

# What really happened in 2020.

This Document is about **2020** *specifically*. Where Covid really came from.

This Document shows why **ORIGIN** is very critical and important.

**Why “The Establishment” aka Deep State aka The Corporation released Covid:**

It's really simple once you apply what was taking place from January 20, 2017, to the key speech, on February 4, 2020, at the State of the Union address where President Trump was the FIRST to drop the word Covid to the American public in a warning statement.

Americans seem to have the WORST memories. Outside of all the Covert Operation and the Plan for the Generals to take over the mess this country had become...

*JUST* from the average viewer on looking at what President Trump was doing via Law and Order... one should remember his **tariffs** he imposed on China.

The Yen to the Dollar is at an ALL-TIME low. They're bankrupt.

It's the Chinese Communist Party that's being dismantled, not the good people in China.

Not only did President Trump stick it to the CCP, he also stuck it to the Pharmaceutical companies... *Remember*, he called them "Big Pharm."

Everything adds up if one would start with the ORIGIN.

All one would have to do is read a few Executive Orders. Perhaps the **Executive Order 13959**... the one where over 1,300 CEOs have stepped down since it activated on January 11, 2021, at 9:30 AM Eastern Standard Time... imagine being *that* specific to activate...

Ironically that was signed on November 12, 2020, so, there was a lot more prior to its signing that the Military knew and President Trump signed to show they knew ALL long before... long before the corporation ever dreamed a massive alliance was being formed and about to take action.

Remember in Part One... where I outlined the "**Nuclear Option?**"

The “*Nuclear Option*” Congress boasted they had in 2019 to USE on Trump if needed to?

In **2019**, the Senate was controlled by Republicans... The swamp and RINOS on all sides and outside had no Congressional “option” other than to release their “nuclear option”... which was a threat to National Security and why President Trump had to use the PEAD on top of all of his monumental and historical Executive Orders and National Emergencies.

The corporation knew the 150 year reign was DEAD and OVER by the Military Generals behind the scenes plus the agencies involved, that backed the Constitution, Executive Orders, Presidential Acts, Presidential Emergencies, Military Law, Federal Law, and Military actions.

They also knew that most Americans do not know ANYTHING about the Constitution, Military, Congress, Law, Orders, legalities, etc.

**The “*Nuclear Option*” was Covid-19.**

What you have to understand is... it’s just a word attached to Flu statistics.

The Military actually took over in November 2016. That’s when a lot of the arrests were made.

Everything you’ve seen since then are actors in the best technology known to man.

Most people cannot imagine what goes on in ONE day in ONE branch in the military alone...

The average American just don’t realize HOW spoiled and blessed they really are.

## **Former CIA Chief of Disguise**

<https://youtu.be/Q0uAh02-vPU>

None of this is “secret.” Which is sad in another way.

Every single Law and Order was passed right in front of everyone with this BRILLIANT and Monument PLAN, I call The Blueprint.

Majority of Americans don't want to listen to guys like me until it's too late, affects your livelihood, or you're forced to.

And that's why we are where we are and why the Military had to step in.

The “Establishment” used Reverse Psychological tactics...

They use the Constitution and U.S. terms, but always out of context and polar opposite of its origin and meaning.

But when data says 70% of Americans don't know anything about the Constitution...and 68% cannot simply name the 3 branches of government...

How in the heck can one conversation with someone like me or even understand what took place is actual Law and Order based on ORIGIN?

Sad America. Tragic and sad. Remember the 40,000 foot view.

They used reverse psychology in a forward way of thinking by telling Americans what you couldn't do that the Government could do for you in order to take more from your pockets and pad theirs.

Once you see it, you'll never unsee it and it should really flip your Patriot fuse.

Covid was a patent word. You'll read below.

Although everything from November 2016 forward has been Military running operations and using optics and code language...

They took the Establishments blueprint of what THEY were actually going to do had the Military Generals and Commands not taken over.

