[Come, Ye Children of the Lord | The Tabernacle Choir \(youtube.com\)](https://www.youtube.com/watch?v=...)

Come, ye children of the Lord,
Let us sing with one accord.
Let us raise a joyful strain
To our Lord who soon will reign
On this earth when it shall be
Cleansed from all iniquity,
When all men from sin will cease,
And will live in love and peace.

Oh, how joyful it will be
When our Savior we shall see!
When in splendor he'll descend,
Then all wickedness will end.
Oh, what songs we then will sing
To our Savior, Lord, and King!
Oh, what love will then bear sway
When our fears shall flee away!

All arrayed in spotless white,
We will dwell 'mid truth and light.
We will sing the songs of praise;
We will shout in joyous lays.
Earth shall then be cleansed from sin.
Ev'ry living thing therein
Shall in love and beauty dwell;
Then with joy each heart will swell.

Music: Spanish melody; arr. by Benjamin Carr, 1768–1831

Judy Note: *Way back 34 years ago in 1990 I became aware of the Satanic Ritual Abuse (SRA) of children from survivors of the evil practices as they unveiled to me their grotesque stories from childhood. We traveled to sites where they claimed that on a regular basis throughout childhood, they were raped by their fathers and other adults, plus made to witness their pets, siblings and friends tortured and killed in candle lit ceremonial circles filled with black robed Pedophile Monsters.*

For over a year and then later for over thirty years, different SRA Survivors and I gathered evidence of horrendous Crimes Against Children and presented it to various police departments, county sheriffs; all the way up to the Utah Attorney General's office and then on to investigative authorities in other states.

Sometimes cases were opened, sometimes not. The bottom line was that nothing ever really happened with the investigations. I didn't even find an investigator who would take all of my information – they said to keep it for later. Well, "Later" never happened. Perpetrators had too much power, too many political connections and were never charged. Cases were quickly closed.

I appealed to fellow therapists and professional organizations. Although there were brave souls out there doing what they could to help SRA Survivors heal, most didn't want to admit the torture of children was going on. They won't even write the words "Satanic Ritual Abuse" in their professional studies, or say the censored words at seminars. Very few would lecture on the subject. Most professionals don't want to speak out, much less hear about the ritual abuse of children so severe it fractured the young mind's thinking patterns into Dissociation, more commonly known as multiple personalities.

My research revealed that the American Psychiatric Association was founded and likely still run by perpetrators. I suspect other mental health professional organizations were, too. Their philosophy appeared to be set on denying the existence of the Satanic Ritual Abuse of children that had seeped into every facet of the Mental Health Community.

So much so that it was common for many SRA Survivors to claim having been mentally abused and drugged up by their own, although sometimes well meaning, therapists. The International and National Mental Health systems which employed and trained those therapists knew all about CIA Mind Control – they were founded on it.

At one point I became so discouraged I literally put all of my information in a very large box and placed it on the cold cement basement floor under the stairs where it couldn't be seen and I could forget it – that too, didn't happen. Over thirty years later I find myself out there still pushing to unveil unbelievable child abuse.

Thus, I understand readers who don't want to read about, or listen to those tortuous survivor stories – who wish to put the grotesque truth in the back of their mind and forget; those who want to pretend that the ritual abuse of innocent children couldn't possibly be going on – and happening right next door.

But, that kind of forgetting doesn't work either. No moral person could rightfully put out of their mind that children were being tortured, raped and killed all around them for the sick pleasures of Satan Worshippers – who also lived all around them – even were spiritual and political leaders in their own communities.

The fact was that every day, every hour, every minute and all around the World, innocent children were being abused in honor of Satan. The mentally deranged leaders in our society got away with it and protected their fellow Satanists because those rich perpetrators held a whole lot of power, while most in society wanted to stay beneath a fragile bubble of denial – that's about to pop if soldiers of the Global Military Alliance have anything to say about it.

Since 2019 those in the Global Military Alliance Special Forces have been rescuing and retrieving bodies of millions of tortured children out of dank, dark underground tunnels buried five miles beneath us all across this evil World. Judy Note: *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

- **Zurich** – I got incredible news that things are kicking off there.
- **This week Precatorias is getting ready to get done.** Their funding is controlled by the QFS. I will get their opera - not MY opera, so when I get their opera I will post it in the room(s), I will let you know IT IS FOR THE PRECATORIAS and NOT my opera. My opera will have me singing! I am just elated!

