A Bullet Pierced Trump’s Ear at 6:11pm.

Ephesians 6:11 Reads:

“Put on the whole armor of God, that you may be able to stand against schemes of the devil.”

Trust The Plan.

Trump Does.

It’s only wise to have at least a month’s supply of food, water, cash, medicine and essential items on hand for your family and to share with others in case of emergency.

Judy Note: Through his Telegram site, the 17th Letter, JFK Jr. Vice President of the Restored Republic, advised us to pay attention to Trump’s acceptance speech on **Thurs. night 18 July.**

“He received official security briefings on Thurs, so would be putting many things in order. You have to understand how important today is (**Thurs. 18 July**). The gloves come off. This is why they were scrambling with Joe Biden today.”

That scrambling of Biden and Trump security briefings on Thurs. likely had nothing to do with him having been diagnosed with Covid, but more to do with the links that were surfacing of Biden’s connections to the Trump attempted assassination, including the Cabal’s Blackrock placing massive options on Trump just before the assassination attempt.

Not only were security issues compromised with Biden's wife taking agents away that Saturday, but Forensic analysis of the Trump Assassination Attempt revealed a chilling detail: 11 shots were fired from THREE distinct firearms. The precise timing raises HUGE questions. Evidently there were three gunmen, not just the one who was killed.

At any rate it, appeared that Biden would be gone well before he had to face the Kraken announcement coming next Wed. 24 July where 2020 Election fraud likely proved he was never elected US President.

It appeared that both parties had already figured out a way to get rid of Biden. It was rumored that the fake President was airlifted to Walter Reed Hospital on Thurs. and would likely resign sometime this weekend.

- **Thurs. 18 July 2024: Yesterday President Xi of China suffered a massive stroke and was now in critical condition.** Xi has been working with the Global Military Alliance under the leadership of Donald Trump, to take down the Chinese Communist Party, plus insured that China was a founding member of the BRICS Alliance. This week BRICS was completing the Global Currency Reset (GCR) of 209 countries to gold/asset-backed currencies. The GCR was taking away the Deep State Cabal's control of the Global Financial System and giving it back to The People. Xi's stroke happened just four days after a failed assassination attempt on Trump. A Heart Attack Gun was known to be used by the CIA (which was known to work with the Chinese Communist Party) to assassinate those they saw as a danger to the Deep State Cabal.

The Japanese-owned, Taiwanese-operated ship of Evergreen Corporation was actually co-owned by Walmart and the Clinton Foundation – known for its international child trafficking ring. The children were said ordered out of magazines like Wayfair by pedophiles who paid big bucks for certain abused children. [Wayfair and Child Trafficking? - **Demise of the Fiat US Dollar:**
 - (1) **Since 1913** the municipal corporation doing business as UNITED STATES, INC. had yearly collected all US taxpayer dollars through their privately owned IRS and Federal Reserve, only to send all of it for use of the Queens Bank of London, then over for use of the Vatican Bank and on for use of their Central Banks across the world.
 - (2) **About a month later** the US tax monies were finally back in the US at a New York Central Bank, where this privately owned US Inc. then charged US citizens interest to use their own monies in order to pay the privately owned US Inc. federal employees – a system that was the cause of the deep US national debt.
 - (3) **Having, with the help of blackmailed members of Congress, wildly spent the US Dollar until it was fiat,** US Inc. was entered into bankruptcy by its owner, Pope Francis, on **24 Sept. 2015** – a Chapter 7 liquidation that was covered up in **2008** with the so-called “Mortgage Crisis” and finally ended on **5 Nov. 2020** – right after and in line with the 2020 Election that fraudulently selected Biden as president of the privately owned US Inc.
- **Thurs. 18 July 2024: According to Dr. Mike Yeadon, former vice president at Pfizer,** the experimental mRNA injections were deliberately designed to cause blood clots, in addition to the immune system attacking itself. Judy Note: *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

A. Possible Timeline:

- **Timing of a pending Internet Shutdown and Ten Days of Darkness throughout the World will be determined by a Quantum Computer’s analysis of the entire international situation.** The Mainstream Media will close down while people will be asked to stay indoors to watch documentaries explaining what was going on. Meanwhile Military troops stationed across the Globe will arrest anyone who has cooperated with the New World Order and their creation of the Virus and Vaccines – an operation that could start **any time this week.**
- **On Thurs. 11 July 2024** the financial capitols of the World in Zurich, London, Toronto and Reno activated a Global Currency Reset of 209 countries to gold/asset-backed

currencies. **On that same Thurs. 11 July 2024** the Three Gorges Dam in China broke. Three Gorges was the first of 34 Satanic sites to be destroyed. It held the Chinese Communist Party's Child Sex Trafficking Ring Headquarters and Bio Weapon Labs.

