[The Morning Breaks \(youtube.com\)](https://www.youtube.com/watch?v=...)

The morning breaks, the shadows flee;  
Lo, Zion's standard is unfurled!  
The dawning of a brighter day,  
The dawning of a brighter day  
Majestic rises on the world.

The clouds of error disappear  
Before the rays of truth divine;  
The glory bursting from afar,  
The glory bursting from afar

Wide o'er the nations soon will shine.

The Gentile fullness now comes in,  
And Israel's blessings are at hand.  
Lo, Judah's remnant, cleansed from sin,  
Lo, Judah's remnant, cleansed from sin,  
Shall in their promised Canaan stand.

Jehovah speaks! Let earth give ear,  
And Gentile nations turn and live.  
His mighty arm is making bare,  
His mighty arm is making bare  
His covenant people to receive.

Angels from heaven and truth from earth  
Have met, and both have record borne;  
Thus Zion's light is bursting forth,  
Thus Zion's light is bursting forth  
To bring her ransomed children home.

**Judy Note:** *Like Epstein Island's infamous Pedophile Parties, P Diddy Coomb's "Freak Off Parties" invited influential Global, Political and Hollywood Elites to participate in pedophilia, Adrenochrome Flowing Satanic Child Sacrifice Rites that were recorded, and then used to blackmail participants to do the Cabal's bidding.*

**Videos have been released** of Michelle Obama torturing and killing a child with Barak Obama watching at a party hosted by P Diddy.

**On Tues. 24 Sept. 2024 Navy Seals** ransacked a Miami warehouse where P Diddy hoarded a thousand Adrenochrome infusion bags stored in refrigerated chests. The Adrenochrome was said to flow like tap water at Diddy's regular star-studded "Freak Off" parties that included drug use, sexual molestations, physical violence and murders of children.

**Adrenochrome was central to both Epstein's and Diddy's success.** The very expensive blood was extracted from traumatized children, dead or alive, who had been subjected to torture and pedophilia. The children were trapped in an international Child Sex Trafficking ring run by Nazis, aristocracies, Italian, Jewish and Latin American mafias units of the same criminal Vatican and Jesuit Cabal that controlled our planet.

**Long ago Latin American drug cartels had expanded their operations** into the more lucrative human trafficking under a business model derived from the Medellín Cartel. Medellín was founded with the help of Nazi Officer Klaus Barbie, aka the "Butcher of Lyon". Barbie's cut

*of the burgeoning cocaine trade financed the Nazis when they went underground after World War II.*

***Part of that Jesuit/Vatican Cabal was the Committee of 300** made up of leading monarchs and princes of Europe and the former Holy Roman Empire. These authorized and created corporations and billionaires, run religions, states, secret societies, the mafia, and organized crime syndicates.*

***The mafias channeled their earnings to the Black Nobility** through Vatican Bank charitable foundations and then monies were transferred to private accounts at the [Swiss Bank](#).*

***That Black Nobility** owned the [Knights of Malta](#), Jesuits, [Cosa Nostra](#) and Vatican, which owned BlackRock Berkshire Hathaway and Bank of America, which along with JPMorganChase, laundered money of the Latin American drug cartels.*

***These cartels performed the dirty work** for the very lucrative international Organ, Adrenochrome and Child Sex Trafficking rings – the US Inc. organization being the most lucrative aiding 400 children a day trafficked across the US Southern Border to political and global elites.*

***The Cabal's plan was to blackmail enough of these influential Elites to do their bidding, plus create a mass casualty** that would trigger martial law and crush democracy. With the Great Reset of non-asset-backed and gold-backed (that the Cabal kept ownership of) digital currency under complete control of the Cabal, they could seize control, silence dissent, and impose totalitarian. Normal laws would be suspended, and civil liberties severely restricted. This would allow them free reign of government to do what it wished without the constraints of democracy.*

***Under the Cabal's Martial Law, the Constitution would be rendered useless**, stripped of its power to protect individual rights and freedoms. Central to the Great Reset was the concept of "Stakeholder Capitalism," where private businesses were expected to prioritize social and environmental goals over profit and align with globalist policies, or face punitive measures.*

***The Cabal hoped to trigger civil unrest** and false flag events to delay or prevent the upcoming **October 2024** mass arrests of the Global Currency Reset, but they have been completely neutralized by the White Hats. Their plans to ignite riots and chaos in California and New York have been thwarted by preemptive military action.*

***Special Ops teams have infiltrated Antifa and BLM cells** that were set to be activated for mass violence. Their leaders have already been detained. Plans for a staged economic collapse in the stock market were shut down by the Quantum Financial System's automatic safeguards.*

***New intelligence leaks suggested that the Cabal was planning to deploy EMP weapons over key American cities** in a desperate attempt to disrupt communications and infrastructure. However, Project Odin, which controlled all global communications via the Star Link Satellite*

*System, has rendered these attacks useless. The EMP devices have already been neutralized, and the White Hats have captured the Cabal's EMP teams.*

***Reports coming out of Texas and Florida*** indicate that Russian Spetsnaz forces and Brazilian Special Forces have ramped up their involvement. These units, long part of the secret BRICS alliance, have been embedded in Cabal-controlled financial sectors, extracting high-value targets from behind enemy lines.

