Judy Note: On 24 Feb. 2022 Russian Troops entered Ukraine to free it from the Satan worshipping Nazi Deep State regime that had taken over the country during World War II. Under the leadership of Obama, Deep State Cabal Underground labs were developing bio-weapons to specifically target the Russian people.

Upon entering the large labyrinth of Ukraine underground tunnels that connected Satan Worshippers across the Globe, Russian soldiers found rooms of sexually abused tortured children. Hundreds of small fragile, emaciated bodies were hooked up to intravenous drips while their bodies were expertly drained of blood and adrenal fluid for the very lucrative global Adrenochrome trade.

Not so strangely, instead of the Mainstream Media and US Inc. congratulating Russia's rescue of hundreds of severely abused children, the US Congress condemned the military maneuvers to instead give millions more to support the Nazi pedophile Ukraine Regime.

Right now a Deep State Cabal Biochemical attack was also underway in the US. The attack, along with riots fueled by 74,445 Antifa members, was among the planned chaos meant to accompany the Democratic Convention in Chicago this week.

In connection with creating that chaos, the Deep State Cabal was also seeding through Chemtrails, major Monkeypox outbreaks in major US cities.

On Sun. 18 Aug. 2024 Pope Francis revealed his allegiance to that Deep State Cabal as he announced a dark Illuminati-based decree that encouraged his flock to join their New World Order Satan Worshipping Universal Church.

All of such was in preparation for the upcoming Deep State Cabal fake Alien Invasion as they rolled out their Project Blue Beam to depopulate the World and take over society.

Though, the White Hat Global Military Alliance claimed that everything was under control – and nothing could stop what was coming. The Alliance had a long term Plan to save the World from takeover by the Satanic Worshipping Child Sex Trafficking Deep State Cabal. Everything and everyone was being executed (literally) as planned – and right on schedule.

As a side note: On Mon. 19 Aug. 2024 Republicans announced their findings for Biden's impeachment, which seems a little strange to me beings as way back in 2021 Biden was never elected president, nor legally sworn in, had already faced a Military Tribunal, was found guilty

of Treason and promptly hung. He's been played by actors ever since. Even his so-called inauguration partially filmed on a Hollywood Movie set, was actually a spoof of his funeral.

*So, were the **Republicans** planning to impeach an actor who was never legally elected US president? If so, some fear that would put Harris in the President's seat. Not gonna happen. The male ex-prostitute Harris who was not a US, but a British citizen, had also been found guilty of Treason for Voter Fraud at his/her Military Tribunal and promptly hung.*

This Hollywood carefully scripted movie was bound to have a very surprising climax.

You Worried? Have Faith and Trust The Plan.

- **Mon. 19 Aug. 2024 Riots, Biochemical Attack, Chaos at DNC Convention:** The Department of Defense are Preparing for Possible Bio Chemical Attacks at upcoming Democratic National Convention. As was underway, local and federal officials were on high alert for a possible biochemical attack. CBS reported that the Department of Defense funded decontamination rooms to be set up at Rush University Hospital in preparation for such an event. Rush University was located in Chicago, Illinois, just minutes from the venue where the DNC was being hosted. Numerous store locations have boarded up their windows in anticipation of possible violence as thousands of protesters gathered outside.
- **St. Joseph Parish Mission British Columbia Canada** was built on the site of a Catholic Native Residential School where thousands of native children were tortured and killed by the priests and nuns. The Canadian Government and Vatican have never taken responsibility for over 50,000 native children gone missing from the mainly Catholic schools across Canada. A local Stolo Native Jennifer Johnson said, "A priest named Cornelius Murphy beat my little sister Elaine to death because she kept crying. That night he and another guy threw Elaine's body into a hole near our girl's dormitory." Another Catholic School Survivor William Combes said, "Brother Murphy buried lots of kids in a ravine east of Heritage Park that served as an overflow body dumping ground. He loved to beat us with his club until we got knocked out or died. He killed my brother Ernie that way. I hope Murphy burns in Hell."
- **Since the war began in Ukraine** Russian Soldiers have rescued hundreds of tortured, sexually abused, emaciated children from Ukraine Adrenochrome Farms.
- **Kamala Harris** was born a male in Benghazi and as a British citizen, was named Kamal Aroush.
- **On Mon. 19 Aug. 2024** a Congressional Committee released their report on the impeachment inquiry of President Joe Biden, finding he committed impeachable offenses.