- **On Sat. 13 July 2024** Reno started GCR payments to Whales and according to Q Codez VII on Telegram, was also the date for start of a Scare Event – which turned out to be an inside job of an attempted assassination on Trump.
- **On Mon. 15 July 2024 GCR payments** to upper levels began, as did the start of the Republican National Convention, which was the end of the Scare Event.
- **Wed. 17 July 2024:** According to Bruce, Tier4b could be notified of exchange appointments a few hours after the end of the Republican Convention.
- **Wed. 24 July 2024:** Operation Kraken: The Final Battle in motion ...President Trump; possible JFK Jr. comes out of hiding.

B. Global Currency Reset:

C. Thurs. 18 July 2024 Wolverine:

- **The Precatorios group has started.** They are going to make a global announcement on **Sat. 20 July 2024**. They will release their “own opera” to celebrate this incredible achievement. This group only started about two months ago with huge momentum, they have funds beyond scope, and they will be well off. Good news from them.
- **The Pentecostal group** is paying, and we will hear good news coming from them. They have been instructed to do no more audios. So, all is hushed at the moment.
- **Bond holders:** I have seen private contracts, I have seen the certificates, never seen so many zeros, one account in Mauricio's group had 36 zeroes, but so many more zeroes on these other certificates. Obviously, most of these funds will be going to humanitarian purposes as no one person could possibly use this quantity of funds.
- **We are just on the edge!** Another bondholder has received notifications.
- **I know you want to know about Tie4B,** but this is all I am receiving, as I am just a messenger. The Tier4B group will come like a thief in the night. Just wait for it to happen for our email. There was no announcement made for these bondholders and this is what will happen for all of you. Just keep an eye on your emails. If Bondholders are getting paid, then obviously Tier4B will start.
- **At the moment, I am not hearing anything from Reno or Zurich.** But if they are paid, they would be under an NDA.
- **I am mostly hearing from independent sources out of Brazil** and good news from Colombia as well. And good news from the private contractors.
- **There is not much noise coming from Hong Kong, Reno or Zurich** everything is hush, but I suppose that is good news, and we will wait to see what happens later in the day (Today is My Friday morning).

- **Hopefully we will get really good news that we are waiting for.** That opera is just around the corner and hopefully to be released soon. Keep the faith this is coming. Precatorios and Pentecostal are being done now and the rest will come.

D. Thurs. 18 July 2024 Bruce:

- **We had pretty good info coming to us on Tuesday, but today it got more intense.** This afternoon, we got about 4 to 5 different calls from our sources puts us. Remember we talked about the 18th our drop-dead day to get things started. Well...I think it still is. I am going to tell you what four different sources have told us:
 - **1) Our redemption center source** that talked directly to Wells Fargo Atlanta, saying we would have this **within 24 hours.**
 - **2) Then we had a call from New York Wells Fargo Corp,** that said we would be getting notifications after markets close **tomorrow Friday 19 July,** they close at 4 pm for the stock market and then Forex shuts down around 5 pm for the weekend for 48 hours. So **either 4 pm or 5 pm tomorrow,** depending on what market you are talking about tomorrow afternoon.
 - **3) We had military Special Forces that contacted us that said this would start when Pres Trump accepts his nomination for President tonight.** Then we found out that should be during his speech tonight. We do not know when in the speech he accepts the nomination, but we think that it was going to be within a half hour to an hour after he accepts the nomination. At that time, we heard he was going to come on and speak early during the Big Call.
 - **4) Then we heard from another military source** that said Pres Trump would not speak until approximately 10 pm EST, which is now, and that we would receive his speech then, and we would get his acceptance for nomination for president, and then a couple of hours after he received that nomination, we could receive our start for our 800 numbers to come. So I think, realistically, we are looking at the possibility of getting this in the morning, and see what happens between tonight and tomorrow morning. Maybe we do get this overnight, maybe we get it tomorrow. And we get out toll free number and set our appointments.
 - **5) Another front, Iraq has lower denominations out,** this means all businesses using lower denominations in circulation in country, and we have heard that the rate on the IQD in country, international rate is over \$6 in country. This has little to do with us or our rate here.
 - **You have heard me say that they intend to offer us the contract rate on the IQD** which is quite high, and that is offered to us and we should not have to ask for it, because Pres Trump wanted us to get the highest rate available. That is what we are hearing now. This is a good time for us.

