Judy Note: *“Standing on the edge of a profound transformation, we face a battle for America’s Soul. Deep State crimes run deeper than anyone realizes. Their reign of terror has lasted for decades filled with corruption, treason and outright destruction of the Republic. The corruption is too vast for anything less than Martial Law and Military Tribunals.” ... Restored Republic Vice President First Lady Carolyn Bessette-Kennedy on **Sat. 14 Sept. 2024***

The UN’s “Pact for the Future” which the Deep State Cabal was sure to pass this week, would strip Nations of their Sovereignty and individuals of their Freedom. This Pact for the Future was another name for the Cabal’s fiat non-asset backed digital currency of their Great Reset – where they would have complete control over our bank accounts, and lives.

The Cabal’s Great Reset had failed to gain momentum in popularity after word got out of the Global Alliance’s BRICS nation’s gold/asset-backed Global Currency Reset that gave back to The People, banker’s control of our own monies – eliminating the Deep State Cabal Banker privately owned Federal Reserve and IRS in the process.

On Mon. 16 Sept. the BRICS nations lead by President Trump will begin that Global Currency Reset transformation of the Global Financial System into Decentralized Finance (DeFi) through launch of a system called World Liberty Finance. DeFi will give The People true freedom and financial empowerment where banks across the Globe will no longer have control over people of the World’s financial affairs.

Judy Note: *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com

Sat. 14 Sept. 2024 On EBS Activation ...Q Trump on Telegram:

- **Absolutely no time frame has been given for EBS Activation.** No one knows when it will happen, other than it will occur at the top of the hour. It was designed this way for a reason.
- **When it happens** you are to follow EBS instructions to the letter.
- **Be ready for 3-6 weeks** where everyone will be home.
- **There is no reason to panic** as everything has been factored in.

B. Global Currency Reset:

I did a quick search and found another bond holder with an appointment just after the 18th...none of those require an NDA. C. The US Dollar is Upgrading: Welcome to the Decentralized Future! ...US Debt Clock on Telegram

- **On Mon. 16 Sept. at 8 pm EST the announcement of World Liberty Finance will officially mark our transition into Decentralized Finance (DeFi),** a system designed for true freedom and financial empowerment. We are about to leaving the slow and outdated BIG banks behind.
- **This secret window posted on (9/12/2024) from the US Debt Clock** proves that the plan is unfolding exactly as anticipated. We are upgrading the US dollar—it's no longer just a currency. It's a stock, it's a bond, and it's A BANKLESS REVOLUTION, that eliminates unnecessary middlemen and gives power back to the people.
- **We've talked about this for years, and now, it's all coming to life.** The future of finance is decentralized, and World Liberty Finance is the key to unlocking it.

D. Sat. 14 Sept. 2024 Bond Payout by Batman

- **Payouts to the large bondholders** will only take one week and not the 6-12 months stated. I know this as fact.
- **Redemption of the bonds** will actually fund the GCR. This is how the gold will be transferred to back the new asset-backed currencies worldwide. Again, this is something I know as fact.
- **Payments being made this week will include instant liquidity.**
- **The percentage of the monetary value** of the legitimate bonds outstanding I believe will be well over 90%.

- **The facts I receive are not from another guru**, or a Telegram channel or some other pundit. They come directly from the source. People can either accept that or dismiss it. If it helps some people, then great. If people don't want to believe that or if they want to dismiss it then so be it.

- **Many years ago a politician exposed the Central Bank Scam to Congress:** “All banks across the Globe are presently broke because of their practice of Fractional Banking where they have lent money that they don't have. They print and use money that has no backing. If any of us did that we would go to prison.”
- **Sat. 14 Sept. 2024 Canada:** Hey folks. Your neighbor here, figured I'd share some info with you. I'm Canadian. Walmart here will stop accepting USD on September 23rd. I've been digging trying to find out why. No one seems to know, I've had people dance around the question. If been left on hold for more than 20 mins until I've had to hang up. The closest thing I got to an answer was from a manager that said “It has something to do with new security features on the bills, and our machines can't recognize it or accept it.” Anyone have any idea what's going on? ... F. Sat 14 Sept. 2024 Dollar Collapse Imminent! How GESARA and NESARA Will Trigger the Largest Wealth Redistribution in History! ...NESAR/GESARA on Telegram

- **The current financial system, a puppet show controlled by elites, is collapsing under its own corruption.** We are not just facing an economic downturn but a global upheaval poised to dismantle the status quo.
- **The collapse of the U.S. dollar signals the end of an era** and ushers in the transformative promise of GESARA and NESARA—legislation that heralds the greatest wealth transfer in history, ensuring prosperity and financial freedom for all.
- **This collapse has been engineered by financial elites**, using the dollar as their tool to amass wealth while the masses suffer. As their system crumbles, GESARA and NESARA will reset the financial landscape, replacing corruption with equity and transparency, igniting the largest wealth redistribution the world has ever seen.