B. Tues. 20 Aug. 2004 900 Bankers sent to GITMO After Stalling GESARA

Implementation, Julian Assange:

- **900 bankers dragged from a secret meeting to Gitmo:** surveillance and swift arrests serve justice!
- **Around 900 bankers**, the titans of our financial cosmos, gathered, presumably to conclude what was one of the most important assemblies of the year.
- **The goal? To initiate the RV (Currency Revaluation)**, a fundamental shift in global economic dynamics that promises to recalibrate the distribution of wealth and usher in an unprecedented era of financial equity.
- **Yet here we are, still waiting**, pawns in a game we barely understand. Just when it seemed the time for change had arrived, it looked like Gesara (a set of economic reform proposals advocating justice and transparency in governance) was about to be implemented.
- **However, it was abruptly halted by the banking elites** who, fearing the loss of their control and influence, conspired to prevent this transformative policy from taking effect.
- **The world economy is controlled by the issuance of fake money.** By controlling the issuance of money through credit, the Rothschilds control the entire global economy. They can expand or block it at will.
- **The Depression that began in 2008** was another creation of the Rothschilds to advance their centralized global financial agenda and introduce the long-planned global central bank.

C. Global Financial Crisis:

- **Mon. 19 Aug. 2024:** [CHECKMATE!!! The Black Swan Event: A Financial Apocalypse with Stock Market and Bitcoin Collapse, Power Grid Blackout, and EBS-Triggered Quantum Energy Revolution - amg-news.com - American Media Group](#)
- **All U.S. banks have been purchased by the New U.S. Treasury** (which has relocated from Washington D.C. to the Sparks Indian Colony near Reno, Nevada)
- **Results of a military investigation** found that some bank owners secretly received a full loan payment immediately after a home owner signed mortgage papers but continued to

require and accept monthly mortgage payments from the home owner. They were double dipping.

- **Here is what has been happening for decades: In the early 1940's**, as Birth Certificates were started and generally accepted as legal documents, corrupt politicians kept the original documents, monetized and sold them on the Stock Market (parents received copies and not the originals). The politicians dipped into this hidden and illegal slush fund created from the sales. The scheme was finally revealed by Military investigators. In the next few weeks, all illegal profits made from birth certificates will be returned to each citizen.
- **Debt Jubilee or forgiveness of all debts:** For over a year now, citizens have looked forward to this benefit from the new laws of the Republic. It was finally legalized by Mr. Trump on Wednesday, July 10, 2024.
- **Details:** The U.S. Treasury will send out a computer algorithm to each bank to zero out all mortgage debt, credit card debt, car debt, etc. Citizens do not have to contact their debtor to ask for the Debt Jubilee. Watch for your new zero balance statement coming out sometime in August.
- **Changes are coming in home ownership**, foreclosures, and taxes.
- **Beginning in August**, Mortgages will be tokenized with a blockchain platform. Details will be coming. It started with the farmers of America. They have used their farm machinery and family home as collateral for security of loans. Many lost their farm and home if they defaulted on loan payments. Mr. Trump has changed the system so no family will lose their farm or home.
- **Next to be financially reimbursed are the American Indians.** Then debt relief to all U.S. citizens.
- **Foreclosures are now illegal.** No more property taxes. Sales of used homes will have no taxation; new homes will have a sales tax.
- **To cure inflation, all pricing of homes, cars, merchandise, etc. will use the pricing from the year 1955.** No more credit scores. All three credit reporting agencies have been dismantled.
- **Store Closures:**
 - Bed Bath and Beyond 360 stores
 - 99 Store 371 stores

According to Ground Command, the entire world is currently under international or global martial law (n.b. NOT national martial law) - individual governments have zero control and are in the process of renegotiating for sovereignty.

- **In other words the governments and/or government Incs are currently not recognized as sovereign** and need to register with the Archivists and Hall of Records via Ground Command and/or revised Global Intelligence Agency (GIA) structure/s.
- **Also, all countries are currently declared bankrupt** and the IME, UN, World Bank, WEF, etc. are also defunct corporations without any sovereignty. These will be replaced by a revised GIA and entity known as CARE.
- **The IRS is being restructured** and may be replaced completely. Janet Yellen has been fired (not public yet) and the US Federal Reserve + Treasury is on notice till 30 June, i.e. if they cannot pay the Global Repository back the quadrillions owed, it will be handing over ALL its assets including property, commercial property, land, business assets, etc.

