**Judy Note:** *Thousands of children procured from multigenerational Satanic families, were right now today being tortured and killed under a US Military CIA Mind Control Operation according to a former CIA Deep Cover Agent. See this **June 2024** interview on the Michelle Moore Show: <https://beforeitsnews.com/resources/2024/06/grey-thousands-of-children-dying-in-military-operations-why-is-flynn-attacking-whistleblowers-the-michelle-moore-show-video-2433025.html>*

- **US Presidents Joe Biden, Bill Clinton and Barak Obama**, along with Nancy Pelosi and other Global and Political Elites, appeared to be deep into a CIA child torture program through their participation in pedophilia, human trafficking and Satanic Child Sacrifices that linked to the music and film industries, NASA and international networks.

- **These sick experiments on children** all began after World War II when what eventually became the CIA, imported Nazi Mind Control experts into the US, Canada and Australia. Commonly Satan worshipping parents sexually abused and tortured their own children in preparation to sell them into the CIA program. That way nothing could be traced.
- **The Satan worshipping Nazis** in their experiments on children from Concentration Camps, found that through prolonged torture, thinking patterns of the developing brain of a child could be permanently splintered into multiple personalities. Mind Control has been depicted in movies as being perpetrated on adults, but children were the main focus of CIA Mind Control. Only the developing brain of a child would splinter into multiple parts. Using their very sophisticated methods the perpetrators secured life-long power over their victims.
- **The purpose of the CIA Mind Control Program that officially began in 1950 and was believed to continue even today** (funded in full by US Taxpayer dollars under the CIA Black Budget), was to create super spies, terrorists and assassins. Survivors of the program say it involved International Child Kidnapping, Sex Abuse and Torture using very sophisticated exploitation networks.
- **The formal CIA program known as MKULTRA** consisted of 149 sub-projects, plus another 33 closely related programs. There were 80 participating US and Canadian institutions including 44 colleges and universities. All used children as their victims and all were being funded by US taxpayers through a CIA Black Budget.
- **In 1964 after a successful lawsuit by Mind Control Survivor Linda McDonald** (of the multigenerational Satanic family hamburger franchise McDonalds), two Congressional inquiries (results of which were never released to the public, with victim testimonies erased from the Internet) supposedly ended MKULTRA – not true.
- **Back in the early 1900s the Deep State CIA formed a secretive alliance with the Vatican** in order to infiltrate nations by controlling the global banking system. JP Morgan Bank was a linchpin in the Deep State's financial control with ties to Pedophile Epstein Blackmail Operations and involvement in global money laundering.
- **The Vatican Bank was the center of money laundering operations** and also headed the International Child Sex Trafficking Ring. Plus the Vatican, along with an organization which eventually became the CIA, had formed an underground network to sneak the Nazis, including Hitler, out of Germany after World War II.

**To learn more about how the young mind functions and miraculously survives while under severe trauma**, read “Twenty-Two Faces: Inside the Extraordinary Life of Jenny Hill and Her Twenty Two Multiple Personalities.”

**The biography documents how as a five year-old**, Jenny overcame trauma by turning to prayer while utilizing her alter states to compartmentalize abuse at the hands of Head of CIA MKULTRA and Master Mind-control Programmer from Nazi Germany, Dr. Green, or Greenbaum.

**Here Jenny Hill discussed the Satanic Child Sacrifice** of fellow five-year-old Kathleen Shea that the tortured child Jenny was made to witness under direction of Greenbaum:

- **“The CIA was the World’s most corrupt government agency.** They make the most money selling tons of Class A Drugs, do Child Sex Trafficking and Weapons Trafficking. The word ‘Government’ in Latin translates to Mind Control. These people have only been put in place to keep humanity under a Mind Control spell while reaping the benefits as a worldwide criminal enterprise in disguise as the ‘law.’” ...The X Files on Telegram

- **Since 2012** the Pentagon has been involved in a Gain-of-Function research for the Coronavirus, including transfer of US funds to labs in Wuhan. Big Pharma made billions off the virus death vaccines.
- **It has been alleged that the Biden Administration** has ties to human trafficking (specifically an International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring run by the Vatican) and questionable dealings in foreign countries like Ukraine.
- **Hunter Biden’s “Laptop from Hell” gave Congress evidence** from confidential military documents of pedophilia and human trafficking connections to Epstein, JP Morgan, Ukraine, biolabs, viruses, and intelligence agencies like the FBI and CIA,