So, instead of throwing a visual takeover... that would make them go down in History as Dictators, which would defy our Origin and Foundation, cause more revolts and damage those, they used a strategy to display to the public the game plan of the Establishment.

It's really epic, brilliant, monumental, and historical.

All lies will be revealed.

All truth will be revealed.

"Nothing can stop what's coming." - President Trump

2023 Military Tribunals are going to be EPIC.

Here's what the majority missed from January 20, 2017, to February 4, 2020.

## **Trump's 2019 and 2020 Executive Orders**

In 2019, President Trump signed into Law **TWO** Executive Orders called the "Influenza Vaccination," he lists the CDC as the research organization.

### **Influenza Vaccination**

<https://www.federalregister.gov/documents/2019/09/24/2019-20804/modernizing-influenza-vaccines-in-the-united-states-to-promote-national-security-and-public-health>

Yet, in 2020 in his Covid-19 Order, **nowhere** inside that order was the CDC mentioned.

### **Covid Vaccines**

<https://www.federalregister.gov/documents/2020/12/11/2020-27455/ensuring-access-to-united-states-government-covid-19-vaccines>

President Trump via the highest Law in the land... gave you Optics through Law.

The Military and he gave every person in every role across the world the chance to tell the truth and report the truth.

Let's skip ahead really quickly to **January 2021**...

Trump's speech at **the ALAMO**: can help you understand about the "lines being drawn" and more OPTICS.

In January 2021, the Alamo Speech, Trump stood his final ground before activating troops.

From 2017 to that point, he had painted a picture and drew a **line** in the sand (reference\*). He was saying (via Optics) from January 20, 2017, to that day... he had given each evil player a chance to admit what they did, step across the line, and their punishment would be lesser.

From Russia Collusion, to the Ukraine phone call, to his taxes being unveiled, **etc. etc. etc.** all the way up to this monumental speech at 'The Alamo.'

This speech took place just days before the January 6, 2021, FBI threw a fake "insurrection" to make you think those were Trump Protestors. Already proven false in court (the "J6 Committee") but Vets like me have been knowing this due to President Trump's Executive Orders. They hold ALL of the key language and answers.

It was a staged distraction. Those who did not pay attention to LAW from 2017-2021, where you SHOULD have been paying attention, definitely took the bait from November 3, 2020, forward.

### **The importance of the Alamo Speech:**

So, why was ***the Alamo*** so monumental? It was **Optics** and **Symbolism**. This is why it's important to know your History.

A young strapping 26 year old William B. Travis, hailing from one of my hometowns, Claiborne, Alabama, stepped up and pinned himself Lieutenant Colonel when David Bowie took ill.

It was Travis who wrote the famous letter "*Victory or Death*" and drew a line in the sand and told his men, "those who stand on this side of the **line** with me will surely die." The survivors remember hearing Travis yelling to those men his final words, "No rendirse, muchachos!" which means "Do not surrender, boys!"

This was Trump's last speech before the Monumental and Historical speech on January 6, 2021, in which he said, "the next two weeks moving forward will be the most Monumental and Historical in WORLD History... your children, grandchildren, great-great grandchildren will **talk** about **it**."

The Alamo Speech was also the speech to illustrate what was soon to **take** place as he had activated all three lines of defenses in the Country.

At this point, it was already too late for any evil player of the corporation in the world.

They had already chosen their sides.

This has been planned since the 1940s once again. By November 3, 2020, it was go time and no turning back.

It happened right in front of each American from November 2016 to January 20th, 2021, and the script began into action January 21, 2021, to present day.

## **2020**

Hitler controlled 90% of Germany's population with 10%.

So, why did 261 million (rough number) Americans take a vaccine you knew **NOTHING** about?

Why did you let someone else **tell** you to wear a mask?

President Trump did not wear a mask.

“Yeah but he took the vaccine.”

Naw, he took **A** vaccine.

I've got a friend, and I truly do love this fella to death. He's a great guy. He'll probably know who he is by this subject matter, but it's nothing personal...