E. Wars and Rumors of Wars:

- **Tues. 20 Aug. 2024 Poland:** Massive explosions in Poland as Ukraine's military stash goes up in smoke. In Poland, three trucks loaded with military equipment intended for transfer to Ukraine burned down on the way from military warehouses to a national air force base. The trucks contained helmets, body armor and boxes of mortar rounds. The detonation of ammunition was heard by residents of the surrounding areas. Firefighters were unable to begin extinguishing the fire due to explosions.

I. Tues. 20 Aug. 2024: Vaccine Harm in Babies: A critical examination

- **Vaccines have been heralded as one of the greatest achievements in modern medicine**, credited with eradicating or controlling numerous infectious diseases. This is FALSE. Let's redo this post since sarcasm is missed by most. The modern vaccine schedule, which includes multiple doses administered in quick succession, has raised concerns about potential adverse effects on infant health. In this text, we will explore how these vaccines might contribute to various health issues, considering the biochemical, photonic, and electronic interactions at play.

Biochemical and Photonic Interactions:

- Vaccines introduce antigens and adjuvants into the body to stimulate an immune response. These substances can interact with the body's biochemistry in several ways:
 1. **Trace Metals and nnEMF Absorption:** Vaccines often contain trace metals like aluminum and mercury. Research has shown that metals can absorb non-ionizing electromagnetic fields (nnEMF) if their particle size is under 100nm. This absorption can enhance local oxidative stress, leading to cellular damage and inflammation.
 2. **Oxidative Stress and Inflammation:** The introduction of vaccine adjuvants can trigger the production of reactive oxygen species (ROS) and nitrogen species (RNS), leading to oxidative stress. Chronic oxidative stress has been linked to various diseases, including neurodegenerative disorders and immune dysfunction.

Immune System Overload:

- The rapid administration of multiple vaccines can overwhelm an infant's developing immune system. This overload can lead to several issues:
 1. **Chronic Inflammation:** Persistent immune activation can result in chronic inflammation, which has been implicated in conditions such as autism spectrum disorder

(ASD), ADHD, and other neurodevelopmental disorders. Chronic inflammation can alter the brain's microglial cells, leading to abnormal neural development and connectivity.

2. **Autoimmunity:** The overstimulation of the immune system can sometimes result in autoimmune reactions, where the body's immune cells attack its tissues. This has been observed in conditions like Guillain-Barré syndrome and other autoimmune diseases.

Vaccine Ingredients and Neurological Impact:

- Certain ingredients in vaccines can have direct neurological effects:
 1. **Aluminum:** Used as an adjuvant to boost the immune response, aluminum can accumulate in the brain and nervous system, potentially leading to neurotoxicity. Studies have shown that aluminum exposure is linked to conditions like Alzheimer's disease and other neurodegenerative disorders.
 2. **Thimersol:** A mercury-containing compound used as a preservative in some vaccines has been associated with neurodevelopmental delays and disorders. Mercury is a potent neurotoxin that can disrupt neural communication and development.

Endocrine Disruption

Vaccines can also interfere with endocrine function, leading to various health issues:

1. **Hypothyroidism:** The immune response to vaccines can trigger the production of antibodies that cross-react with thyroid tissue, potentially leading to hypothyroidism. This condition can cause developmental delays, cognitive impairments, and other health issues.
2. **Gender Dysphoria:** Emerging research suggests that endocrine disruptors in vaccines might contribute to conditions like gender dysphoria by interfering with hormone signaling during critical periods of development.

Respiratory syncytial virus (RSV) infections have surged in recent years, coinciding with increased vaccine schedules. Some researchers suggest that vaccines might weaken the immune system, making infants more susceptible to RSV and other infections:

1. **Immune Suppression:** Vaccines can temporarily suppress the immune system, reducing its ability to fight off other infections. This suppression can create a window of vulnerability where infants are more likely to contract diseases like RSV.
2. **Microbiome Disruption:** Vaccines can alter the gut microbiome, which plays a crucial role in immune function. Disruptions to the microbiome can lead to an increased risk of infections and immune-related disorders.
3. **RSV as a Detox Mechanism:** It has been suggested that RSV might act as a natural mechanism for infants to clear out the "crap" from vaccines, such as trace metals and other adjuvants. The virus could trigger a detoxification response, aiding in the removal of harmful substances from the body.

Conclusion: Vaccines have undoubtedly NOT saved countless lives, it is therefore essential to consider the potential adverse effects of the current vaccination schedule on infant health. The interaction of vaccine components with the body's biochemical, photonic, and electronic systems can lead to various health issues, including chronic inflammation, autoimmunity, neuro-developmental disorders, and endocrine disruption. Further research is necessary to fully understand these effects.

