Judy Note: *What we think we know as of Sat. 7 Sept. 2024:*

On 29 Sept. 2019 Barak Obama was executed by firing squad at GITMO.

Donald Trump just leaked a video exposing Barack Obama practicing SATANIC SACRIFICING RITUALS with other GAY men and CERTIFIED PEDOPHILES like OPRAH, CLINTON and many MORE!

Clinton's Evergreen Inc. has long been a CIA Front for Child Sex Trafficking.

Mel Gibson has released multiple videos that show the Satanic Blood Rituals, Child Sacrifices and much more devil oriented things which took place under the White House. Recorded in 2008, the video shows Jeffrey Epstein, Bill Clinton, Prince Andrew, Barack Obama, Joe Biden and many more engaging in demonic activity and human sacrifice.

All banks and eventually eight billion people will be transitioning over into the Quantum Financial System.

Biggest Public Health Scandal Ever: Four deadly Parasites found inside vaccines and Moderna admitted its mRNA COVID vaccine causes cancer after billions of DNA fragments were found in vials of the dangerous injection.

Something massive is happening. The FBI has seized cell phones of the NYPD Commissioner. This comes just hours after top aides of Democrat Mayor Eric Adams had their homes raided. The streets are absolutely filled with National Guard in NY and major cities across the Nation.

Judy Note on SCAM Warning Dave XRPLion Scam: On Thurs. 5 Sept. 2024 I received the below from a reader. Evidently she had been scammed by Dave XRPLion, or someone impersonating him on Telegram. The situation appeared to be another scam run by the Cabal.

As with the over 400 readers who have contacted me about the Trump Product TRB Scam, I advised her to write up her experience, make three notarized copies of it, keep one for her records, give another to local law enforcement when making a complaint, and send the other to: Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States which has several investigations open on the scams.

Her email:

Thank you for acknowledging my problem. I do feel like a fool about getting financially victimized over and over. I will write send a notarized letter.

I learned about Dave XRPLion videos from Telegram. Apparently, Dave XRPLion in Telegram is fake, impersonation. They lure me into opening a QFS crypto wallet by convincing me about crypto wallets being accessible by fraudsters. They work as a group and several people commented how safe and secure QFSLEDGERONLINE.COM is to store my crypto. So I transferred my crypto after opening an account.

So the scheme is to get people into the comments, they were very sophisticated. I was conned into DM the fake Dave where he lured, conned me into giving my cryptos to the fake safe & secure QFS account.

When I needed to use some of my XRP, I was told that I need to put in more money. When they refused my withdrawal, I told them that I will contact the authorities. I was promptly locked out of my account.

I reported them to my County Sheriff Department and got a case number. I have not heard from the Sheriff Department. I have left messages because the Deputy is never available.

The channel is still in Telegram. They get you to DM Dave XRP Lion, he contacts you there and get people to transfer their cryptos to them, then locks them out.

I have reported their scheme to Telegram several times in hopes for justice and stop defrauding others. But their channel remains.

Thank you so much for listening it means so much to me. We lost everything after the 2008 Economic Disaster, now this, my Life savings. I am 63 years old a part time school bus driver.

Judy Note: *Jenny Hill and I spent 18 years writing her biography "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com

- **At 14:44:44 GMT on September 29, 2019, Obama was executed by firing squad at GITMO.** Three U.S. generals were present at the execution, and Obama was allowed a private meeting with a Muslim cleric prior to the execution. Obama had refused to provide any further information, and Alliance sources believe he may have been the main instigator of the current impeachment debacle in progress.
- **Obama had been in contact with the so-called whistleblower** despite being under 24-hour watch at GITMO. The Alliance conducted a search and found an Iridium satellite phone hidden in one of Obama’s pillows. The Alliance immediately ordered his execution, at which point Obama began whimpering and pleading, claiming John Kerry put him up to it.
- **GITMO is at full capacity**, and Obama was bunking with John Kerry and Kris Kristofferson (who was charged with being an MK-Ultra agent).
- **As for what is to become of the Obama clone** currently making rounds in the United States, the Alliance did not comment. This clone is believed to be malfunctioning, so they may take a ‘wait and see’ approach.”

