Judy Note: Friday 6 Sept. 2024 activation of the new Global Quantum Financial BRICS payment system was expected and if so, will drive a final nail into the Deep State Cabal Globalist's Coffin. Their total reliance on the US Inc. fiat dollar that had nothing to back it, meant the Globalists would be officially broke, while the World would function on gold/asset-backed currencies of Sovereign Nations that traded at a 1:1 with each other.

Right now and Worldwide, Customer Service Only Banks and financial institutions were connecting to the Quantum Financial System grid – a fortress of security, with quantum-level encryption that no hacker or rogue state could penetrate.

The Cabal no longer would hold control over the Global Financial System, no longer could hold The People hostage in debt. Once a BRICS Nation Blockchain Payment was made by an individual on the new system in an account only they had access to, it would create a totally transparent online digital footprint that was fast, secure, couldn't be deleted, while removing any element of possible corruption.

Corrupt Deep State Cabal Global Elites including Politicians would be refused access to the new system. No longer could they launder taxpayer monies back to themselves. Their lucrative international Money Laundering of drugs, arms and human trafficking would be no more.

So be careful, Patriots. The Deep State Cabal Globalists will do anything to con you out of your new-found wealth. They will be broke, manipulating, dishonest and desperate.

Thurs. 5 Sept. 2024 URGENT UPDATE! The Financial System's Collapse is Imminent—EBS, QFS, and NESARA Are Set to Launch! ...Julian Assange on Telegram

<https://t.me/JulianAssangeWiki/2188>

- **The Storm is upon us, and the truth is breaking through** faster than they can cover it up. High-level insiders are confirming that the Quantum Financial System (QFS), the Emergency Broadcast System (EBS), and NESARA are not just rumors—they're ready to roll out!
- **Politicians in the know are leaking critical details,** whether by accident or design, preparing us for the seismic shifts ahead. This is a coordinated effort, folks—those who want to be on the right side of history when the hammer drops are making their moves now.
- **Congressman Jim Jordan was overheard in a Capitol Hill hallway with Marjorie Taylor Greene, discussing the "imminent unveiling of the new financial system,"** which will pull the rug out from under the corrupt. This wasn't some vague chat—it was a direct reference to the QFS.

- **Greene confirmed, saying the EBS is "ready to go live any day now,"** urging everyone to prepare for a global lockdown. This is a warning straight from the insiders.
- **At a closed-door MAGA event in Phoenix, Kari Lake revealed to a select group that the QFS is already testing,** and we're on the brink of a total financial and political overhaul. She warned that the deep state bankers are cornered, desperately trying to negotiate deals to save their own skins before the EBS exposes their shady dealings.
- **Mike Pompeo, at a Texas fundraiser, dropped a bombshell:** "The financial system as we know it is on its last legs," hinting at a transparency shift that will shake this country and beyond. One attendee, speaking on condition of anonymity, confirmed Pompeo was talking about NESARA and the QFS—suggesting a financial reset that will expose decades of corruption.
- **In Florida, Matt Gaetz didn't hold back.** At a private gathering, he declared, "The days of the Federal Reserve and their secret manipulations are over." The QFS, he says, is a divine tool to restore balance, and the EBS is set to "broadcast the truth to the masses."
- **But it's not just in the U.S.—this is a global shift.** During a private meeting in Mar-a-Lago with Trump and key international allies, Hungarian Prime Minister Viktor Orbán confirmed that European leaders have been briefed on the QFS rollout, and those who resist will be left exposed and powerless.
- **General Michael Flynn, in an August 2024 interview, confirmed the military is prepared for this complete global restructuring.** The EBS will soon be activated to reveal the truth, shattering the lies and deceit that have enslaved humanity for too long.
- **At a recent roundtable hosted by Sidney Powell,** she declared that central banks have had their run, but it's over. The new financial system is ready to expose every dirty secret. The EBS is set to be triggered, finally bringing to light what we've been fighting for.
- **The signals are clear,** the signs are everywhere. These leaks aren't just chatter—they're warnings. The QFS is on its way, the EBS is about to be activated, and NESARA is set to transform our world. The old corrupt system is crumbling, and the new one is rising from the ashes.
- **Get ready, patriots—the revolution is here.** Stay vigilant. Stay prepared. The time for awakening is now!

