“The quest for Power and Glory Attracts the Worst and Corrupts the Best.”

“Life is but a brief battle – that has eternal consequences.”

Judy Note: *With the US fiat Dollar collapse imminent, the Quantum Financial System was already operational with hidden QFS nodes integrated with Rafidain's Blockchain to bypass Central Banks Worldwide. That put the final nail into the Cabal Deep State Elite's financial coffin and buried them forever.*

Though, there were Democrat and other Global Elites who wouldn't give up. On Mon. 23 Sept. 2024 during the casting of 2024 election ballots, Democrats were caught breaking seals and taking memory cards off of voting machines. Meanwhile, Hillary Clinton was interviewed on TV by Rachel Maddow calling for Trump Supporters to be thrown in prison for sharing what she classified as misinformation, while at the same time the Kamala Harris campaign admitted it conducted a massive online misinformation scheme with the help of Google. Google claimed a glitch in its system allowed the Harris campaign to run counterfeit headlines that appeared to originate from the AP and Reuters. To top it off Kamala was videotaped saying that she will end Free Speech, at around the same time a New York Democrat called for Trump supporters to be put in reeducation camps.

Meanwhile on Wed. 25 Sept. 2024 Elite troops were flooding into the U.S. from secret military alliances, preparing for the final strike to dismantle the Cabal. [HIGH ALERT! 50,000 Elite Troops Mobilized for EBS Lockdown! 10 Days of Darkness, Mass Arrests, and Nationwide Operations Now in Motion—The Final Phase Has Begun! - Gazetteller](#)

Bases in Nevada, Colorado, and California were central to covert operations, with Special Forces such as Delta Force and Navy SEALs leading the charge. Fort Bragg, North Carolina, is currently the staging ground for the largest military build-up since the Second World War. New units from the 82nd Airborne Division, alongside Task Force Orange (the Pentagon's most secretive intelligence-gathering unit), have been brought into Fort Bragg over the last 48 hours.

These 50,000 US troops were supported by additional specialized units from Europe. Sources confirm that French Foreign Legion and German KSK commandos have been inserted into New York City and Washington D.C. in preparation for the high-profile arrests of elite Cabal members, including bankers, politicians, and media moguls.

The Canadian military has mobilized elite Joint Task Force 2 (JTF2) operatives into Washington State and Montana to assist in operations targeting Cabal-controlled political figures in the Pacific Northwest. The most significant targets included DUMBs (Deep Underground Military Bases) located under Denver International Airport, Cheyenne Mountain, and Dugway Proving Ground.

Washington D.C., New York, Los Angeles, and Chicago were the prime targets for mass arrests, though they would extend to all 50 states. Every state capital will be hit simultaneously, with National Guard units standing ready to back up the Federal Marshals if any resistance occurs.

Special units from Russia and Brazil have arrived in Texas and Florida to assist in operations aimed at taking down Cabal financial institutions that are embedded within major cities like Miami, Dallas, and Houston. They will be securing financial centers, ensuring that the elites' wealth is returned to the people.

In early September 2024 Cabal Military leaders were detained as they attended the NATO Summit in Brussels.

A. Be Prepared – On Tues. 1 Oct. 2024:

- **US Inc. Corp.** dissolves, ending the fiat monetary system and closing US Inc. government. The privately owned Federal Reserve and IRS will shut down. Its fiscal year ends, and it's been bankrupt since 2008. No Congressional budget approvals, just running on fumes with a fiat dollar.
- **The Cabal's Blackrock – the Deep State's financial arm**, controlling more wealth than entire nations has already declared bankruptcy.
- **45,000 ILA workers at major ports will go on strike as unions push for a 77% wage increase.** Half of US goods go through those ports. For each day of the strike, it will take one week to recover, severely disrupting the supply chain. Stock up on goods.
- **All banks worldwide not Basel III Compliant** (have gold backing to their monies) will be closed. The Basel III regulations could alter the real estate market in unprecedented ways.
- **In the first week of October** the Emergency Broadcast System will activate and broadcast documentaries 24/7 on the state of the World.
- **With the QFS activation** governments as we know them will shrink by 90-95%. If new elections aren't held within 60 days, the Global Alliance Military will take control. Forget the November elections. They're not happening, not on this timeline.
- **President Trump and the Global Military Alliance** have been executing the largest Sting Operation in history. Military forces across the globe are mobilizing – US, Canada, UK, EU, and beyond. Over 80 nations are in on this. This is not a drill. They've already arrested and tried over half a million global elites – crimes against humanity. These criminals, the ones who prey on the world's children, are facing justice, and it's not going to be pretty.
- **NESARA GESARA begins as countries worldwide** activate the gold/asset-backed Quantum Financial System and Global Currency Reset. The BRICS nations will head the greatest wealth transfer in history. 134 nations are ditching the fiat US dollar and moving to gold-backed currencies. Each of these currencies will trade at a 1:1 ratio.
- **The new United States of America Republic** will start its new fiscal year under a gold-backed US Note as part of the Global Currency Reset.
- **OPEC+ nations** may announce further cuts to oil production, potentially driving up global energy prices.
- **After a long hiatus, millions of Americans** will have to resume paying student loans, impacting their disposable income.
- **LIBOR is slated to be replaced by SOFR**, marking a significant change in financial benchmarks.
- **Several key corporate earnings reports** and economic forecasts are expected, with the potential to greatly affect already volatile markets.
- **The imposition of new tariffs**, as trade disputes between major economies escalate, threatens to impact the cost of imports and manufacturing.
- **Pandemic-related housing protections**, such as eviction moratoriums and mortgage forbearance programs, are scheduled to expire.
- **Fears of a debt crisis** in emerging markets continue to rise, fueled by climbing interest rates and global economic pressures, with potential fallout for currencies.
- **As October 1st marks the start of the new fiscal year** for many organizations, we could see budget reshuffling, layoffs, or major strategic shifts.

