaulting against it will trigger all cross-default clauses in every other borrowing facility available to them.
 - **Yes, it's an incredible mess** without any visible escape route. This is why I am arguing the #FED is potentially starting a banking crisis today and, honestly speaking, I don't think people at the #FED aren't intelligent enough to see it coming which makes me wonder if perhaps they are willingly starting a banking crisis this time.

F. Mon. 11 March The Death of Brick & Mortar Banks, Ariel:

<https://x.com/prolotario1/status/1766985129681944917?s=46>

- **A paradigm shift** is not an event its a process. Everything will eventually be online for the sake of convenience and profit. Why continue lending to institutions that people are using less and less?

- **Nor to mention they do not have the capital to meet consumers demands.** Especially when they actually have to have physical reserves and not just numbers on the computer to lend out loans to customers that can't afford the interest and end up owing on their mortgage.
- **Then if the banks have too many foreclosures** on their books they end up shutting down as well. The derivative market is another layer to this that is aiding in all of these bank closures that is forecasted to be 1,300 by the end of the year.
- **Not to mention the bank runs alone** will cause most of these institutions to fold under after March 11th. So there is a plethora of reasons why we are where we are at this crucial time in the financial sector.

- **However, the Satanic New World Order may in desperation go for the nuclear option and cause an EBS (Emergency Broadcast System)**— which according to Wikipedia is “The system was established to provide the [President of the United States](#) with an expeditious method of communicating with the American public in the event of war, threat of war, or grave national crisis.”
- **If Resident Biden or the traitorous Democrats are still in power then this EBS can be activated together with an EMP (Electromagnetic pulse)** – a Biblical-level event that would send America and the rest of the world into the Dark Ages technologically and use that intervening period of chaos to achieve their long-awaited New World Order = *Ordo ab Chao* = Order Out of Chaos (a Freemason and Illuminati tactic and strategy used to achieve Global Power, Control, World Domination at various times throughout history).
- **There may be good news averting the above scenario.** “Trump filed to be president of the US Republic, not president of US Inc. He also announced his running mate as John F. They are discussing the Khazarian Mafia Jews who, along with the Rothschilds, created Zionism and only pretended to be Jews, but in reality were loyal to the worship of Satan through the torture and sacrifice of children: **Henry Ford's views on World War I were articulated during a conversation with British parliamentarian Victor H Cazalet in late October 1926.** Ford asserted that international Jewish financiers, whom he believed were responsible for instigating the conflict, could manipulate circumstances to provoke future wars for their own gain. While trade rivalry, alliances, and mobilizations are commonly cited as causes of the war, Ford argued that the primary motivations were to dismantle the Russian Empire and its State Bank, destabilize other empires (such as Austro-Hungarian, German, and Ottoman) to facilitate exploitation through central banking, and secure Palestine for Zionist interests under the Rothschild control.

We know Bill and Hillary's Clinton Foundation traffics children including from Haiti. The 2018 Inspector General's report cited Hillary Clinton & Foundation and Crime Against Children. In 2016 at the Alfred E. Smith dinner, Donald Trump called out Hillary for taking a number of villages.

- **Guess who was funding** Biochemical Weapons Laboratories in Ukraine? 44, 43, and 42.

R. Help Save The Children Tom Fairbanks Update (Weber County Jail ID # 671274):

- **Tom Fairbanks spent much of his life gathering evidence on the Ritual Abuse of children** in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The reasons given for his arrest were suspect and didn't appear to be due to criminal activity. His record was sparkling clean.
- **The real reason for attacks on Tom** appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. He had to be silenced, one way or another.
- **Fairbanks' problems began** when he decided to take his evidence of Satanic Ritual Abuse of children and share it with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Summary of Tom Fairbank hearing on Mon. 11 March:

- **Tom Fairbanks had a court hearing today** which was to determine if he would be released from jail from now until his trial is over. This was in jeopardy because of the claim that Tom was previously guilty of "failure to appear" at his sentencing date around 9 months ago.
- **In response, Tom informed the court the reason for his appearing was not valid.** He argued that he had filed an appeal to his being found guilty, properly and in a timely manner, which BY LAW, had to be addressed by the court before a sentencing hearing could be held. Since that had not been done, the warrant for his arrest, the arrest itself, and his being incarcerated were all illegally carried out as he broke no law.
- **Tom also made it clear that Common Law was the law of the land** while Admiralty Law was restricted to the sea.
- **Additionally, when Tom was referred to as a "Sovereign Man" by the court,** he told them that there was no such thing. That he is a "Living Man" functioning under the law of the land (Common Law).
- **The judge then told Tom that the court functions under "rules" that need to be followed.** One of the rules is that he would need to be represented by a lawyer. Tom's appointed lawyer responded that he would not be willing to represent Tom with a "Common Law" defense.
- **Tom then pointed out JAG also had a copy of the appeal** and he was an asset of the Military Intelligence Group. The court had not only declared war on him, they had also declared war on the military by unlawfully dealing with him as a "Living Man" as well as his being a part of the military.
- **Tom reminded them that they can only deal with corporations** and that he was, in fact, completely outside of their jurisdiction.
- **Tom was then told that it will require a judge to hear these arguments.** He was given the date of **Wednesday March 13 at 10:30 am** to appear at court.
- **He then reminded the court** that 36 million people are receiving daily reports and that the court might keep that in mind.

If you wish to help Tom with funds so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name. Then hit "send money now" and follow the instructions.

Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

The outcome of the above-mentioned methods of action may surprise you!

- **Part 25 The Sequel to The Fall of The Cabal** Covid-19 Torture Program This Is The Eighth Episode About Covid-19, The Biggest Medical Scam Of All Time. Covid-19 was not a killer virus. The MSM was the real virus. When the CDC, NHS, and other 'health care' organizations did a recount of the number of deaths truly connected to Covid-19, it turned out to be nothing more than mild flu. How did the authorities brainwash the people into believing their lies? Using an effective torture program, as confirmed by Amnesty International and others. Eight ways to effectively torture people into obedience had been let loose on the population. Most people succumbed. Don't miss this episode to understand how the human mind works and how it could ever get to this point. <https://t.me/JustDudeChannel/25478>
- **Part 26 The Sequel to The Fall of The Cabal** Wrapping Up Genocide - In This Final Episode About The Covid Tragedy, We Wrap Up What Will Be Referred To (In Future Times) As The Most Heinous Genocide In The History Of Mankind. Can Mankind Be Saved? Of Course! But First, Let's Take A Look At The Shocking Facts As Presented In This Final Covid Episode. The Cabal's torture strategy had worked brilliantly. People had become lethargic and simply failed to notice the insane amount of cases of thrombosis, pulmonary embolisms, strokes, serious heart problems, and miscarriages. People dropped dead live on TV, but all that was taken in was the ever-repeating slogan: "The Covid vaccines are safe and effective..." In reality, the Covid vaccines contained a deadly poison, killing some people immediately, and others within weeks or months. The combination of graphene, spike proteins, and nano-bots had been perfectly adjusted to kill millions of people, as confirmed by international tenders, alarming VAERS predictions, and the Liquefying "Bio-Sludge" Bill, legalizing the spreading of human remains over crops as fertilizer. <https://t.me/JustDudeChannel/26545>
- **Part 27 The Sequel to The Fall of The Cabal** The World Economic Forum, The End Of Homo Sapiens - Time to meet the WEF, the biggest and most dangerous political NGO in the world. See how they infiltrated every aspect of society, putting their puppets in high places, brainwashing them with their training programs, and making sure the WEF's wicked goals be implemented on a global scale. Their goals? The same as always: world dominance, a New World Order, depopulation of the masses, and the utter submission of the remaining useless eaters. Can we prove this? Of course, we can, and we do so in this episode. Watch how the spokesmen of the WEF, Klaus Schwab and Yuval Harari, confirm in their very own words the horror picture that we present to you just before we let them talk. Had we not let them say it, you would've never believed us. Do you want to

know what kind of future they have in mind for us, in the very short term? Then watch this episode! <https://t.me/JustDudeChannel/29843>

- **Part 28 The Sequel to The Fall of The Cabal** Climate Crisis - This episode is all about the current 'mega-crisis' that will make the Covid-crisis pale in comparison: The Climate emergency that will destroy our planet and humanity, unless we pay a lot of CO2-tax. How did the Cabal get us to believe their impertinent CO2 lies? By using fraudulent 'scientists' and the MSM, as always. Does Climate Change exist? Of course! It's a natural phenomenon. Is there a Climate Emergency? No. You don't believe us? Then let's listen to the real scientists, the ones who refuse to be bribed into silence and who risk their careers by sticking to the Truth. It's about time they get to tell their side of the story, don't you think? <https://t.me/JustDudeChannel/29845>

Y. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Z. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Judy Note: “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

ZZ. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

ZZZ. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

ZZZZ. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