Thurs. 5 Sept. 2024 ALERT! Black Swan Event Unfolds: GESARA in Motion as Military Alliance Counters Elite's Strike—Redistributes Wealth Amid Imminent U.S. Attack & Economic Collapse! ...Carolyn Bessette Kennedy on Telegram

- **An attack on U.S. soil is imminent, and this is no coincidence. It's a meticulously planned assault orchestrated by the global elite, desperate to tighten their control over humanity.** The Pentagon and military intelligence are holding emergency briefings because they know exactly what's coming. This isn't random—this is a coordinated strike designed to unleash chaos, fear, and submission.

- **But the Military Alliance is fighting back.** This covert group of patriots is hijacking the collapse, starting GESARA, and working to expose the Deep State's sinister plans for total global control.
- **Right after the top-secret briefing, the stock market didn't just dip—it imploded.** A staggering \$1.05 trillion was wiped out in an instant. Think that's a fluke? Think again. This was a calculated financial hit, a move orchestrated by the elite, cashing out before the collapse they engineered finally detonates.
- **Warren Buffett, one of the Deep State's financial overlords, dumped \$6.2 billion in Bank of America stock and 389,368,450 shares of Apple.** He's not worried about market trends—he's running scared from The Storm he knows is about to hit. The entire elite class is selling off stocks, buying gold, and securing land in remote, fortified locations. They know their system is collapsing, and they've rigged it to ensure they come out on top while the rest of us suffer.
- **But the Military Alliance is not standing by.** They've infiltrated the elite's inner circles, gathering intel, and are strategically flipping the script. This collapse will be used against the Deep State to kickstart GESARA—the Global Economic Security and Reformation Act. The goal? To strip the elite of their power, dismantle corrupt financial systems, and redistribute wealth back to the people.
- **The Alliance has been preparing for this for years.** They've tracked every move, every sell-off, every clandestine meeting where the elite plotted our downfall. The evidence is stacking up: documents, recordings, financial transactions—proof of the corruption, manipulation, and treachery driving the Deep State's plan.
- **This is more than a financial collapse—it's a global reset, a war on multiple fronts.** The Military Alliance is fighting financially, cyber-wise, and psychologically. They're hacking the hackers, outmaneuvering the market manipulators, and preparing to unleash a flood of truth that will destroy the lies the elites have used to control us.
- **The Deep State's endgame is clear:** they want to push the world into a crisis so severe that the public will beg for their prepackaged solution—a one-world government, digital currency, and total surveillance. But the Military Alliance is ready to turn the tables.
- **They have the files, the names, the bank accounts, and the secret hideouts of these elites.** GESARA will obliterate the corrupt system and replace it with a new financial order built on real value, not debt slavery. It's a system that will free nations from the grip of economic manipulation and restore power to the people.
- **The collapse is only the beginning.** GESARA is the endgame, and the Military Alliance is prepared to expose the Deep State's crimes—from human trafficking networks to financial fraud to suppressed technologies. The elite are terrified, and they're scrambling to contain the situation. But it's too late.
- **When the hammer drops, it's going to be swift and undeniable.** The Deep State's fortress is crumbling, and GESARA is the wrecking ball. The truth is coming, and no amount of lies, disinformation, or manipulation can stop what's about to happen.

- **The countdown has begun.** The Military Alliance is on the move, and the Deep State's days are numbered. This is a battle for humanity, and victory is within reach. Prepare yourselves, because once this goes public, the world will never be the same again.