E. Quantum Financial System QFS

- **This is the Great Financial Shift** leading to a new Quantum Financial System that can only contain true asset-backed currency. An asset-backed digital currency qualifies as a “currency.”
- **All currencies will be “Asset Backed”** in each country. This could be gold, silver, platinum, oil, precious metals or any other major asset that the country has.
- **Only two cryptocurrencies** will be backed by gold – XRP and XLM!
- **All others, not backed by assets,** will disappear by the end of 2024.
- **Quantum software and computers** make the system the most secure on the planet and impossible to hack.
- **All banking transactions** will eventually be conducted in QFS.
- **Banks as we know them** will change dramatically.
- **QFS will hold all money in “Digital Form”**, although it will still be asset-backed.
- **All money transfers (moves)** will contain at least 50 movement records, which will be stored in milliseconds simultaneously on six main surface server farms.
- **All cash movements** are kept in permanent records. So there is NO fraud or criminal activity that cannot be traced.
- **All people will have a “digital wallet”** account with QFS rather than with a bank. This digital wallet is 100% secure.

- **You can use your “Debit Card”** directly from this account.
- **You can transfer money** with 100% security to any bank account, country, citizen anywhere in the world.
- **We will receive “Q” phones** (Quantum Phones) and “Q” computers to ensure 100% security worldwide.

F. Fri. 6 Sept. 2024 Golden Redemption: The Birth of USN US Note Backed by QFS Gold-Backed Digital Currency

- **The collapse of the fiat system** has been a long time coming. Historically, fiat money, which lacks intrinsic value, became the global standard in the 20th century. This shift allowed governments and central banks to print money freely, unbound by the tangible value of precious metals. Over time, this led to rampant inflation, economic bubbles, and numerous financial crises. The 2008 financial crisis, fueled by reckless lending practices and inadequate oversight, exposed the vulnerabilities of the fiat system. Governments responded by printing even more money, further eroding the value of currencies and deepening the crisis of confidence.
- **In the wake of the 2008 crisis**, digital currencies like Bitcoin emerged, offering a decentralized alternative free from the grip of central banks and government control. However, these digital currencies were not without their own issues-high volatility, lack of intrinsic value, and associations with illegal activities limited their ability to truly replace the flawed systems they sought to disrupt.
- **Enter the USN US Note**, a new currency that promises to bridge the gap between the stability of traditional assets and the innovation of digital finance. As the sun rises over the horizon, casting its golden hue across the land, the USN US Note emerges like a phoenix from the ashes of a broken financial system. This currency is more than just a means of exchange; it is a symbol of financial redemption, a return to an era where money was backed by real value-gold. The USN US Note, backed by the Quantum Financial System (QFS) and the undeniable value of gold, stands as a beacon of hope against the backdrop of economic despair and deceit that has plagued us for generations.
- **For far too long, our financial systems have been mired in manipulation**, deceit, and instability. The fiat currency system, with its lack of intrinsic value, has led us down a path of endless debt and economic uncertainty. Central banks, with unchecked power, have manipulated markets, eroded savings, and fostered financial inequality. But now, with the advent of the USN US Note, there is a bold departure from this flawed past.
- **At the core of the USN US Note’s promise is the Quantum Financial System (QFS)**, a revolutionary financial network that utilizes quantum computing technology to ensure the highest levels of security, transparency, and efficiency. Unlike traditional financial systems, which are susceptible to hacking, fraud, and manipulation, the QFS is virtually impenetrable. It guarantees that every transaction is secure, transparent, and immutable, restoring trust in our financial systems.

