“The Enormity Of What Is Coming Will Shock The World”

...President Donald Trump, Q+

WARNING!!!

**At This Very Moment in New York UN Global Elites Were Positioning Themselves To
Completely Control People of the World via Passage of the Global Digital Compact, or the
Illuminati’s Great Reset**

Meanwhile...

**On Monday Trump Announced the Launch of World Liberty Financial Crypto Exchange,
the Apparent Precursor to 130 Sovereign Countries’ Gold/Asset-Backed Global Currency
Reset Which Ensured The People Would Have Complete Control Over Their Own Monies
& Provided Freedom From Debt For All**

Checkmate!!!

*It’s only wise to have at least a month’s supply of food, water, cash, medicine and essential items
on hand for yourself, your family and to share with others in case of emergency.*

Judy Note: *Right now the 79th U.N. General Assembly* was meeting in New York to consider putting their stamp of approval on a document called the Global Digital Compact. If passed, the Compact would give the U.N. Secretary-General totalitarian control over all people across the Globe, overriding governments and trampling individual freedoms.

A non-elected Deep State UN official could demand every person on the planet implant digital IDs and vaccine passports on their person for the sole purpose of Deep State surveillance. Worse, the tattooed ID some define as the Mark of Cain, would give those Globalists control over individual bank accounts, and lives. Without compliance, you would be nothing—unable to work, unable to live.

The UN Deep State Cabal would have the power to declare at their will, global emergencies, lockdowns and travel restrictions. – a perfect plan for implementation of the Illuminati's New World Order.

Speaking of the New World Order, a NOW loyalist Ryan Wesley Routh, who tried to kill President Trump on Sun. 15 Sept. 2024, was connected to Rep Adam Kinzinger (a former Republican congressman from Illinois who was known for his opposition to Trump) through Kinzinger's support and fight for the Deep State Globalist's Child Sex Trafficking Money Laundering Ukraine.

This second Trump Assassin Routh was also a Ukrainian Soldier from their Foreign Legion, a Ukrainian Intelligence Operative and a Harris Democrat. In May 2022 Routh appeared in a propaganda video for the Ukraine National Guard Azov Battallion. Routh was interviewed by the Left-leaning Newsweek about his efforts to recruit mercenaries to fight in Ukraine.

Trump's golf outing was a last minute decision. Yet, Routh was already hiding in the bushes, waiting for Trump to walk by on the golf course with his GoPro camera set up for the "perfect shot." How did this well trained killer make it that far by himself and how did he know where Trump would be? How did Routh know Trump would be out golfing at that exact time and at that exact place on the golf course?

Why did Democrat Left leaning Time Magazine on 9/11 come out with a cover that had a picture of Trump in a Golf Cart going down a sand hole with the word "Trouble" to the side of him?

Why did Democrat Left leaning CNN now come out to say that the shots WERE in fact, directed at Trump after they originally reported that this was an isolated incident and Trump wasn't in danger.

Why did both of Trump's assailants appear in a Deep State Cabal BlackRock ad prior to their assassination attempts?

Apparently, several Secret Service agents returned fire at both of the recent Trump Assassination Attempts shooters. All of them then fled, and were apprehended or killed shortly after. The fact that the FBI, Homeland Security, US Secret Service and or local Police allowed two or more people with AK-47s in an active firefight anywhere close to where Trump was speaking or golfing was very alarming to say the least.

I'm only an outside observer, but with Trump head of the Global Military Alliance which was arresting thousands of corrupt Deep State Globalists, it's pretty obvious to me that the two recent Trump Assassination Attempts were Homeland Security- FBI-Biden Administration Inside Jobs. But of course, those were the very agencies that held the power and were required to "investigate" the incidents, so why should we worry?

And, why should we worry that the U.N. was positioning itself to be the center of Global control with undefined powers? After all, only our Freedoms were at stake.

