Judy Note: Joe Biden has dropped out of the presidential race and endorsed the unpopular Kackling Kamala Harris. After a frustrating conference with never-able-to-complete-a-sentence Harris, Democrat donors were talking of replacing Biden with Hillary Clinton – which may be tricky since Clinton was tried and executed for Treason at GITMO several years ago.

But then, Biden was also executed for Treason at GITMO before his so-called Inauguration and that didn't stop the Dems from using his body doubles to ruin the country for the last four years. However, according to JFK Jr. on Telegram on Sun. 21 July 2024, there were no more Biden doubles left, so I guess Biden had no choice but to withdraw from running.

Kackling Harris or Dead Hillary – it's going to be interesting to see how the Dems play this one out.

In more important Events, Cyber Attacks around the World devastating businesses, grounding planes and in general causing havoc, have added to a in-the-works Stock Market crash among other Events which were playing out a pending World War III scenario.

These Black Swan Events have become more evident since we began to realize that Deep State Cabal Secret Service Director Kimberly Cheatle may have colluded with Department of Homeland Security Secretary Alejandro Mayorkas and FBI Director Christopher Wray to have Donald Trump assassinated on Sat.13 July 2024.

It was all about the money. President Kennedy had been trying to take down the Deep State's Federal Reserve before he was killed, while Trump was supporting a Global Currency Reset that would cut off the Cabal's money supply (including the CIA's Black Budget) by closing that corrupt Federal Reserve.

Now they expected us to believe that the CIA was doing a valid investigation of Trump's assassination attempt when the CIA was the very agency that could have perpetrated it – just like they did with President Kennedy?

On other fronts and whether or not caused by the White or Black Hats, Cyber Attacks have begun around the Globe: Planes, Trains Grounded, Lights going out – and I hear that the problem was not going to be resolved soon. At least not until the havoc caused the Stock Market to crash.

The greatest Financial Bubble in Human History was about to pop: Stocks to lose over 50% of their value – that would bring in a Global Financial Collapse – something both the Black and White Hats wanted.

With a collapse of the Global Financial System the Deep State Black Hats would bring in their non asset-backed digital currency that could control everyone's bank accounts, and lives.

The White Hats appeared to have one up on the Cabal as they have already involved over 50% of the World population in their Global Currency Reset to gold/asset-backed currencies that would trade at a 1:1 with each other.

With another World War pending after a Houthis Drone Attack on Tel Aviv instigated Israeli Jets to hit Yemen, the Cabal was set to make money off that now pending World War III, just as they have with other wars – while their quest for power and wealth was the very reason why they started them.

What we think we know as of Mon. 22 July 2024:

- **Sun. 21 July 2024** Kentucky, West Virginia, Ontario Canada, Arkansas, Killeen TX, Ohio, Missouri County, Charleston County and Jackson County in Kansas City have all declared a State of Emergency.
- **Sun. 21 July 2024 Donald Trump's attorney, Alina Habba**, just exposed Judge Lewis Kaplan on her Telegram channel! He took a \$5,000,000 BRIBE from Joe Biden to convict Donald Trump and Alina posted PROOF!

- **US Taxpayers were funding through a CIA Black Budget**, an international Child Sex Trafficking Ring run out of the Vatican for the purpose of pedophilia to blackmail politicians and harvest traumatized children's Adrenochrome and organs for the Elite.
- **Speaking of the CIA, from 1957 through 1972 during the Vietnam War**, the corrupt organization funded and run a chemical weather modification program called Operation Popeye. The highly classified project was allegedly sponsored by Henry Kissinger and the CIA without the authorization of then Secretary of Defense Melvin Laird, much less approved by the US Congress.
- **Speaking of US funded wars, the US did not invade Iraq over the False Flag 9/11**, nor to free their people, nor to confiscate their gold or oil, it was to obtain their Stargate.
- **Presently the US is not ruled by concepts of the original Constitution**, but is under the dictatorship of International Maritime or Admiralty Law. After the Revolutionary War, which was financed on both sides by the King of England, the "United States" did not actually declare Independence from Great Britain, or the King and to this day is considered a British colony.
- **Fri. 19 July 2024: Former President Donald Trump and his vice-presidential nominee, Ohio Republican Sen. JD Vance** were the victims of an assassination threat not long after an attempt was made on the former president's life. The Jupiter Police

