Judy Note: *Five months before his assassination, President John F. Kennedy (the original Q) issued an executive order that would give the American currency back to The People by printing money based on a Silver Standard, taking away the power of the Federal Reserve Banking Cartel. Many argue this was the reason that JFK was assassinated.*

Or, was he?

The mystery began several days before that fateful 22 Nov. 1963 day when Kennedy made an unbelievable escape, foiled his own assassination attempt and entered the Military Witness Protection Program.

Now sixty one years later, Trump’s Devolution Plan that was devised by JFK (Q), was in full swing in the most astonishing Military Operation of all time. The purpose was to take down the Deep State Cabal which has imprisoned the Global Financial System for their own evil purposes, complete a Global Currency Reset and return to a gold/ asset-backed currency standard not just for the US, but for The People of the World.

“We are in the middle of a war waged in the corridors of power, in boardrooms, in the dark recesses of the internet. Our enemies aren’t just armed with weapons; they wield disinformation, propaganda, and economic influence.”

It all came together on Memorial Day 27 May 2024 – strangely, the very same day Trump eclipsed the delegate threshold to officially clinch the Republican nomination for president of the United States. Since Trump was already miles ahead of Biden in the polls, you could say our Commander in Chief of the US Military now was the unofficial US President, again – as if we didn’t know that already.

A. Mon. 27 May 2024 State of the World Alliance, Vincent Kennedy:

- **Governments worldwide would soon be disbanded**, their reign of inequity and corruption brought to a screeching halt.
- **Arrests have been carried out en masse**, sweeping away the vestiges of a bygone era and paving the way for a new dawn of accountability and justice.
- **Next 10 Days:** This is merely the opening act in a drama that will unfold over the course of the next 10 days.
- **The stage has been set for the implementation of the Global Economic Security and Reformation Act (NESARA/GESARA)**, a radical blueprint for the reconstruction of society as we know it.
- **If anyone thought that the enemy would continue to lead the world, a big mistake = the enemy has been destroyed.** We have always told you, the Khazarian Zionist elite and its affiliates = world governments = pharmaceutical companies = the United Nations = terrorist organizations = the Vatican = military forces that betrayed their countries, all of them have been eliminated.
- **Global arrests were still happening** at any given moment.
- **Israel was the head of all evil in the world.** The citizens of Israel were not the target, they were victims of the Zionist elite. The enemy was the Zionist government that sat in Jerusalem.
- **White Hats** have revealed the criminals from within.
- **We were heading for a historic event.** Be strong; help each other; be ready for serious developments that will change the picture in general.

B. Mon. 27 May 2024: [BOOM! White Hats in Action: The Unbelievable Escape! JFK's Foiled Assassination Plot and the Military Witness Protection Twist - American Media Group \(amg-news.com\)](#)

- **It all began several days before that fateful November day** when a top-secret intelligence report landed on the desks of high-ranking military officials. The chilling contents of this report detailed an elaborate conspiracy to assassinate President John F. Kennedy during his visit to Dallas, Texas.
- **The plotters were shadowy figures**, their motives unclear, but their determination to eliminate JFK was crystal clear.
- **In the face of this imminent threat**, a group of courageous individuals, dubbed the “White Hats,” swung into action. Their mission was clear: protect JFK at all costs.
- **However, their strategy was unconventional**, to say the least. Instead of relying on traditional security measures, they decided to orchestrate a staged scenario that would keep the would-be assassins in the dark.
- **On the day of the planned assassination**, an audacious plan was set into motion. JFK entered military witness protection, a program known only to a select few.
- **Meanwhile, a decoy, either a clone or robotoid (an advanced android)**, was deployed to divert attention away from the real President. The idea was to make the would-be assassins believe they had succeeded, all the while ensuring JFK’s safety.
- **As the world watched in shock** and disbelief, the decoy President took center stage. The dramatic turn of events that unfolded that day was nothing short of astonishing.
- **While the world’s attention was fixated on the decoy, JFK made his escape**, disappearing into the protective folds of the military witness protection program. It was a move that defied belief, and the White Hats executed it with precision.