J. Tues. 20 Aug. 2024: President Trump Warned Us! The WHO's Mpox Declaration Is the Start of a Global Takeover—Forced Compliance Is Next!

- **The World Health Organization (WHO)** has declared an international emergency for Mpox, but this isn't about public health. This is a calculated move by the global elite to strip away our freedoms and push us into submission under a New World Order. This isn't a virus outbreak; it's an assault on our sovereignty and autonomy.
- **President Trump saw this coming.** He warned us about the Left's plans to use another manufactured crisis—a plandemic—to scare us into giving up our rights. And here we are, on the brink of another lockdown, another wave of enforced compliance. Trump didn't mince words, and neither should we: WE WILL NOT COMPLY. This is war, and the battleground is our own homes.
- **Twenty-four Republican governors have already taken a stand, rejecting the WHO's power grab.** They know the truth: the WHO isn't just a health organization; it's a front for a globalist coup. A coup designed to strip us of our national sovereignty and replace it with a tyrannical global government. The stakes are sky-high, and the enemy is already inside the gates.
- **The WHO's so-called "pandemic plans"** are nothing more than blueprints for global domination. Their proposed modifications would give the WHO the ultimate authority to declare any situation a public health emergency. Imagine that power in the hands of unelected bureaucrats—anything from bird flu to climate change could be used to justify draconian measures, all without a single vote from the people.
- **This isn't about protecting us.** It's about total control. The WHO's Director-General, a puppet of the global elite, will have the power to dictate the fate of entire nations. We're witnessing a globalist takeover disguised as health policy, unfolding right before our eyes.
- **What measures are they pushing? Brace yourself:** mandatory vaccines, experimental gene therapy, and even forced relocation under the guise of climate change. Yes, forced relocation. They plan to move populations like cattle, controlling not just our health but our very existence.
- **These aren't traditional vaccines**—they're experimental gene therapies that could rewrite your DNA, with unpredictable effects. They're pushing these on us, fully aware of the risks, but they don't care. To them, we're lab rats in a grand experiment to see how far they can push humanity before we break.

- **They claim these vaccines are safe**, that they're for our own good, but let's be real: this is about creating a subservient population, easier to control and manipulate. They're not vaccinating us; they're programming us. And anyone who dares speak out is silenced. They've banned effective treatments like Ivermectin and hydroxychloroquine not because they don't work, but because they do. They don't want you to have options—they want you to obey.
- **The WHO's modified agreement** would extend beyond our bodies. It would control what we can say and think, silencing dissent on a global scale. Podcasters, conservative media, social media influencers—anyone with the courage to speak the truth—would be shut down, erased from the digital world. This is censorship like we've never seen, enforced by an unholy alliance of tech giants and globalists.
- **The COVID plandemic** was just the test run. They used it to condition us to accept the unacceptable. But the real show is starting now, with the WHO at the center, wielding Orwellian powers.
- **The WHO's Mpox emergency is the spark** that could ignite a firestorm of global authoritarianism. If we don't stand up now, if we don't reject this outright, we will be the last generation to know what true freedom feels like.
- **We must fight. Refuse to comply, speak out, resist**, and unite with those who see the truth. The battle for our freedom has begun, and we must fight as if our lives depend on it—because they do.

K. Mon. 19 Aug. 2024 Ben Fulford Report:

- **The removal of the top ranks of the Knights of Malta** by the Vatican means the entire leadership of NATO has been fired, P3 Freemason sources say. There is also a purge going on inside Vatican city as “Zionist cabal” members are being removed, the sources say. This is causing a leadership vacuum in the G7 group of countries as their entire economic/social system collapses.
- **We are also getting multiple reports from intelligence agency sources around the world of a new 911 or Fukushima-type event** being planned for this month. High-level sources are mentioning dates like September 8th, 11th and 23rd. This is all part of a Khazarian Mafia attempt to extort money from the rest of the world as the September 30th payments deadline for the UNITED STATES OF AMERICA corporation and its KM owners approaches.
- **In this context, there is a very real probability the EU and most governments in the EU will collapse**, possibly before the end of the month. That is because the Russians have cut off gas flows to Europe while the rest of the world has also stopped sending oil to the region. This is not just about heating European homes either: the cut-off is certain to lead to a shutdown of most industries in Western Europe. For example, a business lobby says high energy prices are already threatening to shut 60% of UK factories.