- **The 2008 Crisis Was Just a Warning:** Looking back at the 2008 crisis, it's clear the so-called recovery was a lie. The elites used the crisis to pilfer wealth under the guise of economic recovery, with the Federal Reserve protecting their every move. But today's impending collapse is far worse. The reckless monetary manipulations have led us here, with global debt levels exploding. What we are facing isn't just economic mismanagement—it's sabotage.
- **The Financial Apocalypse Is Here:** The catastrophic policies of excessive liquidity and artificially low interest rates have destroyed the system from within. The dollar is dying, and as faith evaporates, a new gold-backed currency could rise, following the principles of GESARA and NESARA. This isn't just about economics—it's about the end of financial tyranny. We're entering an era where power returns to the people and economic justice prevails.
- **Preparing for the Inevitable:** As the old system implodes, the principles of GESARA and NESARA offer a path forward. It's time to secure tangible assets and support the systemic changes that will restore dignity to the financial world. This is about more than survival—it's about rebuilding an economy that works for everyone.
- **A Call to Arms: This isn't just a collapse—it's a controlled demolition.** The elites have played their final hand, and now it's our turn. The collapse of the dollar is inevitable, and GESARA's promise is the only solution. The time for passivity is over. We must rally behind these reforms, tear down the old system, and usher in a new age of economic fairness.
- **This is our moment.** The financial apocalypse is upon us, but so is the opportunity to create a new legacy. Will you stand by, or will you fight for the future GESARA and NESARA promise? The time to act is now.

Sat. 14 Sept. 2024 Breaking: Biden and NATO Just Ignited the Fuse for World War III

...Gitmo TV on Telegram

- **The stage is set for global chaos!** The Biden administration and NATO have just given Ukraine the green light to launch missile strikes deep into Russian territory. This isn't just another move in the game—this is an act of war! Putin's response? Total destruction of Kiev and Lviv if these missiles hit Russian soil. Brace yourselves.
- **The U.S. and NATO are pushing the envelope, arming Ukraine with ballistic and cruise missiles,** signaling that the rules of engagement are being shattered. This isn't about defense anymore; this is about domination and forcing Russia's hand. Putin's fury is at an all-time high, and his promise is clear: When those missiles fly, so does the future of Kiev and Lviv.
- **This isn't just about Ukraine anymore.** Russia has the backing of China, Iran, and North Korea, all standing by, ready to exploit the chaos. The world is teetering on the edge, and the fallout could be catastrophic. China's poised to seize Taiwan, and as the West scrambles to deal with the unfolding crisis in Europe, Beijing is gearing up for the invasion of the century. The Pacific will burn while Europe crumbles—are we ready for this?
- **Iran, seeing the cracks in the global order,** could launch a full-scale attack on Israel, sparking an all-out war in the Middle East. The chaos in Ukraine and Taiwan would give Iran the perfect opportunity to strike while the world's powers are distracted. Meanwhile, North Korea sits in the shadows, ready to pounce as soon as the world's defenses are overwhelmed. Kim Jong-un is watching and waiting for his moment to ignite the Korean Peninsula once again.
- **This is bigger than anything we've seen before.** World War III isn't coming—it's already here. The West has thrown down the gauntlet, and now Russia, China, Iran, and North Korea are getting ready to pick it up.