***In Dallas, major financial executives were caught attempting to flee*** the country through covert channels. But here's the kicker: [their escape routes have been entirely compromised by the Quantum Financial System \(QFS\)](#). Their money is frozen, their assets confiscated, and their backdoor channels blocked. It's checkmate, and they have nowhere to run.

***Long ago the Cabal's main Blackmail source, Jeffrey Epstein,*** was arrested, and then allowed to fake a suicide to reside as a whistleblower at GITMO. Last week his counterpart in Hollywood, P Diddy Combs, was arrested and now was singing his way out of hangman's noose.

***The Cabal, however, was still undeterred.*** They were working hard at creating a Nuclear World War III embroiled in the Middle East, while Russia was reading nuclear weapons for London in retaliation for Cabal attacks on their cities.

***They also intended to overcome the Global Currency Reset*** through their own Great Reset of non-asset-backed digital currency or gold-backed currency that they alone controlled. The Cabal's HSBC claimed they've successfully applied "quantum technology" to buy and sell tokenized physical gold, turning it into ERC-20 tokens, making it fungible. However, they owned the gold, not you.

***Their last stand was in funding and controlling workings of the UN*** where they hoped to hang on to their control of the planet. ***On Sun. 22 Sept. 2024*** the UN met and without debate, adopted the Cabal's Pact for the Future Plan which would make themselves the new Global Government.

***Only Trump and the White Hat Global Military Alliance*** stood in their way.

***Trump and U.S. intelligence have been informed*** that his plane was allegedly the next target for assassination, with nine heat-seeking missiles smuggled into the U.S. and three kill teams already in place. A cartel has been paid to move the weapons across the border.

***May all of us Patriots stand together and Pray.***

#### **A. Possible Timing: Tues. 1 Oct. 2024**

- **On Tues. 1 Oct. 2024 US Inc. Corp.** dissolves, ending the fiat monetary system. The privately owned US Inc. Government, Federal Reserve and IRS will shut down. US Inc. fiscal year ends. It's been bankrupt since 2008 and without Congressional budget approvals – running on fumes with a fiat US Dollar.
- **On Tues. 1 Oct. 2024 All banks worldwide not Basel III Compliant** (have gold backing to their monies) will be closed. The Basel III regulations could alter the real estate market in unprecedented ways.
- **On Tues. 1 Oct. 2024 the Quantum Financial System Global Currency Reset** goes into effect with 134 Sovereign nation gold/asset-backed currencies trading at a 1:1 with each other. The QFS completely replaces the outdated and corrupt central banking model. Forget about inflation, interest rates or manipulated stock markets—the QFS will make all of that obsolete. The endless printing of fiat money by corrupt central banks will be a thing of the past.
- **On Tues. 1 Oct. 2024 NESARA GESARA begins as countries worldwide** activate the gold/asset-backed Quantum Financial System and Global Currency Reset. The BRICS nations will head the greatest wealth transfer in history. 134 nations are ditching the fiat US dollar and moving to gold-backed currencies. Each of these currencies will trade at a 1:1 ratio.
- **On Tues. 1 Oct. 2024 LIBOR is slated to be replaced by SOFR**, marking a significant change in financial benchmarks.

- **On Tues. 1 Oct. 2024 the new United States of America Republic** will start its new fiscal year under a gold-backed US Note as part of the Global Currency Reset.
- **The QFS isn't just a financial system.** It's part of a broader plan to take full control of global communication, energy grids, and data. The military, working with top-secret intelligence agencies, has developed this system to prevent any future manipulation by global elites.
- **Once the RV is fully implemented the Military will remain to enforce the new order.** The old systems of corruption, the fraudulent banking empires, and the political puppets they controlled will be dismantled. Expect a wave of arrests and tribunals. High-ranking officials, banking executives, and corporate tycoons will be held accountable for their crimes against humanity.
- **In the first week of October** the Emergency Broadcast System will activate and broadcast documentaries 24/7 on the state of the World.
- **On Tues. 1 Oct. 2024 President Trump and the Global Military Alliance** will be executing the largest Sting Operation in history. Military forces across the globe are mobilizing – US, Canada, UK, EU, and beyond. Over 80 nations are in on this. This is not a drill. They've already arrested and tried over half a million global elites – crimes against humanity. These criminals, the ones who prey on the world's children, are facing justice, and it's not going to be pretty.
- **On Tues. 1 Oct. 2024** Congress adjourns for 30 days. Congress can only be arrested when it's not in session.
- **On Tues. 1 Oct. 2024 45,000 ILA workers at major ports will go on strike as unions push for a 77% wage increase.** Half of US goods go through those ports. For each day of the strike, it will take one week to recover, severely disrupting the supply chain. Stock up on goods.