- **To deal with this situation it appears the UK government** has begun to start using previously forbidden Tesla energy technology as this photograph of Tesla coils taken in England recently shows. Other countries may have to follow suit.
- **The shutting down of the Nordstream 1 gas pipeline to Germany** for “technical reasons” has been widely reported but, it is only the tip of the iceberg. Unreported so far is that a Russian submarine entered the Mediterranean last week and cut a gas pipeline that was sending fuel to France from Algeria, the P3 sources say.
- **In yet another blow, Zaporizhzhia, Europe’s largest nuclear power plant**, was “severed from the national grid for the first time in its history after transmission lines were cut, prompting power cuts across Ukraine.”
- **With this background, mass demonstrations are continuing across Europe**, most notably in the Czech Republic and France. The situation has reached the point that Germany has created a new military unit to patrol the streets and enforce martial law starting on October 1st (the day after the Sept. 30 payments deadline) in anticipation of mass rioting and civil unrest.
- **As this is happening a series of assassinations and intrigue** are being seen at the very tiptop of world power. For example, last week Christine Chadwick – the private secretary to the head of MI6- was killed in what was “probably remote covert scalar type assassination covered with probable suicide – suicided is the formal forensic term,” MI6 sources say. Her body was cremated before MI6 could carry out a forensic examination to determine the cause of death, they add.
- **The assassination was carried out because Chadwick was getting close to the people who assassinated former M1** (the guy who controls the FED money tap) Adnan Sakli and took over control of the Federal Reserve Board money printing apparatus, the sources say. George Bush Sr. was executed in retaliation for this murder but, control over money printing inside the US remains in the hands of the Nazi faction of the KM, they say.
- **Russian FSB sources say a lot of this intrigue and chaos** comes because the person who set off this chain of Satanic events.
- **Dog Eat Dog Deep State Coup vs. Deep State Coup:** Revelations begin as the COUP of Biden is taking place and Pelosi admits to helping remove him
- **Obama is pulling the COUP** and leaving the Biden family as scapegoats./ In the next phase Obama is exposing the Biden family connection to Ukraine. The full power of Biden has been removed and the DOJ has turned on him and they are going after Joe, Hunter and family members.
- **The REAL Obama placed COUP** is only unfolding as deep state plans are under way to REMOVE KAMALA HARRIS and her vice president pick Walz.
- **Several operations** and including investigations into Kamala Harris was already initiated by Pelosi (Obama) in 2023 that will help force Kamala to be removed. (Coming in a surprise attack Kamala faces uncertain operations.... Including she could be killed in a public sphere MAGA set up)

- **Whatever evil coup and wicked games** that are unwinding inside the DNC (CIA operations/+GLOBALIST ops) it's for certain now several Democrats are in panic.
- **Several DEMocrats want Trump to win and reform the government.**
- **A Venezuela-based transnational criminal organization reportedly has given** “the green light” for gang members to attack or fire on law enforcement in the U.S. Police Department warns of the threat. TDA’s “green light” to gang members includes targeting Colorado Springs police officers. It's been well known that Venezuela gangs often carry out Sinaloa Cartels operations.
- **This all comes after secret U.S. Military training in Colorado** is taking place where Mexican citizens are being trained in military operations to take down the Mexican cartels.
- **There is major panic in the DNC as some cartels in Mexico are planning to flip on CIA and join U.S. military operations** and give full operations of the CIA control system in Mexico + corrupt U.S. military operations with drug trade in Mexico. The cartels are offering sectors of Mexican military. Militias and gorilla army to join U.S. coalition.
- **At the same time in Rome Italy at the Vatican** which has been controlled by the Ashke NaZi Jews there is massive MASSIVE infighting as the Jewish holiday GLOBALIST DAVOS want 100% control of Vatican banking system and endeavors.
- **History:** The Rothschild loans to the Holy See refers to a series of major financial loans arranged between the Rothschild family and the Holy See of the Catholic Church. The first loan which occurred in **1832** took place in the aftermath of the Napoleonic Wars during the Pontificate of Pope Gregory XVI (involving James Mayer de Rothschild and Carl Mayer von Rothschild). This loan agreed on was for a sum of £400,000 (equivalent to £4.7 billion in 2023). A second loan occurred during the Pontificate of Pope Pius IX ("Pio Nono") in the early **1850s** with the same members of the Rothschild family after the collapse of Giuseppe Mazzini's short-lived revolutionary Roman Republic and the restoration of the Papal States.
- **The Vatican is infiltrated by several different Deep State societies**, such as the Jesuit, Illuminati, Black Popes, White Popes, Secret Grey Pope family, Malta, 33rd Degree Freemasons, Skull & Bones, top secret The Solidarity Club, CIA, M16, Mossad, Cartels and the Italian Mafia. (There is much more corruption organizations that is connected to the Vatican)
- **The Vatican is largest single stock holder in the World.** They own the most property in the World that doesn't pay taxes. The power of the Vatican corruption runs worldwide and since 1800s the Rothschild's (Rockerfellers) have been running half of the Vatican global empire.
- **NOW there is infighting happening inside the Vatican** and this is connecting to the cartels who supply drugs to Europe from South American into Spain into northern