N. Med Beds

Sat. 14 Sept. 2024 UPDATE! Med Beds Unlocked: Brain Wave Synchronization and Quantum Healing with DNA Replicators—Age Reversal Secrets Revealed, Turn 80 into 30!
[UPDATE! Med Beds Unlocked: Brain Wave Synchronization and Quantum Healing with DNA Replicators—Age Reversal Secrets Revealed, Turn 80 into 30! - Gazetteller](#)

- **Let's cut to the chase.** For too long, the truth about aging and human potential has been hidden. The elites have fought to keep us in the dark, but the curtain is finally being pulled back.
- **We're on the verge of a revolution.** A new era is upon us that shatters the limits of what it means to be human. Forget what you've been told about aging being inevitable. Reatomization and DNA Replicators have changed the game. Time is no longer a prison.
- **The mainstream won't tell you the truth, but brain wave synchronization is the missing link to unlocking the full potential of Med Beds.** This is how the elites have kept their edge for decades—training their brain waves to align with these technologies and unlock their hidden power.
- **It all comes down to synchronization.** Alpha, theta, and gamma waves are the key. By training your brain, you can unlock the Med Beds' full power. Alpha waves calm your mind, stabilizing you for basic rejuvenation. Theta waves? They're the gateway to deep subconscious healing. Gamma waves? They allow you to take control of the healing process, directing the Med Bed's tech with surgical precision.
- **Now, the DNA Replicator. This is forbidden tech—more than just genetic engineering. It taps into your body's energy field,** locating the optimal state of your DNA and reverting every cell to that moment. Nanobots map your DNA, finding mutations and weaknesses, then the Replicator uses scalar energy to rebuild and fortify

your DNA. This means reversing your age down to 30, restoring your prime biological state.

- **The elites have been using this advanced technology for years.** While the masses are kept in a cycle of sickness, they're enhancing their bodies, boosting immunity, and sharpening their minds.
- **The real power comes from brain wave training.** It's the key to unlocking Med Bed healing. Without it, you're just scratching the surface. Get your brain into alpha waves by meditating for 20 minutes a day. Once you master that, push yourself into theta—that's where the deep healing begins. Want the ultimate edge? Train your brain to hit gamma waves, and watch your body regenerate like never before.
- **This is knowledge the elites have hidden** for good reason. If the masses knew how to harness their brain power and activate these technologies, the entire system would collapse.
- **This is a call to action.** The elites have been using these technologies to extend their lives and control humanity. No more. The DNA Replicator and Med Beds are ours to claim. Start your brain wave training today and prepare for the Med Bed revolution.
- **Don't be their pawn**—be the master of your fate. The future is here, and it's time to take it back.

O. Sat. 14 Sept. 2024 Warning: Something HUGE is About to Go Down: Martial Law and Military Tribunals on the Horizon ...Carolyn Bessette-Kennedy

- **Americans are standing on the edge of a profound transformation.** The system is crumbling, and the signs are all around us. The “new normal” is breaking apart, and a seismic shift is coming. The Deep State is tightening its grip, but their days are numbered. The Republic is ready for a house cleaning like we've never seen before.
- **This isn't just another political crisis—we are in a battle for the soul of America.** The corruption is too deep for traditional justice. Military tribunals are not just a possibility; they're an absolute necessity. The deep state has infiltrated every corner of our government, including the justice system. Expecting fair trials from these traitors? It's laughable. The swamp creatures are deeply embedded, and they won't let go without a brutal fight.
- **Martial law might be the only way to rip them out.** The Democrat Party's treason is on full display—acts of sedition at levels never before seen in U.S. history. The corruption runs too deep for anything less than drastic action. Martial law and military tribunals may be the only option to bring these traitors to justice. The American people are witnessing an epic battle between nationalists and globalists—a war for our future.
- **President Trump is the key player in this war.** If he loses, the deep state will destroy him, and they'll go after his family too. This isn't just politics—this is survival. The deep state will stop at nothing to crush Trump and eradicate the movement. But this is our

moment, and we must be ready for what's coming. Stay vigilant, because the left will strike without warning. History is repeating itself, and the storm is here.

- **The Deep State's crimes run deeper than anyone realizes.** Their reign of terror has lasted for decades, filled with corruption, treason, and outright destruction of the Republic. The Bolshevik Revolution taught us that political change can come in an instant, and America is no different. Prepare for the fallout, because when the globalists fail, their rage will be unleashed.
- **We stand at a crossroads: military tribunals, martial law, or both.** The corruption is too vast for anything less. The storm is coming, and only the strong will survive.

P. Sat. 14 Sept. 2024: BREAKING! NESARA's September 11, 2024, Announcement Stopped by Elite Sabotage: Military Operations Now in Full Swing to Take Down the Cabal! ... David Wilcock on Telegram

- **The script was meant to flip on September 11, 2024.** NESARA—the long-awaited National Economic Security and Reformation Act—was set to mark the end of financial tyranny and the dawn of freedom. But the elites have once again played their desperate hand to delay what's coming.
- **This delay wasn't an accident. The Cabal—the shadow government pulling the strings—is terrified of NESARA.** They know it means the end of their power, the end of their lies, and the crumbling of their empires. They've scrambled, resorting to sabotage to buy themselves more time, but their days are numbered.
- **Make no mistake: The military is still in position, preparing for the NESARA announcement.** Everything is ready: gold reserves, secure deposits, awakened patriots, and galactic allies standing by to assist. The Cabal's last-ditch efforts can't stop what's coming. They pulled every trick—misinformation, false flags, and sabotage—but NESARA's arrival is inevitable.
- **Thousands of troops are standing by, fully aware of the real NESARA agenda.** Covert Special Ops teams are dismantling the last vestiges of the old guard, removing traitors, securing communication lines, and setting up for the broadcast. There will be no power outages, no interference—when NESARA is announced, it will shake the world.
- **Just before the September 11 announcement, high-ranking officials loyal to the Cabal sabotaged the broadcast.** Communications were intercepted, false intelligence misled the military, and critical moments were lost. Cyber Attacks targeted secure networks, all orchestrated to derail the mission.
- **But despite these delays, the noose is tightening.** White hats within intelligence are neutralizing threats, dismantling hidden bases, and rounding up key figures. The military is tightening the screws, preparing for the final showdown. Dry runs of the NESARA announcement are already underway, ensuring no further disruptions. Over 200 banks are ready to flip the switch on a new gold-backed financial system.

- **The Cabal is terrified. Their fear is palpable.** They know their time is up, and they're throwing everything at this. Misinformation agents, bribery, disruptions to military supply chains—but these desperate moves only delay the inevitable. NESARA is a ticking time bomb, and every day brings us closer to detonation.
- **Why September 11? The date was chosen as a symbolic reclamation of one of the darkest days in modern history,** a statement that the Cabal's reign of cruelty is over. While the delay is infuriating, it only proves one thing: they're scared. These last-minute games are the final gasp of a regime that knows its days are numbered.
- **As of September 13, 2024, the Military has regrouped and is pushing forward.** They are closing in on the last Cabal holdouts, dismantling their networks piece by piece. The battle is not just physical; it's psychological warfare. The cabal's confidence is crumbling as their resources are cut off.
- **NESARA is not a possibility—it's a certainty.** The military is ready, the funds are secured, and patriots are in position. When the announcement comes, it will mark the end of an age of lies and the beginning of a new era of freedom and abundance.
- **The Cabal may have delayed us, but they cannot stop us.** NESARA is coming, and they can't change that now. Stay vigilant.

Q. Sat. 14 Sept. EBS: The Moment We've Been Waiting For ...Ben Fulford on Telegram

- **U.S. Military Alert:** All military forces worldwide are preparing to suspend all media, internet, phone, and TV services. Emergency services will stay active, but everything else is about to go dark.
- **During this time, no internet, no ATMs, and phones?** Only working for 911 calls. This is the global martial law we've been talking about, and it comes with a 10-day communication blackout. But here's the kicker: the Emergency Broadcast System will be activated worldwide. Nonstop, 24/7, 8-hour documentaries exposing the darkest secrets of the elite—fraud, corruption, pedophilia, and their arrests—will play three times a day. The truth will be unleashed.
- **The military is taking down Cabal-controlled governments worldwide,** executing mass arrests based on 500,000 sealed indictments. This is the moment we've been fighting for.
- **After the 10 days of darkness,** we will reconnect to a new quantum internet. The old systems of government, education, finance, health, and commerce? Gone. A new age is coming.

R. Sat. 14 Sept. 2024 U.N.'s New World Order: Digital IDs, Vaccine Passports, and the Push for Total Control! ...Gitmo TV on Telegram

- **World leaders are gathering in New York,** but their true agenda is far more sinister. Behind closed doors, they're pushing the Pact for the Future, a plan to strip nations of

sovereignty and individuals of freedom. Forget cooperation—this is about total global control through digital IDs, vaccine passports, and relentless censorship. The elites are creating a global surveillance state, and the public is being deceived.

- **The 79th U.N. General Assembly isn't a routine meeting**—it's a coronation. If the Pact passes, the U.N. Secretary-General will have the power to declare global emergencies at will, overriding governments and trampling freedoms. This isn't about responding to crises—it's about manufacturing them, justifying totalitarian measures under the guise of emergency response.
- **Who benefits from this power? Not the people**—it's the elite power brokers who thrive on chaos and control. The U.N. would override national sovereignty, dictate health policies, and enforce compliance through digital surveillance. The Secretary-General would become a global autocrat, silencing dissent on a global scale.
- **The Global Digital Compact is a Trojan horse for totalitarian control.** Digital IDs and vaccine passports aren't for convenience—they're tools for surveillance. Governments will track your every move, restricting your freedoms. This is about digital shackles for humanity.
- **Critics like Francis Boyle call this an "end run around the U.N. charter," an open power grab for a New World Order.** This isn't a conspiracy—it's happening in plain sight.
- **The emergency powers in the Pact are a blank check for authoritarianism.** The Secretary-General could mandate vaccines, lockdowns, and travel restrictions without any national consent. Imagine a world where digital mandates decide your ability to function.
- **Worse, these proposals are being drafted in secret.** Independent journalist James Roguski exposed the U.N.'s lack of transparency. Revisions to the Global Digital Compact are happening behind closed doors. What are they hiding?
- **Even Dr. Meryl Nass warns the U.N. is positioning itself as the center of global control with undefined powers.** This isn't crisis management—it's about creating a world where dissent is impossible.
- **The World Economic Forum's Great Reset?** It's no coincidence. This is a coordinated effort to reshape the world, eroding personal freedoms. The WEF's "Fourth Industrial Revolution" aligns perfectly with the U.N.'s push for centralized control.
- **As Tim Hinchliffe says, the Pact is just a relaunch of the Great Reset.** The words might change, but the endgame stays the same: total control. This is about shaping humanity into a global socialist system, where no one can escape.
- **This is the moment. The Global Digital Compact's focus on "disinformation"** is just a license for censorship. It's about absolute control over information.
- **The U.N. seeks to establish global vaccine passports** that dictate your life. Without compliance, you are nothing—unable to work, unable to live.

- **Francis Boyle warns this Pact is laying the groundwork for a binding global treaty** that turns the Secretary-General into an autocrat. This is more than a document—it's a declaration of war on freedom.
- **We're on the edge of a New World Order**, and it's closing in fast. The Pact for the Future is the blueprint for a world where every aspect of our lives is monitored, controlled, and dictated by the elite. The time to resist is now. If we don't act, we'll wake up in a world where freedom no longer exists. The fight for our future has begun.

S. Sat. 14 Sept. 2024 GITMO: Which Presidents Are Going? Deep State, Treason, Military Tribunals, Official Documents, List of Indictments ...Gitmo TV on Telegram

- **Guantanamo Military Federal Prison** houses the Worst Criminals on Planet Earth! Hillary and Bill Clinton, Obama, Biden, Bush, Brennan, Strzok , Holder to name a few!
- **Steeped in secrecy and wrapped in whispers, Guantanamo Military Federal Prison, infamously known as 'Gitmo'**, has long been the subject of international debate and human rights concerns. This notorious detention facility, part of the Guantanamo Bay Naval Base, stands as a stark reminder of the sinister and the surreal. But now, it is alleged to be the stage upon which an extraordinary drama of intrigue, corruption, and justice is unfolding.
- **Gitmo and the Elite:** A number of sources—of varying reliability and anonymity—are feeding the rumor mill with a narrative that has the power to topple established norms. These sources claim that key VIP figures from the shadowy corridors of power—the so-called 'Deep State', 'Cabal', 'Illuminati', or 'Global Elite'—are being detained and dispatched to Gitmo by U.S. Special Forces. The alleged reasons? Human rights abuses, corruption, and a staggering array of crimes against humanity.
- **As the whispers morph into roars across the virtual expanse**, we find ourselves teetering on the brink of an unsettling narrative that redefines the boundaries of reality and fiction. These rumors, swirling amidst the cloak and dagger corners of the internet, assert an impending expose of the highest order. They hint at the possibility of suppressed information making its way into the public eye, information that has been tightly guarded by the enigmatic Deep State.
- **The Alleged Downfall of the Influential:** No one could have foreseen it—the rumored downfall of the mighty, the dramatic unraveling of the influential, the unlikely linkage to the so-called 'worst criminals'. Among those whispered to be detained, names as resonant as Hillary and Bill Clinton, Obama, Biden, Bush, Brennan, Strzok, Holder, and more repeatedly echo through the digital grapevine. Yet, is there truth to this claim, or is it just another cog in the wheel of the great conspiracy machine?
- **Could Gitmo be the final destination for a parade of prominent figures, the alleged worst criminals on Planet Earth?** As these rumors circulate, Guantanamo Military Federal Prison emerges as the very epitome of the abyss into which the worst of the worst are cast away. The narrative, whether true or just speculative fiction, blurs the lines

between what is real and what is imagined, pushing us to question the hidden mechanisms of power and control.

T. Sat. 14 Sept. 2024: “I’m upset. America is upset. Kamala Harris should be upset.”

...Carolyn Bessette-Kennedy on Telegram

- **We are losing our country and illegal Aliens are raping, killing children and eating people’s pets,** and the only thing the White House wants to talk about is CURRY AND COLLA GREENS. Is that how you say it? I need a translator.
- **I meant every word of what I said about Kamala Harris** who panders for votes and spends more time cooking than talking policy.
- **I don’t care if the media finds my posts offensive.** I found their claims that Donald Trump wasn’t shot to be offensive. I found their weaponization of government to be offensive. I found Joe Biden saying “Put Trump in a bulls eye to be offensive.” I find Kamala Harris allowing innocent young children to be killed by illegal alien THIRD WORLD FILTH to be offensive.
- **I don’t care if people are upset.** I’m upset everyday when I see this Cacklin communist witch and her colleague with Alzheimer’s destroying our country.
- **I hope Kamala is upset.** She deserves to be very upset like every other American.

U. Sat. 14 Sept. The Dollar’s Collapse Is Here! NESARA and GESARA Will Unleash the Greatest Wealth Redistribution in History! ...Carolyn Bessette-Kennedy on Telegram

V. Sat. 14 Sept. 2024 Bloodlines of Power: Exposing the Evil Elites Controlling Our World in the Eternal Battle of Good vs. Evil! ...Gitmo TV on Telegram

- **Vladimir Putin: “The New World Order worships Satan.”** The puppet masters pulling the strings behind global power—House of Saud, Rothschilds, Soros—are exposed. Their

satanic worship, secret funds, and hidden agendas fuel wars and corruption. This is the moment. The battle for humanity is here! We must rise up against those who believe they have ultimate control.

- **The Battle Between Good and Evil: The Puppet Masters Revealed:** A war rages—one that's rarely discussed but impacts everything. A secret war between light and darkness, where hidden powers control entire governments, economies, and global institutions. But a profound cleansing is underway to free our world from these puppet masters. They think they control everything, but a storm is coming—an unstoppable movement of truth.
- **At the core of this struggle is the oldest battle of all:** good versus evil. History is littered with examples of this conflict, from wars and revolutions to subtle manipulations of society by unseen forces. Yet, despite everything, the good outnumber the bad. And that's why we fight. We are watching a global awakening, and it's terrifying the elites. They never expected this resistance.
- **The Puppet Masters: House of Saud, Rothschilds, Soros:** These elites believe they control the world. The House of Saud wields unimaginable power with over \$4 trillion, built on oil and secret deals. The Rothschild family, with their grip on banking and \$2 trillion in assets, has shaped global finance for generations. Soros—he uses his \$1 trillion to fund movements that advance his twisted agenda.
- **These names are just the surface.** Their true power runs deeper than anyone imagines. Their wealth, hidden in slush funds and secret banks, is the fuel that drives wars, corruption, and domination.
- **The Feeder Systems of Evil: War and Corruption:** Wars aren't fought for freedom. They're fought for profit. The elites profit off war like parasites. Every war we've seen, every conflict—it's all part of their game. They create chaos, and they profit from it. Meanwhile, they keep the world distracted with false promises of environmentalism while secretly hoarding power.
- **Symbolism and Control:** The Triangle and the Eye: The symbols of their control are all around us—the triangle, the Eye of Providence. These symbols represent power, control, deception. The triangle mirrors the three families who believe they hold all the cards. They use these symbols to flaunt their control over us. But now we see through their lies.
- **The Keystone of Power:** Following the Bloodlines: To understand global control, we must follow the bloodlines. Power has been passed down for centuries within select families. These families—the House of Saud, Rothschilds, Soros—are merely the latest in a long line of rulers who have enslaved humanity. Remove the keystone, and their entire system falls apart.
- **Satanic Worship and Cults:** And what fuels these elites? Satanic worship. Behind closed doors, they perform rituals, convinced that dark forces will grant them more power. Epstein Island was just a glimpse into their depravity. But this isn't just about money—it's about power over you, over us all.

- **Putin's Warning: The New World Order Worships Satan:** Even Vladimir Putin knows the truth: the New World Order is nothing less than a satanic cult. His words are a stark reminder of what's at stake.
- **The tide is turning.** A deep cleansing is underway, and the battle between good and evil is entering its final stage. It's time to stand up, refuse the lies, and tear down the puppet masters' web of control. Humanity's awakening cannot be stopped. The storm is here.

W. Sat. 14 Sept. 2024 Trump vs. the Deep State: The Ultimate Showdown ...Patrick B. Kennedy on Telegram

- **Donald Trump has never backed down from a fight, and now he's targeting his biggest enemy yet: the Deep State.** This is more than just a political battle—it's a war against the corrupt elite that's been running the show behind the scenes. From day one, Trump has made it clear that he's on the side of the people, determined to drain the swamp and expose the rot at the highest levels of power. His latest promise to release the Epstein client list is another step in that fight, and it's sending shockwaves through the establishment.
- **The Deep State, as Trump sees it, is a web of corruption**—a group of unelected elites who control everything from government decisions to media narratives, thriving on secrecy and manipulation. The Epstein scandal fits perfectly into this picture. Why has the client list remained hidden for so long? Because it contains the names of powerful people who will do anything to stay protected. Hollywood elites, top-level politicians, and even royalty—they're all terrified that Trump will expose them.
- **Hollywood's Dark Secret: Pedophilia and Trafficking:** For years, Hollywood has been seen as a liberal stronghold, controlling culture and pushing its agenda. But the Epstein scandal reveals a darker side—one where pedophilia, human trafficking, and sexual exploitation run rampant. Whispers have turned into accusations, and now Trump's promise to release the full client list could finally rip off the veil. Beloved celebrities and influential producers might be named, and if they are, Hollywood's reputation will be destroyed.
- **This isn't just a scandal—it's a reckoning.** Hollywood, already plagued by ethical scandals, might not survive the fallout. The biggest names in entertainment are shaking in their boots, and major studios are already preparing for the storm that's about to hit. Trump's about to tear down their empire, and they know it.
- **Political Fallout: The End of the Elite:** But Hollywood isn't the only target. The political establishment is in panic mode, too. Epstein's associates include government officials, diplomats, and even royalty. If Trump releases the list, it's not just a scandal—it's the end of the political class as we know it. For years, people have suspected that a hidden cabal has been running things, pulling the strings, and sacrificing America's interests for their own gain. The release of this list could prove it.

- **Imagine what happens when sitting politicians are linked to Epstein’s horrific activities.** The government would crumble, and the deep state’s control would be shattered. Trump isn’t just promising change—he’s about to bring the whole system down. The people deserve the truth, and Trump is the only one willing to give it to them.
- **This battle is bigger than just an election—it’s about saving America from the elites who have betrayed it.** The deep state’s days are numbered, and Trump is the one who will make sure they fall. Get ready—the truth is coming, and it’s going to hit like a bombshell.

X. Sat. 14 Sept. 2024 The Power of Symbolism in Trump’s Communication ...Mr. Pool on Telegram

- **Throughout his presidency, Trump has proven to be a master communicator, utilizing his speeches, social media, and even off-the-cuff remarks to convey deeper layers of meaning.** He’s a strategist of suggestion, subtly dropping hints and stirring curiosity among those who are willing to look beyond the surface. The phrase “Cereal, Bacon, & Eggs” is just the latest in a series of calculated moves designed to engage critical thinkers and communicate in ways that evade mainstream scrutiny. For those paying attention, it’s clear: Trump is telling us to be ready-something big is on the horizon.
- **Decoding QD35: The Military Connection:** For the uninitiated, QD35 might seem like an obscure reference, but for those in the loop, it’s a nod to military protocols. QD35 is a specific designation used in classified military communications, often as a reference to the deployment of strategic assets. Trump is hinting at something far larger here—a coordination of forces, a signal to prepare. This is where the message gets serious. Trump isn’t just speaking to the general public; he’s sending a message to those who are ready to act.
- **Why Timing Matters:** Timing is everything in politics, especially for someone like Trump. The reference to a 35-second clip wasn’t just a casual comment; it was intentional. Trump understands the value of concise communication and knows how to use time to his advantage. Every second of that 35-second clip was a signal—a cue to listen closely and pay attention. By connecting this timing with the phrase “Cereal, Bacon, & Eggs,” Trump reinforces the idea that something significant is imminent, something that demands immediate attention.
- **The Importance of Staying Vigilant:** Trump’s supporters have always known the importance of staying vigilant in a world filled with distractions, misinformation, and attempts to divert attention from what truly matters. The message embedded in “Cereal, Bacon, & Eggs” is a clear reminder to remain focused, to scrutinize the details, and to be prepared for what’s coming. In these times, when complacency is a constant threat, Trump’s words serve as a wake-up call. We cannot afford to let our guard down. We must stay informed, stay alert, and be ready to act. Trump understands this better than