- **The cornerstone of the USN US Note is its gold backing.** Each note is backed by a specific amount of gold, ensuring that it retains intrinsic value. This gold-backed stability provides a safeguard against inflation, making the USN US Note a reliable store of value. It embodies a time-honored principle: money should be grounded in real, tangible assets. By merging the stability of a gold-backed currency with the efficiency and transparency of digital systems, the USN US Note addresses the shortcomings of both fiat and digital currencies.
- **This new currency represents not just a financial instrument but a revolution in how we perceive and interact with money.** The USN US Note, underpinned by the QFS, is set to redefine the future of finance, offering stability, transparency, and true economic redemption. A new era in finance has dawned, bringing with it the promise of a stable and prosperous future.

G. Fri. 6 Sept. 2024 The Financial Tsunami is HERE: Crypto Predictions, Next Black Swan, XRP, QFS, GCR, US Treasury Note and Cryptocurrency Regulations (Goldilocks)

- **The Impending Demise of Traditional Systems.** As the second half of this year unfolds, the market will experience a critical phase, marked by the transition to asset-backed digital currencies. This shift could trigger a Black Swan Event - temporary market turmoil as industries and investors adapt to the new landscape where utility takes precedence over speculation. Reports of the decline of traditional systems, such as the Federal Reserve and central banks, are not mere exaggerations but a reality we must confront. These institutions are struggling under the weight of modern economic demands, paving the way for a new, transparent framework that modernizes the backend with blockchain and digital technologies while preserving the familiar structure of existing systems.
- **What Have We Continually Shown Here?** For years, naysayers and traditionalists have dismissed digital currencies and assets, clinging to outdated financial systems now struggling to keep up with innovation. Digital assets are not relics of a failed attempt at a one-world currency, as some critics suggest. Rather, they represent the vanguard of a new financial era, reshaping the way we think about value and transactions.
- **We have explored this emerging world extensively,** examining the digital transformation spearheaded by technologies like RippleNet and the potential of XRP, a currency rumored to be backed by gold. These innovations are not speculative whims but foundational elements of a new financial infrastructure poised to replace the outdated SWIFT network and redefine interbank and interpersonal monetary transfers.
- **A Vision for Ripple and Beyond.** Ripple stands at the forefront of this financial revolution, with the capability to facilitate cross-border transactions that could challenge and potentially destabilize the dominance of traditional fiat currencies like the U.S. dollar. As Ripple begins to create new opportunities in currency markets, it underscores a

broader shift towards valuing currencies based on real demand and supply, backed by physical commodities.

- **The introduction of the U.S. Treasury Note (USTN)** serves as a transitional measure, easing society's shift into the digital asset ecosystem. This period of transition is crucial, providing time for users to acclimate to digital assets, which will soon become a fundamental part of everyday finance.
- **Disregard cryptocurrency's role in politics at your peril.** As the U.S. presidential race heats up, digital currency has become a significant issue, drawing close scrutiny from an electorate increasingly aware of its implications for national and global economies. With new legislation set to regulate Markets in Crypto Assets (MiCA) and stablecoins by the end of September, the landscape is primed for a dramatic transformation.
- **Post-September, the crypto market will undergo a Darwinian culling.** Tokens and currencies unable to comply with new regulatory standards will disappear, while those aligning with legal frameworks and backed by tangible assets like gold and other commodities will thrive. These changes aim to stabilize digital currencies, ensuring they accurately reflect the economic stature of their respective nations.

H. Restored Republic:

MAJOR ALERT: THERE WON'T BE ANOTHER ELECTION. IT WAS ALL A SETUP! THE RESTORATION OF TRUMP: NASARA AND GESARA! ...The 17th Letter (JFK Jr.) on Telegram