- **US intelligence agencies of the CIA, FBI and Department of Justice corruption,** covert manipulation and ‘backdoor’ control of Social Media such as Twitter and Facebook.
- **The Deep State CIA, Mossad, MI6, Pentagon, Rockefellers and Rothschilds families, Obama Administration, NATO, UN and DAVOS** orchestrated a grand scheme to launch chaos around the World by controlling nations, governments and economies through money laundering, cover-ups, corruption, treason and blackmail.
- **In the early 1900s the Deep State CIA** formed a secretive alliance with the Vatican with the aim of infiltrating nations by controlling a global banking system based on fiat currency. Such gave them unprecedented control over the world’s economies and paved the way for global money laundering operations that spanned decades.
- **Epstein pedophilia, sex trafficking and blackmail of high-profile individuals,** including U.S. generals and commanders, cemented the Deep State’s grip on intelligence and military affairs.
- **JP Morgan Bank was a linchpin in the Deep State’s financial control** with ties to Epstein and involvement in global money laundering.
- **Social media platforms were tools of manipulation and surveillance,** while DARPA operations were instrumental in advancing surveillance of the private citizen.
- **The Ukraine war** was allegedly planned by the CIA decades ago.
- **Trump, White Hats, and the Military Alliance:** Behind the scenes, a silent war is being waged by a coalition of patriots, including former President Donald Trump and the military alliance. The Cheyenne Mountains hold the keys to dismantling the deep state’s grip on power.
- **Subpoenas are being issued to the world’s richest** and most powerful individuals, connected to institutions like Citigroup and the Crown family.
- **Joe Biden, Nancy Pelosi, Hunter Biden, the Clintons and Obamas** appeared to be interconnected through pedophilia, human trafficking and satanic sacrifices linked to the music and film industries, NASA, and international networks.
- **With the Devolution Plan Continuity of Government, JFK and Q military operations with Trump at the forefront,** the world was on the precipice of unprecedented revelations. It’s imperative to sift fact from fiction, truth from deceit, but one thing is certain: The Storm is here, and it will redefine our reality.

## **B. SCAM ALERT: TRB Products – Trump Coins, Badges, Stickers:**

- **The so-called Trump Coins, Badges and Stickers were NOT, as the advertising claimed, endorsed by Trump, Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.**
- **Alan Garten, General Counsel to the Trump Organization, stated: “The Trump Organization has no affiliation or association whatsoever with TRB products.** ...They illegally use pictures of Trump and others associated with Trump to sell their products. ...They are engaged in a scheme to deceive and scam the public. ...We have launched our own investigation and have shared information with federal law

enforcement agencies. ...They have gone so far as to send emails falsely representing to be from our employees.” ...letter signed by Alan Garten **March 2024**

- **Judy Note:** *I have asked people to write me (info22faces@yahoo.com) about their TRB experience and found from the hundreds of emails received, (many involved over several years), not one has collected the promised monies. All appeared to have been scammed from thousands of dollars.*
- **Apparently for those years Chairman of the now-bankrupt US Federal Reserve Jerome H. Powell** has been running this Scam that sells so-called “Trump Gold Products,” promising huge returns. [Fed Chair Powell Heading Trump Gold Products Scam? | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)
- **Sites on Telegram that advertise the TRB products** appear to be run by Zionist Deep State Globalists using fake IDs of well known persons connected to Trump, or even use Trump’s name. If I find a site advertising TRB products I erase it from my inbox. It’s easy to use someone else’s name for your Telegram site. There are two sites that use my name of Judy Byington, yet I have nothing to do with them and no control over the situation.
- **Patriots, TAKE ACTION: If you feel you have been a victim** to a scam it is recommended that you report such to your local law enforcement and Business Bureau. If I were a victim of the TRB Scam, I would type up my TRB experience including products bought and monies paid out, plus my contact information and send an original notarized copy of my TRB write up to: Alan Garten, General Counsel to the Trump Organization. The U.S. Treasury bond market is funded off the World needing dollar reserves aka bank derivatives (off balance sheet dollars). The Japanese Yen will hyper-inflate against their U.S. Treasury holdings. Japan will be forced to liquidate all their dollars