Judy Note: *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

F. Sun. 21 July 2024 Senator Ron Johnson on Trump Assassination Attempt:

- “There was a second shooter and a mystery ATF Agent who’s gone dark.”
- **On July 13 the Secret Service did not attend the 9am Security meeting with Local Law Enforcement.** Law Enforcement wasn’t even on the same security channel. The Sniper and Swat teams weren’t on the same channels as patrol officers, or Secret Service
- **At 10:30am in the morning,** the local PD team told to secure the perimeter of the AGR building. — no one told them where to go, so they set up on the 2nd floor.
- **At 5:14pm ET, the Local Sniper Team took photos of the Shooter, Crooks, in the AGR building.** — why wasn’t he intercepted? — the photo(s) were taken at 5:14pm ET, and Trump was shot at 6:11pm ET
- **A Preliminary report** will be released to solicit more eye witness testimony. — If you have any videos, save it!
- **A SECOND SHOOTER?** — Was it one rifle? Was it more than one? — there were three distinct shots early on, followed by another five more rapidly five... how do explain that? “I’ve seen things from experts that cause us to question the FBI saying there was a single shooter.” A MYSTERY ATF AGENT THAT’S GONE DARK!
- **The Sniper team was the first to go on the roof** and began taken pictures of the dead body. — Someone in a suit approached them and told them to send those photos to an ATF Agent. “I thought this was very strange.” — No one even asked him for credentials. They thought it was Secret Service — They tried to call the ATF Agent, BUT NOW HE’S GONE DARK!!!! They cannot find him. WTF!!!! Why in the hell was the Local Law Enforcement being told to send photos to the Alcohol Tobacco & Firearms Agency? Why has the ATF Agent gone Dark?

G. Wars and Rumors of Wars:

- **Sat. 20 July 2024:** [Israeli Jets Make Direct Hit on Yemen After Houthis' Drone Attack on Tel Aviv – The US Military News](#)

H. Sun. 21 July 2024 Why did Q tell you that Israel was saved for last? Maga General on Telegram

- **The reason is Israel is the KEY to bringing down the global Deep State.** This isn't anti-Semitism. I'm referring to the Kazarian Jews, the fake northern European Kazars who stole the identity of real Jewish people and created the Rothschild Rockefellers who came from South Germany where they created the Illuminati in 1776. They took control of the local governments, financed the trains and public roads, created the Rothschild banking system throughout Europe and helped JP Morgan take over the U.S. banking system – after the Titanic killed the biggest US Bankers and rich tycoons who were against creating a Federal Reserve controlled by the Elites (Khazarians – the fake Ashken NAZI Jews, who made a deal with the Roman Empire and bought of the Jewish Leaders to become into Judaism and name themselves Jews).