- **“Trust The Plan. Pray:** Sunday’s second Trump Assassination Attempt was believed to be a Homeland Security-FBI Inside Job – which brings us closer to the Big Bang Three Day Event. We are just waiting for the Green Light for Starlink to send an Emergency Broadcast Alert to all cell phones worldwide. As corrupt governments fall and Mass Arrests are made, a Ten Day Communications Blackout Event will bring in the new Quantum Financial System and GCR, NESARA/ GESARA implementation. After which will arise the unbelievably fast Quantum Internet with secure bank accounts and transparent Quantum Voting that restore Freedom and Democracy, along with Trumpsara for lean and efficient governments manned by honest Patriots and free Med Bed treatments that create healthy and free societies worldwide.” ... - **McAfee Software has been used by the Global Military Alliance to infiltrate the inner sanctums of governmental bodies, elite individuals and global military entities.** It serves as a covert operative revealing a labyrinth of corruption, concealed agendas, human trafficking, planned military coups, and international money laundering operations.
- **As of September 15th 2024** over 130 countries including the US, had aligned with the fully operational gold/ asset-backed Quantum Financial System where every transaction, every asset was tracked, verified and secured by quantum encryption. No Banker, no hacker, no agent, no Elite – absolutely no one – could break through to your personal account. The QFS operated on its own terms, and those terms were non-negotiable.

Judy Note: *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com

A. Possible Timing:

- **Mon. 16 Sept. 2024 John F. Kennedy Jr. on Telegram: In one week** everything will change. The channels everyone has been waiting for will publish devastating information that is kept secret from the public. A big scandal happened this week, so we have it all. Donald Trump has promised.

Sat. 14 Sept. 2024 On EBS Activation ...Q Trump on Telegram:

- **Absolutely no time frame has been given for EBS Activation.** No one knows when it will happen, other than it will occur at the top of the hour. It was designed this way for a reason.
- **When it happens** you are to follow EBS instructions to the letter.
- **Be ready for 3-6 weeks** where everyone will be home.
- **There is no reason to panic** as everything has been factored in.

Sun. 15 Sept. 2024 EBS: The Moment We've Been Waiting For ...John F. Kennedy Jr. on Telegram

- **U.S. Military Alert:** All military forces worldwide are preparing to suspend all media, internet, phone, and TV services. Emergency services will stay active, but everything else is about to go dark.
- **During this time, no internet, no ATMs, and phones only working for 911 calls.** This is the Global Martial Law we've been talking about, and it comes with a 10-day communication blackout.
- **But here's the kicker: the Emergency Broadcast System will be activated worldwide.** Nonstop, 24/7, 8-hour documentaries exposing the darkest secrets of the

elite—fraud, corruption, pedophilia, and their arrests—will play three times a day. The truth will be unleashed.

- **The military is taking down Cabal-controlled governments worldwide**, executing mass arrests based on 500,000 sealed indictments. This is the moment we've been fighting for.
- **After the 10 days of darkness**, we will reconnect to a new quantum internet. The old systems of government, education, finance, health, and commerce? Gone. A new age is coming.
- **GESARA/NESARA activated.**

B. Global Currency Reset:

Judy Note: *The new Iraqi Dinar denominations are out in Iraq and new rates were showing up on certain but not all, bank screens. That couldn't happen unless they had revalued the Dinar. From past Intel it appeared that the RV began on **Fri. 13 Sept.** when banks received financial transactions and were given up to 72 hours to finalize them, or risk a fine of \$20 billion per institution. Bond payments were expected to complete by next **Wed. 18 Sept.***

*On **Mon. 16 Sept. at 8pm EST** President Trump announced the launch of World Liberty Finance. It was believed this was the precursor to the announcement of the Global Currency Reset, where The People would have their own individual and secure bank account of which no banker, or anyone else, had control. **Mon. 16 Sept. 2024: Trump Announces World Liberty Financial Crypto Exchange:** <https://www.cbsnews.com/news/trump-world-liberty-financial-crypto-exchange-what-to-know/>*

- **Mon. 16 Sept. 2024 TNT Tony:** New rates seen on Bank Screens – Not the higher Redemption Center Rates: Dinar \$3.41, Dong \$.47, Rupiah \$1.08, Zim \$30 million per \$100 trillion note, Bolivar \$.30 per billion.
- **Mon. 16 Sept. 2024 Wolverine:** “I was told this morning that the new rates presently put on the Bank Screen are not actual new bank rates. They are used for investments. The Bond Holders that I speak to are very happy that everything is completed. Some Bond Holders have been notified and gone to Reno, Columbia, Miami. I've been told we would get some good news either today or tomorrow **Tues. 16 Sept.** If you are only using a Humanitarian Project to use a Med Bed then it's not going to work for you. You have to be truly committed to a Humanitarian Project in order to get the funds.”