### D. Global Currency Reset:

**Wed. 5 June 2024 Wolverine:**

- **This is what I received this morning**, and I will read it out to you so you will be happy! Finally the shotgun was fired, a figurative symbol to express the start or action that authorizes the liquidity of the bond payments of the CMKX operation that open the RV/GCR. With D1 and D2 resources in addition to the Sovereign Funds, which were already assigned to paying and managing accounts, but blocked until a few hours ago.
  - **The authorization is for a global start**, however Brazil must confirm the first duly settled contracts in the next few hours. It is obvious that the recipients will not be able to speak or reveal details. So if you are anxiously waiting for your notification, don't worry, your turn will come, the queue has started to move.
  - **San Paulo has started to release this afternoon**, and I received confirmation from various sources on this. Some of them are going to get an advanced payment, and then next week they should get 1% payment.
  - **Reno:** Not hearing much in terms of currency at the moment. They are saying **between today and Friday** we are to get those notifications coming through.
  - **Bond payments are getting paid.** It is a bit of a slow process, so I may be undergoing an NDA pretty soon. So when that happens, I will not be able to talk, not be able to say anything. I am sure there are a lot of bond holders in this room. This is great news!
  - **It has started according to intel that came through that has been confirmed by various people.**
  - **Mauricio is getting ready to go to Mexico.** He is not saying anything, so him going there for a celebration event, I assume, must mean, hopefully, he has received his blessing.
  - **I love you guys, and hopefully, tomorrow or today**, I might actually sing an opera for you. Again, if I get that special call, I will set up an emergency live call if I have something important to say, and obviously it will be THE call, and then the rest comes through with the special video and trumpets and the opera. Take care guys, Wolverine

**N. Update: “Ken and Barbie vs Goliath IRS” Case – the brave Patriots who were fighting for your freedom from debt to the Cabal.**

**Dear Faithful Patriot Friends and Family,**

**After three days of jury deliberation, I won on one count.** Very devastating. No one gave us a chance for even one win. The marshals were impressed. Prosecution for the United States of America (PUSA) thought they had it won but were clearly surprised and very worried as the jury kept deliberating over three days (Friday night for three hours, all day Monday until after 9 p.m. and most of the day Tuesday until 3 p.m.) in what is often done in a couple of hours after trial. That alone is a huge victory.

**It was so clear that the jury wanted to side with me and free me.** But that couldn’t happen because of how the judge gave them his “Jury Instructions”. He kept saying, throughout the trial, “The jury decides the facts of the case based on the evidence and testimony, but I am the law and will instruct the jury on the law.” He sure did! And his instructions on the IRS and the “requirement” of saying “most everyone in the country is required to file”, directly contradicted what the two veteran IRS agents (22 years - John Jensen and 38 years – John Joseph, of Denver) testified under oath admitting that there is no law requiring you or me to file a federal income tax return. They testified “there is no law” but the judge said there is, but never could point to such a law! Nonsense! Absurd!

**Why bother having a trial IF the jury is told they must follow “his instructions on the law”?** That’s “justice” in America today. Just ask the former president. (Many have told me that my case is so similar to Trump’s that it’s eerie, but I don’t know any details. You decide.)

**The Founding Fathers understood the importance of having a jury of peers and established that the jury was to judge both the facts and the LAW.** It wasn’t very long ago that the people understood that the jury had the power to void a law that was unjust from the jury box. They still have the power today, but the People just don’t know it, so they passively just do whatever the judge tells them to do regardless of whether it is right or wrong or even if it is unconstitutional. *We the People* would be well to wake up and remember what our Founding Fathers gave us.

**In other words, it didn’t really matter how well my team and I and our witnesses did during the trial making my case to the jury, because it was all undone by the judge’s misrepresenting of the tax code.** Would it surprise you to know that the judge stopped us from talking about the law and IRS code anytime we tried? After successfully getting two IRS experts to admit that there is no law? And anytime I would ask one of their witnesses about the law, they were enforcing or testifying about, the PUSA would OBJECT! saying, “They’re not qualified. They’re just witnesses and not qualified to talk about the law and they’re not attorneys.” The judge would “sustain” (agree) and they couldn’t answer my questions. So, let’s

get this straight – they can enforce IRS code, steal people’s homes, and assess taxes using the IRS code, but they cannot testify about it?! Only BAR attorneys and judges know and understand the law? We the people can’t understand the law?

**Towards the end of trial when we finally had our turn, we did well!** And, praise be to God, my final statement to the jury was inspired and inspiring. Much of the jury seemed to have turned towards me in that moment. PUSA looked worried but shouldn’t have been because they knew for a fact the judge’s jury instructions would be the ace up their sleeve.