anyone, knowing that the enemy is always watching and waiting for an opportunity to strike.

Z. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

ZZZ. WARNING: At least three major scams are being perpetrated on Patriots right now: The TRB Trump Products Scam, the Dave XRPLion Scam and the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam.

Fake Dave XRPLion Scam: On Thurs. 5 Sept. 2024 I received the below from a reader. Evidently she had been scammed by someone impersonating Dave XRPLion on Telegram. The situation appeared to be another scam run by the Cabal, and NOT Dave XRPLion. Her email: “Apparently, Dave XRPLion in Telegram is fake, impersonation. They lured me into opening a QFS crypto wallet by convincing me about crypto wallets being accessible by fraudsters. They work as a group and several people commented how safe and secure QFSLEDGERONLINE.COM is to store my crypto. So I transferred my crypto after opening an account. So the scheme is to get people into the comments, they were very sophisticated. I was conned into DM the fake Dave where he lured, conned me into giving my cryptos to the fake safe & secure QFS account. When I needed to use some of my XRP, I was told that I need to put in more money. When they refused my withdrawal, I told them that I will contact the authorities. I was promptly locked out of my account. The channel is still in Telegram. They get you to DM Dave XRP Lion, he contacts you there and get people to transfer their cryptos to them, then locks them out. We lost everything after the 2008 Economic Disaster, now this, my Life savings. I am 63 years old a part time school bus driver.”

Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam (Facebook): Evidently an Ezra A. Cohen-Watnick impersonator is "helping" set up fake QFS accounts. He has a Facebook page touting the Quantum Financial System (QFS), Med Beds and the like. A reader sent me the following, “I was foolish enough to purchase \$1005.00 worth of Bitcoin today, and have a legitimate receipt for same from the kiosk I purchased it from, BUT I went on Messenger with "Ezra" as he helped me set-up and deposit the Bitcoin into "[QFSnetglobal.org](https://www.QFSnetglobal.org) . I do not believe this is the legitimate website for the Quantum Financial System.” The reader contacted CDR Pascal Najadi, USSF, who said to report things like this to the Inspector General of the Air Force's office, so our Spec Ops people can pay a call on such criminals: saf.ighotline@us.af.mil

The **TRB Trump Products** being falsely advertised under the Trump name with a promise of a sizeable payoff is actually a giant SCAM being perpetrated on Patriots. It is under investigation by the FBI, Secret Service and New York PD.

- **Since the beginning of June 2024 I have received over 400** emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.
- **The so-called Trump Coins, Badges and Stickers were NOT, as the advertising claimed, endorsed by Trump,** Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.
- **Alan Garten, General Counsel to the Trump Organization, stated:** “The Trump Organization has no affiliation or association whatsoever with TRB products.”

*****Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Scam are urged to type up their experiences** including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

- 1. Present a notarized copy of your complaint to your local law enforcement** and ask they open an investigation. Write down your complaint number and include it in your information sent to Alan Garten and the US Inspector General of the Air Force.
- 2. Alan Garten, General Counsel to the Trump Organization** so they can refer such on to their FBI, Secret Service and New York PD investigations. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.
- 3. Inspector General of the Air Force's Office**, so our Spec Ops people can pay a call on such criminals. Email: saf.ighotline@us.af.mil

I would also appreciate receiving a simple sentence of your experience by email that I will file for the ongoing investigations. Please be general in your remarks and do not send me any evidence or personal information as I don't wish to be responsible for it. I will erase it if sent. My email: info22faces@yahoo.com
