#### **A. Thurs. 23 May 2024 Update on Ken Cromar “Ken and Barbie vs Goliath IRS” Case.**

Dear Patriot Friends and Family,

**May 21:** Jury was selected – took all day.

**May 22:** Trial started today and Raland Brunson’s words were: “Today was a great day! Better than I had hoped for.” I had two veteran, expert IRS agents on the stand and I asked the 22-year-veteran, “Do you know where the law is that requires me to file a federal income tax form?” and he said, “Ahhhhh - I don’t, no.” I asked a 38-year-veteran IRS agent if he could tell me where the IRS code is that he knows requires me to file a federal income tax form and he said, “Ahhhhh - I don’t know.”

So, today was a great day. I believe we got the right jury selected yesterday and it looks incredibly promising on a case that was supposed to be impossible to win. But, with God, NOTHING is impossible.

**May 23:** Today looked on the surface to be a very challenging day because of the way things played out and yet, there was a huge miracle that may have escaped most people and that is the judge realized the evidence I was bringing forward and he again, now, the second day in a row, suggested there is grounds for a motion to dismiss the entire indictment. Yesterday it was for one reason. Today it was for a different reason. The prosecutor lost it and was basically yelling, in legal, court terms, yelling at the judge and the judge did not appreciate it and set him in his place. (From Raland: The whole courtroom came alive, the prosecutor, Patrick Burns, stood up, freaking out, screaming at the judge! The judge told him to calm down, dismissed the jury, and we had a focused meeting that was so unbelievably favorable to Ken!) We have a jury now that appears to be seeking justice and so that's a good thing. ...Ken

- **There was no law** that stated you had to pay income taxes. According to IRS Agents, your income tax payment to the Cabal's IRS was strictly voluntary.
- **Even though Ken and Barbara Cromar** proved in a Federal Court that they owed no monies to the IRS, they remained in a six plus years battle with them. Two different SWAT Teams had twice descended on their fully paid for dream home – that was later sold at auction. The SWAT Teams also threw away all of the Cromar's possessions, including expensive camera equipment Ken used to make a living.
- **Ken now sits in jail charged with living in his own home**, but undeterred to fight for the rights of the American taxpayer. Ken says, "The days of the "mighty" IRS are numbered. For far too long the IRS has been backed by a corrupt DOJ and ever-growing big government bureaucrats who have crowned themselves kings and queens to rule over us as their slaves, as they get fat and enrich themselves on the backs of struggling Americans."
- **The judge has dismissed all filings Ken submitted** and would not even allow counsel to sit by him during trial. A few days ago Ken was finally informed he would be given one hour on **Mon. 20 May** to research his defense on his computer and to finally have access to prosecutor filings – one hour, one day before the trial. Think his trial is rigged? I do – the case has been all along.
- **The courtroom needs to remain packed with friends who support Ken. This makes an impact on the jury.**
- **Please be there whenever you are able!** U. S. District Courthouse, Room 7.300 351 S West Temple SLC 84101 801-524-6100 Tuesday 21st - Friday 24th 10 a.m. - 4 p.m. Three day holiday weekend, 25th - 27th, back in court on the 28th.
- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail.

**Dear Patriots;**

**Apparently for years Chairman of the now-bankrupt US Federal Reserve Jerome H. Powell** may be running a Scam that sells so-called "Trump Gold Products," promising huge returns. My initial impression is that this is a huge Worldwide Scam that has nothing to do with Trump or his organization.

**In the last two days** I have received over two hundred emails describing being taken for thousands of dollars on the TRB Trump Gold Products Scam. I have yet to receive confirmation that anyone of the hundreds of people who have contacted me has actually been cashed out on their investment. The TRB team just keep asking for more money in order to cash them out and then quit communicating when they feel the person won't give them any more.

**The so-called Trump Coins, Badges and Stickers** were NOT, as the advertising claimed, endorsed by Trump, Tucker Carlson, the Trump Organization, or its affiliates.