I'm showing you BY Military Law and Operations what happened right in front of your eyes, not my opinion...

He says, “Yeah, but I know some young men currently in the military that said they are vaccinating the military.”

If you aren't serving... you have no idea what the Oath means. When you serve you're under an Oath and a National Securities Act, and swear to defend the Constitution and obey the orders of the President and Officers appointed over you.

If your venus fly trap (yo' mouth) is flapping to Civilians... and the Commander finds out... it's your \*\*\*. It's your \*\*\* in Courts Martial.

Two, I, as an honorably retired Veteran, can find out where one is stationed, go to their Commander, and Courts Martial under violations of the Uniform Code of Military Justice and have them punished accordingly.

Not every soldier serves or served for the RIGHT reasons. Many do **not** know *anything* about Military Law, Regulations, and their own Branch Regulations.

The Veterans that do know what's going on... either stay quiet or 'go along' with those around them to blend in.

I've done this many times because the average conversation cannot handle all of these laws, orders, and facts at one time.

You've got to read, reread, study, apply.

The Military has our own LAWS. Therefore we have our own what?

**Vaccines.**

**There's TWO different Covid vaccines.**

You had to have truly been following President Trump and all of the Law and Order, to have known.

It's not anyone's fault that generations during the 1870s were blinded or did not know the actual language via law what happened... it's just now, we need everyone to wake up to the language that was written in those laws that fundamentally changed America...

Evil will always exist. The Bible proves that and everyday life proves that.

Military proves what love really looks like all while protecting the origin and foundation of our fabric.

I know and served with plenty amazing, down to Earth, gun-toting, f-bomb droppin' every other word, pot-smoking, whiskey drinkin', 'Merica lovin' atheists, agnostics, gays, swingers, mixed breeds, half-breeds, don't-really-know breeds, who knows more about the Revolutionary War, Revolutionary History, Declaration, Constitution, Military Law, Military Symbolism, etc. than 99% of Americans.

This is NOT a Republican, Red, Conservative versus Democrat, Blue, Liberal thing.

It's good versus evil.

You have to understand what took place from 2016 to 2019 to understand Covid.

You must understand how Congress works for this to sink in... The evil cronies were **DEAD** in Congress.

The Senate was in Republican control to pass what the Military needed to, OR President Trump signed an Executive Order which is immediate LAW.

The cronies had ZERO control. That's why you kept hearing the term "**Nuclear Option**" in 2019 by those evil left, Adam Schiff, Nancy Pelosi, and Chuck Shumer in particular, which led to Covid.

Covid-19 was a Biological Chemical Warfare Attack by China and Ukraine.

Covid was the last straw to be used by the evil cronies since they were dead in Congress (Russia Collusion, Trump's Taxes, the phone call with a Hooker, Ukraine Phone Call and "impeachment" of that perfectly legal phone call outlined in the roles of the President in the Articles of the Constitution).

Those rinos knew this was their last option to protect their securities and interests... to release a biological weapon to create death which creates fear, panic, and the ultimate division. Mission accomplished by the CCP (Chinese Communist Party), Biden, Obamas, Clintons, Bush's, Rothchilds, Soros, Bill Gates, Zuckerberg, etc. etc.

How did you miss it?

## **ORIGIN...**

The **State of the Union** address, February 4, 2020, long before Americans heard the word or knew about Covid-19, President Trump mentioned Covid-19 and China in THAT State of the Union address.

## State of the Union February 4, 2020:

The same Government site where Executive Orders are published... the Federal Registry... how about you take a gander at this fine gem.

Here's a Patent on Covid-19 long before 2020 proving this was in the works as a Biological Tool to attack. This is just one article.

Lookieeee here: JUNE 2011

<https://vanguardian.news/sovereign-independent-iss-4-june-11-2011-depopulation-through-forced-vaccination-the-zero-carbon-solution/>

Remember.... President Trump's iconic quotes:

"We have it all."

"We've caught them all."