F. Global Financial Crisis:

- **Thurs. 18 July 2024 Bank of England plunged into chaos,** Grace Piercy, reporter: The Bank of England has been plunged into chaos as it warns of house buying 'delays'. A "global payments issue" has hit the Bank of England's CHAPS service, one of the largest high-value payment systems in the world. Both high street banks and international banks use the system to make large payments, with it processing around £350bn a day. CHAPS can also be used by people spending lots of money - up to millions of pounds - on items such as cars, boats and properties. The Bank of England has said that the issue is causing delays to high-value and time-sensitive payments, including some house purchases. "We are mindful of the impact this is likely to have and are working closely with a third-party supplier, industry and other authorities to resolve the issue as promptly as possible," it says. It is currently not clear how many payments have been impacted by the issue with CHAPS. Retail payment systems and cash machines have not been affected. Sky News has reported that a cyber incident has been ruled out by the bank. Sky business presenter Ian King says it's not uncommon for CHAPS to experience problems, but the fact that it's a global issue "does raise one or two eyebrows". "The problems usually crop up when one bank or another is experiencing a particularly heavy workload, and that's when delays can happen," he says. "Potentially, it could cause a lot of aggravation for people who are trying to complete on a housing transaction today. It is a big part of the financial plumbing for the financial services industry."

- **The Japanese-owned, Taiwanese-operated ship of Evergreen Corporation was actually co-owned by Walmart and the Clinton Foundation** – known for it's international child trafficking ring. The children were said ordered out of magazines like Wayfair by pedophiles who paid big bucks for certain abused children. [Wayfair and Child Trafficking? - **The containers were on an Evergreen Corporation ship** that blocked the Canal from **Tues. 23 March to Mon 29 March**, causing billions in lost revenue to shipping companies internationally.

- **The Seals also found Weapons of Mass Destruction** on the six story high vessel – which were believed destined to start a war in the Middle East.
- **Finally by Tues. the Evergreen cargo ship** was loosened and taken to Bitter Lake in Egypt. By order of the Egyptian President, the containers were taken off the ship and searched by US Navy Seals.
- **Evergreen was believed to not only be carrying trafficked children, but Weapons of Mass Destruction.** Many other ships that were blocked in the Suez Canal last week were also discovered to be carrying weapons – believed to be used to start a war in the Middle-East. Why? The weapons were going to be given to the Muslims by the Israel Mossad.
- **Human traffickers were being arrested and cartels busted** – losing critical income for their owners worldwide. The Deep State Operation was said to have lost 400 million \$ an hour while the ships were stuck for a week – that would pale in comparison to what those children were undergoing.
- **Evergreen vessels were having problems in ports all over the world.** Why? Why were Special Ops US Navy Seals magically on the scene to rescue the children? Was the ship purposely run aground? It was rumored that holes in Microsoft software allowed someone, or ones, to hack into the Evergreen ship software, take over the steering and run it into the bank.
- **We may never be given the whole story.** So far the Evergreen ship's Captain in the Suez Canal has refused to cooperate. Now why on earth would a Ship's Captain not cooperate, unless there were major reasons? Won't hand over the black box?
- **Why would a vessel of that size from Taiwan list it's first destination as the Netherlands?** Why would the below news article NOT mention Amsterdam? (Only Dutch) Lots of significant signals and clues were being released. Egypt could seek \$1 billion from ship Ever Given.