**"The Trump Organization has no affiliation or association whatsoever with TRB products.** ...They illegally use pictures of Trump and others associated with Trump to sell their products. ...They are engaged in a scheme to deceive and scam the public. ...We have launched our own investigation and have shared information with federal law enforcement agencies. ...They have gone so far as to send emails falsely representing to be from our employees." ...a letter signed by Alan Garten, General Counsel to the Trump Organization.

**One victim reported** he was sent emails from the TRB Group saying "Alan Garten, Executive V.P. and Chief Legal Officer at The Trump Organization or Matthew Calamari, Chief Operating Officer at The Trump Organization" were contacting them. This was an obvious lie.

**Another victim reported** a letter sent to them that claimed to be from President Trump himself which supposedly validated the TRB Gold products – another outright lie.

**If you feel you have been a victim** to this scam it is recommended that you report such to your local law enforcement and business bureau. If I were a victim, I would also write up my TRB experience including products bought and monies paid out, plus my contact information. Send an original notarized copy of it to: Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

**Here is an article** I recently published in *Before It's News* that could give you more insight as to what was really going on: [Fed Chair Powell Heading Trump Gold Products Scam? | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)

**I will be contacting Mr. Trump** and his legal department to keep them informed, plus suggest that they organize a Class Action Lawsuit for anyone affected by this Scam.

**There appears to be thousands of victims** who have spent millions of dollars on this Scam. If you all stick together and act, you will have a huge amount of power and authority to bring justice for yourselves and others.

**Remember, Where We Go One, We Go All!!!**

**Love, Judy**

He's saying he's hearing Individual Bond Holders expecting to receive big Payments now! First time I've heard him talking about Individuals rather than Groups/ Platforms.”  
**Thurs. 23 May 2024 Wolverine Here's a helpful update:** My friend has given me permission to share information with you. Remember, she has a relative who is an MP from a Middle Eastern county and he sits on a committee that oversees the timing of the event.

**Anonymous Friend:** Ginger, I was just informed (by a relative in the Middle East; Ginger is hiding the location for security) that there are 7,000 payers in Tier 3 who are being paid before Tier 4B distribution goes live. This will happen over **the next 10 to 14 days.**

**However, in the meantime the public** will be prepared for many things, such as: gold-backed USN, debt forgiveness, increases in SSI, and other benefits.

**Also keep in mind that the absolute back wall is the 4th of July**, so a lot has to happen quickly for us to reach our day of redemption.

- **Tues. 21 May 2024 Unknown Source:** “Banks in the USA will close on the **24th and until May 27th (Monday)** they will be offline, without credit cards and without access to 24-hour banking. It will be the beginning of AES - EMERGENCY ALERT SYSTEM and on **Tues. 28 May 2024**, some banks and companies will no longer open.

**Thurs. 23 May 2024 Happy Welsh Guy:**

- **Tony is quite correct the RV will happen soon, but not yet.** This is what is really happening. There is a carefully, orchestrated plan in effect, that is being meticulously monitored.
- **Tier # 1 and Tier # 2 is currently being financially hydrated.**
- **When this is completed** to the satisfaction of the Alliance then and only then will **Tier # 3** be financially hydrated.
- **When Tier 3 is completed** to the satisfaction of the Alliance then and only then will **Tier # 4 (US) the internet group** be financially hydrated.
- **Everything is currently “On Track”** and moving to expectation.
- **If everything continues to expectation, then Tier # 4** should be financially on or about **JUNE 15th with a back wall of July 4<sup>th</sup>.**
- **It is “NOT” going to happen today, tomorrow or this month.** However, Tony is right. It will be our time soon. Nothing will stop this except for a 911 type event.
- **My source actually sits on a special committee** formatted for the very specific purpose of the timing of the revaluation to take place.
- **June 15th** is not that far away so remain patient and be in expectation

**Fri. 24 May 2024 Goldilocks:** “A Bank just told us they are going to move onto the QFS. First action date: **June 21, 2024 before 3:00 p.m. MT.** Second action date: **June 24, 2024** for the remaining steps. It is important to note that this is just one bank's timeline, but I can't help from notice that this one is **before the June 30th, 2024 laws** that are taking effect on Crypto regulations and Stable Coins at the **end of the month.**”