"The evidence and crimes will be shown to the world and they will pay for their crimes and it will be done with FULL ACCORDANCE TO THE LAW"

“There’s a storm coming. Wait for it.”

"You'll find out soon enough, wait for it."

On that same February 4, 2020, State of the Union address, President Trump announced his huge Trade Deal with China's President, President Xi, which was set to be rolled out in 3 different segments.

Because of the Military and President Trump’s knowledge as well, he (they) placed on China from 2017 to 2021, they crushed the Yen and their economy, more specifically crushing the evil Communist Party Mafia who controls the good people of China. Outlined in **Executive Order 13959** (as you read in Part One and Two).

“Covid-19,” which is really the Flu with skewed numbers, was “released” just a day before the first segment of the Trade Deal was to be revealed.

Shortly after, President Trump grounded the first plane which landed in Houston, where liberals like Chuck Shumer, Nancy Pelosi, and many more called him a racist, xenophobic for "keeping people on that plane away from their families."

When Democrats throughout 2019 kept saying “we have a Nuclear Option”...

Covid-19 was the “**Nuclear Option.**”

Proof? Those “impeaching” Trump had ZERO Constitutional grounds to “impeach” him based on a phone call with a foreign President which falls under the National Security Act and the Borders and Securities outlined in the Article IV of the Constitution... But how many people know this?

Remember my stats? Roughly 70% of Americans know NOTHING about The Constitution...

So how many people knew that a President cannot be impeached due to a phone call with a foreign President due to the Articles of the Constitution?

Not to mention, but to mention, Military Law is greater than Federal Law, it's his duty.

The end game came in November 2016. After January 20, 2017, the evil cronies knew all of the Executive Orders President Trump signed were the end of everything evil.

In 2019, President Trump signed an Executive Order called the "Influenza Vaccines" in which inside the order, he lists the CDC as the research organization, yet, in 2020 in his Covid-19 Executive Order, nowhere inside that order was the CDC mentioned.

**Nothing is a coincidence.**

Everything you've witnessed has a Law and Order backing it.

**Terminology matters.**

But "Trump recommended *the* vaccine."

He did NOT recommend "*the*" vaccine.

He recommended "**a**" vaccine. The Military's vaccine.

His vaccine.

For those of you with memories of Taco Bell farts, President Trump went to a **Military Base Hospital** and took treatment.

**This is why terminology matters.**

**NOTE:** Everyone must understand:

There are **two** different types of vaccines!

**President Trump's Vaccine -**

Ingredients: Hydroxychloroquine / Ivermectin / Azithromycin / Doxycycline / Zinc

**Deep State's Vaccine -**

Ingredients: [https://url.americanpatriotsforum.com/I ... O-VACCINES](https://url.americanpatriotsforum.com/I...O-VACCINES)

If every single person took a dose of either Hydroxychloroquine/Azithromycin/Zinc or Ivermectin/Doxycycline/Zinc at the beginning of the pandemic, nobody would have died, and no lockdown would have been necessary.

Both virtually have a 100% success rate in treating the virus within 48 hours if administered correctly.

**Fauci** knew this. The mainstream media knew this. They (evil players) ALL knew. But that would have ruined the plan to extend the lockdown for years, release new variants and have new annual vaccine patients that require a jab every 6 months.

Trump took Hydroxychloroquine PROACTIVELY and then claimed Regeneron was a "cure." He made a big deal about both **publicly**.

"What if cures already exist?" - Trump.

Military knew. President Trump knew. They knew everything from 2012 forward. This has been a plan since the 1940s for Generals to align and take back this Country. **"We have it all."**

Trump gave the Democrats and Republicans involved in the evil cabal an **option**...brilliant as always.

Everything from January 20, 2017, had an option for evil. They damned themselves on their own... The Military and President Trump did not make them do it.