Judy Note: *Jenny Hill and I spent 18 years writing her biography "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the "22 Faces" re-publication release, please email me at: info22faces@yahoo.com

D. Thurs. 5 Sept. 2024 Gitmo TV on Telegram: URGENT ALERT: QFS Rollout is Here—Elites Scramble in Secret Meetings!

- **The Quantum Financial System (QFS) is no longer a distant dream—it's happening NOW,** and it's turning the global financial system on its head. The days of the corrupt, elite-controlled economy are numbered. Right now, behind closed doors, the world's most powerful bankers are in a panic, forced to comply with a system that's about to redistribute their hoarded wealth to the people.
- **This isn't just a tech upgrade; it's a revolution.** The QFS is being deployed with surgical precision by the White Hats, dismantling the old financial structures that enslaved us for generations. The Global Economic Security and Reformation Act (GESARA) is in full effect, and the greatest wealth transfer in history is already in motion. Trillions of dollars, stolen from you through lies and manipulation, are about to be ripped from the hands of the corrupt and returned to where they truly belong.
- **Banks worldwide are being audited, tested, and connected to the QFS grid at an unprecedented rate.** CEOs and financial heads are getting late-night calls, attending secret briefings, and being told in no uncertain terms: comply with the QFS or be cut off from the new global economy. The elites have had their day, but now the tables are turning.
- **Behind the scenes, covert teams are working around the clock, integrating every financial institution into the QFS.** The mainstream media is silent because they're part of the old system, desperate to keep you in the dark. But the signs are there—sudden banking outages, unexplained changes in procedures. This is the QFS takeover, and it's happening faster than anyone could have predicted.
- **But this isn't just about the banks. Patriots and whistleblowers, the true heroes who've fought against this corrupt system, are being rewarded.** They've been given early access to QFS accounts, not just as a means to secure their financial future, but as a badge of honor in the war against financial tyranny. These pioneers are leading the charge into a new era of financial freedom, where the power is finally back in the hands of the people.

- **The QFS is a fortress of security, with quantum-level encryption that no hacker or rogue state can penetrate.** Your money is yours, and yours alone, shielded from the greedy clutches of banks, governments, and anyone else who dares to claim it. The QFS is the ultimate equalizer, a system that ensures every dollar is accounted for, every transaction is legitimate, and every person is free from financial oppression.
- **The old system is crumbling, and the elites know it.** They're desperately trying to hold on, but the QFS is unstoppable. Banks that refuse to comply are being systematically cut off, assets seized, accounts frozen. This is a total reset, a clean sweep of the corrupt, and there's nothing they can do to stop it.
- **The QFS is more than just a financial system—it's a global movement, a declaration that the era of financial enslavement is over.** The world is waking up, connections are being made, and soon, everyone will have the chance to be part of this revolutionary shift.
- **The QFS is here,** and it's already rewriting the rules. The future is clear: QFS is the path forward. Embrace it, because the world as we knew it is gone, and what comes next is a financial landscape that finally serves the people, not the parasites.
- **Stay alert, stay informed, and get ready—the Storm is here.**

E. Thurs. 5 Sept. 2024 The Quantum Financial System (QFS), Ben Fulford:

- **This is the Great Financial Shift** leading to a new Quantum Financial System that can only contain true asset-backed currency. An asset-backed digital currency qualifies as a "currency."
- **All currencies will be "Asset Backed"** in each country. This could be gold, silver, platinum, oil, precious metals or any other major asset that the country has.
- **Only two crypto currencies** will be backed by gold – XRP and XLM!
- **All others, not backed by assets,** will disappear by the end of 2024.
- **Quantum software and computers** make the system the most secure on the planet and impossible to hack.
- **All banking transactions** will eventually be conducted in QFS.
- **Banks as we know them** will change dramatically.
- **QFS will hold all money in "Digital Form",** although it will still be asset-backed.
- **All money transfers (moves) will contain at least 50 movement records,** which will be stored in milliseconds simultaneously on six main surface server farms.
- **All cash movements are kept in permanent records.** So there is NO fraud or criminal activity that cannot be traced.
- **All people will have a "digital wallet" account** with QFS rather than with a bank.
- **This digital wallet is 100% secure.**
- **You can use your "Debit Card"** directly from this account.