## B. Global Currency Reset:

**Judy Note:** *What we think we know about the GCR and your Quantum Account:*

- **Iraq went international** with their new dinar rate on Thurs. 26 Sept. 2024.
- **There were 209 countries whose 197 currency rates** would be revalued up or down on **Tues. 1 Oct. 2024.**
- **Tier4b (us, the Internet Group)** was expected to receive notification to set exchange appointments on **Mon. 30 Sept.** The information will be sent to your email address, be posted on various Dinar websites and published in this Update Report.
- **Those redemption appointments** could possibly start on **Tues. 1 Oct. 2024.**
- **Those in Tier4b would need to exchange at a certified Redemption Center in the next few days after Tues. 1 Oct.** in order to receive the higher exchange rates. If you exchanged at a bank you would receive much lower rates.
- **If you have a medical condition or a problem going into a Redemption Center to exchange,** tell it to the person accepting your call at the Call Center and they would work it out for you. Most have up to 40 days to exchange at the higher rates.

- **All bank accounts have been mirrored** onto the new Quantum Financial Center in your personal Quantum Account. In order to access your account you need to set up access to it at a Redemption Center.
- **R&R allowances** are already deposited in your Quantum Account.
- **You will be given a Quantum Account Card** at the Redemption Center. You use that card to transfer your monies into an account at a bank.
- **Active Military on Military Bases** will be able to exchange their Dinar and Afghani over the weekend. They have already received notification they will do that.
- **Fri. 27 Sept. 2024: [The Quantum Financial System, Cryptocurrencies Backed by Gold, and the Revolution of Digital Wallets with Q Phones \(video\): Shaking Up the Financial Industry! - amg-news.com - American Media Group](#)**

- **Fri. 27 Sept. 2024 Target Stores Closing:** <https://www.eladelantado.com/us/target-store-closings-september/>

#### D. Fri. 27 Sept. 2024 The HSBC Quantum Scam ...NESARA/GESARA on Telegram

- **Wake up! HSBC is now testing something far more sinister than they want you to believe. They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold.** But here's the truth: this isn't about gold—it's about CONTROL. They're using this so-called "quantum security" to safeguard their power when the real storm hits!
- **September 19th, HSBC and their shady partner, Quantinum (a UK-US joint operation, mind you), announced they're preparing for the future of quantum computing.** But why? To shield themselves from the coming collapse while the rest of us are left defenseless. The same algorithms they're flaunting—designed to secure their assets—are going to be used to control your digital assets when everything goes quantum. They're tokenizing gold, turning it into ERC-20 tokens, making it fungible. But who will own the gold in the end? Not you. Not us. Just them!
- **This is the same HSBC that started offering tokenized gold to retail investors in Hong Kong earlier this year.** They're setting up for a global takeover of all physical

assets, starting with gold. And let's not forget, the National Institute of Standards and Technology (NIST), the very same body pushing this "quantum cryptography standard," is in bed with global elites. They're ensuring the game is rigged in their favor when quantum computing changes everything.

- **Are you going to sit by while HSBC and the elites use quantum technology to lock you out of the new system?** The clock is ticking, and they're making their moves. The time to act is NOW before they control every piece of gold, every asset, and every piece of YOUR digital future. Prepare yourselves. This is bigger than they're letting on. The real storm is here, and it's quantum.

- **QFS** implemented

## **F. Q Worldwide Sting Operation:**

**EBS: THE MOMENT WE'VE BEEN WAITING FOR**

- **U.S. Military Alert:** All military forces worldwide are preparing to suspend all media, internet, phone, and TV services. Emergency services will stay active, but everything else is about to go dark.
- **During this time, no internet, no ATMs, and phones? Only working for 911 calls.** This is the global martial law we've been talking about, and it comes with a 10-day communication blackout. But here's the kicker: the Emergency Broadcast System will be activated worldwide. Nonstop, 24/7, 8-hour documentaries exposing the darkest
- **The military is taking down Cabal-controlled governments worldwide,** executing mass arrests based on 500,000 sealed indictments. This is the moment we've been fighting for.
- **After the 10 days of darkness, we will reconnect to a new quantum internet.** The old systems of government, education, finance, health, and commerce? Gone. A new age is coming.

#### **G. Wars and Rumors of Wars:**

- **Fri. 27 Sept. 2024:** Russia's Foreign Minister Lavrov says the Middle East is on verge of a full-scale war.
- **Fri. 27 Sept. 2024:** Communication has been lost with senior Hezbollah leaders, including Hassan Nasrallah, Reuters reports.