Europe and this is connected to the mafia that's connected to New York money Las Vegas and all the gambling systems through the United States.

L. Tues. 20 Aug. 2024 Mr. Pool on Telegram

- **REPORTS over 50 Trump allies raided and served Subpoenas.** Steve Bannon reports 35 Underground news report over 50.
- **The DEEP STATE initiated the next stages of their plan:** Continue using January 6 (HOAX) probe with help of FBI, DOJ, PENCE documents and connection to college electoral votes indicating TRUMP created Fake Electors in an attempt to BLOCK Bidens presidency.
- **The DOJ issued grand jury indictments on TRUMP's organizations** that collected money in fundraising to overturn elections
- **The DOJ, FBI, Democrats, Deep State, Obama, Davos Group, Rockefellers** have now made their move to shut down the REPUBLICAN PARTY AND NEWS OUTLETS and WILL continue to use January 6 investigation and subpoenas to justify coming arrests and indictments. This large FBI DOJ sweep of Republicans and TRUMP allies is connect to (TRYING) to shut down Conservative NEWS OUTLETS.
- **TRUMP was not stupid to run for President alone** against the WORLD DEEP STATE CABAL. (He didn't need to be President.. He had a good simple life before being 45...) He was asked by the HIGHEST ranks in Military Alliance to be the President.
- **TRUMP is not alone in this Battle.** It all leads to MILITARY INTELLIGENCE BATTALIONS. GENERALS. ADMIRALS, ECT ECT ECT in the highest places of U.S. MILITARY commands.
- **Zuckerberg and Jeff Bezos gave up everything to Military Intelligence.**
- **These are the moments where it will feel that** all hope is lost and TRUMP could/would get arrested, but it's all a scripted show. You are inside the Storm, the Devolution Plan Continuity of Government.

M. The Global Quantum Financial System, The 17th Letter (JFK Jr.) Tues. 20 Aug. 2024

- **The New Quantum Financial System (QFS) is a super-advanced** "out-of-this-world" technology that the Dark Cabal does not have. It has the capacity to hold massive amounts of data. It's power source is not electricity. It is not dependent on any electrical grid, and not even crystals. It is powered by the limitless energy source of life itself (consciousness). The very source of limitless energy that powers the human individual also powers the Quantum Financial System.
- **It can only operate in the light, and rejects darkness and evil intent.** It reads into all organic life forms, and understands growth patterns. The way it's programmed, it is not possible for the Dark Cabal to steal money or wealth from another person or another

nation any longer. The system does not recognize any royal line, only the line of “Source of Consciousness” which is present in all of us.

- **It knows intention by reading human brainwaves.** It knows a person’s intention because intention is locked in the DNA (living DNA) sequencing of the individual. Not one individual, but all. In the case of nations, it is RNA of the original source of the asset. It calculates true trade values based on REAL production, not what the Dark Cabal wants the world to see. True production of commodities and their respective values will begin to unfold.

N. Donations Badly Needed For Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated.
- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims. However, the Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims.
- **Any amount you could give** would be greatly appreciated. There was \$500K needed right away to continue the three meals a day. The Deep State not only took the Native Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.
- **Please send your donation** to the Akua Foundation’s Malama Lahaina Website – the only site dedicated to and run by the Hawaiian Native Peoples: [Malama Lahaina – Pūpūkahi i Holomua Donations \(malamalahaina.org\)](https://www.malamalahaina.org)

O. “Ken and Barbie vs. Goliath IRS” Update – The IRS: the biggest most dangerous hoax in the history of the world?

- **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.
- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. **Paul Cromar** #567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130 **Donations for commissary and other needs can be made at:** <https://www.miraclesingodwetrust.com/contact/> Venmo to: @Talmage-Cromar OR mail to: The Cromar’s PO Box 942 Pleasant Grove, Utah 84062 (you will receive a gift for your contribution)