C. Tues. 28 May 2024 Update on “Ken and Barbie vs Goliath IRS” Case: The brave Patriots who were fighting for your freedom.

Dear Patriot Friends and Family,

I’ve never been under so much pressure for such a long, sustained period as the first four days of trial have been. The word trial is exactly right!

As you know, two IRS agents testified that they did not know of a law that requires us to file federal income tax returns.

You also know that the judge has suggested that I have grounds for two motions for acquittal because, one, the IRS claims are required to be signed by someone under penalty of perjury and such a document doesn’t exist; and 2, that the entire indictment was filed under Title 26 IRS alleged violations, when all the claims against me happened during a Title 28 Judicial Action, thus voiding the entire indictment. So, we are doing well in our case, to say the least.

Brett Belliston (the man who claims he “won our home at the auction”, that he wasn’t even at) and Gary Chapman, the IRS auctioneer, both were suddenly made unavailable for the rest of the trial. Belliston had scheduled a trip out of the country and was allowed to leave. Chapman’s mother had a tumor years ago that suddenly flared up and he needed to go home to be with her

because she may “pass away”. I told the court I thought this was very suspicious and convenient, that the two who I believe were in a criminal conspiracy to steal my home had now, suddenly, “fled the scene of the crime” and are unavailable for testimony. Only they know the real truth of the matter.

This coming week the prosecution has said they plan to take two more days to make their case, leaving me only two days, when they will have taken 5 altogether. Doesn't seem fair, does it? By design, no doubt. We have excellent witnesses scheduled this coming week, despite the prosecution trying to block them. Pray they don't succeed. We appear to be miraculously winning this case, however, because the prosecution can smell their own defeat, they are now more dangerous than ever. Beware of unexpected attacks, in unexpected ways. We must all BEWARE. Therefore, please don't stop praying. Your prayers are working. Keep believing in God's miraculous hand. Pray now more than ever.

If Barbara and I prevail by week's end, it won't be just for the sake of Barbie and Ken vs. IRS, it will be a win for all Americans against the IRS.

Believe in miracles! Live for miracles!

“Oh Lord, thou art my God; I will exalt thee, I will praise thy name;...” Isaiah 25:1

“Bring my soul out of prison, that I may praise thy name:...” Psalms 142:7

Ken

P.S. We've had a few people come to court. Thank you! All who would like to come to court are welcome to come! U. S. District Courthouse, Room 7.300 351 S West Temple SLC 84101 801-524-6100 Tuesday 28th - Friday 31st 10 a.m. - 4 p.m.

- **Even though Ken and Barbara Cromar** proved in a Federal Court that they owed no monies to the IRS, they remained in a six plus years battle with them. Two different SWAT Teams had twice descended on their fully paid for dream home – that was later sold at auction. The SWAT Teams also threw away all of the Cromar's possessions, including expensive camera equipment Ken used to make a living.
- **Ken now sits in jail charged with living in his own home**, but undeterred to fight for the rights of the American taxpayer. Ken says, “The days of the “mighty” IRS are numbered. For far too long the IRS has been backed by a corrupt DOJ and ever-growing big government bureaucrats who have crowned themselves kings and queens to rule over us as their slaves, as they get fat and enrich themselves on the backs of struggling Americans.”
- **The judge has dismissed all filings Ken submitted** and would not even allow counsel to sit by him during trial. A few days ago Ken was finally informed he would be given one hour on **Mon. 20 May** to research his defense on his computer and to finally have access to prosecutor filings – one hour, one day before the trial. Think his trial is rigged? I do – the case has been all along.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail.

D. Global Currency Reset:

Judy Note: It appeared from all the below conflicting reports that Tier4b (Us, the Internet Group) could get notification to set appointments anywhere from **right now to July 4**. Personally, I am looking for the EBS to set off notification announcements.