- **All of these factors are driving us towards historic events** that could change the direction of this country forever. The Deep State is well aware that there's no turning back after this point. Expect them to fight back with everything they have, because our future means the end of their reign. They don't want you to reach that moment of victory.

- **As of September 25, 2024, military operations to dismantle the Cabal** have reached their peak. Elite troops are flooding into the U.S. from secret military alliances, preparing for the final strike. Bases in Nevada, Colorado, and California are now central to covert operations, with Special Forces such as Delta Force and Navy SEALs leading the charge.
- **But what's truly groundbreaking is the [GESARA-led wealth transfer](#)**, marking the end of the Cabal's financial control. Quadrillions of dollars in hidden assets—stolen gold, offshore accounts, and vault reserves—**are being reclaimed through the [Quantum Financial System \(QFS\)](#)**. This operation, led by the military, will erase global debts and redistribute wealth to the people, ending centuries of economic enslavement. More Info on [gazetteller.com](#)
- **The IRS is being dismantled, and taxes imposed by the Cabal are being nullified.** Mortgages, loans, and credit card debts are being wiped clean as part of a global jubilee. This is the largest wealth transfer in history, where the people will finally reclaim what was stolen.
- **The troops are not just preparing for mass arrests** but also securing financial centers, ensuring that the elites' wealth is returned to the people. The Cabal's reign is over, and the power of wealth is now shifting back into the hands of the people, marking the dawn of true economic liberation.
- **These troops have been specifically trained for the mass arrests** that are scheduled to occur across the country. The hidden underground bases—where the Cabal's most critical operations have been conducted—are the primary targets. These bases have housed the elite of the elite, the globalists, and dark money financiers who have been pulling the strings for decades.
- **The most significant targets include DUMBs** (Deep Underground Military Bases) located under Denver International Airport, Cheyenne Mountain, and Dugway Proving Ground. These areas are known to be hubs for Cabal activity, and the White Hats have been gathering intelligence on them for years.
- **According to new reports from inside sources**, reinforcements from the international Alliance have also started arriving in the U.S. over the past several weeks. The Canadian military, under covert agreements with the U.S. military, has mobilized elite Joint Task Force 2 (JTF2) operatives into Washington State and Montana to assist in operations

targeting Cabal-controlled political figures in the Pacific Northwest. More Info on gazetteller.com

- **Troops are preparing for an imminent EBS** (Emergency Broadcast System) 10 days lockdown where large-scale mass arrests will take place across several major cities. Washington D.C., New York, Los Angeles, and Chicago are the prime targets in this operation, but the scope of arrests will extend to all 50 states. Every state capital will be hit simultaneously, with National Guard units standing ready to back up the Federal Marshals if any resistance occurs.
- **At the same time, special units from Russia and Brazil**—both of which have been playing key roles in the BRICS alliance—have arrived in Texas and Florida to assist in operations aimed at taking down Cabal financial institutions that are embedded within major cities like Miami, Dallas, and Houston.
- **These 50,000 troops are now being supported by additional specialized units from Europe.** Sources confirm that French Foreign Legion and German KSK commandos have been inserted into New York City and Washington D.C. in preparation for the high-profile arrests of elite Cabal members, including bankers, politicians, and media moguls who are believed to be the main nodes in the Cabal's propaganda machine.
- **These forces are also tasked with securing high-value targets,** ensuring that key financial institutions do not retaliate by attempting to manipulate markets as the [Quantum Financial System \(QFS\) prepares to go fully online.](#)
- **Fort Bragg, North Carolina,** is currently the staging ground for the largest military build-up since the Second World War. New units from the 82nd Airborne Division, alongside Task Force Orange (the Pentagon's most secretive intelligence-gathering unit), have been brought into Fort Bragg over the last 48 hours. More Info on gazetteller.com
- **In addition, secret operations are ramping up in military facilities like NORAD (North American Aerospace Defense Command)** in Colorado Springs. This base has been a hub for classified activities for decades, but now, Space Force and Cyber Command are working out of NORAD to neutralize the Cabal's last-ditch efforts to disrupt the QFS implementation.
- **They are targeting Cabal-controlled satellites and cyber assets** that the elites had hoped to use as bargaining chips or weapons to maintain control over global communications and digital currencies. The Starlink satellite network, controlled by the U.S. Space Force, is now fully operational and ensuring that no Cabal member can escape justice by using traditional or encrypted communication channels.
- **Guantanamo Bay (GITMO) is also seeing significant new activity.** Reports indicate that massive expansions to GITMO's holding facilities have been completed in recent months, in preparation for the mass influx of Cabal prisoners. Military tribunals are set to begin within weeks, and high-ranking global elites will be facing justice for crimes against humanity.

