A Major Satanic Holiday Where Children Are Kidnapped, Raped and Killed

*It's only wise to have at least a month's supply of food, water, cash, medicine and essential items
on hand for yourself, your family and to share with others in case of emergency.*

*When I am down, and oh my soul so weary
When troubles come, and my heart burdened be
Then I am still and wait here in the silence
Until you come and sit awhile with me*

*You raise me up so I can stand on mountains
You raise me up to walk on stormy seas
I am strong when I am on your shoulders
You raise me up to more than I can be*

Judy Note: *The Cabal's Khazarian Mafia, descendants of Cain who practiced Child Sacrifice in honor of Satan in return for riches, power and glory, were again trying to steal the US Presidential Election – as they were successful in doing during the 2020 and 2024 elections.*

The Khazarians have longed aligned with Democrats, the CIA, Zionists, Bankers, Crown of England and Vatican to make sure their US Inc. stayed in power. Since the early 1900s this Illuminati Organization has collected and spent US Taxpayer monies through their privately owned Federal Reserve and IRS.

A Trump victory would change all that.

“A country run by banks will always be in debt. Healthcare run by Big Pharma will never cure disease. A state run by war will never know peace. A nation run by the media will never know the truth” said Michael Jackson on Telegram on Tues. 22 Oct. 2024.

Those days full of corruption will soon be over, including the availability of free Med Bed treatments. This hidden technology previously available only to Satan worshipping Elites will now restore everyone's health by early 2025. What's coming creates freedom for all – including free transparent and fully secure elections on the new Quantum Satellite System.

Meanwhile Michael Baxter of Real Raw News reported on 2024 Voter Fraud – that was totally out of control throughout the US: [The Steal is Real | Real Raw News](#)

“Early voting has begun in several states across the country, and White Hats have already seized or destroyed rigged voting machines in Georgia, North Carolina, and Tennessee, states that could decide the outcome of the 2024 presidential election.

“As reported this week, White Hats seized compromised machines from a Fulton County, Georgia, library. The US Army Cyber Command specialists who later evaluated those devices found that half of them—three of six—had been doctored to randomly turn Red Votes Blue. For example, for every ten Republican votes cast on one machine, two votes flipped to Democratic candidates; a second machine changed one in ten; and a third device consistently flipped five in ten. The same was not true when ARCYBER voted Blue; Blue votes remained Blue. The

library's tampered-with machines behaved similarly to a shipment of fraudulent ones White Hats had seized in July.

“Over 11 million Americans have already voted early—a record turnout—and White Hats concede there's no way of determining how many of those votes are fraudulent. Nonetheless, they've been responding both proactively and reactively to allegations of fraud, including several in Georgia, where patriotic Trump voters have reportedly seen irreconcilable discrepancies between their electronic votes and what appeared on their hardcopy printouts.

“The story made national headlines yesterday after Republican firebrand Marjorie Taylor Greene sounded the alarm during an appearance on Alex Jones' InfoWars broadcast, claiming a Dominion machine changed a voter's ballot in her district. “It had switched!” she told Jones.

“Dominion has since responded that the voter, not the machine, made the error and called the report an isolated incident.

“White Hats, however, had responded to additional reports of fraud in Georgia prior to Greene's alarming announcement. A White Hat stationed at Fort Moore, Georgia, was first in line to vote for Trump Tuesday morning at the Muscogee County Citizen's Service Center. When he tried voting straight Republican, the machine wouldn't accept the entry, and the employee he informed told him the machines were a little “glitchy” and offered to resolve the issue. She fiddled with it and said it was functioning correctly. But when the soldier again tried to vote, the display screen flashed hypnotically, momentarily mesmerizing him before he realized his vote had again changed. He asked the election clerk to void his vote and said he'd return on Election Day.

“The soldier sent his Intel up the chain of command, a military echelon that terminated at Gen. Smith's office. Our source said the general was seething with anger.

“The steal is real,” our source said, “and we're working overtime to mitigate the number of stolen votes going on out there. Stopping all of them is impossible, so we're trying to cut Harris' cheat margin. We'd already dealt with 16 confirmed cases of voter fraud and had a large force deployed in five states when that soldier's report came in.

“He added that Gen. Smith tasked Marines who had just demolished fraudulent voting machines in White County with dismantling those at the Muscogee County Citizen's Service Center. The Marines reportedly breached the building after midnight and sledge hammered the machines—but first removed the circuit boards for ARCYBER to analyze.

“We asked our source whether totaling the machines was a gesture in futility, since the Deep State could simply replace them repeatedly.

“Then we'll keep trashing them and arresting whoever installs them. We hope the Deep State understands our resolve and won't try to cart in more rigged equipment. We'll be watching and waiting,” the source said.

