Judy Note: *It is my opinion based on the below, that Mass Arrests have gone on for some time and were so successful that last Tues. 14 May President Trump gave the Green Light for the Global Military Alliance to activate the final phase of “The Plan To Save The World.”*

As soon as on Sat. 18 May we might see the Supreme Court Announcement of the Brunson Case which was that SCOTUS agreed that Congress did not investigate valid allegations of 2020 Voter Fraud. That decision would automatically nullify the 2020 Election and dissolve the Biden Administration and all of Congress.

The Deep State Kabal and UN have, through allowing millions of illegal migrants to enter the country, placed military age men across the US to cause chaos in the Event of such an announcement. The US Military under Trump has also been placed in around 360 cities to quell such expected riots.

A Sky Event and destruction of 34 Satanic structures across the Globe has been planned – which would cause a Worldwide Blackout – which would be a cover for people across the Globe to switch from Nuclear Energy to Tesla Free Energy.

Such Events would be sure to cause a Global Financial Crisis – which would trigger the Global Currency Reset.

All is Well.

Trust The Plan.

Hold The Line.

Justice is Coming.

Where We Go One, We Go All (WWGIWGA)!!!

No One Can Stop What's Coming (NOCSWC)!!!

...The above is in my opinion only. Judy

[Breaking News: President Donald Trump Authorizes Global Military Alliance – Mr. Pool! THE EVENT: Worldwide Blackout – The Power of the Brunson Brothers Announcement! - American Media Group \(amg-news.com\)](https://www.amg-news.com/breaking-news/president-donald-trump-authorizes-global-military-alliance-mr-pool-the-event-worldwide-blackout-the-power-of-the-brunson-brothers-announcement-american-media-group)

- **Both President Donald Trump and his VP JFK Jr.** confirmed that the Green Light has been given to the Global Military Alliance to move forward. Expect major arrests, stock market crashes, global blackouts, transition to Tesla Free Energy and a shift to Rainbow Treasury Notes.
- **Emergency Broadcast System (EBS) Activation:** In response to the announcement, ten countries will activate the Emergency Broadcast System (EBS) to disseminate crucial information and maintain order. This coordinated global effort underscores the comprehensive nature of the operations and the importance of clear and effective communication during times of crisis.
- **A Supreme Court Announcement on the Brunson Brothers Case** (that Congress failed to investigate over 50 allegations of 2020 Voter Fraud) could immediately dissolve

the Biden Administration and all of Congress. The anticipation of the Brunson Brothers announcement adds to the tension and significance of the military's presence. The Brunson Brothers' announcement is not just a political event; it is a catalyst for a series of transformative actions that will ripple across various sectors.

- **Major Arrests and Justice Restoration:** The announcement is expected to trigger a wave of major arrests targeting individuals involved in corruption and malfeasance. This move aims to restore justice and accountability, signaling a commitment to upholding the rule of law. These arrests will likely dismantle entrenched networks of power, paving the way for a more transparent and just society.
- **With the Green Light from President Trump, all available assets have been deployed.** This comprehensive mobilization includes military personnel, intelligence resources, and technological capabilities. The deployment is strategic, covering multiple fronts to ensure the success of the operations. The scale of this mobilization highlights the seriousness and urgency of the mission.
- **Military In Position in approximately 300-360 cities.** Military forces have taken their positions, ready to execute their orders. The strategic placement of these forces ensures optimal effectiveness and minimal collateral damage. The precision of their deployment reflects extensive planning, coordination, ensures readiness and swift response and underscores the scale and seriousness of the operations.
- **10 Countries Running EBS.** Ten countries will run the Emergency Broadcast System (EBS) to cover the entire world. This coordinated effort ensures that crucial information is disseminated globally. The EBS will play a key role in maintaining communication and order during the blackout. This global coordination reflects the comprehensive and inclusive nature of the operations.
- **THE EVENT** is a multifaceted operation with far-reaching implications, disrupting normalcy and triggering a series of reactions. The nature of this event is shrouded in mystery, adding to the tension and anticipation. The term "Black Swan" suggests an unprecedented and unpredictable event that could alter the course of history.
- **34 Significant Buildings.** Thirty-four buildings, including the White House, Buckingham Palace, and the Vatican, will be involved in **THE EVENT**. These buildings are significant symbols of power and influence.
- **Global Blackouts and Technological Shifts:** The announcement will also set in motion a series of events leading to global blackouts. These blackouts are a necessary step to prevent chaos and ensure a controlled transition to new technologies and systems.
- **Prepare For Black Swan Sky Event with Worldwide Blackout and implementation of Tesla Free Energy.** The blackout will facilitate the necessary changes and ensure a smooth transition. **PROJECT ODIN** involves knocking out Mossad media satellites, leading to a worldwide media blackout. This operation aims to disrupt the dissemination of disinformation and propaganda. The Blackout will facilitate the switch to quantum systems. **PROJECT ODIN** is a critical component of the broader mission, ensuring control over information flow. This transformative shift also aims to create a sustainable and resilient energy infrastructure. The implementation of **PROJECT ODIN** and the shift to Tesla energy will mark the beginning of a new era of sustainable and resilient energy infrastructure.
- **Stock Market and Cyber Operations Crash, Bank Closures. Stock Market and Financial Repercussions:** The political upheaval resulting from the announcement is