- **The latest wave of prisoners includes financial oligarchs**, tech billionaires, and politicians, many of whom were secretly extracted from their underground bunkers. These tribunals will be broadcast to the public as part of the EBS, exposing the full extent of the Cabal's operations—human trafficking, child exploitation, financial manipulation, and even satanic rituals tied to adrenochrome harvesting.
- **The Cabal's final hope was to trigger civil unrest** and a false flag event to delay or prevent the arrests, but they have been completely neutralized by the White Hats. Their plans to ignite riots and chaos in California and New York have been thwarted by preemptive military action.
- **Special Ops teams have infiltrated Antifa and BLM cells** that were set to be activated for mass violence. Their leaders have already been detained, and plans for a staged economic collapse in the stock market were shut down by the Quantum Financial System's automatic safeguards.
- **Furthermore, new intelligence leaks suggest that the Cabal was planning to deploy EMP (Electromagnetic Pulse) weapons over key American cities** in a desperate attempt to disrupt communications and infrastructure.
- **However, Project Odin**, which controls all global communications via the Starlink satellite system, has rendered these attacks useless. The EMP devices have already been neutralized, and the White Hats have captured the Cabal's EMP teams before they could launch their attacks. More Info on gazetteller.com
- **The NATO summit in Brussels** that took place in early September 2024 was, unbeknownst to the public, a staged event to draw out the last remnants of the deep state's military leaders. Sources reveal that key military figures from NATO-controlled countries who were still loyal to the Cabal were secretly detained during this summit.
- **These high-ranking officials were planning** to orchestrate a counterattack to maintain the Cabal's military control in Europe, but their arrest marked the final nail in the coffin for the Cabal's military capabilities.
- **As we head into late 2024, the global stage is set for the complete destruction of the Cabal.** The 50,000 elite troops are not just ready to strike—they are already executing the final phase of this operation.
- **Mass arrests, public executions, and the dismantling of the Cabal's financial empire are imminent.** The world is about to witness the greatest military and political operation ever conducted, and the Cabal's days of power are over. More Info on gazetteller.com
- **Prepare yourselves.** The strike is coming, and the world as we know it is about to change forever. The Cabal's grip on humanity has been broken, and the new dawn is about to rise.
- **The Quantum Financial System** is already operational with hidden QFS nodes integrated with Rafidain's blockchain to bypass the Central Banks and put the final nail in the coffin for the Deep State Cabal.

C. Global Currency Reset:

Wed. 25 Sept. 2024 Wolverine:

- **On Tuesday, October 1, 2024**, US Inc. Corp. dissolves – ending the fiat monetary system experiment. The gold and asset-backed quantum financial system is ready, set, and taking over. On October 1, 2024, the US Inc. corporation fiscal year ends and it has been bankrupt since 2008. There are no budget approvals from Congress, it just runs on fumes with a fiat dollar. Now, the Federal Reserve and IRS will shut down along with it. And let's not forget Blackrock, the financial arm of the Deep State, which controls more wealth than entire nations. They have already declared bankruptcy. If a bank does not comply with Basel III (not gold backed), it will close on **October 1st**.
- **The first week of October** will change everything. The Emergency Broadcast System will break the silence and reveal all hidden truths. Countries around the world are preparing to activate the Quantum Financial System (QFS).
- **Military forces around the world are mobilizing** – US, Canada, UK, EU, and beyond. Over 80 nations are participating in this. This is not a drill.
- **Governments as we know them will shrink by 90-95%**. If new elections are not held within 60 days, the Global Military Alliance will take over. Forget about the November elections.

They have already arrested and tried over half a million global elites – crimes against humanity. These criminals, those who prey on the world's children, are facing justice, and it's not going to be pretty.

- **The new Republic begins. On October 1st**, the United States will begin its new fiscal year with a gold backed US banknote as part of the global monetary reset.

D. Global Financial Crisis:

. **Wed. 25 Sept. 2024: URGENT REVEAL!! Trump's GESARA Activation Sparks Panic: \$35 Trillion Debt Trap Set by Global Elites, Largest Wealth Transfer Looms — Cyberattacks and Economic Collapse Engineered as Distraction — Walmart, Target, Home Depot Store Closures Signal Deep State Desperation! ...NESARA/GESARA on Telegram** <https://gazzetteller.com/urgent-reveal-trumps-gesara-activation-sparks-panic-35-trillion-debt-trap-set-by-global-elites-largest-wealth-transfer-loom>

- **We are living in a rigged system.** The global elites are pushing us towards total collapse. The economy, the middle class, retail theft—it's all part of their plan to strip away our freedoms, our money, and our future.
- **The U.S. debt is exploding, reaching \$35 trillion.** Another \$1 trillion is being added every 100 days. This is no mistake—it's a calculated effort to destabilize America and enslave its citizens with endless debt. The global elites want the U.S. to fall, and they know who their greatest enemy is: Donald J. Trump.
- **They've attacked Trump through fake impeachments, media campaigns, and assassination attempts because he stands in the way of their plan.** Trump holds the key to the greatest financial reset in history—GESARA.
- **GESARA is the global solution that will destroy the corrupt banking systems enslaving us.** Trump knows it, and that's why the Deep State is panicking. They don't want the public to learn about this game-changing financial reset. But guess what? It's already happening. Russia, China, and the BRICS nations are moving to a new financial system that will destroy the U.S. dollar and its dominance in global trade.
- **In September 2024, the BRICS summit revealed plans for a gold-backed currency system,** exactly what GESARA promises. The Federal Reserve and the IMF are in deep panic as the global elites scramble to maintain control. They've unleashed cyberattacks on energy grids and created chaos to push us into accepting a global digital currency. But Trump's GESARA is standing in their way.
- **The Federal Reserve is losing control over interest rates and the economy.** Their last-ditch effort to raise rates is failing as the dollar collapses. The Deep State knows that once GESARA is activated, their power is finished. The Federal Reserve's assets will be seized, and trillions of dollars stolen from the American people will be returned.
- **They are desperately trying to distract you** with store closures and retail theft, but this is the system imploding. Trump has been planning this for years, signing executive orders during his first term that laid the foundation for GESARA's full implementation. He

hinted at this during a closed-door speech on September 15, 2024, talking about the coming financial storm.