#### **H. Fri. 27 Sept. 2024: BREAKING! London's About to Be WIPED OUT! Russia's Nukes Are Ready, and the Global Elites WANT This War to Happen! ...Gitmo TV on Telegram**

- **Enough with the games.** This isn't some random, empty threat from a foreign nation. This is the hard truth no one in the mainstream media has the courage to tell you: London is next on the chopping block, and the elites are watching it unfold with a twisted smile. They know what's coming, and they don't care.
- **Russian state television, Tsargrad.TV, isn't just "simulating" a nuclear strike on London** – they're signaling to the world exactly what's about to happen. The globalists are playing both sides, setting the stage for World War III, and the masses? They're being led like lambs to the slaughter, while the rich and powerful bunker down, fully prepared for the chaos they themselves are orchestrating.
- **This isn't just about Russia flexing its muscles. This is part of a calculated move to destabilize the West completely,** and London is the perfect target. Why? Because the

elites WANT it to happen. The destruction of London, the center of Western finance, is part of their grand plan for the Great Reset.

- **Yes, you read that right. They want this war.** They want chaos, destruction, and the death of millions so they can build their New World Order from the ashes. And the media? They're covering it all up, distracting you with celebrity scandals and fabricated news while the gears of war grind ever closer.
- **This wasn't a random release by Tsargrad.TV.** It was a direct message to the power players, the elites pulling the strings.
- **The elites WANT this to happen.** Why? Because with enough chaos, they can consolidate even more power.
- **The Elite's Sick Plan: Profit from Chaos: Here's the new information no one's talking about:** the globalists are stockpiling resources like never before. Central banks are loading up on gold because they know what's coming. They know that when the bombs drop and society collapses, only those with hard assets and underground bunkers will survive.
- **The elites don't care about London.** They see this as an opportunity to profit, to cement their control over a broken world. The politicians, the bankers, the corporate overlords—they've been positioning themselves for this moment for decades. Don't be fooled by their hollow speeches. They're preparing for a post-apocalyptic world where they hold all the power and wealth, while the rest of us fight for survival.
- **New War, New Order: World War III is Not a Threat, It's a Plan:** The mainstream media won't tell you this, but World War III isn't just on the horizon – it's already being waged. It's not just about nukes or missiles. This war is about total control. Control of the narrative, control of the population, control of the future. NATO has been baiting Russia into a conflict designed to escalate. The elites know this. But are you ready?
- **The Media's Role: Misinformation and Distraction:** The media? They're part of the plan. They want you to believe that everything is fine while they prepare to watch the world burn from their safe havens. It's all a lie. And the sooner you wake up to it, the better.
- **What Comes Next: Total Collapse and Control:** When the bombs drop, the elites will be safe in their bunkers, watching from a distance as we tear each other apart. They've already divided us with their lies, but this is their endgame. They will emerge as the new rulers of a world devastated by nuclear fire, ready to rebuild society in their image.
- **This is happening.** And unless you wake up to the truth, you'll be left in the dark while the world burns around you.

**I.The U.S. just handed Israel another \$8.7 billion** in so-called "aid," but let's call it what it is: glorified welfare for a collapsing regime. Israel, this fascist European settler "state", has built its existence on endless handouts from Washington. Billions of U.S. taxpayer dollars flow to prop up an apartheid state committing genocide and war crimes, while ordinary Americans can't even

afford basic necessities. Is this what the American empire has come to? Funding a basket case that's rapidly approaching its own demise?

- **Let's not forget, Israel overtook Vietnam in the early 90s** to become the largest recipient of U.S. foreign aid welfare, and what has it achieved since then? Permanent war, genocide, and now, teetering on the edge of non-existence. This isn't about defense or survival; this is about sustaining a brutal occupation that the global majority sees for what it is. And no amount of welfare disguised as "aid" will change that. Israel is losing: militarily, morally, and politically. It can't defend itself without the full weight of the U.S. military-industrial complex behind it.
- **The irony is as thick as the smoke over Gaza and Beirut:** while America's infrastructure crumbles, while families struggle with rent, food, and healthcare, AIPAC-owned politicians sign blank checks for Israel's forever wars. This is empire in its death throes, funneling billions to sustain a regime that's becoming more of a liability than an asset. And even with this monstrous welfare, Israel is still losing, losing its moral standing, losing its security, and soon, losing its very status as a "state."
- **Israel's fate is sealed,** and all the billions in the world won't save it from the consequences of its own horrific precedents. This is what happens when an empire backs a failing project, just like it did with its puppet regimes in Vietnam and Afghanistan. The U.S. empire is collapsing under its own hubris, and its favorite outpost in the Middle East down is expediting the implosion.
- **History doesn't lie,** empires that pour treasure into failing outposts always meet the same end. And the Global Majority, the rising tide of a multi-polar world, is watching as Israel sinks, despite the endless cash flow. This is the price of betting on a dead horse.

