*"What you are all about to go through is going to be very painful. You are about to learn that your entire lifetime and generations before you have been nothing but lies. It is going to take a good six months to get over this. Some may never. The entire planet will be re-wired. Every system and technology that you now know will be obsolete. A lot of money is coming back." ...John F. Kennedy Jr. **Sat. 22 June 2024***

Judy Note: *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

D. Sat. 22 June 2024 “Ken and Barbie vs. Goliath IRS” case update:

Dear Patriot Friends and Family,

Today is day #298 of my being “kidnapped” by the IRS/FBI on August 30th. It’s become clearer to me each day how I’m actually a “political prisoner” for propaganda purposes by the IRS. They want to use Barbie & Ken as propaganda to continue promoting fear and terrorism by the IRS and their income tax fraud, which may be the biggest hoax in the history of the world.

Since the June 4th jury verdict, where we won one of the three counts, after surprising three days of jury deliberation, we’ve prepared and filed 6 new documents, June 18th and 20th, seeking JUDICIAL ACQUITTAL of all charges, which includes a motion for a new trial.

These documents detail 30 specific reasons why a new trial is necessary in order for justice to be obtained. For example:

#1 It highlights that no court order ever established the lawful jurisdiction (authority) to even qualify for having a jury trial and

#2 There were no written court orders officially DENYING our multiple motions to dismiss the case, only oral declarations, designed to potentially block our appeal to the circuit court and then the Supreme Court of the United States (so far their plan is working), and

#3 Now they delayed the sentencing to January 9th (over 6 months from the verdict!) to continue that blocking.

Please take a moment to read through the document MOTION FOR NEW TRIAL, which exposes 30 examples of the judge’s tortured legal logic and twisted interpretation of “justice”.

While a new trial is not desirable or likely, establishing these 30 court injustice’s increases our likelihood of success at the circuit court or ultimately the Supreme Court where we hope to drive a stake into the heart of the evil, nation/Liberty-destroying, We-The-People-enslaving objective of the IRS and its secret society creators.

Clearly all those involved in prosecuting and denying me and my family’s life and stealing our home, now know with certainty as the evidence and testimonies in trial proved, that we are 100% Innocent and yet, have not retracted the verdict. However, we pray that miraculous, heaven-orchestrated justice will yet prevail. That is something where your prayers would be welcomed.

Meanwhile,

#1 SHAME on the two IRS agents who testified in open court that there is no law that requires us to file federal income taxes. If they were honorable, they would quit their cushy IRS jobs, abandoned their pensions, and get honest jobs;

#2 SHAME on the prosecutors for the UNITED STATES of AMERICA, while they may have been ignorant before trial of some IRS code technicalities, there's no denying that the facts of law were shown during trial and they too know with certainty my innocence;

#3 SHAME on the judge who saw all the evidence and the code, knows that I violated no income tax law (which does not touch me or most Americans), but deceived the jury with instructions that were inaccurate, and misleading and lead the jury to convict (Hallelujah with at least one win – no small miracle!);

#4 SHAME on law enforcement (probably over 150 officers, including police, sheriffs, deputies, and marshals) who throughout the past seven years were “just following orders” in violation of their oath to protect and defend the Constitution and Barbie & Ken and our family, and by extension ALL of *We The People*. Reminds me of Nazi Germany and the prosecution after WWII where the Nazis claimed “I was just following orders” - didn't work out too well for them, did it?!;

#5 All the above are and WILL BE before God and man traitors to the law of the land and to *We the People* and to the nation and to the cause of freedom - all! Our Barbie & Ken vs IRS case has been played in the courts of heaven. Thomas Jefferson said, “I tremble for my country when I reflect that God is just; that his justice cannot sleep forever.” Additionally, “My people are destroyed for lack of knowledge...” Hosea 4:6

In closing, over the next number of days, I will be sharing highlights from the court transcripts. You will be shocked to see how clearly the evidence leaned in my favor and yet, through deceit, two guilty verdicts were engineered.