anticipated to have profound effects on the financial markets. A stock market crash, compounded by precision cyber operations and bank closures are likely outcomes, driven by the uncertainty and volatility that accompany such significant political changes. These actions are linked to **Executive Orders 13818 and 13848**, aimed at targeting corruption and foreign interference. The collapse of the stock market is a calculated move to dismantle the old financial system. Cyber operations play a crucial role in achieving these objectives. The financial repercussions of the Global Alliance's actions will be profound, affecting economies worldwide. This crash is anticipated to be severe, necessitating drastic measures to stabilize the economy. Bank closures will add to the financial turmoil, creating a ripple effect that will be felt across various sectors. This financial turmoil, however, is part of a broader strategy to transition to a new, more stable financial system.

- **TURKSAT Rocket and Military Communications.** The TURKSAT Rocket, launched from the USA in January, is designed for military communications. This rocket ensures secure and efficient communication channels for the military. Its deployment reflects the strategic planning and technological capabilities of the operations. The TURKSAT Rocket is a crucial asset in maintaining coordination and effectiveness.
- **Starlink Space X System.** The Starlink Space X System will play a crucial role in restoring power. This advanced technology will ensure a smooth transition from conventional power sources to quantum energy. The use of Starlink underscores the innovative and forward-thinking nature of the operations. This system will help stabilize the situation and prevent further disruptions.
- **After Black Swan Sky Event, Blackout Necessary.** A Blackout is deemed necessary to control the fallout from the anticipated events. [This blackout](#) will prevent a run on the banks and a complete collapse of the Stock Market. The temporary suspension of power and communication is a strategic move to maintain order and prevent panic so the Blackout will also facilitate the transition to new systems and protocols. This measure is aimed at preventing chaos and maintaining order.
- **Transition to Rainbow Treasury Notes.** The transition from Rothschild's Central Bank Notes to Rainbow Treasury Notes marks a significant shift in the financial system. These new notes are backed by precious metals, ensuring stability and value. The move away from oil-based economies reflects a broader commitment to sustainable and ethical financial practices.
- **Foreign Heads of State in Hysteria.** The actions of the Global Alliance have sent foreign heads of state into hysteria. The sudden and bold moves have disrupted the status quo, causing panic and uncertainty among international leaders. This reaction underscores the far-reaching impact of the operations. The hysteria also indicates the extent to which these leaders feel threatened by the changes underway.
- **May This Saturday Bring Peace and Happiness.** A message of hope and well-being is conveyed, wishing that **Saturday 18th May** brings peace and happiness. This message underscores the humanitarian aspect of the mission. It reflects a commitment to ensuring a better future for all. The invocation of divine guidance emphasizes the moral and ethical foundation of the operations.