**L. Fri. 27 Sept. 2024 Navy Seals find and trash Diddy Adrenochrome Stockpile ...The 17<sup>th</sup> Letter (JFK Jr.) on Telegram**

- **On Tues. 24 Sept. 2024 Navy Seals** ransacked a Miami warehouse where Sean “Diddy” Combs hoarded a thousand Adrenochrome infusion bags stored in refrigerated chests, a source in General Eric M. Smith’s office told Real Raw News.
- **White Hats, he said, learned of the stash from one of Combs’ former acquaintances** whom Gen. Smith has placed in protective custody. Although our source wouldn’t name the informant, he said the individual and Combs are intimate acquaintances, and that Combs had groomed and sexually exploited the person from adolescence. The person—we believe it’s Justin Bieber—had been used as a “sexual prop” at Combs’ star-studded “Freak offs,” where Adrenochrome flowed like tap water. Drug use, sexual molestations, physical violence, and murders occurred with alarming regularity at Combs’ jamborees, our source said.
- **“This person has concrete, specific details about Combs’ criminal empire,** his guests, and his dark tendencies. I’m sure you’ve heard the expression ‘you can’t make this shit up,’ and well, much of what he said, you can’t make that shit up. And he was polygraphed,” our source said.
- **According to the witness, Combs in 2015 had purchased a warehouse in the Port of Miami** under a fictitious name and revamped the building to hold dozens of upright medical refrigerators in which he stashed substantial amounts of refined Adrenochrome. The witness told White Hats that Combs sourced Adrenochrome from both domestic and overseas sellers. Combs picked Adrenochrome with malevolent, fastidious care; he bought products only from dealers that specified adrenal fluid, the drug’s principal ingredient, had been harvested from Caucasian children between three and nine years old.
- **“We were told this warehouse** was restocked often,” our source said.
- **Gen. Smith, he added, asked allies at Naval Special Warfare Command** to discretely investigate the warehouse and destroy any Adrenochrome stockpiled within.
- **At 3:00 a.m. Tuesday, an unspecified SEAL team approached the Port of Miami from Biscayne Bay** on a Combatant Craft Medium, also called a stealth boat, a multi-mission tactical craft built to infiltrate and exfiltrate Special Operation Forces and conduct special reconnaissance operations. It delivered the SEALs to the southeast tip of Dodge Island, and they crept stealthily toward the target, navigating through the labyrinth of shipping containers that dotted the island like rows of dominoes. Having reached the building undetected, the SEALs split into four-man teams and began looking for guards and anti-intrusion devices that might alert someone to their presence.
- **Muffled voices echoed in the distance**—cruise ship personnel and dockworkers manning cranes that clamorously hoisted containers in the air and lowered them onto a berthed cargo ship. The SEALs found and disabled four security cameras, then slipped a fiberoptic camera through a tiny gap between the cement landing and the bay door. The

well-illuminated building, lit by fluorescent ceiling lights, was empty save for the 15 refrigerators that hummed audibly.

- **The SEALs used bolt cutters to snap and break the locks and chains on the door.** Inside, they found exactly what the witness had said was in the warehouse; fridges loaded with intravenous bags filled with an amber liquid. It certainly was not saline solution. They saved one bag from each fridge as evidence and sliced open the rest. In one refrigerator they also found a notebook, perhaps an enchiridion of Diddy's dastardly deeds, that had what appeared to be people's initials, times, and dates.
- **"The SEALs trashed the refrigerator and left a note saying** the place was shut down; if they had to come back, they'd catch and kill the suppliers. They successfully left Dodge Island and forwarded their findings to Gen. Smith," our source said.

##### **Fri. 27 Sept. 2024 Open Your Eyes: The Elite's Fake Alien Invasion and AI Surveillance Are Already Enslaving You—This is Their Final Push for Total Control!**

...NESARA/GESARA on Telegram

- **The veil has been lifted, and it's time to confront the cold, hard truth:** we are living in a system designed to enslave us. The elites, the hidden rulers of this world, have long been pulling the strings. They control every major event, every war, every economic collapse—nothing is random.
- **They've perfected their systems of control,** and it's not just about influencing governments or media. No, we're talking about full-spectrum dominance over your body, your mind, and your soul. And it's happening now, faster than ever, because they know the masses are waking up. It's all in front of you, yet most people are too blind to see it.
- **Let's start with Cox Media Group's active listening tech.** They openly admitted to using software to track your conversations. Every word you say is collected and analyzed, creating a digital profile sold to the highest bidder. They're listening, and they're using that data to manipulate your behavior and even your thoughts.
- **What does that sound like?** Surveillance capitalism on steroids. Google, Meta, Amazon—they all claim innocence, but they're lying. Why else are they working closely

with government agencies on “national security initiatives”? They are the arms of the surveillance state, and your phone is the tool of your enslavement.