This unfortunately is only a theory, and in practice is so successful. The cause of Cancer is unknown. M. Matt Tardio, Retired Green Beret, Prior Law Enforcement Officer Who's An Explosives Expert Breaks Down The Significance Of The Donald Trump Assassins Transmitter Found

- **There is NO WAY this wasn't an inside job.** "Things just got more weird for the President Trump assassination attempt. Right down here below is a transmitter, and we're about to talk about why that is a huge flipping deal.
- — **So what does that transmitter have to do with the explosives found inside the vehicle, and what does it tell us about the suspect?** So, obviously, he presses a series of buttons on the transmitter, which then goes towards the receiver. It then sends out an electrical impulse, which then runs through the charge and detonates it. Now that electrical impulse that's sent out by the receiver, or in this case, we're gonna call it the switch, is not enough to set off the main charge. That, my friends, is why electric blasting caps exist.
- **Now, if that's the case and he actually had his explosive devices rigged** up to an electric blasting cap, he could have acquired them one of 2 ways:
- **The first way is he could have made them.** Precursors are readily available at numerous places here inside of the United States, and truthfully, I've even had them sent to my front door off of Amazon. Now he could have taken those precursors and mixed his own explosives out of it and made his own electric blasting cap. Only problem is, in order to do that, it requires a very precise formula, and it's highly volatile when you're making and drying it. Then he would have to pack the cap without blowing himself up and so on and so forth. Manufactured caps are very closely tracked, so I highly doubt he got his hands on one of those.
- **Now the suspect is 20 years old,** and last I checked, he does not exactly have an extensive background in chemistry. He'd also have to have a location to dry out the explosives after he manufactured them.
- **And by the way, I want you to picture, like, a breaking bad laboratory.** It doesn't have to be that extensive, but a lot of the same materials you see used in Breaking Bad to manufacture the meth is the same thing that he would be using in order to manufacture the explosives. It's chemistry.
- **His parents would have seen that.** They would have smelt it. They would have noticed. He lives at home. So he'd have to have a storage facility or somewhere else in order to make it.
- **But, again, it goes back into how the hell did the kid not blow himself up doing it** because the temperatures have to be very exact. And if it it gets too hot, you can freaking

cause the whole thing to detonate right there on the spot. A lot of people are speculating and saying that because he doesn't have a social media profile, it's kind of weird.

- **But I want you to look at it from a foreign actor's perspective.** If you were going to be training somebody and giving them the means in order to do what this gentleman did, would you want them to have a social media platform?
- **Answer's no.** Because all they have to do is make one dumbass comment, and the whole thing is going to get tipped off to law enforcement.
- **So you would want to recruit somebody like him** who is been picked on in school, likely has a couple mental issues, but also has no real social media presence and likely gets his interactions online through different platforms, like, I don't know, say, 4chan or Reddit. Once they've got it and recruited, then they just need to talk to him. Once they're talking to him, either through, you know, emails, private messaging, whatever.
- **Right? There's a million different ways to do it.** They don't even have to meet up with the guy. They can just give him a series of tasks, and then once he completes those tasks, and they know he's good to go, then they can start dead dropping him the different things that he needed in order to conduct this attack. This whole thing looks shady as hell.”

N. Stock Market and the Trump Assassination Attempt, SGAnon on Telegram Thurs. 18 July 2024:

- **It's interesting that one of the firms which took an enormous “short” position against \$DJT ONE DAY** before the assassination attempt of 7/13 has now been identified as Austin Private Wealth LLC, which is majority-owned by George Soros and BlackRock.
- **A quick dive on APW LLC shows** the firm to be connected to Presidents George Bush Sr. and Jr., who attended events and were involved in the company's “charitable outreach”. Former Secretary of State and HW’s Chief of Staff James Baker has been the firms Senior Policy Director since 2006.
- **APW LLC according to their website** also directly supports the ACLU, ADL Austin, Shalom Austin, Camp Young Judaea, Austin Jewish Academy, and Hadassah.
- **Recall also that it was Alex Soros** who first infamously shared the Atlantic Magazine cover which featured a bullet hole in glass, with a picture of \$47 cash, a message some interpreted as a cryptic “hit” being put out against President Trump by the Soros family

O. Thurs. 18 July 2024 Summary of News from Charlie Ward:

- **According to NSA sources, "White Hats"** are currently attacking the Fort McPherson base complex in Atlanta, Georgia. It is here that the Rockefeller citadel of AT&T and CNN conducts fake psychological operations of the Joe Biden administration.
- **To see how bad things are with psychologists,** watch how stupid Biden reads quotes from his teleprompter. "End quote. Repeat the line".