**Now for the good news – two weeks ago we went into trial expecting to lose because we knew the court was rigged against me and my team planned accordingly.** Our goal had always been to take this issue of deceitful IRS code up to the circuit court, to then take it all the way up to the Supreme Court of the United States (SCOTUS). Our plan is still working. This included getting Judge Nielson to finally rule on our various motions to dismiss, which he finally did, immediately after the verdict. Strange, to do it after the fact, right? After the jury verdict, he denied motions – perfect! Now we can make our appeals which go directly to the Tenth Circuit Court of Appeals out of Denver, and from there, after they are rubber stamped against us, we can then take the IRS issue to SCOTUS.

**Are we disappointed? Yes. But we knew we had the jury wanting to vote in my behalf, NOT GUILTY! NOT GUILTY! NOT GUILTY!** As a direct win for We The People from a jury of my peers. At least we got one – that is a big victory.

**In recap,** Count 1 – Attempt to Evade and Defeat the Assessment of a Tax USC 26 Section 7201 resulted in “guilty” with a penalty of up to five years. Count 2 – Corruptly Obstructing the Due Administration of the Internal Revenue Code USC 26 Section 7212(a) resulted in NOT GUILTY but would have been three years penalty. Count 3 – Forcible and Attempted Rescue of a Seized Property USC 26 Section 7212 (b), “guilty”, is up to two years penalty.

**Not to worry, we still are right on schedule.** Some miracles require more time. We must not have reached the needed level of “max-impossible” just yet. Stay tuned. The divinely perfect win at the hands of our perfect God will be all the sweeter!

**In conclusion, I am reminded of Elisha when they were surrounded by the enemy and his young servant was afraid, but Elisha said, “Fear not: for they that be with us are more than they that be with them.** And Elisha prayed, and said, Lord, I pray thee, open his eyes, that he may see. And the Lord opened the eyes of the young man; and he saw: and, behold, the mountain was full of horses and chariots of fire round about Elisha.” The enemy was smitten, blinded and they ended up destroying each other and Elisha had the victory. 2 Kings 6:16-18

**Friends, Keep praying!** We’re not there yet. Do you believe and trust in the God of miracles?

**Humbly and Gratefully,**

**Ken**

P.S. “The Lord is nigh (near) unto all them that call upon him, to all that call upon him in truth. He will fulfill the desire of them that fear him: he also will hear their cry, and will save them. The Lord preserveth all them that love him: but all the wicked will he destroy.” Psalm 145:18-20  
Believe in Miracles!

- **Two IRS agents testified** in Ken Cromar’s trial that they did not know of a law that requires us to file federal income tax returns.
- **Even though Ken and Barbara Cromar** proved in a Federal Court that they owed no monies to the IRS, they remained in a six plus years battle with them. Two different SWAT Teams had twice descended on their fully paid for dream home – that was later sold at auction. The SWAT Teams also threw away all of the Cromar’s possessions, including expensive camera equipment Ken used to make a living.
- **Ken now sits in jail charged with living in his own home**, but undeterred to fight for the rights of the American taxpayer. Ken says, “The days of the “mighty” IRS are numbered. For far too long the IRS has been backed by a corrupt DOJ and ever-growing big government bureaucrats who have crowned themselves kings and queens to rule over us as their slaves, as they get fat and enrich themselves on the backs of struggling Americans.”
- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail.

**O. All Tom Fairbanks** did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The reasons given for his arrest were suspect and didn’t appear to be due to criminal activity. His record was sparkling clean.

- **The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked.** He had to be silenced, one way or another. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children and share it with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.
- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank’s name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

**P. Why were Patriots Ken Cromar and Tom Fairbanks** sitting in jail without having committed a crime? Were Patriots Cromar and Fairbanks being set up as an example of what the Satanic New World Order Zionist Deep State Cabal would do to you if you tried to confront their illegal acts?

- **The Satanic New World Order Zionist Deep State Cabal** worshipped Satan through pedophilia, torture and Child Sacrifice in their attempts to rule the World.
- **Since 1913** this Satan worshipping group has owned the US Federal Reserve and IRS which collected and spent US Taxpayer dollars.
- **In 1871 the Cabal** took over the US legal system, including law schools to promote their lies, propaganda and disinformation in line with their agenda of total dominance of The People.
- **The Cabal's** control of the US legal system began with treacherous legislation called the [District of Columbia Act of 1871](#).
- **Even after the Revolutionary War** (of which both sides were financed by the King of England), the 'United States' had never declared Independence from Great Britain, or the King.
- **America was a British Colony**, while the United States was an independent business Corporation that existed before the Revolutionary War.
- **American Courts** were ruled by Great Britain under International Maritime Admiralty Law.
- **American Courts** were overseen by Administrators who enforced Statutes and Codes.
- **If you retained legal counsel in your defense**, you were automatically assumed by the court to be a mentally incompetent ward of the court. You could not use the U.S. Constitution (**1873**) to defend yourself because you were not a party to it. "The People" did not include you and me because America was a British Colony.