**Military knows everything. Military Law > Civil Law.**

Trump gave the evil cabal the **option** to:

"Tell the truth, end the medical tyranny and release the cures OR I will force you to do so by setting another trap publicly making a statement about the safety and efficacy of these drugs, and you will walk into it, because you have no choice but to lie and force the lockdown in order to have a reason for your precious vaccines. You're greedy, and I know you'll choose option 2. So be it. Good luck to you and the MSM once the truth comes out."

***Drum roll:***

**Trump also said:** "Oh, by the way, I'll be rushing those vaccines along with military oversight. Your plan for a perpetual lockdown and mandated jabs to function in society are about to be ripped to shreds."

"Oh, you plan on releasing new variants? Good luck convincing the public to keep taking the new round of vaccinations after I pull the curtain back on Fauci and show the world that "America's doctor" is a psychopathic serial killer that had a hand in creating the virus, knew it was used as a bio-weapon and then lied about it non-stop for over a year, ruining millions of lives in the process."

How many times did Trump say: **"the cure cannot be worse than the disease?"**

## TWO DIFFERENT VACCINES.

President Trump **knew** they had far more sinister plans for us in the near future. He beat them at their own game and heavily mitigated the massive amount of death, chaos and destruction that was supposed to bring this country to its knees over the following years.

Which do you think matters more to Trump?

Big Pharma, Fauci, Gates, etc. being exposed **OR** his reputation taking YET ANOTHER hit in the short term? (keep in mind, I wrote this in early 2021)

A billionaire who gave up golf everyday, lush life, beach, travel, etc. to take on the Corporation, mainstream media, mafia, the evil left, the evil cabal, and you think he has an ego?

"I take all of these slings and arrows gladly for you." - President Trump

"There's a storm coming... wait for it." - President Trump

It's easier playing the long game when you're able to force your opponent into making the moves you want them to make at every turn.

It's *even* easier when you "HAVE IT ALL" because he'd already told you from **the start**: "We have it all." "We've caught them all."

Ivermectin was awarded a Nobel Prize in Physiology and Medicine was awarded to William C. Campbell and Satoshi Ōmura for their discoveries leading to its discovery.

**NIH on Ivermectin:**

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC7539925/>

**Again:**

<https://pubmed.ncbi.nlm.nih.gov/34466270/>

Oh the irony of the NIH awarding Ivermectin, then turning against it when the truth came out on Covid-19.

Multiple Countries and people are using Ivermectin and there's ZERO covid cases.

It's a part of the plan to wake you sleepy sheep. Everything on January 6, 2021, and January 20, 2021, moving forward were visual illegal violations of Federal Law... everything had to be visually illegal for the Military to take action.

**PAY ATTENTION** here. Here's one of the Military and President Trump's power plays:

There's even a **U.S. Code** for **Military** due to the Corporation's interfering and influence:

**U.S. Code 18 Chapter 115 Section 2387:**

**§2387. Activities affecting armed forces generally**

(a) Whoever, with intent to interfere with, impair, or influence the loyalty, morale, or discipline of the **military** or naval forces of the United States:

- (1) advises, counsels, urges, or in any manner causes or attempts to cause insubordination, disloyalty, mutiny, or refusal of duty by any member of the military or naval forces of the United States; or
- (2) distributes or attempts to distribute any written or printed matter which advises, counsels, or urges insubordination, disloyalty, mutiny, or refusal of duty by any member of the military or naval forces of the United States—

Shall be fined under this title or imprisoned not more than ten years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years following his conviction.

(b) For the purposes of this section, the term "military or naval forces of the United States" includes the Army of the United States, the Navy, Air Force, Marine Corps, Coast Guard, Navy Reserve, Marine Corps Reserve, and Coast Guard Reserve of the United States; and, when any merchant vessel

is commissioned in the Navy or is in the service of the Army or the Navy, includes the master, officers, and crew of such vessel.

(June 25, 1948, ch. 645, 62 Stat. 811; May 24, 1949, ch. 139, §46, 63 Stat. 96; Pub. L. 103–322, title XXXIII, §330016(1)(L), Sept. 13, 1994, 108 Stat. 2147; Pub. L. 109–163, div. A, title V, §515(f)(2), Jan. 6, 2006, 119 Stat. 3236.)