- **According to Canadian intelligence sources,** Biden's fall will be followed by a similar move in Canada. "Justin Castro will be removed from office and humiliated in front of the world community. The Canadians, supported by the military alliance, are waiting for a signal to act," they promise.
- **For their part, Dutch farmers** warn Prime Minister Mark Rutte: "The protests will continue. We have the support of millions of people. There will be actions that Holland has never seen.
- **It looks like it started in China too.** People are rebelling against the CCP machine. Banks collapsed there, and the police were unable to stop the protesters by fraudulently manipulating their mobile devices to make them look like they had "Covid." The Chinese people should understand that George Soros boasted that his people took over China in **1987**. We had a video of him saying that, but it seems to have been deleted from our computers and from the internet. However, the fact that the regime there agrees with the fake pandemic and the accompanying excessive social control is a clear sign that they are not working for the Chinese people.
- **An MI6 source says:** "The days of the G7, G20 and the like are over. Their failure will be reflected in an economic crisis leading to global unrest, similar to what we are seeing in Sri Lanka. All these archaic prime ministers should be captured and shot along with all these old habits. Clear the deck. When the regime finally falls, people will hear a lot of shocking things. The nature of the horrifying truths will come to light during the public trials and hearings that will follow the worldwide defeat of HMM.”
- **Mel Gibson told the Truth about Pedophiles and child Sacrifice...** It cost him his acting career. He said he had enough money and had nothing to worry about.

P. Thurs. 18 July 2024 The 17th Letter (JFK Jr.) on Telegram Emergency Thought Crime

- **You know based on current headlines I wouldn't be surprised that the Deep State would assassinate Joe Biden and blame it on D. Trump supporters.** Which, of course, will probably prompt the Cabal to deploy their Black Hat Military. We cannot underestimate how desperate these people are. Because they could use this as an excuse to cancel elections and do a full court press and put the entire nation on lockdown.
- **Blaming such actions on groups like MAGA** or a foreign nation like Iran would have already been carefully orchestrated plan with falsified evidence, that can create international and domestic crises. But in less than 24 hrs D. Trump will be officially receiving security briefings. And I think now that flaws have been shown in the secret service who are trying to blame local law enforcement will surely be something of high consideration by D. Trump to now overtly use the US Military for protection.
- **Something we have been covertly under since 2020** or even before that when the 11.3 Laws of Wars operations was implemented that allowed the military to work behind the scenes. Some know this as EO-13912 that allowed D. Trump to be a War Time president indefinitely under the new republic that was enacted on July 4th 2020. Evidence of this can

be found in a testimony where D. Trump stated officially under oath that he was not the president in January 2021 prior to Joe Biden taking office.

- **Many people would say how is this possible?** Because that would mean no one was running the country for 20+ days which would be a 1st for any presidency. Because most people do not know that we have been under a corporate government since 1871 – which was a fictitious foreign body that is governed by foreign powers. Along with agencies like the CIA, Mossad, Pentagon, and MI6. Who are panicking at the thought of being arrested due to the crimes committed under the guise of Covid-19 and not to mention the Jan-6th incident. Nevertheless, prior to those crimes they were already headed to Gitmo for the 2020 election fraud.
- **Everything they have done since then** was another shot at correcting that mistake because Michael Flynn knew that in order to pull that off without anything leading back to the agencies he worked for he had to attempt to get Donald Trump to call Martial Law so he can then confiscate the Dominion Voting machines. I gave you all a good breakdown of this as to why – which would lead back to those phone records in "The Flynn Network".
- **Do you all see how massive the Cabal networks are?** These False Flag Operations will not slow down. Because here is what else they have not scratched off their bucket list before going to Gitmo: The Missing Explosives. The USL/ESLs Release. J. Biden Removal Before November 5th. Nationwide Blackout. Fake Alien Invasion.
- **They have quite the list to choose from** and definitely have the technology to pull it off. But of course as I have said before we are watching a chess match and the final move before checkmate can only be made by the Cabal. Because the US Military knows that they only have so many moves left on the board. And it will also help in introducing the public to advance technology that has been hidden.
- **The Cabal are being allowed** to make these desperate moves because it brings about disclosure in a more organic way where people will understand at that point that there have always been factions hell bent on enslaving them and were forced to reveal those plans because they wanted to retain power by not allowing people like D. Trump take office when his slogan has always been "Power To The People" – which is also found in his many policies and speeches.
- **Not to mention the assassination attempt** that has already caused a shift in the consciousness of people who are going after those making snarky post about how the shooter should have taken gun lessons prior to attempting his 1st kill. Tenacious D had to cancel the rest of their tour from the backlash they have received. So the tide has already turned in D. Trump's favor in that regard.