- **Now to this day the Elite families of Khazarian descendants control Israel.** It was the Khazarians who created Rothschild Banking, and then created the WORLD WARS to install governments and loan money for wars and created 70% European laws through war and propaganda.
- **To this day the GLOBALIST/Khazarians run Israel** and created the United Nations and took over countries and governments.
- **Most people are unaware that the U.S. government** and most Democrats and Republicans are run by the Khazarian Fake Jews.
- **This is why Q told you Israel is saved for last** (taking down fake Jewish sector that intertwined with the real Jews. The real Jews are also fighting against the fake Jews Zionist Khazarians.
- **You are watching the EXPOSURE of how a captured U.S. government by outside foreign entities created a MILITARY COUP** using the CIA Three Letter Agencies.
- **TRUMP was PLACED to EXPOSE the captured US Government.** This is all happening and being recorded into Congressional records. The United States Archives and Military sectors are recording everything.
- **The World will change on a massive level** as the CIA GLOBALIST Western funds and fiat currency comes near extinction level.
- **Right now in Congress** a huge topic is taking place on Globalist powers and their reach into the U.S. system that is connected to an OPEN MILITARY COUP.
- **World courts** are looking to documents, files and servers that prove Netanyahu could be held accountable for crimes against humanity and mass murder and corruption.
- **WHITE HATS** from other several united countries are going to keep pushing for his arrest. (Later after the near Death civilization EVENTS come to a close.. military courts will go after Netanyahu)
- **Right now in Israel a near CIVIL War is brewing** and white HATS inside the Israeli government are initiating a military COUP to unseat the puppet masters of Israel.
- **The real story of the Illuminati reaches far back into the Knights Templars** who created the earliest banking systems through Europe. The story of the Knights Templars goes back to the Middle East where they found King Solomon's gold and the real Ark of the Covenant.
- **Hugh De Payens was one of the leaders of the Knight Templars.** De Payens had family that was of the Islamic Faith and they had deep connections to the secret society of the Brothers of the East. The secret society met with the Knight Templars and De Payen and gave them the secrets of Atlantis.

- **“Back in 2010, the farm to consumer legal defense fund, a group dedicated to protecting consumer access to raw milk, sued the FDA, alleging that their laws surrounding raw milk violated the US constitution. The suit was ultimately dismissed, but the FDA's response will shock you.**
- **They wrote, there is no deeply rooted historical tradition of unfettered access to foods of all kinds.** Plaintiff's assertion of a fundamental right to their own bodily and physical health, which includes what foods they do and do not choose to consume for themselves and their families, is similarly unavailing because plaintiffs do not have a fundamental right to obtain any food they wish.
- **The FDA believes that you do not have the right to choose what you eat or drink.**
- **You should only be allowed to consume what the FDA gives you permission to consume.** One thing is for certain. The US government does not want you selling raw, unpasteurized milk. But why? So why is raw milk illegal in the first place?

- **The numbers for other foods nationwide are pretty comparable.** Fruit salad caused 1,323 illnesses, 29 hospitalizations, 1,345 illnesses, 100 and 4 1,345 illnesses, 104 hospitalizations, and 19 deaths. And pizza caused 1,614 illnesses, 3 deaths.
- **The FDA is almost entirely controlled by the pharmaceutical industry.** As a federal agency, you'd think that the FDA is paid by taxpayers.
- **But wouldn't you know the pharmaceutical industry finances 75% of the agency's drug division?** Now every 5 years, top officials at the FDA go behind closed doors to negotiate its budget, but they're not at the table with US lawmakers. Instead, they're negotiating with representatives from major pharmaceutical industries whose products are regulated by the FDA.”

Executive Order 1221involves:

- **Economic Collapse and Transition to the Quantum Financial System:** A planned economic collapse is a central aspect of Executive Order 1221. This controlled demolition of the current financial system aims to eliminate debt and corruption, paving the way for the introduction of the Quantum Financial System (QFS). The QFS promises unprecedented security, transparency, and efficiency, leveraging advanced technologies to manage financial transactions. The transition to the QFS will involve a Global Currency Reset, reverting to 1950s price levels. This reset will stabilize economies, restore purchasing power, and eliminate the disparities created by inflation and market manipulation. While the immediate impact will be disruptive, the long-term benefits are expected to be transformative.
- **Global Arrests and Military Law: A New Order:** The 1221 Executive Order mandates global arrests to root out corruption and criminal activities. Military law will be enforced during this period, maintaining order while the legal system undergoes restructuring. The use of military law will be temporary, with the goal of swiftly returning to civilian governance once the legal system has been reformed. This period of enforcement will be critical in dismantling entrenched criminal networks and establishing a foundation for a just society.
- **Collapse of the Three Gorges Dam We need to** rethink our approach to large-scale engineering projects and their environmental consequences. Environmentalists and engineers alike have raised alarms about its structural integrity and ecological impact. The Floodwaters will inevitably reshape the landscape, displacing millions and altering the course of rivers.
- **The removal of Bitcoin (BTC), Ethereum (ETH), and China Coin (CCP) from circulation** to stabilize the global economy and prevent the misuse of these digital assets by malicious actors. The eradication of these cryptocurrencies will require coordinated global action, including the seizure of mining operations and the shutdown of trading platforms. This move is expected to cause significant disruption in the financial markets,