- **Mon. 16 Sept. 2024 Julian Assange:** “For those who still can't grasp what's really going on... Trump and the White Hats signed a global peace treaty—GESARA NESARA. But don't be fooled by the so-called "peace." This is no ordinary treaty. It's a trap for the enemy. They surrendered a long time ago, but it hasn't been announced. Why? Because we are in the final stages of a secret war. Yes, it might look like Trump is working with Zionist enemies in Israel, but the truth is the Global Alliance has already overtaken them. The elites pulling the strings—those at the very top—have already fallen. The Rothschilds, the Rockefellers, Gates, they are all under control now, even if they still parade around in public like nothing happened. Trump isn't collaborating with them—he's replaced them. He's the true ruler now, and not just of America, but over the entire world. He took down the puppet masters and claimed the throne. The Zionists and their lackeys have no choice but to obey. The king has returned! The light is coming! But remember, this is a game of strategy. In war, you don't reveal your hand until it's time for the final blow. Right now, Trump is holding all the cards. You need to hold the line, keep your poker face. The storm hasn't passed—it's building. In the end, we'll see who really won. The enemy won't know what hit them until it's too late.”

- **Tim Ballard spent over a decade working as a Special Agent** for the Department of Homeland Security where he was assigned to the Internet Crimes Against Children Task Force and deployed as an undercover operative for the U.S. Child Sex Tourism Jump Team. - **The full length film "Sound of Freedom"** by Angel Studios was released July 4, 2023. Actor Jim Caviezel played Tim Ballard's role in several real life rescue operations. It has grossed over \$250 million dollars across the globe – one of the top grossing independent films ever.
- **Just as "Sound of Freedom" was to be released Tim suddenly became embroiled in a number of law suits.** Troy Ables explained: "As a voice in the wilderness, I've delved deep into the Tim Ballard controversy, uncovering compelling evidence that suggests a larger conspiracy at play. My extensive research points to the possibility that powerful entities within the government may be working to discredit and take down Ballard, perhaps to silence his anti-trafficking work or prevent his potential Senate run. The timing of these allegations, emerging just as Ballard was considering a political bid, is suspiciously convenient for those who might feel threatened by his growing influence and his unwavering commitment to the mantra "God's children are not for sale."
- **"Through months of conversations, video analysis, and interviews with credible sources close to the accusers,** I've come to believe that the accusations against Ballard are baseless claims aimed at derailing his political aspirations and damaging his life's work. The coordinated nature of these allegations suggests the involvement of bigger forces, orchestrating a campaign to silence a man who has dedicated his life to combating child trafficking.
- **"Despite facing intense scrutiny and personal cost, Ballard has maintained his innocence and refused to back down,** demonstrating a resolve that goes beyond self-preservation. **I produced a documentary series** to shed light on the complexities of this case and the potential conspiracy behind it.
- **"As this story continues to unfold, it's crucial to look beyond the surface-level accusations and consider the possibility of a coordinated effort to bring down a man who poses a threat to powerful, corrupt interests.** The truth, as always, lies in the murky waters between accusation and defense, and I remain committed to uncovering it, defending due process, and standing up for those who fight against child trafficking, no matter how uncomfortable or complex the situation may be."
- **To support his legal battle against what Ables believes to be unjust persecution,** he initiated the Ballard Family Defense Fund with proceeds going directly to the law firm Call and Jensen. If you would like to contribute, go here: [Ballard Family Defense Fund on GiveSendGo Here](#);

- **The Rothschilds Mansion** is one location where these events take place. J. Czebotar explained how these events are carried out in great detail. They wear masks when hunting the children.

K. The word "CANCER" is just another name for damaged cells. ...Secrets of Health on Telegram

- **Don't freak out over the word "cancer".** In health, there is no "disease". You do not find "CANCER" in healthy tissue.
- **When cells have been severely damaged, they mutate,** first into atypical cells and eventually into "cancer" cells, but will continue to replicate themselves in this state genetically. It's NOT the cell that's the problem, it's the MEDIUM that has caused damage to the cell to begin with: an obstructed lymphatic system that cannot efficiently expel acidic wastes and chemical residues, leading to systemic acidosis and degeneration of tissue. But taking action to change this medium is ALWAYS an option and is, in most cases, within the individual's control.
- **The task is to aid the lymphatic system in accomplishing its job** properly by opening up the bodies 4 main channels of elimination with an emphasis on the skin and kidneys. As you begin to open up these channels, lymph fluid will begin to decongest, soften and flow more freely as the acidic medium slowly changes toward an alkaline, oxygenating and hydrating medium.
- **The four ways our body eliminates acidic cellular waste** are through: Urination (Kidneys); Defecation (Colon); Respiration (Lungs); Perspiration (Skin)