"Twenty-Two Faces: Inside the Extraordinary Life of Jenny Hill and Her Twenty Two Multiple Personalities"** documents how as a five year-old, Jenny overcomes trauma by turning to prayer while utilizing her alter states to compartmentalize abuse at the hands of a CIA Master Mind-control Programmer from Nazi Germany.

**As the only known survivor-intended-victim of a human sacrifice ceremony**, Hill is living proof that the Satanic Ritual Abuse of children is, in fact, a reality in our society. The ending will shock you.

**R. "Pedophilia & Empire: Satan Sodomy and the Deep State" "The United Kingdom - The World's Pedophilia Epicenter" By Joachim Hagopia**

- **The ruling elite controlling this planet** are largely comprised of pedophiles and pedophile enablers. Following the money explains why the world's deepest pockets are invariably linked to so much war, illegal trafficking of weapons, drugs, human organs, children and laundered trillions. Illuminati bloodline families like the Houses of Windsor and Rothschild are notoriously in deep in all of these most sordid criminal activities.
- **Meet the only non-executive director of the BBC's new executive board - the Barclay Bank chairman** until 2012 and current British Bankers Association head Marcus Agius. He was married to Edmond de Rothschild's daughter Katherine 303 Barclays Bank and is the most important shareholder in the NM Rothschild bank as well as the Lazard Brothers. Agius is also on the steering committee of the Bilderberg Group and on the advisory board of the City of London, where the queen's Rothschild money is secured. With his extended Illuminati family sharing connections to the Knights of Malta, the Jesuits Catholic Maltese lineage paternally and Jewish Cabbalist roots maternally, as BBC's first non-executive director until 2012, 304 Marcus Agius was the Rothschild fixture controlling the BBC and all its director general pawns like Mark Thompson to ensure the pedo-web is covered-up and only nice things get said about Israel.
- **Incidentally, in early 2012** when the crumbling cracks of the BBC scandal were rapidly spreading, Agius was caught fixing derivative rates in a separate fiasco of his own making called the Libor fixed rate scandal that led to his Barclays resignation.
- **Hypocrite BBC publishes** a headline "Libor Scandal: Can we ever Trust Bankers Again?" while Agius was senior non-executive director on the BBC executive board.
- **The article actually quotes Agius** who greedily violated the law but was never arrested. Yet to hear it from him, he was the long-suffering victim in all his pretentious moral outrage... unbelievable: I was sick to my stomach because I realized just what an appalling thing it was and I realized what a serious implication it would have for the bank.
- **A more apropos question** is can we ever trust Agius or the BBC again, because based on their histories, the answer for both would be a definite no, never. After all, they not only represent the Cabal, they are the Cabal.
- **Speaking of untrustworthy and also unprosecuted**, along with Agius, JP Morgan-Citibank's Jamie Dimon was also among the biggest Libor violating crooks but paid a \$13 billion bribery fine to buy off his criminal probe.
- **As a tight-knit crony of both Obama and Rahm Emanuel**, Rahm fixed JP Morgan's \$16 billion bailout at taxpayer expense during the Wall Street 2008 housing bubble crisis. Compliments of Agius and Barclays "advisor" Jeb Bush, Lehman Brothers was taken over by Barclays Bank assisted by another \$8.5 billion US tax dollars padding the Barclays coffers.
- **Of course just like the Americans' near \$29 billion bailout**, the UK government had British taxpayers coughing up a staggering £850bn in its boondoggle bank bailout.
- **You see where all this is going?** With total impunity, a predatory inner less-than-human clique of pedo-vampires and cannibals get to both literally and financially feast off the lifeblood of humanity and our children. And it goes without saying that Mark Thompson and Marcus Agius as two powerful Cabal agents serving their bloodline masters are in very tight with one another, not only sharing similar first names and prominent Jewish wives, but both are also Jesuit trained Catholics, thus in boldface connection with every

demonic pedo-dot conceivable. 812 See why the cabal saved Thompson's ass from the BBC shitstorm?