- **The government is preparing for the next stage.** Have you seen the UFO handbook distributed to police forces across the U.S.? UFOs are just the opening act. Why now, after decades of denial? Because they need a new global threat to justify their actions.
- **They’re laying the groundwork for a fake alien invasion,** a spectacle that will scare the population into submission. Using Project Blue Beam and advanced holographic technology, they will stage this invasion to push their real agenda: a one-world government, one-world currency, and total control.
- **Look at Kenya’s digital ID system.** It’s not convenience; it’s the prototype for global biometric control. Every Kenyan citizen will be forced into this system. And it won’t stop there. This is the blueprint for global identification, a system that will track your every move, every purchase, and eventually, your thoughts.
- **At the Federal Reserve’s annual conference,** the most powerful central bankers met alongside the inaugural Wyoming Blockchain Symposium. They’re planning Central Bank Digital Currencies (CBDCs). Once these are implemented, physical cash is dead, and with it, your financial freedom. Every transaction will be tracked, and if you step out of line, your funds will be frozen.
- **It doesn’t stop there. The Jesuit Order,** long known for its secretive influence, has embedded itself in every major power structure on the planet. They aren’t just religious figureheads—they are the architects of the New World Order. The real power lies with the Jesuits, and their mission is total global domination.
- **Meanwhile, reptilian shape shifters have been manipulating humanity for millennia.** They thrive on chaos and fear, and they are ready to enslave humanity fully. The alien agenda isn’t about extraterrestrial visitors—it’s about revealing the masters who have been here all along.
- **The global digital control grid is almost complete.** They control your money, your identity, your movement, and soon, your thoughts. The world is sleepwalking into a technocratic nightmare, and if you don’t wake up soon, it will be too late.

#### **O. Fri. 27 Sept. 2024 Does the Vatican Own BlackRock? ...Forbidden.News**

- **BlackRock is MOSTLY owned by BoA [Bank of America]** – Berkshire Hathaway – property, mostly – holds most of the Vatican's property.
- **Warren Buffet's company, Berkshire Hathaway** owns 18.8% of Bank of America, which is the second-largest banking institution in the United States and the second-largest bank in the world, by market capitalization, both after JPMorgan Chase.
- **Both Bank of America and JPMorganChase** are member commercial banks of the Federal Reserve Bank
- **As per this HuffPost article,** both **Bank of America and JPMorganChase** are widely known to participate in the laundering of money from Latin American drug cartels, while

HSBC has admitted its laundering role: [Banks Launder Billions of Illegal Cartel Money While Snubbing Legal Marijuana Businesses | HuffPost Impact](#)

- **Bank of America, Western Union, and JP Morgan**, are among the institutions allegedly involved in the drug trade.
- **The lack of imprisonment of any bankers involved** is indicative of the hypocritical nature of the drug war; an individual selling a few grams of drugs can face decades in prison, while a group of people that tacitly allow -- and profit from -- the trade of tons, escape incarceration.
- **Latin American drug cartels have expanded their operations into human trafficking** with a business model derived from the Medellín Cartel. Medellin founded with the help of Nazi Officer Klaus Barbie, aka the "Butcher of Lyon". Barbie's cut of the burgeoning cocaine trade financed the Nazis when they went underground after World War.
- **The fortunes of so-called American "Blue Blood" families** come from the Opium trade, which was led by the East India Company, a company that was *de facto* owned by the British Crown.
- **When the Chinese government attempted** to prohibit the Opium trade, which was destroying its populace, the British sent the Royal Navy to enforce the continuation of this trade, leading to the Opium Wars.
- **Drug- and human-trafficking, Nazis, aristocracies, Italian- and Jewish mafias are all compartmentalized units of the same criminal Cabal that controls our planet**, according to the mystery PDF about the Black Nobility.
- **The Torlonia Family...functions as Vatican bankers and treasurers**. The Torlonia family of Rome and the Hohenzollern family of Germany are the main owners and controllers of the Bank for International Settlements, which was founded and administered by the Nazis during World War II. The Torlonias are architects of fascism and the Hohenzollerns are architects of Nazism.
- **The Este and Savoy families run the Bank for International Settlements**, which has a contract with most of the major central banks and is embezzling the wealth of nations through fraudulent loans and contracts. The Savoyes live in Switzerland and Prince Lorenz of Austria-Este works at the Gutzwiller bank. The Bank for International Settlements must be investigated and closed.
- **The Swiss Guard is a military body in charge of the security of the Pope and the Holy See**. The ceremonial head of the Swiss Guard is the Pope, sovereign of Vatican City. Italian mafias are Rome's enforcers involved in extortion, money laundering, murder and drug trafficking, and they pay their dues to the Sicilian mafia, which in turn pays them to the Black Nobility.
- **The mafia channels its earnings and tributes to the Black Nobility** through the Vatican charitable foundations and then from the Vatican Bank they are transferred to the private accounts of the Swiss Bank.