### **18 US Code Chapter 115, 2387:**

<https://uscode.house.gov/view.xhtml?path=%2Fprelim%40title18%2Fpart1%2Fchapter115&edition=prelim>

“Biden,” Pelosi, Romney, McConnell, Schumer, etc. etc. are all violating United States Code by trying to make the Military take vaccines... even though in reality, this is not happening. That’s the visual script for citizens to see.

If **70%** know nothing about the Constitution, how many were following Military Law and Executive Orders?

**Military Law > Civil Law**

**Federal Law > State Law**

To present day, May 10, 2022, you have learned Dr. Fauci, the current US Embassy under “Biden,” and the National Institutes of Health (.Gov site), all are together, were together, and paid multi-millions for “Covid-19” which is not the vaccine President Trump spoke about or told you to get.

If you forgot, here’s those tie-ins:

**Secretary of State acknowledges BioLabs in Ukraine:**

<https://www.wsws.org/en/articles/2022/03/10/nula-m10.html>

**March 9, 2022:**

<https://www.state.gov/the-kremlins-allegations-of-chemical-and-biological-weapons-laboratories-in-ukraine/>

*“The Kremlin is intentionally spreading outright lies that the United States and Ukraine are conducting chemical and biological weapons activities in Ukraine.”*

*“As we have said all along, Russia is inventing false pretexts in an attempt to justify its own horrific actions in Ukraine.”*

How is Russia making false pretexts when Ukraine has not filed for Border Registration since 1991...? Therefore making Ukraine, still a part of Russia.

**“What are the Ukraine ‘Biolabs’:**

<https://www.yahoo.com/now/ukraine-biolabs-why-become-focus-202159944.html>

“The US government has admitted there are a number of such facilities in Ukraine funded by Washington that do research on deadly pathogens, albeit from a preventative perspective rather than to create a weapon.”

Sooooooooooooooooooooo, we went from there aren't any 'Biolabs' in Ukraine to there are some, but aren't for weapons...

Are there or are there not BioLabs in Ukraine?

There are? Okay.... What's the origin?

*“Spokesperson for the Chinese Foreign Ministry, Zhao Lijian, said, “In particular, the US, as the party that knows these laboratories the best, should publish relevant specific details as soon as possible, including*

*the types of pathogens stored and the research conducted,” in order to ensure the “health and safety of people in Ukraine, the surrounding areas and even around the world.”*

*“Details about the biological weapons facilities in Ukraine were reported by the Russian Defense Ministry on March 6 when Major General Igor Konashenkov alleged that pathogens for deadly diseases for biological warfare were being created in Ukrainian labs that were funded by the Pentagon.”*

This is why it's important to understand the Corporation and Cronies who created this... it's been happening since 1871.

Russia has been currently destroying U.S. Military Biochemical Labs, funded by Obama and Biden as you read in Part Two.

All the tools you need are in Military Law, Executive Orders, tying those in with Presidential Emergencies, Presidential Acts, National Emergencies, along with learning optic and code words.

# Nonprofit Watchdog Uncovers \$350 Million In Secret Payments To Fauci, Collins, Others At NIH

By [Truth Press](#) Published 3 hours ago

An estimated \$350 million in undisclosed royalties were paid to the National Institutes of Health (NIH) and hundreds of its scientists, including the agency's recently departed director, Dr. Francis Collins, and Dr. Anthony Fauci, according to a nonprofit government watchdog.

An estimated \$350 million in undisclosed royalties were paid to the National Institutes of Health (NIH) and hundreds of its scientists, including the agency's recently departed director, Dr. Francis Collins, and Dr. Anthony Fauci, according to a nonprofit government watchdog.

"We estimate that up to \$350 million in royalties from third parties were paid to NIH scientists during the fiscal years between 2010 and 2020," [Open the Books](#) CEO Adam Andrzejewski told reporters in a telephone news conference on May 9.