- **President Trump was still the commander-in-chief (CIC) of our military.** What we were now seeing was a scripted series of events, part of the global 'Great Awakening' to help people to understand what has been going on for a very long time.
- **The Treasury Department, Military, Wells Fargo Bank and President Trump were coordinating** this up- coming event of undervalued currencies, such as the Iraqi Dinar (IQD) and the Vietnam Dong (VND), being revalued and exchanged, as well as the ZWL (Zimbabwe Dollar) denoted bearer bonds being redeemed.
- **You may have heard about the Global Currency Reset (GCR) and RV (reevaluation of currencies)** as opposed to the cabal's Great Reset where they pushed their fraudulent Central Bank Digital Currency (CBDC) that has nothing to back it. Their game was now known, and no longer possible, in favor of the BRICS consortium of nations with asset backed currencies.

I have had confirmation that Brazil will start **this week** from the Central Bank of Brazil. **Thurs. 6 June** is D Day.”

- **Mon. 27 May 2024 MarkZ:** “I had a great conversation with a person involved with historic bonds yesterday afternoon. We have a few that are expecting spendable dollars **Tues. 28 May morning.** They were told they would have gotten it today if the banking system was open. If what they say is accurate it could put us within days or a week or two at most of us processing and exchanging on the currency side of it.”
- **Sun. 26 May 2024 NC Chick: A banker from Brazil did a talk last week.** He said Whales would be finished in a day or so and notifications have gone out to the Bond holders. He was amazed that T4B hadn’t been notified. Actually, it is the same person that tells Wolverine.
- **On Fri. 24 May TNT** sent out a cryptic message that the 800#s were coming out for Tier4b (Us, the Internet Group) to set redemption appointments.
- **Thurs. 23 May 2024 Bruce felt it was** likely that we won’t get the 800 numbers to make appointments until **Tues. 28 May, and could begin exchanging on Wed. 29 May.**
Anonymous Friend: Ginger, I was just informed (by a relative in the Middle East; Ginger is hiding the location for security) that there are 7,000 payers in Tier 3 who are being paid before Tier 4B distribution goes live. This will happen over **the next 10 to 14 days.** However, in the meantime the public will be prepared for many things, such as: gold-backed USN, debt forgiveness, increases in SSI, and other benefits. **Also keep in mind that the absolute back wall is the 4th of July,** so a lot has to happen quickly for us to reach our day of redemption.

about the stability of the banking sector and the potential impact on the global economy.

O. Q: Treasure Island “We have the gold” and Walmart, Tironianie on Telegram Mon. 27 May 2024

- **With founder of Walmart Bill Walton dead at 71**, Walmart will be the last. They are saving the Child Traffickers for last.
- **Remember all the recent Tornados** in Oklahoma and Arkansas? Most of the Waltons were either born or currently live there. Clintons also.
- **The Yellow Brick Road** is paved with the bodies of Children & Gold.
- **Gold was discovered in Northern California in 1849**. The Gold continues downward thru the Sierra Mountains. The Gold may have been more specifically Aztec gold.
- **During World War II**, Treasure Island became part of the Naval Base. The Government would build military bases to protect their power and assets. There is a nuclear training center on the island. Keep in mind the corruption is all reliant on who owns the top and we know now that most of our Presidents were corrupt.
- **The Navy allowed Anton Lavey founder of the Church of Satan** to host weddings, and baptisms on the island. So that in itself says a lot.
- **If you look at the Naval Base on Treasure Island** the barracks tell a story of their own. X marks the spot after all. But what else does that symbol represent in your mind? How about Walmart??? That is the exact look of their logo which also happens to be Gold!
- **The conspiracy claims that Walmart** is one of the biggest leaders of this Human Trafficking front. Lets face it their are multiple Walmart's in every city across the US this is why small businesses don't stand a chance. When I lived in Europe I never saw a Walmart and small business flourished. Walmart also has a missing children's poster in the front of many of their stores similar to the days of the milk carton.
- **So I looked into the Walton's tie to San Francisco** and what do you think I found? Walmart's headquarters were in Arkansas. But guess who was on the San Francisco Board of Supervisors - Shamann Walton. There are 11 seats on the SF Board of Supervisors and they are all Democrats. Some other names on this board jump out at me as well. Matt Dorsey reminds me of Jack Dorsey CEO of Twitter. His District overview includes both Treasure Island & Alcatraz.
- **The Navy created a full size mockup of a navy ship dubbed the USS Pandemonium** (PCDC-1). Radioactive materials were placed on the land-locked ship to train crews in radioactive detection & cleanup.
- **The Pandemonium remained in use until July 1969.**
- **Treasure Island was closed on 30 Sept 1997**, as a BRAC III Major Closure. After the closure of Alcatraz 6 miles away in 1963. The tunnels from Alcatraz act as the Yellow