- **The Colonna and Torlonia still hold the hereditary positions** of the Assistant Princes to the Papal Throne. The Black Nobility consider themselves sovereign princes. The Vatican is used as a central point of control and the Holy See is one of the oldest and most criminal corporate entities in existence.
- **The Erlach and Brandi families are Swiss** tax advisers who enable corruption, bribery, criminal financing, and money laundering. The Swiss Guard is the one that protects the Vatican City State. The Swiss cantons have been in contract with the Vatican for centuries and Switzerland is basically a papal state with Roman nobles claiming partial ownership.
- **The Black Nobility share ownership over the Holy See**, which is a corporate entity based in the Vatican City State that was established as a nation in 1929 under Benito Mussolini, who was put in power by the House of Savoy. The Mussolini and Franco families became nobles after their fascist regimes.
- **The Black Nobility** also owns the Knights of Malta, the Jesuits, and the Cosa Nostra.
- **The Italian Nobility**, La Cosa Nostra and the German and Austrian Nobles, run the Jewish Mafia.
- **Royalty and nobles have massive amounts of wealth** in private bank accounts in Switzerland. They use the Nazi-founded Bank for International Settlements to steal wealth from central banks through fraudulent tax contracts and then launder and hide the wealth in private bank accounts in Switzerland.
- **The main Italian lineages** still active include the Massimo, Colonna, Pallavicini, Torlonia, Aldobrandini, Ruspoli, Orsini, Gaetani-D'Aragona, Bourbon-Parma, Odescalchi, Borghese, Adragni, Chigi, Medici, Borromeo, Doria-Pamphilj, Sacchetti, Savoy, Grimaldi and Bourbon. These bloodlines oversee the various sectors of society.
- **Outside of this power structure is the Committee of 300** with an inner circle made up of the leading monarchs and princes of Europe and the former Holy Roman Empire with members from Windsor, Spencer, Cecil, Percy, Hohenlohe-Langenburg, Habsburg, Bonaparte, Orléans...and other families.
- **Many members who do not have noble status on the Committee of 300** represent the royal families. These families are all enemies of humanity and have conspired to enslave the world for centuries. They authorize and create corporations and billionaires, run religions, states, secret societies, the mafia, and organized crime syndicates.
- **Royal families in Europe** are mainly divided into two factions, and this dates back to the Guelph merchants and Ghibelline landowners. All other groups like Bilderberg, CFR, and the Trilateral Commission are lower-level organizations. All roads lead to Rome, which is the basis of its control system.
- **In short, these are the people behind the World Economic Forum**, which is the public-facing front of the Bilderberg Group, described above as a "lower-level" operation of the Black Nobility. The World Economic Forum has controlled the UN since 2019.

- **The UN held a meeting last Sunday** at their New York City Headquarters and announced their plan to make themselves the new Global Government, as reported by the Sovereignty Coalition:
- **On Sunday morning, the United Nations** adopted *without debate* a "Pact for the Future" that includes a mandate for the organization and its Secretary-General to manage "complex global shocks."
- **While the language employed** misleadingly obscures the true purpose of this new charter, it is clearly to turn the United Nations into a world government.
- **That's because, with strong support from the Harris-Biden administration,** Secretary-General Antonio Guterres has made no secret of his intention ultimately to obtain the authority automatically to order responses to climate change, pandemics, commercial disruptions, cyberattacks, asteroids and *any other* so-called "black swan events".
- **Israel will likely be impacted first** by the new Pact's **explicit** inclusion of certain "conflicts" in its mandate since the UN effectively ordered her to disarm last week.
- **Make no mistake, however: The globalists' world government** – which Americans neither support nor approved – will be coming for our sovereignty and freedoms, too.
- **So, does the Vatican own BlackRock?** It's more like the same Black Nobility owns them both and they just declared a One World Government, with the enthusiastic support of the fraudulent OBrandon Regime.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**Q. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to

be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to [jailATM.com](http://jailATM.com) and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. **T. Judy Note: *Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.*** <http://www.youtube.com/watch?v=F626Lsrdwg4>

***"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.***

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.*

*“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

**V. WARNING:** At least three major scams are being perpetrated on Patriots right now: The TRB Trump Products Scam, the Dave XRPLion Scam and the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam.