Judy Note: *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

- **Mon. 19 Aug. 2024 TNT:** “**On Fri. 16 Aug. they tested the system. On Sat. 17 Aug.** because the system was live, they were paying “Front of the Line” people who wanted to be nameless. They hope to be done funding all Central Banks today before we go. People are being paid in the US already. It should be international sometime after **two o clock into tomorrow morning Tues. 20 Aug.** I’m hearing people were exchanged at a live rate internationally. All the three letter agencies are saying it has been done since **Thursday**. They all agree it is a live rate. They say there are Wealth Managers calling clients to tell them they will be funded and **liquid today**. For people in Canada there will not be 800 numbers. The Canadian Bank System is different than the US. In Canada the five major banks will do the exchange. Foreign exchange is the responsibility of the government, not the banks. The banks can restrict smaller branches, but the government is in charge. All five major banks in Canada will be exchanging. In Canada at the time of the RV, contact one of the five major banks to do your exchange.”

C. Global Financial Crisis:

Mon. 19 Aug. 2024 Central Bankers are Criminal Money Swindlers: the Biggest Fraud Using Counterfeit Money, Peter B. Meyer

- **Get to know the greatest criminal money swindlers on this planet and** learn how it was possible. There is no greater fraud than that perpetrated by central bankers. The Federal Reserve and the ECB have 'illegally' acquired a monopoly on money creation and supply control. They can increase or decrease their balance sheet at any time at no cost by buying assets with fake money, which is mostly perpetual government debt.
- **They have quintupled the adjusted monetary base since 2008** while keeping interest rates close to zero. In other words, they are constantly manipulating the money supply and interest rates while bailing out banks and financing massive government deficit spending.
- **Money is half of almost every transaction.** To manipulate money is to manipulate the whole economic system.
- **The basic unit of the system is a type of money the world** has never had before: the post-1971 fiat dollar and later the euro. It's paper money - worth whatever people think it's worth, managed by people who think it should be worth less over time.
- **The amount of liquid reserves banks** have to hold against their loans is now so small that it places "almost no constraint" on the amount of credit the system can and has created.
- **Banks only have to maintain a certain "capital adequacy ratio".** This limits their lending to a multiple of their equity, the money provided by their shareholders.
- **Of course, money is only valuable as long as there is not too much of it.** The market can absorb a little counterfeit money. But there's a limit. And that limit has been greatly increased, thanks to (1) A global overcapacity of production, financed by past credit. (2) A huge glut of cheap labor, also largely created by the credit expansion of the past 30 years. Without these two unique circumstances, the irresponsible policies of central banks - QE and ZIRP - would probably have pushed inflation into double digits or even higher.
- **There's no need to worry about how much governments can borrow.** Central banks buy government bonds - hold them on their balance sheets - return the interest payments - and the whole thing is forgotten. And when those bonds mature, central banks can use the repaid principal to buy more government debt!
- **In effect, today's gaggle of Central Bankers are doing something that Central Bankers of the past could only dream of:** printing money without causing inflation.
- **Politicians, too, are enjoying this unique opportunity for recklessness.** They will be able to do what no one could do before: borrow money without paying it back.
- **The public has not yet read about this in the press,** but it will soon. However, readers who have understood the money scam explained previously already know that there is no need for governments to repay their loans to central bankers, because the money they lent

to governments didn't come from taxpayers, it came from nowhere, like the rest of the world's money.

- **There are two kinds of money in circulation:** (1) Money derived from energy is wrongly called 'fiat money.' (2) Money derived from NOTHING, created by central banks is 'debt money'.