D. BRICS to Launch Decentralized Financial System to End US Dollar

- **The BRICS economic alliance** is set to implement a geopolitical game-changer, as it is expected to launch a decentralized financial system to end the US dollar.
- **Indeed, the bloc is currently discussing the implementation** of such a system with the BRICS+ Business Council, which could become official policy within the next year.

- **Named The Unit**, the system is set to combat the growing challenges of geo-economic finance concerns.
- **Moreover, the system is set to implement cross-border payment** solutions as well as a newly implemented international currency under the BRICS infrastructure.

F. Global Financial Crisis:

- **Thurs. 16 May 2024 Cuba: The financial Banking System in Cuba has completely collapsed.** Cubans woke to learn their bank accounts have been emptied. There is no cash at ATMs. For some reason this monumental story has not made it on to MSM. The Cuban people have been left with no financial resources, they have no means of buying food ...they are desperate and they are afraid. This is the final destination, this is where globalism wants to lead you to the apocalypse. Cubans were forced to adopt the digital banking system & now they are financially ruined, they have no recourse. The Government will next offer the Cuban citizens Universal Basic Income.
- **Banking Woes Continue:** Smaller banks are at risk as depositors flock to bigger, safer banks. Deposits have been leaving at an alarming rate, adding pressure to an already fragile sector.

- **Artificial Sweetener called Aspartame is actually a brain drug that stimulates your brain so you think that the food you're eating tastes sweet.** You'll notice that when using Aspartame everything you eat at the same time also tastes sweet. Aspartame breaks

down to its poison constituents at 86 degrees (Aspartic Acid 40%, Phenylalanine 50%, and Methanol 10%). There is mounting evidence that the "Burning Mouth Syndrome" experienced by the Desert Storm troops was actually Methanol poisoning from the Diet Coke they drank lots of, after being exposed to desert temperatures. Aspartame 10% Methanol appears in the body quickly and is the same alcohol that your mother probably warned you that it can make you blind. Many skid-row alcoholics had problems with this cheap but deadly form of alcohol. Aspartames 40% Aspartic Acid is an "excitotoxin" in the brain and excites neurons to death, i.e. it kills brain cells and causes other nerve damage and it triggers Migraine Headaches.

O. Thurs. 16 May 2024 Trump on Draining The Swamp, Charlie Ward:

<https://t.me/CharlieWardFriends>

- **It's time to address this commonly used anti-Trump talking point** about his inability to drain the swamp in his first term.
- **Trump's first term was completely hamstrung by the Mueller Investigation and the MSM** had the public convinced Trump was literally a Russian agent... Then as soon as he got past the Russia hoax, they released a biological weapon, shut the world down, and stole the election.
- **If Trump would have gone in day one, and started arresting people,** he would have looked like a totalitarian dictator, and would have caused massive uprisings and legitimately a civil war. The public were not even awake yet at this point.

- **The same people criticizing Trump for not draining the swamp**, didn't even believe the swamp was real back in 2016. The MSM still had the overwhelming majority of Americans under their spell.
- **So while it's real easy for RFK Jr. supporters to criticize Trump now**, the majority of them didn't even know this war with the Deep State was going on, and they would have criticized Trump for draining the swamp if he did it, and called him a dictator.
- **The world wasn't awake then. Now they are.** This is why Trump is going to finish the job this time. Because the public have been shown how deep the corruption goes. They are ready.

P. Donations Badly Needed For Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated.
- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims. However, the Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims.
- **Any amount you could give** would be greatly appreciated. There was \$500K needed right away to continue the three meals a day. The Deep State not only took the Native Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.
- **Please send your donation** to the Akua Foundation's Malama Lahaina Website – the only site dedicated to and run by the Hawaiian Native Peoples: [Malama Lahaina - Pūpūkahi i Holomua Donations \(malamalahaina.org\)](https://malamalahaina.org)

Q. Why were Patriots Ken Cromar (who proved in a Federal Court he owed no monies to the IRS) **and Tom Fairbanks** (who has spent his life gathering information on the Satanic Ritual Abuse of Children) sitting in jail without having committed a crime?