Mon. 16 Sept. UPDATE! Med Beds Unlocked: Brain Wave Synchronization and Quantum Healing with DNA Replicators—Age Reversal Secrets Revealed ...Nesara/Gesara on Telegram

- **Let's cut to the chase.** For too long, the truth about aging and human potential has been hidden. The elites have fought to keep us in the dark, but the curtain is finally being pulled back.

- **We're on the verge of a revolution.** A new era is upon us that shatters the limits of what it means to be human. Forget what you've been told about aging being inevitable. Reatomization and DNA Replicators have changed the game. Time is no longer a prison.
- **The mainstream won't tell you the truth,** but brain wave synchronization is the missing link to unlocking the full potential of Med Beds. This is how the elites have kept their edge for decades—training their brain waves to align with these technologies and unlock their hidden power.
- **It all comes down to synchronization.** Alpha, theta, and gamma waves are the key. By training your brain, you can unlock the Med Beds' full power. Alpha waves calm your mind, stabilizing you for basic rejuvenation. Theta waves? They're the gateway to deep subconscious healing. Gamma waves? They allow you to take control of the healing process, directing the Med Bed's tech with surgical precision.
- **Now, the DNA Replicator. This is forbidden tech**—more than just genetic engineering. It taps into your body's energy field, locating the optimal state of your DNA and reverting every cell to that moment. Nanobots map your DNA, finding mutations and weaknesses, then the Replicator uses scalar energy to rebuild and fortify your DNA. This means reversing your age down to 30, restoring your prime biological state.
- **The elites have been using this advanced technology for years.** While the masses are kept in a cycle of sickness, they're enhancing their bodies, boosting immunity, and sharpening their minds.
- **The real power comes from brain wave training.** It's the key to unlocking Med Bed healing. Without it, you're just scratching the surface. Get your brain into alpha waves by meditating for 20 minutes a day. Once you master that, push yourself into theta—that's where the deep healing begins. Want the ultimate edge? Train your brain to hit gamma waves, and watch your body regenerate like never before.
- **This is knowledge the elites have hidden for good reason.** If the masses knew how to harness their brain power and activate these technologies, the entire system would collapse.
- **This is a call to action.** The elites have been using these technologies to extend their lives and control humanity. No more. The DNA Replicator and Med Beds are ours to claim.

Mon. 16 Sept. 2024: U.N.'s New World Order: Digital IDs, Vaccine Passports, and the Push for Total Control! ...Gitmo TV on Telegram

- **World leaders are gathering in New York, but their true agenda is far more sinister.** Behind closed doors, they're pushing the Pact for the Future, a plan to strip nations of sovereignty and individuals of freedom. Forget cooperation—this is about total global

control through digital IDs, vaccine passports, and relentless censorship. The elites are creating a global surveillance state, and the public is being deceived.