- **The Deep State's Endgame.** For decades, the whispers of a shadowy Deep State manipulating the levers of power have circulated through political discourse. This group, allegedly operating behind the scenes, has been pulling strings, influencing policy, and steering elections. As the layers of deceit begin to peel away, the phrase "Dark to Light" captures the essence of this pivotal moment—the transition from a hidden agenda to widespread public awareness and liberation. With every revelation, the true extent of the Deep State's control becomes clearer, and its grip on power weakens.
- **Hunters Become the Hunted.** In a dramatic reversal of fortune, those who once wielded power from the shadows now find themselves in the crosshairs of justice. The once untouchable high-ranking officials, media moguls, and influential figures are under intense scrutiny as the tide turns. "Hunters become the Hunted" is no longer just a catchy phrase; it represents a shift in the balance of power. As whistleblowers come forward and classified documents are declassified, the evidence against the Deep State operatives mounts, driving a growing public demand for accountability.
- **The political landscape is ablaze** with controversy and speculation. The claim that the upcoming elections will be null and void, coupled with the invocation of the Insurrection Act of 1807, signals a seismic shift in the nation's power dynamics. The assertion that "nothing can stop what is coming" goes beyond rhetoric; it is a declaration of intent. As

the hunters become the hunted, the web of deceit spun by the Deep State is unraveling, leading to the endgame that will redefine the political scene.

- **The current political climate** is more than just another election cycle; it represents a showdown with the Deep State, a struggle for the soul of the nation. With the potential reinstatement of Donald Trump under Nasara and Gesara, the stakes have never been higher. The insurrection is real, and its implications are profound. The unfolding events, grounded in the anticipated use of the Insurrection Act, are more than just political theater; they are the harbingers of a dramatic reordering of power.
- **As investigations into the 2020 election reveal more about alleged fraud**, it becomes evident that the Deep State's influence is crumbling. The nation stands at a crossroads, faced with the promise of a dramatic shift from the shadows of control into the blinding light of truth. Buckle up, for this is not just a political battle; it is a transformative journey through the darkest recesses of power into a new era of transparency and justice.

I. Med Beds in Hospitals Nationwide by Year's End, Carolyn Bessette-Kennedy on Telegram Fri. 6 Sept. 2024

- **TRUMP TO REPLACE HOSPITALS WITH MED BEDS NATIONWIDE BY YEAR'S END!**
- **Get ready, patriots—Trump has dropped a bombshell announcement:** Hospitals across the nation are set to be replaced with Med Beds by the end of the year! This isn't just another advancement; it's a revolution that will change everything we know about health and life itself.
- **For years, we've been kept in the dark, but the truth is finally coming out.** These Med Beds aren't just about healing—they're about reclaiming what's been stolen from us by those who seek to control and suppress. Trump's bold plan is not just a technological upgrade; it's a massive shift that will change how we live, age, and even perceive reality.
- **Here's the kicker: this technology can reverse aging**, and it's already happening. Imagine seeing grandparents looking younger than their own children—this is the future that's coming. But be warned, not everyone will embrace this change. Some will refuse, creating a world where age and appearance no longer match, flipping our understanding of relationships and society on its head.
- **This is about more than just Med Beds.** Trump's push for these technologies ties into a broader plan: GESARA, the return to the gold standard, free energy, and more. These are all pieces of a puzzle that will restore what's been stolen from us for generations. The

deep state has been using fiat currency, fake history, and media lies to keep us enslaved, but their time is running out.

- **People are waking up.** All around the world, even in places like Japan, people are rising up against government tyranny. The media may try to hide it, but the truth is breaking through. The question now is: Will you stand with Trump, with truth, and reclaim your rightful heritage? Or will you stay trapped in the lies of a corrupt system?
- **This isn't just about new technology**—it's about a new era. The choice is clear: Prepare yourself, embrace the future, and take back what's ours. The time is now. Med Beds are coming, and with them, the power to change everything. **Are you ready?**

A plane carrying doses manufactured by Bavarian Nordic and donated by the European Union touched down in the capital Kinshasa around 13:00 local time (12:00 GMT), Reuters reporters at the airport said. Congo's health minister, Samuel Roger Kamba Mulamba, told reporters the newly arrived vaccine had already proved its worth in the United States and would be rolled out to