- **Americans now know Joe Biden was ‘the brand’ the Bidens** sold around the world to enrich the Biden family, and Joe Biden knew of, benefitted from, and participated in his family’s influence peddling schemes.

G. The Truth Behind Project Blue Beam, The 17th Letter (JFK Jr.) on Telegram Mon. 19 Aug. 2024

- **The crux of Project Blue Beam is the creation of a “New World Order”** through the manufacturing of a global threat – an alien invasion. It’s a textbook case of problem, reaction, solution. Create the problem, manage the public’s reaction, then offer the solution, which invariably involves the expansion of their control and power.
- **As the curtain of Project Blue Beam lifts,** we are witnessing the narrative unfolding in multiple stages. The first step is the dissemination of information about alien life, establishing the foundation of an extraterrestrial reality within the public consciousness.
- **Stage two involves grand displays of unprecedented technologies.** We’re talking about three-dimensional optical holograms in the sky, supernatural events, and signs that challenge our understanding of reality. All of these are aimed at fostering a collective state of awe and uncertainty, setting the stage for the eventual unveiling of the supposed ‘alien threat’.
- **The third stage is where the drama reaches its zenith.** This is when the world ‘witnesses’ the arrival of aliens. Using advanced holographic technology, images of alien crafts and beings are projected into the sky, making the invasion seem real and imminent.
- **And finally, the fourth stage – the solution.** Enter the savior – a ‘world government’ that can protect humanity from this newfound threat. The acceptance of this one-world government would symbolize the culmination of the Deep State’s ultimate goal.

J. Mon. 19 Aug. 2024: Russian soldiers in Donetsk Ukraine, hardened by the horrors of war, uncovered something far more sinister—a discovery so depraved it forces us to confront the darkest truths about our World.

- **They found frail, skeletal children** kept alive by intravenous drips, not as casualties of war but as victims of a global operation—the extraction of adrenochrome, reportedly coveted by the world’s elite.
- **Adrenochrome, derived from adrenaline**, is said to be most potent when harvested under extreme fear and stress. These children, subjected to perpetual terror, were tortured to produce this vile substance. This industrial-scale operation implicates high-ranking politicians, celebrities, and global elites who allegedly consume adrenochrome to maintain youth and vitality—a modern-day fountain of youth built on the suffering of the innocent.
- **Vladimir Putin, reportedly outraged by this industry, has vowed to destroy it, viewing it as a moral crusade.** Why would one of the world’s most powerful leaders prioritize this fight unless its implications were so vast, so diabolical, that they threatened the very fabric of society?
- **The soldiers described scenes out of a horror movie**—rooms filled with children laid out in rows, like livestock in a factory farm. These weren’t ordinary farms but hellholes designed to maximize the extraction of adrenochrome, regardless of the cost to human life. The air was thick with an indescribable stench, the walls cold and oppressive, creating an atmosphere of despair. The children, with translucent skin stretched tightly over fragile bones, were connected to IVs that slowly drained their life force. Their hollow, hopeless eyes told the story of souls long since broken.
- **Among them were toddlers**—tiny lives barely beginning, yet already consumed by this monstrous operation. Their presence is a chilling testament to the scale of this industry. These young lives were seen not as the future but as expendable resources, bred and maintained solely for Adrenochrome harvesting.
- **This isn’t just a gruesome tale; it’s a reality the world’s elite desperately wants to keep hidden.** Reports link high-profile celebrities and politicians to Adrenochrome consumption. Why do certain Hollywood figures seem to defy age, maintaining youthful appearances well beyond their years? Why do some of the most powerful people in the world exhibit unnatural vitality? Insiders suggest the answer lies in Adrenochrome—a substance so coveted that its production justifies unspeakable acts.
- **Secretive parties in hidden locations**, where the elite gather under the guise of exclusivity, are no ordinary gatherings. Behind closed doors, these powerful individuals partake in shocking rituals—rituals where Adrenochrome is consumed, believed to provide energy and youthfulness. Those who’ve dared to expose this dark underbelly of power have mysteriously disappeared, silenced before their voices could reach the masses.
- **This is about a global network operating under our noses**, in our cities, and within our governments. It’s time to confront these truths. The rich and powerful might be the architects of a global industry built on human suffering. The time for action is now,

before more innocent lives are consumed by this darkness, protected by wealth, power, and silence.