Q. The TRUMP Rules: Congressional Reform Act of 2017, Dr. Charlie Ward

- **President Trump is asking everyone to forward this** to a minimum of 20 people, and to ask each of those to do likewise. In three days, most people in the United States will have the message. This is an idea that should be passed around, regardless of political party.

- **Serving in Congress is an honor and privilege NOT a career.** The Founding Fathers envisioned citizen legislators should serve their term (s), then go home and go back to work ... not get all kinds of freebies.
- **NO WONDER THEY'RE FIGHTING EVERYTHING HE TRIES!** Pass it on!!!! Let's help TRUMP drain the swamp!! Just hold your finger down then hit forward and send it to everyone you know. Let's help Trump get the country straightened out.

1. No Tenure / No Pension. A Congressman/woman collects a salary while in office and receives no pay when they're out of office. And, no more perks go with them.

2. Congress (past, present, & future) participates in Social Security. All funds in the Congressional retirement fund move to the Social Security system immediately. All future funds flow into the Social Security system, and Congress participates with the American people. It may not be used for any other purpose.

3. Congress must purchase their own retirement plan, just as ALL Americans do.

4. Congress will no longer vote themselves a pay raise. Congressional pay will rise by the lower of CPI or 3%.

5. Congress loses their current health care system and participates in the same health care system as the American people.

6. Congress must equally abide by all laws they impose on the American people (i.e. NO MORE INSIDER TRADING!!!).

7. All contracts with past and present Congressmen/women are void. The American people did not make this contract with Congressmen/women. Congress made all these contracts by and for themselves.

R. Donations Badly Needed For Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated.
- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims. However, the Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims.
- **Any amount you could give** would be greatly appreciated. There was \$500K needed right away to continue the three meals a day. The Deep State not only took the Native

Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.

- **Please send your donation** to the Akua Foundation's Malama Lahaina Website – the only site dedicated to and run by the Hawaiian Native Peoples: [Malama Lahaina – Pūpūkahi i Holomua Donations \(malamalahaina.org\)](https://malamalahaina.org)

S. "Ken and Barbie vs. Goliath IRS" Update Thurs. 18 July 2024

Dear Patriot Friends and Family,

Today is day number 324 of the so-called, "Barbie & Ken vs Goliath IRS" adventure. Today we share with you proof positive that I am 100% innocent of the charges; proving that I am NOT "a lying tax cheat". Enjoy...

USA v Cromar case #2:23-CR-00159-HCN-DBP From 8-Day Trial Transcript May 21-31, 2024 Salt Lake City, Utah

1. Cross-examination of 22 year IRS veteran, and prosecution's "expert witness", John Jensen (Salt Lake City) by Ken Cromar:

Are you aware of an IRS code that requires me, the defendant, to file a federal income tax form? No

Are you an IRS expert? No. I am not all-knowing. I am not. Sir, I don't know if there is any specific code that requires you to file. The *Wall Street Journal* offered a \$50,000 bounty for anyone that could show a law where --nobody could collect the money because no one could cite the law.

2. Cross-examination of Ivan Bird, American Fork Police Department (AFP) by Ken Cromar:

Bird: I went to the county records and found that your name was still listed on that property.

Q. Did you think it would be necessary to go and arrest me? No.

Tom "Freed" Scambos, witness for the defense by Ken Cromar:

Q. Were you aware that I moved back into the house after the Government claimed to have seized my house? Yes.

Q. Did you tell me it was safe for me to move back into my house? So approximately April of 2020, were you aware of my considering moving back into my house? Yes.

Q. Did you tell me you believed it was safe for me to move back into my house? I told you that I believed you had a legal argument to support your position under the law because the court had acted without jurisdiction.

Q. Did you have any other advice as to how I might continue from there? Yes. I pointed out that everything they were doing was based on fraudulent Substitute for Return documents. The assessments that they claimed were never performed.

Q. Did you tell me that you agreed with my analysis of the research that I did not owe any more -- that I did not owe federal income tax? Well, you're not liable for the tax.