**D. Global Financial Crisis:**

- **Fri. 24 May 2024 [BREAKING NEWS: BRICS – America’s 4th Largest Bank Issues Dire Warning of Imminent Economic Crash Amid Geopolitical Shift - American Media Group \(amg-news.com\)](#)**

- **Edward Griffin succinctly explained what the Federal Reserve System actually is:** "It's a cartel. It's not a government agency. It has the appearance of it being a government agency. They went to great lengths to give it that facade... In it's essence, It's a cartel... They got together. They drew up the rules and regulations for their own industry.. To self regulate their own industry.. It's what cartels do. And then they sent it to congress and they took off the label off the top that said 'banking cartel' and they erased that and they said 'Federal Reserve Act.' Congress passed it into law. And that's why we think it's a government agency it's because if you don't obey the rules that they set down for their own industry you go to prison."
- **Fri. 24 May 2024: The financial banking system in Cuba has completely collapsed.** Cubans woke to learn their bank accounts have been emptied. There is no cash at ATMs. The entire financial system in Cuba has completely collapsed for some reason this monumental story has not made it on to MSM? The Cuban people have been left with no financial resources, they have no means of buying food ...they are desperate and they are afraid. This is the final destination. This is where Globalism wants to lead you to the Apocalypse. Cubans were forced to adopt the digital banking system & now they are financially ruined. They have no recourse. **THE GOVERNMENT WILL NEXT OFFER THE CUBAN CITIZENS UNIVERSAL BASIC INCOME.**
- **US DEBT CRISIS: INTEREST PAYMENTS BALLOON TO OVERTAKE DEFENSE SPENDING, NOW 3RD BIGGEST EXPENDITURE (WJ).** The United States' national debt crisis continues to get worse. The Committee for a Responsible Federal Budget projected that in 2024, the U.S. will spend more on interest payments than national defense. To put this into perspective, the U.S. spends over \$900 billion a year on national defense, which is \$600 billion more than the second-highest spender, China, according to the Stockholm International Peace Research Institute, a military expenditure data analytics company commonly known as SIPRI. Yet, during the first seven months of fiscal year 2024, which began in October 2023, the U.S. Treasury Department calculated that the U.S. had spent \$514 billion on national debt interest payments, roughly \$16 billion more than we've spent on national defense. This makes interest payments the third-highest expenditure for the government, behind Social Security and health programs other than Medicare.
- **Judy Note My questions are:** Who are we paying the interest to? The Banks? Who owns the Banks? The Deep State Cabal who also own the IRS and Federal Reserve? So, our taxpayer money goes to the IRS and Federal Reserve who gave it to Congress, who ran up the National Debt? Now we have to pay interest on our own money? And, we pay that interest to...the Banks?

#### N. Fri. 24 May 2024 Farm Claims / NESARA ... Trump Agenda on Telegram

- **Banks and the government illegally seized Midwestern family farms** that belonged to the Farmers Union by giving land patents to farms. A land patent provides legal protection against illegal land grabbers. It is illegal to seize any property owned by an allodial title.allodial.
- **The corporation USA Inc. thought they owned the land** when they seized the land from the Federal Republic of the United States. They did not honor property rights.
- **A land farm with this type of title can only be transferred by the owner voluntarily;** which means it cannot be removed by any other means. The properties in question were pledged to banks by the innocent and unknowing owner as security for a loan. They had no choice, to pawn the land or not take a loan. Forfeiture of the property was written into the loan if it was not repaid on time. This was against the law; the banks knew it and the county clerks of county government knew it too.
- **Clerks recorded the transfer of ownership to the banks without the voluntary signature of the legal owner.** This was pure fraud perpetrated and justified by America's

illegal foreclosure of USA, Inc. NESARA aims to reclaim all of this land and pay the illegal lawsuits and legal fees to these people, as well as return lots of Native American lands and not limit them to reservation lands and sick casinos.