- **You can transfer money with 100% security** to any bank account, country, citizen anywhere in the world.
- **We will receive “Q” phones** (Quantum Phones) and “Q” computers to ensure 100% security worldwide.

MKULTRA was a CIA Mind Control program that appeared to be continuing even today.
- **1964:** Queen Elizabeth was eventually found guilty by the International Common Law Court of Justice in Brussels in the 1964 disappearance of ten native children from the Canadian Kamloops residential school.
- **In the 1970's** the now-Pope Francis was believed to gain his position as head of Argentine's Catholic Church by trafficking children from Catholic orphanages during the Junta's Dirty War. According to the *Los Angeles Times*, Bergoglio was accused of baby trafficking, plus helping to kidnap opponents of Argentina's military junta during their Dirty War.
- **1973: In 1973** after Congress decided to look into MKULTRA, CIA Director Helms retired, but not before ordering all MKULTRA records destroyed. The CIA Mind-control program was supposedly permanently halted, although a multitude of Satanic Ritual Abuse Survivors born after 1973 claimed it was still going on even today. - **Since 2008** Queen Elizabeth, Pope Ratzinger, Pope Bergoglio, plus Canadian government officials have prevented excavation of what became over 40 child mass grave sites of a 50,000 missing Canadian indigent children case.
- **2010 Crimen Sollicitationas Agreement between Queen Elizabeth and the Vatican:** Kevin Annett of the ITCCS who brought Child Sex Trafficking charges against Queen Elizabeth, Pope Ratziner, Pope Bergoglio, plus a large group of Global Elites to the ICLCJ Court, said: "By Queen Elizabeth's **September 2010** agreement with the former

Pope Ratzinger to abide by the Vatican 'protect the rapist' policy known as *Crimen Sollicitationis*, Elizabeth Windsor and the Vatican formed a criminal conspiracy.” [Pope Bergoglio, Queen Elizabeth charged for child trafficking? | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)

- **2013:** In Feb. 2013 Vatican Pope Francis Bergoglio, Pope Benedict Ratzinger, Queen Elizabeth and top officials of the Vatican Jesuit Order were charged with international child trafficking and cover up of crimes against children by the International Common Law Court of Justice in Brussels. Pope Ratzinger resigned as Pope in **Feb. 2013** only a few days after receiving his arrest warrant.
- **According to a Feb. 5 2014** decision by the UN Committee on Rights of the Child, the Vatican implemented policies that have led to “the continuation of clerical sex abuse and the impunity of the perpetrators.” Pope Francis had testily responded to the UN findings by stating the UN was interfering in Church affairs.
- **2018:** Hollywood icons Hanks, Streep, Spielberg, Lucas, Nicolson, Spacey and a multitude of others have been accused of Child Sex Trafficking connected to CIA mind control programming and international child sex trafficking rings. According to Intelligence sources children crossing the US border in the thousands have been kidnapped, or sold into child sex trafficking to fulfill pedo-sex requests of high ranking US officials, including members of the US Congress and state legislators. The CIA admitted their vested interest in child trafficking in their 2008 disclosure. These powerful elites were believed to use their money, power and connections to various Mafias and Secret Services, including Australian Security Intelligence, the CIA and British Intelligence, to procure children through kidnapping and breeding their own. CIA Mind Control techniques (we're talking regular rape, torture and forced participation in child sacrifice rites) programmed the children and then transported them internationally to service VIP pedophiles. This ensured only blackmailed, compromised politicians, military brass and government officials occupied leadership positions across the globe. - **2019: Since 4 July 2019** millions of traumatized and dead children have been taken out of underground tunnels by the Military under direction of the Pentagon Pedophile Task Force and Commander in Chief Donald Trump. A Military troop described the first rescue for which they had spent a year in training, “On **4 July 2019 at 2 am PDT** we surprised personnel at the California China Lake Naval Base, took over the facility and rescued approximately 3,000 children being tortured in ways beyond comprehension.” The Worldwide underground network of DUMB Tunnels was run by the CIA using US Taxpayer monies. China Lake alone was discovered to hold thousands of tiny cages just large enough for human babies. Other thousands of cages housed little children from ceiling to floor. The cages were hotwired so that the children received regular horrific