Q. How long did you -- did you tell me how long you've been studying the IRS code? 30 years.

Q. Did you tell me that you believe that there's no law that you know of that requires me, Ken Cromar, to file a federal income tax return? Yes, that's correct.

Q. Why? Because I can show you the requirement that does exist in the law, and it doesn't include citizens.

3. Ron Gibson - Land Patent Expert witness for the defense by Ken Cromar:

Q. Were you aware that I filed a land patent on my home and property? Yes. I was made aware of that. You made me aware of that.

Q. Did you tell me it was safe for me to move back into my house? Yes, I did. And the reason being is that, with my background and research, when you leave a piece of property, it's considered to be abandoned. And you didn't abandon your property. Because the land patent is what's defined in law as an allodial title. It means "God giveth." And the rest of the definition owing to no one nor to any lord or superior. So the interference that you have experienced, there's no authority for anybody to do that. Because the way Congress set it up, once the land is disposed to the private sector, then, in essence, the Government's intervention into that in any manner cannot infringe upon that title.

Q. Very good. So just in conclusion, you advised me that I had -- did you advise me and teach me that I might have a very strong lawful position standing on my land patent in my house? Well, I just mentioned to the fact that from everything that a patent represents and the laws that pertain to that relative to the court cases that the Supreme Court leveled, that you did, from that standpoint. But I was just sharing information with you.

Q. And so is there -- did you tell me if there's anything higher in authority than a land patent? Not as far as title goes. Land patent is the only true title to land in our nation.

The trial of UNITED STATES OF AMERICA v. "PAUL KENNETH CROMAR" (defendant in error) went for 8 full days, May 21st- May 31st, 2024. No one thought I had a chance of success because the prosecutor and the judge appeared to be working together in a very biased way against me from the very beginning. Nevertheless, after my "inspired and inspiring" closing statement to the jury, they began private deliberation. I'm told these often last only 2-3 hours or less.

My jury went on for three days of deliberation! Clearly, many of the jurors wanted to vote for me. The previous quotes taken directly from the 1700 pages of trial transcript typed live during the trial, shows why many of the jurors may have been pulling hard for me. But, in the end, the judge's "Jury Instructions" that the jurors were sworn to obey, they were left no choice but to find me "guilty" on two counts and miraculously innocent on one count.

The evidence and testimony within the 1700 pages prove I am 100% innocent! I obeyed the law, but the prosecution, the courts, the judge, and law enforcement did not. Instead, I now await sentencing January 9th, 2025, which is over 6 months from the date of "conviction". Very strange.

We've filed 6 motions for Judicial Acquittal on June 18th and hope and pray that Judge Nielson will actually acquit me of his own power based on the facts and the law, or allow us a new trial.

During it's 100+ years of existence, the IRS has proven itself a cancer that has spread throughout America and has metastasized. The IRS was created and specifically designed by evil men to steal wealth, enslave the people, fund USA promoted blood and horror throughout the world and destroy God's cause of liberty in this nation AND throughout the entire world. God considers the destruction of liberty an "abomination". So, does it look like I'm a political prisoner, kidnapped and held hostage by the IRS/DOJ? Sure looks like it!

Please feel free to share this email far and wide to help wake up our fellow Americans.

We believe in miracles. Thanks for your continued prayers, with love, Ken (Barbara)

- **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the Federal Tax Court ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.
- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. **Paul Cromar** #567164 Davis County Jail P.O. T. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

U. WARNING: The **TRB Trump Products** being falsely advertised under the Trump name with a promise of a sizeable payoff is actually a giant SCAM being perpetrated on Patriots. It is under investigation by the FBI, Secret Service and New York PD.

- **Since the beginning of June I have received well over 350** emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.
- **The so-called Trump Coins, Badges and Stickers were NOT, as the advertising claimed, endorsed by Trump,** Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.
- **Alan Garten, General Counsel to the Trump Organization, stated:** “The Trump Organization has no affiliation or association whatsoever with TRB products.”
- **Victims of the TRB Scam are urged to type up their TRB experience** including products bought and monies paid out, plus your contact information. Sign two notarize copies, keep one and send the second notarized copy of your TRB write up to: Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.
- **I would also appreciate receiving a copy** of your TRB experience that I will file for the ongoing investigations. (Please be general in your remarks and do not send me personal information as I don't wish to be responsible for it. I will erase it if sent). My email: info22faces@yahoo.com