“Georgia, he added ominously, isn’t the only state in which White Hats hindered the Deep State’s election shenanigans. In North Carolina—still reeling from Hurricane Helene’s unprecedented devastation—Marines in Rutherford County found armed FEMA agents overseeing early voting at Isothermal Community College. Although the cowardly agents scattered at the sight of heroic Marines advancing on them, White Hats are committed to surveillance in the college until all voting ends on November 5. “We’ll, be very busy the next few weeks, very busy indeed,” our source said.”

She reported it to police, who only closed out the case and transferred it to New York. The State will not compensate her for the loss and will do nothing about it, just lets the children go hungry. C. Global Currency Reset:

(It was suspected because greedy creatures infiltrated the system and devised some devious plot). The bottom line: wait patiently until an official notification.

That manuscript, along with many other historical finds, was said to be in the process of translation – and due to be released soon.

K. Tues. 22 Oct. 2024 BREAKING: Abercrombie & Fitch's Dark Secret: Former CEO Mike Jeffries Arrested in Explosive Sex-Trafficking Scandal ...Gitmo TV on Telegram

- **Breaking News: Mike Jeffries, the former CEO of Abercrombie & Fitch, has been arrested in a horrifying sex-trafficking scandal.** Exploitation, abuse, and twisted gatherings have finally been exposed. The dark underbelly of the elite world is unraveling, and powerful names are starting to fall. Is this just the beginning?
- **The Fall of a Fashion Icon:** Once seen as the genius behind Abercrombie & Fitch's rise, Jeffries' arrest is shocking the world. Alongside his partner, Matt Smith, and associate Jim Jacobson, Jeffries is under investigation for orchestrating a sex-trafficking ring involving young men, connected to extravagant, sinister parties across the U.S. and abroad. The FBI is now diving deep into the dark secrets behind these high-society gatherings.
- **Connections to Epstein?:** The disturbing parallels between Jeffries and Jeffrey Epstein are impossible to ignore. Both used their influence in elite circles to exploit the vulnerable. Epstein's infamous case left us with countless unanswered questions about the extent of his network. Now, with Jeffries' downfall, more connections are coming to light. Were these two predators part of a bigger, insidious network? Could more names, like Diddy, be connected to this twisted web of abuse?

- **Elite Privilege and Control:** The elite's grip on power has allowed them to operate unchecked for decades, exploiting the weak with impunity. As the details of Jeffries' secret life come to the surface, the world is finally seeing what's been hidden behind the glossy exterior of wealth and privilege. The parallels to Epstein's trafficking ring raise chilling questions about the reach of this network, and how deep it truly goes.
- **What Really Happened at These "Parties"?:** The allegations describe these "parties" as orchestrated events of exploitation where young men were coerced into sexual acts. This wasn't just a side note in Jeffries' life—it was a system of abuse that may have operated for years. The veil of secrecy that the elite used to protect themselves is starting to crumble, and the truth is darker than anyone imagined.
- **Abercrombie & Fitch's Dark Past:** For years, Abercrombie & Fitch built an image of exclusivity and allure, but beneath that shiny exterior was a toxic culture. While Jeffries left the company years ago, his legacy still looms large, and this scandal threatens to further tarnish the brand's already controversial image. Can Abercrombie survive the fallout, or will this be its final undoing?
- **How Many More Will Fall?:** As the FBI digs deeper, the question becomes: how many more names will come out of this investigation? How many others were involved or turned a blind eye to the abuse happening in their inner circles? Powerful elites have protected each other for too long, but this scandal may be the beginning of their downfall. The victims deserve justice, and the world is ready for the elite to finally be held accountable.
- **This isn't just about Mike Jeffries**—it's about a culture of exploitation and corruption that has thrived in the shadows for far too long. The people are waking up, and they won't stop until the truth is fully exposed. The time of reckoning has come. Will this be the moment the elite finally fall?

Kelloggs uses natural colors in their products outside of America but argue that their products meet federal requirements here in the USA. Red 40, Blue 1, Yellow 5 & 6 are known to cause seizures and other behavior problems in children.

M. Tues. 22 Oct. 2024 Urgent Update: 700,000+ Sealed Indictments Activated, Military Tribunals Begin, and EBS Set to Broadcast Live Mass Arrests and Executions—The Cabal’s Final Days Are Here! ...Carolyn Besette Kennedy on Telegram.

- **The sealed indictments**—once whispered in shadows—are now fully operational, with 700,000+ active indictments as of October 2024. This isn’t about a handful of corrupt elites; it’s a global purge involving high-ranking officials from governments, banks, media, military, and even royalty.
- **These indictments, compiled by military intelligence and white-hat operatives,** detail the worst crimes in human history: treason, crimes against humanity, child trafficking, and more. And it’s not just paperwork sitting in some dusty archive—global arrests are happening right now.
- **Special Forces from the U.S., Russia, China,** and other nations are conducting joint arrest operations across the globe, sweeping up the Cabal’s key figures. The Cabal’s darkest secrets are being exposed and they have nowhere left to hide.
- **Military Tribunals, long in preparation, are now underway.** These indictments are packed with classified intelligence and whistleblower accounts revealing the full extent

of the Cabal's control over humanity. Executions are happening behind the scenes—swift justice for crimes so heinous, they can barely be fathomed.