- **Trump is not out of power.** The constant attacks on him prove that they are terrified of what he represents. They know that once GESARA flips the switch, it will lead to the greatest wealth transfer in human history. Their days of control will be over.
- **The dollar is dying,** and the global elites know it. Banks are collapsing, the system is crumbling, and they're running out of time. GESARA is here, waiting in the background, ready to be fully activated. When it does, everything will change. The Deep State will fall, and Trump will lead the charge.
- **Prepare.** The greatest wealth transfer in history is about to happen, and they can't stop it.

E. Tues. 24 Sept. 2024 BREAKING! Walmart Canada No Longer Accepts U.S. Dollars – A Harbinger of the U.S. Dollar's Total Collapse

- **This is not a drill! Steve Quayle has just uncovered shocking evidence that Walmart Canada has stopped accepting U.S. dollars, signaling the imminent collapse of the U.S. currency.** If you haven't been paying attention, now's the time to wake up—this is happening. Walmart, a U.S.-based corporation, is rejecting its own country's currency in Canada, one of the U.S.'s closest economic partners. What does that say about the future of the U.S. dollar?
- **Steve Quayle was on the frontlines,** personally witnessing this stunning move at a Walmart in Newmarket, Ontario. Every single cashier was rejecting U.S. currency—it wasn't a glitch, it wasn't a mistake. It's real. The cashiers revealed that the entire system had been reprogrammed to refuse U.S. dollars. Let that sink in. A U.S. corporation just turned its back on the dollar, and it's not because of a temporary issue. They know something we don't.
- **This is the beginning of the end for the U.S. dollar.** Walmart's decision shows that the collapse is closer than anyone thinks. Other companies, countries, and financial institutions will follow suit. It's happening right now, and if you don't prepare, you'll be left with nothing. Walmart has made its move to protect itself from the coming storm. If they're abandoning the U.S. dollar, how long will it be before everyone else does?
- **Think about it: Canada and the U.S. are tightly linked economically.** If Walmart is pulling the plug on U.S. cash in Canada, what does that say about the rest of the world? It says everything you need to know. The U.S. dollar is in deep trouble. If you're holding U.S. dollars, you need to prepare NOW before it's too late.
- **This isn't some wild theory**—it's happening before our eyes. If Walmart is rejecting U.S. currency, you can bet the rest of the world is watching.
- **The U.S. dollar collapse is imminent.** Prepare yourselves, protect your assets, and brace for the chaos that will follow. Hyperinflation, skyrocketing prices, and worthless savings—this is the future if you don't act now.

- **Will you be ready? Time is running out.** The collapse is coming, and once it happens, there will be no turning back.

G. Tues. 24 Sept. Unstoppable! The Global Currency Reset (GCR), Iraq's Imminent RV, and the Quantum Financial System (QFS) Are Engineered to Dismantle the Globalist Financial Regime! ...Gitmo TV on Telegram:

- **The truth has been buried for too long**, and the Global Currency Reset (GCR) is the key to unraveling the stranglehold the elites have on us. No more sugarcoating: Iraq's RV (currency revaluation) isn't just a minor economic adjustment—it's the ticking time bomb the Deep State fears most.
- **While the masses are fed lies**, the real battle is happening behind the scenes, and Iraq is ground zero for the greatest wealth transfer in history.
- **Make no mistake, Iraq's move to digitize its banking system** isn't about convenience. This is a full-scale assault on the globalist-controlled financial system. The Rafidain Bank's sudden push to digitize 42 of its branches with blockchain tech is no coincidence. This is the first phase of the QFS—the weapon designed to annihilate the corrupt central banking system that's kept nations enslaved through debt and inflation.
- **Digitization Equals Control:** What they don't want you to know is that Rafidain Bank's so-called "digitization" is a Trojan horse. By embracing blockchain, they're laying the groundwork for the Quantum Financial System right under the noses of the elites. They know once the QFS goes live, their reign is over.
- **The days of fiat currency and fractional reserve banking are numbered.** The QFS will ensure transparency and expose the Deep State's financial crimes. Money laundering, theft, and tax evasion—all the tricks they've used to control us—will be revealed for the world to see.
- **Now, here's the big play:** Iraq's RV isn't just about boosting their economy. It's the first domino in a chain reaction that will trigger the Global Currency Reset. Every currency on the planet will be realigned, stripping the globalists of their power and bringing wealth back to the people.
- **The Ground Alliance—a coalition of patriots, military insiders, and Q operatives—has orchestrated this entire operation.** The RV isn't just about Iraq; the Ground

Alliance is pulling the strings. And the QFS isn't limited to Iraq. It's rolling out globally, building a new era of financial freedom.