**Fake Dave XRPLion Scam: On Thurs. 5 Sept. 2024** I received the below from a reader. Evidently she had been scammed by someone impersonating Dave XRPLion on Telegram. The situation appeared to be another scam run by the Cabal, and NOT Dave XRPLion. Her email: “Apparently, Dave XRPLion in Telegram is fake, impersonation. They lured me into opening a QFS crypto wallet by convincing me about crypto wallets being accessible by fraudsters. They work as a group and several people commented how safe and secure QFSLEDGERONLINE.COM is to store my crypto. So I transferred my crypto after opening an account. So the scheme is to get people into the comments, they were very sophisticated. I was conned into DM the fake Dave where he lured, conned me into giving my cryptos to the fake

safe & secure QFS account. When I needed to use some of my XRP, I was told that I need to put in more money. When they refused my withdrawal, I told them that I will contact the authorities. I was promptly locked out of my account. The channel is still in Telegram. They get you to DM Dave XRP Lion, he contacts you there and get people to transfer their cryptos to them, then locks them out. We lost everything after the 2008 Economic Disaster, now this, my Life savings. I am 63 years old a part time school bus driver.”

**Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam (Facebook):** Evidently an Ezra A. Cohen-Watnick impersonator is "helping" set up fake QFS accounts. He has a Facebook page touting the Quantum Financial System (QFS), Med Beds and the like. A reader sent me the following, “I was foolish enough to purchase \$1005.00 worth of Bitcoin today, and have a legitimate receipt for same from the kiosk I purchased it from, BUT I went on Messenger with "Ezra" as he helped me set-up and deposit the Bitcoin into "QFSnetglobal.org . I do not believe this is the legitimate website for the Quantum Financial System.” The reader contacted CDR Pascal Najadi, USSF, who said to report things like this to the Inspector General of the Air Force's office, so our Spec Ops people can pay a call on such criminals: [saf.ighotline@us.af.mil](mailto:saf.ighotline@us.af.mil)

**The TRB Trump Products being falsely advertised under the Trump name** with a promise of a sizeable payoff is actually a giant SCAM being perpetrated on Patriots. It is under investigation by the FBI, Secret Service and New York PD.

- **Since the beginning of June 2024** I have received over 400 emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.
- **The so-called Trump Coins, Badges and Stickers were NOT**, as the advertising claimed, endorsed by Trump, Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.
- **Alan Garten, General Counsel to the Trump Organization, stated:** “The Trump Organization has no affiliation or association whatsoever with TRB products.”

**\*\*\*Victims of the TRB Scam, Ezra A. . **\*\*\*Beware of the Brushing Scam!** Albito Lopez, Sergeant Akron Police Department  
A recent scam has been showing up in many states. A "brushing" scam is when someone receives an unexpected gift or item not ordered in the mail from a place like Amazon or other company.

**Examples of gifts** include, rings, bracelets, necklaces, Bluetooth speaker, etc. The gift will have the recipients address, but not include the sender's information or be from a known retailer. When the recipient opens the package to see what it is and possibly who sent it, there is a QR code to scan to find out who sent the gift.

**Once the code is scanned**, all the information from that phone will be sent to scammers. They receive all access to the phone. All personal and financial information is accessible to the scammers and often the victim's bank accounts are drained. The gift can be kept or thrown away, but the QR code should NOT be scanned for any reason.

**QR code scams are nothing new.** These scams show up in all places, including parking meters. Please inform your family members about the scam and avoid scanning any unknown QR codes included in the package.

**W. \*\*\*\*\*SCAM ALERT!!! Judy Note:** I have checked out the below ad of the Quantum Financial System Support Official (QFS Support) (Official Telegram Account of QFS) (Quantum Financial System Support) that has appeared on various Telegram sites. It is my opinion that it is a complete Scam done to obtain your personal information.

**This same system runs** another ad saying that your TRB Trump products have paid out and are in your QFS account. Sound familiar? I have received over 420 emails from people on the TRB Scam. None have received their promised money. All have paid out thousands. Most have complained to legal authorities.

- **It is my impression for many reasons** that the below ad was a scam: (couldn't give me a license number, website, or who they claimed to have licensed them, plus wrote in poor English and wouldn't even correspond with me until I gave them personal information).
- **The purpose of it appears** to be to collect your personal information.
- **It is my understanding** that when the GCR goes through we will be making appointments at Redemption Centers to set up our Quantum Bank Accounts.
- **This "time is running out deadline of Sept. 30"** is completely not true. Oct. 1 is date when we can START setting up our bank accounts on the new system in the safety of a Redemption Center, not on the web where we don't know who we are giving our personal information to.

**The SCAM to get your personal information goes as follows:**

URGENT: PAYMENTS READY!! Starting October 1, QFS will begin issuing payments! Over \$300 billion is set to be deposited into registered accounts. If you're not registered yet, time is running out-deadline is September 30, 2024. Don't miss out! IMPORTANT: Your payment depends on your age:
