Judy Note: The bottom line of the Global Financial Crisis: the top nine nations of the world, including the US, were now insolvent.

The answer: A Global Currency Reset, activation of the Quantum Financial System (QFS) and Emergency Broadcast System (EBS), plus implementation of NESARA/ GESARA through blockchain technology, decentralized banking and digital currency.

Such would replace the old, corrupt, centralized banking structures that have held us all hostage for centuries while eradicating poverty, resetting financial systems, and putting people back in control of their money.

It was defined as a financial Q Movement to Freedom for The People that began back with President Lincoln, came to the forefront with President Kennedy and blossomed into a serious Q movement twenty years ago, though finally came to fruition in 2021.

In 2021 over ten thousand globalist operatives were taken down in a series of precision strikes by the Global Military Alliance. These weren't just bureaucrats-they were the architects of a sinister global plan to enslave humanity, using every tool at their disposal to consolidate power and control.

The Military had been tasked with conducting a return to a gold/asset-backed dollar and to insure that the US Republic was restored to original laws of the Constitution as written prior to 1871.

The first phase began in Jan. 2021 when Joe Biden was sworn in as president of a bankrupt and defunct US Inc. Corporation. Just prior to his pre-recorded-in-Hollywood-by-Castle Rock Entertainment Inauguration, Washington DC, Capitol Hill and the White House were secured within miles of barbed wire fences and 60,000 National Guard troops.

Over a week later, over 30,000 troops and the barbed wire fencing remained. Why? Early Mon. morning 25 Jan. from 3am to 6am arrests of 80 to 140 Congress people were underway at Capitol Hill

A Sat. 9 Jan 2021 raid by US Military Special Op Teams on CIA Headquarters in Langley Virginia had produced firm evidence that the CIA, Democrats and other traitors had conspired with foreign entities led by the Chinese Communist Party (CCP), to interfere in the 2020 Election.

US Attorney General for Utah John Huber and his 740 investigators had been very busy since 2016 with an estimated 80 to 140 Congress people named in over 223,000 sealed indictments filed in federal courts since Trump took office. Of those, 85% to 95% indicted were Democrats, intermixed with a few Rino Republicans. [US Under Military Law. Congress Arrested. War With CCP Won and No One Knows It | Politics | Before It's News \(beforeitsnews.com\)](#)

For many years the Chinese Communist Party (not the Chinese government under XI, which was working to become a democracy) had been involved in a takeover of America. That war culminated when just prior to the 2020 US Presidential Election, the CCP bought Dominion Voting machines that through use of an Italian satellite loaned with money at the Vatican, threw what was believed to be millions of Trump votes to Biden.

The war between the CCP and the US actually ended on Thurs. 28 Jan. Former Navy Intelligence officer Simeon Parkes reported a showdown in the South China Sea. The CCP had been trying to take over Taiwan. Taiwan was where gold was stored that would back countries including the US, for a Global Currency Reset. Parks said that there were air battles between America and Taiwan fighter jets against CCP jets and “the CCP lost big time.”

The International Court has declared Israel an illegal state and ordered settlements along the Gaza Strip to be abandoned. The International Court ruled that Zionists had illegally populated the Palestine territory by killing and terrorizing the population. DNA tests on Zionists had proven Zionists were NOT true Jewish descendants. In fact, Israeli citizens had more pure blood of the Jewish descent than Zionists. Israel had been last for a reason: get rid of the Satan worshipping Globalist Khazarian Mafia that had established their headquarters in Palestine through the illegal Zionist movement.

A total Blackout has occurred across several territories in the US including New York City. The Great Reset is happening!!!

A2023 Memo from Homeland Security verified that Venezuela was emptying their prisons and mental hospitals and sending them as illegal immigrants to the United States. It was estimated that 15-18 million Venezuelan illegal immigrants were now in the US.

<https://x.com/RickyDoggin/status/1831787340127408473>

In addition to the Venezuelan inmates and mental hospital patient illegal immigrants, Venezuela gangs were brought into the United States by the UN/ DNC/ Globalists. The Deep State was trying to create wars and chaos between U.S. citizens and the Venezuela gangs. Recently several Denver news agencies verified that Venezuelan gangs were taking over apartment complexes in Colorado, so the Hells Angel motorcycle gangs went to Colorado to help victims. Now the Democratic government of Colorado has threatened to arrest the Hells Angels if they try to clean up the Colorado mess. Now the Military Alliance has gone after Venezuelan Gangs in several states to keep the Hell's Angels out of being prosecuted for RICO ACTS.

Communist NY Judge Merchan has delayed Trump sentencing date from September 18th to November 26th which will be after the election. They are also keenly aware that jailing Trump Before the election will absolutely boost his turnout, and it will be very good for him. Not to mention, the cascade of donations Trump's campaign would receive. The only reason the Judge agreed to this is because should they succeed in stealing the election from Trump, then he will go right to jail and in the process ignite a civil war – which is what they want. The whole case is ELECTION INTERFERENCE.

Then after all that fuss on Sat. 7 Sept. 2024 the White Hat Military Alliance arrested Treasonous Judge Juan Merchan. [JAG Arrests Treasonous Judge Juan Merchan | Real Raw News](#)

Judy Note: *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

A. Global Currency Reset:

- **On Thurs. 5 Sept. and Fri. 6 Sept.** the New York Stock Market tanked after running on fiat US Dollars since the US Inc. bankruptcy in 2008. It was doubtful it could come out of it unless a Global Currency Reset occurred – which was in the works.
- **Fri. 6 Sept. 2024 Wolverine: We are there – at the finish line.** This should be our weekend. Anytime after 5 pm and before Sunday. Things are happening now as you don't see it. Huge platforms have been completed and in a few days they are going to get paid. A lot of bond holders and foundations have received their notification and are flying to Reno or to their respective platform. The Precatorias still have not been released yet. The report of the Precatorias having been released to its Brazilian people was disinformation. The EBS is imminent as I spoke to a contact in New York and he has assured me that there are military presence in New York and there is huge hotel where most military are staying. This is not only in New York but in various cities in USA.

C. Sat. 7 Sept. 2024: Golden Redemption: The Birth of USN US Note Backed by QFS Gold-Backed Digital Currency. ...The 17th Letter (JFK Jr.) on Telegram

- **The collapse of the fiat system has been a long time coming.** Historically, fiat money, which lacks intrinsic value, became the global standard in the 20th century. This shift allowed governments and central banks to print money freely, unbound by the tangible value of precious metals. Over time, this led to rampant inflation, economic bubbles, and numerous financial crises. The 2008 financial crisis, fueled by reckless lending practices and inadequate oversight, exposed the vulnerabilities of the fiat system. Governments responded by printing even more money, further eroding the value of currencies and deepening the crisis of confidence.
- **In the wake of the 2008 crisis, digital currencies like Bitcoin emerged,** offering a decentralized alternative free from the grip of central banks and government control. However, these digital currencies were not without their own issues-high volatility, lack of intrinsic value, and associations with illegal activities limited their ability to truly replace the flawed systems they sought to disrupt.
- **Enter the USN US Note, a new currency that promises to bridge the gap between the stability of traditional assets and the innovation of digital finance.** As the sun rises over the horizon, casting its golden hue across the land, the USN US Note emerges like a phoenix from the ashes of a broken financial system. This currency is more than just a means of exchange; it is a symbol of financial redemption, a return to an era where money was backed by real value-gold. The USN US Note, backed by the Quantum Financial System (QFS) and the undeniable value of gold, stands as a beacon of hope against the backdrop of economic despair and deceit that has plagued us for generations.
- **For far too long, our financial systems have been mired in manipulation, deceit, and instability.** The fiat currency system, with its lack of intrinsic value, has led us down a path of endless debt and economic uncertainty. Central banks, with unchecked power, have manipulated markets, eroded savings, and fostered financial inequality. But now, with the advent of the USN US Note, there is a bold departure from this flawed past.

- **At the core of the USN US Note's promise is the Quantum Financial System (QFS),** a revolutionary financial network that utilizes quantum computing technology to ensure the highest levels of security, transparency, and efficiency. Unlike traditional financial systems, which are susceptible to hacking, fraud, and manipulation, the QFS is virtually impenetrable. It guarantees that every transaction is secure, transparent, and immutable, restoring trust in our financial systems.
- **The cornerstone of the USN US Note is its gold backing.** Each note is backed by a specific amount of gold, ensuring that it retains intrinsic value. This gold-backed stability provides a safeguard against inflation, making the USN US Note a reliable store of value. It embodies a time-honored principle: money should be grounded in real, tangible assets. By merging the stability of a gold-backed currency with the efficiency and transparency of digital systems, the USN US Note addresses the shortcomings of both fiat and digital currencies.
- **This new currency represents not just a financial instrument but a revolution** in how we perceive and interact with money. The USN US Note, underpinned by the QFS, is set to redefine the future of finance, offering stability, transparency, and true economic redemption. A new era in finance has dawned, bringing with it the promise of a stable and prosperous future.

- **Earlier that Saturday morning 9 Jan. there had been two attempts on Trump and his wife Melania's lives** (there were said to have been twelve plus such attempts since he gained office).
- **Trump had had enough.** He immediately instigated the Insurrection Act (put into law by George Bush Jr. after 9/11), and then turned his authority over to the US Military.
- **With the nation now under Martial Law,** Trump would remain as US President until all those who committed treason were arrested, including those who certified the illegal 2020 Election.
- **Some in the Pentagon had been preparing for this for over twenty years. US Attorney General for Utah John Huber and his 740 investigators had been very busy since 2016.** The US government was corrupt throughout including Congress and the three letter agencies. There were a lot of traitors whose cases had already been processed through State Grand Juries. There was an estimated 80 to 140 Congress people thought named in over 223,000 sealed indictments filed in federal courts since Trump took office.
- **Of those, 85% to 95% indicted were Democrats, intermixed with a few Rino Republicans.** The majority of charges were said to be pedophilia, child exploitation, misappropriation of US Taxpayer funds and conspiring with foreign powers to influence

the 2020 Presidential Election – an act of Treason. Some serious charges couldn't be brought because Obama pardoned so many in his last days in office.

- **By Jan. 2 2020 Military Tribunals were said to have already began at GITMO for high profile elites such as the Clintons, Obamas and Bushes.** Charges against them were believed to include Capital High Treason, Election Fraud, Child Sex Trafficking, Money Laundering, Misappropriation of US Taxpayer Funds, plus Uranium One, 9/11 and Benghazi crimes.
- **Deep State Special prosecutor Robert Mueller was believed to have been charged for his involvement in the 9/11 cover-up** (he was appointed FBI Director 7 days before 9/11 and oversaw 9/11 so-called “investigations”), plus he conducted an ongoing fake Russian witch-hunt against Trump. [/pol/ - Politically Incorrect » Thread #168059921 » Robert Mueller's father was Head of Gestapo for Hitler while under Himmler \(4plebs.org\)](#)
- **It was no wonder the Democrats wanted to impeach Trump, again. On Thurs. 28 Jan. certain traitors in both the House and Senate did in fact recognize Trump as the acting US President** when they voted, again, to try to impeach him. Under rules of the Constitution you could not impeach a US President if he didn't presently hold the office.
- **Donald Trump wasn't worried about being impeached from the presidency of the bankrupt and defunct US Corporation.** He had other plans. On 11 Jan. 2021 Donald Trump was inaugurated as head of the Patriot or Constitutional Party, which made him a candidate for US President, again.
- **The US Military was about to restore the US Republic to laws underlying the original Constitution as written prior to 1871.** That election was planned to be held on 4 March 2021 through use of a transparent, secure and instantaneous Quantum Voting Computer where citizens could vote using their own computers, or phones.
- **For many years the Chinese Communist Party (not the Chinese government, which was working to become a democracy) had been involved in a takeover of America.** That war culminated when just prior to the 2020 US Presidential Election, the CCP bought Dominion Voting machines that through use of an Italian satellite loaned with money at the Vatican, threw what was believed to be millions of Trump votes to Biden. - **Rinus Verhagen reported that “The CCP has abandoned their Big Restart Operation** and the liberal elite-scheduled reboot of Globalism has failed. Operation COVID-19, expressed in the book “Great Restoration” by Klaus Schwab, President of the Davos Global Economic Forum, has also failed. The CCP would not impose a Global Order. - **Sat. 7 Sept. 2024 Election Fraud:** Funded by \$350 Million from Facebook founder Mark Zuckerberg, CTCL created a two-tiered election system that treated voters differently depending on whether they lived in Democrat or Republican areas. 25 of the 26 cities and counties that received at least \$1 million from CTCL went to Biden in 2020. If you follow the Zuckerbucks money that poured into the 2020 election, it reveals a massive Dem influence operation. CTCL initiated the use of drop boxes for ballot collection, significantly breaching the chain of custody & failing to maintain proper logs to ensure all improperly cast ballots were not counted. CTCL paid election judges, ordered the consolidation of the counting facilities, paid election officials, dictated the policies that undermined state law, and gave direct access of state voter files to "leftist" groups like 'Rock The Vote'. In Georgia, 19,000 ballots were counted from a single Zuckerberg dropbox over one weekend, but surveillance shows only 24 people dropping off ballots. Corrupt voting rolls, universal mail-in voting, and Zuckerberg dropboxes are a permanent recipe for ELECTION FRAUD. Imagine having all of this on your side; the media and big tech controlling the flow of information, 1,000 lawyers making covid-election law changes across 37 states, 35 million more mail-in ballots than 2016, \$400 million from Zuckerberg for drop boxes and Facebook ballot-counting arenas. And yet... you were still so far behind on election night... that you had to stop counting ballots in swing states, kick out observers, and sneak pallets full of ballots through the back door. Mark Zuckerberg belongs in JAIL.

H. The Hidden War on Humanity: Microplastics Are Poisoning Our Brains and Destroying Our Future. ...NESARA/GESARA on Telegram

- **We are being systematically poisoned, and most people are completely unaware.** This isn't some far-off threat; it's an extinction-level crisis unfolding right now. Microplastics, those tiny shards of plastic that you can barely see, have infiltrated every aspect of our lives. They're in the air we breathe, the water we drink, the food we eat—everywhere. And it's killing us slowly.
- **These microplastics don't just vanish; they accumulate.** They break down into even smaller particles and seep into our bodies. Shockingly, microplastics now make up 40% of the dust in our homes. Every time it rains, microplastics come pouring down from the sky, contaminating everything. Think about it: these tiny, toxic particles are in your lungs, your blood, even your brain.
- **And it gets worse. Scientists have recently discovered that microplastics are accumulating in our brains at alarming rates.** A study in New Mexico revealed that brain tissue samples from 2024 had 50% more microplastics than those from 2016. That means our brains are now 0.5% plastic—and rising. If this continues, in just a few decades, a significant portion of our brains will be plastic. This isn't just about health risks; it's about control. What better way to dumb down a population than by literally filling their brains with plastic?
- **We are witnessing an unprecedented surge in cancer rates, cognitive decline, and fertility issues.** The global elite know this, and they are doing nothing to stop it. Why? Because this crisis fits perfectly into their agenda. The same people pushing vaccines, GMOs, and other toxic substances are also behind the relentless production of plastics. They want us sick, weak, and dependent.
- **Look around. Fertility rates are plummeting, cancer is skyrocketing, and more people are struggling with mental clarity.** This is not a coincidence. The toxins from

microplastics are linked to these issues, and it's only getting worse. Male fertility is under siege, with microplastics found in every single testicle sample studied. Yes, you read that right—every single one.

- **And yet, the mainstream media remains silent.** They want us distracted, focusing on anything but the real threats to our existence. The plastic crisis is a weapon in the silent war against humanity, and most people are too blind to see it.
- **Even if we stopped all plastic production today, the damage is done.** The microplastics already out there will continue to break down and contaminate our environment for decades. We are being poisoned, and our leaders do nothing because they're part of the problem. They're in on it.
- **It's time to wake up and see the truth.** The elites are orchestrating a slow, deliberate genocide, and they're using microplastics as one of their tools. If we don't take action now, it will be too late. Our brains are turning to plastic, our bodies are riddled with toxins, and our future is being stolen from us. We need to fight back against this hidden war on humanity before it's too late. Are you ready to stand up, or will you let them win?

I. Satan Worshipping Illuminati Zionist Deep State Cabal Globalist Depopulation Agenda 2030:

- **Agenda 2030:** “179 different countries have signed up to this plan in which the World will develop into a totalitarian state under one Government”
- **According to Nathaniel Rothschild, heir to the Rothschild family fortune,** “Without Ukraine, the global order may not survive.” This is a RED ALERT PANIC CALL to fellow globalists saying that if the Ukraine were to fall, then so would the New World Order. [They] are literally BEGGING for military reinforcements from other globalist nation states to aid in “saving” Ukraine for the NWO agenda...This is incredibly telling, especially knowing about the US funded BioLabs there. Preventing next Plandemic, perhaps? He also said that Xi was a “close second” to being the “World’s most dangerous man” next to Putin. That confirms my belief regarding Xi...George Soros said the same thing. That is NOT coincidental.
- There should be NO more questions. It should be ABUNDANTLY CLEAR by now that Putin, and Xi are single handedly DESTROYING the NWO, and [they] are ABSOLUTELY TERRIFIED about it!

J. The FED Dollar: A System of Debt, For the 1%, By the 1%

- **Most people don't realize that the real roots of the Federal Reserve** go all the way back to 1694—when the Bank of England was created. Yeah, the same central banking system that started controlling people's money back then is still doing it today through the Fed.

- **Fast forward to 1913**, the U.S. sets up the Federal Reserve, but guess what? It's basically a carbon copy of the Bank of England, and the same global elites have been calling the shots ever since.
- **The image says it all:** The Fed is sitting on a cracked foundation—and those cracks trace right back to England. The Bank of England still has major influence on the Fed, meaning we're all just playing by their rules while they profit. Debt as money, serfdom for all.
- **This isn't some conspiracy**—this is reality. The system was rigged from day one to serve the 1%, using our labor and money to fuel their wealth. Every dollar you hold is backed by debt, not real value. And the only ones really benefitting? You guessed it—the bankers and elites pulling the strings.
- **So ask yourself**—are you just gonna keep playing by their rules, or are you ready to break free from this centuries-old scam?

K. THE WHITE HATS VS. DEEP STATE: Inside the WAR is a very IMPORTANT battle for the next INTERNET.

- **The DEEP STATE wants a New Internet** that will be digitalized with INTERNET PASSPORTS into their New World internet. These passports will be only for those who abide by the World infection laws (growing currently), those who co-operate with the online banking (new rules/Standards/regulations). The Deep State has a plan to control the World through their INTERNET and through all peoples banking and social networks. (This New INTERNET they want to launch is The Great Reset).

Vs.

- **The White Hats New INTERNET.** This New INTERNET ready to be released by Tim Berners-Lee has the most advanced security and unbreakable encrypted system ever created to serve mankind. The features behind the new Internet has A.I systems to identify online pedophilia, human trafficking networks, world money laundering systems. Incubated in the many features of saving the World through Earth given foundation, (A.I. advanced Quantum creation) to eradicate homelessness and third world poverty. Among all ending all Wars and giving generational healing through high Technology, that uses the advanced (hidden) systems connected to Tesla and vibrational frequency healing (the body is a field of energy and receptors that connect to the DNA and all self dimensional healing rhythms that effect the state of the body and mind).

L. Sat. 7 Sept. 2024: BQQM! Trump: The Commander Who Never Left ...GITMO TV on Telegram

- **In the shadows, the true battle rages on.** Hidden from the masses, a meticulously planned military operation is unfolding, spearheaded by none other than Donald Trump.

This isn't just politics; it's a fight for the very soul of America. The Washington Establishment thought they had won, but they underestimated the power of patriots united under one man's vision.

- **1. Trump's Secret War:** From the moment Trump recited the Snake Poem, the wheels were set in motion. That poem wasn't just a warning—it was a declaration of war against the corrupt elites who have poisoned our nation for far too long. The media mocked it, but they didn't understand the real message. Trump was telling the world that he knew their plans, and he had a strategy to counter them.
- **2. The 2016 Election: Just the Beginning:** Trump's victory in 2016 wasn't just an election win—it was the first strike in a larger, global strategy. Every move since then has been part of a grander design to dismantle the deep state. The Military Justice Act of 2016 laid the foundation for a new system of justice, one that would bypass corrupt courts and bring real criminals to trial. These aren't theories; they're facts, hidden in plain sight.
- **3. Executive Orders: The Weapons of War:** Executive Orders 13818 and 13848 weren't just bureaucratic moves; they were tactical strikes. With these orders, Trump and his allies set the stage for a financial and legal assault on the deep state. These orders gave them the power to freeze assets and target corruption on a global scale, crippling the very foundation of the Washington Establishment. The deep state never saw it coming.
- **4. The Military Is in Control:** The military presence in Washington, D.C., isn't just ceremonial. It's a clear signal that the real power lies not in Congress or the White House, but in the hands of those who have sworn to protect the Constitution. The federalization of the National Guard and the establishment of Space Force were not just about defense—they were about preparing for the ultimate showdown.
- **5. The Final Act: A New Dawn:** As the world watched the chaos of January 2021, those in the know saw the truth: Trump never left. The final act is upon us. Military tribunals are ready to bring the darkness into the light. The deep state is crumbling, and a new era is dawning. Patriots, the time is now. The storm is here, and it's time to take back our nation.
- **Conclusion: The Endgame Begins:** The old world is falling, and the new one is rising. From dark to light, truth will prevail. The Trumpian Gambit has won the day. Game over, Washington Establishment. The American people are awake, and there's no turning back.

M. Sat. 8 Sept. 2024 John F. Kennedy Jr. on Telegram: “My fellow Americans, over the course of the next several days, you will undoubtedly realize that we are taking back our great country, the land of the free, from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned, and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and

ensure special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted fully. However, the atmosphere within the country will unfortunately be divided, as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EBS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens.

Organizations and/or people that wish to do us harm during this time will be met with swift fury - certain laws have been pre-written to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).”

N. Sat. 7 Sept. 2024 The White Hats’ Reckoning: The Battle for Freedom in Washington D.C. ...The 17th Letter (JFK Jr.) on Telegram.

- **Patriots**, the time of reckoning has arrived.
- **In 2021, a war unlike any other erupted in Washington D.C. a war fought not on the streets but in the shadows, where the White Hats, a coalition of patriotic insiders and military operatives, launched a devastating strike against the heart of the Deep State.** This wasn’t just another political drama-it was an all-out battle for the soul of our nation, a fight to the death against a globalist elite that had embedded itself deep within the highest levels of power.
- **The Unseen War:** For years, whispers of the Deep State were dismissed as conspiracy theories. But in 2021, those whispers became a roar as over ten thousand globalist operatives were taken down in a series of precision strikes. These weren’t just bureaucrats-they were the architects of a sinister global plan to enslave humanity, using every tool at their disposal to consolidate power and control. The White Hats, armed with years of intelligence and unyielding resolve, brought their house of cards crashing down.
- **The Deep State Exposed:** The arrests in 2021 shattered the illusion that the Deep State was a figment of paranoid minds. These globalists were predators, manipulating world events to serve their twisted agenda-wars, economic collapses, and crimes against humanity were their weapons. But the White Hats knew their game, and they were ready. This was not just a cleanup operation; this was a calculated strike to cut off the head of the snake, a decisive move to rid the world of its greatest threat.
- **Justice with a Vengeance:** At the core of this purge was the mighty 18 U.S. Code § 2384, a law designed to crush those who conspire against the nation. The White Hats wielded this legal sledgehammer with brutal efficiency, ensuring that these traitors faced the full wrath of justice. This was more than just arrests; it was a declaration of war against those who had betrayed their country and humanity itself. Their crimes weren’t just treason-they were crimes against every innocent soul on this planet.
- **The End of the Deep State:** The takedown of the Deep State in 2021 wasn’t just a victory-it was a turning point. With their leaders behind bars and their networks dismantled, the once-powerful globalists were left scrambling. This wasn’t just the end of

their reign; it was the beginning of a new era where the people, not the elites, hold the power.

- **The White Hats: Unsung Heroes of the Revolution:** The White Hats are the true patriots, the unseen warriors who risked everything to take down the most dangerous network in history. They are not politicians—they are soldiers of freedom who have struck a blow that will be felt for generations. Their actions have not only saved a nation but have sparked a global awakening.
- **The Fight Continues:** But let's be clear—this war is far from over. The Deep State may be wounded, but it's not dead yet. The forces of evil are regrouping, and the battle for the soul of the world is still raging. We must remain vigilant, united, and prepared to continue this fight until the Deep State is obliterated once and for all.
- **The Call to Action:** Patriots, the time for complacency is over. The White Hats have shown us the way, but the battle requires all of us. Stand ready, stay informed, and be prepared to do whatever it takes to protect our freedom and our future. The war is not won yet, but with courage and unity, we will prevail.

O. Sat. 8 Sept. 2024 Golden Redemption: The Birth of USN US Note Backed by QFS Gold-Backed Digital Currency...David Wilcock

- **The collapse of the fiat system** has been a long time coming. Historically, fiat money, which lacks intrinsic value, became the global standard in the 20th century. This shift allowed governments and central banks to print money freely, unbound by the tangible value of precious metals. Over time, this led to rampant inflation, economic bubbles, and numerous financial crises. The 2008 financial crisis, fueled by reckless lending practices and inadequate oversight, exposed the vulnerabilities of the fiat system. Governments responded by printing even more money, further eroding the value of currencies and deepening the crisis of confidence.
- **In the wake of the 2008 crisis, digital currencies like Bitcoin emerged, offering a decentralized alternative free from the grip of central banks and government control.** However, these digital currencies were not without their own issues—high volatility, lack of intrinsic value, and associations with illegal activities limited their ability to truly replace the flawed systems they sought to disrupt.
- **Enter the USN US Note, a new currency that promises to bridge the gap between the stability of traditional assets and the innovation of digital finance.** As the sun rises over the horizon, casting its golden hue across the land, the USN US Note emerges like a phoenix from the ashes of a broken financial system. This currency is more than just a means of exchange; it is a symbol of financial redemption, a return to an era where money was backed by real value—gold. The USN US Note, backed by the Quantum Financial System (QFS) and the undeniable value of gold, stands as a beacon of hope against the backdrop of economic despair and deceit that has plagued us for generations.

- **For far too long, our financial systems have been mired in manipulation, deceit, and instability.** The fiat currency system, with its lack of intrinsic value, has led us down a path of endless debt and economic uncertainty. Central banks, with unchecked power, have manipulated markets, eroded savings, and fostered financial inequality. But now, with the advent of the USN US Note, there is a bold departure from this flawed past
- **At the core of the USN US Note's promise is the Quantum Financial System (QFS),** a revolutionary financial network that utilizes quantum computing technology to ensure the highest levels of security, transparency, and efficiency. Unlike traditional financial systems, which are susceptible to hacking, fraud, and manipulation, the QFS is virtually impenetrable. It guarantees that every transaction is secure, transparent, and immutable, restoring trust in our financial systems.
- **The cornerstone of the USN US Note is its gold backing.** Each note is backed by a specific amount of gold, ensuring that it retains intrinsic value. This gold-backed stability provides a safeguard against inflation, making the USN US Note a reliable store of value. It embodies a time-honored principle: money should be grounded in real, tangible assets. By merging the stability of a gold-backed currency with the efficiency and transparency of digital systems, the USN US Note addresses the shortcomings of both fiat and digital currencies.
- **This new currency represents not just a financial instrument but a revolution in how we perceive and interact with money.** The USN US Note, underpinned by the QFS, is set to redefine the future of finance, offering stability, transparency, and true economic redemption. A new era in finance has dawned, bringing with it the promise of a stable and prosperous future.