- **Here's what they won't tell you: hidden QFS nodes are already operational, integrated with Rafidain's blockchain, bypassing the central banks.** The Ground Alliance holds all the cards, and the RV's timing isn't in the hands of Iraq's corrupt politicians or the globalist-run IMF.
- **The elites have tried to stop the RV for years.** Why? Because when the RV happens, their entire global economy will collapse. Every oppressed country, from Zimbabwe to Venezuela, will follow Iraq's lead. This is what they fear most—the return of trillions in stolen wealth back to the people.
- **The QFS is the final nail in the coffin for the central banks.** The moment Iraq fully integrates into the system, the corrupt SWIFT banking network will be rendered obsolete. The Rothschilds, Rockefellers, and their cronies are seeing the walls close in. Their centuries-long control is crumbling.
- **Iraq's RV will set the precedent.** Countries long held down by globalist policies will rise, realigning their currencies and reclaiming their stolen wealth. The elites are terrified, and with good reason: The RV is a weapon of liberation.
- **The Quantum Financial System is already operational.** Iraq's digitization is just the beginning. The Global Currency Reset is coming, and when it hits, it will topple every corrupt financial empire. This is the end of the globalist regime, and they know it.
- **Prepare yourself.** The RV is not just a financial event—it's a revolution. When the RV hits Iraq, the wave of financial freedom will be unstoppable, and the elites will be powerless to prevent the Great Awakening.
- **The QFS is here.** The RV is coming. The Deep State is trembling. Are you ready?

J. What We Think We Know as of Thurs. 26 Sept. 2024:

- **Satanic Activities of kidnapping, pedophilia & Child Sacrifice** will most certainly increase between now and the celebration of Satan's Birthday on Halloween **30, 31 Oct, 1 Nov**. Watch out for and protect the children.
- **In 1776 the Illuminati** was created in South Germany and then slowly took over governments. They created World Wars I and II through the US Bank JP Morgan and Prescott Bush funding Hitler to power.
- **Tucker Carlson has videos of Obama**, the grandson of Hitler, practicing pedophilia, Child Sacrifice rites and in sexual acts with a man as part of a Satanic ritual while the Obama family was forcing kids to watch his sexual acts, view porn and much more.
- **Tucker Carlson also recently revealed explosive recordings allegedly showing Barack Obama, Bill Clinton, Joe Biden, Jeffrey Epstein, Prince Andrew, and other elites engaging in satanic child abuse rituals.** These shocking events are said to have occurred in a tunnel beneath the White House in 2008. Yes, beneath the very seat of power in America, these monstrous acts were committed.
- **Videos have been published allegedly showing Michelle Obama** torturing and killing a child at parties hosted by P Diddy, with Barack Obama also present.
- **This isn't just another conspiracy theory. Global elites, tied to Epstein's pedophile network, are believed to be behind an international child trafficking ring, with the Vatican involved.** The rabbit hole runs deep, and it leads to the doorstep of some of the most powerful figures in the world. Oprah's island neighbors Biden's Water Island, and that's not a coincidence.
- **Fast forward to 2021, right after Biden's fake inauguration.** For over a month, JAG officers were spotted moving in and out of the White House during the darkest hours of the night, between 3 AM and 6 AM. What were they doing? The reports suggest hundreds of children were being rescued from the tunnels beneath Capitol Hill. These children were tortured, sexually abused, and forced to witness the horrific killing of other children. This was all organized by the elites.
- **Martial law was declared, and the military stepped in.** They weren't there to protect Biden—they were there to rescue the innocent. Body bags were seen going in and out of

the Capitol, while dark buses escorted away those children who survived the ordeal. The mainstream media stayed silent, but the truth is starting to leak.

- **In 2022, the Russian military uncovered even more horrors in Ukraine.** Tens of thousands of children were reportedly rescued from underground tunnels connected to U.S.-run bio-labs on Biden-owned property. This isn't new; it's all part of an extensive operation to root out the evil hiding underground.
- **The first of these missions started in 2019** when 10,000 Marines and Navy Seals rescued over 2,000 children held in cages beneath China Lake. The Deep State Cabal has been using these children for adrenochrome harvesting—a sick practice to keep their aging elites youthful.
- **And the biggest bombshell of all?** Obamacare itself was allegedly designed to facilitate child trafficking. Every day, more revelations come to light. This isn't a fight for politics; it's a fight for the soul of our nation. Prepare yourself. The storm is only getting stronger. Stay vigilant.

M. Sat. 21 Sept. 2024: BQQM!!! List of Famous People Arrested & Executed – Dismantling the Deep State Operatives and Doubles: Kimmel, Oprah, Biden and More...Nesara/Gesara on Telegram