Big Pharma has done everything possible to hide it. But ask yourself: if vaccines are meant to save lives, why are deadly organisms being injected into us? This is real, and you can't afford to look away.
- **A Nightmare Unfolding.** We've been told for years that vaccines are "safe and effective." But that's not the full story. What if I told you these vials contain living parasites that can harm or even kill you? Yes, these organisms are inside, and once injected, who knows what damage they'll cause. This is not some far-off danger; it's happening right now.
- **Dr. Carrie Madej** ran independent tests on vaccine vials and uncovered something terrifying—a living *Hydra vulgaris* parasite trying to escape from the vial. That's right, living organisms, not just chemicals, are being injected under the guise of "protection." And *Hydra* is just one of the four parasites found.
- **Big Pharma's Role in This Scandal.** Don't think for a second this is a mistake. Big Pharma is known for putting profits before people. Backed by governments, shielded from lawsuits, and rolling in billions, they have no reason to care about the dangers they're spreading. The question isn't if they'd do this, it's when they already have.
- **Cold Storage—The Real Reason.** Why were these vials stored at freezing temperatures? It wasn't just about preserving the vaccine. It was to keep these parasites alive. Once injected and they warm up, they start moving inside your body, ready to wreak havoc.
- **Hydra Vulgaris—the Immortal Parasite.** This parasite is nearly immortal, with the ability to regenerate itself endlessly. Imagine that—an organism inside your body that

can live forever, multiplying inside your bloodstream. This isn't just scary—it's a nightmare.

- **Trypanosoma Cruzi—the Killer Parasite.** Another parasite found in vaccines is Trypanosoma cruzi, which causes Chagas disease. It's a silent killer, slowly damaging the heart and digestive system over years. How many people have this ticking time bomb in their veins right now?
- **Toxoplasma Gondii—Mind Control Parasite.** This parasite can manipulate behavior. Scientists have shown it can alter brain chemistry in animals, making them act irrationally. Now imagine this mind-control being injected into humans—millions could already be under its influence.
- **The Cover-Up.** The media has stayed silent. Why? Because Big Pharma and governments are in on this. They need us to trust vaccines. They've silenced whistleblowers, buried the truth, and labeled anyone exposing this as spreading "misinformation."
- **Conclusion:** This is the crime of the century, and it's happening right now. We're being injected with deadly organisms, all for profit. It's time to wake up. Don't let these parasites take over your body or your mind. Fight back—before it's too late.

O. Fri. 5 Sept. 2024 Patriots, be careful who you are following...Q and The 17th Letter (JFK Jr.) on Telegram

- **Be careful who you are following.** Some are profiting off this movement. Some are building a big following off this movement only then to retreat and go mainstream.
- **Patriots make sacrifices.** Some, the ultimate sacrifice. Patriots are SELFLESS. Do they ask for monthly payments to remain Patriots? Think logically.
- **To some, it's only about the money.** Those who would seek personal gain at the expense of others in this movement has an agenda. You decide. This is not a game. The only profit we should all be striving for is TRUE FREEDOM. God bless you all. Q

P. Fri. 6 Sept. 2024 Israel is Last...The 17th Letter (JFK Jr.) on Telegram

- **WARNING: PROPHECY UNFOLDING—ISRAEL AT THE HEART OF THE GLOBAL STORM, ROTHSCHILD DOMINION EXPOSED!**
- **The world is shifting,** and those with eyes to see are recognizing the signs. Israel isn't just a nation; it's the command center of a global scheme that threatens to topple everything we hold dear. The Rothschild dynasty, with Israel as its headquarters, manipulates the world's financial and political landscapes. This isn't just another conspiracy—it's the truth they've tried to bury.
- **WHY ISRAEL?** Israel's strategic location isn't coincidental. It's the nerve center for the Rothschild banking empire, controlling everything from the Federal Reserve to Washington, D.C. They've created a legacy system that thrives on centralized control,

and it's this system that must be dismantled if we're ever to see a new era of financial freedom.