“We draw that conclusion because, in the first five years, there has been \$134 million that we have been able to quantify of top-line numbers that flowed from third-party payers, meaning pharmaceutical companies or other payers, to NIH scientists.”

The first five years, from 2010 to 2014, constitute 40 percent of the total, he said.

“We now know that there are 1,675 scientists that received payments during that period, at least one payment. In fiscal year 2014, for instance, \$36 million was paid out and that is on average \$21,100 per scientist,” Andrzejewski said.

“We also find that during this period, leadership at NIH was involved in receiving third-party payments. For instance, Francis Collins, the immediate past director of NIH, received 14 payments. Dr. Anthony Fauci received 23 payments and his deputy, Clifford

“We also find that during this period, leadership at NIH was involved in receiving third-party payments. For instance, Francis Collins, the immediate past director of NIH, received 14 payments. Dr. Anthony Fauci received 23 payments and his deputy, Clifford Lane, received eight payments.”

Collins resigned as NIH director in December 2021 after 12 years of leading the world’s largest public health agency. Fauci is the longtime head of NIH’s National Institute for Allergies and Infectious Diseases (NIAID), as well as chief medical adviser to President Joe Biden. Lane is the deputy director of NIAID, under Fauci.

The top five NIH employees measured in terms of the number of royalty payments that they received while on the government payroll, according to a fact sheet published by Open the Books, include Robert Gallo, National Cancer Institute, 271 payments; Ira Pastan, National Cancer Institute, 250 payments; Mikulas Popovic, National Cancer Institute, 191 payments; Flossie Wong-Staal, National Cancer Institute, 190 payments; and Mangalasseril Sarnqadharan, National Cancer Institute, 188

What is the **NIH** again?

**"The evidence and crimes will be shown to the world and they will pay for their crimes and it will be done with FULL ACCORDANCE TO THE LAW"**

**- Commander-in-Chief Trump**

**Covid-19 was a Biological Chemical Attack.** Its intentions were and was the United States due to Trump and Military "knowing it all", "we've caught them all," but it was put on the world as a secret, despicable and disguisable weapon, which worked. If you have to pat the devil on the back, there's the time to do it. It worked. It's made people even further from the truth.

If you knew all of this you would understand everything from November 3, 2020, but especially January 20, 2021, is a fraudulent Government breaking multiple U.S. Codes via Constitutional and Federal Law which is why Military Law is the highest and has to step in when needed. The Military Generals are holding a gun to Congress and "President" making them act out what was to happen under a real Biden Administration.

General Flynn warned everyone in January: "The American people are going to have to experience Fear, Terror, Panic, Anxiety, Stress, and Regret *before* they ever appreciate what is about to take place in American History."

The other thing that needs to be addressed is the portion of Doctors and Nurses that are for and encouraging the wrong vaccine.

The whole "I have a degree in medicine" does not mean they do not know anything of what happened from 2017 to 2021 via the Constitution, Executive Orders, PEADs, PAs, Military Law, Regulations, and Orders along with Federal Laws.

It's still "your body, your choice." I cannot make you read, study, research, understand, and learn those.

President Trump warned Americans before anyone even knew or heard the word Covid on February 4, 2020, in the State of the Union address. At that point, his Executive Orders and National Emergencies were already set in stone.

The Military and President Trump always knew. It's better to lose a few than many. Many of you do not understand that. Death is still inevitable.

If you do not understand everything to do with Covid being a Chemical Warfare Attack and "vaccination" cards are about CONTROL and DISTRACTION from what was already happening and what's still happening... you just simply cannot handle Truth, Law and Order.

Covid is the result of evil. Russia Collusion, the Ukraine phone call, the false impeachment, and all of the other distractions were bait for you in which 99% of you fell for it.

It's very unfortunate and sad, but thank God for us 1 percenters who's going to, once again, save the day and history for all.

It's a matter of what side of the line you're on. A degree doesn't mean crap at the end of the day. "We the people" in society deem what's valuable and what isn't.