Brick Road for Human Trafficking, Drug Trafficking and the Hoarding of National Treasure (GOLD). You can then follow the Yellow Brick Road up to Bohemian Grove where the cabal worships Molach.

- **After the Navy base shut down two offers were made on Treasure Island for over 250 Million** but Congress opted the property to the city of San Francisco for FREE, under Section 2711 of HR 2647. Sounds like that land is very valuable to them....Remember in the movie the Count of Monte Cristo, Edmond Dantès got revenge after finding the gold in the water off the coast in a cave.
- **There are Villages on Treasure Island** including a community of town homes & flats.
- **California State Legislature created** a "special" reuse authority for Treasure Island.
- **There is associated submerged property on Treasure Island** that the TIDA State Agency staffed by the San Francisco Mayor's Office London Breed is responsible for. (London Has Fallen) Who else wants to know what treasures are under the island?
- **A quick Google search** came up with tons of dead bodies found on or around Treasure Island. Were they Satanic rituals or did they find the Gold???

P. Donations Badly Needed For Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated.
- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims. However, the Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims.
- **Any amount you could give** would be greatly appreciated. There was \$500K needed right away to continue the three meals a day. The Deep State not only took the Native Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.
- **Please send your donation** to the Akua Foundation's Malama Lahaina Website – the only site dedicated to and run by the Hawaiian Native Peoples: [Malama Lahaina – Pūpūkahi i Holomua Donations \(malamalahaina.org\)](https://malamalahaina.org)

Q. Why were Patriots Ken Cromar (who proved in a Federal Court he owed no monies to the IRS) **and Tom Fairbanks** (who has spent his life gathering information on the Satanic Ritual Abuse of Children) sitting in jail without having committed a crime?

Were Patriots Cromar and Fairbanks being set up as an example of what the Satanic New World Order Deep State Cabal would do to you if you tried to confront their illegal acts?

- **The Satanic New World Order Deep State Cabal** worshipped Satan through pedophilia, torture and Child Sacrifice in their attempts to rule the World.

- **Since 1913** this Satan worshipping group has owned the US Federal Reserve and IRS which collected and spent US Taxpayer dollars.
- **In 1871 the Cabal** took over the US legal system, including law schools to promote their lies, propaganda and disinformation in line with their agenda of total dominance of The People.
- **The Cabal's** control of the US legal system began with treacherous legislation called the [District of Columbia Act of 1871](#).
- **Even after the Revolutionary War** (of which both sides were financed by the King of England), the 'United States' had never declared Independence from Great Britain, or the King.
- **America was a British Colony**, while the United States was an independent business Corporation that existed before the Revolutionary War.
- **American Courts** were ruled by Great Britain under International Maritime Admiralty Law.
- **American Courts** were overseen by Administrators who enforced Statutes and Codes.
- **If you retained legal counsel in your defense**, you were automatically assumed by the court to be a mentally incompetent ward of the court. You could not use the U.S. Constitution (**1873**) to defend yourself because you were not a party to it. "The People" did not include you and me because America was a British Colony.

R. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The reasons given for his arrest were suspect and didn't appear to be due to criminal activity. His record was sparkling clean.

- **The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked.** He had to be silenced, one way or another. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children and share it with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.
- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323