- **The BBC rot at the top only continued** with its Trust chairman Lord Chris Patten from 2011-2014. The former Conservative MP and minister in the pedo-saturated Thatcher cabinet threw his BBC line managers under the bus, describing their behavior amidst the Savile crisis as "frantic faffing about," claiming they misled him, thus strategically absolving himself of bearing any responsibility despite being Trust chairman since May 2011, a half year before Savile's death and a full 16 months ahead of the Savile fallout.
- **The tax paid €3M Pollard Report** investigated the reasons why the Newsnight segment exposing Savile right after his death was pulled by BBC management (that Agius, Patten and Thompson all headed) from its December 2011 airing in favor of a pair of already planned holiday Seville tributes.
- **The Pollard Report** was also a whitewash refusing to get to the bottom of who actually pulled the plug pretending it was for bogus editorial reasons when it clearly was not, instead of revealing the truth, the Pollard report bogusly concluded the decision not to run the story was made "in good faith" and that no evidence indicated that BBC management attempted to suppress the story.
- **Beginning with the dire family conditions** of austerity and impoverishment that typically give way to the overreaching authoritarian UK family court system, secretly exploiting families and forcing hapless British kids into residential placement or foster care often far from home in a national care system that delivers the farthest thing from genuine care.
- **Children have virtually forever been helplessly trapped** in a multi-tiered system set up to fail and harm them at every turn, starting with rampant sexual abuse at their care homes only to be farmed out and trafficked by organized pedophile rings, too often ending up raped and sodomized by their nation's most powerful beasts atop the predatory food chain entrusted to deliver the very "care" system that is systematically failing and destroying them, and has been operating this way for well over a half century.
- **Moreover, as a national policy to ship unwanted British children off to Australia, New Zealand, Canada, South Africa, and what's now Zimbabwe** for further abuse is unconscionable, yet leave it to the world's pedo-epicenter to perpetrate this despicable crime against 150,000 youth for centuries up to 1974.
- **The UK Care System is arguably the most egregious**, most heinous institutionalized mind f... ever put on innocent kids imaginable. With the average "shelf life" of trafficked child sex slaves only two years, this lethal cycle of abuse invariably involves drug addiction, plied throughout by pimping perpetrators at every level for obvious control purposes.
- **At any point along this death trap road**, young people attempting to escape the system go missing, and the growing number exceeding 10,000 each year alone in Britain only find themselves preyed upon as runaway rent boys and girls aging out of the system at 18 if they even live that long.
- **With Jon Snow citing 23 years ago that 75% of kids leaving the system have no educational qualifications**, it's far worse now with dropout rates rising all the time.
- **Both minors and young adults** without formal education or legitimate means of self-support, prostitution becomes an all too common fate for survival, followed by early death by murder, disease or suicide, whichever comes first. And with estimates of 11

million sexually abused British citizens out of a total population of near 67 million, one in four women and one in six men in the UK are the walking wounded.

- **With human slavery and pedophilia** reaching an unprecedented, off the chart scale across this pandemic globe, unless we citizens of the world do something now to change this ungodly bottom line reality, the child raping Luciferians in control may destroy us all.
- **Robotics, automation, trans-humanism and artificial intelligence** are making over 90% of us useless eating humans obsolete, of his so just as the queen's husband's wet dream is to kill us off as a contagious virus, the rest of his planetary controlling ilk want nearly all of us dead. As repeatedly mentioned, their genocidal war against humanity being fought right now is down to either us or them. Marked in the murdering criminal' crosshairs, we the peace-loving citizens of the world have the right to defend ourselves and our children by holding them accountable for all their countless atrocities and crimes against humanity.
- **Over recent years and decades, the tragically common fate of sexually abused children has befallen millions worldwide** and with the sex slave industry currently at an all-time shameful high in recorded history, its high time we stewards of the earth finally begin protecting our most precious resources, starting with our children from the monsters who for millenniums have ruled over and are fast destroying our only living habitat. Since today we know more about the pedophilia scourge than at any previous time in human history, the profiteers behind our fiat, debit-based economic slavery system our perpetual state of war and our world's sixth mass life extinction, the first one whose known cause is the deranged subhuman species in control.
- **Before the real Homo sapiens perish** at the hands of these bloodthirsty cannibals, it's urgent take decisive action to employ organizations like the International Tribunal for Natural Justice (ITNIJ) to learn more from the victim-survivors and ascertain the extent of global child abuse, 2687 Leading to truth and reconciliation commissions to hold those most guilty criminals at the very top fully accountable. The bottom line - at this ever-late hour, again it's literally down to either us or them.
- **For our own self preservation** as a human species we must fight our identifiable enemy now! Tomorrow may be too late.