electric shocks to their bodies as part of the CIA Mind Control program that began at the end of World War II. [Thousands of Tortured Children Rescued and Found Dead by US Military | Politics | Before It's News \(beforeitsnews.com\)](#)

- **2021: Over a thousand trafficked children and dead bodies were rescued out of shipping containers in the Suez Canal by US Navy Seals.** The Seals also found Weapons of Mass Destruction on the six story high vessel – which were believed destined to start a war in the Middle East. The containers were on an Evergreen Corporation ship that blocked the Canal from **Tues. 23 March to Mon 29 March 2021.** The Japanese-owned, Taiwanese-operated ship of Evergreen Corporation was actually co-owned by Walmart and the Clinton Foundation – known for it’s international child trafficking ring. The children were said ordered out of magazines like Wayfair by pedophiles who paid big bucks for certain abused children. [Wayfair and Child Trafficking? J. Wed. 4 Sept. 2024, David Wilcock: Where is the US military in all of this?

- **Trust me, they’re fully aware of the situation.** The US has the best intelligence in the world. But given their apparent neutrality, it seems that the deep state doesn’t control the US military, which implies that Biden doesn’t control it either.
- **I don’t think Biden ever had control,** which some call “devolution” (shoutout x22). If he did, and if Russia was about to expose the biological weapons that Biden and his deep state allies are developing in black site labs, Biden would certainly deploy the military to

protect those assets. Instead, he told Ukraine they were on their own against Russia ☐, only offering to send jets to Poland instead of flying US jets directly.

- **So, does Biden have any real control over the military?** Or is Biden actually under military control? Because the US military must be furious. Outsourced labs using Department of Defense funding, granted by corrupt politicians, paid contractors to create bioweapons. Not the US military, but contractors.
- **The most furious party? The US military.** Deep state activities have not only resulted in countless civilian deaths globally, but now China and Russia - two of the most powerful nuclear and military nations on the planet, are accusing the US of creating bioweapons. This has pushed us towards WW3 via C19 and potential nuclear fallout.
- **I suspect the US military is remaining neutral** because they want Russia to find and reveal the truth. If the US military were to do it, it would be seen as a “military coup,” which the media would spin into a civil war and mass uprising. However, if Russia uncovers the evidence and presents it to the UN, the US military could claim they were unaware of how their funding was used, and agree to hold accountable those responsible.
- **This could lead to international military tribunals for breaching the International Biological Weapons Treaty of 1975.** They might also discover that C19 was created with US NIH funding, and that the establishment is responsible for its release, as well as violating the Nuremberg Code with human experimentation related to the vaccines.
- **The penalties for these crimes** are international military tribunals! After Nuremberg, these tribunals were conducted by the four Allied nations - USA, UK, Soviet Union, and France - each contributing a military judge and prosecution team to try 24 Nazis post-WW2.
- **If Russia provides sufficient evidence of bioweapon production in Ukraine,** we could see international tribunals!
- **“Military is the only way.”** But which military? It could involve multiple nations’ militaries, and our military might not even be part of the tribunals, especially since factions within the US are implicated in these crimes.
- **This appears to be the only way for mass acceptance:** a united council of militaries worldwide prosecuting deep state actors together, in solidarity, as we did in the past.
- **The media and the public wouldn’t be able to deny** or spin that. Mass acceptance.