- **Global Sweep: 100+ Countries Targeted:** This isn't just a U.S. operation. Over 100 countries are implicated, with indictments targeting international bankers, world leaders, and key figures from global institutions like the United Nations. Corrupt puppet leaders in countries like Brazil, Switzerland, and Ukraine have already been taken down. The Cabal's global financial elite are being stripped of their wealth and thrown into secret detention centers for interrogation and trial.
- **This is where GESARA's promise kicks in**—the largest wealth transfer in history is happening. Trillions of dollars are being seized from the Cabal's accounts, marking the end of debt slavery and the beginning of a financial revolution.
- **The Elite Are Running Scared:** They thought their wealth and power could protect them. They were wrong. Private jets grounded, assets frozen—the elite are being rounded up and disappearing from their mansions and yachts. Even their underground bunkers are no longer safe. Military forces have been quietly seizing these bunkers, arresting key figures miles underground where they thought they could escape.
- **Mass Public Arrests: The Final Phase:** The Emergency Broadcast System (EBS) will soon unseal these indictments for the world to see. Mass arrests, high-profile trials, and executions will be broadcasted. Bankers, politicians, celebrities, and CEOs will be seen in handcuffs, their empires crumbling before our eyes.
- **These broadcasts** will reveal the truth behind the Cabal's crimes: child trafficking, global wars, and the manipulation of humanity for their gain. The tribunals will be public, and executions will follow, as justice is served for the crimes committed against the world.
- **October 2024: The Countdown to Liberation:** The indictments are no longer rumors—they are fully active. Military forces are executing the largest purge of corruption in human history. The storm is here, and there's no stopping what's coming next. The indictments are airtight, the arrests are accelerating, and the storm is in full force.
- **We are the storm,** and the Cabal's days are numbered.

N. Tues. 22 Oct. 2024 Al Sharpton believes he is on “a list” of those who will be jailed if Trump is elected President.

- **Al Sharpton – you have been a federal agent your entire life.** Your number is CI-7. You been a compromised informant for decades. And you been to those P. Diddy parties to. So you have every right in the world to assume you will be scooped up in a round up. But you are trying to give your audience the impression that it will be personal because they are oblivious to your crimes and you are taking advantage of that. But in the end everyone will know.
- **You are a mob snitch who became a regular in the White House,** where you met with the 44th president in the East Room, the Roosevelt Room, and the Oval Office. You also

attended Obama Christmas parties, speeches, policy announcements, and even watched a Super Bowl with the First Family (an evening the man has called “one of the highlights of my life”).

- **During these gatherings, you mingled** with cabinet members, top Obama aides, military leaders, business executives, and members of Congress. Who are all corrupt. Your former confederates were a decidedly dicier lot: ex-convicts, extortionists, heroin traffickers, and mob henchmen.
- **Your surreptitious recordings, FBI records show,** aided your government handlers in the successful targeting of powerful Mafia figures with nicknames like Benny Eggs, Chin, Fritzzy, Corky, and Baldy Dom.

O. Tesla’s Obsession with 3, 6, 9: The Secret Numbers That Could Unlock the Universe’s Hidden Power

- **Nicola Tesla was a visionary far ahead of his time,** blending science with ideas that challenged conventional thinking. He wasn’t just an inventor obsessed with electricity; Tesla believed in unseen forces, energies he called “The Ether,” which he claimed connected everything in the universe.
- **While most saw science and religion as opposites,** Tesla saw them as intertwined. He thought religious texts like the Bible were coded messages filled with scientific truths waiting to be decoded. Jesus’s miracles, for example, were not magic to Tesla—they were advanced applications of energy and vibration.
- **Tesla believed that humanity could tap into free,** unlimited energy through The Ether, creating a world without power struggles or environmental destruction. He was convinced that ancient civilizations had already mastered this knowledge, hiding it in myths and religious stories like Noah’s Ark and the parting of the Red Sea. These weren’t just miracles—they were technological feats lost to history.
- **Tesla’s obsession with numbers, particularly 3, 6, and 9,** led him to believe these were the keys to unlocking the universe’s hidden secrets. He theorized that these numbers held the blueprint to reality, a harmonic pattern that connected everything.
- **He also saw our minds as antennas,** capable of receiving signals from the universe, suggesting that thoughts and emotions could influence the world around us. Tesla wasn’t just after technological advancements—he was on a mission to reveal deeper truths about the universe, truths that could disrupt everything we think we know.
- **In Tesla’s world, science wasn’t just about progress;** it was a gateway to a hidden order, a cosmic plan that he believed could revolutionize humanity if only we dared to understand it.

P. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Q. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

R. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running

around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the "22 Faces" re-publication release, please email me at: info22faces@yahoo.com