P. Sat. 7 Sept. 2024 Universal High Income, Elon Musk

- **Elon Musk's Vision of Universal High Income: A New Paradigm for the American Economy.**
- **In recent years, the concept of universal basic income has gained significant traction as a potential solution to income inequality and job automation.** However, Elon Musk, the visionary entrepreneur and CEO, has introduced a new perspective on the subject, suggesting a shift towards a "universal high income" as a more viable and equitable solution for the future.
- **Musk's idea of universal high income is grounded in the belief that artificial intelligence (AI) and automation will eventually render most traditional jobs obsolete.** In this scenario, a universal high income would provide citizens with a livable wage, allowing them to pursue personal interests and passions without the need for traditional employment. This would not only address the issue of income inequality but also enable individuals to contribute to society in more meaningful ways.
- **To understand how this concept could be realized,** it's important to consider the hidden wealth of the United States, which includes a vast array of assets such as precious

metals, equity markets, land, new energy sources, and other resources. These assets, if properly utilized, could serve as a backing for a new US treasury system, creating a solid foundation for a new currency.

Q. Donations Badly Needed For Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Any amount you could give** would be greatly appreciated. The Deep State not only took the Native Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.
- **Please send your donation in behalf of the Kingdom of Akua Foundation to the Hawaii National Bank Kahului Branch office** located at 53 S Puunene Ave, Kahului Maui Hawaii. You can also contact the bank by calling the branch phone number at 808-877-7575, or call Customer Service 877-829-5500.

R. “Ken and Barbie vs. Goliath IRS” Update – The IRS: the biggest most dangerous hoax in the history of the world?

- **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.
- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. **Paul Cromar #567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130 Donations for commissary and other needs can be made at:** <https://www.miraclesingodwetrust.com/contact/> Venmo to: @Talmage-Cromar OR mail to: The Cromar’s PO Box 942 Pleasant Grove, Utah 84062 (you will receive a gift for your contribution)

S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running

around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

T. WARNING: At least three major scams are being perpetrated on Patriots right now: The TRB Trump Products Scam, the Dave XRPLion Scam and the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam.

Dave XRPLion Scam: On Thurs. 5 Sept. 2024 I received the below from a reader. Evidently she had been scammed by Dave XRPLion, or someone impersonating him on Telegram. The situation appeared to be another scam run by the Cabal. As with the over 400 readers who have contacted me about the Trump Product TRB Scam, I advised her to write up her experience, make three notarized copies of it, keep one for her records, give another to local law enforcement when making a complaint, and send the other to: Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States which has several investigations open on the scams.

Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam (Facebook): Evidently an Ezra A. Cohen-Watnick impersonator is "helping" set up fake QFS accounts. He has a Facebook page touting the Quantum Financial System (QFS), Med Beds and the like. A reader sent me the following, "I was foolish enough to purchase \$1005.00 worth of Bitcoin today, and have a legitimate receipt for same from the kiosk I purchased it from, BUT I went on Messenger with "Ezra" as he helped me set-up and deposit the Bitcoin into "QFSnetglobal.org . I do not believe this is the legitimate website for the Quantum Financial System." The reader contacted CDR Pascal Najadi, USSF, who said to report things like this to the Inspector General of the Air Force's office, so our Spec Ops people can pay a call on such criminals: saf.ighotline@us.af.mil

The **TRB Trump Products** being falsely advertised under the Trump name with a promise of a sizeable payoff is actually a giant SCAM being perpetrated on Patriots. It is under investigation by the FBI, Secret Service and New York PD.

- **Since the beginning of June 2024 I have received over 400** emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.

- **The so-called Trump Coins, Badges and Stickers were NOT, as the advertising claimed, endorsed by Trump, Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.**
- **Alan Garten, General Counsel to the Trump Organization, stated:** “The Trump Organization has no affiliation or association whatsoever with TRB products.”

*****Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Scam are urged to type up their experiences** including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

4. **Present a notarized copy of your complaint to your local law enforcement** and ask they open an investigation. Write down your complaint number and include it in your information sent to Alan Garten and the US Inspector General of the Air Force.
5. **Alan Garten, General Counsel to the Trump Organization** so they can refer such on to their FBI, Secret Service and New York PD investigations. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.
6. **Inspector General of the Air Force's Office**, so our Spec Ops people can pay a call on such criminals. Email: saf.ighotline@us.af.mil

I would also appreciate receiving a simple sentence of your experience by email that I will file for the ongoing investigations. Please be general in your remarks and do not send me any evidence or personal information as I don't wish to be responsible for it. I will erase it if sent. My email: info22faces@yahoo.com