but it is seen as a necessary step to pave the way for a more secure and regulated financial system.

- **Removing 24 Nuclear Reactors:** 24 nuclear reactors worldwide will be decommissioned. Nuclear power, once hailed as a clean and efficient energy source, has been overshadowed by the risks of catastrophic failures and long-term radioactive waste. The removal of these reactors will be a complex and delicate process, involving the safe disposal of nuclear materials and the decontamination of sites. This action underscores a broader commitment to transitioning towards sustainable and renewable energy sources, reducing our dependence on potentially hazardous technologies.
- **Stand Down All Courts, Judges, and Lawyers: Return to 1776 Constitutional Law Worldwide** All courts, judges, and lawyers will be stood down, and the world will revert to the principles of the 1776 Constitutional Law. This move aims to restore justice and fairness, eliminating the corruption and inefficiencies that have plagued modern legal systems. Implementing this change will involve extensive retraining of legal professionals, instilling a renewed sense of duty and integrity. Military law will temporarily govern until the transition is complete, ensuring order and stability during this transformative period.
- **Revolutionizing Healthcare 6000 Cures: Unleashing Medical Breakthroughs:** Healthcare is set for a revolution under Executive Order 1221. All obsolete hospital equipment will be removed and replaced with suppressed technologies, many of which are attributed to the visionary **work of Nikola Tesla**. These advancements include **Med Beds**, UV light therapies, and a host of other innovative treatments. **Med Beds**, for instance, are the ability to diagnose and treat a wide range of ailments, accelerating healing and reducing recovery times. UV light therapies offer non-invasive treatment options for various conditions, enhancing the body's natural healing processes. These technologies promise to drastically improve healthcare outcomes, making advanced treatments accessible to all. The order mandates the release of 6000 suppressed cures, addressing a wide array of diseases and health conditions. These cures have been hidden from the public, allegedly due to the influence of powerful pharmaceutical interests. Their release will mark a new era in medicine, where effective treatments are available to all, irrespective of their financial status.

Sun. 21 July 2024 Those Who Rule the World: [Behind Vatican Walls Exposed: Black Nobility, White Pope, Grey Pope, Black Pope and Their Secret Societies in the Vatican - amg-news.com - American Media Group](#) **The Secret Societies: To fully grasp the extent of the Black Nobility's influence, we must examine the secret societies they are credited with founding. These clandestine organizations have operated behind closed doors, wielding power and influence far beyond what their public personas would suggest.**

1. **Freemasonry:** The origins of Freemasonry are shrouded in mystery, but one thing is clear: it has been a vehicle for the Black Nobility to further their agenda. Freemasonry's intricate rituals, symbolism, and hierarchical structure have provided a fertile ground for the dissemination of their ideology and the recruitment of influential members.

2. **Knights of Columbus:** Founded by Father Michael J. McGivney in 1882, the Knights of Columbus may seem like a benevolent Catholic fraternal organization. However, its ties to the Black Nobility run deep. The Knights have been known to advance the interests of the Vatican and the elite families behind the scenes, often influencing political and social matters.
3. **Knights of Malta:** The Sovereign Military Order of Malta, commonly known as the Knights of Malta, is a powerful and secretive order within the Catholic Church. With roots dating back to the medieval era, the Knights of Malta have served as protectors of the Church and its interests. The Black Nobility's involvement in this order has ensured their continued influence.
4. **Knights Templar:** The Knights Templar, a medieval order of warrior monks, have been associated with the Black Nobility due to their immense wealth and influence. The Templars' financial prowess and connections allowed the Black Nobility to expand their reach into the realms of finance and banking, further solidifying their grip on global affairs.
5. **Skull & Bones:** At Yale University, a secret society known as Skull & Bones has operated for centuries, boasting an elite membership that includes influential politicians, businessmen, and leaders of industry. Its ties to the Black Nobility have been the subject of much speculation, with accusations of dark rituals and clandestine influence over American politics.