I MUST thank you readers for your kind, thoughtful, sincere, passionate pleas to the God of Heaven for our comfort, protection, and inspiration through the hardest thing I've ever done in my entire life and doing so for the Lord's cause of liberty. It is an honor to be a “weak and simple and foolish thing” of the world to “confound the wise and the mighty.” 1 Corinthians 1:27

Your continued prayers, encouragement, and post cards (see address below) are truly welcome. May God bless and restore our once great nation in preparation for His Son's glorious second coming. “Thus sayeth the Lord God...Let my people go that they may serve me.” Exodus 10:3

With Love, Ken.

P.S. Tom “FREED” Scambos has recorded a YouTube video about our case. Tom is probably the premier expert on IRS Code in the nation and certainly left the prosecutors with their heads spinning with his knowledge of his facts and law about federal income tax legality. Please enjoy and share this video widely (though I’ve not been able to watch the video myself because I have no WiFi in the jail, I understand this tells the Barbie & Ken vs IRS story very well.) <https://www.youtube.com/watch?v=-jj6Gd1HiZ8>

- **Human trafficking and pedophilia are among the world's gravest sins.** The numbers are staggering: while most figures, misleadingly, peg the industry at \$32 billion, top world analysts estimate it nears a gut-wrenching \$100 billion. The tentacles of this horrific trade spread far and wide, touching elites from DC to Hollywood, including figures like the Clintons, Obama, and other top celebrities. The revelation of Weiner's laptop content allegedly showcases a more gruesome shade of pedophilia than even Hunter's laptop. It's worth noting, with a chilling realization, that out of the 12

individuals who viewed its content, nine have mysteriously committed suicide. Coincidence? Or is there a deeper, more sinister plot at play?

The crop is sent overseas. "We're out here in the middle of the Arizona desert during one of the worst mega droughts of the past 1200 years. So you might be surprised to know that a Saudi Arabian owned company is being allowed to use these pumps to pump unlimited amounts of groundwater to irrigate farm

fields in the desert and grow one of the most water intensive crops there is, alfalfa. So what is this company doing with all of this alfalfa? Well, they're putting it on trucks, and they put it on trains, and they put it on ships, and they send it back to the Middle East. So why are they growing these crops out here in Arizona instead of back home? Well, it's illegal to grow a crop like alfalfa in Saudi Arabia because it uses too much water. The attorney general of Arizona says this is an outrage. She says this is scandalous, and she's trying to get these leases with her on state owned land canceled so this will stop happening. She says that these foreign companies should not be allowed to operate here in Arizona, especially now that water is a depressions”

K. Fri. 22 June 2024 Congressman Brian Mast Says All The Quiet Parts Out Loud:

- We’re funding Atheism overseas

- We're directly funding the Taliban
- No one can account for the money being sent overseas
- Falsely labeling money being sent overseas
- None of the aid has made it to the people of Gaza
- Out of 144 partners receiving tax payer money only 65 even respond to the Inspector General "about where the US taxpayer dollars were being spent" and so much more, this is absolutely INSANE.