- **CHAIN REACTION: THE TIDE TURNS:** Iran's retaliation could be the spark that sets off a chain reaction, unraveling the entire Rothschild-Zionist agenda. Picture this: Political and Economic Chaos: Conflicts in the Middle East aren't just regional—they're designed to cause global instability, shaking the very foundations of international markets and alliances.
- **Collapse of Centralized Power:** As Israel's influence crumbles, so will the centralized systems it upholds, paving the way for decentralized technologies like blockchain and crypto currencies.
- **Global Ripple Effect:** The downfall of Israel's control will send shockwaves across the globe, affecting governments, economies, and the very fabric of society. But from this chaos, a new system will emerge—one free from the stranglehold of Rothschild banking.
- **BIBLICAL PROPHECY UNVEILED:** Ancient prophecies have always pointed to Israel as the epicenter of world-altering events. But here's what they didn't tell you: those in power have twisted these prophecies to fit their narrative. Israel isn't just a player—it's the stage for the final act of a global drama orchestrated by Zionists and the Khazarian Mafia.
- **THE TRUE AGENDA:** The world you see is an illusion, a grand deception orchestrated by Israel and its Zionist handlers. They control the media, manipulate political outcomes, and engineer economic crises—all to bring about a New World Order where they hold all the power.
- **The conflict with Iran? It's a setup,** a calculated move to plunge the world into chaos, where out of the ashes, a new, more controlled world will rise. And it's all by design.
- **THE TIME TO ACT IS NOW:** They think you're blind. They think you'll accept their lies, their chaos, without question. But the signs are clear for those willing to see. Israel, the Rothschilds, the Zionists—they're not just planning; they're executing a plan that could enslave the world.
- **But we're not powerless.** We must expose the truth, resist their control, and fight for our sovereignty. This isn't just about survival; it's about reclaiming our world from those who would see it burn just to rise from the ashes with absolute power.
- **The time is now.** Stand vigilant, stay informed, and above all, stand ready to fight against the darkness that seeks to consume us. Israel may be the epicenter, but the resistance starts with us.

Q. Fri. 6 Sept. 2024 White Hat Intel: Trump confirms he will start a government efficiency task force, headed by Elon Musk!

- **Elon will audit the entire federal government,** and eliminate the fraudulent spending of our tax dollars, saving trillions. This is the Deep State's worst nightmare, for multiple reasons:

- **1) Our tax dollars are the life source of the Deep State machine.** Their wealth comes from laundering our tax dollars in the form of “foreign aid” and “spending”. Trump and his allies know this, and are cutting off the money supply, and thus neutralizing their power.
- **2) Elon will be tasked with trimming the fat,** and if it looks anything like his Twitter overhaul, many jobs in the US government are going to disappear, as they are unnecessary for the machine function. This means less bureaucrats milking government pensions, more money in our pockets, and less opportunity for nefarious actors to find a home in the US Government.
- **3) Elon is obviously a smart guy,** and he knows they are corrupt. Once he audits the federal government, he is going to see what they have been up to, and he is going to help expose it.
- **This action plan addresses the core of US government** corruption, hinders the loopholes that were being exploited, and leads to exposure of bad actors. This will effectively limit the Deep State’s ability to function moving forward, even after Trump is gone.
- **The Deep State essentially faces extinction** if Trump wins.

R. Fri. 5 Sept. 2024 The Hidden Truths Behind the System That Enslaves Us All... Tucker Carlson on Telegram

- **You’ve been deceived your entire life.** The world you believe in is a facade, controlled by a shadowy elite who manipulate every aspect of your existence. Your job, your money, your identity, and even your thoughts are carefully orchestrated by these unseen forces.
- **Let’s pull back the curtain on this grotesque charade.** From birth, you are registered as property, not as a human being. That birth certificate? It’s a contract, marking you as a commodity in a global financial game rigged by international bankers. These are not mere bankers—they are the hidden masters, the descendants of ancient bloodlines who invented debt slavery thousands of years ago.
- **They own the Federal Reserve,** the IMF, the World Bank—institutions that dictate your life. To them, you’re just a number, a cipher to be exploited. They will stop at nothing to keep you in chains.
- **You may think you’re free in a democracy,** but the legal system you trust is a mockery of justice. The courts serve corporate interests, not you. The judge is an agent of the system, symbolizing allegiance to dark forces that control this planet.
- **Symbols and language are used against you.** Hollywood, the media, corporate logos—all are steeped in ancient occult symbols, keeping you docile and oblivious. The very words you use are traps designed to keep you compliant. Why do you “play” on a court and “go” to court? It’s all part of their game.