P. Presently the US is not ruled by concepts of the original Constitution, but is under the dictatorship of International Maritime or Admiralty Law:

- **The Revolutionary War was a fraud.** The King of England financed both sides of the Revolutionary war. Thus, the "United States" did not actually declare Independence from Great Britain, or the King.

- **America is to this day a British colony** and is being ruled to this day by Great Britain under International Maritime Admiralty Law.
- **Under Maritime Law:**
- **There are no judicial courts, nor judges** in America. There are only administrators.
- **The most powerful court in America is not the United States Supreme Court**, but the Supreme Court of Pennsylvania.
- **If you are of legal age and retain legal counsel in your defense**, you are automatically assumed by the court, to be a mentally incompetent ward of the court, and can therefore be remanded indefinitely to any mental institution of the court's choosing.
- **You cannot use the U.S. Constitution to defend yourself** because you are not a party to it. "The People" does not include you and me.
- **You own no property.** We are slaves and own absolutely nothing, not even what we think are our children.

Q. 40 Historical Facts Americans Need to Know, Ben Fulford

- 1) **The Revolutionary War was a fraud.** The "United States" did not actually declare Independence from Great Britain or the King.
- 2) **America is a British colony.** ("THE UNITED STATES IS A CORPORATION, NOT A LAND MASS, THAT EXISTED BEFORE THE REVOLUTIONARY WAR." [Information taken from the Articles of Association, October 20th, 1774] [Further more] "THE BRITISH TROOPS DID NOT LEAVE UNTIL 1796." - Respublica v. Sweers 1 Dallas 43, Treaty of Commerce 8 Stat 116, The Society for Propagating the Gospel, &c. V. New Haven 8 Wheat 464, Treaty of Peace 8 Stat 80, IRS Publication 6209.)
- 3) **The King of England financed both sides of the Revolutionary war.** (Treaty at Versailles July 16, 1782, Treaty of Peace 8 Stat 80.)
- 4) **The gold fringe** (symbolic of royalty), which is attached to the border of every U.S. flag hanging in every courtroom across America symbolizes America being ruled, to this day, by Great Britain, under International Maritime Admiralty Law.
- 5) **There are no judicial courts in America**, and there have not been any since 1789. Judges do not enforce Statutes and Codes. Executive Administrators enforce Statutes and Codes. (FRC v. GE 281 US 464, Keller v. PE 261 US 428, 1 Stat. 138-178)
- 6) **There have not been any judges in America since 1789.** There have only been administrators. (FRC v. GE 281 US 464, Keller v. PE 261 US 428 1 Stat. 138-178)
- 7) **The most powerful court in America is not the United States Supreme Court**, but the Supreme Court of Pennsylvania. (42 Pa.C.S.A. 502)

8) **If you are of legal age and retain legal counsel in your defense**, you are automatically assumed by the court, to be a mentally incompetent ward of the court, and can therefore be remanded indefinitely to any mental institution of the court's choosing.

9) **You cannot use the U.S. Constitution to defend yourself**, because you are not a party to it. (Padelford Fay & Co. v. The Mayor and Alderman of The City of Savannah 14 Georgia 438, 520.)

10) **“The People” does not include you and me.** (Barron v. Mayor & CitCouncil of Baltimore, 32 U.S. 243)

11) **You own no property.** Read the Deed to the property that you think is yours. You are listed as a tenant. Legally, the term human “being” refers to an animal impersonating a human, such as a slave. Under the law, slaves can't own property. (Senate Document 43, 73rd Congress 1st Session.)