- **"We should not be giving you one more dollar.** And I think the proof for why that is the case is in how, in far too many circumstances, you all really have no idea where the money is going. And I'm not saying it's easy to figure out where it's going in every circumstance, but that can't be the situation. I'm gonna reference a few different places. Uh, you have Nas sitting behind you here.
- **We had a hearing for a couple hours here in this very room where we discussed, uh, just a \$1,500,000 grant to expand atheism in Nepal.** — I'm not gonna hash it all out, but it's one example of you all didn't know where the money that you sent out there from the US taxpayer was going.
- **I was reading over the last 24 hours** the special investigation into Afghanistan reconstruction, the SIGAR report, and looking at the amount of money that has gone directly to the Taliban.
- **It's not a it's not a mystery.** It's not something to argue about. It is a fact, money going directly to the Taliban that's gone out through all of these agencies that state works with, and specifically, a 144 partners were referenced in this SIGAR report. And when it talks about it, it talks about the 144 partners and the questions that they were asked.
- **But of those partners, only 65 of them actually chose to answer to the inspector general about where the dollars were going.** The other 79 didn't even feel like they had to answer questions about where the US taxpayer dollars were being spent.
- **We saw it from the Pentagon just in the last day** that, on this massive pier that was built, that was worked on by you all, that, uh, none of the aid has yet made it to the to the people of Gaza yet.
- **It's sitting in warehouses and other places.** And, again, it's just to the point that there's not nearly enough accountability, and we should be receiving every grant, every sub grant, every awardee, every solicitation that should be sent through this body for review whether in a classified or unclassified setting.
- **Now I do have a couple of questions on that.** I spoke about the 79 grantees in part that did not respond to the Guard report, and I have a question about them. Uh, since that time, have you frozen any of the bank accounts of those 79 entities?

- **Um, congressman, we've looked, uh, very hard at the, uh, the SIGAR report.** I think it's important to note that money does not go directly to Taliban. It goes to the UN, NGOs. We've dedicated about \$2,000,000,000 so they could build an appetite. Now you're literally telling lies to the American people. These these state dollars went directly to, uh, to those that were solicited to do it. These, implementing partners as it's referred to, and they paid directly money to the Taliban.
- **Sometimes they labeled it taxes.** Sometimes they labeled it value added taxes. Sometimes they labeled it a host of different things, but do not pretend that money did not go directly to the Taliban.“

L. Sat. 22 June 2024 White Hat Intel: Real War Scenario and Military Assessments:

- **Russia has over 1.3 million active troops**, with 2,000,000 million in reserve and an amazing 10,000,000 to 20,000,000 million Top Secret Emergency Phantom Military operations to instantly conscript up to 20,000,000 million Russians into war.
- **Russia is backed by China.** In the past weeks Russia and China have made a FULL MILITARY Pact which is intended and WILL protect BRICS.
- **CHINA has 2,000,000 million active troops** with 1.5 million reserves and Emergency military conscripts to activate 10,000,000 million troops at will.
- **At the same time Turkey is making a pact with Russia and BRICS.** I told you 3 years ago before anyone that Turkey was going to leave NATO and join with Russia ... This currently happening and NATO is in panic as it's second biggest military force (Turkey) is planning to leave and join Russian and China with Eurasia coming full military alliance in the current moment Turkey WILL not fight with NATO against Russia and some EU countries are defying NATO and EU military rules to fight against Russian. Hungary and Slovakia are just a few to name that are going against NATO (CIA/ GLOBALIST DEEP STATE OPERATIONS).
- **NOW The United States has of September 2023**, reported active-duty troops included:

453,551 in the Army

332,322 in the Navy

318,698 in the Air Force

172,577 in the Marine Corps

8,879 in the Space Force.

As of September 2023, the US military consisted of 2.86 million people worldwide.