- **The veil is lifting, and what was once hidden is now coming into full view.** The Deep State players, long believed to be untouchable, are falling. One by one, their true faces are exposed, and the storm is here. This is no longer a matter of speculation; it's an unfolding reality.
- **For those still doubting, let this serve as your wake-up call.** Arrests have been made, executions carried out, and the ones paraded before us are nothing but doubles, clones, and CGI tricks. The illusion of control is falling apart, and soon, the truth will be impossible to ignore.
- **Let's dive into what we know so far:** Obama, the puppet of the cabal, claimed to just be following orders. That didn't save him. He was arrested, given a plea deal, then executed. And Michelle? Or should we say Big Mike? Executed shortly after. Their doubles still try to fool the masses, but we see through the lies.
- **The Gates deception is equally chilling.** Bill and Melinda, once thought to be saviors through their so-called "charitable" works, met their end when the truth about their vaccines came to light. Children in India fell victim to their sinister concoctions, and the enraged masses took matters into their own hands. They were hanged for their crimes, and now the doubles try to maintain the illusion that they're still here.
- **But the list doesn't stop there.** Pence, the Bush family, the Clintons, Fauci, Pelosi, and Schumer – all arrested. Some executed, others awaiting their fate. Their crimes? Treason, crimes against humanity, child trafficking. The darkest deeds imaginable, covered up by the very people we were taught to trust. The Deep State has infiltrated every corner of our world, but the White Hats are fighting back. The tribunals continue, justice is being served, and it's only a matter of time before the full list is revealed.
- **Even now, there are doubles and clones** walking among us, pretending to be the very people who have already faced justice. But make no mistake – they're gone. The Great Awakening is here, and those still asleep will be jolted awake soon enough. The storm is real, and we are winning. Keep your eyes open, share the truth, and brace yourselves.
- **The battle for freedom** and justice continues. Stay strong

N. Wed. 25 Sept. 2024: Elite Plan to Profit From Chaos ...Gitmo TV on Telegram

- **The Elite's Sick Plan: Profit from Chaos:** Here's the new information no one's talking about: the globalists are stockpiling resources like never before. Central banks are loading up on gold because they know what's coming. They know that when the bombs drop and society collapses, only those with hard assets and underground bunkers will survive.

- **The elites don't care about London.** They see this as an opportunity to profit, to cement their control over a broken world. The politicians, the bankers, the corporate overlords—they've been positioning themselves for this moment for decades. Don't be fooled by their hollow speeches. They're preparing for a post-apocalyptic world where they hold all the power and wealth, while the rest of us fight for survival.
- **New War, New Order: World War III is Not a Threat, It's a Plan:** The mainstream media won't tell you this, but World War III isn't just on the horizon – it's already being waged. It's not just about nukes or missiles. This war is about total control. Control of the narrative, control of the population, control of the future. NATO has been baiting Russia into a conflict designed to escalate. The elites know this. But are you ready?
- **The Media's Role: Misinformation and Distraction:** The media? They're part of the plan. They want you to believe that everything is fine while they prepare to watch the world burn from their safe havens. It's all a lie. And the sooner you wake up to it, the better.
- **What Comes Next: Total Collapse and Control:** When the bombs drop, the elites will be safe in their bunkers, watching from a distance as we tear each other apart. They've already divided us with their lies, but this is their endgame. They will emerge as the new rulers of a world devastated by nuclear fire, ready to rebuild society in their image.
- **This is happening.** And unless you wake up to the truth, you'll be left in the dark while the world burns around you.

When you park your car tonight, make sure you're parking it in the front of the hotel and under the lights because we've been having a lot of crime.
- **And my husband's like, why?** What's going on? What's happening? He's like, um, well, the hotel that I work at is 100% occupied by illegals from Honduras that were sent here from the government. And Jim is like, why? What's going on? He's like, they don't work. They don't speak English, and they're getting fed for free. They're staying for free. P. Tues. 24 Sept. 2024 Unstoppable: How the Q Movement Is Leading the World’s Most Powerful Truth Revolution! ...Carolyn Bessette Kennedy on Telegram

- **The Q Movement has stood strong for seven years**, defying relentless attacks from the mainstream media while growing into a global force of truth-seekers. Discover how this resilient movement, deeply connected to Donald Trump, has proven itself as the world’s most powerful Information Army, exposing corruption and challenging the status quo. Learn why the Q Movement continues to thrive despite opposition and how its dedication to uncovering truth is reshaping the way we think about power, media, and justice.
- **For seven unwavering years, the Q Movement has faced a constant barrage of attacks**, but instead of crumbling, it has only grown stronger. The mainstream media’s war against Q has been relentless, but every hit piece only brings more attention. They label us as conspiracy theorists, radicals, a danger to democracy—but we know the truth. Why would they fight so hard against a movement they claim is insignificant? What are they trying to hide?
- **The Q Movement is no fringe conspiracy**. It’s a global force. Millions of patriots from all walks of life have rallied behind the cause, seeking truth, exposing corruption, and holding the elites accountable. The political establishment is terrified because they can’t control us. They can't bury the truth forever. We’ve made bold claims, and time and time again, we’ve been proven right.
- **Corruption within the FBI, social media manipulation, and the ties between big tech and politicians are just a few examples of how Q has exposed the deep rot within the system**. The mainstream media scoffed, but their own headlines are proving us right. The truth is coming out, and the Q Movement is at the heart of this awakening.
- **At the core of this movement are the Anons**, an unstoppable network of truth-seekers who dig deep, uncovering the clues and connections the media desperately tries to hide. The media calls them basement dwellers, but they’re patriots—doctors, veterans, teachers, and everyday citizens who are tired of the lies. This is the most powerful grassroots movement in history. Armed with nothing but their computers and their dedication to the truth, the Anons are changing the world.
- **From the beginning, Donald Trump has stood by the Q Movement**. They attack Trump just like they attack us, labeling him dangerous because he’s a threat to their corrupt system. Trump and Q challenge the old guard, and that’s why the elites fear us. The media’s attacks on Trump mirror their attacks on Q, but both have emerged stronger because the truth can’t be silenced.
- **Despite everything, the Q Movement continues to grow**. More people are waking up, asking questions, and digging deeper. This isn’t just a movement; it’s a revolution. We’ve

shattered the media's control over information, and they are terrified. We're unstoppable, and soon, the world will know just how right we've been all along.