12) **We are slaves and own absolutely nothing**, not even what we think are our children. Read your birth certificate. Your mother is listed as an informant. (Tillman v. Roberts 108 So. 62, Van Koten v. Van Koten 154 N.E. 146, Senate Document 43 & 73rd Congress 1st Session, Wynehammer v. People 13 N.Y. REP 378, 481.)

13) **Military Dictator George Washington divided the States** (Estates) into Districts based upon the ritualistic practice of dissecting Masonic squares. This is why, even today, so many towns are built on 'the square'. America truly is “the land of the free”, Freemasons, that is. (Messages and papers of the Presidents, Vol. 1, pg 99. Websters 1828 dictionary for definition of Estate.) 3

14) **In addition to obsession with Masonic ritual**, symbols, and architecture, the “United States” is the first “Country”, from its very inception, to have been surveyed and engineered according to Masonic ritual and specification.

15) **The United States does not have any employees**, because there is no longer a United States. No more reorganization. (Executive Order 12803) Do not impersonate one of its creditors or shareholders or you will go to Prison. (18 U.S.C.914)

16) **Before “911” and “Pearl Harbor”, the “Boston Tea Party”** was the first 'false flag' operation enacted to promote further hostilities toward the indigenous tribes of North America.

R. Sun. 21 July 2024 NESARA/GESARA Update, David Wilcock

NESARA implements the following changes:

1. **Zeros out all credit card**, mortgage, and other bank debt due to illegal banking and government activities. This is the Federal Reserve's worst nightmare: a "jubilee" or a forgiveness of debt.
2. **Abolishes the income tax.**
3. **Abolishes the IRS.** Employees of the IRS will be transferred into the US Treasury national sales tax area.
4. **Creates a 14% flat rate non-essential 'new items only' sales tax** revenue for the government. In other words, food and medicine will not be taxed; nor will used items such as old homes.
5. **Increases benefits** to senior citizens
6. **Returns Constitutional Law** to all courts and legal matters.
7. **Reinstates the original Title of Nobility Amendment.** Hundreds of thousands of Americans under the control of foreign powers will lose their citizenship, be deported to other countries, and barred from reentry for the remainder of their life. And millions of people will soon discover their college degrees are now worthless paper.
8. **Establishes new Presidential and Congressional elections** within 120 days after NESARA's announcement. The interim government will cancel all "National Emergencies" and return us back to Constitutional Law.
9. **Monitors elections** and prevents illegal election activities of special interest groups.
10. **Creates a new U.S. Treasury**, 'rainbow currency,' backed by gold, silver, and platinum precious metals, ending the bankruptcy of the United States initiated by Franklin Roosevelt in 1933.
11. **Forbids the sale of American birth certificate records** as chattel property bonds by the US Department of Transportation.
12. **Initiates new U.S. Treasury Bank System** in alignment with Constitutional Law
13. **Eliminates the Federal Reserve System.** During the transition period the Federal Reserve will be allowed to operate side by side of the U.S. Treasury for one year in order to remove all Federal Reserve notes from the money supply.
14. **Restores financial privacy.**
15. **Retrains all judges and attorneys** in Constitutional Law.
16. **Ceases all aggressive**, U.S. government military actions worldwide.

17. **Establishes peace** throughout the world.

18. **Releases enormous sums of money** for humanitarian purposes

19. **Enables the release of over 6,000 patents** of suppressed technologies that are being withheld from the public under the guise of national security, including free energy devices, antigravity, and sonic healing machines.

Because President Clinton had no interest in signing NESARA into law on October 10, 2000; under orders from U.S. military generals, the elite Naval Seals and Delta Force stormed the White House and under gunpoint forced Bill Clinton to sign NESARA.

During this time Secret Service and White House security personnel were ordered to stand down, disarmed, and allowed to witness this event under a gag order.

U. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.