- **NATO (combined with U.S. troops) has 3.5 million** but 500,000 are Turkish troops (that will not fight Russia) and planning on flipping sides). THE REAL NUMBERS OF NATO troops COMBINED WITH U.S troops IS ESTIMATED NEAR 3 MILLION (500,000 Turkey Troops deduction)
- **The Combined forces of RUSSIA, CHINA, NORTH KOREA, IRAN, AND SEVERAL EURASIAN COUNTRIES LOYAL TO RUSSIA & CHINA EXCEEDS** 10,000,000 million with up to 20,000,000 million in reserve and up to 30,000,000 million more in emergency conscript military operations.
- **THAT'S NEAR 60,000,000 MILLION FULL TROOPS RUSSIA AND CHINA CAN ACTIVE WITH KOREA. IRAN IN EMERGENCY PHANTOM CONSCRIPT MILITARY DRAFT OPERATIONS IN 30 DAYS.**
- **Meanwhile the United States military force** cannot defeat the 100 thousand Houthi Rebels in Yemen who are fighting in sandals.
- **So what's really happening?** The U.S. DEEP STATE DOESN'T REALLY WANT WAR! NATO DOESN'T REALLY WANT WAR! It's all a show. The Deep State Globalists CIA were only pretending they wanted a war.
- **One of the largest robbery's is taking place in history** across the Western world as the GLOBALIST Deep State CIA + NATO+ UN operations are stealing tax payers money across the globe by pushing the war agenda and getting European union money and U.S. money, UK, Canadian money for financing the nonsensical war in Ukraine and the money laundering operations are going through NATO United Nations and being funneled back to GLOBALIST, the CIA, the Military Industrial Complex System back to BLACKROCK VANGUARD and dark deep military operations. But, the Deep State CABAL operations is falling apart! And they are going broke!
- **The Plandemic didn't work out** like they thought and they lost TRILLIONS. Now they don't have the continuing resources to pay off the governments and full corruption systems that they had been in place for a century.
- **The U.S. Oil Dollar (CIA money controlling the Middle East oil) was done.** The fiat dollar was near collapse and no major country wanted the U.S. Federal Reserve Dollar. The fake Wall Street financial reports were in limbo. Money was running out across the World as the Deep State, CIA, Mossad, M16, UK Crown, Globalist, Rockefeller, Rothschilds money was evaporating inside a massive Black Swan Event Financial Collapse.

M. Donations Badly Needed For Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated.

- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims. However, the Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims.
- **Any amount you could give** would be greatly appreciated. There was \$500K needed right away to continue the three meals a day. The Deep State not only took the Native Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.
- **Please send your donation** to the Akua Foundation's Malama Lahaina Website – the only site dedicated to and run by the Hawaiian Native Peoples: [Malama Lahaina – Pūpūkahi i Holomua Donations \(malamalahaina.org\)](https://malamalahaina.org)

N. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

O. Judy Note TRB Trump Products SCAM Update: FBI Investigation Opened

- **Since the beginning of June I have received over 300** emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.
- **The so-called Trump Coins, Badges and Stickers were NOT, as the advertising claimed, endorsed by Trump**, Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.
- **Alan Garten, General Counsel to the Trump Organization, stated: “The Trump Organization has no affiliation or association whatsoever with TRB products. ...** They illegally use pictures of Trump and others associated with Trump to sell their products. ... They are engaged in a scheme to deceive and scam the public. ... We have launched our own investigation and have shared information with federal law enforcement agencies. ... They have gone so far as to send emails falsely representing to be from our employees.” ... letter signed by Alan Garten **March 2024**

- **Apparently for years Chairman of the now-bankrupt US Federal Reserve Jerome H. Powell** has been running this Scam that sells so-called “Trump Gold Products,” promising huge returns. [Fed Chair Powell Heading Trump Gold Products Scam? | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)
- **Sites on Telegram that advertise the TRB products** appear to be run by Zionist Deep State Globalists using fake IDs of well known persons connected to Trump, or even use Trump’s name. If I find a site advertising TRB products I erase it from my inbox. It’s easy to use someone else’s name for your Telegram site. There are two sites that use my name of Judy Byington, yet I do not have an active Telegram site, have nothing to do with sites in my name and have no control over the situation.
- **Patriots, TAKE ACTION: If you feel you have been a victim** to a scam it is recommended that you report such to your local law enforcement and Business Bureau.
- **Victims of the TRB Scam are urged to type up their TRB experience** including products bought and monies paid out, plus your contact information. Sign two notarize copies, keep one and send the second notarized copy of the TRB write up to: Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.
- **It is my understanding that Garten’s Office** will record your notarized statement and then send it on to an FBI investigation of TRB Products.
- **I would appreciate an email about your TRB experience.** This would not be in lieu of the notarized statement you send to Mr. Garten, but I will document it for the ongoing investigation: info22faces@yahoo.com