Doctors and Nurses can have "a good heart," but still be in the blind. Being a soldier or veteran doesn't mean crap if you do not know Revolutionary History and Foundation, the Constitution, the UCMJ (Military Law), Military Regulations, Branch Regulations, Executive Orders, Articles of the Constitution and PEADs = Powers of the President, Presidential Acts, and Law etc.

Being a cowboy makes you a cowboy. Knowing law makes you know law.

1 out of 5 people have an STD... Imagine if you had to show a card to the partner before doing the hokey pokey?

Just the mere fact, all of a sudden breathing is a crime, is the most asinine and ridiculous thing ever.

The fact that our bodies are amazingly designed to withstand crazy temperatures, wrecks, punches, falls, illnesses (pneumonia, cancers, etc.), but all of a sudden a 99.899999% survival rate "pandemic" is a crime because those who think and live without fear are a danger to you? Get outtttttttaaaaa hereeeee.

Maybe if the 99%'ers would have been paying attention to what was going on with CHINA via Trump's legislation and tariffs, watching LAW and ORDER from 2017 to 2021 and watching MILITARY movements... you'd realized there's 2 different vaccines and 2 sides of the line.

Those who rushed out due to fear and got the Corporate Vaccine... all you did was prove you're nothing, but a fear mongering SHEEP, waiting to be slaughtered.

Everyone who did so... showed how **vulnerable** and **controllable** you *really* are. It's already been proven. Our *hindsight is 2020*. We know who you are. You know who you are.

13.8 million Jews allowed Hitler and 10% of his population control the other 90%.

SHEEP.

If you're one of those who wore the mask and got the poison... you're the one who got on the train in Nazi Germany, no questions asked.

In every single battle of the Revolutionary War, our Founders were outnumbered.

Currently, less than 1% of Americans fight in our Armed Forces, yet we are the most lethal and dangerous military in the world.

How did 13,800,000 Jews allow Hitler to slaughter them without an uprising from those in the starvation concentration camps?

You don't think they couldn't hear the artillery rounds and see that their bunk buddies were not coming back to the camp?

How come they didn't throw a Revolution?

Why didn't they say enough is enough?

10% ruled 90%.

And you want to call me ruthless for painting this picture?

When 90% of America got a vaccine due to fear and control tactics without questioning anything?

All you who did, all you did was show all the evil players (and everyone else for that matter) how vulnerable, controllable, and 'educated' unintelligent fools you really are.

Let me show you something else you'll be seeing VERY soon.

Remember from above... Hillary not showing up to her loyal followers to concede? It was instantly throwing everything at Trump that they had their hands tied to such as the first thing... the day after the election... "Russia Collusion."

All they were doing was 'buying time' or were they? The media are also guilty of Crimes Against Humanity, Treason, and Fraud as well. Trump gave them a choice from 2016 to November 3, 2020, as well...

And remember....

It's going to be hard to believe... it is... but that's actress Hillary. Hillary Rodham Clinton was already arrested in September 2016.

Be sure to focus on the arms. Everything else was "media" optics. They've been lying and deceiving long before now.

Since 99% of you have no clue what took place from 2017 to 2021, and from January 20th, 2021, to the present day... it will be very difficult for you to understand if you do not read Legislation from 2017 to 2021 first which is why I put this at the end...

Every single thing that Hillary said on the "campaign" trail in 2016, ONLY she could have known while Secretary of State under Obama and VP BIDEN.

The Military through Trump trapped her in public view damning and incriminating herself for the whole world to hear and see.

*She already was...*

Her crimes were already committed via the Secretary of State, the emails, the selling of our **AIR and MISSILE DEFENSE** weapons in Benghazi, Libya, plus those Executive Orders of Obama's supporting terrorists and evil over you and good people in other countries. Along with all of the other years of her corruption under the Corporation.

What an irony, my Army MOS: **AIR and MISSILE DEFENSE.**