- **Money is another tool of control.** That green paper in your wallet is not real; it's a symbol of your enslavement. Every dollar you earn is a debt you owe, keeping you chained to a system designed to exploit you. The United States is not a country; it's a corporation set up by the British Crown and the Vatican to exploit you.
- **Taxes don't build roads or schools**—they enrich the elites. The IRS, Federal Reserve, IMF—they're all part of a scam. You are born into debt, live in debt, and die in debt. Your Social Security number is your serial number in this human cattle farm.
- **The education system conditions you to obey,** the media controls you with lies, and even religion is twisted to serve their agenda. You live in a dystopian reality where your every move and thought are controlled.
- **But there is hope.** Awareness is the first step. Once you see the system for what it truly is, you can start to fight back. The elites are counting on your ignorance and compliance, but if you're ready to face the truth, you can break free from their control.
- **The system is vast and powerful, but not invincible.** The truth is your weapon. Are you ready to see the world as it is and fight for your freedom? The time to act is now. The question is—are you brave enough to confront it?

T. Donations Badly Needed For Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Any amount you could give** would be greatly appreciated. The Deep State not only took the Native Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.
- **Please send your donation in behalf of the Kingdom of Akua Foundation to the Hawaii National Bank Kahului Branch office** located at 53 S Puunene Ave, Kahului Maui Hawaii. You can also contact the bank by calling the branch phone number at 808-877-7575, or call Customer Service 877-829-5500.

U. “Ken and Barbie vs. Goliath IRS” Update – The IRS: the biggest most dangerous hoax in the history of the world?

- **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.
- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. **Paul Cromar #567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130 Donations for commissary and other needs can be made at: <https://www.miraclesingodwetrust.com/contact/>** Venmo to: @Talmage-Cromar OR mail to: The Cromar's PO Box 942 Pleasant Grove, Utah 84062 (you will receive a gift for your contribution)

V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

W. WARNING: At least two major scams are being perpetrated on Patriots right now – The TRB Trump Products Scam and the Dave XRPLion Scam.

Dave XRPLion Scam: On Thurs. 5 Sept. 2024 I received the below from a reader. Evidently she had been scammed by Dave XRPLion, or someone impersonating him on Telegram. The situation appeared to be another scam run by the Cabal. As with the over 400 readers who have contacted me about the Trump Product TRB Scam, I advised her to write up her experience, make three notarized copies of it, keep one for her records, give another to local law enforcement when making a complaint, and send the other to: Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States which has several investigations open on the scams.

The **TRB Trump Products** being falsely advertised under the Trump name with a promise of a sizeable payoff is actually a giant SCAM being perpetrated on Patriots. It is under investigation by the FBI, Secret Service and New York PD.

- **Since the beginning of June 2024 I have received over 400** emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.
- **The so-called Trump Coins, Badges and Stickers were NOT, as the advertising claimed, endorsed by Trump**, Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.
- **Alan Garten, General Counsel to the Trump Organization, stated:** “The Trump Organization has no affiliation or association whatsoever with TRB products.”
- **Victims of the TRB Scam are urged to type up their TRB experience** including products bought and monies paid out, plus your contact information. Sign two notarize copies, keep one and send the second notarized copy of your TRB write up to: Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.
- **I would also appreciate receiving a copy** of your TRB experience that I will file for the ongoing investigations. (Please be general in your remarks and do not send me personal information as I don’t wish to be responsible for it. I will erase it if sent). My email: info22faces@yahoo.com