- **The 79th U.N. General Assembly** isn't a routine meeting—it's a coronation. If the Pact passes, the U.N. Secretary-General will have the power to declare global emergencies at will, overriding governments and trampling freedoms. This isn't about responding to crises—it's about manufacturing them, justifying totalitarian measures under the guise of emergency response.
- **Who benefits from this power? Not the people**—it's the elite power brokers who thrive on chaos and control. The U.N. would override national sovereignty, dictate health policies, and enforce compliance through digital surveillance. The Secretary-General would become a global autocrat, silencing dissent on a global scale.
- **The Global Digital Compact is a Trojan horse for totalitarian control.** Digital IDs and vaccine passports aren't for convenience—they're tools for surveillance. Governments will track your every move, restricting your freedoms. This is about digital shackles for humanity.
- **Critics like Francis Boyle call this an "end run around the U.N. charter,"** an open power grab for a New World Order. This isn't a conspiracy—it's happening in plain sight.
- **The emergency powers in the Pact are a blank check for authoritarianism.** The Secretary-General could mandate vaccines, lockdowns, and travel restrictions without any national consent. Imagine a world where digital mandates decide your ability to function.
- **Worse, these proposals are being drafted in secret.** Independent journalist James Roguski exposed the U.N.'s lack of transparency. Revisions to the Global Digital Compact are happening behind closed doors. What are they hiding?
- **Even Dr. Meryl Nass warns the U.N. is positioning itself as the center of global control with undefined powers.** This isn't crisis management—it's about creating a world where dissent is impossible.
- **The World Economic Forum's Great Reset?** It's no coincidence. This is a coordinated effort to reshape the world, eroding personal freedoms. The WEF's "Fourth Industrial Revolution" aligns perfectly with the U.N.'s push for centralized control.
- **As Tim Hinchliffe says, the Pact is just a re-launch of the Great Reset.** The words might change, but the endgame stays the same: total control. This is about shaping humanity into a global socialist system, where no one can escape.
- **This is the moment.** The Global Digital Compact's focus on "disinformation" is just a license for censorship. It's about absolute control over information.
- **The U.N. seeks to establish global vaccine passports** that dictate your life. Without compliance, you are nothing—unable to work, unable to live.

- **Francis Boyle warns this Pact** is laying the groundwork for a binding global treaty that turns the Secretary-General into an autocrat. This is more than a document—it's a declaration of war on freedom.
- **We're on the edge of a New World Order**, and it's closing in fast. The Pact for the Future is the blueprint for a world where every aspect of our lives is monitored, controlled, and dictated by the elite. The time to resist is now. If we don't act, we'll wake up in a world where freedom no longer exists. The fight for our future has begun.

N. Mon. 16 Sept. 2024 Trojan Horse – McAfee Military Operations: CHEYENNE Mountain, Military Intelligence, CIA, Deep State, Military Coups, International Money Laundering ...The 17th Letter (JFK Jr.) on Telegram

- **McAfee Software, once synonymous with cybersecurity, has transformed into a Trojan Horse, infiltrating the inner sanctums of governmental bodies, elite individuals, and global military entities.** Far from its trusted exterior, it serves as a covert operative revealing a labyrinth of corruption, concealed agendas, human trafficking, planned military coups, and international money laundering operations.
- **Secure Vaults and the United States Space Force:** To safeguard this explosive trove of information, McAfee strategically distributed its data in three secure locations within the United States. One such fortress of secrecy is nestled within the hallowed halls of the United States Space Force in Cheyenne Mountain. This institution, entrusted with defending the nation's interests, has unwittingly become a guardian of the truth – a truth that threatens to shatter the illusions of those in power.
- **The Alliance's Cunning Infiltration:** In a world dominated by covert operations, the Military Operations ALLIANCE embarked on a mission to exploit McAfee's intricate web of connections. Recognizing McAfee's entanglement in the murky underworld of corruption and money laundering, the ALLIANCE saw an opportunity to turn the tables on the Deep State. Leveraging McAfee's compromised integrity, the Deep State entrusted him with backdoor access to critical systems, including those of the CIA and various intelligence agencies worldwide.
- **McAfee's Devious Double Play:** Little did the Deep State know, McAfee, a genius in his own right, had masterfully manipulated their trust. While seemingly compliant, he ingeniously provided open lines, channels, and back doors to the very systems they sought to infiltrate. Unbeknownst to the Deep State, every attempt to exploit the antivirus mogul's software became an inadvertent invitation for McAfee to infiltrate their networks. The result? McAfee gained access to a staggering 32 Terabytes of evidence exposing the Deep State's involvement in human trafficking, corruption, election interference, and a global network of cryptocurrency-funded operations.
- **Dramatic Unveilings: Epstein, Hunter Biden, and Assange:** As the McAfee Data inches closer to disclosure, the world braces for the seismic aftershocks that will follow. Epstein's sordid affairs, long shrouded in mystery, are set to be laid bare. The contents of

Hunter Biden's laptop, a digital vault of political dynamite, teeter on the precipice of revelation. Meanwhile, the fate of Julian Assange, a figurehead in the battle for truth, hangs in the balance. The McAfee Trojan Horse has become the harbinger of justice, a force that will not be silenced.

- **The McAfee Data Revealed:** The clandestine operations of the Democratic National Committee, CIA, and the enigmatic Deep State have been laid bare, courtesy of the McAfee Data, securely tucked away in the vaults of the United States Space Force. Buckle up as we embark on an odyssey to expose the untold truths, from Epstein's secrets to the contents of Hunter Biden's laptop and the enigma that is Julian Assange.

O. Mon. 16 Sept. 2024 John David McAfee: A Counteroffensive Pioneer ...The 17th Letter (JFK Jr.) on Telegram

- **John David McAfee**, the enigmatic pioneer of antivirus software, played a role that transcends the boundaries of conventional heroism. Behind the scenes, McAfee orchestrated a counteroffensive against the Deep State's infiltration into global intelligence agencies, unmasking corruption, election interference, and human trafficking on an unprecedented scale.
- **The World of Cybersecurity Rewritten:** In the world of cybersecurity, McAfee has long been synonymous with protection. However, beneath its seemingly innocuous exterior lies a covert operative, a Trojan Horse on a mission to unveil the dark underbelly of global power. The McAfee Software, once trusted to safeguard systems, has been busily collecting information, serving as a silent witness to the machinations of the world's most influential players.
- **Layers of Deception:** As the layers of deception peel away, the McAfee Data reveals a tapestry of corruption woven into the very fabric of our global institutions. From concealed agendas to human trafficking, the revelations are nothing short of staggering. The tentacles of these activities reach into the Democratic National Committee, the CIA, and the elusive Deep State, exposing a nexus of power brokers orchestrating events on a global scale.

Q. Mon. 16 2024 Quantum Financial System Goes Live: Over 130 Countries Confirmed in the Military-Secured, Gold-Backed QFS as the Global Currency Reset (GCR) Unfolds!

...Ben Fulford on Telegram

- **The Quantum Financial System (QFS) is the most advanced assault on the corrupt Global Financial Cabal ever conceived.** It's happening right now, backed by military power and quantum tech so sophisticated that even the deepest state agents can't understand or stop it.
- **The QFS is more than a system—it's the weapon that is dismantling the old order,** piece by piece. This isn't just another banking update—it's the total eradication of the fiat-based slavery system that has chained humanity for far too long.
- **The QFS isn't just secure; it's untouchable.** With military-controlled satellites and quantum encryption, this system is light years ahead of anything the elites have in their arsenal. It's operating far above Earth, out of reach from any possible threat, ensuring total invulnerability.
- **These satellites, armed with AI that predicts threats before they even arise,** are the guardians of a new financial age. No fraud, no laundering, no hidden transactions. The cabal's tricks are dead. Gold and asset-backed currencies are the only valid units in this system, and every piece of gold is guarded by elite military forces. These forces answer to no government, no bank, and no corporation. They protect vaults more secure than Fort Knox, holding the assets that will power the world.
- **This wealth, hidden from the public for generations by the elites,** is now in the hands of the QFS. The old powers—the IMF, World Bank, Federal Reserve—are finished. They're being dismantled as the QFS obliterates their outdated, corrupt systems. The SWIFT system is also being ripped apart, its weaknesses exposed by the QFS's superior technology.
- **Every transaction, every asset is tracked, verified, and secured** by quantum encryption. No hacker, no agent, no elite can break through. The QFS operates on its own terms, and those terms are non-negotiable.

- **Special operations forces are seizing financial hubs in key cities across the globe.** Switzerland, New York, the City of London—the deep state’s safe zones are being taken over. This is a total occupation. Every asset is being absorbed into the QFS, and the Global Currency Reset (GCR) is underway at full speed. Wealth is being recalculated based on real assets—land, minerals, energy reserves, the true value of each nation.
- **Over 130 countries are now aligned with the QFS.** Their currencies, gold-backed, are replacing worthless fiat paper, and the elites are powerless to stop it. Quantum satellites are in place, military units are deployed, and the asset-ledger is operational. The QFS is invincible, and every day, more assets are seized from the deep state and locked into the QFS.
- **As of September 15th 2024, the QFS is fully operational,** and its reach expands daily. The old guard is finished, and they know it. The reset is here, and it’s happening right now.
- **This is a total financial takeover.** The Quantum Financial System is not just a system—it’s the new reality. The days of corrupt banking, hidden wealth, and fiat fraud are over. The QFS is rewriting the rules. Those who don’t see what’s coming are about to be left in the dust.
- **This isn’t just the dawn of a new financial system—it’s the dawn of a new world.**

R. Ben Fulford: What We Know as of Sat. 7 Sept. 2024:

- **On 29 Sept. 2019, Barack Obama was executed by firing squad at GITMO.** You won’t hear this from the mainstream media, but the truth always comes out. Donald Trump just leaked undeniable evidence exposing Obama practicing Satanic Sacrificing Rituals alongside other powerful figures—GAY men and PEDOPHILES like Oprah, Clinton, and more! This is no longer a conspiracy; it’s reality unfolding before our eyes.
- **Clinton's Evergreen Inc. has been revealed to be a CIA Front for Child Sex Trafficking.** The corruption runs deeper than anyone could have imagined. Mel Gibson tried to warn us all. He’s released footage showing Satanic Blood Rituals and Child Sacrifices beneath the very White House. Names like Epstein, Bill Clinton, Prince Andrew, Joe Biden, and Barack Obama are in the heart of this demonic ring. They thought they could hide forever, but their dark deeds are finally being exposed.
- **Meanwhile, the world is on the brink of a monumental shift.** The Quantum Financial System is coming, and all banks will transition—along with eight billion people. This is the biggest public awakening ever. The mRNA COVID vaccine scandal is blowing up: Four deadly parasites have been found inside, and Moderna admitted the vaccine causes cancer due to billions of DNA fragments found in the vials. The elites pushed this poison on the masses, but the truth is now shining through.
- **As we speak, something massive is brewing.** The FBI has seized the NYPD Commissioner’s cell phones, and the homes of Eric Adams’ top aides were just raided. The National Guard is flooding the streets in New York and major cities across the

country. This is just the beginning. The storm is upon us—stay vigilant and keep your eyes wide open. Nothing can stop what’s coming.

V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County

Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. W. WARNING: At least three major scams are being perpetrated on Patriots right now: The TRB Trump Products Scam, the Dave XRPLion Scam and the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam.

Fake Dave XRPLion Scam: On Thurs. 5 Sept. 2024 I received the below from a reader. Evidently she had been scammed by someone impersonating Dave XRPLion on Telegram. The situation appeared to be another scam run by the Cabal, and NOT Dave XRPLion. Her email: "Apparently, Dave XRPLion in Telegram is fake, impersonation. They lured me into opening a QFS crypto wallet by convincing me about crypto wallets being accessible by fraudsters. They work as a group and several people commented how safe and secure QFSLEDGERONLINE.COM is to store my crypto. So I transferred my crypto after opening an account. So the scheme is to get people into the comments, they were very sophisticated. I was conned into DM the fake Dave where he lured, conned me into giving my cryptos to the fake safe & secure QFS account. When I needed to use some of my XRP, I was told that I need to put in more money. When they refused my withdrawal, I told them that I will contact the authorities. I was promptly locked out of my account. The channel is still in Telegram. They get you to DM Dave XRP Lion, he contacts you there and get people to transfer their cryptos to them, then locks them out. We lost everything after the 2008 Economic Disaster, now this, my Life savings. I am 63 years old a part time school bus driver."

Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam (Facebook): Evidently an Ezra A. Cohen-Watnick impersonator is "helping" set up fake QFS accounts. He has a Facebook page touting the Quantum Financial System (QFS), Med Beds and the like. A reader sent me the following, "I was foolish enough to purchase \$1005.00 worth of Bitcoin today, and have a legitimate receipt for same from the kiosk I purchased it from, BUT I went on Messenger with "Ezra" as he helped me set-up and deposit the Bitcoin into "QFSnetglobal.org . I do not believe this is the legitimate website for the Quantum Financial System." The reader contacted CDR Pascal Najadi, USSF, who said to report things like this to the Inspector General of the Air Force's office, so our Spec Ops people can pay a call on such criminals: saf.ighotline@us.af.mil

The **TRB Trump Products** being falsely advertised under the Trump name with a promise of a sizeable payoff is actually a giant SCAM being perpetrated on Patriots. It is under investigation by the FBI, Secret Service and New York PD.

- **Since the beginning of June 2024 I have received over 400** emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.
- **The so-called Trump Coins, Badges and Stickers were NOT, as the advertising claimed, endorsed by Trump,** Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.
- **Alan Garten, General Counsel to the Trump Organization, stated:** “The Trump Organization has no affiliation or association whatsoever with TRB products.”