- **Together, we are changing history**, and nothing can stop us now. The truth will always prevail.

Q. Tues. 24 Sept. 2024: URGENT REVEAL!! Trump's GESARA Activation Sparks Panic: \$35 Trillion Debt Trap Set by Global Elites, Largest Wealth Transfer Looms — Cyberattacks and Economic Collapse Engineered as Distraction — Walmart, Target, Home Depot Store Closures Signal Deep State Desperation! ...Nesara/Gesara on Telegram

- **We are living in a rigged system.** The global elites are pushing us towards total collapse. The economy, the middle class, retail theft—it's all part of their plan to strip away our freedoms, our money, and our future.
- **The U.S. debt is exploding**, reaching \$35 trillion. Another \$1 trillion is being added every 100 days. This is no mistake—it's a calculated effort to destabilize America and enslave its citizens with endless debt. The global elites want the U.S. to fall, and they know who their greatest enemy is: Donald J. Trump.
- **They've attacked Trump through fake impeachments**, media campaigns, and assassination attempts because he stands in the way of their plan. Trump holds the key to the greatest financial reset in history—GESARA.
- **GESARA is the global solution** that will destroy the corrupt banking systems enslaving us. Trump knows it, and that's why the Deep State is panicking. They don't want the public to learn about this game-changing financial reset. But guess what? It's already happening. Russia, China, and the BRICS nations are moving to a new financial system that will destroy the U.S. dollar and its dominance in global trade.
- **In September 2024, the BRICS summit revealed plans for a gold-backed currency system**, exactly what GESARA promises. The Federal Reserve and the IMF are in deep panic as the global elites scramble to maintain control. They've unleashed cyberattacks on energy grids and created chaos to push us into accepting a global digital currency. But Trump's GESARA is standing in their way.
- **The Federal Reserve is losing control** over interest rates and the economy. Their last-ditch effort to raise rates is failing as the dollar collapses. The Deep State knows that once GESARA is activated, their power is finished. The Federal Reserve's assets will be seized, and trillions of dollars stolen from the American people will be returned.
- **They are desperately trying to distract you** with store closures and retail theft, but this is the system imploding. Trump has been planning this for years, signing executive orders during his first term that laid the foundation for GESARA's full implementation. He hinted at this during a closed-door speech on September 15, 2024, talking about the coming financial storm.

- **Trump is not out of power.** The constant attacks on him prove that they are terrified of what he represents. They know that once GESARA flips the switch, it will lead to the greatest wealth transfer in human history. Their days of control will be over.
- **The dollar is dying,** and the global elites know it. Banks are collapsing, the system is crumbling, and they're running out of time. GESARA is here, waiting in the background, ready to be fully activated. When it does, everything will change. The Deep State will fall, and Trump will lead the charge.
- **Prepare.** The greatest wealth transfer in history is about to happen, and they can't stop it.

R. Wed. 25 Sept. 2024 The future is uncertain, but hope is a weapon. ...Michael Jackson on Telegram

- **As we face the collapse that's looming,** it's easy to feel overwhelmed by the lies of the mainstream media and all the doubt they sow. But remember this: Every end is a new beginning.
- **The old world, with its corrupt financial systems** and tyrannical governments, is dying. But something much bigger is being born. A new world, fueled by quantum energy and completely free from the control of the cabal, is rising.
- **This world won't be without challenges,** but it will be full of untold opportunities.
- **The collapse of the old financial system** will pave the way for radical forms of money, like Bitcoin and other decentralized cryptos, breaking the chains of the elite bankers.
- **The shift from nuclear to quantum energy** will spark new industries, new businesses, and a quantum network will revolutionize how we connect and communicate. The elites can't stop it.
- **But before we reach this new world,** we must endure the storm.
- **The Black Swan event** we're witnessing will be devastating, but it's part of the plan. This collapse is the trigger, the moment that breaks the chains of the cabal and gives us the chance to build a future of freedom and light.
- **The clock is ticking.** Prepare yourselves.

S. Tues. 24 Sept. 2024 Obama Exposed: The Kill List and SEAL Team 6 Betrayal! ...Gitmo TV on Telegram

- **Barack Hussein Obama** must be held accountable for his crimes against humanity. His administration's reckless policies led to the deaths of American heroes and innocent civilians alike. The SEAL Team 6 tragedy, the assassination of Muammar Gaddafi, and the drone strikes targeting American citizens all point to a leader who used his power as judge, jury, and executioner.
- **Obama's kill list wasn't just a tactic against terrorists**—it was a cold-blooded method to silence political enemies and anyone who stood in his way. He ordered drone strikes on Abdulrahman al-Awlaki, a 16-year-old U.S. citizen, without due process. This isn't

justice; it's murder! The father, Anwar al-Awlaki, was killed two weeks earlier in a similar illegal strike. Does a president have the right to target his own citizens without a trial?

