[Music & the Spoken Word: Winners and Champions – Church News \(thechurchnews.com\)](https://www.thechurchnews.com)

Every two years the world gathers in celebration of sport to witness world-class athletes compete in the Olympic games. While the medal count is interesting to follow, what really grabs the heart are the personal stories of the athletes — their hard work, persistence, dedication and teamwork.

Everyone, it seems, faced challenges that could have tempted them to give up and give in, but they discovered — as we all must — that the key to a winning life is to keep going.

Every Olympic athlete is a living reminder that if we can rise when we fall, pick ourselves up when life knocks us down, and continue on when it seems easier to quit, we will see in time that winning is not as much about talent or luck as it is about grit and perseverance.

Winners and champions just keep trying. This thought is expressed well in the Olympic creed: “The most important thing in life is not the triumph, but the fight; the essential thing is not to have won, but to have fought well.”

Judy Note: *Five months before his Assassination, President John F. Kennedy issued an executive order that would have given the American currency back to The People by printing money based on a Silver Standard, taking away the power of the Federal Reserve Banking Cartel. Many argue this was the reason that JFK was assassinated.*

The Powers That Be put it out that Kennedy’s Assassination was done by a lone gunman, yet tons of evidence kept from the public proved it was a well planned murder involving the Department of Justice, FBI and CIA.

Just recently President Trump miraculously survived two attempted assassinations (Sat. 13 July at a rally when he took a bullet, another man killed, and Fri. 9 Aug. 2024 when his plane went into mechanical failure) just as the World sat on the verge of the Global Currency Reset and changeover of 209 nations to gold/asset-backed currency (which will take control of the Global Monetary System away from the Federal Reserve Banking Cartel, or Deep State Cabal, and give it back to The People).

The Powers That Be were putting it out that the Sat. 13 July attempted assassination was done by a lone gunman, when tons of evidence kept from the public was pointing that both attempts were well planned and likely involved the Department of Justice, FBI and CIA.

You understand the connections? Do you think we have problems with our Justice System?

Though, the problems with the CIA, FBI and US Justice Department connections to Political Elite’s financial takeover of our monetary system didn’t even come close to the challenges Trump faced with the FBI, CIA and Homeland Security Child Sex Trafficking. - **The Brunson vs. Adams Case simply states the obvious:** Congress violated the Constitution by not investigating allegations of voter fraud in the 2020 Election and thus those members of Congress committed Treason against The People who voted them into office.
- **On 20 Jan. 2021 Donald Trump** was officially inaugurated President of the United States of America Constitutional Government US Military Commander-in-Chief.
- **In August of 2022 the Army and other branches of the Military transferred all communications to Space Force** under ONE command.
- **In 2016 the Supreme Court clarified Military Law under the Military Justice Act to mean that** Military Law was separate than Civil Law, which secured the ultimate authority of Military Tribunals.
- **The Military Tribunals were connected to Political Elites and the millions of children brought over the Mexican Border** that were believed sold by Homeland Security into slavery and Sexual Prostitution. According to 1970s Congressional Hearings the CIA has trafficked children for sex and torture since it's inception after World War II when it brought mind control experts from Nazi Germany into the US, Canada, Australia and the UK. An Arizona Child Trafficking Scandal "Tucson-Gate" linked child trafficking to the Clintons, Tucson Arizona Mayor Jonathan Rothschild and Casa de Los Ninos Children's Shelter.

Judy Note: *Jenny Hill and I spent 18 years writing her biography "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

"22 Faces" explains how torture during childhood separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com

C. Global Currency Reset:

- **A trusted military intelligence contact confirmed that GCR Liquidity release** began at exactly **3:00 PM PDT on Wed. 7 Aug. 2024** and would unfold over the next 72 hours. "The Sovereign Committee and US federal government have just approved T4A and B payments – this has started Reno, Miami, and other East Coast states."
- **Sources said the delays in setting Tier4b appointments (which were to be made starting Sat. 10 Aug. – didn't happen.) were from making sure the QFS system** and all the test clients were done perfectly so they can see their funds in their accounts (or hold SKRs) but would not be able to use these funds until the shotgun start has started.
- **The new currency rates** were being traded on the Forex till **Sunday 11 Aug. at 5pm.**
- **Distributions are scheduled to begin after Sat. 10 Aug.**
- **Sources said Monday/Tuesday** for release of emails/800#
- **Over 1500 Farm Claims** have been paid out.
- **Prosperity Packages National Guard deliveries** started on **Fri. 9 Aug.**