Were Patriots Cromar and Fairbanks being set up as an example of what the Satanic New World Order Deep State Kabal would do to you if you tried to confront their illegal acts?

- **The Satanic New World Order Deep State Kabal** worshipped Satan through pedophilia, torture and Child Sacrifice in an attempt to rule the World.
- **Since 1913** this Satan worshipping group has owned the US Federal Reserve and IRS which collected and spent US Taxpayer dollars.
- **In 1871 the Kabal** took over the US legal system, including law schools to promote their lies, propaganda and disinformation in line with their agenda of total dominance of The People.

- **The Kabal's** control of the US legal system began with treacherous legislation called the [District of Columbia Act of 1871](#).
- **Even after the Revolutionary War** (of which both sides were financed by the King of England), the 'United States' had never declared Independence from Great Britain, or the King.
- **America was a British Colony**, while the United States was an independent business Corporation that existed before the Revolutionary War.
- **American Courts** were ruled by Great Britain under International Maritime Admiralty Law.
- **American Courts** were overseen by Administrators who enforced Statutes and Codes.
- **If you retained legal counsel in your defense**, you were automatically assumed by the court to be a mentally incompetent ward of the court. You could not use the U.S. Constitution (**1873**) to defend yourself because you were not a party to it. "The People" did not include you and me because America was a British Colony.

. **"Ken and Barbie vs. Goliath IRS": The Illegal Federal Reserve and IRS were using the "Ken and Barbie vs. Goliath IRS" Case as an example of what they will do to you if you dare confront them on their illegal activities.** There was no law that stated you had to pay income taxes. According to IRS Agents, your income tax payment to the Cabal's IRS was strictly voluntary:

- **Even though Ken and Barbara Cromar** proved in a Federal Court that they owed no monies to the IRS, they remained in a six year battle with them. Two different SWAT Teams had descended on their fully paid for dream home – that was later sold at auction. The SWAT Teams also threw away all of the Cromar's possessions, including expensive camera equipment Ken used to make a living.
- **Ken now sits in jail charged with living in his own home**, but undeterred to fight for the rights of the American taxpayer. Ken says, "The days of the "mighty" IRS are numbered. For far too long the IRS has been backed by a corrupt DOJ and ever-growing big government bureaucrats who have crowned themselves kings and queens to rule over us as their slaves, as they get fat and enrich themselves on the backs of struggling Americans."
- **Ken's Trial is next week, scheduled for ten days. The courtroom should be packed with friends who support Ken.** This makes an impact on the jury. Please be there whenever you are able! U. S. District Courthouse, Room 7.300 351 S West Temple SLC 84101 801-524-6100 Tuesday 21st - Friday 24th 10 a.m. - 4 p.m. three day holiday weekend, 25th - 27th, back in court on the 28th. Jury selection from 70 potential jurors on day one, but judge hopes to have opening remarks that day, also. The prosecution has three days then holiday weekend - back on Tuesday 28th.
- **Dear Patriot Friends and Family, During today's (15th) pre-trial conference I asked if Raland Brunson could be there to sit with me at trial. Not to speak but to help with paperwork and private counseling. The judge has taken that under advisement. I feel like things went as good as they could considering the fact that the judge denied everything we had laid out.** However, there was enough push back with reasonable and logical arguments that the judge and prosecution seemed surprised and knew that I'm ready to put up a fight. And that they're not going to be able to "roll me".

This will be the fight of my life and it won't be easy, but with trust in God, I believe miracles are possible. My darling daughter Maddie shared a scripture with me Sunday that sums up my feelings regarding the situation: Jacob 3:1 "Look unto God with firmness of mind, and pray unto him with exceeding faith, and he will console you in your afflictions, and he will plead your cause, and send down justice upon those who seek your destruction." (Book of Mormon). Thank you so much for your love and prayers. I will fast and pray on Sunday, if anyone would like to join me in doing so, thank you. Believe in miracles! Ken

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. R. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The reasons given for his arrest were suspect and didn't appear to be due to criminal activity. His record was sparkling clean.

- **The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked.** He had to be silenced, one way or another. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children and share it with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.
- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support.