K. Thurs. 5 Sept. 2024 US role in Indonesia, Philippines eyed as Washington maintains Anti-China presence in region. ...Veterans Coindeck on Telegram

- **“Jakarta has been engulfed in fiery unrest in recent days,** as thousands of protesters attempted to storm parliament in response to controversial changes to election laws,” notes the website Orinoco Tribune, acknowledging large demonstrations taking place in the Indonesian capital recently.
- **The online newspaper republished analysis offered one year ago by the investigative reporter Kit Klarenberg documenting** “an extensive network of political, media, and

civil society infrastructure” established by the CIA-linked National Endowment for Democracy to facilitate regime change in the country of 275 million people.

- **“After years of fostering insurrectionary fervor in the country,** has the NED’s influence finally reached a boiling point?” the website asks.
- **“The US has been unhappy”** with Indonesian President Joko Widodo noted writer and peace activist KJ Noh, who joined Sputnik’s The Critical Hour program Tuesday. “They sometimes use the term ‘aggressive neutrality’ in that he has been balancing between China and the United States. So, for a very, very long time they did not want [Widodo] in power and it may be that there are more moves that are happening right now in order to depose him.”
- **The United States is also looking to interfere in the Philippines,** offering to escort Philippine supply ships to an outpost the country is maintaining in the South China Sea to lay claim to a disputed island.
- **“They want to see if they can create a provocation,”** Noh said of the US’s offer of assistance. “The Philippines made a promise to China to remove the rusting ship the Sierra Madre. They broke that promise, they've been resupplying it.”
- **The Philippines aims to internationalize the issue** by leveraging alliance to mislead the public. By engaging with these non-involved parties, including making some off-table trade-offs, the Philippines seeks to "enhance its bargaining power and maritime presence," said Chen Xiangmiao, director of the World Navy Research Center at the National Institute for South China Sea Studies.
- **The US is the real "mastermind" behind the tension in the South China Sea,** instructing Manila to stir up trouble but avoiding a scenario that goes out of control, and it is also the US that has mobilized its close allies to back the Philippines, Chen said.

L. Thurs. 5 Sept. 2024 Breaking News: Trump’s Secret Plan with the Military, Collapse of the U.S. Corporation, and Launch of New Gold-Backed Economy!

- **As the old world order crumbles,** the pieces of corruption and deceit are finally falling apart. Central Banks? Bankrupted. The financial systems we once thought unshakeable? Obsolete. And what about Congress, the White House, the IRS, and the Federal Reserve? All exposed—these are no longer the institutions they once claimed to be but are revealed as components of a bankrupt U.S. Corporation that has been running America into the ground.
- **Now, a new era is dawning—one backed by gold, digital assets,** and the revolutionary Quantum Financial System (QFS). As the deep state’s grip loosens, NESARA GESARA emerges as the beacon of financial freedom, tearing apart the globalist chains that have enslaved humanity for generations. The stage is set for a global economic shift that will return wealth and power back to the people.
- **Why hasn’t the public been told about this massive transformation?** Because the deep state cabal has spent decades hiding these truths. They have been pulling the strings

from the shadows, manipulating the global population, enslaving us through their corrupt systems. But now, their power is crumbling, their secrets exposed. The Great Awakening is upon us, and the dark forces that have controlled the narrative for far too long are finally losing their hold.