- **Mid-September was anticipated** to be a period of substantial activity of significant financial movement.
- **Understand that the Swift System might still be in use** until all old currency has been declared useless, but those evil sources are still trying their best to keep it open or slow down the exchange.
- **Sun. 11 Aug. 2024 MarkZ:** “Its very positive with a couple confirmations that they have received final information that final contracts are done ...they already have final instructions.....and they hope to start distributing “large scale” **on Monday or Tuesday**. Let’s hope that is accurate. Some of this information is a “first” in this process....So I hope it is accurate. I did have a number of contacts tell me that my guesstimates on rates on currencies are going to be way under. That rates will be way higher than I was anticipating. I am hearing the same as Nader, that from almost every source on almost every currency. **Sat. 10 Aug. 2024 MarkZ:** “Bond people received new paperwork this morning that appeared to have something to do with the release of their funds. Expectations of receiving funds were **Mon and Tues**. I was told by several sources that the rates I have been quoting were way low.”
- **Sat. 10 Aug. 2024 Wolverine:** “**I received a call from a Huge Whale**, and all the platforms, all tables have been closed. They have been told to get ready to fly. So that person is flying now to Reno, right now as I speak. People are getting their appointments. People are getting notifications for bonds. There are two platforms in San Paolo and Brazil in Tier4B Internet group platform, have receiving notifications. So, things have started rolling. “

D. On Currency Exchanges and Zim Bond Redemption:

Judy Note: *I am assuming since JFK wrote the below on Telegram that it is official information on Zim Bond Redemption and International Default Exchange Rates.*

However, we have not received any verification that it is – just as what Julian Assange and DaveXRP Lion put out on Zim Redemption is not official and written in their opinion only.

I am in hope we will receive official instructions and correct information prior to making our currency exchange and Zim redemption appointments so we can properly prepare.

John F. Kennedy on Telegram:

- **Those holding ZIM bonds** will receive a \$500 million advance until structured payments begin.
- **All non-ZIM FX proceeds (currency exchanges?)** will be immediately accessible.
- **For those who choose** to place their funds under a structured payment program (SPP), there will be an advance of up to \$250 million until the first SPP payment is made.
- **You will have 90 days to exchange**
Have all currency on a spreadsheet and a copy for your appointment personal.
Currency should be separated by countries and denominations
Have your projects ready with a copy for your appointment personal.
Have your amounts ready to take care of your immediate needs.

No cash will be given, but an account of \$50,000 to \$100,000 will be put in your account
You can bring accountants, lawyers, banker and or family members but all must sign a
NDA

Julian Assange on Telegram:

- **At redemption**, your first two 100 Trillion \$ Bond Notes will be paid out at a 1:1 US \$. That is, you would receive \$200 Trillion US for your first two 100 Trillion Bond Notes.
- **After that**, you are paid \$25 million (per 100T) for up to 30 100 T\$ Bond Notes.
- **If you have more than 30 Zim Bond Notes** and need more than what you have already been given for your project, you can make another appointment to discuss.
- **No mention was made of how much of that \$** you can use for yourself and how much much be dedicated to your project, though it was assumed that the vast majority (at least 80%) of the money you redeemed from your Zim would go toward your project or other Humanitarian Projects.
- **Assange indicates that your Humanitarian Project does not have** to be approved in order for you to receive your redemption monies.
- **Assange says that the exchange rate and monies you receive for your exchange of different foreign currency** is the same for everyone (depending upon the country where you reside), is for your own use (and not necessarily a Humanitarian Project), and is available to you immediately after your exchange.
- **Assange makes no suggestions** or spells out any requirements on how to write up your Humanitarian Project.

Judy Note: In the past we have been told to write up a 1-2 page summary of your project and goals indicating how long we wish your project to last, how many people it can employ, and include a very rough estimate of how much money you will need to run the project. You should also have a short paragraph about yourself and why you are qualified to run the project.

A Reader's Take on Zim Redemption:

- **I have to disagree** with what was posted last night from both party's suggestions on the Zim Redemption rates.
- **In my research the "Bearer Bond"** is to be redeemed to the holder at face value. It is in essence a promise by the country issuing that bond backed by that country's wealth. A holder can demand the value in that country for anything owned by that country period.
- **The rate is equal to that country's dollar One For One (1:1)**. In this case the Zimbabwe dollar or Zig. The USD or any other country's currency has no bearing in the value until you exchange it.
- **When I looked up the exchange rate for the ZWL (Zim fiat) on Forbes**, the value was .003106. The 100T note was worth in USD \$ 310,600,000,000. That is three hundred ten billion , six hundred million dollars. It could potentially be worth five hundred billion in consideration of the Zig.
- **The calculation of 5 billion overall with ten percent (500 million)** as front money makes me question where the money is going.

- **According to the numbers quoted with the St Germaine's Trust** (a number with around 140 zero's following) and the Rodriguez Estate (a number with about 120 zero's following) along with possibly Dubai 1 & 2, why would there be a need for them to deduct any of our bond proceeds for Humanitarian use?
- **I can understand for payouts to be trounced** due to the excessive amount of monies to be paid out.
- **Just my thoughts.** Anon.

E. On International Default Rates, John F. Kennedy Jr. on Telegram:

Dinar will value at a "RI" rate from the time Iraq was invaded which would put it around \$3.22 - \$3.78.

Zim Holders: Zim was being offered at a Default Rate of first two 100T AA Zim Bond Notes up to 30 T notes at \$20 Million each, 31 T notes and up would default to \$15 million decreasing the more notes you own.

HOWEVER (especially for those with Humanitarian Projects that the above will not cover?) **the AA Zim are Bonds** and we have been told they cannot be renegotiated. **ASK** for the Contract/ Solverant rate. These rates can be negotiated on your second visit with your projects and team members.

F. Your Quantum Financial Service Bank Account

- **All people already have their QFS account set up.** It contains all their personal data and their DNA.
- **In the US the money from your birth certificate** is already deposited in that account, as well as the repayment of the loans you have requested, student loans, mortgages, etc.
- **We all have monies** that is ours in those accounts. You do not need to have Zim Bonds or Dinar. It is money that you have earned during your life and that is in that account.
- **Once everyone has collected the bonuses,** the general public will come, they will be called to the redemption center, they will be given a QFS card and they can use their money.

G. QFS Account, Ben Fulford: The below UBI level is in the US, other countries will have corresponding levels

- **Your QFS account is for yourself** and not a joint account with your spouse, children or parents, but details will be announced once we know how it works clause.
- **When you are a child,** your parents cannot access your account except for the following reasons. Now if you have a parent, child or spouse who needs care and can't access their account.
- **There will be no requirement that you be 21** to access your QFS account, as some younger people may want to move out and even get married to access these funds, but you must be Only 18 years old.

- **Through EBS**, you will discover that you have a quantum financial system account that has earned interest on your birth certificate and has a lot of money in it.
- **Funds from your bank and credit union** will be transferred to your QFS account once you have access to your QFS account.
- **Homeless people** need to be notified early so they can go to a designated location to access a QFS account with a temporary address to then find their own place to live and restart their lives.
- **People who go to prison** must pay their prison expenses from their QFS account.
- **If there is a death in the family**, it is unclear whether the money in the QFS account will be transferred to other family members or if the QFS account will be closed because everyone else has enough money of their own.
- **I don't think it will get to the point** where you have to have a fingerprint or DNA match to access, but if you lose your card, you will have to verify yourself to get a new card.
- **An 18 year old will have at least \$3,109,086** in a QFS account, a 30 year old will have at least \$5,181,810, a 50 year old will have at least \$8,636,350, a 65 year old will have at least \$11,227,255.
- **Note: The older the person**, the more interest/income/tax refund payments will go into their QFS account.

- **All military assessment, war games and top world Generals know** the United States is inside economic COLLAPSE, broke and cannot fight three wars with Russia, China and the Middle East.
- **The Ukraine War** is practically done even though Biden is publicly lying in his speech saying Russia failed and didn't capture Kiev. The real truth is that Russia has captured Kiev Ukraine second biggest city and Russia is currently heading west. Russia could capture Odessa by mid Winter. Europeans are tired of The U S. and Ukraine war Support. Ukraine is done, this is Military public assessment and words of Commanders and several colonials and European U.S. intelligence. This is why the deep state started another War imminently in the Middle East to cause chaos and try to get funding and laundering money and try desperately to avoid the U.S. Military STORM Arrest.
- **Currently in the Middle East Turkey** has turned on U.S. NATO ALLIES and are moving troops and doing Naval exercises. Turkey is practicing mobilizing 2,000,000 million solders in emergency combat situations. Pakistan is supporting Turkey and China is supporting both countries.

- **Millions of children were believed to have been sold by government authorities**, or even their own parents, into slavery and Sexual Prostitution along our US/Mexican Border. The obvious lack of girls in US immigrant detention facilities was suspected to be due to after, or even prior to reaching the border, children were trafficked for sex, mind control and eventually, for their organs.
- **President Trump's first official act the morning right before he was sworn in**, was to visit CIA headquarters, where he began a crackdown on international child trafficking. This was a huge problem inherited by Trump. Evidently even today, Trump has not been able to handle the rampant pedophile problem embedded within the US political arena including the CIA, FBI and Homeland Security.
- **According to victims and two Congressional hearings on human experimentation, the CIA has trafficked children for sex and torture** since it's inception after World War II when it brought mind control experts from Nazi Germany into the US, Canada, Australia and the UK. [/crime-all-stars/2013/12/are-governments-abusing-children-in-mind-control-experiments-2447884.html](#)
- **Some FBI Agents have tried to follow up on child trafficking complaints, but have been consistently stonewalled** by the Department of Homeland Security according to an informant who recently reported to Dave Hodges.
- **On page 324 of the recently released IG Report** it said that an FBI Case Agent discovered an email from Hillary Clinton that referenced child trafficking, but he was told, "We can't be looking at this."
- **Page 294 of that same report detailed a meeting between FBI Director Coleman and James Comey** that mentioned HRC (Hillary Rodman Clinton), Crimes Against Children and 675,000 Clinton emails that were on the Anthony Weiner computer. Either Coleman or Comey were told, "We can't be looking into this."
- **Last month the Department of Homeland Security refused** Oregon Democrat Senator Merkley entry into an immigrant child retention facility in Brownsville Texas. Authorities called police and wouldn't even speak to the Senator. "The tiniest kid at the front of the line, he was knee-high to a grasshopper. He was 4, maybe 5 years old" Merkley said.
- **Around June 8 a suspected Child Sex Trafficking Camp was discovered near Tucson Arizona**, yet Arizona police, State Patrol and federal agents saw no need to investigate. A Veterans group had found and photographed evidence of child sex trafficking such as restraints chained to trees, toys next to used condoms and small holes

dug into the dirt only big enough to contain a child. Tucson legal entities refused to investigate the find, plus the vet group was refused access back to the property. A day later the group *was* able to video some bulldozers covering up evidence that they had reported to Tucson legal entities – the same who refused to investigate.

- **Subsequent videos placed on the internet showed houses along a border trail in the middle of nowhere with painted kids rooms** that were fully set up with \$100,000 generators and sensor cameras. One video showed black smoke from several fires evidently started by the “law.” In a house they found marked maps showing more public and private land locations for child trafficking – at least a dozen across a few mountains. “It looked like the police were being paid to look away,” an informant said.
- **On June 16 Kristine Guerra of *The Washington Post* discussed a little girl no older than two** who was taken from her mother the night before and brought to a shelter run by the Office of Refugee Resettlement along the Texas border. She was screaming and pounding her fists on a mat. The shelter providers weren’t allowed to console her.
- **It was a rule at the shelter that staff were not allowed to touch children** in their care. From this author’s experience I would say that’s a basic rule for the mind control of children: traumatize them, and then don’t help them to process the stress.
- **Over a year ago a Child Trafficking Scandal “Tucson-Gate”** was suspected to have linked child trafficking to the Clintons, Tucson Arizona Mayor Jonathan Rothschild and Casa de Los Ninos children’s shelter. Evidently the IG Report found thousands of emails on Anthony Weiner’s laptop concerning the Clinton Foundation and their Crimes Against Children – that have yet to find the Main Stream Media.
- **Two years ago John Cruz, former VP of HSBC,** tried to get charges filed on child trafficking, but Loretta Lynch looked the other way.
- **In 2013 Barack Obama separated 72,410 children** from their illegal immigrant parents who were deported. [The Huffington Post](#) reported: “Immigration and Customs Enforcement last year carried out more than 72,000 deportations of parents who said they had U.S.-born children, according to reports to Congress obtained by The Huffington Post.”
- **The reports were sent by ICE to the Senate Appropriations Committee and the Senate Judiciary Committee, as required by law.** ICE confirmed the authenticity of the two reports, which lay out 72,410 removals of immigrants who said they had one or more U.S.-born children in 2013. The reports show that even parents of U.S. citizens are among the hundreds of thousands of undocumented immigrants being expelled from the United States each year. When a parent is deported, their U.S.-born children sometimes leave with them. But some stay in the U.S. with another parent or family member. Some children end up – or were lost – in the U.S. foster care system.
- **Minnesota parents have been concerned about that foster care system.** They were suing to shut down child protective services for not protecting children. Survivors of child abuse nationwide have expressed the same concerns about perpetrators being

approved as caregivers and receiving foster children for the express purpose of child exploitation: [Over 1,200 Minnesota Parents Are Suing To Shut Down Child Protective Services – Era of Light](#)

- **Back in 2015 there was a criminal case and in 2016 a Senate report**, about a Marion, Ohio human trafficking ring that used migrant children for forced labor on an egg farm. A *New York Magazine* report stated: “The left-leaning media stayed strangely silent when the detention of migrant children went on for years before Trump took office... and now it looks like they also kept quiet when Barack Obama’s administration literally placed immigrant children in the hands of human traffickers just a few years ago. The United States government placed an unknown number of Central American migrant children into the custody of human traffickers after neglecting to run the most basic checks on these so-called ‘caregivers.’” [Obama separated 72,410 children from their illegal immigrant parents | Politics | Before It's News \(beforeitsnews.com\) /politics/2018/06/obama-separated-72410-children-from-their-illegal-immigrant-parents-3009386.html](#)

- **Carolyn Bessette Kennedy: Who exactly FUNDS the CDC?** “Well, I wanted to know, so I made this list of notables compiled from the huge list found on their website. All of these companies have played a role in the pandemic. I find some extremely alarming in that they appear to have benefited GREATLY from it over the course of the last year and a half. ALL of these corporations should be investigated for conflict of interest. Does the CDC have a board of non-affiliated citizens to audit their funding? Where is the oversight? Is it an internal committee? That in and of itself is a conflict of interest.”

- **Mamography is the Biggest Organized Crime Against Women!:** Women who go for mammograms are probably unaware of the harm they do to themselves. A few details to consider before deciding on a review:
 - **50-60% of the “positive” results are incorrect!** So, being diagnosed with “breast cancer” in 50-60% of cases, turns out it didn’t exist at all!!
 - **During examination, the breast is pressed with a large weight** of 10kPa (1019 kg / m²) and then healthy, very sensitive, milk gland tissue is bombarded by radioactive rays!!
 - **Stimulates tumor growth** and the spread of metastases!!
 - **A study done on 690,000 records showed that completely healthy women** have developed breast cancer in a large number of cases after mammographic examinations!!
 - **Switzerland is the first country in the world to ban mammographic examinations.** So the criminal medical mafia is aggressively forcing regular annual mammography examinations of healthy women, in order to make them profitable patients!

O. Sun 11 Aug. 2024 Latest Intel, Mr. Pool

- **According to NSA sources,** "White Hats" are currently attacking the Fort McPherson base complex in Atlanta, Georgia. It is here that the Rockefeller citadel of AT&T and CNN conducts fake psychological operations of the Joe Biden administration.

- **To see how bad things are with psychologists**, watch how stupid Biden reads quotes from his teleprompter. "End quote. Repeat the line".
- **According to Canadian intelligence sources**, Biden's fall will be followed by a similar move in Canada. "Justin Castro will be removed from office and humiliated in front of the world community. The Canadians, supported by the military alliance, are waiting for a signal to act," they promise.
- **For their part, Dutch farmers** warn Prime Minister Mark Rutte: "The protests will continue. We have the support of millions of people. There will be actions that Holland has never seen.
- **It looks like it started in China too.** People are rebelling against the CCP machine. Banks collapsed there, and the police were unable to stop the protesters by fraudulently manipulating their mobile devices to make them look like they had "Covid."
- **The Chinese people should understand that George Soros** boasted that his people took over China in 1987. We had a video of him saying that, but it seems to have been deleted from our computers and from the internet. However, the fact that the regime there agrees with the fake pandemic and the accompanying excessive social control is a clear sign that they are not working for the Chinese people.
- **An MI6 source says:** "The days of the G7, G20 and the like are over. Their failure will be reflected in an economic crisis leading to global unrest, similar to what we are seeing in Sri Lanka. All these archaic prime ministers should be captured and shot along with all these old habits Clear the deck," the source continued. When the regime finally falls, people will hear a lot of shocking things. Here are some clues as to the nature of the horrifying truths that will come to light during the public trials and hearings that will follow the worldwide defeat of HMM.
- **Mel Gibson told the Truth about Pedophiles and child Sacrifice...** It cost him his acting career. He said he had enough money and had nothing to worry about.

P. Sun. 11 Aug. 2024 Martial Law Unleashed: EBS Alert and How Redemption Centers might be our only hope, Mr. Pool on Telegram

- **Deep State arrests:** California alone has witnessed up to 8000 arrests, with over 3000 in the Northeast U.S., particularly concentrated in the New England area.
- **Rumors suggest that the populace might be urged to stay indoors** for their safety, especially during 'Disclosures', while the final arrests take place. However, a resilient and awakened citizenry, now more than ever, won't be silenced or confined.
- **The Emergency Broadcast System (EBS)** is on the horizon, and when it hits, it will be swift, silent, and shocking. Like a ghostly shadow, everything familiar will fade into obscurity. Just like the eerie silence of 2020, we'll be asked to remain rooted, perhaps for days, maybe weeks.

- **The Military, it seems, has a broader purpose.** As the last of the so-called Satanists face arrest and are sent to GITMO, the Military is also gearing up to distribute food, especially to the elderly. This is not just about control but also about care.
- **There's chatter about the Military potentially overseeing the nation** until fresh elections are held, precisely 120 days post the Gesara announcement. The focus should shift towards electing individuals with business acumen, particularly those who can rejuvenate local businesses, and more importantly, food-growing enterprises.
- **The bustling stock market? Halted.** The digital world you're so intricately linked to? Gone. And trust me, when the EBS alert vibrates your cell phone, echoing the chilling announcement, you'll know it's begun.
- **These messages, sourced from the Starlink,** are there to stay. Deleting them? Forget about it. They're imprinted, lasting reminders of the changing times.
- **Essentials First:** Stock up on clean drinking water. Ensure there's enough food, not just for you, but for your pets too. Medicines? Get them in advance. Remember, the digital world is on a hiatus, so medical records are inaccessible.
- **Cash is King:** In a world where digital transactions become obsolete, cash will be your savior. ATMs might be out of service, and swiping those cards at gas pumps? Dream on.
- **Mental Fortitude:** When the shock hits, it's vital to keep your wits about you. Before you extend your hand to others, ensure you're mentally fortified. Some might be in a state of shock, unable to respond. In such cases, a breath of fresh air, a gentle walk, might help.
- **Your TV, phone, and internet** will spring back to life, unveiling a spectacle titled 'Disclosures'. Rumor has it, it might even grace the big screens. But this isn't your typical Netflix binge. It's a 24/7, 8-hour block broadcast, lasting anywhere between 3 to 10 days.
- **The content?** Oh, it's the raw, unfiltered truth of events, spanning Military Tribunals and even, hold your breath, Public Executions. Areas drenched in corruption, like Los Angeles and New York, might experience extended viewing periods.
- **But when the switch is flipped back,** expect a metamorphosis. A world pulsating with positive energy, devoid of evil's grasp. The internet? Transformed. Banking systems? Revolutionized. This, dear readers, is the dawn of an era of transparency and abundance. A veritable paradise on Earth.
- **However, as the layers peel back,** revealing covert operations, prepare to be flabbergasted. The faces you recognize might just be elaborate masquerades, Hollywood-grade masks, CGI marvels, and eerily realistic Body Doubles. Ever watched the 'Truman Show'? Our reality might not be far off, with the scripted drama unfolding since 2015, or perhaps even earlier.