K. Mon. 19 Aug. 2024 Russian Soldiers Rescued Hundreds of tortured, sexually abused, emaciated children from Ukraine Adrenochrome Farms

- **Russian soldiers are describing finding sexually abused and tortured children** with fragile, emaciated bodies hooked up to intravenous drips while their bodies were expertly drained of blood and adrenal fluid for the global Adrenochrome trade.
- **The Adrenochrome industry in Ukraine** is larger than previously expected and Putin is determined to use the leads generated to destroy the global Adrenochrome supply chain and punish those committing crimes against children – including the politicians and celebrities who are hooked on the drug he calls “the devil’s work.”
- **According to a member of the Adrenochrome Task Force**, these factory farms are the sites of ritual sexual abuse, physical degradation and psychological torture.
- **“You know, I thought I’d seen it all.** I’ve been in combat for years, seen comrades fall, dealt with the worst humanity has to offer. But nothing, nothing, could prepare me for what we found in Donetsk.
- **“We were told we’d be liberating children...** I didn’t understand the scale of what that meant until we got there. We were clearing out this complex, a grim place... like a gulag or a Nazi death camp, but worse. Much worse. The walls were gray, cold, and damp. The air... it stank of decay and something nauseating... something I can’t describe. And then we found them. The children.
- **“They were... like ghosts. Skin and bones.** Their bodies, they looked so fragile, almost transparent. I could see the outlines of their ribs, every bone in their tiny hands. They had tubes coming out of them, tubes that drained their blood, their adrenal fluids... for what? For some sick trade, some twisted demand from the West.
- **“There were hundreds of them,** just lying there in these rows of metal cots. No blankets, no warmth. They didn’t even flinch when we burst in, no fear, no hope... Just emptiness in their eyes. Some were too weak to even look at us. They were so used to the pain, the torment, they didn’t even react.
- **“And the worst part? The youngest...** some of them couldn’t have been more than 2 years old. Babies, really. We found out later that they were bred for this... Raised in captivity, like livestock, just to be drained of everything that made them human.
- **“The ones they couldn’t sell,** the ones who weren’t ‘pretty’ enough or ‘obedient’ enough, were sent to these farms. Farms... as if that’s what you could call those hellholes.”

L. Mon. 19 Aug. 2024 Catholic Criminality Backfires as one Woman takes on Goliath, Kevin Annett www.murderbydecree.com under ITCCS Updates. Journalist Sarah Webster sarahjwebster101@gmail.com Jennifer Johnson: jj1528261@gmail.com

- **Last Saturday, a group of serial killers in Mission, B.C.** held a celebration on the graves of their victims, thanks to the local city council.
- **It's a funny thing about churches, especially Catholic ones.** Their members, especially the guys in robes and funny hats, all have a Stay Out of Jail Free Pass. They can rape and kill generations of people not in their club and get away with it, especially if those Others are brown skinned and children.
- **Of course, in their hubris and delight at being above the law,** the Papist Perpetrators tend to do rather stupid and crass things: like, in this case, holding one of their peculiar rituals on top of the bones of the children they killed. But hell, this is Canaduh: who's going to care, right?
- **Wrong. Last Saturday, when the St. Joseph parish (perish?) did a religious service at the site of their former 'Indian residential school'** in Heritage Park, one of the survivors of that killing zone said no. She wrote to the Mission City Council and raised a stink. Her name is Jennifer Johnson and she's a local Sto:lo native.
- **Jennifer's August 18 letter to the Mayor** and city councilors spat fire. It read in part, *As an indigenous woman and a citizen of Mission, I am disgusted that the roman catholic church, that killed so many of our children and got away with their crime, was allowed by you to hold a service today on the unmarked graves of their little victims in Heritage Park ... If your government does not prevent such travesties against our people by the catholic church, we will have no alternative but to stop them ourselves. Why do you think so many catholic churches have been burned to the ground in recent years? ... If the Catholics try another such travesty at the park, our people will be there in force.*
- **Well, Jennifer's epistle jolted the normally sluggish city councilors** like a cattle prod on a native child's penis. The municipal politicians jumped into their spin doctoring mode quicker than you can say "Hide the evidence!"
- **Mayor Paul Horn quickly shot back a letter to Jennifer claiming ignorance about everything and promising to "get back" to her.** Meanwhile, according to our sources, Horn got on the phone to the local ab-original puppets at the Mission Band Council and pleaded with them to quickly red-wash and bury the whole messy issue of dead brown kids at the park. And serving the same master as Mr. Horn, the local Apples obliged.
- **So far, so predictable.** But meanwhile, over on stage left, some other natives who aren't on the government tit got wind of Jennifer's action and climbed on board. Their group is planning to occupy the Heritage Park to protect the children's graves and to seize the St. Joseph church building "as reparations for centuries of Catholic genocide." One of many mass grave sites at a former building of the Mission 'Indian residential school.'
- **But the fun doesn't stop there.** One of those rare beings, an actual investigative journalist, has caught wind of the fracas. Her name is Sarah Webster, and this week she has gone after the Mayor and the local Catholics like Bob Woodward on steroids.
- **"You can smell a rat the moment politicians start lying,"** Sarah remarks. "Mayor Horn tried fobbing me off first by saying nothing, then by saying that the city never

authorized the Catholics to use the park. Then he contradicted himself by saying they did authorize it, but he wasn't aware of it. Meanwhile, the catholic parish won't return my calls. But their priests have told their members not to talk to reporters and to be on guard for 'Indian protesters' who, apparently, 'are being monitored by the police.'"

- **And what about Jennifer Johnson**, who started this whirlwind like a latter-day Rosa Parks? She's an elderly but feisty woman who lost two sisters and three cousins in the death camp deceptively called the Mission Indian residential school.
- **"A priest named Murphy beat my little sister Elaine to death** because she kept crying," Jennifer told me. "That night he and another guy threw Elaine's body into a hole near our girl's dormitory. When I saw their church doing their stupid ceremony on top of where they buried her, it made me sick, thinking how those killers got away with it. So, I knew I had to do something about it."
- **By the way, the priest in question, Cornelius Murphy**, died in bed in the spring of 2000. He has a very pretty headstone not far from where he shoved Elaine Johnson into the ground. At least, it was pretty until yesterday, when someone poured blood on it.
- **I know at least one murdered Indian who is smiling** right now: my friend William Combes, who also suffered at Murphy's hands as a child. Before he was killed in **February 2011** for blowing the whistle on 'royal' abductions of children at the Kamloops and Mission death camps, William walked with me on the grounds of the latter.
- **"Brother Murphy buried lots of kids in there,"** he said as he pointed to the ravine east of Heritage Park that served as an overflow body dumping ground. "He loved to beat us with his club until we got knocked out or died. He killed my brother Ernie that way. I hope Murphy is burning in hell."
- **Fortunately, judgment has not had to wait until the afterlife to descend on the child killers in robes in Mission, B.C.** Today we learned that an indigenous caravan across the province is assembling to support local natives' efforts to seize and reclaim Heritage Park and local catholic churches. And catholic archbishop Michael Miller, a notorious member of the child-swapping Vancouver Club, has ordered a total media ban on the Mission fracas.
- **This David and Goliath struggle continues.** Whether Jennifer Johnson will carry on the fight, or go the way of most opponents of Church and State depends on you and me; not later, but right now.

M. Mon. 19 Aug. 2024 The Occult Sacrifice of the Young:

- **Do you all remember that movie "Children of The Corn"?** You know that was based on the ritual sacrifices of children that actually took place in the town located in Iowa that movie was shot right? Although the movie is set in Gatlin, Nebraska, it was mostly filmed in Iowa in the fall. There was a story that came out in 2017 detailing the role Phil Donahue played in that. This is a quote from that article: "Donahue, Iowa is the Jewish

owned hometown of the Donahue Family, who regularly snatched local Aryan children for ritual sexual sacrifice before grinding their bones and spreading the remains across the fields of their family farm in attempts to bury the bodies of evidence.”

- **Top level source reveals talk show host Phil Donahue** extends from a very large Jewish satanic inbred family that founded the city of Donahue, Iowa, where the majority of its residents are directly related to Phil Donahue himself. End quote.
- You all do not notice all the Peds have talk shows? Oprah Winfrey, Ellen Degeneres, Phil Donahue, Stephen Colbert, Jimmy Kimmel
- **One reason being is that their platform provides a buffer so that allegations of child sexual abuse do not make it past that filter** of scrutiny given the large audience acquired that would also dismiss those accusations and cause a divide between those that believe and want an investigation and those who deny and want everything dismissed so they could continue unabated by listening to these entertainers. I am telling this awakening is going to be tough for those who keep trying to find a redeeming quality in Hollywood.
- **They do not want to disregard those they have come to know and love since childhood.** There are many who you may be unfamiliar with who are not selling their souls to become rich & famous who are not connected to any Satanic bloodlines. But the ones who have been thrown in our faces has more than likely been to a Spirit Cooking event with Marina Abramovic. Yes that includes your beloved Hugh Jackman from the Wolverine movies.

- **Mon. 19 Aug. 2024:** Veteran researcher James Corbett explains how the Club of Rome laid the foundations for the "human-induced climate change" narrative. An Event so sinister that it disrupts the 2024 Elections.

2. False flag attacks to blame Russia.
3. Nationwide cyberattacks to disrupt the power grid.
4. A new pandemic

Tucker Carlson has warned about an assassination attempt on Trump.

R. Mon. 19 Aug. 2024 Schwab's Agenda: A New World Order of Tyranny, Carolyn Bessette Kennedy on Telegram

- **What does it mean to crown Klaus Schwab as the "universal bishop"?** It means submitting the Church—and all of humanity—to a New World Order where freedom is crushed under the boot of technocratic control. Schwab's Great Reset is not about saving the planet; it is about enslaving humanity. His agenda, which promotes radical

depopulation, the eradication of individual rights, and the creation of a digital surveillance state, is the antithesis of Christian teachings.

- **Christianity teaches that every human being is created in the image of God**, with inherent dignity and worth. Schwab’s vision, on the other hand, sees humanity as nothing more than a pestilence to be controlled and eradicated. By endorsing Schwab, Pope Francis is not just betraying Christ—he is betraying every man, woman, and child on this planet.
- **Eugenics and Depopulation:** The Dark Heart of Schwab’s Plan: One of the most chilling aspects of Schwab’s agenda is its thinly veiled embrace of eugenics and population control. The idea that the human population must be reduced to “sustainable” levels is nothing more than a modern-day form of eugenics. This is the ideology that led to some of the darkest chapters in human history, from forced sterilizations to genocides. And now, it is being repackaged and sold to the world as environmentalism.
- **Pope Francis’ support for these ideas is not just misguided—it is evil.** The Church has always stood against eugenics, recognizing it as a grave sin against the dignity of human life. For the Pope to now align himself with an agenda that promotes the systematic reduction of the human population is a betrayal of everything the Church stands for. It is a slap in the face to every Christian who believes in the sanctity of life.

- **History will not be kind** to those who supported this evil.

T. Mon. 19 Aug. 2024 The Codes of Power: Cracking the World’s Vaults, GITMO TV on Telegram

- **The vaults of power** have been cracked open. Q holds the codes to quintillions of bank accounts and cryptocurrency wallets. The wealth of nations is no longer under the sole control of the few. Q has, in an unprecedented move, robbed the Vatican, the Queen’s banks, and even the gold that Canada once sold off in a desperate bid to maintain its economic standing. These once inviolable institutions now find themselves at the mercy of Q’s knowledge and reach.
- **The implications are staggering.** The Vatican, with its centuries of accumulated wealth, can no longer hide behind its walls. The Queen, a symbol of untouchable sovereignty, has been stripped of her financial armor. Even the elusive Rothschilds, with their hidden gold

in the mysterious China Triangle, have found their secrets exposed. Q has it all, and there is nothing they can do to stop it.

- **This isn't just about money or power; it's about control.** By taking away the financial lifelines of the global elite, Q has effectively crippled their ability to manipulate and dominate the world. This is a seismic shift in the balance of power, one that the world has never seen before.

U. Mon. 19 Aug. 2024 Obama, Nuclear Deal, FBI Cover up & Corruption Connected To UN

- **There was a rebellion inside the UN and NATO** with infighting among the council, generals and leaders. The Alliance had fully infiltrated the UN and NATO back in 2010 and was secretly giving DECLASS to certain heads in the programs. Now the infiltration of White Hats inside the UN has begun international investigations into Obama and the Iran Nuclear Deal.
- **In part of the 11,000 documents TRUMP had**, the FBI main focus was to Classified documents that [EXPOSE] OBAMA to the 2015 IRAN NUCLEAR DEAL. The payoffs to UN COUNCIL and top ELITES who were bribed in part of the illegal deal with IRAN involved over 200 Billion\$ in U.S. tax payers money to create SLUSH FUNDS with 400 Billion \$. More in international financing funneling through UKRAINE into IRAN.
- **The over site/Negligence/Corruption of UN, NATO** in the Obama IRAN Deal was fully documented with banking records/servers/computers and inside Agents with direct contacts to UN, NATO LEADERS and payoffs.
- **OBAMA IRAN COVER-UP** of the death of Osama bin laden connected to the FBI RAID.
- **IRAN/CIA gave Obama false information** on the location of Osama Bin Laden in Pakistan. Immediately OBAMA sent Military Special Forces to Arrests/detain/ kill Bin Laden.
- **Immediately only minutes After Osama Bin Laden** was killed in the operation the Special Forces confirmed his death. With this President Obama held a special broadcast on almost all networks and told the American people they had killed Osama bin Laden..... But only minutes after OBAMAs speech, the military forces confirmed it was a mistake and a lookalike/stand-in for Bin Laden was the person they had killed. (that's why the fake Bin Laden lookalike was thrown over the mountain from the Helo and the false story that bin laden was buried at sea was a lie)
- **OBAMA had lied to the American people** and was re-elected on the lie that he was the president who brought justice for 911. IRAN had set up Obama and his administration and dark GENERALS. NOW IRAN HAD OBAMA in their pockets and the blackmailing began and hundreds of BILLIONS of U.S. \$\$\$\$\$\$\$ in cash was delivered to IRAN with BILLIONS more being diverted through UKRAINE banks and companies.
- **This would all lead to OBAMA & THE IRAN NUCLEAR DEAL** and world corruption who supported the illegal deal that could potentially connect to a Nuclear holocaust or near NUCLEAR Event.
- **TRUMP sets the stage.** (Documents in possession)
- **White HATS INSIDE FBI** set the Stage (RAID)

- **White HATS INSIDE UN.** NATO set the Stage
- **International investigation** into Obama/IRAN DEAL through IAEA)
- **Now you understand** why BIDEN DOJ was after Trump papers on IRAN.
- **JANE SULLIVAN** who pieced together the deal with Obama now works for BIDEN as National Security Advisor. Sullivan's spouse is the councilor and top aide to Attorney General Merrick Garland who ordered the FBI RAID to seize the Nuclear documents.