- **Even as the old elite panic and thrash in their final days**, they can't stop the earthquake of change. Their dark practices are being revealed for what they are, and there is no hiding from the light of truth. The military alliance, led by Trump, is not just fighting corruption—it's rebuilding the world. Cheyenne Mountain is fortified, ready to protect the nation as Trump's plan unfolds.
- **Trump's visionary leadership isn't just politics**—it's a battle for the soul of America. And it's not just him. JD Vance and Vivek Ramaswamy are on the frontlines of this war, pushing back against the globalist agenda. Their focus? American farmland. While the media spins stories of their disagreements, make no mistake—they are united in the mission to dismantle the globalists, to take back control, and to restore sovereignty to American farmers.
- **And there's more. Trump Jr. and JD Vance are already laying the groundwork for 2028**, planning to continue the legacy of freedom and patriotism that will guide America into its next era. The involvement of Vance, with his knowledge of the Skull and Bones society, ensures that the deep state's darkest secrets will be exposed. This is no small fight—this is about tearing apart the core of corruption that has infiltrated our government for decades.
- **As the Deep State Cabal disintegrates**, they grow desperate, their systems of control collapsing. The DNC and the RINOs' panic only confirms their impending downfall. Every move Trump and his allies make is another blow to these corrupt forces, another step closer to true freedom.
- **We are standing on the edge of a new era.** Under Trump's leadership, with the support of GESARA and the QFS, we will see the rise of a golden age—an age of prosperity, transparency, and liberty. Be vigilant, stay informed, and above all, be ready. This is our time, and freedom is coming.

M. Thurs. 5 Sept. 2024 Update The Unstoppable Force of QFS and GESARA Engages 8 Billion People Worldwide: The Greatest Wealth Transfer in History Unfolds!

...NESARA/GESARA on Telegram

- **The Quantum Financial System (QFS) and GESARA are unstoppable forces**, reshaping the world right now. This isn't some distant fantasy. It's happening. The corrupt financial elites that have drained wealth from the people for generations are about to be dismantled. The greatest wealth transfer in human history is upon us, and if you're not prepared, you're falling behind.
- **For decades, the elites have manipulated and controlled the world's finances.** But now, QFS and GESARA are flipping the script, putting wealth directly into the hands of

the people. The system is here to tear down the corrupt banking empire and replace it with one that is transparent, incorruptible, and unstoppable.

- **A Revolution in Wealth:** Let's be clear—QFS/GESARA is real and it's unfolding before our eyes. It's not just an idea; it's a revolution that's taking down the old system and leveling the playing field for everyone. Imagine a world where wealth isn't hoarded by the elite, but flows freely to every person. That's what QFS promises. The reset the world has been waiting for is happening now, and there's no stopping it.
- **Massive Wealth Redistribution:** Under the QFS, families are already set to receive millions. It's not speculation—it's reality. A 75-year-old couple is positioned to receive \$25,563,596, and after usual deductions, still walk away with \$1.2 million, debt-free and tax-free. That's generational wealth that doubles, with \$58,229,732 for their grandchildren. And it's not just one family—it's everyone. This is what true wealth redistribution looks like. No more crumbs from the elites' table. No more empty promises. GESARA is taking back what was stolen and giving it to the people.
- **GESARA: The Future is Here:** GESARA isn't a theory; it's a legally binding mandate that's transforming the world. 8 billion people are about to get their share of global wealth. The old systems of debt and financial slavery are crumbling, and a new era of abundance is rising. The QFS ensures that wealth flows back into the hands of the people. Every dollar unspent returns to the Treasury, creating an endless cycle of prosperity. No one gets left behind.
- **The Quantum Era is Here:** The QFS isn't just a financial system—it's a weapon of mass liberation. It's here to expose every lie, hidden debt, and rigged market that the elites used to control us. NESARA/QFS is tearing down the corrupt systems and putting power back where it belongs—with the people. This isn't charity; it's justice. The QFS is incorruptible, transparent, and immune to manipulation by the elite. The quantum era is already here. The old guard is crumbling as we speak. NESARA/QFS and GESARA are rewriting the rules of the financial world.
- **Embrace the Change:** This is happening, and it's happening fast. The quantum era has already begun. Wealth, power, and freedom are no longer privileges for the few; they are your birthright. QFS is your ticket to a new world where the corrupt elites are finished. Wake up. Stay vigilant. The greatest financial revolution in history is already unfolding.

Q. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support.