Because Americans were not told as of yet of all the human trafficking tunnels found under The White House. Which is under investigation. This is why D. Trump never took a salary.
- **Why? A couple of reasons.**
- **Obstruction of Justice:** If Trump took actions (Accepting A Salary) basically hindering obstructing the investigation into trafficking and money laundering at the White House, he could face charges of obstruction of justice. Can we say the same for Joe Biden? No.
- **Bribery or Corruption:** If it could be proven that Trump accepted the salary as part of a quid pro quo arrangement with individuals or entities involved in trafficking and money laundering, he could face charges of bribery or corruption.
- **This is why the "No Oath Of Office" issue** should alarm everyone. Because this also implicates Joe Biden. Because when Michelle Klann presented paperwork to Maricopa County Board of Supervisors they all dismissed themselves because she proved they signed no Oath of office to the Republic of Arizona.
- **Meaning they all committed insurrection** because they signed an Oath of office to a foreign office.
- **Think- 1103 ≈ 11 alt 3 ≈ 11.3 Chapter 11.3 of Law of War Manual** = End of Occupation and Duration of GC Obligations GC = Geneva Conventions 11.3 Reads: "The status of belligerent occupation ends when the conditions for its application are no longer met. Certain GC obligations with respect to occupied territory continue for the duration of the occupation after the general close of military operations." End quote.
- **They are talking about Washington DC.** These are military provisions. People ask yourself since when does the National Guard deploy to an "Inauguration" and occupy two months later? Remember the fence that went around DC? This was the "Peaceful Transition of Power" to the military.
- **This happened around the same time Nancy Drew** uploaded a video on her channel showing congress being rounded up and put on busses. This is also why another person like Richard Citizen Journalist were able to upload multiple videos on his channel on Telegram showing DC was a ghost town. All the Federal buildings were closed for years after 2020.
- **Do you think it was because of this other military order?**
- **11.6 PROTECTION OF THE POPULATION OF AN OCCUPIED TERRITORY.**  
11.6.1 General Protections, Including Humane Treatment, of the Population of an Occupied Territory.

**P. Dead Man Walking: NATO ...Trump Exclusive on Telegram.**

- **Inside the US Military NATO** is referred to as Dead Man Walking.
- **Military Intelligence** clearly know Western current powers are in a full collapse.
- **From the infiltration of Four Star General Rogers** into the Obama administration and his importance of uniting military Commanders behind the scenes in the silent COVERT war against the CIA/ ROCKERFELLERS/ ROTHSCILDS/BUSHS.
- **General Rogers bears MASSIVE responsibility** for the CAPTURED cyber operations that Obama CIA had installed against the American people.

**Q. Why were Patriots Ken Cromar** (who proved in a Federal Court he owed no monies to the IRS) **and Tom Fairbanks** (who has spent his life gathering information on the Satanic Ritual Abuse of Children) sitting in jail without having committed a crime?

**Were Patriots Cromar and Fairbanks being set up as an example of what the Satanic New World Order Deep State Cabal would do to you if you tried to confront their illegal acts?**

- **The Satanic New World Order Deep State Cabal** worshipped Satan through pedophilia, torture and Child Sacrifice in their attempts to rule the World.
- **Since 1913** this Satan worshipping group has owned the US Federal Reserve and IRS which collected and spent US Taxpayer dollars.
- **In 1871 the Cabal** took over the US legal system, including law schools to promote their lies, propaganda and disinformation in line with their agenda of total dominance of The People.
- **The Cabal's** control of the US legal system began with treacherous legislation called the [District of Columbia Act of 1871](#).
- **Even after the Revolutionary War** (of which both sides were financed by the King of England), the 'United States' had never declared Independence from Great Britain, or the King.
- **America was a British Colony**, while the United States was an independent business Corporation that existed before the Revolutionary War.
- **American Courts** were ruled by Great Britain under International Maritime Admiralty Law.
- **American Courts** were overseen by Administrators who enforced Statutes and Codes.
- **If you retained legal counsel in your defense**, you were automatically assumed by the court to be a mentally incompetent ward of the court. You could not use the U.S. Constitution (**1873**) to defend yourself because you were not a party to it. "The People" did not include you and me because America was a British Colony.

**R. All Tom Fairbanks** did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The reasons given for his arrest were suspect and didn't appear to be due to criminal activity. His record was sparkling clean.

- **The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be**

**running around unchecked.** He had to be silenced, one way or another. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children and share it with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to [jailATM.com](http://jailATM.com) and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support.