Q. Sun. 11 Aug. 2024 The Military Operation To Trap the Washington Establishment, Mr. Pool on Telegram

- **Americans have been watching a massive, controlled Military Operation** who strategically and critically planned and successfully trapped the Washington Establishment... Made them all confess their crimes and play a role in this operation piece by piece... as Americans have had to visually see and witness a ‘Continuation of Government’ in the form of a “Presidential Administration” where these corrupt and evil people will, have, and will continue to destroy their system from within, spend all of their dirty money doing so, until it’s time for the Military to visually step in.
- **The timelines** all add up and prove the Military Operation and Occupancy:

1. **Snake Poem** read by candidate Donald Trump – January 2016
2. **2016 Presidential Election** – November 2016

18. **Executive Order 13912** Federalizing 1,000,000 National Guard to Active-Duty Status – March 27, 2020

26. **New York Times reports Military Tribunals** coming mid-2023 – December 2021
27. **Army and branches transfer all communications to Space Force** under ONE command (Biden’s never mentioned the Space Force not once; zero News Articles with his name tied to Space Force) – August 2022
28. **Major Optics and Comms** in CIC Trump speech – November 15.
29. **More News Articles establishing Space Force** Command Centers with zero mention of Biden – December 2022
 - **Those few timelines and timestamps do nothing but prove** a Military Operation and Occupancy along with many more Laws, Codes, Orders, Statutes
 - **The National Guard has been out of their state militia status** and operating as Active-Duty Status every day since they were Federalized in March 2020.
 - **There’s MORE than enough documentation** and ‘proof’ to show not only the National Guard, but also thousands of World Alliance Aircrafts in and out of the United States and National Guard bases.
 - **There’s United States Coast Guards with United States Navy** at their stations. USCG is Department of Homeland Security during Peacetime and transferred to the Department of the Navy during Wartime.
 - **The Brunson vs. Adams Case simply states the obvious...** Congress violated the Constitution.

R. Sun. 11 Aug. 2024 White Hat Intel: <https://www.politico.com/news/2024/08/10/trump-campaign-hack-0017350>

- **Trump Campaign confirms** it has been HACKED, from POLITICO. “Former President Donald Trump’s campaign said Saturday that some of its internal communications had been hacked.
- **The acknowledgment came after POLITICO** began receiving emails from an anonymous account with documents from inside Trump’s operation.
- **The campaign blamed “foreign sources hostile to the United States,”** citing a Microsoft report on Friday that Iranian hackers “sent a spear phishing email in June to a high-ranking official on a presidential campaign.” Microsoft did not identify the campaign targeted by the email and declined to comment Saturday. POLITICO has not independently verified the identity of the hacker or their motivation, and a Trump campaign spokesperson, Steven Cheung, declined to say if they had further information substantiating the campaigns’ suggestion that it was targeted by Iran.”
- **They are trying EVERYTHING** they can to get the US into war with Iran.

S. Sixteen Reasons Why Gadafi Was Killed:

1. **Libya** has no electricity bill, electricity came free of charge to all citizens.
2. **There were no interest rates on loans**, the banks were state-owned, and the loan of citizens by law 0%.
3. **Kadafi promised not to buy a house** for his parents until everyone in Libya owned a home.
4. **All newlywed couples in Libya** received 60,000 dinars from the government & because of that, they bought their own apartments & started their families.
5. **Education & medical treatment in Libya are free.** Before Gaddafi, there were only 25% readers, 83% during his reign
6. **If Libyans wanted to live on a farm**, they received free household appliances, seeds, and livestock.
7. **If they cannot receive treatment in Libya**, the state would fund them \$2300+ accommodation & travel for treatment abroad.
8. **If you buy a car**, the government finances 50% of the price.
9. **The price of gasoline** became \$ 0.14 per liter.
10. **Libya had no external debt**, and reserves were \$150 billion (now frozen worldwide)

11. **Since some Libyans can't find jobs** after school, the government will pay the average salary when they can't find a job.

12. **Part of oil sales in Libya** are directly linked to the bank accounts of all citizens.

13. **The mother who gave birth** to the child will receive \$5000

14. **40 loaves of bread** cost \$0.15.

15. **25% of Libyans** had all Ilisna diplomas.

16. **Kadafi implemented the world's biggest irrigation project** known as the "BIG MAN PROJECT" to ensure water availability in the desert.

T. Donations Badly Needed For Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated.
- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims. However, the Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims.
- **Any amount you could give** would be greatly appreciated. There was \$500K needed right away to continue the three meals a day. The Deep State not only took the Native Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.