- **Let's not forget the disastrous consequences of the Libya intervention.** The bombing of Libya, a nation that posed no direct threat to the U.S., toppled Gaddafi and turned the country into a war zone, destabilizing the entire region. Meanwhile, Hillary Clinton laughed, saying, "We came, we saw, he died."
- **Obama's reckless use of drone warfare violated international law** and targeted innocent civilians. His secretive operations bypassed Congress and the courts. With \$6 trillion in new debt, skyrocketing unemployment, and an intentional refusal to enforce immigration laws, Obama weakened America. He betrayed our military by ordering SEAL Team 6 into dangerous situations, leading to their deaths.
- **Under Obama, Operation Fast & Furious armed Mexican drug cartels**, costing American lives. His administration's mishandling of the economy led to the highest food stamp dependency in history. And all the while, Obama apologized to terrorists, isolated our allies, and gave the green light to chaos.
- **It's time for justice.** Barack Obama should be tried for his war crimes and the reckless policies that put America in danger. We must hold him accountable before more innocent lives are lost!

W. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Y. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

Z. Judy Note: Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com

ZZZ. WARNING: At least three major scams are being perpetrated on Patriots right now: The TRB Trump Products Scam, the Dave XRPLion Scam and the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam.

Fake Dave XRPLion Scam: On Thurs. 5 Sept. 2024 I received the below from a reader. Evidently she had been scammed by someone impersonating Dave XRPLion on Telegram. The situation appeared to be another scam run by the Cabal, and NOT Dave XRPLion. Her email: “Apparently, Dave XRPLion in Telegram is fake, impersonation. They lured me into opening a QFS crypto wallet by convincing me about crypto wallets being accessible by fraudsters. They work as a group and several people commented how safe and secure QFSLEDGERONLINE.COM is to store my crypto. So I transferred my crypto after opening an account. So the scheme is to get people into the comments, they were very sophisticated. I was conned into DM the fake Dave where he lured, conned me into giving my cryptos to the fake safe & secure QFS account. When I needed to use some of my XRP, I was told that I need to put in more money. When they refused my withdrawal, I told them that I will contact the authorities. I was promptly locked out of my account. The channel is still in Telegram. They get you to DM Dave XRP Lion, he contacts you there and get people to transfer their cryptos to them, then locks them out. We lost everything after the 2008 Economic Disaster, now this, my Life savings. I am 63 years old a part time school bus driver.”

Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam (Facebook): Evidently an Ezra A. Cohen-Watnick impersonator is "helping" set up fake QFS accounts. He has a Facebook page touting the Quantum Financial System (QFS), Med Beds and the like. A reader sent me the following, “I was foolish enough to purchase \$1005.00 worth of Bitcoin today, and have a legitimate receipt for same from the kiosk I purchased it from, BUT I went on Messenger with

"Ezra" as he helped me set-up and deposit the Bitcoin into "QFSnetglobal.org . I do not believe this is the legitimate website for the Quantum Financial System." The reader contacted CDR Pascal Najadi, USSF, who said to report things like this to the Inspector General of the Air Force's office, so our Spec Ops people can pay a call on such criminals: saf.ighotline@us.af.mil

The TRB Trump Products being falsely advertised under the Trump name with a promise of a sizeable payoff is actually a giant SCAM being perpetrated on Patriots. It is under investigation by the FBI, Secret Service and New York PD.

- **Since the beginning of June 2024** I have received over 400 emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.
- **The so-called Trump Coins, Badges and Stickers were NOT**, as the advertising claimed, endorsed by Trump, Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.
- **Alan Garten, General Counsel to the Trump Organization, stated:** “The Trump Organization has no affiliation or association whatsoever with TRB products.”

*****Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Fale Dave XRPLion Scam** are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

1. **Present a notarized copy** of your complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**
2. **Alan Garten, General Counsel** to the Trump Organization so they can refer such on to their FBI, Secret Service and New York PD investigations. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.
3. **Inspector General of the Air Force's Office**, so our Spec Ops people can pay a call on such criminals. Email: saf.ighotline@us.af.mil

I would also appreciate receiving a simple sentence of your experience by email that I will file for the ongoing investigations. Please be general in your remarks and do not send me any evidence or personal information as I don't wish to be responsible for it. I will erase it if sent. My email: info22faces@yahoo.com

*****Important: TRB/AMF Holders** – We won't stop until we get answers: If you've put your trust in TRB/AMF products and still can't access the promised value, you're not alone. We understand your frustration, and we're taking action. We're gathering all holders to send a letter directly to President Trump's office, demanding clarity and answers. Is this ever going to happen? Will we see the returns we were promised? Together, we will ask the tough questions

and fight for the truth. Provide your name, email, and details in the form, and join us in this crucial mission. We will not rest until we know the truth. Stand with us today!

ZZZZ. *Beware of the Brushing Scam!** Albito Lopez, Sergeant Akron Police Department
A recent scam has been showing up in many states. A "brushing" scam is when someone receives an unexpected gift or item not ordered in the mail from a place like Amazon or other company.

Examples of gifts include, rings, bracelets, necklaces, Bluetooth speaker, etc. The gift will have the recipients address, but not include the sender's information or be from a known retailer. When the recipient opens the package to see what it is and possibly who sent it, there is a QR code to scan to find out who sent the gift.

Once the code is scanned, all the information from that phone will be sent to scammers. They receive all access to the phone. All personal and financial information is accessible to the scammers and often the victim's bank accounts are drained. The gift can be kept or thrown away, but the QR code should NOT be scanned for any reason.

QR code scams are nothing new. These scams show up in all places, including parking meters. Please inform your family members about the scam and avoid scanning any unknown QR codes included in the package.
